reliability & validity of Portuguese- & Spanish-language translation of revised Janis-Field Feelings of Inadequacy Scale, assessment of self concept, 12–19 yr olds, Brazil & Ecuador & Paraguay & Uruguay & Venezuela, 18938
scores on subtests of Torrance Tests of Creative Thinking & preferences for being creative or good student or intelligent & perception of teacher's preferences, 3rd–4th graders identified by teachers as highly vs minimally creative, Brazil, 20758
training & professional status & role in primary school education, school psychologists, Brazil, 31149
undergraduate vs graduate training, social & economic status, psychologists in Federal District, Brazil, 4734
validity of L. Berkowitz & K. Lutterman's social responsibility scale, Brazil, 1114
Breast
participation in breast self examination educational program, discussion with members of social network, female college students, 4846
phone vs mail prompting interventions, promotion of long term compliance with breast self examination, college faculty & staff members, implications for breast cancer prevention, 25061
systematic continuing medical education session on breast cancer detection, referral rates for mammography, physicians, 15487
Breast Feeding
concerns about breast feeding infants from birth to 4 mo, 18–35 yr old primiparas & multiparas, 26982
marital & sociodemographic & intermediate variables, duration of breast feeding & postpartum sexual abstinence, Yoruba females, western Nigeria, implications for family planning, 27087
nutrition & lactation & fertility practices in rural communities, Mexico, 14301
positive beliefs & absence of worries about breast feeding & maternal education, prediction of initiation of breast feeding, breast vs bottle feeding primigravida women, 8976
recognition of mother's vs father's axillary odors, 2 wk old breastfed vs bottlefed neonates, 8656
sex of infant, breast feeding patterns, females & their children, Korea, 27007
social support networks & mass media, breastfeeding vs bottle feeding, mothers & 4 wk to 6 mo olds, Hong Kong, 14307
Breast Neoplasms
adjustment to breast cancer & subsequent mastectomy, female 33–74 yr olds, US vs France, 30826
chronoendocrine relations of expansive personality, 29–36 yr old females at risk for breast cancer, 20166
efficacy of Mini-Mental State & General Health Questionnaire for psychiatric assessment, patients with breast cancer, 13386
handedness, laterality of breast cancer, 21–84 yr old females with mastectomies, 27599
hypnotherapy, remission of medically diagnosed breast tumor, female patient, discussion of 1846 report by L. R. Sunderland, 20428
immunologic natural killer cell activity & psychological & demographic factors, breast cancer prognostic risk status, 28–74 yr old females with Stage I or II breast cancer, 12232
personality & adequacy of information received from physician, adoption of Moerman diet, patients with Hodgkin's disease or breast cancer, 12262
physical diagnosis breast examination teaching program, increase in awareness of importance of breast examination & teaching of self exam to female patients, medical students, 15545
prebioptic personality traits & behavior patterns, female patients with benign vs malignant breast cancer, 6906
regular practice of breast self examination & immediate vs delayed seeking of treatment for symptoms of breast cancer, female breast cancer patients, 4566
relationship with sons vs daughters, 29–78 yr old mothers with breast cancer, 4161
right to refuse treatment & subsequent delayed medical care, mentally retarded 68 yr old institutionalized female with breast cancer, 4668
routine care with vs without monitoring by specialist nurse & mianserin &/vs cognitive therapy, depression, females undergoing mastectomy for breast cancer, conference presentation, 30517
theoretical perspectives on role of social comparison in coping behavior, female 29–78 yr olds with breast cancer, 12301
validity of emotional control as personality trait, females with breast cancer, 4183
Breathing [See Respiration]
Breeding (Animal) [See Animal Breeding]
Brief Psychotherapy
aerobic exercise in time limited group therapy, mental health, participants, 17975
attitudes & social & psychiatric background & symptoms & cooperation vs staff-directed treatment contract, short-term psychotherapy patients, 6-mo followup, 25120
behavioral approach in time-limited group therapy, 17974
brief dynamic psychotherapy, symptom relief, patients following death of parent, 5-mo & 1-yr followups, 22409
brief group cognitive-behavioral stress management vs psychotherapy vs self help approach, genital herpes patients, 27703
brief group psychotherapy, genital herpes sufferers, 25175
brief group therapy in 4 stages, anxiety & depression, clients, 4385
brief psychodynamic psychotherapy, chronic pain, 22–57 yr old patients attending pain clinic, 20294
brief psychological intervention with hypnotherapy, migraine patients, 3-yr followup, 20427
brief psychological technique, psychological status & use of medical services, soldiers on air force base, Israel, 4341
brief psychotherapeutic interventions, marriage counseling in health maintenance organizations, couples, 4384
brief psychotherapy & transference, patients, conference presentation, 22407
brief psychotherapy, femininity & cross dressing, 4–7 yr old male children of divorced parents, case reports, followup studies, 27827
brief psychotherapy methods in clinical research, 17834
brief strategic family interventions, families & their symptomatic 16 & 18 & 28 yr old children, 12445
brief strategic therapy, 64 yr old male with psychosomatic complaints, 7004
brief therapy model format in counselor training, 2245
central therapeutic focus & process of brief psychodynamic psychotherapy, 25108

changes in working alliance in short term psychotherapies, change in therapy, therapists & patients, 30574
cognitive behavior therapy vs short term focal psychotherapy, eating habits & severity of neurotic symptoms, bulimic patients, conference presentation, 25042
common general principles of different short term psychotherapies, 17867
convergent validity of relational coding vs initiation/topic following schemas, assessment of interpersonal control in time-limited psychotherapy, female clients & their therapists, 30609
countertransference during termination phase of time-limited psychotherapy, criticism of M. F. Hoyt & D. Farrell's study, 4328
countertransference during termination phase of time-limited psychotherapy, therapist & patient with narcissistic & borderline character structure, 4306
crisis intervention time-limited group therapy with female/male cotherapists, 20–41 yr old female rape survivors, 25195
developmental phases of short term group psychotherapy & appropriate interventions, 22443
didactic & experimental & skill development in time limited counselor training program, group leadership, 18359
dynamics of single session group therapy, cancer patients in acute care hospital, 18238
efficacy of brief psychotherapy, preschool age children & their parents, 1757
ego oriented & goal directed short term group treatment, coping skills & understanding, cancer patients & their families & friends, 17967
EMG biofeedback training &/vs brief psychotherapy, self control over muscle contractions, tension headache sufferers, 7131
evaluation of short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 2- vs 5-yr followup studies, 1773
guidelines for brief group therapy, 22462
instruction in method of planned time limited therapy with children & their families, therapists with 1–3 yrs of supervised clinical experience, 4746
interpretation of patterns & warded-off ideas & feelings in brief dynamic psychotherapy, conference presentation, 22408
interrater reliability of followup form, assessment of outcomes of short term dynamic psychotherapy, neurotic patients, 1774
leadership style in short term group therapy, 22444
manual for time-limited group psychotherapy, communication with parents, 7–12 yr olds whose parents were recently divorced, 15037
Mental Research Institute's interactional brief family therapy, psychopathic character disorders, 39 yr old male convicted of fraud, 5-yr followup, 4374
need for central theme & relevance to child's concept of time, short term psychotherapy, children, 25145
opening & middle & termination phases of short term dynamic psychotherapy, college & graduate students, 9727
patient characteristics, outcome of short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 5-yr followup, 1776
patient characteristics, outcome of short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 2-yr followup, 1775
patient characteristics, prediction of process & outcome of short term individual psychotherapy, 19–48 yr old psychiatric outpatients, 12397
plan concept model of brief dynamic psychotherapy, illustrations of patient cases, conference presentation, 22401
plan concept of brief psychotherapy & therapeutic progress & therapist behavior, patients, conference presentation, 22432
poetry & music & time as therapeutic techniques in short term group therapy, 18–36 yr old depressed college students, 17951
pretreatment & treatment strategies, efficacy of short term group psychotherapy, 23–47 yr old female outpatients, 1842
problems in providing brief dynamic psychotherapy in community mental health settings, 10034
psychoanalytic short therapy, traumatic neurosis, surgeon whose parents committed suicide during his childhood, 22404
psychotherapeutic innovations of O. Rank & time-limited psychotherapy, 25144
regressive vs technical vs progressive psychotherapeutic processes in brief psychoanalytic psychotherapy, outcome, 31 & 35 & 45 yr old female patients, case report, 27761
relations & multiple family short term crisis intervention groups, family relations, families with alcoholic member, 18324
role of repeated exposure aspect of learning theory in implosive therapy & brief psychodynamic psychotherapy, 17807
self reparative function of ego in time limited therapy, 33 yr old male with acute posttraumatic stress disorder, case report, 27772
short term conjoint group therapy, marital relations, pathological gamblers & their wives who are members of Gamblers Anonymous & Gam-Anon, 22471
short term dynamic psychotherapy, phobias & mildly obsessive compulsions, patients, conference presentation, 1805
short term dynamic psychotherapy vs classical psychoanalysis, 17851
short term group therapy, outpatients, literature review, 22453
short term structural family therapy, adjustment to divorce, 16 yr old female with severe irritable bowel syndrome & her mother, 25196
strategic brief family therapy, 14 yr old male encopretic for 9 yrs, 9-mo followup, case report, 27865
systemic strategic model of brief family therapy, 33 yr old male with depression, case report, 27860
theoretical orientation & therapeutic style & treatment process of J. Mann's time-limited psychotherapy vs H. Davanloo's short term dynamic psychotherapy, 22426
therapeutic relationship in brief psychodynamic psychotherapy vs longer term therapies, 22437
therapist empathy, outcome of focal dynamic therapy, psychiatric outpatients with affective vs borderline vs dependent personality disorders, 1760
time-limited dynamic therapy, pathological grief over parental death, 21–53 yr old vulnerable patients, 4-mo followup, 17837
time limited group therapy in detoxification treatment resistance & adolescent anger & competition & scapegoating cases, 17946
time limited group therapy, job satisfaction & morale & decision making & cohesion, administrative assistants in public school, 18654
time limited group therapy with role playing & behavioral contracting & token economy, self concept & peer relations, 3rd graders, 17915
time limited reminiscence group, disoriented elderly, 17923
time limited treatment group, children with psychosocial problems, 17960
treatment variables & use of hypnosis in brief therapy, 42 & 24 yr old females & 27 yr old male with posttraumatic stress disorder, 7290
use of dreams, assessment of psychotherapeutic processes in brief psychotherapy, 4304
validity of global assessment scale, description of patient characteristics & measurement of change after short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 1312
videotaped preparation for psychotherapy program in various treatment settings, dropout rate, 18–53 yr old clients with high vs low severity ratings, 1817
4-session minimal therapist contact vs 15-session full therapist contact treatment program, 20–52 yr old couples in which females have lifelong global orgasmic dysfunction, 22501

Brightness Contrast

brightness matching & cancellation techniques, strength of Ehrenstein illusion in negative vs positive contrast, trained adult Ss, 16268
contour contrast & binocular suppression, RT, experienced Ss, 16240
monocular vs binocular vision, contrast perception over wide luminance & frequency & contrast changes, 20–24 yr olds, 2970
perception of subjective vs real borders due to flicker halo effect, 20–25 yr olds, 29056
retinal ganglion cells suppressed tonically vs transiently by contrast in receptive field, cats, 23819
sinusoidal grating size & spatial frequency, apparent contrast, 245
vertically displaced peripheral gratings, grating detection, adult Ss, 2997

Brightness Perception

binocular vs monocular spatial contrast sensitivity, implications for G. T. Fechner's brightness paradox, 220
brightness of flashers, visual discrimination, 8174

Broca-Sulzer effect, stimulation parameters & RTs & neuropsychological correlates, literature review, 2985
colored test targets in brightness matching technique, brightness perception, 8164
consistency of matching vs scaling methods in brightness perception, 10912
cortical lesions, retention of preoperatively learned brightness & pattern & form discriminations, cats, 26621
differential weighing of chromatic vs achromatic visual channels, temporal brightness enhancement, college students, 2971
elementary stimuli presented at increment threshold luminance & with suprathreshold stimuli, foveal inhibition, 28 yr old male, 29060
flickering vs nonflickering targets, brightness spatial summation, 217
grafts of embryonic frontal cortex vs occipital tissue implanted in damaged occipital cortex, brightness vs pattern discrimination, rats, 23929
inducing elements in brightness domain, perception of illusory contours of type described by G. Kanisza & F. Schumman, psychophysically experienced Ss, 13579
light adaptation, brightness estimation, 18–20 yr olds, 5412
perception of brightness in time-dependent stimuli, 10909
posterior cortical lesions, brightness discrimination task performances, rats, 26618
purple or black or orange or white background, subjective brightness of figures, college students, 5402
signal presentation procedure & negative reinforcement, brightness discrimination & transfer effects in transposition, goldfish, 23693
signal vs nonsignal light flashes of different duration, intensity discrimination, cats, 11067
simulations of monocular & binocular brightness data in support of real-time perceptual processing theory, 2973
stimulus presentation frequency, brightness discrimination & generalization, college students, test of adaptation-level vs signal detection theories, 13590
transient cancellation methods, strength of chromatic response elicited by briefly flashed monochromatic light varying in exposure duration, adult Ss, 21103
vasopressin vs vasotocin vs pressinoic acid, brightness discrimination task performance, males rats, 21479

Bronchial Disorders
exposure to pleasant comic film vs stress-inducing achievement task, facial expressions & heart rate & forced expiratory volume, 7.5–12 yr olds with bronchial asthma, 20145

Brothers
diagnoses of mania vs schizophrenia, identical twin brothers, 24624
ego & superego & self sentiment strengths, 12–18 yr old identical vs fraternal twins vs concurrently reared brothers vs unrelated males, 29677
symptoms & course of illness, 15 & 20 yr old sister & brother with Hallervorden-Spatz's disease, 4208

Buddhism
Book of the Dead & perspective on near death experiences & life after death, Buddhists, Tibet, 28851
Buddhism & psychotherapy & religion & psychological self reflection, 22422
Buddhist concepts of nonattachment & letting go & reconciliation of service & social responsibility, 29797
Buddhist textual conceptions vs religious & social & historical context of sexual division of labor vs sex roles, Thailand, 11591
cross cultural differences & content & structural features of faith development, male & female 28–59 yr old Hawaiian Buddhists, 21812
early Buddhist vs behavioral techniques, intrusive cognitions, 27893
facilitation of awareness with guidelines for Tiep Hien Order Buddhist social activist group, 26964
philosophy of Buddhism & self awakening psychotherapy for neurosis, 32 & 26 & 78 yr olds with depersonalization & impotence vs reactive depression vs anxiety & compulsive neurosis, conference presentation, 22414
similarities between psychotherapy & Buddhist process of enlightenment, chronic paranoid patient vs artist M. Kagaku, 22438
similarities of logotherapy & Buddhist thought, 1812
symbolism of mountain in folk religions vs Buddhism vs Shugendo, Japan, 21818
Theravade Buddhism & its school of Vipassana meditation & psychobiology of W. Reich, 18834

Budgerigars
nonsimultaneous auditory masking, male budgerigars, 8271

Budgets [See Costs and Cost Analysis]

Bulgaria
creation & achievements of G. Uzunov's psychoneurological scientific school, Bulgaria, 5169

Bulimia
adverse sexual experiences in childhood, etiology of appetite disorders, anorexic &/or bulimic 16–49 yr old female patients, conference presentation, 24958
affective disorder & anorexia nervosa & bulimia, literature review, 17296
age & standard weight & episodic duration & age at onset & family variables & sexual history factors as distinguishing characteristics, females over age 18 classified as low vs normal weight bulimics vs restrictive anorexics, 20168
antecedent behavior patterns & behavioral treatment programs, binge eating & self induced vomiting & overeating, bulimic vs obese females, conference presentation, 25260
antidepressant drugs, patients with bulimia, conference presentation, 25296
anxiety & assertiveness & locus of control, college students in group therapy for bulimia, 17629
anxiety & food intake of standardized test meals without vomiting, females with bulimia nervosa, conference presentation, 24976
blood levels of free fatty acids & beta-hydroxybutyric acid & triiodothyronine & noradrenaline as indices of starvation, female 18–39 yr olds with bulimia vs anorexia nervosa, 17648
body image disturbances as measured by size estimation & distorting image, anorexia nervosa & bulimia, literature review, conference presentation, 24989
body image perception, females with bulimia, 30361
bulimarexia as symptom of sex role strain experienced when career choice conflicts with sex role socialization, 26 yr old high achieving female, 27500
bulimia & parotid enlargement, 34 yr old bulimic married female, implications for diagnosis, 14804
bulimia, female adolescents, 27635
clinical aspects & diagnostic criteria & etiology & therapeutic approaches, bulimia, literature review, 6860
clinical features, Afro-Caribbean 17–20 yr old females with anorexia nervosa or bulimia, 3 case reports, 14912
cognitive behavior therapy vs behavior therapy vs group psychotherapy, bulimia, 16–42 yr old females, conference presentation, 25045
cognitive behavior therapy vs short term focal psychotherapy, eating habits & severity of neurotic symptoms, bulimic patients, conference presentation, 25042
cognitive-behavioral & conjoint therapy techniques, bingeing & vomiting patterns, 15–35 yr old female bulimic clients, 18-mo followup, 25231
cognitive behavioral group treatment, 17–51 yr old females reporting self induced vomiting episodes, 1896
cognitive-behavioral model of treatment, anorexia nervosa & bulimia nervosa, 25233
computed tomography scans, 11–30 yr olds with anorexia nervosa or bulimia, 4157
control & self esteem & feeling states, 13.5 & 15.5 yr old females with bulimia & narcissistic personality, case report, 27227
definition of "caseness" & detection & incidence & prevalence & causes & prevention, anorexia nervosa & bulimia, literature review, conference presentation, 24997
demographic & clinical characteristics & social class distributions, patients referred to pychiatrists for anorexia nervosa & bulimia & other psychiatric & eating disorders, Scotland, conference presentation, 24936
demography & psychopathology & family history & treatment response, males vs females with bulimia, 17649
dental problems & need for psychiatric-dental liaison in treatment, 18–34 yr old females with bulimia, 27743
depressed mood & perfectionist beliefs & height & weight, female college students with bulimia, 20233
depression & anxiety disorders, 16–35 yr old bulimic vs restrictive anorexic females, 1235

depression & suicidality, patients with anorexia vs bulimia vs bulimarexia, 6894
desipramine hydrochloride, bulimia, 18–40 yr old patients without major depression, 1-mo followup, 22547
development of bulimia after weight gain following tubal ligation, 27 yr old White female, reply in support of posttraumatic anorexia nervosa to G. J. O'Shanick & R. Hart's criticism, 14827
dexamethasone suppression test, bulimic females, 9579
dexamethasone suppression test, patients with bulimia vs depression, 11880
diagnosis & characteristics, anorexia nervosa vs bulimia, 19–35 yr old female patients, 20124
diagnosis & incidence & etiology & treatment of anorexia & bulimia, case examples of 28 & 35 yr old females, literature review, 25038
differential diagnoses of bulimia vs anorexia nervosa, 12–39 yr old males, conference presentation, 12159
dynamic multidimensional model & effectiveness of behavioral & other treatment modalities & criticisms of followup studies, anorexia nervosa & bulimia & psychosomatic obesity, 18015
dysphoric mood states, overeating, female bulimics vs high restraining nondieters vs dieters, 27523
eating attitudes & perceptions of weight & body image & depressive symptomatology & alcohol use, bulimic vs nonbulimic female high school students, preventive implications, 24964
eating attitudes & psychological functioning & referral patterns, bulimic 21.2–25.1 yr olds with different weights & weight histories, conference presentation, 24898
eating behaviors & attitudes, female medical students with bulimia or anorexia nervosa, 20163
eating disorders & social functioning, 19–36 yr old female medical students, 12828
EEG-monitored sleep, female 19–39 yr olds with anorexia nervosa vs bulimia, 30478
effectiveness of parent-to-parent support & education group, 45–56 yr old parents of 12–22 yr old daughters with bulimia or anorexia nervosa, 15044
efficacy of lithium therapy, bulimia, implications for role of dopaminergic & opiatergic systems, criticism of L. K. Hsu's study, 12548
efficacy of self induced vomiting & purging, prevention of weight gain, bulimic female adults, conference presentation, 24930
episodic alcoholism & anorexic or bulimic behavior, 16–54 yr old patients, conference presentation, 24925
etiology & diagnosis & treatment & physical manifestations of anorexia nervosa & bulimia, 20167
etiology & pathogenesis & therapeutic approaches to bulimia, 4221
exposure plus response prevention treatment package, severe bulimia, 20–42 yr olds, 4423
failure to properly score eating disorder inventory, criticism of article by K. J. Hart & T. H. Ollendick on bulimia in working & college women, 22258
family background characteristics, 19–35 yr old female bulimic patients, 6796
family environment, 18–28 yr olds with bulimia, 9559
family origins & characteristics of & true vs false self, bulimic females, implications for group vs individual therapy, 27590
family therapy, families with anorexic or bulimic member, 25198
fantasy relaxation technique & fantasy door approach, female college students with bulimia, 1767
feeling out of control during & frequency of bingeing & laxative use & age at onset & guilt, prediction of life impairment, females with frequent binge eating episodes, implications for DSM-III classification criteria, conference presentation, 24924
fenfluramine, eating behavior, 18–36 yr old females with bulimia nervosa, implications for treatment, 4527
frequency of diagnosis of depression or affective disturbance, female bulimia patients, 4209
group-based treatment, bulimia, 18–42 yr old females, 6- & 12- & 18-mo followup, conference presentation, 25185
group bingeing preceding development of anorexia nervosa, 25 yr old female, 4102
group counseling, bulimia, college students, 15933
group therapy, anorexia nervosa & bulimia, 13–21 yr old females, implications for male & female therapist team, 1833
hypnotic capacity, patients with anorexia nervosa vs bulimia, 6839
identity structure analysis, assessment of antidevelopmental identity characteristics & patterns & identity crisis, anorexia nervosa & bulimia patients, conference presentation, 25014
incidence of bulimia & relationship to shyness, college females, 1638
inclusion of items to identify anorexia nervosa & bulimia on student health forms, college students, 18651
increased intracranial pressure & cerebral edema, 26 & 22 yr old bulimic females, comments on report by D. D. Krahn & J. E. Mitchell, 4182
interchangeable anorexic & bulimic states of mind as manifested in transference, psychotic & anorexic/bulimic patients, 17884
intrauterine experience & dynamics of later eating disorders & treatment, anorexic & bulimic females, 20178
issues related to studies of treatment, bulimia nervosa, literature review, conference presentation, 25041
laxative abuse for weight control as variant of bulimia, bulimic females, 20211
levotryptophan, bulimia, 4504
low self esteem & psychotherapeutic strategies, anorexia & bulimia, 20293
maintenance of treatment gains & posttreatment & relapse plans, bulimic clients, 20287
medical complications & guidelines for hospital management & outpatient treatment, patients with anorexia nervosa or bulimia, 12174
mood & hunger, eating retention or bingeing & purging, bulimic females, conference presentation, 24883
mothers' pregnancies & births & daughter's medical illness & eating & weight during childhood & adolescence, 41–68 yr old parents of 18–38 yr old bulimic females, 22308
mulitdimensional group therapy, bulimia, patients, 2-yr followup, 30617
myopathy due to misuse of ipecac, 26 yr old female with bulimia & depression, 9586
needs assessment for outpatient treatment of bulimia, conference presentation, 12354
neuropathy & myopathy & response to treatment, 17 yr old female with bulimia nervosa & 16 yr old male with anorexia nervosa, case reports, 25344
nomifensine, bulimia, 16–30 yr olds, 2-yr followup, 18086
nomifensine, 21–42 yr old patients with bulimia, 18094
outcome & prognosis of anorexia nervosa & bulimia, long term followup, literature review, conference presentation, 25003
parental expressed emotion & emotional over-involvement & warmth & positive vs critical comments, factors related to termination of treatment, hospitalized patients with anorexia nervosa or bulimia & their parents, 22736
perception of family attitudes toward weight in bulimia & in affective disorder, female 15–45 yr olds with bulimia vs depression, conference presentation, 24604
phenelzine sulfate, bulimia, 18–45 yr old females, conference presentation, 25331
phenelzine vs imipramine vs tranylcypromine vs isocarboxazid, 24 yr old bulimic female, 22551
physically or emotionally absent fathers & correlations between binging behavior & sexual activity as factors in bulimia, group psychotherapy, 19–22 yr old females, 9794
pressure sensitivity threshold & subjective sensitivity to bodily signals, 20–57 yr old bulimic females, 17598
prevalence of anorexia nervosa & bulimia, insulin-dependent diabetic female adolescents, conference presentation, 24972
prevalence of binge eating & bulimia, 17–25 yr old college students, Ireland, conference presentation, 24913
prevalence of binge eating & bulimia, 18–32 yr old working women vs female college students, 1568
prevalence of bulimia & anorexia nervosa, 14–25 yr old females with insulin-dependent diabetes mellitus, 4146
prevalence of undiagnosed bulimia, 12–40 yr old female psychiatric inpatients, elaboration of data presented by S. P Kutcher, 28149
prevalence rates of anorexia nervosa & bulimia, 1st- & 2nd-degree relatives of anorexia nervosa patients, implications for classification & etiology of anorexia, conference presentation, 24995
psychoanalysis & convergence of sensorimotor representation in anorexia nervosa & bulimia nervosa, 25133
psychoanalytic interpretation, bulimia, 27663

psychoanalytic interpretation of role of mother-daughter relations in bulimia, bulimic females, 22256
psychological profiles, bulimic vs repeat dieter vs nondieter female college students, 22244
psychophysiological anxiety model & psychopathology of bulimia, obese vs bulimic females, conference presentation, 25017
psychosexual history, females with bulimia, 17544
ratings of enjoyability of selected activities & frequency & associated variables & self efficacy to resist bingeing/purging, prediction of bulimic behaviors, 17–32 yr old females, 12233
responsiveness to iv thyrotropin-releasing hormone, 18–39 yr old bulimic & anorexic in- & outpatients, conference presentation, 24955
reversible myopathy secondary to abuse of ipecac, 21 & 24 yr old females with binge-purge eating disorders, case reports, 27644
role of occupational therapy & activity-oriented approach, patients with anorexia nervosa or bulimia, 15417
role of solitude & home vs work vs public environment, internal state, bulimic patients, 27602
scoring of eating disorder inventory, results of study on bulimia in working & college women, reply to criticism of D. M. Garner & M. P. Olmsted, 22312
sequential relationship between dieting & binge eating, 1626
sleep characteristics, relationship between bulimia & affective disorder, bulimic 23–24 yr old females, 30479
sociocultural influences & therapeutic interventions, bulimic patients, conference presentation, 24902
sociocultural risk factors, bulimia, males vs females, 20249
sociodemographic & psychodynamic & psychopathologic similarities & differences, 8–55 yr old females suffering from anorexia nervosa &/vs bulimia, clinical intervention & classification implications, conference presentation, 24941
symptomatic criteria for diagnostic classification, anorexia nervosa & bulimia nervosa, conference presentation, 24906
symptomatology & treatment of bulimia, literature review, 17635
terminology applied to bulimia & role of social worker in treatment, 9585
theoretical conceptualizations & therapies for treatment of bulimia, 14950
therapeutic techniques, power & control issues in treating appetite disorders, conference presentation, 25150
transformations in form & frequency & manifestations of anorexia nervosa & bulimia, conference presentation, 24978
underlying developmental deficits & interplay between bulimia & alcoholism, implications for treatment, 24580
utility of cognitive-behavioral vs interpersonal observational system as differentiating method, families with anorexic/bulimic daughter vs controls, 20170
validity & reliability of Eating Disorder Inventory, assessment of behavioral & psychological traits of anorexia & bulimia, 10793
verbal cognitive restructuring with vs without exposure & vomit prevention, binge eating & vomiting & weight & psychopathology, females with bulimia nervosa, 1-yr followup., 27750
Bulls [See Cattle]
Burnout [See Occupational Stress]
Burns
assessment of plasma beta-endorphin immunoactivity & pain during burn dressing changes, 8–17 yr old acutely burned patients, 17680
burns & neuropsychological risk factors, nursing home residents, implications for accident prevention, 15396
client education techniques, occupational therapists working with burn victims, 25491
coping model of psychotherapeutic intervention, severely burn-injured patients, 1816
functions & role as member of burn care team, occupational therapists, 30963
hypnotherapy, pain management & mood & quality of life, burn patients & terminally ill cancer patients, 30795
psychiatric treatment in burn unit & outcomes, 14–18 yr olds who had attempted suicide by self immolation, 9751
visibility of scar, psychosocial adjustment or adaptation, patients with severe burn injuries, literature review, 24916

listening skills & sensitivity to nonverbal behavior, cultural differences in social business interactions, business and industrial personnel, 5095
locus of control & achievement motivation & risk taking, entrepreneurs, 24533
long- vs short-term assignments & cross-cultural personnel training, business effectiveness overseas, 5052
long term exposure to organic paint solvents, regional cerebral blood flow & organic brain dysfunction & attention ability, 27–64 yr old male workers in paint industry, 30442
management of interethnic conflict in manufacturing organization, India, 20926
management support for female employees, opportunities in industrial research laboratory, male & female technicians & scientists & managers & secretaries, UK, 23235
manufacturing plant shutdown, job seeking experiences & attitudes at plant closing & satisfaction & well-being, male vs female former manufacturing plant workers, 31499
methods for enhancement of communication between corporate executives & their co-workers, 28727
microcomputers & training needs, manufacturing supervisors, 28686
microelectronic technology, career education & training programs & lifestyle & employment system, workers, implications for occupational guidance, Japan, 18716
monotonous working conditions, performance, operators, 10635
multiple regression vs path analytic techniques & iris color, modeling of hearing threshold levels, textile workers exposed to low- vs high-noise levels, 29025
need for orientation to prepare for teaching in academic setting, industry scientists temporarily assigned to teach science & mathematics in schools, 28387
new venture creation & characteristics of entrepreneurs, literature review, 7851
noise exposure history & use of ear protection & audiogram configuration, detection of signals superimposed on background of industrial noise, 17–65 yr olds with normal hearing vs moderate vs severe noise-induced hearing loss, 24857
office automation & productivity improvement strategies, business & industrial personnel, 13220
opinions on factors of success, female executives, 18743

ordinary vs fancy restaurant meetings, reactions to user vs supplier problems, industrial buyers, 18802
organizational factors, psychological quality of life, clerks & 1st line supervisors & technicians & managers, 18755
orientations to work & community & gender roles & family, work alienation, 1980, comparison with 1947 data in F. Blauner's study, 28790
pacing speed & rigidity constraints, classification task accuracy & response time & heart rate, 20–30 yr old industrial inspectors, 25971
participation in quality circle program, quality of work life perceptions & productivity & absenteeism, manufacturing employees, 18746
perceived character correlates of participants in mining organizations, adult residents of company mining town, Australia, 7861
perception of own vs coworkers' job satisfaction, employees of communications firm, 20885
perception of stability & change in management & authority & conflict & social climate of work place, 18–58 yr old mining industry employees, implications for adjustment, 10633
personal & job characteristics & perceived work experience, organizational commitment, bank vice presidents, 31452
personnel policies, generation gap, young & old workers at Fiat factory, Italy, 7828
professional vs informal community ties, support for organizational development/quality of work life interventions, labor vs management vs local government leaders, 20890
prolonged mental load, speed & acceleration of initial phase of pupillary reflex before vs after 6 hours of work, telephone exchange operators, 10631
role of reference groups inside vs outside of organization, job & pay satisfaction, workers vs managers in manufacturing firm, 31532
self efficacy & socialization tactics, role orientation & job satisfaction & commitment as measures of adjustment, newcomers to organizations, 26020
self health evaluations & health behavior, postretirement health behavior, 66–70 yr old former industrial & service workers, Israel, 759
self vs supervisory job performance ratings, male vs female assemblers in large electronics manufacturing company, 18737
selling orientation/customer orientation scale, assessment of salespeople's perceptions of buyer-seller interactions, purchasing professionals, 8093
seniority & training performance & previous job performance & interjob similarity, trainability, textile workers, 31434
SES & master's in business administration degree, starting & current salary, females vs males, 10625
sex differences, impact of work on physical & mental health, business & managerial professionals, 7881
skill level, appearance of Zipf's law in encoding of command languages, computer operators at research center, 28814
smallest space analysis vs cluster analysis, grouping of countries by employee attitudes, managers, 5360
social attributes & job attitudes & company satisfaction & trade union involvement & interpersonal relations, rate of absenteeism, industrial employees with chronic absenteeism, 7864
social support & ambiguity & hierarchical level, role conflict & ambiguity & overload vs job satisfaction & job search intent as responses, bank employees, 31495
source & accuracy of prejob information, job choices & turnover rates, graduates of master's in business administration program, 6- & 24-mo followups, 13171
suggestions for training of management skills in employee conflict through discussion & problem solving, 28760
task interdependence & number of poor performers in group, diagnosis of cause of poor performance, graduate business students in laboratory experiment vs manufacturing supervisors & managers, 25969
task-oriented appraisals, psychometric properties & use in performance evaluation & appraisal program, telephone company employees, 5101
tests used in National Institute for Occupational Safety & Health research on neurobehavioral effects of chronic exposure to industrial chemicals, workers, review of worksite studies, 1973–83, conference presentation, 23397
themes in 25 yrs of United Auto Workers, conference presentation, 13249
visual observation method, estimation of emotional condition, industrial workers, 5090
work role centrality & organizational conditions & task autonomy & managerial orientations & personal characteristics, industrial workers, 20886
6-hr exposure to toluene, psychomotor & perceptual skills & vigilance, 29–50 yr old male printers, 20877

Business Education

computer simulated matrix vs functional organizations operating in volatile environment, organizational effectiveness, business students, 23222
education for entrepreneurship in business schools, US, 12986
expectations of impact of acquiring masters in business administration on career, business graduate students, 18568
Holland's Vocational Preference Inventory & Myers-Briggs Type Indicator, prediction of vocational choice, business administration students seeking master's degrees, 31356
level of occupational knowledge & crystallization of vocational self concept, prediction of school-to-work transition difficulty, college & graduate students in business schools, 10459
off-campus graduate degree programs in management, facilitation of career change, adult learners, 18417
sequence of teaching strategic management paradigm vs case analysis, student satisfaction & performance, college students in business policy course, 2394
SES & master's in business administration degree, starting & current salary, females vs males, 10625
teaching effectiveness of business games, college students, literature review, 1973–83, 22993
use of learning diary during period of evaluation, tutor of undergraduate management students, 18510

Business Management

business planning in career development & training, business personnel, 28695
career experiences, males vs females with master's degree in business administration, 1950–70, 10617
comparison of models for strategic planning & risk analysis & management in business, 31443
competitive conditions & corporate climate, business firms' policies regarding internal purchases & sales of goods & services, 13207
customer feedback, stocking of newspaper vendor boxes, circulation managers & delivery agents, 23318
Donnelly Corporation's methods of competing in world auto market, conference presentation, 13195
Ford Motor Company's management principles & place in world auto market, conference presentation, 13219
holistic paradigm with masculine & feminine models in business management, female managers, 23212
human resource development & management mergers & acquisitions, 25987
intercultural training & communication needs, managers in international business, 28726
internal development vs acquisition of other companies in diversification of multibusiness firms, economic returns, 13216
management support for female employees, opportunities in industrial research laboratory, male & female technicians & scientists & managers & secretaries, UK, 23235
managerial team development, interpersonal interactions in management labor relations in building industry & enterprise, Poland, 1971–80, conference presentation, 15985
prioritized contingency variables for business strategy, moderation of effects of strategic attributes on performance, 13206
working environment, moderation of form or strength of relationship between organizational strategy & performance, business organizations, 26027

Business Organizations

aspects of human resources management during organizational decline at Atari Corporation, 31482
competition, technology diffusion, model for marketing & economics research, 31589
corporate morality & business ethics, implications for organizational reward systems, 7860

corporate power & social status & market position, selection of board members & subsequent corporate interlocks in regional network, chief executive officers in manufacturing corporations, 28735
current status of corporate for-profit multihospital chains & marketing potential of psychiatry, 4653
dimensions of planning systems, company effectiveness, business executives, 26028
economic familism & ownership & prevalence of family firms, Chinese business persons, US & Hong Kong, 5088
elite family firms & economic development, 19th century, Latin America, 24303
entrepreneurial organizational development & climate & structure & change in PeoplExpress Airlines & Bethlehem Steel & Resources for Human Development, 16004
family & kinship networks & business interests vs individuals & political organizations, political structure, 1790–1890, Latin America, 24286
focus on training & reorganization of corporate structure, maintenance of competitive edge in airline industry, People's Express, 28803
implementation of dual ladder career development system, multinational biotechnology corporation, 28703
innovative training programs & participative management, growth from car radio manufacturer to leader in semiconductor industry, Motorola Inc., 28779
integration between industry & education, secondary school headteachers/administrators, Great Britain, 18422
market adversities & organizational crisis, strategies for redeployment of workforce & organizational revitalization at IBM Corporation plant, 31456
new venture creation & characteristics of entrepreneurs, literature review, 7851
organizational development goals of Oil & Natural Gas Commission, India, 23266
organizational performance, choice of outside vs inside successors to replace chief executive officers of New York Stock Exchange companies, 13199
organizational social & economic performance & disclosure, literature review, 2638
pitfalls in management planning, senior mental health administrators vs corporate executives, 7822
planning model for stress management in organized settings, managers, 28737
product & market diversification & structure, market power & performance of Fortune 500 firms, 13243
school psychology in business & industry, 20643
small businesses & white-collar crime, Australia, implications for maintenance & development of advanced forms of capitalism, 24806
transactional efficiency of buyer & seller organization & typology of conflict-handling interaction strategies, 25944
use of interviews in organizational needs assessment, 28788
video technology in corporate personnel training, 31416
working environment, moderation of form or strength of relationship between organizational strategy & performance, business organizations, 26027

Business Students
attitudes toward technology & religion, college students majoring in education vs business, 20742
commitment to simulated failing company & available investment alternatives, fund allocation to failing divisions, business students, 23228
cooperative & competitive attitudes & emotional empathy & self esteem, female vs male business vs education college students, 10430
employment qualifications, employment status 3 mo postgraduation, business major college graduates, 28673
expectations of impact of acquiring masters in business administration on career, business graduate students, 18568
financial services print advertisements response profile scores, self reported choice behavior, part-time Masters in Business Administration students, 23330
Holland's Vocational Preference Inventory & Myers-Briggs Type Indicator, prediction of vocational choice, business administration students seeking master's degrees, 31356
medical costs & simulation of health care delivery decision making, medical residents vs graduate business students, implications for health care administration, 30842
opinions on traits of ideal man vs woman vs most men vs women vs self, male & female business vs education students, implications for sex role attitudes, 18566
sequence of teaching strategic management paradigm vs case analysis, student satisfaction & performance, college students in business policy course, 2394
social & occupational concerns & attitudes toward business, college business students, 25830
social responsibility attitudes, willingness to serve aged &/or disadvantaged, 1st yr college business students, 10426

Businessmen [See Business and Industrial Personnel]

Butterflies
lek structure of territorial & mating systems, chryxus arctic butterflies, 23724
male size & age & persistence in courtship & size of female, success in courtship, alfalfa butterflies, 29246
models of male distribution & competitive mate searching when not all females are captured, tiger blue butterflies, 21245
plants containing attendant ants, ovipositioning, female butterflies, 8359
temperature, territorial & mating behavior, male butterflies, 8382
territorial defense & wing length measurement, mating success, male small heath butterfly, 26472
use of pieried mate-refusal posture & open-wing display, butterflies, 26457

Buying [See Consumer Behavior]

Cadres [See Social Groups]

Caffeine
adenosine & 2-chloradenosine & reversal effect of antidepressant drugs, immobilization, mice, 16686
amphetamine vs caffeine vs corticotropin-releasing factor vs heroin, locomotor activity following destruction of nucleus accumbens dopamine receptors & infusion of muscimol in efferent terminal regions, male rats, 21604
aspirin &/vs caffeine &/vs guaiphenesin, edemas of paw & ear, rats, conference presentation, 14018
caffeine & levo-N6-phenyliso-propyladenosine, leverpressing on VI reinforcement schedule, male rats with damage to hippocampal system, 5768
caffeine & verbal ability & impulsivity, recall of word lists presented at fast vs slow rates, male vs female college students, 19439
caffeine &/vs adenosine agonist response under mult FR 30/FI 600 sec reinforcement schedule, mice, 26672
caffeine &/vs diazepam, mood & cognitive & learning & memory & psychomotor performance, young adults, 24001
caffeine &/vs 2-chloroadenosine &/vs haloperidol, activity & social investigation & play fighting, juvenile male rats, 5873
caffeine consumption, anxiety scores on SCL-90, anxiety disorder vs medical patients, 19952
caffeine consumption vs abstinence, cerebral blood flow, high vs low caffeine users, implications for treatment of headaches, 24451
caffeine, plasma 3-methoxy-4-hydroxyphenylethyleneglycol levels & anxiety & blood pressure & autonomic symptoms, males & females, 16589
caffeine, spontaneous tunnel maze locomotion without reinforcement, female rats, 19479
caffeine, taste aversions & neophobia & mimetic behaviors & locomotor activity, female rats, 29489
caffeine tolerance following chronic exposure, neuronal activity in reticular formation & spontaneous locomotor activity, rats, 16592
caffeine vs chlor-desmethyldiazepam, footshock-induced aggressive behavior, male mice with different reactivity baselines, 21610
caffeine vs strychnine, depressive effects of arecoline on activity, female albino mice, 21503
chlordiazepoxide vs L-PIA, discrimination of caffeine or theophylline from saline, male rats, implications for benzodiazepine & adenosine mechanisms, 11303
chronic caffeine, adenosine vs benzodiazepine receptor vs adenosine uptake sites in brain, adult male mice & pups of females started on caffeine 1 day postconception, 16706

co-occurrent use of cigarettes & alcohol & coffee, healthy male vs female 16–70 yr olds, 24444
concentrations of 200 vs 400 vs 600 mg of caffeine & coffee brands, perception of caffeine via taste vs bodily effects, college students, 23940
concomitant ethanol & caffeine intake & smoking, alcoholics in alcohol treatment program vs social drinkers, implications for treatment outcome, 20073
concordance for excessive smoking & alcohol & caffeine consumption during pregnancy, identification of families at risk, spouses, Israel, 27540
crossing of single pair of autosomal alleles, susceptibility to caffeine-induced lethality, SWR vs CBA inbred mouse strains, 21281
discrimination of caffeine & theophylline & cross generalization, male rats, 21562
discriminative stimulus properties of amphetamine vs caffeine &/vs phenylethylamines, male rats, 16657
dosage of perinatal caffeine, righting reflexes & swimming ability development & motor coordination & muscle tone, female rats & their offspring, 29466
drug discrimination of theophylline & caffeine & paraxanthine & 3-methylxanthine & theobromine vs saline, discriminative stimulus properties of dimethylxanthine metabolites of caffeine, male rats, 16580
duration of daytime & nighttime duty & caffeine effect on overnight work periods, vigilance performance, 20–26 yr old male military shiftworkers, 18728
human & animal caffeine research, bibliography, 14057
ingestion & toxicology & interactions with other drugs of undissolved instant coffee, schizophrenic inpatients at state hospital, 27269
inhibition of adenosine receptor by methyl xanthines, taste perception, college students, 2967
naloxone, locomotor activating properties of heroin & dextroamphetamine & caffeine, male rats, 21605
neonatal exposure to desmethylimipramine & icv 6-hydroxydopamine & caffeine, locomotor activity level, male vs female rats, 16618
parental &/vs peer coffee drinking patterns, coffee consumption, college students, implications for genetic & cultural transmission of alcohol use & alcoholism & cigarette smoking, 14409
patterns of caffeine consumption before & during & after pregnancy & effect on infant, females, 9081
pentylenetetrazol vs FG-7142 vs caffeine, food intake & aggression & freeze behavior, lactating maternal rats, 13987
phenylpropanolamine or caffeine in high doses, catatonia, 45 yr old male treated with doxepin & fluphenazine for depression & paranoia, 15126
prenatal caffeine exposure, offspring mortality & open field behavior & development of gastric ulcer susceptibility in adulthood, pregnant rats & offspring, 8544
repeated caffeine injections & previous experience with caffeine &/vs wheelrunning, wheelrunning responsiveness, male rats, 29455
testosterone levels, caffeine-induced increases in locomotor activity & social investigation, rats, 3298
use of caffeinated vs decaffeinated coffee, prescribed dosages of phenothiazines, psychiatric inpatients, 30778
6-phenylisopropyl-adenosine with vs without caffeine, response rates under FI & FR schedules, male rats, 23973

Cage Apparatus
improvement of rotating cage apparatus, avoidance training, rats, 5241

Calcium [See Also Calcium Ions]
antidepressant drugs, serum calcium levels, dogs, 11276
calcium antagonist diltiazem, manic syndromes, 22–58 yr old patients, 27942
calcium channel inhibitors, phencyclidine-induced behavioral stimulation, female mice, 29420
calcium metabolism, epileptic 16–70 yr old institutionalized mentally retarded patients receiving anti-epileptic drugs, 15131
calcium transport modifying drugs, motor behavior & calcium uptake & neurotransmitter release in synaptosomes, mammals, 24038
calcium with vs without calmodulin antagonists, ethanol-induced sleep duration, male mice, 29480
changes in parameters of calmodulin-stimulated erythrocyte ghost calcium adenosine triphosphatase, patients with mania or unipolar or bipolar depression or schizophrenia, 24664
decapitation vs catheterization methods of blood collection & stress, plasma levels of calcium & potassium & magnesium, male rats, 19374
ethanol doses &/vs calcium antagonist nimodipine, ethanol sensitivity assessed by rotorod activity & rectal temperature, male mice, 16667
flunarizine, motion sickness, 22–37 yr old males, 12560
icv injections of calcitonin vs parathyroid hormone & related fragments, acquisition of active avoidance behavior, male rats, 3279
induction of physical dependence on ethanol, cerebral alteration in calmodulin levels, male rats, 21569
lithium & neuroleptic drugs, catecholamine & indoleamine & calcium mechanisms, manic patients, conference presentation, 15210
lithium, calcium metabolism & hormonal control of calcium, manic depressive disorders, conference presentation, 15141
magnesium & calcium & cortisol level in CSF & relation to attempted suicide, 19–67 yr old females with depression vs schizophrenia vs adjustment disorder, 30088
psychological characteristics, 7–12 yr olds with infantile hypercalcemia, 4098
seasonal variation in urinary excretion of calcium & magnesium & phosphate, 20–75 yr old manic melancholic patients on vs not on lithium treatment, 15163
serum calcium levels, mothers hospitalized for severe puerperal psychiatric illness, 30205
single vs repeated lithium administration, cerebral calcium & sodium & potassium level, female rats, implications for use of calcium antagonists in treatment of mania, 11336

Calcium Ions
calcium ion concentrations, activity of serotonin-containing dorsal raphe neurons, male mice brain slices, implications for treatment of mood disorders, 21330
calcium selective electrode, measurement of concentration of ionized calcium before & after sexual arousal, 23–36 yr old females, 13348

Calculus [See Mathematics]

California F Scale
impact of social structure & cross cultural differences, authoritarianism & California F Scale, India, literature review, 24540

California Psychological Inventory
application of heredity-environmental model fitting procedures, estimation of genetic & environmental parameters in California Psychological Inventory scales, twins & adoptees, 23404
combined California Psychological Inventory subtest scores, prediction of 4 yr & 2 yr & single course grades, college students, 25911
factor analysis of Stewart Personality Inventory & correlations of subscales with California Psychological Inventory & Eysenck Personality Inventory, 19–42 yr old college students, 10839
Marlowe Crowne Social Desirability Scale scores, self report measures of assertion vs scores on dominance scale of California Psychological Inventory, college students, 14516

Calories
caloric advantage of ethanol solutions, preference for associated flavor, male rats, 5562
caloric density cues & conditioned stimuli, regulation of food intake, 3–5 yr olds, 21653
caloric intake, premenstrual tension syndrome symptoms, 20–30 yr old females, 24899
food restriction vs satiation, ethanol consumption, male rats, test of caloric hypothesis of ethanol consumption, 601
high- vs low-intensity short term exercise program, caloric intake, female 18–32 yr olds, 30497
high vs low energy diet & sustained exertion & sleep deprivation, military performance, male military cadets, 31440
stomach distention vs caloric density of meals vs oropharyngeal vs esophageal stimulation, rumination, profoundly retarded institutionalized 18–34 yr olds, 28064

Campaigns (Political) [See Political Campaigns]

Camping
attitudes about camping & intentions to camp & influence of important others in making camping decisions, prediction of camping behavior, male vs female city residents, implications for theory of reasoned action, 24499
site visits vs photographs vs written descriptions, measurement of evaluations of wilderness campsites, campers 16 yrs & older, 10755
temporal stability of recreation demand model in terms of distance & population, paddle canoe-camping trip participants, 25946
Camps (Therapeutic) [See Therapeutic Camps]
Canada
adjudication & long term imprisonment, inmates, Canada, 1095
American music, music & recording industry & preferences, youth, Canada, 11376
American Psychiatric Association's statement vs Mental Disorder Project of Canadian Department of Justice's proposal, insanity defense, US vs Canada, 21862
association with other delinquents & belief in laws & school performance & SES & age factors, prediction of juvenile delinquency, male vs female 7th–10th graders, Canada, 9377
attitudes toward criminal justice system, residents, Canada, 21849
attitudes toward genetic counseling & hemophilia, hemophiliacs vs carriers, Scotland vs Canada vs US vs Greece, 25369
attitudes toward international cooperation, top- & mid-level Japanese expatriate managers, Canada, 10614
attitudes toward nuclear arms & war & energy, 6th–11th graders, Canada, implications for teachers & counselors, 10435
attitudinal & motivational vs cognitive-academic variables, prediction of transfer out of early French immersion programs, poor achieving 2nd–4th graders, Canada, 7588
background characteristics such as education, language retention &/vs economic activity, Indians, Canada, application of simultaneous equations vs dichotomous endogenous variables model, 26976
beliefs about likelihood & desirability of love & sex & intimacy, collge students, Canada, 11704
categories of armed robbery, Canada, 1981–84, 3988
changes in organizational structure & information dissemination roles, Canadian Psychiatric Association, 1975–85, 25645
clergy & religious communities as resources in mental health, Canada, 15307
clinical & demographic characteristics, hospitalization, 20–39 yr old patients of psychiatric emergency room service, Canada, conference presentation, 2108
community aftercare following hospital discharge, schizophrenic symptoms & well-being, schizophrenic 10–40 yr old patients, Canada vs US, 4603
community based residential program, hard-to-serve juvenile delinquents, Canada, 10025
community size & SES & sex & language background, sources of & preferences for childrearing information, parents of 5–14 yr olds, implications for marketing of parent programs, Canada, 22472
competency-based training & certification program, quality of government child care agencies, child care counselors, Canada, 15536
concerns about nuclear war & unemployment & career plans, helplessness & social efficacy, students in grades 7–13, Canada, relevance to mental health & development, 8844
conflicts between group members & potential joiners & kin-directed altruism & individual energy expenditure & sharing rules, optimal foraging group size, Inuit foragers, Canada, conference presentation, 3576
consumption & preference for beer vs wine vs liquor, actual vs expected morbidity rates, survey respondents over 15 yrs old, Canada, 19783
content bias of WAIS-R Information subtest, 18–40 yr olds, US vs Canada, 124
continuity in early childhood education services, adaptation to preschool to kindergarten transition, children, Canada, 12936
continuity of mental health care delivery & economic considerations, Canada, 15280
court ordered psychiatric treatment against patient's will & relation to right to refuse treatment, psychiatric patient, Canada, 9043
criminal charges & psychiatric forensic assessment & referrals, 15–24 yr olds, 1973–82, Canada, 6270
cultural psychiatry, therapeutic process, 34 yr old depressed native Canadian Indian with psychotic features, 9641
current laws & issues affecting right to refuse or consent to treatment, psychiatric patients, Canada, 24377
death vs divorce, rates of marital dissolution, Canada vs US, 14322
degree of nationalism & personification of state or nation, English- vs French-speaking college students, Canada, 970
delivery of community mental health services, children, Canada, 2031
demographic characteristics & need for continuous monitoring, criminal defendants committed to mental hospitals by reason of insanity, Canada, 25528
design & function & scope of Psychiatric Patient Advocate Office, Canada, 24358
development & efficacy & legality of Heroin Treatment Act, provision of coerced confinement & treatment, opiate addicts, Canada, 9021
economic costs of crime, victims, Canada, 1073
ECT practices, Canada, conference presentation, 1721
effects of TV viewing, 12–19 yr old Euro-Canadian & Eskimo residents of town vs Eskimo residents of isolated traditional settlements, Canada, 1974 vs 1980 vs 1983, 21753
evaluation of accessibility of ambulatory mental health services, Canada, 15296
evaluation of pretrial & police referral community-based diversion program, juvenile delinquents, Canada, 15415
evaluation of school career information & vocational guidance systems, Canada vs France, 25896
experiences with child welfare system & foster parents, male Native American who killed himself after 13 yrs as ward of government, Canada, 15266
forensic services for medical & behavioral management, hospitalized male prisoners, Canada, 7403
frequency & consequences & risks of substance abuse, junior high & high school students, Canada vs Mexico, 27447
friendships & social support systems & methods of meeting people, satisfaction with single life, unmarried adults, Canada, 9122
government policy for supervision of insane prisoners, Canada, 25566
historical traditions & societal support for alcohol research, Canada, 14736
history & form of high-powered full bore rifle shooting, UK vs Canada vs US, 23149
history of educateur model, treatment of emotionally disturbed & behavior disordered children, Canada & United States & France, 12315
home-based parental program, development of early language & reading skills, American Indians from birth to 4 yrs of age, Canada, 15680
incidence of being killed & relation to abolition of capital punishment & occupational perceptions of public hostility, police officers, 1961–84, Canada, 9035
international comparisons of socioeconomic aspects affecting mental health & service needs, children & elderly in developing countries vs Canada & other industrialized countries, conference presentation, 25423
international exchange program, clients' cultural awareness & self esteem & staff development, adolescent juvenile delinquents in residential care & staff members, Canada & US, 30968
issues in & objectives of language maintenance programs, immigrant children, West Germany & Great Britain & Canada & Sweden & US, 12937
job satisfaction & attitudes toward departmental policies, employee attrition, male & female current vs ex-members of Royal Canadian Mounted Police, Canada, 23270
lack of distinction between confidentiality & privileged communication, psychologists, Canada, 18398
legal provisions for diversion process from criminal justice to mental health system, mentally ill offenders, Canada, 6256
LifeServers alternative group rehabilitation program, adaptation to long term imprisonment, inmates, Canada, 2154
linguistic assimilation & psychological adjustment, self confidence with English, Chinese college students, Canada, 29801
medical interpretation of "Old Hag" paralysis, Newfoundland, 12193

mental health legislation, civil commitment practices, Canada, 14376
mental health needs & use of mental health services, aged, Canada, 10032
methadone treatment programs, opiate abusers, Canada, 15459
model community mental health program, rural Canada, 25449
model of suicide prevention & its component programs, Canada, 25388
national health insurance system, delivery of psychiatric services, Canada, 10015
need for caution in interpretation of VIQ-PIQ differences in WPPSI, French speaking children, Canada, 16114
ombudsman in mental health, illustrative case examples, Canada, 25671
overrepresentation in institutions, severely & profoundly mentally retarded American Indian children from birth to 19 yrs old, Canada, 2082
pastoral care vs school counseling, secondary school education, England vs Canada, 23120
patient population served & services rendered by university hospital's psychiatric inpatient unit, 1971–72, Canada, 7442
perceived competence & integrity & social attractiveness of French vs English speakers, French & English speaking college students, Canada, 29984
perceptions of teacher competency, college students, France vs Canada, 10432
perceptual & multi-dimensional approach, cross cultural counseling, Canada, 10048
physical attractiveness stereotyping & individual differences in cognitive structure & political party affiliation, active party supporters, Canada, 1147
police drinking/driving roadcheck activity & number of driving while impaired charges & media coverage, alcohol-related casualty traffic accidents, Canada, 13167
procedures for oral licensing examination using invited examiners, psychologists, Canada, 15483
psychiatric aftercare services, readmission & symptomatology & social adjustment, discharged psychiatric patients, Canada, 6-mo & 2-yr followups, 22685
psychological service policy development process, police personel, Canada, 26024
psychosocial & forensic factors, legal referrals to mental health service, 15–25 yr old Inuit vs Dene vs Metis Indians vs Whites, Canada, 1453
quality of life research, Canada & US, review of research since 1975, 17027
referral & intervention & outcome of child abuse cases, 1973–77, Canada, 12041
representation in TV commercials, females & elderly & minorities, Canada, implications for stereotyped attitudes & behaviors, 20924
research for Family/Socialization of Children Strategic Grants program for generation of factual knowledge for government decisions concerning family problems, Canada, 24382
research on cases from small claims court, Canada, 1093
research routes to prevention of depression, females, Canada, 17712
retribution & adjudication in criminal justice system, Canada, 1070
role of educators & health care professionals & lawyers in cases under Child & Family Services Act, Canada, 21865
roles & functions in provincial psychiatric hospitals, hospital social workers, Canada, 4638
seasonal variations, schizophrenic births, Canada, comments on article by A. Ede et al, 12019
seasonal variations, schizophrenic births, Canada, criticism of research of A. Ede et al, 11989
seasonal variations, schizophrenic births, Canada, reply to comments by B. Pasamanick & E. F. Torrey, 11921
sex differences & SES & translation of Parent Temperament Questionnaire, French-speaking 2nd graders, Canada, reprint, 29724
social & economic & political factors, concerns with health & help seeking, Indian vs Greek female immigrants, Canada, implications for health care services, 15219
social perceptions & obligations for assistance of frail old person with physical care & financial aid & psychological support, 18–25 vs 30–45 vs 50–65 vs 65–85 yr old females, Canada, 24104
specialized training & professional roles in pain treatment settings, psychologists, Canada, 7557
stability of prevalence, depression & anxiety disorders, Canada, 18 yr followup, 1339
stress & coping behavior & psychological well-being, elderly Asians vs Caucasians, Canada, 16904
stress ideation, 25–35 yr old Vietnamese refugees, US & Canada, 17338
structure & activities of Ontario Patient Advocacy System, psychiatric inpatients, Canada, 25525
support networks for needs & resources, immigrant 27–40 yr old females with young children, Canada, 20453
teaching of psychosocial medicine in medical schools, directors of psychiatric education, Canada, 25675
transfer to English program due to academic difficulty & poor adjustment, academic & cognitive variables & school attitudes & classroom behavior & attitudes toward 2nd language, former French immersion 3rd–5th graders, Canada, 15633
treatment strategies focusing on psychodynamics of illness & effects of starvation & illness as multidimensional disorder, anorexia nervosa, Canada, conference presentation, 25046
TV as source of stress & modernization, self concept, Algonkian speaking Cree Indians, Canada, 8-yr longitudinal study, 21763
Type A vs B behavior, job performance & psychosomatic complaints & career progression, francophone vs anglophone white-collar employees, Canada, 2624
unemployment & economic fluctuations, suicide rates, female vs male workers, 1966–81, Canada, 20019
university level humanities courses, institutional misconduct, prisoners, Canada, 10132
validation & cross cultural comparison of Facts on Aging Quiz, assessment of factual knowledge on aging, college students, Canada, 8090
wife's number of siblings & couple's desired family size, future family size, parents of 2 children families, Canada, 21819

Canaries
domestication, organization & note morphology of songs, canaries, 21253
testosterone implants, song parameters, adult & juvenile castrated canaries, 23981

Cancers [See Neoplasms]

Candidates (Political) [See Political Candidates]

Cannabinoids [See Also Tetrahydrocannabinol]
acute vs chronic administration of morphine vs clonidine vs levonantradol, response under continuous shock avoidance schedule, rats, 26747
acute vs chronic morphine vs clonidine vs levonantradol, response under continuous schedule of electric shock titration, male squirrel monkeys, 16800
prochlorperazine vs delta-tetrahydrocannabinol vs nabilone vs levonantradol, attenuation of cyclophosphamide-induced taste aversions, male mice, implications or evaluation of cancer chemotherapy drugs, 21541
3-isobutyl-1-methylxanthine & delta-9 tetrahydrocannabinol-vs cannabinol vs cannabidiol, quasi-morphine withdrawal syndrome, male rats, 19427

Cannabis [See Also Hashish, Marihuana]
psychiatric aspects of usage & clinical signs of drug induced psychosis, patients with cannabis psychosis, Sweden, 27456
use of cannabis, Hindu Ss, India, 27121

Canonical Correlation [See Multivariate Analysis]

Capgras Syndrome
Capgras syndrome as manifestation of postpartum psychosis, 24 yr old female, 14589
Capgras syndrome as valid diagnosis vs symptom of other mental disorder, 76 yr old woman with changeling delusions, 1274
Capgras syndrome, 72 & 81 yr old females wih Alzheimer's disease, case reports, 30443
clinical features & etiology & epidemiology & differential diagnosis of Capgras syndrome, 17–83 yr olds with misidentification syndromes, 30126
lack of organic basis for delusions following neuropsychological assessment, Capgras syndrome, 47 yr old female, 11990
neurological abnormalities, Capgras symptoms, schizophrenic male, 1400

prevalence of Capgras syndrome vs delusional misidentification, hospitalized psychiatric patients, 14664
Capital Punishment
demographic & personality variables & juror experience & attitudes toward capital punishment, inclination to convict & verdict preference, impaneled felony jurors, 17120
diminished responsibility & capital sentencing, 24366
moral development, attitudes toward capital punishment, 17–45 yr olds, 29550
need for establishment of goals for legal/justice system & relation to selection of appropriate form of treatment & punishment, offenders, 30991
right to die & terminate appeals, prisoners under sentence of death, 24405
trial court imposition of death sentence despite jury recommendation of life imprisonment, 24413
victimization & salience & attribution, attitudes toward different forms of criminal sanctioning, community residents & legal & correctional personnel, support for work of A. L. Stinchcombe et al, 24364
Capitalism
education for entrepreneurship in business schools, US, 12986
feminist consciousness vs profit & capitalist economic market, 3649
marketing & production & division of labor & personnel practices & impact of alternative technology on capitalism, humanization of factory workplace, England & West Germany, 7842
positivism & capitalism & subjective self consciousness, 6171
social class & social structures, career mobility, males, Austria vs France vs US, 31514
Carbachol
bilateral injections of 5-HT & methysergide to antero-medial hypothalamus, carbachol-induced emotional-defensive vocalizations, cats, 29418
carbachol in midbrain tegmentum, scratching reflex & escape movements & autonomic alterations induced by acid solution applied to skin, conscious toads, 19454
carbachol injections into anterior hypothalamic-preoptic area, locomotor & defensive-type behavior, cats, 8521
carbachol microinjections, auditory EPs of postural somatomotor & sympathetic visceromotor functions, cats, 5877
depletion of spinal cord norepinephrine & forebrain dopamine, blood pressure & drinking responses to angiotensin II or carbachol or sodium chloride in CNS, male rats, 23975
intrahypothalamic injection of carbachol or atropine, radiogenic hypodipsia, rats, 16720
sodium depletion & infusions of angiotensin II or carbachol into lateral ventricles, salt appetite & sodium & water balances, male rats, 23965
sodium loss induced by prolonged lateral ventricular infusions of carbachol, water & sodium intake & distribution & excretion, male rats, 5845
Carbidopa [See Decarboxylase Inhibitors]
Carbohydrate Metabolism
exposure to female odors, uptake of deoxyglucose in hypothalamic & limbic structures, male rats, 23855
food restriction, food intake & carbohydrate metabolism during meal, male rats, 23893
glucose &/vs insulin infusion in 3rd ventricle, peripheral glucose & insulin levels in CSF, male rats habituated to carbohydrate rich vs carbohydrate free food, 21418
glucose vs insulin vs glucagon, glycemia & liver glycogen concentration & food intake, male rats, 3295
inhibitors of carbohydrate absorption & of lipid metabolism, food & water intake & meal patterns & size, genetically obese vs lean male rats, 26649
lithium, sodium- & potassium- & calcium- & magnesium-dependent systems, 3329
Carbohydrates [See Also Blood Sugar, Glucose, Sugars]
acute vs chronic paraventricular nucleus infusion of norepinephrine, food & liquid intake & selection of carbohydrate & protein & fat, male rats, conference presentation, 21543
alloxan &/vs dextroglucose or levoglutamine or amygdalin, glucoprivic feeding, male rats, 5910
brain serotonin, need to snack on carbohydrates vs mealtime consumption of carbohydrates & proteins, obese & normal weight humans, 14919
carbohydrate ingestion, appetite & hunger & obesity, reply to comments by D. A. VanderWeele & J. R. Vasselli & N. Geary & A. Sclafani, 6770
carbohydrate injection, hyperinsulinemia & obesity, comment on view of P. Geiselman & D. Novin, 6891
carbohydrate injection, obesity & hunger, comments on view of P. Geiselman & D. Novin, 6768
chewing complex carbohydrate cereal for 20 vs 60 sec & stress vs relaxation, salivary amylase digestion of complex carbohydrates, college students, 29334
insulin injections, activation of glucoprivic feeding mechanism & carbohydrate intake & hyperphagia, male golden hamsters, 19435
intragastric infusion of carbohydrates & fat & protein, appetite & total caloric intake, male monkeys, 13893
low vs high carbohydrate diet, ventilation & ratings of perceived exertion during bicycle ergometer test at high physical work capacity, 18–25 yr old females, 23521
perception of sucrose vs sodium saccharin vs aspartame vs acesulfam-K vs calcium cyclamate/sodium saccharin blends in lemon-lime vs cola flavored beverages, 18–34 yr olds, 8158
peripheral vs paraventricular nucleus injections of clonidine vs amitriptyline vs chlorimipramine, nutrient selection, male rats, 29447
preference for high fat &/vs high carbohydrate diets, food intake & plasma metabolites, male diabetic rats, 21366
role of carbohydrates in appetite & hunger & obesity & hyperinsulinism, comments on view of P. Geiselman & D. Novin, 6888
soy polysaccharide added to liquid formula diet, bowel functioning, constipated & tube-fed & nonambulant severely or profoundly mentally retarded Ss, 14931
xylose absorption, 14–61 yr olds with Down's syndrome, 1493
Carbon Dioxide
alpha- vs beta- vs cholinergic receptor blockers & epinephrine vs angiotensin, immobilization stress-induced changes in cerebral blood flow & partial pressures of oxygen & carbon dioxide, male rabbits, 16494
exposure to autonomic symptoms induced by carbon dioxide inhalation vs propranolol, fear of autonomic panic sensations & trait & state anxiety, outpatients with panic disorder vs agoraphobia with panic attacks, 20348
hypercapnia vs nociceptive stimulation, cortical acetylcholine efflux, male rabbits, 16473
inhalation of carbon dioxide/oxygen mixture, peripheral alveolar response & relationship to occurrence of panic attack symptoms, healthy adults, 19372
venous pH & carbon dioxide & bicarbonate as indicators of therapeutic progress, 22–55 yr olds with agoraphobia with panic attacks treated with imipramine or desipramine or clonidine, 7182
Carbon Monoxide
cigarette rod length, puff volume & duration & carbon monoxide delivery, 23–40 yr old smokers, 14412
low vs high dose marihuana cigarette smoking, expired air carbon monoxide, 21–35 yr old males, 11710
smoking topography, differences in expired air carbon monoxide levels, smokers who smoked equal number of daytime cigarettes, 27112
Carbon Monoxide Poisoning
apperceptive visual agnosia due to carbon monoxide poisoning, male patient, conference presentation, 12176
diagnosis by computerized axial tomography & response to L-dopa, 40 yr old male with major depressive disorder complicated by carbon monoxide induced parkinsonism, 1314
symptoms of anxiety & depressive & somatic displacement & posttraumatic reaction & irritability & impulsiveness & headache & fatigue, workers who suffered carbon monoxide poisoning in industrial accident, 22330
Carboxyhemoglobinemia [See Carbon Monoxide Poisoning]
Carcinogens
rational stress & dimethylnitrosamine administration, methyltransferase synthesis & tumor development, female rats, 29416
Carcinomas [See Neoplasms]
Cardiac Disorders [See Heart Disorders]
Cardiac Rate [See Heart Rate]
Cardiography [See Electrocardiography]

Cardiology
measurement of pre- vs post-instructional knowledge of & attitudes toward preventive cardiology, 1st-yr medical students with vs without preventive instruction vs expert physicians, 7510
need to formally define new area of psychocardiology, 30512
Cardiovascular Disorders [See Also Aneurysms, Angina Pectoris, Arrhythmias (Heart), Atherosclerosis, Bradycardia, Cerebral Arteriosclerosis, Cerebral Hemorrhage, Cerebral Ischemia, Cerebrovascular Accidents, Cerebrovascular Disorders, Embolisms, Essential Hypertension, Heart Disorders, Hemorrhage, Hypertension, Hypotension, Ischemia, Myocardial Infarctions, Syncope, Tachycardia, Thromboses]
acute psychotic states & agitation, predisposition to thromboembolic & cardiovascular disorders, 1577
antianxiety drugs, management of stress factors influencing coronary heart disease, conference presentation, 12595
anxiety & other emotional states & smoking & alcohol consumption & Type A behavior, cardiovascular disorders, conference presentation, literature review, 27655
attitudes toward illness & decisions to become pregnant, pregnant females with circulatory deficiencies, 1518
behavioral & personality & social support factors, maintenance of improved health changes in exercise & weight loss & smoking cessation, postcoronary patients, 6759
behavioral analysis of chest pain, patients referred for possible coronary artery bypass surgery, 1553
biobehavioral & psychosocial & neurological research approaches to study of cardiovascular disease prevention, 1698
biofeedback training & hand-warming response, foot-warming response, 29 yr old female with Raynaud's syndrome, 20133
blood pressure & Type A behavior & cardiovascular reactivity, coronary heart disease risk factors, conference presentation, 9611
cardiovascular disease & high fatality rates, depressed aged, 30073
causal analysis of personality & stress & cancer & cardiovascular disease, conference presentation, 22250
classical conditioning vs biofeedback therapy, induction of vasodilation, 14–61 yr olds with idiopathic Raynaud's disease, 1-yr followup, 22494
consistency & variation among Type A behavior measurement instruments, 40–49 yr old males at risk for coronary heart disease, 119
development of questionnaire, assessment of social & cultural & psychological factors of coronary heart disease & stroke, 30–69 yr olds in clinic screening, Japan, 10802
dibenzepine vs maprotiline, cardiac function, coronary heart disease patients treated for endogenous depression, 9937
efficiency of CNS as indicator of ability to cope with stressful life situations & Type A behavior, cardiovascular disease patients aged 42 yrs or less vs 43–52 yrs, conference presentation, 12172
emotional stress, adult Raynaud's disease patients, 20149
epidemiological & psychological orientations in study of behavioral aspects of coronary heart disease, review of research, 6868
etiology of ectopic heart beat, patients with coronary artery disease & Type A behavior, reply to L. J. Freeman & P. G. Nixon's comment, 27552
etiology of ectopic heart beat, patients with coronary artery disease & Type A behavior, comment on J. R. Jennings & W. P. Follansbee's study, 27556
Feelin' Good program approach to cardiovascular fitness, elementary school children, 18652
Finnish Pain Questionnaire, differentiation of descriptions of pain, male coronary heart disease vs female low back pain patients, 16147
General Health Questionnaire as screening instrument & psychiatric correlates of coronary pathology, 21–73 yr old patients with established or presumptive coronary heart disease, 20261
healthy lifestyle & regular exercise, mortality rate & cardiovascular epidemiology, Navy pilots, 40-yr followup study, 25976
incidence of risk factors for coronary heart disease, Whites vs Blacks vs Mexican Americans vs Puerto Ricans, literature review, 20129
life changes & social support & temperament pattern, blood pressure & norepinephrine levels & cardiovascular risk factors, male police officers, 31508
living conditions during childhood & coronary risk factors, adults, Norway, 24863
methodology & smoking & elevated serum cholesterol, coronary heart disease, morbidity & mortality, 24962
model of dynamics of Type A behavior & link with coronary heart disease, 24990
performance task-induced autonomic responses & ST segment depression & ectopy, coronary artery disease patients, 22277
person to person interaction, triglyceride vs uric acid levels vs coronary risk, managers, 2-yr longitudinal study, 31459
personality pattern combining impulsiveness & repression & aggressiveness, etiology of cardiovascular disorders, conference presentation, 4168
prevalence of clinical heart disease & hypertension, 60–91 yr olds with Alzheimer's disease vs multi-infarct dementia vs major depression, 20257
psychological adaptability & attitudes toward health problems, 40–59 yr old males in coronary heart disease prevention program, conference presentation, 12319
psychosocial & socioeconomic & personality factors & work environment, etiology of cardiovascular disease, conference presentation, 12289
psychosocial stressors, coronary heart disease, conference presentation, 9578
role conflict or ambiguity & physiological correlates of occupational stress, coronary heart disease risk, male highway patrol officers, replication of study of C. G. Weiman, 26022
role of catecholamines & atherogenesis & need for research in use of beta-adrenergic receptor blockade as therapeutic modality, coronary heart disease, conference presentation, 9627
self reported vs physician-estimated chest pain variables, angiographically determined coronary stenosis & neuroticism, cardiac patients, 1538
smoking behavior, 21–75 yr old patients with neoplasms vs endocrine vs blood vs circulation vs respiratory vs digestive vs genitourinary disorders, 24949
social support & health beliefs, smoking behavior, hospitalized cardiovascular patient smokers vs ex-smokers, 6773
social support group & preventive health care learning, clients who were primarily Black & Latino, 20455
sociopsychological risk factors & etiology of cardiovascular disease, West Germany & Austria & Switzerland, implications for psychological treatment, literature review, 4156
spouse behavior & social & demographic & personality characteristics, coronary heart disease incidence, husbands, conference presentation, 9526
stress & lifestyle & cholesterol level & weight, coronary heart disease, conference presentation, 12293
stress & teleonomic entropy & excessive suffering, increased level of arterial disease, industrialized vs developing & Communist countries, 30411
stress, organizational effectiveness & potential for coronary heart disease, 18–74 yr olds, conference presentation, 13237
tricyclic antidepressants or MAO inhibitors or lithium or trazodone or alprazolam or bupropion or nomifensine or ECT, cardiovascular function, cardiac patients, literature review, conference presentation, 27968
Type A behavior & other risk factors, prevalence & incidence of coronary heart disease, Japanese males, Hawaii, 8-yr longitudinal study, 17570
Type A behavior pattern & psychological traits & symptom states, 33–72 yr olds presenting for coronary angiography, 20254
use in assessment of behavioral factors relating to coronary heart disease, patients undergoing coronary angiography, 12259
validity of Arizona Heart Institute Cardiovascular Risk Factor Questionnaire, assessment of predictor variables EKG & treadmill examinations, male & female physicians, 13408
validity of Jenkins Activity Survey, measurement of Type A behavior & presence of coronary heart disease, male 40–65 yr olds in 2 ethnic rural communities, Israel vs US, 5341
Cardiovascular System [See Also Arteries (Anatomy), Blood Vessels, Carotid Arteries, Heart, Heart Valves, Heart Ventricles]
alcohol-induced stress & physiological correlates, college students with Type A vs Type B behavior, 21628
bilateral electrolytic telencephalic lesions, cardiac & ventilatory response to light stimulus, goldfish, 13942
cardiovascular & affective reactions to frustrating cognitive task, adult offspring of hypertensive parents, 4166

cardiovascular activity & pain perception & stress-induced analgesia, rats selectively bred for high vs low avoidance behavior, conference presentation, 19310
cardiovascular fitness program, psychologic functioning, 19–30 yr old inactive males, 4235
clockwise vs counterclockwise rotation of work shifts, sleep & stomach problems & cardiovascular risk factors, policemen, Sweden, 5100
electrical stimulation vs lesions of insular cortex, cardiac inhibition vs abolishment of conditioned bradycardia, rabbits, 26575
environmental stressors & development of spontaneous hypertension & display of more sensitive cardiovascular response, offspring of spontaneously hypertensive rats, 21386
genetic or environmental characteristics, cardiovascular responses to emotional & physical stress, adults with or without family history of hypertension, conference presentation, 11137
intensity & repetition of auditory stimulus, cardiac & motor responsiveness, 37–40 wk old fetuses, implications for hearing test, 19378
physical exercise & confinement in nuclear submarine, cardiorespiratory fitness & cognitive performance, male Navy crew members, 5742
playing video games vs sitting & standing, cardiovascular & plasma catecholamine changes before vs after physical training, labile hypertensive male adults, 22236
relaxation training course, circulatory response to emotional stress, healthy 30–49 yr olds, conference presentation, 8455
tone with vs without paraorbital shock, single unit activity of amygdaloid central nucleus neurons & cardiovascular adjustment in response to fear, rabbits, 21434
trimipramine vs doxepin, depression & anxiety & cardiovascular factors, depressed hospitalized patients, 4465
Career Aspirations [See Occupational Aspirations]
Career Change
consequences of radical career moves, management development & training, management personnel, 26006
downward moves in careers, conditions of & career growth & firm's human resources development strategy, engineers & managers of corporate engineering department, 23258
improvement of physical working conditions via promotion of job change, mental distress & job satisfaction, male vs female metal industry employees, 5-yr longitudinal study, 26021
management of job loss as opportunity to promote career growth & renewal, management & professional personnel, 23223
off-campus graduate degree programs in management, facilitation of career change, adult learners, 18417
predicted vs attained job changes over 1 yr, managers, Great Britain, 20871
rationale for & research on work transitions in prevention research, 12674
role in providing information for dealing with career change & planning, career & vocational counselors, 2606
routine vs situation-determined vs self determined vs self- & situation-determined career changes, career patterns & stability, school counselors, 15-yr followup, 28376
source & accuracy of prejob information, job choices & turnover rates, graduates of master's in business administration program, 6- & 24-mo followups, 13171
types & determinants of change in career development, 18–54 yr olds in career counseling, 23175
Career Choice [See Occupational Choice]
Career Development
academic development & rewards & recognition for professional activity, university faculties, 18431
action research approach using interviews & questionnaire & planning workshop, management development scheme design, managers, 25994
administrative service as department chair, scholarly career, academic chemists, 15619

Cat Learning
role of short term memory in learning delayed reaction vs alternation, cats, 5563

Catabolites [See Metabolites]

Catalepsy
apomorphine vs bromocriptine, catalepsy, haloperidol-pretreated male mice, 21538
chronic vs acute administration of phenytoin, muscimol-induced catalepsy, male rats, 16688
domperidone vs haloperidol vs chlorpromazine, stereotypic behavior elicited by systemic apomorphine & catalepsy, mice, 24046
dopamine agonists LY 141865 vs RU 24213 vs LY 171555, dopamine antagonist SCH 23390-induced catalepsy, male rats, 16716
haloperidol injections into neostriatum, dopamine-specific tonic EMG activity & catalepsy, male rats, 26654
haloperidol vs labyrinthectomy &/vs head vs abdominal bandage, fractionation of cataleptic bracing response, male rats, 13903
isofloxythepin, apomorphine-induced chewing & agitation & catalepsy & locomotor activity & uncoordination, rats vs mice, 5902
large haloperidol doses, catalepsy & brain noradrenaline metabolism, female rats, 5944
metaphit, cataleptic effects of drugs like phencyclidine in structure or action, pigeons, 19468
molindone vs haloperidol & apomorphine, dopamine receptor role in drug-induced catalepsy, mice, 29441
pilocarpine vs atropine vs hemicholinium, haloperidol-induced catalepsy, male mice, 8564
prenatal exposure to methylazoxymethanol, apomorphine- vs haloperidol-induced stereotypy & catalepsy, rat pups, 29471
repeated haloperidol administration, attenuation of inital immobility & cataleptic response & increase in dopamine metabolites, developing & adult rats, 29401

Catamnesis [See Posttreatment Followup]

Cataplexy
behavioral treatment, excessive daytime sleepiness & periodic cataplexy & nocturnal urinary frequency, 61 yr old female with multiple medical problems, 6- & 12-mo followups, 4436
cataplectic attacks assessed by EEG, narcoleptic dogs, 13848

Catatonia
characteristics & treatment with neuroleptics, patients with postpartum catatonic-oneiroid episodes of schizophrenia, 20395
clinical features of depressive vs catatonic vs organic vs psychogenic stupor, hospitalized 16–64 yr olds, 6801
diagnosis of catatonia in schizophrenia & bipolar disorder, DSM III implications, 11995
haloperidol overdose, 19 yr old male with severe mixed extrapyramidal symptoms catatonic reaction, case report, 30272
lithium carbonate, catatonic excitement states, schizophrenic males, 9953

lithium carbonate, 16 yr old male with severe prolonged catatonia with associated flushing reaction, 7224
phenylpropanolamine or caffeine in high doses, catatonia, 45 yr old male treated with doxepin & fluphenazine for depression & paranoia, 15126
plasma catecholamine levels & sympathetic nervous system activity, 34 yr old female with catatonia & hypertension & tachycardia episodes, 17694
psychotropic drugs & psychotherapy, hospitalized 17 yr old female with agitated catatonia, 15133
view of catatonia as disturbance of human action vs motor function, 14648
Catatonic Schizophrenia
haloperidol & fluphenazine vs naloxone, endogenous opiate system, 35 yr old female with catatonic schizophrenia, 18097
nature of deep & surface EEGs during psychotic & auditory hallucinatory state, 24 & 34 yr old males with paranoid or catatonic schizophrenia, case reports, 30150
Catecholamines [See Also Dopamine, Epinephrine, Norepinephrine]
acute dose of dexamethasone, monoamine & metabolite levels in brain, male rats, 16777
biochemical correlates of sensation seeking & relationship to mania, 27389
blood pressure & pulse rate & excretion of urinary catecholamine during precompetition & pretraining & training periods, male vs female gymnasts, 16398
catecholamine excretion & autonomic disorders, disease severity & affective & motor disturbances, patients with acute vs abortive vs severe alcoholic delirium, 9378
catecholamine high affinity binding sites in blood cells, medicated vs unmedicated schizophrenic patients, 17298
catecholamine loss, cognitive ability, aged nonhuman primates, implications for treatment of Alzheimer's disease, 16399
catecholaminergic drugs & regulation of noradrenergic vs dopamine neurotransmission, neocortical brief spindle episodes, DBA/2 mice, 21584
catecholamines with propranolol & aminophylline & DH-ergotoxine, operant behavior & saccharose consumption & activity of liver tryptophan pyrrolase, rats, conference presentation, 14059
cocaine vs lidocaine vs amphetamine vs monoamine antagonists, components of kindled seizures, male rats, 5928
CSF levels of monoamine & norepinephrine & dopamine metabolites, 22–66 yr old depressed patients, 22109
delayed alternation vs yoked control, catecholamine microfluorometry of nigral perikarya & tyrosine hydroxylase assay in prefrontal system, male rats, 16406
depletion of adrenal catecholamines, effects of electrical stimulation of amygdala on retention of learning tasks, male rats, 5743
dextroamphetamine &/vs haloperidol vs chlorpromazine vs phenoxybenzamine vs propranolol, play fighting, juvenile rats, 16554
dextroamphetamine, motor movements & stereotypic behavior & cardiac catecholamine & brain norepinephrine levels, male rats, 19509
dietary tryptophan & social isolation, territorial aggression & locomotor activity & monoamine neurochemistry, male mice, 23997
dosage of citalopram, depressive symptoms & central amine & amino acid metabolism, depressed 18–65 yr olds, 25269
drug-induced stress & endorphin activity & depletion of brain monoamines, spontaneous social isolation & motor activity, rats, conference presentation, 14060
electrical stimulation of locus ceruleus vs piperoxan, memory impairment, 5 vs 18 mo old mice, 16508
heat & cold stressors with vs without dextroamphetamine sulfate, CNS monoamines & 5-hydroxyindoleacetic acid levels & behavioral toxicity, male rats, 21384
implantation of PC12 cells into corpus striatum, survivability & ability to synthesize & release catecholamines, male rats with nigrostriatal pathway lesions, implications for treatment of Parkinson's disease, 26566
injection of catecholamine-blocking haloperidol vs propranolol into hypothalamus, food & water intake & motor deficits resulting from dopamine lesions, rats, 5949
injection of immune complex forming reactants in hypothalamus, catecholamine-modulated behaviors, rats, 14051
intracerebral 6-hydroxydopamine with vs without desipramine followed by amphetamine, ethanol consumption, female rats, 16694
intraseptal injections of 6-hydroxydopamine, catecholamine neuronal activity & time discrimination behavior, male rats, 11305
life events in 6 mo before onset of depression & CSF monoamine &/vs monoamine metabolite levels & dexamethasone suppression test, patients with major depressive disorder with melancholia, 30209
lifestyle & stress & sleep, circadian rhythm & catecholamine & adrenaline excretion, villagers, conference presentation, 11190
lithium & neuroleptic drugs, catecholamine & indoleamine & calcium mechanisms, manic patients, conference presentation, 15210
methylphenidate vs nomifensine, role of central catecholaminergic systems in place preference conditioning, rats, 8578
monoamine metabolite activity in CSF & psychometric test performance, male patients with Korsakoff's psychosis, 12239
monoamine turnover & binding to monoamine & other receptors, 56–94 yr old Alzheimer's disease vs depressed patients vs adults who committed suicide, conference presentation, 1221
morphological & temporal characteristics of catecholamine accumulation & onset of behavioral change, 13837
neurotransmitter deficits & reductions in choline acetyltransferase & monoamine activity in Alzheimer's disease, 27688
operantly conditioned running, brain catecholamine concentrations & receptor densities, male rats, 29361
opiate antagonist naloxone, circulation of catecholamines induced by exercise, conference presentation, 3189
pemoline, behavior & urinary catecholamines & indoleamines, 6–12 yr olds with attention deficit disorder with hyperactivity, 18123
physical exercise, psychological stress, urine catecholamines & blood pressure & heart rate, college students, 8443
physostigmine, acetylcholinergic stimulated behavior, cats, 5935
plasma & CSF amino acid & 5-hydroxyindoleacetic acid & homovanillic acid & hydroxy-3-methoxy-phenylethylene glycol levels, unmedicated schizophrenics, 22027
plasma catecholamine levels & sympathetic nervous system activity, 34 yr old female with catatonia & hypertension & tachycardia episodes, 17694
playing video games vs sitting & standing, cardiovascular & plasma catecholamine changes before vs after physical training, labile hypertensive male adults, 22236
psychosocial stimuli, physical fitness & depression & anxiety & urine level of 3-methoxy-4-hydroxyphenylglycol & normetanephrine & metanephrine, 23–46 yr old males, 580
role of catecholamines & atherogenesis & need for research in use of beta-adrenergic receptor blockade as therapeutic modality, coronary heart disease, conference presentation, 9627
sex differences in hormonal & monoamine activities & other biological factors, depression, conference presentation, 3851
short vs long term administration & withdrawal of lithium, catecholamine levels in brain, male rats, 8513
sympathetic stimulation, plasma catecholamines, 14–45 yr olds with Down's syndrome, 24844
training footshock & amygdala implantation & stimulation, brain catecholamines & memory modulation, male rats, 5791
urinary 3-methy-4-hydroxyphenylglycol relative to peripheral catecholamine activity & self reported depression, normal 23–46 yr old physically active vs sedentary males, 29339
Walker 256 carcinoma-induced anorexia, central catecholamine levels, male rats, 16490
zopiclone, brain monoamines & stress, rats, 26740
zopiclone, motor activity & brain catecholamine & serotonin turnover, male rats, 23999
6-hydroxydopamine-induced catecholamine depletion, shock-precipitated wall climbing, rat pups, 8533
Categorizing [See Classification (Cognitive Process)]
Catharsis
cathartic & active-structuring techniques, psychodynamic group psychotherapy, psychiatric patients in day treatment program, 9774
dynamics of catharsis & role in psychotherapy & psychodrama, 9694

Catheterization
decapitation vs catheterization methods of blood collection & stress, plasma levels of calcium & potassium & magnesium, male rats, 19374
Irving Independent School District v Tatro & issue of catheterization services in schools, 11686
stress management training, parents & their 6–17 yr old children undergoing cardiac catheterization, 22482
traditional preparation procedure with vs without videotaped modeling preparation, anxiety reduction & coping style & psychological preparation, 4–16 yr old hospitalized patients undergoing cardiac catheterization, 27885
Cathexis
strategy of E. Jones & J. Strachey for translation of Freud's work into English, 13311
Cathode Ray Tubes [See Video Display Units]
Catholicism (Roman) [See Roman Catholicism]
Cats
activity of dopamine-containing neurons in substantia nigra, cats, 13834
cortical & subcortical afferent inputs to intralaminar nuclei, cats, implications for directed eye movement & orienting behavior & visually guided behavior, 5688
development of locomotor play behavior, domestic cats & kittens, 8346
development of visual acuity, 2–10 wk old kittens, 13827
dextroamphetamine, development of behavioral effects, 1–53 day old kittens, 21545
diameter of concentric circular background, responses of X & Y cells of dorsal lateral geniculate nucleus to flashing test probe modulated at 2 Hz, cats, 21295
early weaning via bromocriptine-induced suppression of maternal milk, social & object & locomotor play, 5 wk old kittens, 8576
physiological aging, cortical EPs, 1–3 vs 11–23 yr old cats, implications for human aging & changes in cortical EPs, 5683
predatory dominance & aggressive behavior, pairs of adult male cats, 16369
prolonged electrical stimulation of caudate nucleus & substantia nigra & globus pallidus, feeding behavior, cats, 19397
reactions to sprayed vs excretory urine from strange vs familiar males vs females, male vs female sexually experienced cats, 21270
removal of vomeronasal organ with vs without subsequent olfactory bulbectomy, catnip reaction, cats, 13926
retinal ganglion cells suppressed tonically vs transiently by contrast in receptive field, cats, 23819
sleep spindle activity & transient EEG activation, 2–4 vs 9–11 yr old cats, 5666
spacing patterns & social system, urban stray cats, 21271
thalamic EPs associated with endogenous late positive component of cerebral EPs using discriminative aversive conditioning, cats & patients with intractable pain, 11157
weaning, prey catching, domestic kittens, 29247
Cattle
confinement, courtship behavior, male musk-oxen, 11124
deprivation of lying & food, lying behavior, cows, 5613
dominance tube method of forced head-to-head dyads vs long term observation in drylot, determination of dominance-subordinance relationships, beef heifers, 16383
environmental light intensity, duration & frequency & patterns of behavior, calves, 589
evolution of cow-cow mounting behavior & detection of estrus, European cattle, 383
ingestive & grooming & agonistic & play & sexual behaviors & spatial proximity, cows & their twin vs single calves, 5627
parturient behavior & calf survival, single- vs twin bearing cows, 5622
regrouping into pens with mostly strangers, aggressive & sex-related & other social interactions, 9 vs 12 vs 15 mo old bulls vs steers, 8375
specificity of pyrazine binding protein from olfactory mucosa, cows, 551
time spent in shade & physiological factors of thermoregulation, Brahman vs Shorthorn vs Brahman/Hereford-Shorthorn cross steers, 479
Caucasians [See Whites]
Cauda Equina [See Spinal Nerves]
Caudate Nucleus
amphetamine administration followed by exposure to threatening vs nonthreatening humans, electrochemical responses in caudate nuclei & heart rate, pigtail monkeys, implications for amphetamine models of psychoses, 16590
aphasia & agraphia, 64–81 yr olds with small infarcts in posterior & lateral putamen & internal capsule, 30469
arginine-8-vasopressin injection into caudate nucleus, mechanism for interaction with nigrostriatal dopamine system, male rats, 16822
caudate-putamen vs posterior cortex lesions, spatial maze learning & overshadowing-potentiation effects, male rats, 13935
cholecystokinin injection into nucleus accumbens vs caudate nucleus, apomorphine-induced stereotypy & dopamine-induced hyperlocomotion, male rats, conference presentation, 16601
cholecystokinin octapeptide vs tetrapeptide injections into nucleus accumbens vs nucleus caudatus vs medial prefrontal cortex, locomotor & rearing responses, male rats, 8561
chronic ethanol administration, turnover of dopamine & noradrenaline in caudate & accumbens nuclei, male rats in swimming test, implications for depression, 26657
distribution of 9 neurochemicals in caudate nucleus & putamen & other brain areas, rats & deceased 56–88 yr olds with Parkinson's & Alzheimer's disease, 16426
dopamine vs apomorphine injections into nucleus accumbens vs amygdala vs ventral tegmental nucleus vs extrapyramidal nuclei vs caudate putamen vs globus pallidus, spontaneous climbing behavior, female mice, 21493
dosage of atropine injected into caudate nucleus, acquisition & maintenance of passive avoidance, rats, implications for role of striatal cholinergic activity in passive avoidance, 3314
ECS, opioid receptor binding in hypothalamus vs hippocampus vs caudate nucleus vs frontal cortex vs brain stem, male rats, 26593
electrical stimulation of caudate nucleus, duration of stimulation induced hippocampal afterdischarges, cats, 23911
endogenous & evoked dopamine & noradrenaline & serotonin from hypothalamus & caudate nucleus, male rats, 23830
in vivo dialysis perfusion, monitor of dopamine & 5-HT neural activity in caudate nucleus, male rats, 26502
leucine & methionine-enkephalin & naloxone & naltrexone injections into caudate putamen & globus pallidus, rotational behavior & bodily asymmetry, male rats, 21512
neurobehavioral symptoms & auditory & visual hallucinations following caudate hemorrhage & treatment, 54 & 58 yr old hypertensive females, 2–3 yr followup, case reports, 30385
nicotinamide adenine dinucleotide vs amphetamine in frontal cortex vs caudate nucleus, jumping behavior, rats, 16793
nuclear magnetic resonance, visualization of stereotactic brain lesions, 29 yr old male suffering from anxiety & erythrophobia & alcohol abuse, 1998
pretreatment with morphine followed by oxymetazoline vs phentolamine injections into limbic part of caudate nucleus, sensitivity of noradrenergic receptors, cats, 11277
prolonged electrical stimulation of caudate nucleus & substantia nigra & globus pallidus, feeding behavior, cats, 19397
radioactive etorphine & naloxone binding to caudate nucleus opioid receptors in postmortem brains, schizophrenic patients, 14646
sleep vs active waking, electrophysiological single unit activity in substantia nigra & voltammetric release of dopamine in caudate nucleus, behaving cats, 21329
taurine vs GABA iv in substantia nigra, caudate spindle, rats, implications for involvement of dopaminergic system, 21567
topical application of serotonin in caudate nucleus, discharge rate of caudate cells & EEG activity during wakeful & sleeping periods, male rats, conference presentation, 14075
unilateral 6-hydroxydopamine lesions of caudate nucleus & nucleus accumbens, eating & drinking elicited by electrical stimulation of lateral hypothalamus, male rats, 11221
Cells (Biology) [See Also Auditory Neurons, Axons, Blood Cells, Chromosomes, Cones (Eye), Dendrites, Erythrocytes, Leucocytes, Lymphocytes, Motor Neurons, Neurons, Rods (Eye), Sensory Neurons, Sperm]
chronic phenobarbital, synaptosomal sodium transport & membrane fluidity, mice, 16721
exposure to delta-1-tetrahydrocannabinol, prostaglandin synthesis & arachidonate release, human lung fibroblast cells, 23943

implantation of PC12 cells into corpus striatum, survivability & ability to synthesize & release catecholamines, male rats with nigrostriatal pathway lesions, implications for treatment of Parkinson's disease, 26566
sexually dimorphic nucleus in hypothalamus, male vs female 10–93 yr olds, 11171
Censorship
censorship of literature, freedom of choice, children & adolescents, 6023
Central America [See Also Guatemala]
elite family firms & economic development, 19th century, Latin America, 24303
family & kinship networks & business interests vs individuals & political organizations, political structure, 1790–1890, Latin America, 24286
literacy school & adult education program, Nicaragua, 1979–82, implications for social change, 4855
mass media, education of public regarding child care practices & services, Central America, 3340
mental health services under Sandinista government, Nicaragua, 30877
microanalysis of kinship vs racial & occupational groups, patterns of residential segregation & household organization & population density & land-use in cities, colonial times & early 19th century, Latin America, 24299
need for reorganization of institutions & creation of social supports for appropriate socialization, youth, Latin America, 8810
neuroleptic drug-induced skin pigmentation, 19–65 yr old chronic hospitalized schizophrenic patients, Europe & Asia & Central & South America & North America & Africa, 25266
perceptions of problems & issues & research in experimental analysis of behavior, professors & researchers & practitioners in behavior analysis, Spain & Latin America, 18342
role of family in shaping political & social & economic institutions, 19th century, Latin America vs US vs Europe, literature review, 24305
United Nations national youth policies, prevention & treatment services, adolescents, Latin America, 4599
Central Nervous System [See Also Amygdaloid Body, Auditory Cortex, Basal Ganglia, Brain, Brain Stem, Caudate Nucleus, Cerebellum, Cerebral Cortex, Cerebral Ventricles, Corpus Callosum, Diencephalon, Dorsal Roots, Extrapyramidal Tracts, Frontal Lobe, Geniculate Bodies (Thalamus), Globus Pallidus, Gyrus Cinguli, Hippocampus, Hypothalamo Hypophyseal System, Hypothalamus, Inferior Colliculus, Limbic System, Medulla Oblongata, Mesencephalon, Motor Cortex, Neural Analyzers, Neural Pathways, Occipital Lobe, Optic Chiasm, Optic Lobe, Parietal Lobe, Pons, Pyramidal Tracts, Reticular Formation, Somatosensory Cortex, Spinal Cord, Superior Colliculus, Telencephalon, Temporal Lobe, Thalamic Nuclei, Thalamus, Visual Cortex]
adenosine role in CNS & neurotransmitterlike properties & uptake sites & impact in pharmacological action of psychoactive drugs, 24003
alpha vs gamma interferons, CNS & immune system activity, rats, 13793
anatomical distribution of substance P & substance P receptors in CNS, rats, 547
behavior conditioning & role of CNS in immunological reactivity, animals, 24 comments & author's reply, 29258
biotin deficient diet & CNS dysfunction & biochemical changes, rats, 21601
cholecystokinin octapeptide, CNS, 20–59 yr old chronic schizophrenics receiving concomitant neuroleptics, conference presentation, 20404
CNS control of food intake, birds, literature review, 13795
computer-administered neurobehavioral evaluation system, evaluation of effects environmental agents on CNS function, 20–69 yr old blue collar workers & college staff & faculty, conference presentation, 23360
coronary prone behavior & tone discrimination & serial learning & standing on stabilographic bridge tasks, psychophysiological reactions assessed by CNS activation, graduate students, Czechoslovakia, conference presentation, 8458
depletion of spinal cord norepinephrine & forebrain dopamine, blood pressure & drinking responses to angiotensin II or carbachol or sodium chloride in CNS, male rats, 23975
development of CNS, 6–13 yr olds with speech & language disorders, 24850
differential role of sulfated vs unsulfated cholecystokinin octapeptide with dopamine in CNS, conference presentation, 19482
dipipanone, cold-induced pain & CNS, healthy 21–37 yr olds, 21575
ECS vs strychnine vs flurothyl vs picrotoxin vs bicuculline vs pentylentetrazol, CNS excitability & relationship to ethanol withdrawal, selectively bred mice prone vs resistant to ethanol withdrawal seizures, 16484
emotiogenic complex formed by engram with emotional component, CNS activation, conference presentation, 3208
error correction in visually guided tracking task involving elbow flexion-extension movements, EMG activity, implications for CNS monitoring of movement commands, 195
estrogens & progesterone, preoptic & hypothalamic & amygdaloid & other CNS areas, mammals, literature review, 16701
fluphenazine decanoate, neurotensinlike immunoreactivity of CNS, male rats, implications for antipsychotic actions of neuroleptics, 5852
forced feeding of varying concentrations of sodium chloride, 2-deoxy-dextro-glucose-induced feeding & CNS levels of dynorphin-A, male rats, 8522
functional stability of CNS as neurological basis for intelligence, 520
higher nervous system functioning & behavioral studies on auditory development, cats & mice & humans, 19306
involvement of peripheral & central catecholamine systems in neural-immune interactions, literature review, 23816
late positive component of event-related cortical potential, measurement of effects of neurotoxins on CNS, humans, conference presentation, 23367
mental workload & physiological responses of central nervous system & evoked cortical potentials, 5457
mobility of excitation vs inhibition in nervous system, extraversion & neuroticism, college students, 26547
nervous system & Pavlovian conditioning, regulation & change of immune system, 26482
neuroimmunomodulatory interactions of norepinephrine & 5-HT, 23837
neurotoxic effects of prescribed medications, 7229
occurrence & concentration of cholecystokinin octapeptide & other gastrins in CNS, conference presentation, 19322
pantoyl-GABA, cholinergic neurotransmission in CNS, mice & rats, implications for treatment of Alzheimer's disease, 534
role of afferent inputs to CNS, temporal hyperacuity in detection of electrical signals, electric fish, 29295
role of noradrenaline in tuning & dopamine in switching between signals in CNS, literature review, 13818
sites of taste & visceral integration in CNS, conditioned taste aversion, animals, 13803
stimulation of acupuncture vs nonacupuncture points & association with analgesia inhibitory system, rabbits & rats, 23903
strength & activity of CNS functional capacity & thresholds & lability, retention of knowledge, humans, 2-yr longitudinal study, educational implications, 5739
testosterone, CNS sensitivity to hexobarbital, castrated male rats, 16458
uptake of adenosine by CNS tissues, rats, literature review, 26534
Central Nervous System Disorders [See Also Acalculia, Agraphia, Alcoholic Psychosis, Alzheimers Disease, Ataxia, Brain Concussion, Brain Damage, Brain Disorders, Brain Neoplasms, Cerebral Palsy, Cerebrovascular Accidents, Chorea, Delirium Tremens, Encephalitis, Encephalomyelitis, Epilepsy, Epileptic Seizures, Huntingtons Chorea, Hydrocephaly, Korsakoffs Psychosis, Meningitis, Minimal Brain Disorders, Neurosyphilis, Organic Brain Syndromes, Parkinsons Disease, Petit Mal Epilepsy, Picks Disease, Presenile Dementia, Senile Dementia, Toxic Psychoses]
alcohol abuse, nervous system & work-related disorders, conference presentation, 12063
biochemical basis of behavioral disorders, Lesch-Nyhan syndrome, literature review, 14794
cloning of gene whose expression is increased in scrapie & in senile plaques of Alzheimer's disease, mice & humans, 30482

CNS disorders, patients with acquired immune deficiency syndrome induced by intravenous drug abuse, 12228
CNS involvement, 69 yr old female with Wegener's Granulomatosis, case report, 27600
collection of developmental information from family, screening for & treatment of CNS dysfunction, psychiatric inpatients, 18214
diagnostic value of somatosensory EPs assessed through stimulation of peripheral nerves, 9–54 yr olds with multiple sclerosis or epilepsy or cortical atrophies, 24965
lisuride, neuroleptic extrapyramidal symptoms, 32–59 yr old chronic psychotic patients, 7195
neurologic manifestations, infants with organoid nevus syndrome, 6727
neurological signs & WISC IQ & minor physical anomalies, children at risk for schizophrenia, Israel, 3882
perceptual & constructional & nonverbal memory tasks, assessment of focal CNS dysfunction & speech lateralization in spatial deficits, 13–18 yr olds with Turner's syndrome, 20208
presenile dementia & motor neuron disease, illustrative case of 68 yr old male & review of 20 similar cases, 24946
proximal vs distal feedback, acquisition of manipulative response in contingency task, 6 & 12 mo old normal vs perinatally CNS- vs non-CNS-related high risk infants, 4171
stable isotope-labeled levo-threo-3,4-dihydroxyphenylserine, norepinephrine synthesis & orthostatic hypotension, patients with familial amyloid polyneuropathy or akinesia or parkinsonism, 18112
viruses, development of childhood psychosis, male school age children, 4 case reports, 22010
Central Nervous System Drugs [See CNS Affecting Drugs]
Central Tendency Measures [See Mean]
CER (Conditioning) [See Conditioned Emotional Responses]
Cerebellar Cortex [See Cerebellum]
Cerebellar Nuclei [See Cerebellum]
Cerebellopontile Angle [See Cerebellum]
Cerebellum
accumulation of proteins & dyes by cerebellar Purkinje neurons & behavioral responses, male rats, 5819
amitriptyline treatment, development of acute cerebellar syndrome, depressed 58 & 65 yr old male & female patients, 7234
amygdala vs cerebellar peduncles vs red nucleus lesions, potentiated startle as measure of conditioned fear, male rats, 13928
ataxias of brain stem & cerebellum vs palatal myoclonus & progressive ataxia & dysarthria syndrome, 48 & 63 yr old females, 20242
barbital, suppression of cerebellar cyclic guanosine monophosphate, barbital dependent rats, 8570
cerebellar dentate-interpositus nuclei lesions, impairment & reacquisition of conditioned avoidance responses, rabbits, 23927
cerebellar lesions, motor performance & hippocampal EEG changes, rats, 21453
cerebellar nuclei lesions, volitional & arousal level control vs motor coordination of vocalization, squirrel monkeys, 21448
cerebellar tumor treated with surgical resection & local or cranial irradiation, neuropsychological performance, 8.3–10.8 yr olds, 1–7 yr followup study, 27633
chronic phenobarbital vs ethanol, binding characteristics of radioactive flunitrazepam in cerebellum & cortex, male mice, implications for development of tolerance & dependence to ethanol & barbiturates, conference presentation, 16696
daily sleep wake & muscle activity cycles, binding of tritiated flunitrazepam to synaptic plasma membranes in frontal lobe & cerebellum, rats, 16402
damage to deep cerebellar nuclei & Purkinje cells, exploration & habituation of holepoke response, 3 mo old nervous mutant mice, 26612
diphenylhydantoin, morphological changes of cerebellar cortex & motor activity, rats, 3286
electrical stimulation of fastigial nucleus of cerebellum, behavior & arterial pressure & heart rate, freely moving dogs, 26584
electrical stimulation of inferior dire & reversible lesions of climbing fiber inputs to cerebellum, Purkinje cell activity in flocculus, cats, 26560
ethanol, cerebellar Purkinje cells, male rats, 640
ethanol, harmaline-induced tremor & increased cerebellar cyclic guanosine monophosphate, male mice, 14041
ethanol, tolerance of cerebellar Purkinje neurons, long vs short sleep mice tolerant to behavioral effects of ethanol, 11326
etiology & cerebellar disturbance, sisters with mania, reply to comments of C. G. Krasnow, 27254
etiology of mania, 33 & 34 yr old sisters with cerebellum disturbance, comments on article by K. G. Yadalam, 27242
GABA content in cytosolic & synaptosomal fractions of olfactory bulbs & hypothalamus & cerebellum assessed over 1 yr, European hamsters, 21287
hereditary hyperbilirubinemia, changes in cerebellar neurotypic & gliotypic proteins & in morphology & behavior, Gunn rats, implications for biochemical indicators of neurotoxicity, 19334
inferior olive climbing fiber lesions induced by 3-acetylpyridine, cerebellar glutamic acid decarboxylase activity & motor impairment, 23926
iv angiotensin II infusions & low dietary sodium, activity of angiotensin II receptors in olfactory lobes & diencephalon & midbrain & cerebellum & medulla, male rats, 26752
lesions of fastigial nuclei vs cerebellar vermis vs dentate nuclei, peformance deficits on DRL schedule of reinforcement, rats, 26609
lesions of left cerebellar interpositus nucleus vs aspiration of left lateral cerebellar cortex, trace vs delay conditioning, male rabbits, 26623
local application of ethanol, hypnotic effects & spontaneous discharge rates of cerebellar Purkinje neurons, Brown Norway vs Fischer male rats, 651
mania, 33 & 34 yr old sisters with familial cerebellar disease, 4218
measurements of cerebellar vermis & height of 4th ventricle, right handed schizophrenic patients, 1330
mediation of horizontal canal signals to ipsilateral medial rectus motoneurons by vestibular nuclear neurons, anesthetized vs decerebrate albino rabbits, 21306
phenytoin, reversible chronic cerebellar ataxia & axonal polyneuropathy, 17 & 50 yr old females with epilepsy, 20377
premazepam in vitro, antagonistic-agonistic interaction with benzodiazepine binding sites in cortical vs cerebellar synaptosomes, rats, 13954
prenatal treatment with 6-hydroxydopa & DSP 4, noradrenaline concentration in cerebral cortex & cerebellum & assays of ACTH & corticosterone & hyperactivity, infant rats, 26692
prenatal vs neonatal exposure to phenobarbital, acetylcholinesterase & pseudocholinesterase activities in hippocampus & cerebellum, mice, 21537
Purkinje cell counts in cerebella, autistic 10–22 yr old males & 5 yr old female with phenytoin toxicity, 27358
role of cerebellum in learning related to exploratory behavior assessed by spontaneous alternation & habituation in T-maze, 2 mo old nervous mutant mice, 26507
role of spinal cord & cerebellum, control of locomotor behavior, lower vertebrates & mammals, 5682
slow tracking vs rapid alternating vs torque-pulse movements vs wrist action tremor, discharge patterns of cerebellar nuclear & motor cortex & spindle afferent neurons, male rhesus monkeys, 29298
total absence of speech due to acute cerebellar damage, children undergoing posterior fossa craniectomy, 6 case reports, 18164
unilateral lesions of flocculus, optokinetic & vestibuloocular reflexes, rabbits, 8495
velocity & accuracy of vertical saccades, 15–78 yr olds with cerebellar lesions, conference presentation, 1666
vestibular compensation following placements of posterior vermectomy & uvulonodulectomy, squirrel monkeys, 16529
Cerebral Aqueduct [See Cerebral Ventricles]
Cerebral Arteriosclerosis
cerebral atherosclerosis autopsy findings, patients with epilepsy & associated psychosis, 30395
Cerebral Cortex [See Also Amygdaloid Body, Auditory Cortex, Basal Ganglia, Caudate Nucleus, Cerebral Ventricles, Corpus Callosum, Frontal Lobe, Globus Pallidus, Gyrus Cinguli, Hippocampus, Limbic System, Motor Cortex, Occipital Lobe, Parietal Lobe, Somatosensory Cortex, Temporal Lobe, Visual Cortex]
advances in medical diagnosis utilizing measurement of cerebral function & blood flow & metabolism, dementia patients, comments on study by R. J. Mathew et al, 24591

alpha- vs beta- vs cholinergic receptor blockers & epinephrine vs angiotensin, immobilization stress-induced changes in cerebral blood flow & partial pressures of oxygen & carbon dioxide, male rabbits, 16494
amphetamine injection vs hippocampal lesions vs cortical lesions, classical conditioning of nictitating membrane response using optimal interstimulus interval, rabbits, 21403
anterior or posterior mesial cortex lesions, fear-related behavior, rats, 5796
antidepressant drugs, histamine-H_1 receptors, rats & guinea pigs, 16646
arginine vasopressin, cyclic adenosine monophosphate responses of cerebral cortex to noradrenaline vs forskolin vs 2-chloro-adenosine, 6 inbred mouse strains, 26715
associative learning of light paired with shock, startle reflex, male rats, implications for function of lateral lemniscus, 5779
brain density changes & ventricular size & cortical & cerebellar atrophy & neuropathological processes, chronic schizophrenic vs manic patients, 24623
caffeine consumption vs abstinence, cerebral blood flow, high vs low caffeine users, implications for treatment of headaches, 24451
catecholaminergic drugs & regulation of noradrenergic vs dopamine neurotransmission, neocortical brief spindle episodes, DBA/2 mice, 21584
cerebral cortex, generation of voluntary saccadic eye movements associated with regional cerebral blood flow, 22–45 yr olds, 26495
cholecystokinin binding in hippocampus & frontal cortex & amygdala & temporal cortex & caudate nucleus postmortem membrane preparations, deceased schizophrenic patients, 17335
chronic dehydration, cerebral glucose utilization, rats, 8475
chronic nicotine administration, adrenergic & muscarinic binding sites in cerebral cortex vs corpus striatum vs hypothalamus/thalamus vs brain stem vs heart ventricles, male rats, 26759
chronic phenobarbital vs ethanol, binding characteristics of radioactive flunitrazepam in cerebellum & cortex, male mice, implications for development of tolerance & dependence to ethanol & barbiturates, conference presentation, 16696
chronic reserpine with vs without chronic imipramine or GABA agonists THIP or baclofen, beta-adrenergic & radioactive GABA receptor binding in cerebral cortex & hippocampus, male mice, implications for mechanism of antidepressant action, 24036
computer analysis of digitized autoradiographs, dopamine & serotonin binding sites in basal ganglia or neocortex, male rats, 11139
concentration of neuropeptide Y in cortex & hippocampus & activity of dopamine beta-hydroxylase & concentration of somatostatin, Ss with Parkinson's disease, 14788
concentrations of free amino acids in cerebral cortices, postmortem brains with Alzheimer type dementia, 22220
correlation between firing of cortical neurons during operant conditioning, male monkeys, 11176
cortex & thalamus & basal ganglia, model of production of spoken language & subcortical aphasia, 1541
cortical lesions, retention of preoperatively learned brightness & pattern & form discriminations, cats, 26621
CSF fluid & cerebral cortex levels of homovanillic acid & 5-hydroxyindoleacetic acid at autopsy, 16–78 yr olds, 16428
decortication, retention of habituation of acoustically evoked heart rate responses, male rats, 8503
development of recording device for collection of neocortical unit activity data, rats, 13373
distinct projection areas from tongue nerves in frontal operculum revealed with EP mapping, anesthetized monkeys, 21313
ECS, muscarine cholinergic receptor binding in cerebral cortex & anterograde amnesia, rats, 19399
electrical stimulation vs lesions of insular cortex, cardiac inhibition vs abolishment of conditioned bradycardia, rabbits, 26575
experimental pain from radiant warmth & heat, regional cerebral blood flow, 27–43 yr old males, 19387
exposure to toxins, audiological & cortical response, 32–64 yr old painters & printers & gasoline truck drivers & workers exposed to jet fuel, conference presentation, 1514
focal right hemisphere cortical suction lesions & cold water stress, hyperactivity & norepinephrine depletion, male rats, 26615
functional hemidecortication by spreading depression in vs epileptic focus on neocortex, spatial memory task performance, male rats, 16534
ganglioside, choline acetyltransferase activity & noradrenaline levels in cerebral cortex & acquisitional avoidance responses, rats with lesioned cholinergic forebrain nuclei, 13881
hypercapnia vs nociceptive stimulation, cortical acetylcholine efflux, male rabbits, 16473
imipramine &/vs chlorpromazine, 5-HT-2 binding sites in cerebral cortex, male rats, implications for treatment of depression, 14027
imipramine vs ACTH, noradrenergic receptor activity & responsiveness of norepinephrine-coupled cyclic adenosine monophosphate generating system in cerebral cortex, male rats, 19436
insulin & its synthetic derivatives & experimental neurosis, bioelectrical activity of cerebral cortex & consolidation of long term memory, rabbits & rats, 11271
language production & memorizing tasks, cerebral blood flow in cortical & subcortical regions, 26–44 yr olds, 553
lesion-induced separation of entorhinal cortex & neocortex & cingulate cortex, atropine-induced changes in hippocampal rhythmical slow activity, male rats, 23904
lesions of substantia innominata, acetylcholinesterase activity & muscarinic receptor number & subtypes in cerebral cortex, male rats, 16523
lesions to cerebral cortex vs cingulate cortex vs dorsal hippocampus, discrimination & maze learning performance, 21–22 day old rats, 23930
lidocaine kindling, cerebral glucose utilization, male rats, 680
medical diagnosis utilizing assessment of cerebral function & blood flow & metabolism, psychiatric illnesses, comments on study by R. J. Mathew et al, 24599
medical diagnosis utilizing assessment of cerebral function & blood flow & metabolism, psychiatric disorders, comments on study by R. J. Mathew et al, 24597
medical diagnosis utilizing measurement of cerebral function & blood flow & metabolism, comments on study by R. J. Mathew et al, 24592
medical diagnosis utilizing measurement of cerebral function & blood flow & metabolism, schizophrenic Ss, comments on study by R. J. Mathew et al, 24581
methylmercuric chloride, neurological impairment & activity of glutamic acid decarboxylase & choline acetyltransferase in cerebral cortex & neostriatum, rat pups, 21566
muscular fatigue, functional reserves of activity of brain systems, 18–24 yr old males, 8414
neocortex lesions, brightness discrimination task performance, male rats, 13933
neural somatostatin receptor concentrations, 72–90 yr old Alzheimer's disease patients, 17552
neurochemical activity in hippocampus & cerebral cortex & radial maze performance, young vs old mice, 3145
neuronal & glial density & neuron-glia ratios & neuronal size in postmortem cerebral cortex, schizophrenic patients, 11906
nitrous oxide inhalation vs inhalation or injection of xenon-133 vs single photon vs positron emission tomography, assessment of cerebral function & blood flow & metabolism, psychiatric vs substance abusing patients, 24598
organization of projections from raphe nuclei to neocortex, male rats, 3165
posterior cortical lesions, brightness discrimination task performances, rats, 26618
premazepam in vitro, antagonistic-agonistic interaction with benzodiazepine binding sites in cortical vs cerebellar synaptosomes, rats, 13954
prenatal treatment with 6-hydroxydopa & DSP 4, noradrenaline concentration in cerebral cortex & cerebellum & assays of ACTH & corticosterone & hyperactivity, infant rats, 26692
regional blood flow & physiologic dysfunction of dorsolateral prefrontal cortex, inpatients with schizophrenia, implications for etiology, 22140
role of haloperidol & attention & mental effort in physiologic dysfunction of dorsolateral prefrontal cortex, patients with schizophrenia, 22517
serotonergic neurotoxin injections into right vs left frontal cortex, serotonin concentrations in cortex & median raphe & spontaneous activity, rats, 3274

size of lesions in posterior lateral cortex, behavioral hyperactivity & neurotransmitter concentration, male rats, 16533
tetrahydrocannabinol & serotonin-negative & dopamine-positive substances & defense conditioning, EP in cerebral cortex & visual differentiation, cats, 26703
thinking & memory retrieval processes, regional cerebral blood flow, adults, 11168
unilateral cortical lesions & amphetamine sulfate, DRL, male rats, 16480
unilateral cortical lesions, control of horizontal optokinetic nystagmus, cats, 11262
unilateral neocortex removal, locomotor activity & utility of direct observation methodology, rats, conference presentation, 8504
vasopressin, noradrenaline-induced cyclic adenosine monophosphate accumulation in brain slices, rats, implications for animal learning & behavior, 3294
Xenon 133 inhalation method, measurement of regional cerebral blood flow, adolescents with hebephrenia, 17320
Cerebral Dominance [See Also Handedness, Lateral Dominance]
ability to comprehend verbal humor & to perform Piagetian visual-spatial task, function of left vs right hemispheres, visually impaired 7–15 yr olds, 27672
acquired stuttering from right hemisphere lesion, 42 yr old right handed female, 22253
acquisition of estimation of fixed time interval & RT, occipito-central EEG activity, 23–34 yr olds, 16404
activation of left vs right cerebral hemisphere & body orientation, persuasibility, right handed college students, 5672
age & sex hemispheric asymmetry, binocular pattern reversal EPs & EEG power from occipital scalp, 5–14 yr olds, 29264
anterior vs posterior loci of lesions, presence & severity of visual hemineglect, 8–76 yr old patients with left vs right brain damage, 1618
asymmetry in posed vs spontaneous facial expressions, reply to criticism by F. C. Dane & J. K. Thompson, 13835
asymmetry of facial muscle activity during propositional vs automatic speech, right handed 27–73 yr old aphasic patients, 6783
asymmetry of hemispheric activation during complex visuomotor performance, male vs female 20–41 vs 50–80 yr olds, conference presentation, 5703
auditory discrimination training, performance on dichotic listening test, normal vs developmentally retarded vs Down's syndrome children, investigation of stimulus bias, 14771
aural vs visual cerebral dominance & visual vs verbal cognitive style & processing, intuition, male vs female college students, 19104
automatic vs controlled priming for orthographically vs phonologically vs semantically similar stimuli presented to left vs right visual field, lexical organization & access, right handed college students, 5669
backward masking & presentation to right vs left visual field, perception of single letters, 10931
behavioral techniques, cortically blind patients, challenge of M. S. Gazzaniga's assumptions on commissurotomy & right hemisphere speech, 15107
bilateral electrodermal activity & conjugate eye movements, college students with subsyndromal depression, implications for right hemisphere hyperexcitability in affective illness, 22071
bilateral representation of language functions, recovery following language therapy, male vs female aphasics, 1625
biologic mechanisms of cerebral lateralization & development of asymmetrical nervous system, literature review, 5678
biological factors in left handedness & cerebral dominance & relationship to immunologic disorders & migraine & dyslexia, literature review, 5677
brain organization & cerebral lateralization, syndromes of psychopathology, literature review, 17283
centrally fixated stimulus, recognition of faces vs random shapes presented to left vs right visual field, right handed college students, 512
cerebral dominance & brain asymmetry & immunological disorders as factors in neuroanatomical findings, developmental dyslexia, 9435
cerebral hemispheric asymmetries for visuospatial abilities, male monkeys with left vs right unilateral occipital lobectomy & splenial transection, 5798
cerebral hemispheric growth pattern variance, growth patterns of other cortical regions & development of special talents &/or deficiencies, 13798
cerebral ischemia & severity of lesions, dichotic listening patterns & language recovery & memory, right handed 31–75 yr old aphasic patients, 6-mo study, 27638
cerebral lateralization & evolution of brain morphological asymmetries, lower vertebrates, 519
cerebral lateralization for positive vs negative emotions assessed by EEG, female college students, 26476
cerebral lateralization for speech, severely to profoundly deaf 5–6 & 13–14 yr olds, 12240
cerebral lateralization in infantile autism & handedness subtypes, 17419
cerebral lateralization research, epileptic patients selected for neurosurgery, 17668
child's direction of drawing prior to writing & history of drawing & painting from right to left vs left to right side, 3–6 yr olds, 26832
classroom experiments on cerebral lateralization, college students, 15673
clinical implications of deviant patterns & variants of brain organization & lateralization, 17287
cognition & EEG asymmetry, conference presentation, 5679
cognitive abilities & hemispheric lateralization, 13–20 yr old females with history of idiopathic precocious puberty, 843
cognitive capacity & cerebral lateralization & structural basis of amnesia & disorders of reaching due to parietal lesions, human vs nonhuman primates, literature review, 5649
complexity of verbal task, EEG activation in left vs right hemisphere, adults, 5711
computerized tomography & cerebral asymmetries in diagnosis, psychiatric patients, 17292
concurrent verbal vs listening task, right vs left handed finger tapping, right handed college students, 5689
conditioning vs local anesthetic injection into preferred paw vs striatal lesions vs 6-hydroxydopamine injections in striatum contralateral to preferred paw, preference for forepaw to barpress for food reward, male rats, 26564
confounding effect of hemispheric asymmetry vs practice, fingertip number writing errors, psychiatric patients, 19961
construction of revised Raven Coloured Progressive Matrices, assessment of effect of laterality of lesions & language impairment, patients with left vs right brain damage vs aphasia, 12195
construction of Wagner Preference Inventory II, measurement of neurobehavioral preference, college students, 5348
contribution of left & right hemispheres in understanding death, comments on reply by A. P. Fertziger, 11153
contribution of left & right hemispheres to experiencing of reality & understanding death, reply to comments by T. Hines, 11149
critique of hemisphericity, implications for personnel training & development, 13179
dichotic listening, lateralization of music perception & GSR, right handed musicians vs nonmusicians, 8411
dichotic vs visual presentation of word pairs with pre- vs postvocalic minimal phonemic contrasts, RT, 57–84 yr olds with severe aphasia, 4190
differential discrimination vs production linguistic task performance, male vs female college students, 26343
direction of bed placement, outcomes, rehabilitation inpatients with right hemisphere stroke, 7427
directional hypokinesia, 43–71 yr olds with right hemisphere lesion-induced hemispatial neglect vs 40–67 yr olds with left hemisphere damage without neglect, 17596
distance between interactions & subject anxiety, conjugate lateral eye movements, right handed college students, 16412
dreams & cerebral dominance & spatial imagery, creativity, 543
EEG asymmetries in psychopathological vs normal emotion, conference presentation, 6614
EEG lateral asymmetries, patients with schizophrenia & other mental disorders, conference presentation, 6598
EEG power spectrum analysis & hemispheric specialization, pain perception, 20–54 yr old chronic somatogenic vs psychogenic pain patients, 20134
EMG RT of left vs right finger extensor muscles during wrist extension movement, patients with Parkinson's disease & asymmetrical neurological signs, 20267

encoding differences between left & right hemispheres, criticism of article by T. Hines, 26531
EPs & hemispheric dysfunction during dichotic detection & syllable discrimination tasks, schizophrenic 19–43 yr olds, conference presentation, 6521
EPs during processing & writing of results of language & arithmetic tasks, left vs right handers, 5687
erotic stimuli, penile tumescence & EEG hemispheric asymmetry, sexually functional vs dysfunctional 31–60 yr old males, 12180
familial sinistrality & multiple measures of laterality, prediction of degree of hemispheric specialization, left & right handed adults, 8401
findings concerning functional differences between cerebral hemispheres, analytical concepts of consciousness & unconscious, 12360
finger- & foot-movement-related potentials of right vs left hemispheres, 17–37 yr old left handed males, 3148
frontal & parietal lobe damage & lateralized influences, confabulation & denial of illness, 24926
hand hemisphere & hemisphere hemispace effect, tactual task performance, 3 vs 5 vs 8 yr olds, 19579
handedness & familial sinistrality & handwriting posture, performance on dichotic listening & divided visual field tasks, male vs female college students, 26491
hemisphere inhibition & release & performance on facial matching vs lexical task, 26 yr old female with drug-resistant left limbic status epilepticus, 20229
hemispheric &/or hemiretinal differences in contrast sensitivity & oblique effect, adult Ss, 21091
hemispheric asymmetry in memory search for 4-letter names & human faces, male college students, 535
hemispheric asymmetry of "emotional resonance", rats, 11142
hemispheric functional specificity, discrimination of temporal vs spatial visual stimuli to left vs right visual field, right handed Ss, 26481
hemispheric role in emotions & color visions & impact on learning environment, implications for holistic education strategies, 12992
hemispheric specialization & sensitivity to visual & auditory frequencies, 19340
hemispheric specialization in information processing & unity of consciousness, 13822
hemispheric specialization in normal reading, response to comments by M. Coltheart on article by J. L. Bradshaw & N. C. Nettleton, 19344
hemispheric utilization during timing task assessed by EEG period analysis, college students, 21308
hemisphericity & locus of control & academic achievement assessed by GPA, 8th & 11th graders, 10404
historical & philosophical roots of split left-brain/right-brain conception of mind & its use in art education, 15588
horizontal vs vertical word orientation & letter symmetry & report order variables, left vs right visual field word recognition, right handed college students, 5665
identification of intonational & facial expressions of emotions, patients with organic lesions of right vs left hemisphere, 20188
imagery ability & generation of multipart images, 19 & 32 yr old commissurotomy patients, 13814
imaging & unconscious role of right & left hemispheres, 23826
impact of visual pathways in reading, male 79 yr old with alexia without hemianopia, 17512
increase in associational-cognitive task demands, discrimination & recognition of emotional prosodic stimuli in semantically neutral phrases, right handed 39–79 yr old males with left vs right hemisphere brain damage, 12291
independent left- & right-sided temporal lobe discharges & changes in affect, 53 yr old female with epilepsy, 22274
index & sequential finger tapping tasks & visualization vs no visualization condition, sequential ordering & timing of behavior, 19–61 yr old male stutterers vs fluent speakers, 9493
information presentation to left &/vs right ear, interhemispheric integration in language comprehension task, patients with acute vs chronic schizophrenia, 1311
interhemispheric transfer of tactile information, learning disabled 8–10 vs 11–13 vs 14–16 yr olds, 20076
intra- & interhemispheric changes in EEG alpha intensities, schizophrenic 20–35 yr olds, conference presentation, 6500
language comprehension vs spatial discrimination tasks, hemispheric asymmetries in visual EPs, normal 22–37 yr olds, 3156
language production & memorizing tasks, cerebral blood flow in cortical & subcortical regions, 26–44 yr olds, 553
lateral location of brain damage, WISC IQ & Verbal & Performance scales scores, 5.4–15.1 yr olds with cerebral palsy, 12199
lateralized presentations of happy vs sad faces, self reports of emotion vs EEGs from left vs right frontal vs parietal scalp regions, depressed vs nondepressed college students, implications for cognitive dysfunction in depression, 14588
left & right brain as metaphor for behavior in application of holistic concepts in education & management programs, comments on view of T. Hines, 26528
left brain/right brain research & death education, comments on article by A. Fertziger, 11152
left hemisphere ischemic infarctions, performance on digit & noun dichotic listening tests, right handed 31–75 yr old aphasic patients, 6-mo longitudinal study, 27637
left-lateralization of language vs motor imitation vs spatial tasks, 9–13 & 19–24 yr old males, 6006
left-right brain research, premature application to counseling setting, 12400
left visual field advantage for discrimination of faces vs hands vs airplane silhouettes, 18–30 yr olds, 26479
left vs right cerebral hemisphere, recognition of geometric shapes, 25–45 yr olds, 8396
left vs right hemisphere infarcts, visual & verbal memory & performance IQ, male vs female patients, 12281
left vs right hemisphere reading of pointed vs unpointed Hebrew spelling, performance on lexical decision & word pronunciatior tasks, college students, Israel, 8392
left vs right hemisphere superiority assessed by Verbal IQ-Performance IQ score differential, violent behavior, juvenile delinquents, 24807
left vs right meningiomas treated by surgery vs cerebral abscesses vs temporal lobe epilepsy, development of seizures & occurrence of EEG foci, 16–65 yr old patients, 17667
level of creativity, learning style & preference for right- vs left-hemisphere tasks, Slovene writers & music & painting students vs college students, 29279
manual laterality & hemispheric specialization, left- vs right-handed patients with aphasia, 4165
medial hemispheric imbalance, adults, implications for therapeutic function of imagery, 26477
memory retention vs semantic categorization task, direction & magnitude of hemispheric differences in processing of words & pictures, right handed male college students, 510
methodologies in neuropsychological assessment, rignt & left brain functioning, implications for schizophrenia & c eativity, conference presentation, 5278
midline & lateral field sound localization, rats, 21305
misleading terminology in controversy over stimulus-response compatibility effect & role of cerebral laterality, comments on work by B. Cotton, 13807
monaural vs binaural presentations of spoken words, asymmetry of evoked alpha & theta EEG responses, right handed 20–30 yr olds, 5690
mood state during initial viewing of pictures of happy vs sad facial expressions presented to right vs left hemisphere, recognition, college students, 10962
morphological asymmetry of posterior sylvian region, performance on dichotic listening test, 15–55 yr old patients with medically refractory seizures, implications for hemispheric language dominance, 14911
motor impersistence, 28–85 yr olds with right vs left hemisphere brain damage, 9564
multiple-resources model of information processing, right handed 18–22 yr olds, 19041
musical ability, 67 yr old male orchestra conductor with global aphasia & severe ideomotor apraxia due to infarct of left middle cerebral artery, 6713
neuropsychological measures in detection of frontal lobe impairment, patients with localized cerebral lesions, 22227
occurrence of immune disorders, anomalous dominance populations, 17590

ocular dominance & chromatic perception, female college students, 13585
oral & written spelling, left handed 39 yr old male with right hemisphere infarct & language representation, case report, 30365
performance in interhemispheric tactile tasks, children vs adults vs aged, 3474
performance on right vs left ear verbal vs auditory tone memory tasks, attentional independence of cerebral hemisphere resources, right handed males, 511
personality variables & learning style according to hemispheric dominance, 9–14 yr old gifted students, 28544
physiological aspects of cerebral lateralization, epileptic patients, 17669
place of articulation vs consonant transition duration in series of consonant-vowel syllables, left- vs right-hemisphere auditory evoked responses, right-handed college students, 5697
positive vs negative syndromes & direction of electrodermal orienting response asymmetry according to EEG, schizophrenic patients, 1305
preparation & performance of sensorimotor tasks, hemispheric specificity of brain EP & slow potentials, male college students, 11159
presentation of aversive red vs blue bead & obstruction of right or left eye & sotalol administration, time for optimal long term memory processes, male chicks, 16345
presentation of perceptual distortions to right vs left tactual field, visual identification of design of same illusion, right handed males, 5404
presentation of scrambled visual stimuli to left vs right visual hemifield, face perception, right handed Ss, 8183
presentations of stimuli words to left vs right visual field, RT for identification of English words & distinctions between open & closed class forms, English speaking adults, 26521
primary process cognition & hemispheric asymmetry, college students & adults in their 20's, 26513
processing of preconsciously acquired information assessed by hemispheric asymmetry & selection accuracy, right handed female college students, 26335
randomly placed & oriented words presented in fixed time, top-to-bottom & left-to-right vs right-to-left scan for rhymed target words, right handed college students, 16413
reading acquisition speed, left & right temporal & parietal event related potentials during word naming task, 5.1–6.2 yr olds, 16932
real or false Chinese character presented to left vs right visual half-fields, RT on orthographic & phonological & semantic processing tasks, right handed Chinese college students, 5694
receptive language processing & ear advantage, 7.5–13.5 yr olds with Down's syndrome, 1475
reversed hemispheric lateralization of cerebral function, right handed 61 yr old male with fronto-temporo-parietal infarct, case report, 27594
right- vs left-hemisphere hypothesis of semantic paralexias in deep dyslexia, reply to comments by G. V. Jones & M. Martin on interpretation of evidence of T. Landis et al, 24832
right-brained instructional strategies, reading comprehension, students with reading disabilities, 13122
right hemisphere function, hydrocephalic 8.3–15.8 yr olds, 9540
right-hemisphere hypothesis for semantic paralexia in deep dyslexia, comments on J. C. Marshall & K. E. Patterson's interpretation of evidence of T. Landis et al, 24827
right hemisphere infarction, psychotic disturbances, 45–78 yr olds, 4188
right hemisphere interactions in picture-word processing, adults & 16–18 yr olds, 16431
right hemisphere lesions & left hemisphere neglect & space representation in brain, right handed patients, 4106
right hemisphere, normal reading, humans, further comment on article by J. L. Bradshaw & N. C. Nettleton, 19320
right hemisphere spatial performance, male vs female 40–60 yr olds with major depressive disorder, conference presentation, 3863
right hemisphere specialization, reading, reply to comments by M. Coltheart, 19317
right vs left brain research & information processing, implications for human resources development, 26509
right vs left hemisphere acquired lesions, performance on spoken measures of simple & complex sentence structure, 1.7–8.2 yr olds with brain damage, 17548
right vs left hemisphere dopamine deficit, cognitive functions & mood, patients with depression caused by Parkinson's disease, 17306
right vs left hemisphere, early visuospatial vs semantic processing & feature comparison in face recognition, 8408
right vs left hemispheric tasks & attention to environment vs internal processing, bilateral EEG recordings from frontal & parietal sites, adults, 21321
RT to monaurally presented verbal stimuli, 3.9–4.2 yr olds, implications for right hemispheric superiority, 26819
self report scores from brain dominance survey & Your Style of Learning & Thinking vs SAT scores vs GPA, female college students, 15926
semantic content of auditory stimulus, right vs left ear superiority in stress identification, graduate & college students, 10939
semiotics of space in neolithic art & genesis of cerebral hemispheric asymmetry, USSR, 29304
sequential unimanual tapping task, speech fluency & hand performance, 16–54 yr old male left vs right handed stutterers vs nonstutterers, implications for cerebral dominance, 20100
severity of stuttering, recall & recognition of high visual imagery words in reading passages & hemispheric EEG alpha asymmetries, 12–44 yr old male & female stutterers, 20102
single vs complex sinusoidal gratings presented to left vs right visual field, contrast sensitivity & subthreshold summation effects & adaptation aftereffects & spatial frequency discrimination, right handed Ss, 21297
size & location of cerebral ischemia lesions, performance on digit & noun dichotic listening tasks, right handed 31–75 yr old aphasic patients, 6-mo study, 27639
size of perceptual asymmetry on CVC & VCV fused dichotic word vs nonsense syllable tests, adults, 19096
spatial ability & musical talent & lateral dominance & androgyny, male vs female 9–14 yr olds, 3432
spatial thinking performance on perceptual matching & silhouette photographs matching test, right handed left- vs right-hemisphere damaged patients, 6786
speech disorder & left hemisphere disease, review of literature in 18th & 19th century, 6716
speech dominance & visual half field task performance, 13–56 yr old epileptic patients, 20247
speed of inspection task, cerebral dominance, 18–25 yr olds, conference presentation, 5696
statistical interaction of constructs of cerebral specialization & integration in analysis of blood flow & metabolism, 496
stenographic vs print word presentation, capacity of both hemispheres to detect same words, 22–71 yr old right handed stenographers, 13823
surgical resection of parietal motor & frontal premotor areas, postoperative acute aphasia, 13 yr old left handed male with left fronto-parietal vascular malformation & bilateral symmetrical language representation, 1612
tachistoscopically presented emotionally aggressive vs nonaggressive words, perceptual defense, female vs male patients with right vs left temporal lobe epilepsy, 6812
task demands & spatial frequency composition of stimuli, role of cerebral hemispheres in face perception, college students, 13586
theoretical view of individual cerebral hemispheres as possessing separate consciousness, commissurotomy patients, 6879
trait anxieties & repression & handedness & laterality of cerebral function, right handed college students, 19329
unilateral cerebral information overload, development of migraine, 20–67 yr olds with 1-sided migraine, 1540
unilateral vs bilateral cerebral presentation, naming tasks, 10 vs 12 vs 14 yr olds, implications for onset of puberty, 6074
upright vs angular presentation of letters in right vs left hemifield, discrimination & mental rotation RTs, reading disabled 11–13 yr olds, 14751
validity of hypothesis of both hemisphere-hemispace & hemisphere-hand connections & laterality, tactile bisection, right handed kindergartners, 19648

verbal presentation of abstract vs concrete material, visual half fields recognition task & GSR & lateral eye movements as indicator of brain asymmetry for memory retrieval, adults with left vs right side predominance, 13788
verbal vs musical stimuli, attention to right vs left side, right handed individuals, 545
verbal vs nonverbal central fixation, visual field & cerebral hemisphere superiority in word recognition, college students, replication of study by W. F. McKeever & M. D. Huling, 19342
verbal vs nonverbal forms of visual cancellation task, unilateral visual neglect, right- vs left-brain damaged patients, 9515
Verbal vs Performance IQ patterns, females vs males with neoplastic or vascular lesions of right cerebral hemisphere, 30403
views of A. R. Luria on cerebral localization of psychic functions, 3155
visual feedback, hemispheric alpha asymmetries & processing strategies, right handed 29 yr old male, 515
visual lateral asymmetries due to hemispheric specialization, college students, 8181
word imageability, word processing ability of right hemisphere using recognition memory task, right handed college students, 21182

Cerebral Hemorrhage
corpus callosum & medial frontal lobe damage, apraxia of left limbs, right handed 40 yr old female following hemorrhage of anterior cerebral artery aneurysm, 9538
neurobehavioral symptoms & auditory & visual hallucinations following caudate hemorrhage & treatment, 54 & 58 yr old hypertensive females, 2–3 yr followup, case reports, 30385
organic affective syndrome related to left parietal subdural hemotoma, 52 yr old male with multiple sclerosis, 14835
treatment for supratentorial intracerebral hematomas with hypertension, 32–75 yr old patients, 12630

Cerebral Ischemia
bilateral carotid occlusion, spontaneous locomotor activity & adenylate cyclase & enzyme activity, unanesthetized male gerbils, 16588
cerebral ischemia & severity of lesions, dichotic listening patterns & language recovery & memory, right handed 31–75 yr old aphasic patients, 6-mo study, 27638
contralateral median nerve stimulation, frontal & central & parietal short & middle latency somatosensory EP's, 18–57 yr olds vs patients with unilateral cerebral ischemia, 4120
forebrain ischemia, learning & memory, rats, 16540
left hemisphere ischemic infarctions, performance on digit & noun dichotic listening tests, right handed 31–75 yr old aphasic patients, 6-mo longitudinal study, 27637
myocardial infarction-induced chronic bilateral medial temporal lobe ischemic damage involving hippocampus & subiculum & amygdala, 67 & 85 yr old females with dementia, case reports, 30477
neuropsychological characteristics before vs after surgery, patients with transient ischemic attacks in carotid artery area, 4584
neuropsychological impairment & stroke-related medical risk factors & neurobehavioral data, quality of life & duration of cerebral ischemia symptoms, cerebral revascularization surgery candidates, 22222
nimodipine, EEG, 29–74 yr olds with cerebral ischemia, 27990
size & location of cerebral ischemia lesions, performance on digit & noun dichotic listening tasks, right handed 31–75 yr old aphasic patients, 6-mo study, 27639
superficial temporal middle cerebral artery anastomosis, cerebral blood flow & neurologic & cognitive functions, 31–74 yr old patients with transient ischemic attacks or strokes, 2016

Cerebral Lesions [See Brain Lesions]

Cerebral Palsy
adequacy of social services in meeting health care & social needs, young adults with cerebral palsy & spina bifida & muscular dystrophy, UK, 22637
application of technology to acquisition of language & conversational ability, 3–7 yr olds with cerebral palsy & female 48 yr old with dysarthria, 9960
auditory selective attention abilities, normal vs cerebral palsied 5–21 yr olds, 24933
behavioral & neuropsychological assessment & educational & rehabilitation goals, children with hyperkinetic form of cerebral palsy, 7470
causes of & risk for abuse & neglect, children with cerebral palsy & other handicaps, implications for protective services, 24777
child's characteristics & special needs, stress level, 21–61 yr old mothers of children with Down's syndrome or mental retardation or cerebral palsy, 12128
classification of reading & spelling disability, 18 yr old female with spastic quadriparetic cerebral palsy, 14821
direct prompting & modeling, reciprocal interactions & generalization, cerebral palsied & mentally retarded 4 yr olds & their 6.8–8.1 yr old siblings, 6-mo followup, 28200
EEG pathology, deficits in optical-spatial perception, developmentally delayed 4–10 yr olds with spastic diplegic vs hemiparetic cerebral palsy, 6755
enuresis alarm, 5 yr old with athetoid cerebral palsy & nocturnal enuresis, 15110
ethnographic analysis of residential & educational environments & daily functioning, 20 yr old female with severe cerebral palsy, implications for programs with normalization goals, 15819
figure-ground reversal of test items in Developmental Test of Visual-Motor Integration & Motor-Free Visual Perception Test, visuo-motor & visual-perceptual performance, normal vs spastic cerebral palsied 5–8 yr olds, 13439
formation of personality disorders, children & adolescents with infantile cerebral paralysis, 6803
group training in medical care & psychological coping skills, Hispanic parents of children with severe cerebral palsy, 28207
guidelines for body management strategies & remedial activities, cognitive & sensory functioning, children with cerebral palsy, 13067
incidence of cerebral palsy & epilepsy & hearing defects & educational handicaps & mental retardations, low birth weight infants, 14-yr longitudinal study, 27247
lateral location of brain damage, WISC IQ & Verbal & Performance scales scores, 5.4–15.1 yr olds with cerebral palsy, 12199
motor coordination impairment, infantile cerebral paralysis patients, 9499
muscular contractions & motor perception in tracking behavior, adults with cerebral palsy, 14920
object permanence, cerebral palsied quadraplegic 9 mo to 12 yr olds with various levels of mental retardation, 1550
optometric visual training, inpatient children with cerebral palsy, 4563
perceptions of severity of problems likely to confront adults with cerebral palsy, 18–35 yr olds with cerebral palsy vs 18–71 yr old close relatives vs able-bodied 18–35 yr olds, 9535
physical interpersonal contact & mother-child interactions, mothers & their 8–36 mo old infants with mental retardation with vs without cerebral palsy vs nonretardation, 17511
project REACH & identification & assessment & intervention & prognosis of cerebral palsy & Down's syndrome & autism & other delays, preschool age children, longitudinal studies, 27222
rehabilitation, development of concepts of spatial & temporal relationships, children with cerebral palsy, 4695
representation & communication capacities using Bliss symbols, 7–25 yr olds with cerebral palsy, 20223
spelling ability using phoneme-to-grapheme rules, dysarthric cerebral palsied 15.6–16.4 yr olds, 22214
successful therapeutic intervention programs, infants & young mentally retarded children with cerebral palsy, literature review, 12337
treatment, motor disorders, 3–7 yr olds with cerebral paralysis, 9677
visual pursuit abilities, mentally retarded vs cerebral palsied vs learning disabled 3–10 yr olds, 22208

Cerebral Vascular Disorders [See Cerebrovascular Disorders]

Cerebral Ventricles
academic achievement & IQ & neuropsychological functioning, 4.5–10.5 yr olds with arrested hydrocephalus, 22336
adult ventricle size & perinatal complications & birth weight, 28–37 yr old schizophrenics & borderlines, longitudinal study, 1378
bombesin injection into lateral cerebral ventricle, operant responding for food & water, rats, 16550

brain abnormalities found through computerized axial tomography & response to neuroleptic medication, schizophrenic patients, 15122
cerebral ventricular enlargement assessed by computerized tomography, male patients with schizophrenia, 34–46 mo followup, 22096
cerebral ventricular size & its clinical significance, adult patients with schizophrenia or schizoaffective disorder of 2–20 yrs duration, 4215
clinical & historical & neuropsychological correlates of cerebral ventricular enlargement, schizophrenic 16–37 yr olds, 30157
cognitive dysfunction & changes in ventricular size, 21–68 yr old patients with multiple sclerosis, 17654
comparison of linear vs planimetric vs semi-automated computerized tomographic assessment of cerebroventricular size, 21–65 yr old monozygotic twins with chronic schizophrenia, 22105
dilation of cerebral ventricles, patients with schizophrenia & other psychotic illnesses, 30237
enlargement of brain lateral ventricles, clinical response to haloperidol vs thioridazine & psychopathology scores from rating scales, schizophrenic & schizoaffective psychotic patients, 9944
ethylcholine aziridinium vs artificial CSF into lateral cerebral ventricles vs dorsal hippocampus, avoidance conditioning & retention, male rats, 16829
familial effect, brain ventricular size using computerized tomography scanning & interviews, patients with schizophrenia & their 25–42 yr old siblings, 22042
intraventricular administration of atrial natriuretic factors, spontaneous or angiotensin-II stimulated water or sodium intake, male rats, 26706
lateral ventricular size, 22–87 yr old institutionalized vs noninstitutionalized patients with schizophrenia vs affective disorders vs neurosis, 6572
measurements of cerebellar vermis & height of 4th ventricle, right handed schizophrenic patients, 1330
neuroleptic drugs injected into cerebral ventricles, behavior & autonomic & motor activity, unanesthetized cats, 26629
prevalence of cava septi pellucidi & relationship to psychosis, neurological & psychiatric patients, 6548
sodium depletion & infusions of angiotensin II or carbachol into lateral ventricles, salt appetite & sodium & water balances, male rats, 23965
ventricular dilation on computerized tomographic brain scans, 13–22 yr old patients with anorexia nervosa, 14815
ventricular enlargement & atrophy of ventricle surrounding diencephalic structures, patients with schizophrenia, 6547
ventricular size &/ vs dexamethasone suppression test, prediction of outcome of severe endogenous depression following stereotactic subcaudate tractotomy, patients with manic-depressive psychosis, 1-yr followup, 25079
3rd ventricle size, chronic vs acute schizophrenics, 22022

Cerebrospinal Fluid

acetylcholinesterase activity in lumbar CSF, 53–89 yr old patients with Alzheimer's disease or Korsakoff's psychosis, 1592
ACTH 4-9 analog, somatostatinlike immunoreactivity & cholinesterase activity & dopamine-beta-hydroxylase & homovanillic acid CSF levels, 58–90 yr olds with Alzheimer's disease, 20177
alcohol, norepinephrine concentrations in CSF, rhesus monkeys, 16683
alcohol withdrawal, CSF levels of 3-methoxy-4-hydroxyphenylglycol & norepinephrine, 29–64 yr old hospitalized males, 10162
angiotensin converting enzyme activity in CSF, patients with Alzheimer's or Parkinson's disease or supranuclear palsy, 1675
carbamazepine, CSF levels of dopamine metabolite homovanillic acid, patients with primary affective vs unipolar vs bipolar disorder, 30770
carbamazepine, somatostatin concentration in CSF, patients with affective illness, 9935
concentration of CSF somatostatin, patients with nondepressed Alzheimer's disease & Parkinson's disease, 1639
CSF & plasma arginine vasopressin concentrations, 2–82 yr old patients with neurological & psychiatric disorders, 1238
CSF & plasma levels of beta-endorphin & beta-lipotropin & ACTH, 34–71 yr old males with Parkinson's disease treated vs untreated with levodopa, 22567
CSF & serum antibodies to common viruses, 21–64 yr old chronic schizophrenic patients, 22064
CSF adenylate kinase activity, hospitalized 22–82 yr olds with Alzheimer's disease vs multi-infarct dementia vs normal pressure hydrocephalus, 30350
CSF beta-endorphin & lipotropin levels, 59–79 yr olds with Alzheimer's disease vs multi-infarct dementia, 17678
CSF concentrations of 5-hydroxyindoleacetic & homovanillic acid & 4-hydroxy-3-methoxyphenylglycol, males who attempted suicide or were convicted of homicide, 4015
CSF fluid & cerebral cortex levels of homovanillic acid & 5-hydroxyindoleacetic acid at autopsy, 16–78 yr olds, 16428
CSF homovanillic acid & 5-hydroxyindoleacetic acid levels, observable symptomatology & family history, drug-free 20–41 yr old schizophrenic patients, 9293
CSF levels of arginine vasopressin & somatostatin & oxytocin & beta-endorphin, males with Alzheimer's disease, 30453
CSF levels of 3-methoxy-4-hydroxyphenylethylene glycol & homovanillic acid & 5-hydroxyindoleacetic acid, female 2–15 yr olds with Rett syndrome, 25021
CSF pressure during nocturnal sleep, 24 & 40 & 51 yr old male patients with sleep apnea hypersomnia syndrome, 1645
CSF white cell count & protein concentration & immunoglobulin G, patients with acute psychiatric disorders, implications for role of viruses in etiology of psychiatric illness, 27257
debrisoquin, CSF & plasma homovanillic acid levels, 21–65 yr old psychiatric inpatients, 17382
diagnostic differences & physiology of CSF cortisol & circadian relationships of CSF & serum cortisol, patients with affective disorders, literature review, 24638
diagnostic utility of lumbar puncture & CSF analysis, dementia, elderly patients, 14843
diagnostic utility of lumbar puncture & CSF analysis, dementia, hospitalized elderly patients, 14795
ergoloid mesylate, homovanillic & 5-hydroxyindoleacetic acid & 3-methoxy-4-hydroxyphenylglycol CSF levels, 51–88 yr olds with Alzheimer type dementia, 12583
free amino acid concentration in lumbar CSF, 53–69 yr old patients with Alzheimer's dementia, 6873
glucose &/vs insulin infusion in 3rd ventricle, peripheral glucose & insulin levels in CSF, male rats habituated to carbohydrate rich vs carbohydrate free food, 21418
homovanillic & 5-hydroxyindoleacetic acids & 3-methoxy-4-hydroxyphenylglycol levels in lumbar CSF, patients with Parkinson's vs Alzheimer's disease, 6775
homovanillic acid level in CSF & side effects due to treatment with haloperidol or chlorpromazine & benztropine, 18–38 yr old psychotic patients, 9876
intercorrelations between somatization & depression scores & demographic & psychological characteristics & CSF prolactin & cortisol levels, male vs female low back pain patients, Finland, 27584
level of serotonin & 5-hydroxyindoleacetic acid in CSF, patients diagnosed with probable Alzheimer's disease, 30475
life events in 6 mo before onset of depression & CSF monoamine &/vs monoamine metabolite levels & dexamethasone suppression test, patients with major depressive disorder with melancholia, 30209
long term therapy with desipramine & zimeldine & clorgyline, norepinephrine turnover & metabolism & CSF changes, depressed 18–70 yr olds, 12575
low levels of CSF somatostatin & abnormal response to dexamethasone, patients with depression vs schizophrenia, 30128
magnesium & calcium & cortisol level in CSF & relation to attempted suicide, 19–67 yr old females with depression vs schizophrenia vs adjustment disorder, 30088
MAO inhibitor cimoxatone, norepinephrine & dopamine & serotonin metabolites in CSF, monkeys, 13980
methodology of authors' previous study of CSF noradrenaline levels, schizophrenic Ss, comments on paper by R. H. Gerner et al, 14617
neuroleptic treatment, CSF cortisol levels, male schizophrenic patients, 22535
passive avoidance behavior, CSF levels of arginine vasopressin, male rats, 13849

plasma & CSF amino acid & 5-hydroxyindoleacetic acid & homovanillic acid & hydroxy-3-methoxy-phenylethylene glycol levels, unmedicated schizophrenics, 22027
plasma & erythrocyte & CSF cholinesterase activity, patients with Alzheimer's vs Parkinson's disease vs alcoholism vs multiple sclerosis vs stroke, 30430
platelet 5-HT & CSF concentration of 5-hydroxyindoleacetic acid, motor behavior, schizophrenic patients, 9276
serotonin & 5-hydroxyindoleacetic acid levels in CSF, patients with Parkinson's vs Alzheimer's disease, 22342
shunting of CSF & malresorptive hydrocephalus vs hydrocephaly caused by cerebral atrophy, elderly patients with gait disturbances & dementia & incontinence, 30458
somatostatinlike immunoreactivity in lumbar CSF, patients with Alzheimer's or Pick's disease, 1560
time of day & precursor availability & sex & age & social environment, neurotransmitter & metabolite concentrations in CSF, humans & nonhuman primates, implications for neurochemistry of schizophrenia & depression, 23813
utility of CSF as potential biological marker of Alzheimer's disease & other dementias, 17683
vasoactive intestinal polypeptide & cholecystokinin & gastrin levels in CSF, patients with endogenous vs nonendogenous depression vs mania vs schizophrenia, 3842
vasoactive intestinal polypeptide concentration in CSF, patients with normal pressure hydrocephalus vs multi-infarct dementia vs cerebral infarction, 1668
vasopressin & oxytocin concentration in CSF, schizophrenic patients receiving no drug therapy vs neuroleptic drug treatment, 20376
withdrawal of long term neuroleptic treatment, dopamine & homovanillic & dihydroxyphenylacetic & 5-hydroxyindoleacetic acid & noradrenaline levels in CSF, 30–55 yr old chronic schizophrenic patients, 1910
5-hydroxyindoleacetic acid & homovanillic acid & 3-methoxy-4-hydroxyphenylglycol in lumbar CSF, chronic schizophrenic patients who have attempted suicide, 17414
5-hydroxyindoleacetic acid in CSF, 21–60 yr old male alcoholics, 20011

Cerebrovascular Accidents

avoidance anticipatory vs nonanticipatory behavior deficits, 19–83 yr old patients with closed head injury vs cerebral vascular accidents vs other brain dysfunction, 14799
behavioral & neurological & language & cognitive deficits, 38–67 yr old patients with subcortical stroke, 30390
capacity to report dreams following awakening from REM sleep, 50–65 yr old left vs right hemisphere aphasic males with visuospatial deficits following cerebrovascular accidents, 14901
cardiovascular accident, touch & pain & temperature perception & correlation among sensorimotor measures, acute cardiovascular accident patients, 6789
cases involving neurasthenia & psychotic & cerebrovascular accident patients, assessment of & suggestions for treatment & drug therapy, psychiatrists, conference presentation, 6959
cerebral lesions, traumatic late apoplexy, 12303
cognitive retraining, stroke & traumatic head injured patients, annotated bibliography, 15424
computer art therapy as adjunct to conventional rehabilitative art therapy, quadriplegic & cerebral vascular accident & brain trauma patients, 20291
degree of self care during recovery stages, patients with left vs right side hemiplegia following stroke, 30362
dementia as possible complication of acute hydrocephalus, 63–76 yr old patients surgically treated for cerebellar hemorrhage or infarction, 3 case reports, 1596
depressive symptoms, patients with poststroke vs functional depression, 22078
development of questionnaire, assessment of social & cultural & psychological factors of coronary heart disease & stroke, 30–69 yr olds in clinic screening, Japan, 10802
development of ranked activities daily living scale, function ability, poststroke patients, 5298
dexamethasone suppression test, diagnosis of depression & prediction of rehabilitation outcome, stroke patients with mean age of 68 yrs, 7474
dexamethasone suppression test, stroke victims, comments on article by J. R. Lipsey & R. G. Robinson, 22254
dexamethasone suppression test, stroke victims, reply to comments of B. S. Fogel, 22296
diagnosis & prevalence & treatment of poststroke depression, 24971
direction of bed placement, outcomes, rehabilitation inpatients with right hemisphere stroke, 7427
EMG feedback vs exercise physiotherapy, stroke patients with hemiplegic upper arm, 12737
epidemiology & characteristics of cerebrovascular accidents, medical patients, Brazil, 12231
extinction to simultaneous auditory stimulation, acute cerebrovascular disease patients, 6744
interrater reliability & concurrent validity of Family Resource Questionnaire, assessment of social support, 43–87 yr old stroke patients, 2884
intramuscular protirelin tartrate, neuropsychological test performance, patients with sequelae of cerebrovascular accidents, 22599
left basal ganglia infarctions following stroke, auditory vs written language comprehension deficits, 15–70 yr old aphasic patients, 1663
microcomputer as therapeutic tool, patients with cerebral vascular accidents & head injuries, 18307
mood disorders, left handed stroke patients with mean ages of 52.6 vs 63.9 yrs, 12268
praise of E & performance binary visual feedback with vs without knowledge of progress, retraining of upper extremity movement, 71 yr old male with cerebrovascular accident hemiplegia, 12757
prediction of language recovery using Porch Index of Communicative Ability, 38–92 yr old stroke patients with aphasia, 27607
rationality & antiemotionality as risk factors, prediction of mortality from cancer & ischemic heart disease & stroke, Yugoslavia, 1966–76, 9542
relationship of alexia in Broca's aphasia to global aphasia, 18–77 yr old ischemic stroke patients, 6718
reliability of stroke care information test, assessment of knowledge of stroke consequences, family caretakers of stroke victims, 23427
reversed hemispheric lateralization of cerebral function, right handed 61 yr old male with fronto-temporo-parietal infarct, case report, 27594
right cerebral hemisphere infarction, acute subcortical crossed aphasia, right handed 74 yr old female, case report, 30456
right hemisphere infarction, psychotic disturbances, 45–78 yr olds, 4188
right hemisphere stroke, dysfluency characterized by verbal reiterations & automatisms, 50 yr old right handed male, 20111
sex differences, recovery from aphasia following stroke, 22–76 yr old patients, 4195
social & psychological & physical variables, prediction of good vs bad recovery, stroke patients, 1575
speech therapy, mood, 38–92 yr old aphasic stroke patients, 28020
spontaneous recovery of language ability, 48–80 yr olds with aphasia due to stroke, 22292
stroke-induced unilateral hemispheric damage, development of pathological ipsilateral instinctive grasp reaction, patients, 6825
stroke originating in top of basilar artery, 16 yr old male with Down's syndrome, 6676
superficial temporal middle cerebral artery anastomosis, cerebral blood flow & neurologic & cognitive functions, 31–74 yr old patients with transient ischemic attacks or strokes, 2016
urinary incontinence & mobility & personal hygiene & feeding ability, 3 mo poststroke 47–93 yr olds, implications for rehabilitation, 1662
vasoactive intestinal polypeptide concentration in CSF, patients with normal pressure hydrocephalus vs multi-infarct dementia vs cerebral infarction, 1668
visual hemi-neglect severity, exploratory eye movements in visual search task, right hemisphere stroke patients, 12223

Cerebrovascular Disorders [See Also Cerebral Arteriosclerosis, Cerebral Hemorrhage, Cerebral Ischemia, Cerebrovascular Accidents]

degree of impairment & prognosis, patients with cerebrovascular disease or atherosclerosis, 4-yr followup, conference presentation, 9546

EEG analysis of efficacy of naftidrofuryl, memory & attention & concentration & mood, 46–68 yr old healthy Ss vs patients with chronic cerebrovascular disease, 18027
electrical skin stimuli, pain perception & EPs, cerebral vascular disordered 42–58 yr old patients with unilateral thalamic lesions, 17609
need for new nomenclature for atherosclerosis of cerebral vasculature & occurrence of infarction & dementia, comments on article by A. F. Wright & L. J. Whalley, 4163
neuropsychological impairment & stroke-related medical risk factors & neurobehavioral data, quality of life & duration of cerebral ischemia symptoms, cerebral revascularization surgery candidates, 22222
neuropsychological symptoms of secondary brain stem dysfunction, patients with hemispheric stroke, 20222
optic aphasia & apraxia & alexia & deficit in word recall & loss of dreaming, 47 yr old male with left temporo-occipital infarct in area of posterior cerebral artery, 6836
panic attacks & temporal lobe seizures, 33 yr old female with right frontotemporal arteriovenous malformation, 6896
psychological & neuropsychological aspects of aging brain & chronic cerebrovascular disease, literature review, 30431
psychopathology of late period of combat-closed craniocerebral injury, war veterans with late nonpsychotic disturbances, 20119
subacute spongiform encephalopathy with amyloid infiltration of cerebral vessels, 62 yr old male with Creutzfeldt-Jakob disease, case report, 27595
Certification (Professional) [See Professional Certification]
Certified Public Accountants [See Accountants]
Cervical Plexus [See Spinal Nerves]
Cervix
calcium selective electrode, measurement of concentration of ionized calcium before & after sexual arousal, 23–36 yr old females, 13348
prolonged depressive symptomatology as result of missed laboratory diagnosis, 28–35 yr old females with delayed diagnosis of cervical cancer, 1683
radiation treatment &/vs surgery, sexual function, 24–54 yr old females with cervical cancer, 9991
vagino-cervical stimulation, sociosexual behaviors, behaviorally estrous female rats with vs without pelvic nerve transection, 5596
Chance (Fortune) [See Statistical Probability]
Change (Organizational) [See Organizational Change]
Change (Social) [See Social Change]
Chaplains
role in treating hospice patients & their families, chaplains, 30835
role of chaplain on health care team, pastoral care, 28 yr old male with terminal leukemia, case report, 28110
Character [See Personality]
Character Development [See Personality Development]
Character Disorders [See Personality Disorders]
Character Formation [See Personality Development]
Character Traits [See Personality Traits]
Charitable Behavior
authoritarianism & applicant's sex, perception of need & deservingness of 26 yr old applicant for public assistance, female college students, conference presentation, 9113
coping behavior & anxiety & dealing with blood donations, volunteers, replication of study by D. G. Kaloupek, 1993
coping with vasovagal syncope, college student blood donors, 9561
donating behavior in situations demanding altruism vs normative expectations vs internal initiative with concrete reward vs compliance, 7.8 vs 10 vs 12.5 yr olds, 8893
early vs late delivery of pizza due to pizza deliveryman's actions vs reasons not attributable to deliveryman, attribution of responsibility to deliveryman & tipping behavior, carry-out pizza customers, 23327
expected vs current employment levels & academic field & sex, potential social action, employed vs unemployed college graduates, 1143
foot-in-the-door vs door-in-the-face vs low-ball compliance techniques, eliciting donations, museum patrons, 5018
job status & network proximity, evaluation of prospective nonprofit donees, corporate giving officers of publically held businesses, 31453
model for effective communication between anatomical donors & their families & medical school recipient, implications for grief therapists, 28331
perceived competence & levels of moral reasoning & frequency of charitable donation, gifted 4 vs 5 vs 6 vs 7 yr olds, 26943
personal phone call prompt, blood donor commitment, college students, 17226
personality & motivation & aversiveness of procedure, decision to donate blood, donors, 24542
preferences for resource allocation based on equality vs equity vs need, college students, US vs Sweden, 8963
prosocial behavior theory & origin of altruism & charitable behavior, 14439
psychological factors in decision to carry vs not carry organ donor card, 20447
role identity salience & voluntary blood donation, adult Ss, 24467
similarity in religiousness of potential helper & recipient, donating behavior, religious vs secular Ss 18 yrs of age & older, 11783
social transformation & origins of new forms of voluntary associations, Denmark, 2653
sociocultural factors, fear of acceptance of gift of blood, 14–22 yr olds from multicultural background, Macao, 30834
writing essays on & discussion of gift-giving, actual giving behavior, school children, 7682
Cheating
cheating & moral judgment & guilt & knowledge that another person cheated & motivation, college students, 3707
cheating & professional ethics in graduate training in professional psychology, graduate students, 20624
free vs assigned seating during exam, answer copying, college students, 25918
perceptions of fairness of tax system vs increased tax rates, tax evasion, public, 29870
personal work ethic &/vs low- vs high-effort training in mathematics & perceptual identifications, persistence, cheating on anagram task, college students, 334
Chemical Brain Stimulation
intracranial prolactin, incubation behavior & food & water intake & body weight & gonad & reproductive tract tissue weight, ring doves, 8523
Chemical Elements [See Also Calcium, Calcium Ions, Copper, Helium, Hydrogen, Iron, Lead (Metal), Lithium, Magnesium, Mercury (Metal), Metallic Elements, Nitrogen, Oxygen, Phosphorus, Potassium, Potassium Ions, Sodium, Sodium Ions]
blood trace element analysis as diagnostic technique, learning disabled or mentally retarded children, 24847
Chemistry [See Also Biochemistry, Neurochemistry]
administrative service as department chair, scholarly career, academic chemists, 15619
comprehension & representation of chemical equation balancing, high school chemistry students, 10425
evaluation of cognitive development test, prediction of performance & placement in chemistry course, college students, 31318
instruction requiring reasoning & molecular model usage, posttest achievement in chemical bonding, male vs female high school chemistry students, 10383
required writing assignments, achievement in chemistry, college students, 22951
Chemoreceptors
amiloride, chorda tympani responses & salt taste, male rats, 5822
arterial chemoreceptor denervation 3 days to 3 wks postnatally, rhythmic respiration, rats, implications for apnea in premature infants & sudden infant death syndrome, 16528
chemical stimulus mixtures, suppressed responses of narrowly tuned primary chemoreceptor cells of smell & taste organs, lobsters, 21303
conditioned food aversion methodology, contributions of taste & olfactory & chemosensory systems to taste & smell discriminations, animals, 13797
controlled delivery of cigarette smoke with vs without local airway anesthesia, cigarette craving & smoking satisfaction, smokers, 21897
genetic diversity of major histocompatibility complex, immunologic & chemosensory discrimination & species-specific structural & biochemical variation, mice, 16391

removal of antenna, chemosensitivity & role in detection of food extract, cavernicolous Mysidacean, 19375
structural isomers of acetylpyridine, electrophysiological response of single pyridine-sensitive cells, crayfish, 21524
taste preferences & aversions & chorda tympani sensitivity, male rabbits, 13791
Chemotherapy [See Drug Therapy]
Chess
game of chess & life vs death instinct, 5174
Chest [See Thorax]
Chi Square Test
APL function for Radlow & Alf's exact chi-square test, 13329
chi-square test of R. A. Fischer for significance of combined results from several independent studies, 26278
chi square transformation of estimates to common metric, equating & bias analysis in item response theory, modification of M. L. Stocking & F. M. Lord's methods, 16196
chi-square vs Angoff delta plot vs pseudo item response theory, detection of criterion bias of high school aptitude test data, 15940
computer program routine for determination of chi-square & normal curve probabilities, 26284
FORTRAN program, nonasymptotic chi square analysis of contingency tables with small expected cell frequencies, 23494
multivariate asymptotic distribution of sequential Chi-square statistics, 2954
Pearson chi square test vs multivariate techniques, comparison of groups on categorical response variable in attitude measurement, respondents from 4 religious groups, 29033
strategies for reduction of large contingency tables to smaller number of variables to predict nominal dependent variables, 181
Chicanos [See Mexican Americans]
Chickens
aggressive social dominance & pecking order & resource utilization, domestic fowl, 19239
agonistic behavior & response to novel environments & objects, feral strain fowl vs domestic chicks, 456
alpha-adrenergic receptor agonists vs antagonists, duration of tonic immobility, chickens, 16652
Arginine vasotocin, extinction of conditioned avoidance behavior, neonatal chicks, 633
cage level & aisle, fear responses, individually caged laying hens, 8341
changes in synaptic & neuronal & glial cell densities & in synapse/neuron ratio in hyperstriatum ventrale, 0–4 day old chicks, implications for learning process of imprinting, 13787
chromatographic resolution of rhodopsin from four cone pigments of retina, chicken, conference presentation, 521
colored &/vs flavored food & lithium chloride injection to induce sickness, acquisition of color & taste aversions, ducks vs geese vs pigeons vs quail vs chickens, 11070
early experience of light exposure vs running wheel vs visually complex pattern vs darkness, filial preferences, chicks, 21215
ethanol, embryonic development of sensory & spinal cord neurons, chick embryos, 8530
flock size & pen arrangements & social dominance & presence of cock, egg laying behavior & nest-site choice, hens, 8362
jigsaw puzzle analysis, aggression during dominance hierarchy formation, Leghorn hens, 398
mating behavior & fertility, inbred vs random bred chickens, 5589
need to reinstate contact with conspecifics vs evade predation, open field behavior, chickens, replication of earlier experiment by authors, 16384
neuroactive peptides, memory of passive avoidance training, neonatal cockerel chicks, 14036
physiological & behavioral correlates, peck order dominance, domestic chickens, literature review, 26455

utilization of prenatal medical care & physical & mental & behavioral consequences for offspring, drug addicted mothers & their children, 2- & 8- & 9- & 11-yr longitudinal studies, Denmark, 12081
16th century childhoods of T. Platter & his son vs 20th century childhood of P. Aries, development of modern notion of adulthood, 21659
Childhood Memories [See Early Memories]
Childhood Play Behavior
affective & attentional behavior during play & physical contact with mother, iron deficient anemic 6–24 mo olds, Guatemela, 27611
age & school curriculum, sex role stereotypes & preferences for sex typed activities or games, male vs female 5 vs 7 yr olds in parochial vs progressive school, 13018
age & sex & environmental factors, social-cognitive aspects of play, 50–62 mo olds, 8885
aggression in child analysis, 6996
ankle flexion & ladder angle while climbing, 4–8 yr olds, implications for design of play apparatus, 19554
applicability of play criteria, ratings of nursery school children's play, 17–45 yr olds, 941
beginning of playing interaction through cutaneous contacts, mothers & their 0–6 mo olds, 8822
behavior-education program, development of child's toy play, 19–34 yr old mothers of developmentally delayed 0.9–2.5 yr olds, 7142
behavior modification with operant training, increase of toy play, children with profound mental handicaps, 9850
collaboration while playing with blocks, 3–5 yr olds, 16987
combinatorial play & conceptual development & early multiword speech, 18–24 mo olds, 19641
comprehension of 2nd-order representations & 'theory of mind', social impairment & lack of pretend play, autistic vs Down's syndrome children, 30090
confederate/opponents always voluntarily helping vs being compelled always to help, attribution of confederate's motivation to help, 1st vs 6th graders, 8838
cultural significance of playground activity, male elementary school students, Canada, 2483
determination of play test age & spontaneous pretend play assessed by M. Lowe & A. Costello's Symbolic Play Test, 5–12 yr olds with autism or mental retardation or language disorders, 24639
development of observational technique for recording play behavior, preschool age children, 93
development of representational & communicative abilities, behavior & use of language during pretend play with adult, female from 18–32 mo old, 16894
developmental level & individual differences in attention span & play behavior & exploratory diversity, 12–24 mo olds, 8888
direct persuasion vs conflict mitigation coping strategies in conflict situation during play, male vs female 5 & 7 yr olds, 29725
distinction between rough & tumble play vs aggressive fighting & chasing in class, friendships, 3.9–4.7 yr olds, 24231
environmental knowledge & parental restrictions & distances & number of friends & participation in organized activities, neighborhood activity range, 6 vs 10 yr olds, Sweden, 6102
experimenter effects & adequate control groups in lure-retrieval paradigm, study of role of play in problem solving, 3.8–4.7 yr olds, experimental replication, 99
free play behavior & knowledge of play group membership, prediction of play behavior in cooperative games, nursery school children, 3485
generalization of implied vs explicit prohibitive instruction vs permission during free play, 50–73 mo olds vs 2nd graders, 3433
imaginative play, logical capacities in multiplication of classes vs class inclusion vs spatial vs social perspective taking, 4–7 yr olds, 19624
inner city vs suburban vs rural settings, social complexity of play choices, male vs female 4th graders, 8903
involvement of female teacher in male-preferred play activity, increase in female children in area, 3.8–4.9 yr old female vs male kindergartners & female teachers, 28516
Lekotek toy play library as resource center, developmental progress, children with handicaps & their families, US, 10504
listener's developmental level, communicative interaction during play, mildly developmentally delayed vs nonhandicapped children with mean ages 6.3 & 5.3 yrs respectively, 20086
lure-retrieval paradigm in study of functions of play in childhood development, comments on T. Simon & P. K. Smith's experimental replication, 67
masculine vs feminine vs neutral toy choice, sex typed vs non-sex-typed social play behavior, male & female 51–63 mo olds, 8821
mastery behavior during early infancy, prediction of competence in early childhood, infants tested at 6 & 12 & 30 mo of age, 30-mo longitudinal study, 24138
methodological problems with single session paradigm used on play and problem solving studies with children, reply to comments by J. L. Dansky, 19693
motivational orientation mediating occurrence of decreased play effects, 3rd & 4th graders, failure to replicate results of M. R. Lepper et al, 26939
multifaceted activity of play, 3–6 yr olds, 3534
newly owned videogames, leisure activities & school work & peer interactions, 9–16 yr olds, 24172
peer confederate initiation of social interaction/play behavior in structured setting, generalization of behavior in segregated vs integrated settings, preschool students with developmental disabilities, 31282
peer relations & play & relationship with mother, male vs female 2–3.5 yr olds, 926
perceptions of complexity & feasibility for different activities of school playground before & after redevelopment project, 6–12 yr olds & adults, Netherlands, 31264
play behavior, male vs female 4–5 yr olds, Sri Lanka vs Great Britain, 26934
play, emotional & intellectual & physical development, children, 14119
play fighting & resolution of dominance conflicts, school age children & adolescents, 26927
play training, cognitive development & social behavior, children, literature review, 4228
play with stereotypically masculine vs feminine toys, motor activity level & vigor of play, male vs female 14–28 mo olds, 26929
preschool play center environment & free play materials, free play activity & social vs nonsocial behavior & positive vs negative social interaction, male vs female preschool children, 24219
pretend play, mildly mentally retarded 5–7 yr olds, vs nonhandicapped 4–5 yr olds, implications for assessment & intervention, 9444
pretend play training & make-believe play, cognitive & affective functioning, male vs female 2–5 yr olds, 6134
reactions to assertive vs communicative behavior of male vs female infants vs toddlers in playgroup, adults, 8837
role of play in child psychotherapy, 7058
self administered vs external reward for playing with designated toy vs free play, playing time & rated interest, 5th & 6th graders, 19677
self report assessment strategies, evaluation of preference for peer involvement vs playing alone or interacting with adults, 4–4.8 yr olds, 11473
sex-typing & sex role identity in play & game preference, male vs female 7 & 9 & 11 yr olds, Netherlands, 24238

similarities & differences in peer group play behavior, 2–4 yr old normal vs mentally retarded handicapped preschoolers, 25877
social & cognitive & physical play styles, gifted vs nongifted preschoolers, 7688
social & cognitive & symbolic play forms & toys, 36–71 mo olds needing early educational intervention, 10480
social interactions in free-play settings, 28–32 mo olds in kibbutz vs urban setting, Israel, 8860
social pretend play, 16–33 mo olds, 6128
social relations & cognitive processes in creation & improvisation of puppet shows, 3 yr olds in pairs, conference presentation, 8905
social skills training, play behavior & reciprocity with peers, 5.7 vs 6.3 vs 7.8 yr old females, 7598
socially stereotyped masculine vs feminine toys & play behavior, male vs female 14–35 mo olds, 925
standardization of modified version of Miniature Toys Test, language development in assessment of self related vs detached-from-self play, 18 mo to 4.5 yr olds, 26208
structured vs unstructured play training, imaginative play & divergent thinking & storytelling & verbal & nonverbal IQ & locus of control, economically disadvantaged 2.7–6 yr olds, South Africa, 12990
structures in symbolic play & play in poetry, children, 3525
symbolic play, language comprehension & narrative competence, children, literature review, 3401
teacher presence & participation &/vs request, choice of play activities, female vs male 4–4.9 yr old Pacific Island & Maori & European kindergartners, 28507
teacher's rating vs observation in natural setting, measurement of popularity & sociability, 31–71 mo olds, 13383
theoretical descriptions of dynamics of unconscious & fantasy & creativity & deviance in games & play behavior, preschool age & young children, literature review, conference presentation, 29754
toy selection & socialization of sex-typed play, mothers vs fathers of 19–27 mo old males vs females, 8834
toys & play behaviors, children, literature review, 8894
toys that emitted vibration or light or sound, play & stereotyped behavior, profoundly handicapped children, 20090
typologies of descriptive vs empirically based play materials, education, handicapped children, 10510
various play materials, social behaviors, handicapped vs nonhandicapped preschool age children in Head Start program, 2520
visual exploration vs physical manipulation play, problem solving ability, 44.7–63.9 mo old preschool age children, experimental replication of K. Sylva's study, 11408

Childhood Play Development

development of active other-directed & substitutive & multischeme pretend actions & utterances in play situations, 1st born 30 mo olds, Japan, 14238
error correction strategies in manipulative play, 18 vs 24 vs 30 vs 36 vs 46 mo olds, 813
fantasy & imagery in childhood play, physiological function & cognitive perception & coping with pain or anxiety, children or adolescents with chronic illness, literature review, 27255
parent-infant play behavior, parents & their 7 vs 10 vs 13 mo olds, replication of T. G. Power & R. D. Park's study, 8887
pretend play training & make-believe play, cognitive & affective functioning, male vs female 2–5 yr olds, 6134
representational vs conceptual vs programatic vs script play language accompanying symbolic play, 2–4 yr olds, implications for assessment of language disorders, 26798
standardization of modified version of Miniature Toys Test, language development in assessment of self related vs detached-from-self play, 18 mo to 4.5 yr olds, 26208
use of "will" & "gonna" in play activities alone vs with dolls vs others, 3 yr old females, 14155

Childhood Psychosis [See Also Childhood Schizophrenia, Early Infantile Autism]

adult vs computer instruction, discrimination learning, 4.6–14.5 yr olds with autism & emotional disturbance & mental retardation & psychosis, 22760
child vs adult psychoses, literature review, 19912
congenital visual deficiency & infantile psychosis, blind or partially sighted children, 22005
cooperative classroom as therapeutic agent, psychotic 6 yr old male, 4958
French sign language, communication & identity development, psychotic deaf children, 4681
team approach to assessment & treatment in home care, 2–6 yr olds with infantile & borderline psychoses & cerebral dysfunction, 6970
viruses, development of childhood psychosis, male school age children, 4 case reports, 22010

Childhood Schizophrenia

blood trace element concentrations, permeability of erythrocyte membranes to sodium & potassium ions, schizophrenic children, 19895
childhood onset of elective mutism as antecedent of schizophrenia, 16 yr old female, 22045
clinical features & etiology & differentiation of childhood vs adult onset schizophrenia vs autism, children, literature review, 30093
early characteristics of schizophrenia, children & youth, 7-yr longitudinal study, 19996
intellectual & perceptual development, schizophrenic 5–13 yr olds, 9208
pathological fantasy syndrome, children with slowly progressing schizophrenia, 9325
pictorial & verbal expression using Fairy Tale Test, schizophrenic 10–15 yr olds, 19992
protracted mania, schizophrenic 4–11 yr olds, 9220
schizophrenic & convulsive manifestations, preschool age children with schizophrenia or schizophreniform disorder, 9349
serine & glycine concentrations, psychotic & adult or childhood schizophrenia patients, 17400

Childlessness

child-related attitudes & values & lifestyle adjustment, females who were voluntarily childless vs primigravida vs sterilized after having 2 children, 29823
childlessness, marital satisfaction, voluntarily childless couples, 3583
fertility problems, coping strategies, 24–50 yr olds, 11640
valuation of childbearing & parenthood vs educational & occupational success, fertility decisions, voluntarily childless couples vs couples with children, Canada, 27012

Childrearing Attitudes

American culture, childrearing attitudes, Indian immigrant vs native 21–42 yr old mothers, US, 29829
attitudes toward childbearing & rearing & women's liberation & personality characteristics, college students & 14–17 yr olds, replication of study by B. E. Lott, 3623
childrearing attitudes & behavior, 22–46 yr old mothers of preschool age children in rural towns, Australia, 21826
childrearing attitudes & practices, mothers, Appalachia, 3589
childrearing knowledge & attitudes & behavior, 15–19 vs 21–36 yr old mothers of firstborn, 11398
community size & SES & sex & language background, sources of & preferences for childrearing information, parents of 5–14 yr olds, implications for marketing of parent programs, Canada, 22472
family size & rural vs nonrural environment, attitudes about value of children, 35–65 yr old mothers & their college age daughters, 17085
home environment & cognitive & social development, 7–14 yr old slow learners, 3-yr longitudinal study, 1483
knowledge of child development & social emotional maturity, attitudes toward parenting, high school & college students, 11517
laissez-faire childrearing patterns & problem-solving, parents, 6227
marital relations & pregnancy problems, prediction of postpartum depression & mother-child interaction & childrearing attitudes, mothers & their infants, 9238
model of parental orientations toward pregnancy & parenthood, mothers vs fathers, 24314
number of children & years married, childrearing attitudes, mothers, 19724
orientation of childrearing values toward obedience & conformity vs self direction & internal dynamics, low income rural White & Black mothers of 5th–6th grade children vs samples of urban middle & working class mothers, 14320
parent effectiveness training, parental childrearing attitudes & children's career maturity & GPA, rural parents & their kindergartners through 12th graders, 6-mo followup, 1016

parent or child demographic characteristics, childrearing expectations & support of child development principles, parents of handicapped preschoolers, implications for curriculum priorities in parent training programs, 2544
parental perceptions of cognitive & social childrearing task difficulty, child's perception & actual social competence, male vs female 3rd–5th graders, 21664
perception of rejection & emotional warmth & overprotection in parental rearing behavior, bipolar vs unipolar depressed patients, Italy vs Sweden, 24693
problem solving attitudes & behavior, intensity of parental punishment, Mexican American & White & Black mothers of 3–5 yr olds, 9011
Puritan ideology of 17th & 18th centuries, parental attitudes toward children & early childhood education, 29837
relationship with daughters & reactions to their deaths, writings on childrearing in colonial times, clergyman C. Mather, 17th & 18th centuries, 21833
reliability & factor structure of Mother-Child Relationship Evaluation, assessment of parenting attitudes, mothers & fathers, 23492
valuation of childbearing & parenthood vs educational & occupational success, fertility decisions, voluntarily childless couples vs couples with children, Canada, 27012
Childrearing Practices [See Also Child Discipline, Parental Permissiveness, Toilet Training, Weaning]
acceptability of differential attention vs response cost vs time out &/vs spanking, 30–40 yr old mothers of children with behavior problems of varied severity, 15092
adult development & transition to fatherhood & fathering behaviors, human males, 21654
amount of postnatal professional support received, child care behavior, 17–19 yr old mothers of 2.5–3.5 mo olds, US vs England, 15270
anxiety & cross cultural differences in child rearing, cognitive complexity & self concept, comparison of 44 societies from Oceania & Africa & North America & South America & Asia, 29860
attitudes toward role in taking sick child to emergency department, parents of at least 1 child, Israel, 17076
BASIC interactive computer programs, analysis of reasoning about child's behavior in cry & supermarket problems, parents, 17070
child behavior & maternal depression & social coercive interactions, maternal caretaking, normal mothers & their preschool children, 29838
childrearing & impulse control, 1st born 12–15 mo olds & their mothers, 19726
childrearing attitudes & behavior, 22–46 yr old mothers of preschool age children in rural towns, Australia, 21826
childrearing knowledge & attitudes & behavior, 15–19 vs 21–36 yr old mothers of firstborn, 11398
childrearing practices, Jewish national identity, before & after 70 AD, comment on views of H. Ebel, 26965
compliance vs predictability hypotheses & factors in aversive exchanges, 4–12 yr olds & their mothers, 21845
content of social event, conceptions of parental authority & obedience, 6–7 vs 8–9 vs 10–11 yr olds, 17016
control strategies & noncompliance in interactional behavior, abusive mothers & their preschool age children, 27433
coping with childrearing from infancy to adulthood, blind parents & their sighted children, 17549
criteria used to assess quality of parenting in well-child visits for 3–24 mo olds, pediatric residents, 30822
cultural background & age of child, valuation of social competence in parenting style, parents of 8–18 yr olds of European vs Japanese ancestry, Hawaii, 27008
cultural conceptions of childhood & parenting & employment, family power relationships & childcare & household responsibilities, working mothers, 14312
Danish translation of K. Holzkamp's discussion of value of Marxist ideas in childrearing practices, 6218
deficient mothering, deterioration in development, 15 mo old, longitudinal study, conference presentation, 6028
depressive moods & parenting behavior, child behavior & parent perceptions of child maladjustment, mothers & their clinic-referred 27–108 mo olds, 11869
development of inexpensive system for parental control of access to TV, contingency contracting & behavior modification, children, 17086
development of Single Parenting Questionnaire, assessment of parenting factors that relate to child adjustment, divorced custodial parents, 5342
dogmatic & authoritarian parenting, socialization of authoritarianism & aggressive tendencies, children, conference presentation, 8859
early maternal employment, toddler development & parenting styles, 1st born 20 mo olds & their mothers & fathers, 1007
early paternal participation & parental perception of own father's role, paternal involvement in rearing of sons &/vs daughters & longevity of role as primary caregiver, middle class 2-parent families, 4-yr followup, 9006
educational background, occupational choice & socialization & childrearing practices, parents, literature review, 17060
effect of parental separation or death or divorce, parenting skills & communication of skills across generations, adult offspring, 26-yr longitudinal study, 6241
effects of physical & emotional abuse on development, guidelines for caregivers in foster or day care settings, preschool age children, 15298
employment status & literacy, breast vs bottle feeding & child neglect & exposure to unhygienic conditions & influence of taboos & circumcision of female children, mothers, Nigeria, 11624
ethnocentric perception of childrearing practices of nondominant cultures in child abuse protective services, Mexican- & Filipino- & Japanese- & Samoan- & Vietnamese-Americans & Blackfeet Indians, 25407
failures of socialization process, comments on view of R. Hogan & T. Sloan, 1004
family poverty & conflict between mothers- & daughters-in-law & mothers' work load & labor conditions & sex of child, milk supply & availability, rural Punjabi children under 2 yrs old, India, 27011
family size & SES & child's temperament & childrearing practices, failure to thrive, organic vs nonorganic failure-to-thrive 3–72 mo olds & their 16–32 yr old mothers, 12220
family type & caste & mother's & father's occupation & educational background, childrearing practices, mothers in urban vs rural environment, India, 11635
feminist vs psychoanalytic perspectives on gender differences in psychology of parenting, 21834
formula for increased understanding of R. Dreikurs' logical consequences, parents & teachers, 15077
home environment & perception of parent childrearing practices, 12–14 yr old socially deprived females, India, 24212
incompetencies in cognitive & social & moral areas, obnoxious behavior & methods for coping with it, adolescents, 11527
interaction with parents, 1st born kibbutz-reared infants at 8 & 16 mo of age, Israel, 6234
knowledge & attitudes & practices with reference to their 3–11 yr old children's masturbation, parents, 24297
laissez-faire childrearing patterns & problem-solving, parents, 6227
learning of parenting skills & issues in Adlerian parent training, 15078
marital harmony & occupational identity status as psychological predictors, feelings of confidence & control & self- vs child-focused gratifications, 25–31 yr old mothers vs fathers of 2.3–3.4 yr olds, 24296
Marxism & childrearing practices, 6217
mass media, education of public regarding child care practices & services, Central America, 3340
model of childrearing practices, valence of scholastic performance, parents, 3587
moral vs immoral vs amoral views of human nature, childrearing attitudes, parents of preschool children, 14298
nurturing patterns & father-child relations, fathers as primary caretakers of their 2–24 mo olds, 6233
observations of patterns of attachment behavior in structured laboratory setting, inferences about quality of caretaking in home environment, infants & their parents, 17066
parent-authored education program in parenting practices, parents & future teachers & adolescents, Belgium, 12500

parent-child interaction & methodological issues, visually impaired parents with sighted children, bibliography, 17693
parental control in childrearing, conservatism, female college students, 9135
parental disciplinary practices, learning from prosocial TV portrayals, 4th–5th graders, 3479
parental functioning, methadone-maintained mothers, 3-yr follow-up study, 25575
parental methods of pampering, potential negative consequences & feelings, children, implications for parent training, 17073
parental rearing behavior & attitudes as measured by Swedish inventory, parents, Australia vs Denmark vs Hungary vs Italy vs Netherlands, 29815
parental role functioning & parent-related interactions & family boundaries restructuring, 25–44 yr old divorced spouses, implications for family therapy, 24294
parenting & life cycles & social support networks, families with mentally retarded member, 1487
parenting experience & sex of parent & child, reactions to risky & annoying behaviors, 22–45 yr old expectant parents vs parents, 27000
parenting practices, social & physical & cognitive development of child, teenage vs adult mothers, literature review, 29545
parenting vs career conflicts & working hours, legislation & compulsory child care teaching & role modeling, child psychiatrist parents, 26998
parents, cognitive & affective & social development & motivation for achievement, gifted preschoolers, 26788
perception of parental childrearing practices, sex role development, adolescents, 19697
perception of rejection & emotional warmth & overprotection in parental rearing behavior, bipolar vs unipolar depressed patients, Italy vs Sweden, 24693
perceptions of parental emotional warmth & rejection & protection, adults, Australia vs Denmark vs Italy vs Netherlands vs Sweden, 27010
personal efficacy & locus of control & perceived contingency of parental reinforcement in thought structures, depressive vs paranoid patients, 1365
personality characteristics, childrearing practices, college students & medical & surgical patients & state department employees, Australia, 11607
photographs of children in risky situations, perceptions of degree of risk & decision to intervene, male vs female 21–35 yr old parents vs inexperienced college students, 8981
prenatal education, short vs long term health care compliance & childrearing practices, 13–17 yr old indigent mothers, 9809
preventive social work intervention approach to parent group education, conference presentation, 22693
randomized spot observations vs day-long narratives, allocation of time in household & work & childrearing, mothers & their children, Senegal vs Mexico, 17083
relationship with macrosystem or world & microsystem or family & processing of world & childrearing, infants, North America, conference presentation, 24111
reliability of signed version of Parent As A Teacher Inventory, measure of childrearing expectations, deaf parents of normally hearing 2–7 yr olds, 23481
retrospective analysis of parental childrearing practices, Latin American vs Cuban American vs White college students, Colombia & Venezuela vs US, 8979
role of deviant peers & parental childrearing practices & alcohol use, initiation of alcohol & marihuana usage, families with sons in 7th & 10th grades, 21755
safety & protective skills training regarding strangers & sexuality, children & parents, 24291
sex role attitudes, demand for independent accomplishments made on sons vs daughters aged 7–12 yrs, mothers, India, 29855
social support & child development, maltreated 2–48 mo olds & their mothers, implications for attachment theory, 6214
subsistence economy, sex role socialization, male vs female children from different societies, criticism of research conducted by H. Barry et al, 26992
theories of fatherhood & fathering practices, 21822
values & childrearing practices, childhood development, conventional married 2-parent vs single mother vs unmarried "social contract" vs communal group families, 12-yr longitudinal study, 27019

Children [See Also Infants, Neonates, Only Children, Preschool Age Children, School Age Children]
ability to discriminate mirror-image obliques, orientation selective color aftereffects, children, 8772
acceptability ratings for differential reinforcement of incompatible behavior vs positive practice vs time-out, child behavior therapy techniques, college students, 15114
acquisition of writing skills, children, 29637
actual vs externalization vs countertransference level of psychotherapeutic relationship, psychoanalysts & their child adolescent patients, 30561
adequacy of mental health services for children & adolescents, mental health center directors, Mexico valley, 28104
adjustment, children from separated vs intact families attending outpatient psychiatric clinic, 6440
advantages & problems in utilization of biofeedback, children, 27878
age & reason for referral & dangerousness & group setting & antisocial behavior & peer relationships & stealing as subclassification parameters, child firesetters, England, 4004
age & sex & cultural & situational differences, responses to infants & young children & baby animals & cries & pictures, children & adults, literature review, 886
age & sex & diagnostic & treatment characteristics, children & adolescents treated in Dr. Juan N. Navarro Child Psychiatric Hospital, implications for program planning, Mexico, 1980, 28166
age of child & method used in fictitious newspaper article about male child's suicidal death, impression of victim & reactions to family, 16–65 yr old citizens, 17480
alcoholic family experience, development, children of alcoholics, 30893
analysis of competition & intrinsic motivation in sport & games, children, 949
analytical therapy, children, 9742
antidepressant & anxiolytic drug therapy, children with conduct or attention deficit disorder or enuresis or school phobia or depression or obsessive compulsive disorders, 30779
applications of computerized game composed of musical voices, blind children, 30369
approaches to children's graphic expression, developmental psychologists vs art educators, 15583
assessment & early intervention in childhood gender-role disturbance & cross-gender identification, human males, literature review, 24759
assessment of vestibular function, children, implications for clinicians, 14127
attachment behavior & other early psychosocial developmental processes, implications for decision making regarding children in foster care, 7366
attitudes & feelings toward children & childhood, preservice teachers, 31162

occipital & central scalp visual stimulation, visual EPs, infant & juvenile chimpanzees & infant gorilla, 5667
onset of 1st postpartum estrus & onset of estrus in cagemates, synchrony of cycles, female chimpanzees, 21349
responses to stranger mother & son pair, neighboring group of wild chimpanzees, 19271
space utilization, male vs female adult & juvenile captive chimpanzees, implications for vertical structures & visual barriers & multiple small areas in design of captive environment, 13775
spontaneous symbol acquisition & use in daily communications with humans & common chimpanzees, pygmy chimpanzees, 29211
symbolic communicative skills, chimpanzees, conference presentation, 29212
tool use for nut cracking, wild chimpanzees, Sierra Leone, 19297
tool use to obtain termites, chimpanzees, 16378
unprovisioned study of food preferences & foraging & traveling habits & social structure, chimpanzees, 13765

Chinese Americans [See Asians]

Chloral Hydrate
paraldehyde & ethanol vs chloral hydrate, determination of toxic & depressant actions assessed by dosage for lethality & anesthetic action, male Swiss-Webster vs CF1 mice, 23971

Chlordiazepoxide
activation of diazepam & chlordiazepoxide receptors in amygdaloid complex, anxiolytic effects & analgesia, rats, 24040
acute chlordiazepoxide doses, ethanol self administration under current reinforcement conditions, male rats, 16783
alcohol metabolism during detoxification & medication requirements, patients in alcoholic treatment unit, 20550
alprazolam vs chlordiazepoxide, acute ethanol withdrawal syndrome, 18–65 yr old hospitalized patients, 2202
bromocriptine vs chlordiazepoxide vs chlormethiazole, alcohol withdrawal symptoms, patients with minor vs major alcohol withdrawal symptoms, 25571
chlordiazepoxide & overtraining, discrimination reversal learning, rats, 364
chlordiazepoxide & sodium amylobarbitone, partial reinforcement extinction effect in runway & Skinner box, rats, 670
chlordiazepoxide &/vs apomorphine vs clonidine vs quipazine & stress, emotional response assessed by locomotor activity & monoamine brain levels, male mice, 11295
chlordiazepoxide, CGS 8216-induced anxiogenic & social interaction effects, male rats, implications for benzodiazepine drug withdrawal, 19442
chlordiazepoxide, corticotropin releasing factor-induced behavior in aversion conditioning conflict test paradigm, male rats, 16573
chlordiazepoxide, elevations of plasma corticosterone induced by placement as intruders in long-established colony, male rats, 26658
chlordiazepoxide given continuously vs intermittently, performance & acquisition of successive discrimination, male rats, 21554
chlordiazepoxide, sedative & hypothermic effects in classical conditioning paradigm, male rats, 21519
chlordiazepoxide vs chlorpromazine vs amitriptyline vs methamphetamine, acquisition of discrimination avoidance conditioning, bilateral olfactory bulbectomized male rats, 11214
chlordiazepoxide vs CL 218-872, spontaneous locomotor activity, male rats, 8579
chlordiazepoxide vs diazepam vs zopiclone vs CGS 9896, locomotor activity & acquisition of conditioned fear, male mice, 11334
chlordiazepoxide vs fluprazine, aggressive behavior, female rats 3–9 days postpartum, 16743
chlordiazepoxide vs L-PIA, discrimination of caffeine or theophylline from saline, male rats, implications for benzodiazepine & adenosine mechanisms, 11303
chlordiazepoxide vs picrotoxin vs bicuculline vs muscimol vs baclofen, spontaneous alternation & response behavior to stimulus change in maze, male rats, 14038
clozapine vs haloperidol vs chlordiazepoxide, shuttle box avoidance responding, male rats, 21588
dextroamphetamine vs chlordiazepoxide vs alpha-flupenthixol, tracking of visual cue in food reinforced VR conditioning paradigm, male rats, 11292
discrimination training between chlordiazepoxide & saline vs ethanol & saline & generalization of drug effects, rats, 29473
dose of propranolol vs chlordiazepoxide, conditioned timing behavior, male rats, 24022
elenium, psychomotor activity, patients with neurosis, 27955
ethanol, cross tolerance to chlordiazepoxide, male mice, conference presentation, 16587
forced immobilization & chlordiazepoxide & electrical stimulation, activity of amygdalar complex, rats, 19380
high vs low doses of chlordiazepoxide vs diazepam, tolerance to stimulant & depressant actions & pharmacological mechanism, male mice, 23964
imipramine vs chlordiazepoxide, anxiety disorders, 18–70 yr old outpatients-590 01, 12558
imipramine vs chlordiazepoxide, depression, 18–70 yr old outpatients, 12562
lesions of locus ceruleus vs dorsal noradrenergic bundle, response rates & anti-anxiety effects of ethanol & chlordiazpoxide in operant conflict situation, male rats, 26610

morphine HCl vs chlordiazepoxide HCl injections, blood pressure rise from electrical stimulation of dorsal periaqueductal gray, unanesthetized rats, 29346
naloxone vs chlordiazepoxide, hypothalamic self stimulation, male rats, 13996
pesticides vs physostigmine vs chlordiazepoxide, working memory vs discrimination task performance, male rats, 29426
pesticides vs physostigmine vs scopolamine vs methscopolamine vs chlordiazepoxide, performance on delayed response working memory tasks, male rats, 29425
phencyclidine & chlordiazepoxide & shock, target biting, male mice, 21532
prenatal chlordiazepoxide, metrazol seizures & benzodiazepine receptor density, adult rats, 16631
pretreatment with tryptophan or 5-hydroxytryptophan, anticonvulsant activity of diazepam & flurazepam & chlordiazepoxide, mice, 8572
Ro 15-1788 & chlordiazepoxide & sodium pentobarbital & ethanol interactions, squirrel monkeys, 13955
tifluadom vs chlordiazepoxide vs kappa opiate receptor agonists, food intake, male rats, 23949
triazolam vs chlordiazepoxide, temporary insomnia, 18–62 yr old outpatients, 18069
zopiclone vs pyrazoloquinoline CGS 9896 vs chlordiazepoxide, dose-related increases in punished drinking & leverpressing & food intake, male rats, 3321

Chlorimipramine

acute vs chronic administration of clomipramine vs amitriptyline, prolactin & growth hormone & thyrotropin plasma levels, depressed inpatients, conference presentation, 12551
chlorimipramine & response prevention, illustrative case of 15 yr old female with obsessive compulsive disorder, 4539
clomipramine & housing stimulation of striatal serotonin receptors, voluntary intake of ethanol, rats, 3284
clomipramine, inappropriate lactation with amenorrhea, 26 yr old female being treated for attempted suicide, 18028
clomipramine, patients with panic disorder or agoraphobia with panic & mitral value prolapse, 27959
clomipramine vs citalopram, orthostatic hypotension, depressed 23–62 yr olds, 22524
clomipramine vs desipramine, 18–57 yr olds with obsessive compulsive disorder, 7189
clomipramine vs imipramine, 21–54 yr olds with obsessive compulsive disorder, 7268
clomipramine, 10–18 yr olds with severe primary obsessive compulsive disorder, 7174
imipramine vs chlorimipramine, schedule-controlled behavior, pigeons, 21540
iv chlorimipramine therapy, patients with major depressive episode, 9928
mianserin vs clomipramine, 25–57 yr old mildly depressed psychiatric outpatients, conference presentation, 30721
neurophysin I & II release during insulin-induced hypoglycemia, 45–55 yr old unipolar depressed females before vs after treatment with clomipramine, 7178
prenatal vs neonatal exposure to imipramine & desipramine & chlorimipramine & iproniazid & isocarboxazid, neonatal reflexes & open field behavior & avoidance responses & sexual activity, pregnant rats & their offspring, conference presentation, 29407
relatively selective MAO inhibitors with clomipramine, rats, implication for antidepressant drug interaction effects, 29452
sleep deprivation & increase vs decrease in MAO activity, prediction of response to maprotiline or clomipramine, depressed patients, 9896
superfusion of clomipramine within ventromedial hypothalamus, REM & NREM sleep patterns, rats, 21496

Chlorpromazine

chlordiazepoxide vs chlorpromazine vs amitriptyline vs methamphetamine, acquisition of discrimination avoidance conditioning, bilateral olfactory bulbectomized male rats, 11214
chlorpromazine & amitriptyline HCl & haloperidol, thermal response to radiofrequency radiation, female rats, 11306
chlorpromazine & etiology & childhood risk factors, chronic schizophrenia, 17–62 yr olds, 30728
chlorpromazine & haloperidol & amitriptyline & other antipsychotic & antidepressant drugs, antimuscarinic activity in cerebral cortex & striatum, 71 yr old male & male rats, 16605
chlorpromazine & haloperidol, subjective responses early in course of therapy, schizophrenic patients, implications for short term outcome, 15146
chlorpromazine & imipramine, stimulus control & response rate during matching-to-sample performance, male pigeons, 19477
chlorpromazine in low vs medium vs high dosage, development of gastric ulcers induced by cold stress & restraint, mice, 5744
chlorpromazine, patients with functional psychoses, Czechoslovakia vs Zambia, 7245
chlorpromazine, quality of sexual activity, schizophrenic females, conference presentation, 15179
chlorpromazine vs fluphenazine vs haloperidol vs imipramine, biophysical properties of brain cell membranes, male rats, implications for phenothiazine treatment, 13968
chlorpromazine vs meperidine, phencyclidine psychosis, 20–32 yr old male inpatients, 1921
dextroamphetamine &/vs haloperidol vs chlorpromazine vs phenoxybenzamine vs propranolol, play fighting, juvenile rats, 16554
diazepam vs chlorpromazine vs pentobarbital vs dextroamphetamine, visuomotor coordination, marmosets, 16610
differential doses of chlorpromazine vs haloperidol, UCS properties in taste aversion paradigm, male rats, 16633
domperidone vs haloperidol vs chlorpromazine, stereotypic behavior elicited by systemic apomorphine & catalepsy, mice, 24046
dose of chlorpromazine or prothiaden or diazepam, vigilance performance on discrimination of acoustical clicks with visual feedback, male 20–21 yr olds, conference presentation, 13993
general anesthesia & ECT & chlorpromazine delivered during pregnancy, patient's psychotic symptoms & fetal development, 33 yr old psychotic female & her newborn, 22390
haloperidol vs chlorpromazine vs clozapine, rate & duration of operant vs reflexive licking, male rats, 5858
homovanillic acid level in CSF & side effects due to treatment with haloperidol or chlorpromazine & benztropine, 18–38 yr old psychotic patients, 9876
imipramine &/vs chlorpromazine, 5-HT-2 binding sites in cerebral cortex, male rats, implications for treatment of depression, 14027
isolation vs paired housing vs social assignment vs drugged state of partner, conditioned taste aversion to lithium vs chlorpromazine & subsequent extinction, male rats, 16469
loxapine vs chlorpromazine, paranoid schizophrenia, reply to comments by V. B. Tuason & J. I. Escobar, 15182
methamphetamine & haloperidol & chlorpromazine, intracranial self stimulation & behavior traces & activity level, male rats, 3305
nicotine with vs without mecamylamine vs chlorpromazine, response rate & pattern of schedule-controlled behavior, rats, 702
phenothiazine therapy, agranulocytosis, 35 & 33 yr old males & 64 & 63 yr old females with schizophrenia, 20424
platelet alpha-2-adrenergic dysfunction assessed by clonidine vs yohimbine binding to membranes before vs after chlorpromazine treatment, differentiation of positive vs negative symptoms disorder, 22–39 yr old male schizophrenic inpatients, 30775
psychotropic drugs, overall delayed type hypersensitivity response & induction & elicitation phases, mice, 13973
sex & species & chlorpromazine, hepatic alcohol dehydrogenase, inhibited mouse & rat, implications for psychotropic drug therapy during alcohol intoxication, 8584
side effects of clozapine vs chlorpromazine, psychiatric patients, 7264
sulpiride vs chlorpromazine, autistic & positive psychotic symptoms, 18–43 yr old schizophrenic patients, 1905
trichloroethylene or chlorpromazine, vigilance performance on discrimination of acoustical clicks with visual feedback task, healthy Ss, conference presentation, 14064
triethyltin & dextroamphetamine vs chlorpromazine, response under FI 30 & FR 5 schedule of food presentation, male rats, 16768
trifluoperazine vs thioridazine vs chlorpromazine, visual figural aftereffect, paranoid schizophrenic patients, 18070

Chlorprothixene

bromazepam vs chlorprothixene, neurasthenic & autonomic & depressive symptomatology, patients with neuroses, 7279

Choice Behavior
ability to discriminate males from females, toy choice & aggression & peer playmate selection as sex typed behaviors, 21–40 mo olds, 29694
acute vs chronic paraventricular nucleus infusion of norepinephrine, food & liquid intake & selection of carbohydrate & protein & fat, male rats, conference presentation, 21543
advertising, low involvement decision making at moment of brand selection, shoppers, 31577
agendas, selection & elimination of choice alternatives, consumers, implications for marketing, 31581
amount & onset of reinforcement, choice behavior in study of video game reinforcement, college students, 23612
anchoring & adjustment process in model of making judgments under ambiguity, prediction of inference & risky choice & effects of attitudes toward ambiguity, volunteers & masters of business students, 13621
arousal, T-maze choice behavior, inbred strains of mice, 19221
associative features & choice behavior in discrimination of scented targets, free-flying honeybees, 29189
attention directed to specific choice & relevant information, recall of information, college students as consumers, 7918
attributions & expectancies & choice perspectives, decision-control process in marketing channel dyads, college students, 10667
autonomy, choice of alternative objects, Ss with restricted vs reinforced autonomy, 6378
aversive events, choice & psychophysiological correlates of choice, male vs female college students, 569
aversive underwater radial maze, spatial working memory in choice of "safe" place, rats, 21222
awareness of stimulus contingency & preference for stimuli predicting presence vs absence of pleasant music, college students, 11035
basal forebrain lesions, choice accuracy in working memory task vs spatial discrimination in reference memory task, male rats, 23920
choice & amount of reinforcement, rats, 5552
choice & matching behavior in concurrent schedules of reinforcement, review of research, 2958
choice & optimal foraging & delay-reduction hypothesis, pigeons, 19202
Choice Awareness Systems, facilitation of understanding & change in counseling consultation, 2252
choice behavior & intuitive resolution skills, outcome of labor grievance mediation conferences & need to resort to arbitration, mediators, 13224
choice in daily vs long term relative intake of palatable fluids, 8–10 vs 31–33 mo old male rats, 13712
choice of self service vs traditional service delivery, customers of financial institutions, 28840
choice of situations for different purposes, 18–45 yr old college students, 1180
choice RT & underlying processing & nonprocessing states, college students, 21158
choice vs no choice & delay prior to receipt of incentive, ability to delay gratification, 1st graders, 19671
cholecystokinin-8 vs bombesin vs insulin vs toxin, diet self selection & taste aversions & feeding satiety, male rats, conference presentation, 21614
chronic amphetamine vs haloperidol, choice behavior in 2-lever drug discrimination task, rats, implications for behavioral technique to assess alterations in dopaminergic function, 29423
cognitive model of human vs behavioral model of animal choice behavior experiments, 13636
communication within &/vs between subgroups, college students in public goods game, 24465
competition for food & parasitism, risk of predation & choice of distant vs nearby food, 3-spined sticklebacks, conference presentation, 19270
competitive context & availability of additional information, choice behavior & sensitivity, suburban residents & college students, 31583
concurrent chains procedure with FR vs VI reinforcement schedules, choice & percentage reinforcement, pigeons, replication of author's earlier experiment, 16351
congruence & choice models of reciprocal interactionism, college students, 24469
constrained optimization theory of choice in concurrent schedules of reinforcement, 13696
contrasting hair color & facial expression & profile types in photographs, selection of photograph of mate preferred in long term husband-wife relationship, male & female college students, test of minority-type mating advantage, 29970
control theory in classroom, behavior choices, students & teachers, 31260
decision making process for home vs hospital birth, expectant mothers, 10000
decision making process model of cable TV program choice, household residents, 21152
delay between reinforcement receipt & opportunity to choose & prereinforcer delay, choice of reinforcer, pigeons, 23675
delay of partial or continuous reinforcement in maze arm & hippocampal vs septal lesions, choice preference for partial or continuous maze arm, male rats, 11255
delayed vs immediate reinforcement, choice behavior & self control, male pigeons, 19217
different situations, meaningful choices in intonation, 4.5–5 yr olds, 26872
distance between chosen vs ideal alternatives, postdecisional confidence, test of choice model, 8234
duration of delay during reinforcement & intertrial interval after reinforcement, discrete trial choice behavior, pigeons, 11071
etonitazene choice testing with single vs repeated naltrexone injections, precipitated & spontaneous withdrawal indicating dependence & cross-tolerance to morphine in tailflick test, male rats, 19472
evaluation of achievement motivation theory, initial task choice, reply to criticisms of D. Sohn, 11795
evaluation of cognitive theory & achievement motivation theory of J. W. Atkinson, prediction of initial task choice, comments on study by W. H. Cooper, 11847
factors in applicant choice of master's degree counselor education programs, recent master's graduates, 4798
factors in decision to live alone vs with others, elderly, Canada, 29575
factors in selection of college, academically talented college students, 25835
fits of R. D. Luce's Gaussian multidimensional scaling/choice model vs L. L. Thurstone's model of category judgment to D. E. Kornbrot's unidimensional absolute identification data, 13634
food deprivation level, choice between larger- vs smaller-delayed reinforcer & response rates, pigeons, 16483
FR vs VR reinforcement schedules & delay of reinforcement, indifference point in choice behavior, pigeons, 19220
free choice time in classroom, students, implications for special education, 28054
freedom of choice, causal attributions for success vs failure, high school students & female college students in 3 previous studies, 24192
Generalized Means Model of nondeterministic decision making, 10719
handling time of large vs small food items, choice behavior in concurrent VI & fixed-cumulative-duration schedules, pigeons, lack of support for optimal foraging theory, 26408
high protein vs protein-free carbohydrate diet, dietary choice behavior, normal vs trigeminally deafferented rats, 8508
inconsistency claim of F. Ramsey & proof of framing illusion of L. J. Savage & expected utility model of J. von Neumann & O. Morgenstern, analysis of gambling options, 23349
individual choice behavior under risky & uncertain conditions, college students, 10697
individual differences & choice alternatives, choice time & simplification strategies in increasingly complex decision-making tasks, college students, implications for information-processing model, 285
information-theoretic approach to testing of exact order of brand choice process, 8138
intellectual & personality variable similarity vs complimentarity, mate choice & marital satisfaction, couples, 17078
interest & career value & previous performance, choice of academic subjects, male vs female college students in arts vs science vs mixed specialization, 18544

internal consistency vs self interest pursuit models of rational choice, 10981
intracranial self stimulation from dopamine & pimozide, response rate & choice accuracy, male mice, 5820
levels of water resource availability from surplus to deficit, choice of certain vs uncertain prospect, male rats, 26398
limited freedom of choice in research situations, interpretation of independence of variables & action, 16098
logical consistency in decision making vs choice behavior, college students, 30010
metapreferences in stability of majority rule decision making, implications for choice theory, 27138
model based on minimization of probability of starvation, choice of 2 prey types, foraging animals, 19259
motivational models of choice behavior & bliss points vs minimum needs hypothesis, male rats, 19212
need for research on judgment & choice in organizational context, 2687
participation in decision making, perception of decision as just, experimental Ss, 1110
payoff matrix vs predictability of environmental state in computer simulated game, choice behavior, 3036
person & place affiliations, choice & use of exit, Ss in fire entrapment situation, implications for escape route design, 10666
physiognomic similarity in photographs of engaged & newlywed 18–28 yr old couples, pairing judgments, 18–33 yr old judges, implications for mate selection, 29939
pleasant vs unpleasant feelings evoked while viewing green vs red pen, selection of green vs black pen & response to buy-back offer, female college students, implications for consumer research, 11033
pleasing vs aversive auditory vs visual stimuli, sequencing decisions in forced choice paradigm, college students, 19168
positional strategies during visual discrimination, adult female armadillos, 11078
precued choice vs simple RT, test of F. C. Donder's subtraction method, college students, 13507
preference for control when threatened with aversive event, Type A vs B males vs females, 1192
preference for lever vs rod for obtaining reinforcement under VI schedule, male rats, 19224
preferences & valued characteristics & sex differences in mate selection, 18–40 yr old spouses & college students, 19790
prestige & sex type & vocational interests, college course choice, 17–42 yr old high school equivalency students, implications for occupational preference, 7791
prisoner's dilemma game, mechanisms by which people choose cooperative over competitive behavior when individual interests conflict with common interest, college students, 17227
probability & delay of reinforcement, discrete-trial choice in key peck paradigm, White Carneaux pigeons, 16353
probability determination of choice strategies, comments on work by R. Jeffrey, 16300
procedures for assessment of value & assumption of order in theories of economic behavior, 10709
product attributes, brand categorization process for purchase of TV set in limited problem solving situation, consumers, test & extension of J. E. Brisoux & M. Larouche's model, 26058
psychological factors in decision to carry vs not carry organ donor card, 20447
reasons for college selection, male vs female college athletes receiving full vs partial scholarships, 18553
reasons for hiring & selection process & client evaluations of divorce attorneys, divorcing parents of minor children, 27068
role of rationality & recrimination in regret, implications for theory of R. Sugden & G. Loomes, 27214
self assessment in choice of cognitive abilities test forms that varied in diagnosticity of success & failure & difficulty, college students, 27213
self esteem & evaluation of choice of discussion partners, female college students, 6361
self esteem & use of self protective strategies, self enhancing vs self assessing vs self evaluative task choice, college students, 3774
semantic stimulus-response compatibility & average movement velocity & foreperiod duration, choice RT, right-handed Ss, 5398
sex differences, selection of institution for higher education, college students, 10452
social identity & group size & decision framing, choice behavior in social dilemmas, college students, 19789
statistical analysis of reinforcement procedures used in experiments relating to choice, animals, 16359
statistical properties of threshold estimation from forced choice psychometric functions, 19020
status-participation & high-cultural interests & activities, educational attainment & marital selection, adult males vs females, 11-yr followup, 14269
temporal integration in duration & number discrimination in psychophysical choice procedure, male rats, 11073
theoretical analysis of chain store paradox, 10700
types of participation & role models in goal setting, goal acceptance & satisfaction & performance, college students, 9104
uncertainty due to complexity & change, choice behavior in local public welfare agency, managers, 13197
unexpected situations, disparity between stated intention & actual consumption of food & beverages, household members, 7910
use of park-ride lots & toll-free lanes, disaggregate choice model procedure, marketing managers, 10671
variations in carbohydrate & protein & fat content of diet, dietary selection patterns, obese vs lean rats, conference presentation, 21369
verdict options, probability of acquittal vs conviction, jurors, comments on article by N. Vidmar, 21857
word recognition in vocabularies of specific sizes, 18–30 yr olds, application of signal detection vs choice theory, 21190

Cholecystokinin

acute neuroleptic treatment, brain cholecystokinin levels, rats, conference presentation, 19445
acute vs subchronic stress, cholecystokinin & substance P in hippocampus & septum & prefrontal cortex & dentate gyrus, male rats, conference presentation, 16499
angiotensin & cholecystokinin, integration of physiological & psychological functions, conference presentation, 21301
behavioral & neuropharmacological effects of cholecystokinin & related peptides, conference presentation, 19518
behavioral paradigms for study of cholecystokinin in brain & gastrointestinal system, literature review, conference presentation, 29309
bilateral intra-accumbens injection of cholecystokinin octapeptide analog, open field locomotor & rearing activity, male rats, 21583
bombesin vs cholecystokinin, feeding behavior, rats & mice & baboons & humans, literature review, conference presentation, 16634
central nervous system-induced secretion of cholecystokinin, food intake, animals & humans, conference presentation, 19315
ceruletide & cholecystokinin octapeptide & morphine injected into periaqueductal gray matter, nociceptive motor responses & activity, rats, conference presentation, 19463
ceruletide diethylamine, male chronic schizophrenic 22–60 yr olds, 27940
ceruletide, schizophrenic patients with residual symptoms following stabilization with neuroleptics, 30754
cholecystokinin & ceruletide, satiation & food intake & appetite, lean vs obese humans, conference presentation, 19503
cholecystokinin administered to lumbosacral spinal cord, opiate-mediated footshock analgesia, rats, conference presentation, 19440
cholecystokinin binding in hippocampus & frontal cortex & amygdala & temporal cortex & caudate nucleus postmortem membrane preparations, deceased schizophrenic patients, 17335
cholecystokinin, exploratory & feeding behavior, rats, conference presentation, 19432
cholecystokinin, feeding behavior, animals & humans, conference presentation, 19476
cholecystokinin, frequency & appearance of satiety behaviors, obese 10 wk old mice, conference presentation, 19506
cholecystokinin immunoreactivity in CSF, patients with Parkinson's disease & unipolar & bipolar depression & schizophrenia, implications for dopamine theory of schizophrenia, 14566
cholecystokinin injection into nucleus accumbens vs caudate nucleus, apomorphine-induced stereotypy & dopamine-induced hyperlocomotion, male rats, conference presentation, 16601

cholecystokinin injections into nucleus tractus solitarius, food intake & exploratory behavior, male rats, conference presentation, 19430
cholecystokinin levels in limbic lobe, deceased schizophrenic patients, conference presentation, 19916
cholecystokinin octapeptide & proglumide, electrically elicited eating, male rats, conference presentation, 19495
cholecystokinin octapeptide &/vs vasoactive intestinal peptide, rearing & sniffing & head stereotypy & grooming, neofrontal-decorticated male rats, conference presentation, 19466
cholecystokinin octapeptide, CNS, 20–59 yr old chronic schizophrenics receiving concomitant neuroleptics, conference presentation, 20404
cholecystokinin octapeptide, food intake & gastric emptying, normal vs vagotomized males, conference presentation, 20465
cholecystokinin octapeptide iv into nucleus accumbens, intracranial self stimulation derived from ventral tegmental area, rats, conference presentation, 19508
cholecystokinin octapeptide, potentiation of dopamine-induced hyperlocomotion in nucleus accumbens, male rats, 5832
cholecystokinin octapeptide, self stimulation & locomotor activity, rats, conference presentation, 19448
cholecystokinin octapeptide sulfate ester vs nonsulfated cholecystokinin octapeptide & familiar vs novel environment, feeding behavior, male rats, 8557
cholecystokinin octapeptide vs ceruletide vs ceruletide analogs, antagonism of apomorphine-induced gnawing & cage climbing, male mice sensitized by scopolamine or teflutixol, 5954
cholecystokinin octapeptide vs tetrapeptide injections into nucleus accumbens vs nucleus caudatus vs medial prefrontal cortex, locomotor & rearing responses, male rats, 8561
cholecystokinin tetrapeptide &/vs proglumide, open field locomotion & rearing, male rats, 16659
cholecystokinin vs bombesin, food rewarded operant responding, female rats, 11270
cholecystokinin vs bombesin vs caerulein, serum pancreatic polypeptide induced satiety, vagotomized male rats, 21465
cholecystokinin-8 vs bombesin vs insulin vs toxin, diet self selection & taste aversions & feeding satiety, male rats, conference presentation, 21614
chronic treatment with cholecystokinin, midbrain dopamine neurons, male rats, conference presentation, 19514
depletion of methionine- & leucine-enkephalin & cholecystokinin-8 & substance P, development of parkinsonian symptoms, 1506
differential role of sulfated vs unsulfated cholecystokinin octapeptide with dopamine in CNS, conference presentation, 19482
distribution of cholecystokinin & other neuropeptides, mammalian brain, conference presentation, 19321
dosage & administration methods for cholecystokinin & bombesin & thyrotropin releasing hormone & calcitonin, food & water intake, golden hamsters, 14025
efficacy of ceruletide, schizophrenic patients, 12563
endogenously produced & exogenously administered antibodies to cholecystokinin, food intake & weight gain, rats, 5899
exogenous cholecystokinin, satiation, implications for treatment of bulimia & obesity, conference presentation, 19500
feeding vs fasting, cholecystokinin level in hypothalamus, obese vs lean rats, 21344
food deprivation, content of cholecystokinin/gastrin & met-enkephalin immunoreactivity in specific brain sites as indicator for role in hunger/satiation, male sheep, 26579
icv & ip administration of sulfated vs nonsulfated cholecystokinin octapeptide, tailpinch-induced feeding, male rats, 16812
icv vs ip administration of ceruletide vs cholecystokinin, satiety through ventromedial hypothalamus vs abdomen, rats, 690
intracranial self stimulation & drug discrimination paradigms, psychopharmacological effects of cholecystokinin, male rats, conference presentation, 19434
lesions induced by 6-hydroxydopamine, response to cholecystokinin octapeptide vs tetrapeptide vs apomorphine vs methamphetamine, male rats, 11247
lesions of hypothalamic paraventricular nucleus vs amygdala central nucleus vs bed nucleus of strain terminalis, cholecystokinin-induced feeding & exploratory behavior, male rats, 26599
localization of cholecystokinin receptors & nociceptive neurons in midbrain central gray, rodents, conference presentation, 19328
low dose of cholecystokinin, ingestive intake & gastric emptying, neonatal rats, conference presentation, 19487
naloxone, antinociceptive action of morphine vs caerulein, male rats, conference presentation, 19497
neuroleptic-free treatment with vs without ceruletide, cholecystokinin octapeptide levels in CSF, patients with Parkinson's disease vs unipolar vs bipolar depression vs schizophrenia, conference presentation, 20399
neuroleptic-like activities & antipsychotic action of cholecystokinin octapeptide & ceruletide, rats vs schizophrenic patients, conference presentation, 20421
occurrence & concentration of cholecystokinin octapeptide & other gastrins in CNS, conference presentation, 19322
oropharyngeal stimulation, cholecystokinin-induced satiety during sham feeding, male rats, 23885
proglumide, cholecystokinin antagonist in dopamine neurons in midbrain & prefrontal & sensorimotor cortex, conference presentation, 19424
proglumide, opiate analgesia & reversal of morphine tolerance, rats, implications for role of cholecystokinin in opiate tolerance, conference presentation, 19513
proglumide with vs without morphine, analgesia & tolerance, male rats, 19491
sex & estrous cycle, brain levels of cholecystokinin, rats, conference presentation, 19337
somatostatin & bombesin & cholecystokinin levels in CSF, schizophrenic patients, 6507
substance P & methionine-enkephalin & neurotensin & cholecystokinin in brain regions, deceased 19–83 yr old alcoholics & opiate users & suicide & psychotic & schizophrenic patients, 6442
sulfated vs nonsulfated cholecystokinin octapeptide, dopamine interactions in nucleus accumbens, conference presentation, 19512
sulfated vs unsulfated cholecystokinin octapeptide injections into nucleus accumbens, dopamine-mediated behaviors, male rats, conference presentation, 19431
sulphated vs desulphated cholecystokinin octapeptide dosages, ethanol consumption, rats, 660
vagotomy, pyloric cholecystokinin binding & receptor sites, 19409
vasoactive intestinal peptide vs cholecystokinin octapeptide, hypermotility, male rats, 8556
vasoactive intestinal polypeptide & cholecystokinin & gastrin levels in CSF, patients with endogenous vs nonendogenous depression vs mania vs schizophrenia, 3842

Cholesterol

cholesteryl gamma aminobutyrate, orthodromically evoked discharge of hippocampal pyramidal cells, rat hippocampal slices, 3296
coronary prone behavior & serum cholesterol & magnesium levels & alcohol consumption, middle aged males, conference presentation, 9620
ethanol consumption in mo or yr prior to hospital admission vs abstinence, plasma high density lipoprotein cholesterol levels, alcoholic 20–70 yr olds, 14677
methodology & smoking & elevated serum cholesterol, coronary heart disease, morbidity & mortality, 24962
serum cortisol & beta-endorphin & norepinephrine & thyroid-stimulating hormone & cholesterol & anxiety & stress appraisal & coping style, postoperative psychosis, male patients undergoing aortic valve replacement assessed pre- & postsurgery, 22623
stress & lifestyle & cholesterol level & weight, coronary heart disease, conference presentation, 12293

Choline

age & chronic choline-containing diets, learning & retention, male C57BL/6NNIA mice, 16719
choline &/vs scopolamine, memory, healthy 18–30 yr olds, 16724
choline-enriched diet, amnesic effects of anisomycin following passive avoidance training & choline acetyltransferase & tyrosine hydroxylase activity, 2–3 vs 14–16 vs 17–20 mo old male mice, 5903
chronic administration of oxotremorine or methylatropine, muscarinic receptor plasticity in frontal cortex, 3–6 vs 9–12 vs 27–30 mo old male rats, 16750
cytidine (5')diphosphocholine, haloperidol-induced striatal dopamine synthesis & apomorphine-induced stereotypy, male rats, 621

duration of immobilization stress, high affinity choline uptake & synthesized acetylcholine release & quinuclidinyl benzilate binding, female rat hippocampal preparations, 21373
ethylcholine aziridinium, presynaptic cholinotoxicity, rats & mice, implications for animal model of Alzheimer's disease, 16705
fimbria lesions & chronic injections of nerve growth factor, behavior assessed by memory of maze learning task & hippocampal choline acetyltransferase activity, female rats, 23905
forebrain lesions, choline & dopamine & serotonin brain levels & avoidance conditioning & spatial discrimination, rats, implications for role of cholinergic system in human memory & Alzheimer's disease, 11252
ganglioside, choline acetyltransferase activity & noradrenaline levels in cerebral cortex & acquisitional avoidance responses, rats with lesioned cholinergic forebrain nuclei, 13881
haloperidol vs clonazepam, Tourette's syndrome patients with high vs low red blood cell-to-plasma choline ratios, 27983
lesions of substantia innominata, acetylcholinesterase activity & muscarinic receptor number & subtypes in cerebral cortex, male rats, 16523
lithium vs neuroleptic vs antidepressant therapy, red blood cell & plasma choline levels, psychiatric patients, 7183
piracetam & choline & presentation of object vs stuffed sparrow hawk, hippocampal electrical activity, male rabbits, 16626
purified soya lecithin, plasma choline levels, Alzheimer's disease patients, 22558
red blood cell/plasma choline levels, elderly patients with Alzheimer's disease, 14798
role of cholinergic metabolism in Alzheimer's disease & presenile dementia, 4096
tendency of cholinergic neurons to utilize choline in membrane phosopholipids as structural component & as source for acetylcholine synthesis, pathogenesis of Alzheimer's disease, 30485
3-4-diaminopyridine vs pramiracetam vs centrophenoxine vs piracetam vs aniracetam vs lysine vasopressin, hippocampal cholinergic neuronal activity assessed by choline uptake, male rats, 16794

Choline Chloride [See Choline]

Cholinergic Blocking Drugs [See Also Atropine, Nicotine, Scopolamine, Trihexyphenidyl]
acute vs chronic exercise & fitness level, sensitivity to scopolamine vs synthetic muscarinic antagonists, male rats, 21553
alpha- vs beta- vs cholinergic receptor blockers & epinephrine vs angiotensin, immobilization stress-induced changes in cerebral blood flow & partial pressures of oxygen & carbon dioxide, male rabbits, 16494
anticholinergic agent tolerance & decrease in acetylcholine agonists, increased binding to muscarinic receptors in brain & motor inhibitory actions of pilocarpine, male rats, 16703
benztropine & high potency neuroleptic drugs, prevention of dystonic reactions, psychiatric inpatients, 28005
benztropine mesylate & systematic desensitization & supportive psychotherapy, 55 yr old female with hyperhidrosis of palms & feet, case report, 30499
chlorpromazine & haloperidol & amitriptyline & other antipsychotic & antidepressant drugs, antimuscarinic activity in cerebral cortex & striatum, 71 yr old male & male rats, 16605
cyclo-glycyl analog of prolyl-leucyl-glycinamide, avoidance behavior & neuroleptic-induced dopamine receptor supersensitivity & tolerance, rats, conference presentation, 5884
development of acute pancreatitis after overdose with amoxapine & procyclidine, 26 yr old female with schizoaffective disorder, case report, 27588
duration of immobilization stress, high affinity choline uptake & synthesized acetylcholine release & quinuclidinyl benzilate binding, female rat hippocampal preparations, 21373
flavors paired with apomorphine vs scopolamine vs methscopolamine vs physostigmine vs neostigmine, chin rub CRs & flavor avoidance, male rats, 29475
gallamine triethiodide vs pempidine vs alpha-bungarotoxin injections into hippocampo-subiculo-entorhinal area, mediation of passive avoidance learning, 11 vs 16 vs 20 day old rats, 21482
hemicholinium-3 vs atropine, brain acetylcholine levels & light-induced circadian phase shifts, male rats, 26720
inhibition of choline uptake by ethylcholine aziridinium chloride, passive avoidance retention, mice, implications for role of hippocampal cholinergic activity in passive avoidance, 3313
muscarinic anticholinergic serum levels, recall & recognition memory, 25–49 yr old chronic schizophrenic inpatients taking neuroleptics, 18093
oxotremorine vs arecoline hydrobromide vs pilocarpine, intromission & latency to ejaculation, male rats pretreated with methscopolamine bromide, 23936
physostigmine vs atropine vs benactyzine, learning & performance, male monkeys, 21570
pilocarpine vs atropine vs hemicholinium, haloperidol-induced catalepsy, male mice, 8564
proglumide, opiate analgesia & reversal of morphine tolerance, rats, implications for role of cholecystokinin in opiate tolerance, conference presentation, 19513
proglumide vs saline with vs without food preload, food intake, normal vs vagotomized rats, conference presentation, 19498
radioreceptor assay in screening for cognitive toxicity of anticholinergic drugs, chronic & stable psychiatric outpatients, 20393
scopolamine, learning & memory, 1 vs 2 vs 10 day old rats, 5912

Cholinergic Drugs [See Also Physostigmine, Pilocarpine]
alaproclate, tremor & salivation induced by oxotremorine vs arecoline vs physostigmine, male rats & mice, implications for Huntington's chorea & Alzheimer's disease, 14032
arecoline &/vs edrophonium &/vs oxotremorine &/vs tacrine, active avoidance performance, male mice, 16625
benzodiazepines vs amphetamine vs oxotremorine vs picrotoxin vs morphine vs nicotine vs quipazine vs Ro 15-1788, generalization of midazolam maleate trained responding, male rats, 23968
bioavailability of oral physostigmine salicylate, 20–37 yr old males, implications for Alzheimer's disease, 30793
cholinergic drugs, retention of passive avoidance response, male rats, 23980
cholinergic drugs vs lesions of nucleus basalis or fimbria-fornix, delayed matching, female rats, 23958
chronic administration of oxotremorine or methylatropine, muscarinic receptor plasticity in frontal cortex, 3–6 vs 9–12 vs 27–30 mo old male rats, 16750
chronic infusion of nicotine vs oxotremorine into blood, respiratory & heart rates & body temperature & Rotarod performance & maze activity, mice, 3306
concentration of somatostatin & activity of choline acetyltransferase, neuronal hypometabolism, postmortem evaluation of Alzheimer's disease, 30785
diisopropylfluorophosphate vs oxotremorine & physostigmine, behavioral supersensitivity to muscarinic antagonists, rats, 23962
oxotremorine vs arecoline hydrobromide vs pilocarpine, intromission & latency to ejaculation, male rats pretreated with methscopolamine bromide, 23936
oxotremorine vs physostigmine, body weight & withdrawal, morphine-dependent male rats, 16833
sensitivity to cholinergic drugs & muscarinic receptor density & affinity, 3–6 vs 9–12 vs 27–30 mo old rats, 538

Cholinergic Nerves
acetylcholinesterase-containing fibres in dorsal tegmental pathway & role in failure of cholinergic mechanisms, rats, implications for Alzheimer's disease, 29302
ACTH, grooming behavior, male rats, implications for role of cerebral cholinergic neurons & muscarinic receptors, 8531
anatomy & physiology of basal forebrain cholinergic system, primates, implications for role in Alzheimer's & Parkinson's disease & elderly with Down's syndrome, 16420
characteristics of muscarinic cholinergic receptors on human skin fibroblasts, patients with major affective disorder, 1341
cholinergic mechanisms in possible genetic predisposition to affective disorders, 1379
CSF acetylcholine & plasma cortisol & growth hormone as potential indicators of cholinergic deficits, diagnosis, 49–80 yr olds with Alzheimer's disease, 30379
ECS, muscarine cholinergic receptor binding in cerebral cortex & anterograde amnesia, rats, 19399
function of cholinergic synapses in & physostigmine as possible therapy for Alzheimer's disease, British Pharmacological Society symposium papers, 6726
ganglioside, choline acetyltransferase activity & noradrenaline levels in cerebral cortex & acquisitional avoidance responses, rats with lesioned cholinergic forebrain nuclei, 13881

high dose dextromethamphetamine, forced lever performance & sensitivity to effects of physostigmine & atropine & mecamylamine on cholinergic neurons, rhesus monkeys, 26725
history of & current research in cholinergic hypothesis of geriatric memory dysfunction, 17551
icv ethylcholine aziridinium ion, cholinergic system of brain, rats, implications for animal model of Alzheimer's disease, 16670
impulse flow & conduction latencies of cholinergic input from nucleus basalis to frontal cortex, 6–8 vs 20–29 mo old female rats, 29259
intrahypothalamic injection of carbachol or atropine, radiogenic hypodipsia, rats, 16720
muscarine cholinergic receptors in area postrema & brain stem areas, regulation of emesis, squirrel monkeys, 8404
scopolamine injections in midbrain central gray, cholinergic mediation of hormone-induced sexual receptivity, female rats, 26734
sensory & autonomic & motor denervation, cholinergic involvement in trigeminal antidromic vasodilatation & plasma extravasation, male rats, 26598
sulbutiamine, long term retention of leverpress conditioning & changes in hippocampal cholinergic activity, male mice, implications for role of thiamine deficiency in memory disorders, 21558
Cholinesterase
ACTH 4-9 analog, somatostatinlike immunoreactivity & cholinesterase activity & dopamine-beta-hydroxylase & homovanillic acid CSF levels, 58–90 yr olds with Alzheimer's disease, 20177
cortical cholinergic levels & cognitive impairment, postmortem study of 62–92 yr old patients with Parkinson's vs Alzheimer's disease, 6838
dosage of pralidoxime mesylate, conditioned taste aversion & operant behavior & locomotor activity, male rats, 29449
methyl parathion dosages, susceptibility to domestic cat predation as measured by brain cholinesterase activity, bobwhite quail, 639
plasma & erythrocyte & CSF cholinesterase activity, patients with Alzheimer's vs Parkinson's disease vs alcoholism vs multiple sclerosis vs stroke, 30430
pseudocholinesterase serum levels & trait anxiety, 21–40 yr old females with premenstrual syndrome, 6774
Cholinesterase Inhibitors [See Also Neostigmine, Physostigmine]
anticholinesterase & corticosteroids & electrographic findings, myasthenia gravis, 61 yr old male with progressive asthenia & dysphagia & dysphonia & diplopia, 12594
anticholinesterase compounds soman vs sarin, induction of naloxone reversible analgesia, male mice, 16596
benzodiazepines vs naloxone vs propranolol vs diisopropyl fluorophosphate, shock-induced renin & prolactin secretion, male rats, 24043
diisopropylfluorophosphate vs oxotremorine & physostigmine, behavioral supersensitivity to muscarinic antagonists, rats, 23962
diisopropylphosphofluoridate, tolerance to antinociceptive effect & to morphine, male mice, 16599
phenylmethanesulfonyl fluoride vs methanesulfonyl fluoride vs physostigmine salicylate, suppression of methylphenidate-induced stereotyped gnawing, female rats, 5907
physostigmine vs soman, nociception assessed by tailflick & hotplate tests, male rats, 16776
sc vs ip injection of anticholinesterase agents, schedule-controlled behavior & acetylcholinesterase levels in brain vs gastrointestinal tract, male rats, 16570
subacute soman intoxication, regional sensitivity of neuroleptic receptors, rats, 8617
subchronic soman administration, acquisition of discriminant shock avoidance-escape behavior, male rats, 21510
Cholinolytic Drugs [See Cholinergic Blocking Drugs]
Cholinomimetic Drugs [See Also Acetylcholine, Arecoline, Carbachol, Neostigmine, Physostigmine, Pilocarpine]
atropine vs verapamil vs bethanechol vs cold restraint stress, gastric emptying of resin, rats, 29352
Chorea [See Also Huntingtons Chorea]
copper clearance, 11–48 yr olds with chorea, 1537
inheritance & differential diagnosis, 17 & 8 yr old sisters with benign familial chorea, 12162
Choroid [See Eye (Anatomy)]
Choroid Plexus [See Cerebral Ventricles]
Christianity [See Also Fundamentalism, Protestantism, Roman Catholicism]
attitudes toward females & just world & locus of control beliefs, male vs female English Christians vs Indian Hindus vs Zoroastrians, 14250
behavioristic analysis of work of Justin Martyr, 5178
causality & freedom & responsibility in J. Wesley's Christianity vs B. F. Skinner's behaviorism traditions & approaches to integration, Christian psychologists, 15559
Christ imagery in psychotherapy, traumatic memory of incest & resultant self mutilation, 23 yr old female, 17769
Christian counseling in holistic health care, mother with chronic grief over stillborn child, 18219
Christian-oriented psychotherapy, resolution of guilt through regaining of religious faith, male analysand in his 20s, 17847
Christian therapy & changing perceptions of God, anger & denial, 35 yr old female who had been sexually abused as child, 17783
Christian therapy & dream analysis, recurrent cycle of anxiety & agitation & depression, 35 yr old male, 17791
Christian therapy & theological justification for treatment, fear of public disgrace following unprofessional sexual conduct toward married female church member, senior Anglican clergyman, 17890
Christian therapy, disturbed object relations & relationship with God, illustrative interviews with 2 males in their 30s, 17896
Christianity's affirmation of personhood & personality theory, 14279
clash of Christian theology with deterministic psychology & psychoanalysis, 20th century, 978
components of J. Piaget's theory of learning & parabolic method used by Jesus, 17042
counseling & Christian spiritual renewal, marital difficulties, married 30 yr old male & 24 yr old female, 17973
dogmatism & doctrinal orthodoxy & styles of religiosity, late adolescents & young adults, conference presentation, 8871
dream interpretation & spiritual counseling through prayer, resistance to therapy & intense rage, Christian female analysand, 17850
emotional & psychosocial differentiation from family of origin in premarital preparation process & Christian perspective, 14314
empirical studies of Christian prayer, literature review, 17041
evangelical Christian affiliation & educational level, self esteem, female vs male students vs administrators vs government employees, 27168
family & Christian church in building moral character, 8988
fictional psychological evaluation report by Christian psychologist, 23 yr old suicidal Black male, 17449
human conscious experience as embodied in rather than interactive with brain activity & artificial intelligence & Christianity, conference presentation, 29286
human potential movement & its Judeo-Christian heritage, 7936
lack of colleague contact & role confusion in outside relationships & client confidentiality, sense of isolation, Christian psychotherapists, 28311
model & use of contemplative prayers in psychotherapy, 27780
moral development, freshmen college students at Christian liberal arts college assessed again as seniors, 4-yr longitudinal study, 15809
morality & Christian faith in education in context of changing social values, 8935
parapsychology & Christian hope of resurrection, 2752
participation in "mourning" ritual, psychological symptoms, 18–45 yr old Spiritual Baptists, West Indies, 17723
preference for treatment plans of Christian counselors, Christian vs non-Christian clients, partial replication & extension of study by S. G. Dougherty & E. L. Worthington, Jr., 7397
psychoanalytic Christian counseling, self esteem & dependent personality, 45 yr old divorced female who was abused by her ex-husband, 17766
psychoanalytic meaning of Christ & M. Luther's theological development, 19710
psychoanalytic psychotherapy, individual's internal state & understanding of God, 35 yr old male, implications of object relations theory for Christian-oriented psychotherapy, 17790
psychodynamics & structuralist model of Christian conversion, 981

psychological view of problems in philosophy & cultural & missionary practice of Constantine St. Cyril & Method, Slovakia, 19707
psychotherapeutic techniques & Christian healing prayer, female in her 30s who had been sexually abused as child, 17761
psychotherapy & hypnotherapy & spiritual healing through prayer, depression & dissociation, pastor's wife, 18217
rational emotive therapy concept of acceptance & Biblical principle of forgiveness, Bible Belt Christians, 27844
relationship of Jung to his father & Christian belief, conference presentation, 13321
significance of Jung's father in Jung's development as therapist of Christianity, conference presentation, 13325
social & religious history of hostility toward masturbation in Western culture, 17170
stage of moral reasoning, religious & political conservative vs liberal male vs female college students, 26790
theology & psychology, transformation of anxiety into inner peace, illustrative case report, 17891
trend of "recipe knowledge" & spiritual technology & growth of dogmatism in Christian theology, conference presentation, 8957
validity & reliability of Shepherd Scale, differentiation between Christians vs non-Christians, college students, 5325

Chromosome Disorders [See Also Autosome Disorders, Crying Cat Syndrome, Downs Syndrome, Klinefelters Syndrome, Sex Chromosome Disorders, Translocation (Chromosome), Trisomy, Trisomy 21, Turners Syndrome]
abnormalities in chromosome 15, 2 mo to 9 yr olds with Prader-Willi syndrome symptoms, 17584
chromosomal abnormalities, 4 cases of Prader-Willi syndrome, implications for diagnosis & symptomatology & genetic counseling, 17699
chromosome abnormalities, 2–20 yr olds with autism vs other psychoses vs Asperger's syndrome, 17345
fragile X chromosome, degree of mental retardation, 1–69 yr old males with autism, 14595
fragile-X syndrome & degree of mental retardation, autistic behavior, 2–17 yr old males, 22262
intellectual & behavioral & linguistic characteristics of 18p– syndrome, female children, 17686
intellectual & memory & language functions & phenotypic features, noninstitutionalized 4–63 yr old family members with pattern of genetic transmission of fragile-X syndrome, 30325
methodology for performing quantitative assay for aneuploidy, implications for study of Down's syndrome, conference presentation, 17503
methylphenidate, mood & behavior & motor function, mentally retarded 28 yr old male with ring 22 chromosome, 22579
physical & psychological & cytogenetic characteristics & treatment of Fragile X syndrome, literature review, 4060
screening for fragile X syndrome & phenylketonuria, 4–21 yr old autistic males, 1356

Chromosomes
construction of genetic linkage map of chromosome 21 & use as diagnostic tool, implications for diagnosis of Down's syndrome, conference presentation, 17510
crossing of single pair of autosomal alleles, susceptibility to caffeine-induced lethality, SWR vs CBA inbred mouse strains, 21281
identification & characterization of genes on chromosome 21, implications for etiology of Down's syndrome, conference presentation, 17501
identification of chromosome 21 probes, implications for study of molecular basis of Down's syndrome, conference presentation, 17499
identification of genes & DNA sequences on chromosome 21, pathogenesis of Down's syndrome, conference presentation, 17523
mapping of genes on human chromosome 21 & mouse chromosome 16, implications for study of Down's syndrome, conference presentation, 17500
potential use of restriction fragment length protein polymorphisms as linkage markers showing genetic links with disease susceptibility loci & disorder, 19370
structure & expression of genes on chromosome 21 assessed by DNA clone of human cytoplasm superoxide dismutase, implications for etiology of Down's syndrome, conference presentation, 17509

Chronic Pain
activity level & chronic back pain intensity, patients, 6815
acupuncture & tomography, chronic pain, 20–81 yr old patients, 18158
advances in behavioral assessment & treatment, chronic pain, 27908
analysis of shaded human-figure drawings as measure of laterality of pain, chronic pain patients, 27617
anxiety, chronic pain patients, 27591
attitude scale, measurement of beliefs about pain, patients with chronic low back pain, 30384
attribution of life problems to dysphoric affect &/vs physical illness in conversion process, physiological correlates, 20–62 yr old patients with chronic pain with no somatic cause, 6878
beta-endorphin vs dynorphin, 27–79 yr old chronic pain patients, 18117
biomedical & physiological & psychometric assessment techniques, chronic low back pain, literature review, 6794
brief psychodynamic psychotherapy, chronic pain, 22–57 yr old patients attending pain clinic, 20294
chronic back pain, perceived quality of life, rehabilitation patients, 17568
chronic illness, family dynamics, 27 yr old female with lower back pain & her family, implications for family therapy, 17978
chronic pain & current or past history of depression & anxiety & substance abuse, 30–66 yr old males with undiagnosed posttraumatic stress disorder, 27267
chronic pain & depression, low back pain patients, 20226
chronic pain & marital problems, chronic pain patients & their spouses, implications for family treatment, 20499
clinical role in chronic pain treatment & diagnosis, clinical neuropsychologists, 27667
cognitive & emotional factors mediating attentive responses, spouses of chronic pain patients, 1522
cognitive distortion & disability, patients with chronic low back pain, 22329
cognitive distortion associated with Depression vs Psychasthenia vs Schizophrenia vs Hypochondriasis vs Hysteria MMPI scales, depressed low back pain patients, 30463
cognitive psychological framework, understanding & treatment of chronic pain, 1873
concepts & goals of behavioral treatment programs, chronic pain, 18000
conceptualization & epidemiology of chronic pain, 27660
concurrent & predictive validity of Millon Behavioral Health Inventory & correlation with MMPI & Beck Depression Inventory, prediction of treatment outcome, 22–80 yr old chronic pain patients, 10840
conservative vs surgical treatment approaches, chronic back pain, implications for rehabilitation counselors, 2167
cross-validation of Back Pain Classification Scale, chronic low back pain & headache patients, 18982
degree of agreement on characteristics of chronic pain behaviors, physicians & psychologists, 1652
demographics & nature of pain & treatment history, choice & outcome of 4 hospital-based pain management programs, chronic pain patients, 18262
dexamethasone suppression test results, chronic pain patients with vs without depression, 30068
diagnosis according to DSM-III nomenclature on 5 axes, 18–69 yr olds with chronic pain, implications for concept of psychogenic pain disorder as variant of depression, 24668
diagnostic procedures & psychiatric management, female 20 & 21 & 39 yr old patients with thoracic outlet syndrome following automobile accident, 17602
didactic information & relaxation training & cognitive behavioral techniques, self concept & attitudes toward illness, 37–61 yr old female pain patients in outpatient pain management program, 27911
directive group therapy integrating psychodynamic & cognitive & behavioral models, 24–65 yr old chronic pain patients, 15042

EEG power spectrum analysis & hemispheric specialization, pain perception, 20–54 yr old chronic somatogenic vs psychogenic pain patients, 20134
effectiveness of outpatient behavior therapy program, management of chronic pain, 17–58 yr old chronic pain patients, 9843
efficacy of magnetic necklaces, chronic neck & shoulder pain, adults, 4246
EMG biofeedback assisted relaxation training, beta-endorphin levels & muscle tension & analgesic medication dosage, 37–61 yr old chronic pain patients, 27921
EMG scanning protocol as assessment tool for outcome measures of biofeedback treatment, chronic pain patients, 27890
extraversion & emotional adjustment, rehabilitation patients with traumatic vs nontraumatic disabilities associated with chronic pain vs motor loss, 22300
factor analysis of McGill Pain Questionnaire, differential diagnosis & classification & treatment decisions in pain syndromes, chronic pain patients, support for R. Melzack & K. L. Casey's hypothesis, 5347
factor structure of pain experience & responsivity, 24–77 yr old chronic pain patients, 6795
family history & psychiatric diagnosis, 24–70 yr old chronic pain patients, 6804
frequency of hypochondriasis & disease connection & psychological & somatic perception of illness & affective inhibition & disturbance & denial, 10–69 yr old dental patients in acute vs chronic pain, 30353
goals & structure of multidisciplinary chronic pain treatment programs, 27707
illness self concept, prediction of response to EMG biofeedback, 18–57 yr old patients with chronic musculoskeletal pain, 7139
incidence of depression & alcoholism & chronic back pain, 1st-degree relatives of chronic pain patients with vs without depression, 6443
life events & environmental & psychological stress & family & work environments & pain experience, ambulatory chronic low back pain patients, 20144
long term use of low dosages of narcotic analgesic drugs, 18–61 yr old chronic pain patients, 1919
maprotiline, chronic pain, 19–67 yr old patients, 15158
McGill Pain Questionnaire vs MMPI vs SCL-90-R vs State-Trait Anxiety Inventory vs rating scale, assessment of anxiety & depression, chronic pain patients with mean age of 45.6 yrs, 129
medical history & pain intensity, patterns of walking & pain behavior, patients with chronic low back pain, 4150
mindfulness meditation, chronic pain, patients, 1881
MMPI profile subtypes & diagnosed affective disorder, 34–82 yr old male hospitalized patients with chronic low back pain, 30056
mood & anxiety level & muscle tension & reclining time, chronic pain patients, 6816
multidisciplinary inpatient treatment program, self concept, patients with chronic spinal pain, 15347
multidisciplinary pain center, outcome, patients, 1–5 yr followup study, 6942
multidisciplinary pain management program, 22–74 yr old pain patients who completed vs did not complete program, 24–43 mo followup, 27704
multimodal pain treatment program & MMPI subtest scores, prediction of treatment outcome, male chronic pain patients, 22377
neurological & neurohumoral & psychological hypotheses, mechanism of acupuncture in treatment of chronic pain, literature review, 1999
pain, short & long term memory impairment & associative learning & mental control, male vs female headache patients, 6732
paraspinal EMG biofeedback, chronic low back pain, 20–65 yr old sufferers, 25224
patterns of skin conductance & heart rate & skin temperature, psychiatric patients referred for chronic pain, 6432
persistent pain, levels of complaint vs behavioral avoidance patterns vs depression, 16–60 yr old chronic headache sufferers, 4185
personality traits & onset of pain experiences, 18–68 yr olds suffering from chronic migraine &/vs tension headaches, 24862
physical assessment & treatment, chronic pain, 27713
positive vs negative life events & distress, chronic low back pain, patients, 24991
prediction of treatment outcome & development of expanded screening test, chronic pain outpatients, experimental replication, 25072
prevalence & symptoms of stress-related posttraumatic chronic pain syndrome, 20–68 yr old chronic pain patients, 27634
reliability & validity of pain behavior checklist, measurement of behavioral consequences of pain & factor structure of pain behavior, 16–60 yr old chronic headache sufferers, 18974
review of behavioral approaches in multidisciplinary pain programs, chronic pain patients, 22369
role of family in etiology & selection & perpetuation of psychosomatic illness, family members with chronic pain, implications for family therapy, 30650
roles & responsibilities in multidisciplinary pain clinics, psychologists, 15496
self concept & performance motivation, physical performance level, 25–55 yr old chronic low back pain patients, 9610
self efficacy & concern ratings, multidisciplinary pain-management program treatment outcomes, 25–73 yr old chronic pain patients, 27530
sleep disturbance, chronic pain patients, 22315
social control vs patient compliance model for analysis of medical management, problem pain patient, 1697
social factors, chronic pain, implications for multidisciplinary team approach, 27515
symptoms of anxiety & depression, chronic low back pain patients, 20227
systems theory conceptualization of chronic pain, 1554
thermal biofeedback training vs cognitive behavioral therapy vs structured group therapy, trait anxiety & depression & pain behavior & immune system activity, patients with rheumatoid arthritis, 17999
tricyclic antidepressants & MAO inhibitors, chronic pain relief, literature review, 22531
understanding of other person's pain & perception of impact on own health, healthy spouses of mate with chronic pain, 27657
utility of Pain Assessment Index, prediction of surgical outcome or rehabilitation following nonsurgical treatment, chronic pain patients, 13387
validity of Pain Disability Index, discrimination between high vs minimal level of disability, 22–70 yr olds with chronic low back pain, 18977
weight change during 1st wk of hospitalization, dexamethasone suppression test results, patients with chronic pain vs depression admitted to inpatient psychiatric service, 30958

Chronic Psychosis [See Also Chronic Schizophrenia]
efficacy of haloperidol decanoate, 29–67 yr old chronic psychotic patients, 9917
rehabilitation & social skills training, chronic psychotic in- & outpatients, 20534

Chronic Schizophrenia
activity, behavior, 20–77 yr old schizophrenic patients, 27697
antipsychotic drugs & prevalance & nature of akathisia, 21–43 yr old chronic schizophrenic outpatients with tardive dyskinesia, 4468
attitudes & behavior toward dental pathology & self destructive behaviors toward teeth, chronic schizophrenic patients, implications for treatment, 1334
autonomic functioning or attention prior to treatment, chronic schizophrenic 20–51 yr olds treated with amphetamine, 15127
behavioral weight loss program, memory impaired 64 yr old with chronic schizophrenia, case report, 27922
beta-adrenergic blockers, assaultive behavior, 28–62 yr olds with chronic schizophrenia, conference presentation, 27996
brain density changes & ventricular size & cortical & cerebellar atrophy & neuropathological processes, chronic schizophrenic vs manic patients, 24623
brain levels of 5-HT & 5-hydroxyindoleacetic acid, 22–55 yr old suicide victims vs chronic schizophrenic 21–74 yr olds who committed suicide or died of other causes, 30284
carbamazepine, blood concentration of haloperidol, 29–61 yr old chronic schizophrenics, 30743
centralization of facilities, perception of self & organization & subgroups in small & large social contexts, staff & patients with chronic schizophrenia in residential treatment center, 2089

ceruletide diethylamine, male chronic schizophrenic 22–60 yr olds, 27940
chlorpromazine & etiology & childhood risk factors, chronic schizophrenia, 17–62 yr olds, 30728
cholecystokinin octapeptide, CNS, 20–59 yr old chronic schizophrenics receiving concomitant neuroleptics, conference presentation, 20404
chronic schizophrenia & neuroleptic malignant syndrome, 31 yr old male, case report, elaboration on J. L. Levenson's case presentation, 27286
comparison of linear vs planimetric vs semi-automated computerized tomographic assessment of cerebroventricular size, 21–65 yr old monozygotic twins with chronic schizophrenia, 22105
countertransference & paradox in therapeutic relationship, chronic schizophrenic patients, 22397
CSF & serum antibodies to common viruses, 21–64 yr old chronic schizophrenic patients, 22064
cytomegalovirus antibodies in CSF, chronic vs acute schizophrenic males, implications for role of cytomegalovirus infection in etiology of schizophrenia, 14656
diagnostic/predictor & outcome data, patients with chronic schizophrenia, 2–32 yr followup after discharge, 22088
dosages of neuroleptic drugs, chronic schizophrenic patients, Europe & Asia & Central & South America & North America & Africa, 1911
ear plug, persistent neuroleptic-resistant auditory hallucinations, chronic schizophrenic 42 yr old male, 27895
epidemiological characteristics, patients with chronic schizophrenia, 19948
evaluation of Halstead-Reitan Neuropsychological Test Battery indices of brain dysfunction, 20–40 yr old male chronic schizophrenics, 13399
exogenic factors, schizophrenic manisfestations, adolescents with continuous schizophrenia, 9302
expectations of nurses & relatives & patients, rehabilitation, chronic schizophrenic patients, 1-yr longitudinal study, 7455
fatal heatstroke induced by fluphenazine decanoate & benztropine mesylate & haloperidol, 54 yr old male with chronic schizophrenia, case report, 27978
guidelines for antipsychotic maintenance therapy, chronic schizophrenic patients, conference presentation, 12555
haloperidol decanoate, chronic schizophrenic patients, 4533
hemispheric laterality, auditory focused attention, acute vs chronic schizophrenics vs mentally handicapped 19–65 yr olds, 24641
high dose iv naloxone, patients with chronic schizophrenia, 30711
home intervention, parental coping behavior & number of hospital stays, parents & deinstitutionalized patients with chronic schizophrenia, 1-yr followup, 1979
incidence of negative & depressive & anxiety symptoms, chronic schizophrenic patients with vs without tardive dyskinesia, 19941
information presentation to left &/vs right ear, interhemispheric integration in language comprehension task, patients with acute vs chronic schizophrenia, 1311
interhemispheric information processing in temporal discrimination task, 20–38 yr old males with vs without chronic schizophrenia, 1374
interrater & test-retest reliability of Scale for Assessment of Negative Symptoms, chronic schizophrenic 20–45 yr olds, 23459
iv levotryptophan infusion, plasma prolactin & growth hormone levels, 24–42 yr old chronic schizophrenics receiving long term neuroleptic therapy vs healthy volunteers, 18044
late remission, patients with chronic schizophrenia, 3894
lithium & neuroleptic drugs, chronically hallucinating schizophrenic patients, 18078
long term depot maintenance with fluphenazine, symptoms & incidence of relapse, chronic schizophrenic outpatients, 7-yr followup, 15130
long term intermittent ceruletide administration, psychotic symptoms, 20–54 yr olds with chronic schizophrenia, conference presentation, 20403
long term use of flupentixol decanoate, dropout & intervening depressive syndromes, chronic schizophrenic outpatients, 25273
methadone as adjunct to neuroleptic therapy, chronic paranoid schizophrenic 18–50 yr olds, 4474
muscarinic anticholinergic serum levels, recall & recognition memory, 25–49 yr old chronic schizophrenic inpatients taking neuroleptics, 18093
neuroleptic dose & tardive dyskinesia, attention & information processing & psychophysiology, 18–55 yr olds with chronic schizophrenia, 4535
paradoxes in psychosocial training & treatment of chronic schizophrenia in community, psychiatric residents, 15526
patient & treatment history, chronic schizophrenic 25 yr old male in hospital aftercare program, 2086
plasma amine oxidase activity & paranoid/nonparanoid subtype & diagnostic criteria & prognosis & age at onset, 17–45 yr olds with chronic schizophrenia, 1303
polydipsia & chronic hyponatremia, 37–55 yr old psychiatric inpatients, 11951
positron emission vs computerized axial tomography scans, local brain glucose metabolism & brain atrophy, 28–37 yr olds with chronic schizophrenia vs 55–66 yr olds with chronic depression, 17378
premorbid personality characteristics at onset, social & job adaptation, patients with onset of chronic simple schizophrenia at 10–20 yrs, 6592
process vs reactive & chronic vs acute schizophrenia & age of onset & neurological impairment, premorbid adjustment, 18–65 yr old White males, 17352
psychotherapy models, chronic schizophrenic patients, Italy, 30590
setoperone, 30–73 yr old chronic schizophrenic patients, 12541
Sominex, tardive dyskinesia, 50 yr old schizophrenic female on chronic neuroleptic therapy, 22549
stability of time estimations, chronic vs subchronic schizophrenic 22–50 yr olds, 1–2 yr study, 19997
sulpiride vs haloperidol, 26–53 yr old chronic schizophrenics, 22536
symptoms assessed by Psychopathological Symptoms form of Manual for Assessment & Documentation of Psychopathology System, 19–65 yr old chronic hospitalized schizophrenics, Europe & Central & South & North America & Africa, 19890
therapist behavior change during game, patient-patient & patient-therapist interactions, hospitalized chronic schizophrenic patients, 28183
university based occupational therapy program, therapist training & daily life management skills, chronic schizophrenic patients & occupational therapy students, 12748
use of natural helpers in social support program at board & lodging home, 40–80 yr olds with chronic schizophrenia, 2110
valproic acid, motor coordination & plasma concentrations of aspartate & glutamate & tryptophan & taurine & glycine & threonine, 22–25 yr old chronic schizophrenic inpatients, 30744
value of Brief Psychiatric Scale & AMDP Scale & L. Sullwold's self rating scale, assessment of schizophrenia, chronic schizophrenic 23–59 yr olds, 9331
visual information processing deficits, 18–52 yr olds with chronic schizophrenia, 11955
withdrawal of long term neuroleptic treatment, dopamine & homovanillic & dihydroxyphenylacetic & 5-hydroxyindoleacetic acid & noradrenaline levels in CSF, 30–55 yr old chronic schizophrenic patients, 1910
1-desamino-8-dextro-arginine vasopressin, 18–37 yr olds with chronic schizophrenia, 18065
3rd ventricle size, chronic vs acute schizophrenics, 22022
5-hydroxyindoleacetic acid & homovanillic acid & 3-methoxy-4-hydroxyphenylglycol in lumbar CSF, chronic schizophrenic patients who have attempted suicide, 17414

Chronicity (Disorders)

Adventure Etc. health promotion program, self esteem & locus of control & family dynamics, chronically ill & disabled adolescents, 25544
age-related developmental issues in chronic childhood illness, implications for intervention, 14808
anxiety & stress factors, chronically ill youth & their families, implications for school & mental health counseling, 25461
applied behavior analysis in treatment & rehabilitation, chronically mentally ill & mentally retarded & epileptic patients, 28191
biological insufficiency & personality & trauma as predictive factors, patients with longstanding vs acute neurasthenic & hysterical neurosis, 6577

case management services project, client outcomes, social work students & chronically mentally ill clients, implications for case management delivery, 25462
case management, young adult chronically mentally ill patients, 25420
chronic disease health education outcome studies, patients with diseases such as diabetes & hypertension, review of peer-reviewed journals published in 1984, 25366
chronic illness & multiple hospitalizations, separation individuation & development of separation anxiety, 2 yr old female with acute lymphocytic leukemia, 25517
chronic illness, family dynamics, 27 yr old female with lower back pain & her family, implications for family therapy, 17978
chronic physical illness & psychological adaptations, sexual behavior, patients, 20109
classification schema & current theories & recent developments, adaptation to chronic disease, 20117
collaborative aftercare of religious & community mental health organizations, chronically mentally ill, 25382
conceptualization & measurement of chronic disorders, study of life stress-disorder interaction, 14541
deinstitutionalization, marriage & sexual relations, chronically mentally ill couples, 1268
delivery of community mental health services, chronically mentally ill, 25451
denial & split identity & impulsivity, issues in psychoanalytic psychotherapy, chronic drug abusers, conference presentation, 28268
depression, chronically ill or handicapped children, 27626
developmental issues in acute-onset serious chronic organic disease, adolescents, 9543
early vs late onset & duration of alcoholism, performance on cognitive rule-learning task, alcoholic male 30–57 yr olds, 27438
emergency care, chronic psychiatric patients treated since beginning of illness in deinstitutionalization era, 18204
evaluation & treatment in proposed clinical approach to chronic & resistant depression & other affective disorders, 25022
fantasy & imagery in childhood play, physiological function & cognitive perception & coping with pain or anxiety, children or adolescents with chronic illness, literature review, 27255
genetic loading & parental marital adjustment & severity & chronicity & age of exposure to proband manic depressive parent's illness, offspring psychopathology, 5–18 yr olds, conference presentation, 22070
health & mental health program service planning & development, chronically mentally ill females, 25384
history & treatment of chronic psychiatric disorders, Italy, 6609
impact of psychiatric hospitalization, patients on long term unit, 3.5-yr longitudinal study, 7437
incidence & relationship between somatic complaints & chronic medical illness & depression, 56–93 yr old community residents, 17689
incidence of chronic illness & common family problems & developmental & emotional impact, children, 14891
interaction of illness processes & family dynamics & intrapsychic processes, chronically ill children & their families, 30389
intervention, coping with chronic illness, families, 1837
issues & problems in research on interaction of developmental processes & chronic childhood illness, 14842
large number of ECT treatments over 26 yr period without brain injury, postmortem neuropathy, 89 yr old female with chronic bipolar disturbance, 22372
level of aspiration & motor task performance, male chronic psychiatric inpatients, 20523
management of chronic illness at home, chronically ill patients & their spouses, 27699
maprotiline, chronic tension headache, 16–52 yr old females with history of headache, 20387
microcomputer applications, client education & psychosocial coping needs, chronically ill & disabled children, 28049
model of adaptation to chronic illness, families, implications for prevention & treatment, 1229
national organizations & computer information networks & local & regional networks & publications & audiovisual resources for teachers of chronically ill or handicapped children, 15836
need for communication between health care providers & educators of chronically ill children, 15257
need for treatment of family unit & types of interventions, families with chronically ill child, 1848
need for understanding & intervention approaches for making psychosocial adjustments & transition from adolescence, health & education & rehabilitation professionals serving chronically ill/disabled adolescents, 30986
new scoring for General Health Questionnaire, measurement of chronic illness vs good health, 136
New York State's Rockland County Unified Services, mental health care & services, young adult chronic psychiatric patients, 25381
organization of health care services & institutional practices & social attitudes as counterproductive to goals of independence, handicapped & chronically ill children, 15241
patient participation in treatment decisions, chronically vs acutely ill patients, implications for informed consent, 20451
persistent vegetative state as sequelae of chronic progressive neurologic disorders, 54–85 yr old inpatients, 27685
personalized vs standard role plays, assessment of social skills, 21–63 yr old depressed outpatients, 27283
physical & psychological & social effects, chronically ill family member & their families, implications for family therapy, 1643
prevalence of alcohol problems, 27–50 yr old male vs female chronic low back pain patients, 12275
problems in early childhood education programs & need for education-based health services, chronically ill children, 15875
process of change in illness, 28–37 yr old chronically mentally ill, implications for response to treatment & life events, 24657
psychological & social aspects of Parkinson's disease as chronic illness, literature review, 22240
psychosocial correlates & illness features, family relations & adjustment, mothers & aunts & grandmothers & foster mothers of chronically ill children from birth to 11 yrs old, 12222
random & unexpected staff responses, chronic depression, middle-aged female day hospital patient, 9693
risk of relapse & chronicity following recurring depressive episodes, patients, followup study, 14616
role of primary care physicians in addressing needs of chronically mentally ill, primary care patients aged 18 & over, 18163
school achievement, chronically ill children, 4197
sibling with chronic illness, psychological adjustment & risk of psychological disturbance, healthy children, literature review, 11485
social network interventions as crisis management strategy, prevention of psychiatric readmissions, 20–60 yr old chronic psychiatric patients with repeated hospitalizations, 2142
systems approach to role in chronic illness, physicians, 18147
termination of therapy with nurse therapist, attempted suicide, 35 yr old Japanese female with chronic mental illness, implications for professional ethics, 1814
type of institutionalization & SES & subsidies received in long term psychiatric hospitalization, discharge vs relapse vs continued hospitalization, chronic patients, Italy, 15377

Churches [See Religious Buildings]

Cichlids

bigamous vs monogamous mating relationships & male vs female adult size, reproductive success, male cichlids, 21260
brood size, maternal behavior, female cichlids, 396
communication system & group factors, dominance hierarchy, cichlids, 23735
food supply, parental & foraging behavior, convict cichlids, 8379
modal action patterns, analysis of frequency distribution of digging behavior, cichlids, 11099
recognition & identification of helpers of new brood & defenders of territory, breeding cichlids, 11107
removal of brood from mouth, maternal behavior & subsequent brood release, 1st spawning female cichlids, 5761
removal of territorial marker &/or chemical cues & territorial intrusion, territorial prior residence effect, adult convict cichlids, 21249
separation from mate for 1 vs 4 vs 10 days, pair reformation & parental behavior & related aggression, male & female cichlids with brood, 29353

Cigarette Smoking [See Tobacco Smoking]

Cimetidine
cimetidine vs chlorpheniramine vs naloxone injections into nucleus accumbens or stria terminalis, morphine-induced locomotor hyperactivity, male mice, 14026
cimetidine vs ranitidine vs imidazole, N-n-propylnorapomorphine-induced penile erections & stretching & yawning, male rats, 8535
dose of phencyclidine vs morphine vs meperidine vs cimetidine with vs without chronic haloperidol administration, schedule-controlled behavior, rats, 684
Circadian Rhythms (Animal) [See Animal Circadian Rhythms]
Circadian Rhythms (Human) [See Human Biological Rhythms]
Circulation (Blood) [See Blood Circulation]
Circulatory Disorders [See Cardiovascular Disorders]
Circumcision [See Birth Rites, Surgery]
Cirrhosis (Liver)
neuropsychological & psychiatric & psychosocial functioning, patients with biliary cirrhosis, 1573
Cities [See Urban Environments]
Citizenship
citizenship education & social control vs social justice & equitable economic opportunity, African Americans, 18474
Civil Rights [See Also Equal Education]
actions under Civil Rights of Institutionalized Persons Act, mentally retarded residents of treatment centers, case law, 1043
case of Board v Rowley & interpretation of appropriate public education in Education of Handicapped Act, 11683
case of Clark v Cohen & due process of law, patient with mental retardation in institution for 28 yrs, 24325
case of Smith v Robinson, recovery of legal expenses in pursuit of due process rights, handicapped students & their families, 11567
changes in state mental health rights law following enactment of Mental Health Systems Act of 1980, 1078
City of Cleburne, Texas v Cleburne Living Center Inc., denial of quasi-suspect status in equal protection, mentally retarded, 24337
civil rights claim alleging partial paralysis due to poor care & treatment, parents of mentally retarded resident of state institution, case law, 27031
clinical clerkship including exposure to involuntary psychiatric treatment, attitudes toward right to refuse treatment, 22–38 yr old medical students, 10190
competency to purchase handgun, person previously committed involuntarily for mental illness, case law, 14330
court consideration of claims & review of rights, mentally disabled prisoners, 24330
court decisions & laws concerned with custody & support & civil rights, fathers, 21872
court opinion on rights to psychiatric examination, defendants, 24331
court rulings in special education on locus of financial responsibility & due process rights & class certification & placement & individualized education plans & suspension, 24348
crime & philosophy of life & critique of humanism & human rights & personal vs social responsibility, 24790
criteria for insanity defense & civil rights of criminal regarding treatment, Spain, 29892
critique of "Cleburne" decision, discrimination & rights, mentally retarded citizens, 9429
current laws & issues affecting right to refuse or consent to treatment, psychiatric patients, Canada, 24377
decision in court cases on right to die with dignity, terminally ill patients, 24335
decisions by state appellate courts & review of substantive & procedural claims, mentally disordered sex offenders, 24329
deinstitutionalization & civil rights, psychiatric patients, 22647
design & function & scope of Psychiatric Patient Advocate Office, Canada, 24358
development & status of tort of negligent infliction of emotional distress, 11652
disparate definitions of client's best interest & possible conflict with public interest, service to mentally ill offenders, psychologists & lawyers & criminal justice workers, 17127
due process & detention prior to trial, accused juveniles, 24411
due process hearing requirements under Education for All Handicapped Children Act, case law, 27049
employment status of wives, attitudes toward females' roles & employment & political rights & sexual equality, husbands, 9074
entitlement to more than 12 yrs of school, trainable mentally retarded 10th grader, case law, 1032
equal protection & due process rights under Colorado statute, denial of request to vacate indeterminate sentence & refusal to grant release, mentally ill sex offenders, case law, 27020
forensic emergency psychiatry, comment on T. G. Gutheil's commentary on right to refuse treatment case of Rogers v Commissioner, 11673
Frederick L. case, appropriate special education services, students with learning disabilities, 11682
group process in drafting regulations on rights of mentally ill receiving mental health care, advocacy task force members, 17125
history & activities of patient's rights & ethics committee, psychiatric patients, 25531
history of political activism, former psychiatric inpatients, US, 30935
implementation of 5th amendment privilege of right to remain silent, psychiatric patients with mean age of 32.6 yrs under emergency commitment provisions, 4661
inalienable rights, mentally retarded, conference presentation, 9472
Irving Independent School District v Tatro & issue of catheterization services in schools, 11686
laws governing use of ECT, 6963
legal & ethical issues regarding rights in experimental research/therapeutic situations, children, 21666
legal & social & ideological position, females, Iran, 11699
legal admissibility of confession in noncustodial setting due to ruling in lack of applicability of 5th amendment & Miranda warnings in conferences with parole officers, parolees, 24381
legal aspects of right to refuse treatment, psychiatric hospital involuntary patients, 7443
legal considerations in disputes over parents' rights & state's ability to seek custody for child protection & best interests of child, 24379
legal precedents involving educational issues & Education for All Handicapped Children Act, students with severe handicaps, 11666
legal rights requirements vs clinical treatment process, 15 yr old severely disturbed female inpatient, 18265
limitation of right to refuse medication, committed psychiatric patients, case law, 1036
medical & legal implications of refusal of treatment, involuntarily hospitalized psychiatric patients, 1082
ombudsman in mental health, illustrative case examples, Canada, 25671
ostracism & legal case against leaders of Old Amish Church, male 33 yr old former member, implications for sociobiology of individual rights, conference presentation, 982
paternalistic vs civil libertarian perspectives of nonconsensual treatment, institutionalized psychiatric patients, 25518
patient competence & informed consent & factors in & functions of treatment refusal, psychiatric patients, 27692
patient rights & professional ethics & situational dilemmas in mental health services, psychiatric patients, 25433
personal values & sex & parental role perceptions, orientation toward Equal Rights Amendment, adults, US, 27081
presentation of comparable worth in pay to management as good business following federal Appeals Court decision maintaining double pay standard, personnel professionals, 6245
private school living expenses & preschool tuition & unsafe conditions & inadequate resources in public school, handicapped children, case law, 14356
problems of homeless mentally ill, concern over proposed legislation changing criteria for civil commitment as threatening civil rights, psychologists, 24677
psychological assessment & expert testimony in Miranda rights cases, psychologist & accused criminals with low IQs, 17136
relations to parents vs foster parent & schools stressing rights vs object relations, children, 14315
report of study of conditions in mental institutions & enforcement of Civil Rights of Institutionalized Persons Act, Justice Department, 1046
right to die & terminate appeals, prisoners under sentence of death, 24405

right to free psychiatric assistance, defendants preparing insanity defense, 6250
right to psychiatric care in penal institutions, prisoners, 2173
right to psychiatrist when sanity or potential dangerousness are issues in trial or sentencing, indigent defendants, case law, 1055
right to refuse psychiatric treatment & drug therapy to maintain competency, competent psychiatric patients, 9669
right to refuse treatment & subsequent delayed medical care, mentally retarded 68 yr old institutionalized female with breast cancer, 4668
right to refuse treatment, involuntarily committed patients following successful insanity defense, 1081
right to treatment & role of psychiatric nurse, mentally ill patients, 28178
right to trial continuance to locate expert witness & need for jury instructions on insanity at sentencing in insanity cases, case law, 27028
role as advocate in adult protective services, social workers, 15336
role of Jose P. v Ambach case in delivery of special education services, handicapped students, 11653
standards for effective assistance of counsel at commitment hearings, 14388
street law course, comprehension of Miranda rights, urban high school students, 4871
summary & analysis & commentary on disability-related court decisions, 24388
Supreme Court decisions concerning right to state paid psychiatrist for indigents & expansion of commercial powers of Congress, implications for services to handicapped, 1085
termination of parental rights due to alcoholism or mental illness or mental retardation, case law, 27042
treatment alternatives & waiving due process rights & sufficiency of evidence of dangerousness to self & need for treatment in commitment cases, case law, 27023
value of history of struggle, Blacks, 26960
waiver of rights & competency to testify & expert testimony issues, mentally ill & retarded defendants & witnesses, case law, 27035
work of Society for Psychological Study of Social Issues in defense of academic freedom & civil liberties, 1936–70, 29770
work of Society for Psychological Study of Social Issues to promote academic freedom & civil liberties, 1936–70, comments on article by S. S. Sargent & B. Harris, 29758
4th & 14th amendment protection for right to privacy in prison cells, prisoners, 24372

Civil Rights Movement
network analysis of organizational affiliations, female leaders in suffrage & women's rights reform activity, 1840–1914, US, 8938
role of planning & preexisting social structures in Civil Rights Movement, 960

Civil Servants [See Government Personnel]

Clairvoyance [See Also Precognition]
geomagnetic activity & possible neuropsychological & physical mediating mechanisms in subjective telepathic experiences, 26094
paranormal value of impressions of psychics, 13289
psychic impressions & degree of promise in psi research, psychics vs nonpsychics, 13290

Class Attitudes [See Socioeconomic Class Attitudes]

Classical Conditioning [See Also Conditioned Emotional Responses, Conditioned Responses, Conditioned Suppression, Eyelid Conditioning, Unconditioned Responses]
amphetamine injection vs hippocampal lesions vs cortical lesions, classical conditioning of nictitating membrane response using optimal interstimulus interval, rabbits, 21403
association of auditory stimulus to feed delivery & consumption, feed intake & feeding behavior, lambs, 374
associative learning, retinal output, pigeons, 3179
asymmetrical effects of Pavlovian excitatory vs inhibitory aversive transfer, Pavlovian appetitive responding & acquisition, rabbits, 5557
auditory CS paired with highly palatable vs unpalatable tastes, palatability of water & associated orofacial & muscular responses to water, male albino rats, 19198
avoidance-extinction responding in conditioning paradigms with Pavlovian safety signals, model for phobias & treatment by flooding, rats, 10735
avoidance vs classical food intake conditioning schedule, blood pressure & heart rate changes during conditioned buzzer signal preceding exercise, male rats, 23846
awareness of stimulus contingency & preference for stimuli predicting presence vs absence of pleasant music, college students, 11035
basis of configured discriminations using autoshaping procedure, pigeons, 11083
bilateral hippocampal lesions vs ACTH, classically conditioned nictitating membrane response, rabbits, 13905
blocking & unblocking of conditioning analgesia, rats, 13747
chlordiazepoxide, sedative & hypothermic effects in classical conditioning paradigm, male rats, 21519
classical conditioned discriminative response to presentation of odors, EEG activity preceding & during odor presentation, male rabbits, 11175
classical conditioning & individual differences of social reinforcement responses in vicarious verbal conditioning, high school students, 21174
classical conditioning, internal clock used to discriminate duration, male rats, 5568
classical conditioning of nictitating membrane in rabbits as model for study of learning & memory & aging, 23692
classical conditioning of nictitating membrane response & transfer of visual to auditory discrimination learning, female albino rabbits, 13733
classical conditioning of nictitating membrane response, neuronal activity in globus pallidus, male rabbits, 5705
classical conditioning of sexual arousal, male rats, 11094
classical conditioning training to tone shock pairings using heart rate as index orienting & defensive responses, 16 vs 21 vs 26 day old rats, 16346
classical conditioning vs biofeedback therapy, induction of vasodilation, 14–61 yr olds with idiopathic Raynaud's disease, 1-yr followup, 22494
classical vs instrumental conditioning in learning theory of A. W. Staat, 19206
classically conditioned hyperglycemia, obese mice, 29357
classroom demonstration of classical conditioning, college students, 15638
conditional environmental stimuli, morphine consumption after self administration training followed by period of abstinence, male rats, 26681
conditioned approach response over 1-yr, carp, 5531
conditioning factors in opiate addiction & relapse, implications for drug rehabilitation, reprint of previously published article, 25610
conditioning-induced enhancement of type B photoreceptor depolarization & acquisition & retention of associative learning, nudibranch mollusks, 23792
contextual change, latent inhibition & habituation of orienting response, rats, 11063
CS preexposure, differential conditioning & extinction of electrodermal response, college students, 8142
CS/UCS intervals or interstimulus intervals, acquisition of nictitating membrane response, albino rabbits, 29203
cyclic adenosine monophosphate, alimentary & avoidance conditioning, rats, 11283
delay vs trace paradigm, classical conditioning of nictitating membrane response, 6 vs 36–60 mo old rabbits, 16358
effective duration of stimulus, strength of CR, rats, 5549
ejaculation as UCS with background cues & extinction trials, conditioned response, male rats, 13755
electrophysiological correlates, extinction of associative conditioned behavior, nudibranch mollusks, 8296
environmental stimuli associated with alcohol administration, effect of ip ethanol on amygdaloid kindled seizure activity, male hooded rats, findings contrary to Pavlovian theory of drug tolerance, 29469
epinephrine followed by classical conditioning under barbiturate anesthesia, retention of conditioned response, male rats, 11300
fear relevant vs irrelevant pictorial CS with vs without shock, skin conductance during habituation vs acquisition vs extinction, male vs female college students with high vs low fear of snakes, support for preparedness theory, 11195
feeding time & signal reliability, reactivity to food & Pavlovian signals for food in closed economy, naive pigeons, 23680

hippocampal ablation, acquisition rates & temporal characteristics of classically conditioned nictitating membrane responses, rabbits, 5806
hippocampal lesions, discrimination of odors in classical contingencies, male rats, 3266
houselight & tone vs dark & noise context, conditional discrimination performance, mice, 19228
icv injection of scopolamine hydrobromide into septum & dorsal hippocampus & lateral ventricles, cardiac orienting reflex & heart rate classical conditioning, rabbits, 21576
intensities of US & CS, classical conditioning, goldfish, 5544
intracerebral electrostimulation of self stimulation zones, positive reinforcement in classical conditioning paradigm, rabbits, 5778
lesions of lateral zona incerta of subthalamus, classically conditioned bradycardia, rabbits, 13929
lesions of left cerebellar interpositus nucleus vs aspiration of left lateral cerebellar cortex, trace vs delay conditioning, male rabbits, 26623
lesions of medial geniculate nucleus, auditory emotional conditioning, male rats, 16531
light plus tone compound CS with same vs other value UCS, blocking processes in conditioning to tone, male rats, 19207
magnocellular red nucleus lesions, acquisition of classically conditioned nictitating membrane response, rabbits, 23928
mental rehearsal of task in same vs different environment, ethanol tolerance development, male social drinkers, 21477
meprobamate vs cocaine vs diazepam with vs without CGS8216 vs picrotoxin vs naloxone place preference or aversion, male rats, implications for use of place preference paradigm in evaluation of appetitive properties of minor tranquilizers, 24029
morphine, behavior & hippocampal activity during appetitive classical conditioning, rabbits, 16742
morphine injections, ability to perceive novel taste of saccharin & associate novel odor with morphine, neonatal rats, 26690
negative transfer effect in conditioned suppression & nictitating membrane conditioning experiments, male rats & rabbits, replication of findings of G. Hall & J. M. Pierce, 5532
nervous system & Pavlovian conditioning, regulation & change of immune system, 26482
neuronal activity in auditory & visual & motor cortex during classical conditioning & extinction, cats, 5676
nonreinforced preexposure to stimuli in activity vs classical aversive conditioning paradigm, inhibitory vs excitatory effects & attentional learning, goldfish, 11087
number of insulin conditioning trials in novel vs familiar environment, hypoglycemia & hyperglycemia, male rats, 24034
overshadowing & blocking, orientation-contingent color aftereffects in Pavlovian conditioning, 17–19 yr olds, 13510
paraventricular hypothalamic norepinephrine, unconditioned saccharin preference & conditioned taste preferences & quinine aversion, male rats, 16709
Pavlovian conditioning, acquisition of food likes & dislikes, adults, implications for acquisition of cultural values, 14517
Pavlovian contingencies & zero operant contingency, subsequent shock-escape acquisition in shuttle box, escapable-shock vs yoked inescapable-shock vs no shock rats, 23660
Pavlovian mechanism & operant contingencies, acquisition & suppression of sign-tracking behavior in aversive conditioning, rats, 5558
Pavlovian S-R contingencies, behavioral mass, pigeons, 5564
Pavlovian scientific philosophy & brain physiology, 571
periarcuate vs periprincipalis lesions, visual discrimination & conditional associative learning, male monkeys, 21458
pleasant vs unpleasant feelings evoked while viewing green vs red pen, selection of green vs black pen & response to buy-back offer, female college students, implications for consumer research, 11033
POLY software package, data collection & analysis for research on schedule-induced polydipsia, animals, 23389
post vs pretreatment exposure to drug-signaling cues, tolerance to natural killer cell activity induced by immunostimulatory synthetic polynucleotide with environmental stimulus, female mice, 11287
potentiated startle paradigm, acoustic startle response & freezing, rats, 11068
prepared conditioned stimuli, characteristics of phobias, patients with specific phobias, replication of experiment by P. De Silva et al, 20004
prevalence & somatic concomitants of anticipatory nausea & emesis, cancer patients receiving chemotherapy, 4480
prior pairings of CS2 with UCS, nature of associations formed in serial compound conditioning, rats, 11065
pseudoconditioning followed by temporal single alternation classical conditioning paradigm, hippocampal activity during acquisition, male rats, 13808
psychoactive drugs & tone-shock classical conditioning & lever-press under VI schedule, acquisition of stimulus control, male rats, 674
psychophysiology of classical conditioning learning & anticipation, 8448
response- vs stimulus-reinforcer pretraining, negative vs positive stimulus discrimination control, rats, 5573
saphenous nerve stimulation, flexion reflex & long term spinal reflexes, cats with spinal cord injuries, 609
separation of 2 CSs by short vs long interval & reinforcement vs nonreinforcement during experimental phase, acquisition of conditioned emotional response, male rats, 11059
signaling UCS/CS pairings in backward conditioning, excitatory & inhibitory learning, male albino rats, 29191
simultaneous vs serial feature negative discrimination procedures in conditioned suppression situation, transfer of inhibition, rats, 19208
state-dependent learning & Pavlovian conditioning, behavioral tolerance to drugs, 3272
strength of orienting response during inhibitory conditioning, rats, 11079
stress composed of mild restraint &/vs tone-shock pairings, blood pressure & heart rate, male spontaneously hypertensive rats, 21385
tibial nerve CS & differential conditioning paradigm, deep peroneal motor nerve response, spinal cats, 8496
tone with vs without paraorbital shock, single unit activity of amygdaloid central nucleus neurons & cardiovascular adjustment in response to fear, rabbits, 21434
transswitching in contextual stimulus control of conditional vasomotor & electrodermal reactions to angry & friendly faces, 19–35 yr olds, 21360
UCS probability & associative process between CS/UCS during long interstimulus interval conditioning, contingent negative variation & electrodermal response & EEG, college students, 13861
visual stimulation in Pavlovian fear conditioning procedure, associative learning, infant rats, 26402
2-deoxyglucose autoradiography, measurement of metabolic activity of auditory nuclei in tone-conditioned bradycardia, male rats, 8388
2nd-order conditioning followed by extinction of 1st-order CS or manipulation of shock UCS with morphine, pain sensitivity & acquisition of 2nd-order analgesia, rats, 11085

Classification (Cognitive Process)

ability for basic vs superordinate level categorization, autistic vs mentally retarded vs normal children, 12143
ability to decide on superordinate category membership, measurement of retrieval failure in verbal fluency tasks, 67–92 yr olds with vs without senile dementia, 27528
acquisition & utilization & long term retention of ill-defined category classifications, 5th graders, 24131
age, free recall & output organization, mildly mentally retarded children & adolescents, replication of experiment by J. B. Todman, 6698
antonym word pairs, same-different decisions in good vs bad categorization task, college students, 277
associative vs categorical organization of materials, free recall, kindergartners vs 4th vs 10th graders, 3425
attention & similarity, modeling of identification & categorization of multidimensional perceptual stimuli, 16297
automatic processing vs heuristic availability explanations for judgment category frequency, college students, 29115
basic vs superordinate vs subordinate level category differentiation, object identification RT, college students, 283

categorical interpretation of high & low, 3–5 yr olds vs college students, 26863
categories & complexity of criteria used in classification of films, 16–17 yr old students with 6 mo of film viewing experience, implications for effectiveness of film education systems, 7618
categorization level, sight word learning & recall, 5.9–6.7 prereading 1st graders, 4887
categorization of natural vs abstract concepts, computer scientists, 29071
categorization of numeric data, computer programs that learn by generalization, 20968
categorization of occupations along dimension of comparative social justice, process of social categorization, company managers vs chemical workers vs college students, 18714
categorization skills, 10 mo olds, 8785
categorization vs particularization approach to prejudice, 1141
category membership vs normative relative importance vs goal relatedness, perceived importance of information in writing task, college students, 28486
category structure of sequences of bar charts with simulated symptom patterns, recognition & categorization & retention, college age Ss, model of category learning processes, 21175
category verification RT vs exemplar typicality vs instance dominance vs category selection time vs category dominance, college students, 19128
central tendency vs ideals vs frequency vs familiarity of instantiation, prediction of graded structure vs typicality in taxonomic categories, college students, 10950
class vs collection terms, use of cardinality rule, 3.2–4.6 yr olds, 3426
classification & abstraction ability on nonverbal classification task, sensory vs motor aphasics, 9547
classification & category vs property inference of gender categories, male vs female preschool age children, 21700
classification of figurative stimuli into object vs position categories, 3–8 yr olds, 805
classification of word vs sound stimuli, English vs Afrikaans speaking 1st graders, South Africa, discussion of procedure by J. Downing & P. Oliver, 19573
classification skills, referential communication task performance, 5–10 yr olds, 19605
classification task, individual differences in tendency to process stimuli in separable or integral manner, college students, 21164
clustering & imagery vs study strategies vs free recall instructions, free recall task, young vs middle aged adults vs aged, 8776
cognitive categorical systems, interpersonal & self evaluation, workers with transitional or high blood pressure, 4153
cognitive structure of social categories, native-English-speaking college students, 21146
color vs form sorting, mildly vs moderately vs severely demented patients, 22267
conceptual ability on nonverbal categorization task, motor- vs sensory-aphasic patients, 14787
conceptual identification process in cognitive processing, literature review, 23602
content organization, learning, mildly mentally retarded children, 30335
development of taxonomic organization of named vs pictured categories, 3 vs 4 vs 6 vs 8 yr olds, 8799
differential mental rigidity & color-constant sorting-by-form task, elderly patients with dementia, 27566
direct vs mnemonic vs free-study instruction, acquisition of dichotomous classifications of minerals, 12.4–14.7 yr old learning disabled students, 10488
discrimination & generalization, identification & classification, comments on article by R. M. Nosofsky, 16325
frequency in language & visual clarity of verbal stimuli, response latency in word-nonword classification task, college students, 29105
frequent vs recent priming of ambiguous stimulus description &/vs interstimulus delay, categorization, college students, 278
function of conceptual knowledge in control of cognitive behavior, 279
gender & race salience, person organization & recall, college students, 11768
gender classification skill, 4 vs 8 mo olds, 3447
generic advance instructions about how to learn classification task, facilitation of learning specific classification task, Navy enlisted personnel, 29127
global vs local features, matching & classification tasks, college students, 23619
Goldojarb Software Classification Form, organization of computer programs, aphasic patients, 28199
hierarchical categorization using typical & atypical exemplars from social & nonsocial superordinate categories within class inclusion paradigm, kindergartners vs 2nd vs 4th vs 6th graders, 834
hypnotic suggestions for complete vs selective amnesia, clustering of recalled items in subject categories, college students, 11041
iconic-symbolic subtest of assessment program, evaluation of object grouping strategies, college students, 29070
incorporation of concept of sense in new way of looking at issues of technology & self from semantic perspective, 24059
individual differences in intentional superordinate category knowledge, 3–6 yr old & 37–69 mo old preschool & kindergarten students, implications for early identification of school failure, 18635
informed impression towards abortion groups, recognition of learned items & associated attitude category, college students, support for bipolar model of memory, 29980
intensional knowledge of superordinate categories, 4.3–5.3 yr olds, 29646
intercorrelations of traits, multiple classification of acts into dispositional categories, college students, West Germany, 30005
judgments of attribute importance weighting & categorization to word concepts, kindergartners vs 2nd vs 4th graders vs college students, 21728
judgments of membership in representativeness of exemplars of categories, mentally retarded vs nonretarded Ss, 9475
level of categorization & content of gender stereotypes, college students & adults, 29915
list organization, item recognition RT, college students, 11004
looking vs naming vs rehearsing vs categorizing as preferred memory strategy, 4th vs 6th graders, 8748
memory retention vs semantic categorization task, direction & magnitude of hemispheric differences in processing of words & pictures, right handed male college students, 510
misprimed words in lexical decision task, classification speed & accuracy & orthographic checking process, college students, implications for criterion-bias vs search model of mispriming errors, 284
negative priming effect & ignored vs attended objects, object selection & categorical internal representation, 18–45 yr old females, 29178
neuropsychological measures in detection of frontal lobe impairment, patients with localized cerebral lesions, 22227
normal vs poor reading proficiency & classificatory ability assessed by free sort vs associative grouping task, adolescent males, test of substrata factor theory, 871
norms of typicality in 4 languages for 13 concepts, German-Swiss high school & college students, Switzerland, 8636
number of compatible condition-action rules, time of condition categorization, college students, 13631
object vs photograph training, acquisition & transfer & generalization of category labels, severely retarded 5–21 yr olds, 18009
organization & recall of strongly vs weakly scripted story narratives, 5 vs 10 yr olds, 844
organizational vs item-specific effects, recall of classmates' names, 1st vs 3rd vs 5th graders, 8703
overselectivity in feature processing & processing of visual & verbal materials, 17691
pacing speed & rigidity constraints, classification task accuracy & response time & heart rate, 20–30 yr old industrial inspectors, 25971
path & edge & district & node & landmark categories in urban cognitive maps, 15–64 yr olds, Spain, 5138
perception of correlations among attributes & abstraction of invariant relations from categories, 4 vs 7 vs 10 mo olds, 26876
performance on inclusive vs disjoint class inclusion problems, 5–11 yr olds, 829
performance on RT & speeded classification tasks, learning disabled vs non-learning disabled college students, 15829

performance on verbal analogy & classification problems assessed by process execution, college students, 271
photographs of stimulus persons with vs without verbal trait descriptors, recall of trait information, college students, 10973
positive/negative vs intrinsic/extrinsic class properties, identity judgments, 6–9 yr olds, 795
prelinguistic categories, ability to form basic-level semantic categories in habituation paradigm, 7 & 9 mo olds, 29641
presence of article & distinction between proper vs common nouns in written vs oral contexts, 35–60 yr olds with Broca's aphasia, 27568
presentation of single vs multiple exemplars of basic level categories, immediate & long term retention of categorical information, 24 mo olds, 16920
priming with taxonomic vs functional modes of categorization, recall & style of recall, preschool age children vs college students, 14185
prior expectations of distribution of category exemplars, categorical learning, college students, 19130
product attributes, brand categorization process for purchase of TV set in limited problem solving situation, consumers, test & extension of J. E. Brisoux & M. Larouche's model, 26058
production frequency of exemplars for categories & organization of semantic memory, institutionalized mentally retarded adults vs nonretarded children & adolescents & adults, 27485
rank ordering of stimuli, subsequent magnitude ordering of same & other stimuli, college students, 13638
rated semantic characteristics of words, typicality ratings, nonretarded vs retarded adults, 20094
reading vs categorizing word series & sentences with semantically inappropriate words, N2 vs N400 vs P3 components of event-related brain potential, college students, 11166
reality classifications of fantasy figures, preschoolers vs 2nd vs 5th graders, 3451
recall of statements by strong vs weak same- vs opposite-sex group applicants & evaluation of applicants, role of familiarity in categorization process, male vs female college students, 17231
receptive vs expressive training with verbal labels & manual signs, generalized learning of referential labels, severely retarded 5–19 yr olds, 18010
repetition & Japanese vs foreign loan words written in katakana script, RT in lexical classification task, Japan, 13627
response competition vs limited-capacity models of attention, categorization task performance levels, 13707
response tempo & selective processing ability & task demands, classification of multidimensional stimuli, college students, 21165
right hemisphere interactions in picture-word processing, adults & 16–18 yr olds, 16431
segregation of objects into categories, 10 mo olds, 8805
selective & integrative visual attention, classification tasks, kindergartners vs 2nd vs 4th graders vs college students, 3422
semantic & word categorization tasks, saccade-related brain potentials, right handed 20–36 yr olds, 19333
semantic categories & acquisition of count/mass subcategories as distinction between names for objects vs substances, 1.9–5.9 yr olds, 24126
semantic classification of basic vs superordinate vs function relations, 17–78 yr olds with fluent vs nonfluent aphasia, 20207
semantic-lexical disintegration, performance on tasks of classificatory activity, patients with aphasia vs right vs left hemisphere brain damage without aphasia, 27560
semantic memory & ordering of taxonomic categories, college students, 26364
semantic satiation, category membership decision latency & lexical priming, college students, 287
SES & type of instruction & positive feedback & quality of collection, performance on free classification tasks, 6.9–10.8 yr old students, 2355
sex & developmental differences, organization strategies in free recall with categorizable & unrelated word lists, 1st vs 3rd vs 5th graders, 16914
single numbers or nonnumbers presented in left vs right visual field, number-nonnumber classification, right handed 17–33 yr olds, 13635
single-sample multiple-comparison training, stimulus class development, mentally retarded vs nonretarded 8–17.7 yr olds, 24838
sorting frequencies & agreement between relation elements, perception of word relation similarity, 13693
speed of classification of pictures of flowers on primary or specific level, florists vs nonexperts, 8236
spontaneous formation of categories during prelinguistic period & type of categories formed, 9 mo old male, 14167
stimulus dimensionality & repeated trials, performance on free vs matrix classification tasks, 9 vs 11.8 yr olds, 21722
stimulus-response compatibility & memorability in discrimination task, perception of isolated vs coarticulated vowels in CVC syllables on basis of category vs acoustic characteristics, college students, 13606
susceptibility to interference, prediction of ability to improve performance on Weigl test through practice, demented vs nondemented Ss over 65 yrs old, 14840
symbolic classification of opposed concepts into masculinity vs femininity & right vs left, college students, 280
task demands, utilization of complementary & taxonomic relations, 3–6.9 yr olds, 6084
test stimuli categorical membership knowledge, directed- vs random-entry model conceptualizations of selective search in short term memory, college students, 13684
unconscious abstractions & information within vs outside conscious attention, concept learning & classification, college students, 275
use of conceptual base & interpretive processes, ranking sentence in terms of representation of meaning vs excellent vs poor interpretation of proverb, college students, 5459
use of extra-list cues, retrieval of episodic information from memory, 2nd vs 5th graders vs college students, 26805
verbal instructions, context organization, educable mentally retarded 11 & 14 yr olds, implications for special education, 31301
visual similarity, picture categorization, college students, 13641
word associations & categorical norms, graduate students, 26365
Classification Systems [See Taxonomies]
Classroom Behavior
academic subject area & working in small groups vs independently vs in entire class with vs without teacher, classroom behavior, problem vs nonproblem 4–7 yr old kindergartners & 1st graders, 13033
accuracy in self monitoring positive vs negative classroom behavior, 3rd graders, implications for self control of impulsiveness, 4902
age & sex & degree of hearing loss & reading ability characteristics, frequency of referral for disciplinary action, deaf high school students in residential schools who engage in classroom disruptive behavior, 13034
analysis of information handling techniques within classroom, 23041
attention control vs cognitive training &/vs methylphenidate vs dextroamphetamine vs pemoline therapy, academic performance & classroom behavior, 6–12 yr olds with attention deficit disorder with hyperactivity, 7151
Behavior Rating Profile vs J. R. Mercer's Teacher Questionnaire, in-school adaptive behavior rating, Black vs Hispanic vs White 7 yr olds & their teachers, implications for unbiased assessment, 31343
behavioral approach to teaching, reduction of troublesome classroom behavior, remedial secondary education students, 28462
behavioral observation schedule for use in classroom, teachers & their students, 28622
class size, attention & communication & disruptive behavior, educable mildly retarded children, 23060
classroom behavior & beliefs, 26 & 32 yr old male high school teachers, 31152
classroom behavior problems, school age children, longitudinal vs cross-sectional studies, 18548
classroom management using peer- & self-monitoring, disruption & nonparticipation during transition activities, 5–7 yr old special education students, 20772
classroom observation instrument, measurement of implementation of comprehensive educational delinquency prevention program targeting teaching strategies, teachers, 18648
classroom observation vs clinic-based testing, detection of methylphenidate dose-related behavior change, 6–10 yr olds with attention deficit disorder, 22578
cognitive processing model as framework for indication of student levels of understanding during classroom instruction, 10394

colleague ratings of personality traits & observed classroom behavior, ratings of teacher effectiveness, college students, 2564
concurrent validity of Vineland Adaptive Behavior Scales-Classroom Edition & Vineland Social Maturity Scales & their mean scores, mentally retarded 7.5–18 yr olds, 26192
considerations & difficulties in behavioral research of disruptive behavior in schools, 28497
control theory in classroom, behavior choices, students & teachers, 31260
covarying responses based upon general linear model, prediction of classroom behavior, 4th–5th graders, 13353
development of reliable multibehavioral observational system, assessment of classroom behavior, 18668
dose-response to methylphenidate therapy, academic performance & classroom behavior during recreational & educational activities, 5.5–11.5 yr olds with attention deficit disorder, 7222
early childhood malnutrition & home environment, IQ & classroom behavior, 5–11 yr olds, Barbados, 23031
eco-behavioral interaction complex instructional arrangements, student response & academic performance, 4th graders, 31250
experts' opinions on disruptive behavior in schools & availability of educational services, disruptive students, West Germany & France & Switzerland & Denmark & Belgium & Austria, 10441
home-school cooperative program, aggressive classroom behavior, children, 15932
inattentive classroom behavior by a student, likelihood of additional inattention by others, 1st graders, 25837
interdisciplinary vs Marxist principles in education, handling of deviant behavior in elementary schools, 4835
interpersonal cognitive problem solving training, solving interpersonal problems & classroom behavior, low income preschoolers in rural Head Start program, replication of study by M. B. Shure, 12954
interrater reliability of Teacher Rating Scale of Behavior Rating Profile, learning disabled 3rd–5th graders & regular vs resource room teachers, 31353
lecture vs discussion & approachability of instructors & sociability of classmates, cognitive & affective states & classroom behaviors, 21–48 yr old college students, 23035
locus of control & classroom structure, persistence & attention, 4–5 yr olds, implications for classroom placement, 18554
low inference classroom interaction observation systems, teacher & school effectiveness studies, 31136
mainstreaming, behavior & attitudes toward handicapped, preschool teachers & their 3–5 yr old handicapped & nonhandicapped students, 18588
maladjustment vs disruptive behavior & Preventive Approaches to Disruption Pack modular package of personal skills development, classroom teachers, 28438
mapping of social & behavioral characteristics, preparation for mainstreaming, junior high school & hearing impaired students & their teachers & parents, 31287
mixed vs single age classes & ability level, time-on-task behavior, 3rd & 4th graders, Netherlands, 31265
multidisciplinary schools support team response to disruptive behavior in schools, 4–16 yr old students, England, 28602
multimodal group & individual counseling, classroom behavior & achievement, underachieving 3rd & 4th graders, 10530
nonverbal behaviors & classroom communication style, White vs Choctaw Indian 5th & 6th graders & their teachers, 7664
observational analysis of on-task performance & student involvement, profoundly or severely mentally retarded students in special classes, implications for establishing norms for evaluating severely handicapped students, 18585
on-task & problem behaviors, differential labeling & placement, learning disabled vs low achieving high school students, 10465
otitis media, auditory processing & language development & delay & classroom behavior problems, elementary school students, educational implications, 12196
physical exercise, classroom behavior, behaviorally disordered 6th–8th graders, 13070
physical intervention techniques, aggressive student behavior, teachers, 15791
purpose of appraisal & expectation of validation, leniency of self appraisal in self reported classroom participation, college students, 31246
rates of specific verbal behaviors during behavioral vs cognitive behavioral vs attention control interventions, therapists & 3rd–6th graders with classroom behavior problems, 12505
ratings of student behavior problems in disruptive vs nondisruptive classrooms, regular vs special education teachers, 28402
reflective thinking techniques, classroom impulse control problems, students, 22978
reliability & validity of self report ego strength questionnaire & correlation with 16PF subtest & school conduct, 16124
resegregation in desegregated schools & teacher attitudes, selection of grouping principles & classroom learning & behavior, elementary school teachers & Black & White 5th graders, 13026
ritual dimensions of resistance, symbolic & ideological dimensions of transgressive student behavior, "class clown" in junior high school, 25844
room arrangement & teacher mobility in classroom management, class behavior, teachers of learning disabled students, 23058
school behavior & achievement as predictive factors of future alcoholism, 19–20 yr old sons of alcoholic fathers, longitudinal study, 22167
self observation, disruptive classroom behavior, behavior disordered & hyperactive 10–13 yr old males, 23076
sociological perspective on handling disruptive behaviors, special education students, 28576
suggestions for & acceptance of interventions for treatment of classroom misbehaviors, 6th graders, 28504
teacher-rated classroom behaviors in kindergarten through 3rd grade, adolescent delinquency & school misconduct, at-risk urban minority children initially assessed in 1968 & followed up in 1982, 12111
teaching interaction approach, development of social skills, disruptive & non-disruptive students, 15644
techniques for management of physical aggression, 15778
training & supervision program, increase & validation of functional classroom tasks, teachers of severely & profoundly handicapped adolescents & adults, 15858
transfer to English program due to academic difficulty & poor adjustment, academic & cognitive variables & school attitudes & classroom behavior & attitudes toward 2nd language, former French immersion 3rd–5th graders, Canada, 15633
troubled student behavior & occupational stress & professional role, elementary school teachers, 31161
undesirable competing behaviors, maintenance & generalization of desirable behaviors, autistic 8 yr old male & multiply handicapped 8.3 yr old female with behavior disorders, 22741
validity of earliest school recollection system for identification of school behavioral patterns, 3rd–4th graders, 28634
validity of teacher ratings of classroom behavior, differentiation of attention deficit disorders, 7.2–11.5 yr olds with attention deficit disorder with vs without hyperactivity, 7693
videotape as information source for discussion of classroom activities, parents & teachers, 23033
Youth Counseling Service's psychological interventions, classroom conflict situations, Poland, 31329

Classroom Behavior Modification

application of behavior modification, gifted students, 2492
approval for appropriate behavior technique, disruptive classroom behavior, 11 yr old male, 20739
Behavior Improvement Program package, classroom discipline problems, 2378
behavior modification strategies, reduction of disruptive classroom behavior & generalization of treatment effects, 10–12 yr olds, 4965
behavior modification techniques, enhancement of speech in Estonian school, mentally retarded 1st- & 2nd-graders, USSR, 7717
behavioral approach to teaching, reduction of troublesome classroom behavior, remedial secondary education students, 28462
behavioral interventions, disruptive & on-task behavior & teacher effectiveness, 2nd & 3rd yr secondary remedial mathematics students, 28556
behavioral management techniques in classroom, frequency & intensity of behavioral problems, students, 28436
behavioral teaching of attention & imitation & toy interaction behaviors, collateral attentional & behavioral & interpersonal effects, developmentally handicapped 3.3 yr old female with myoclonic epilepsy, case report, 25857

behavioral techniques, teachers of behaviorally disordered children, 15855
classroom behavior control strategy, 2351
cognitive behavior modification vs direct instruction vs holistic approaches in special education, learning disabled students, 25876
contingency reinforcement in development of generalized verbal control, self regulation, 4 yr olds with deficits in social or academic behaviors, 23063
correspondence training & verbalization reinforcement & indiscriminable contingencies, maintenance of target classroom behaviors, 4 yr old preschool students, 28506
density of instructional commands & reinforcement of discrete compliant responses, noncompliant behavior, emotionally disturbed 6 yr old male with brain damage, 15863
development & evaluation of Behavioral Approach to Teaching Package inservice program training, primary & middle school teachers, 12930
DRO, stereotyped behavior & task performance, autistic 14–21 yr old students, 25865
dynamics of victim-bully relationship in school, implications for intervention, 15783
enhanced vs typical positive consequences with vs without negative consequences, on-task behavior & academic performance, 2nd & 3rd graders with behavior problems, 7606
ethical considerations in use of behavior modification in schools, 12944
group- vs single-case experimental design, assessment of behavioral intervention in education, 2585
high vs low social reinforcement verbal self instructional training, social & academic behaviors, 2nd–5th graders, implications for effects of rapport on treatment outcome, 18471
individual vs group contingencies in classroom, social behavior & academic achievement, elementary & junior high school students, literature review, 25789
maladjustment vs disruptive behavior & Preventive Approaches to Disruption Pack modular package of personal skills development, classroom teachers, 28438
methods for control & prevention of aggressive behavior, special education teachers, 15860
objective self awareness behavior modification technique, classroom disturbances, elementary school students, 4858
paradoxical strategies, coping with hyperactivity in classroom, teacher of 8 yr old hyperactive learning disabled student, 2526
paradoxical strategies in classroom, disruptive & aggressive & acting out behavior & teacher-student relationships, male 8 yr olds, 15777
partial task training strategy, productivity & on-task behavior, institutionalized profoundly retarded 18–19 yr olds, 10127
Pez Candy Dispenser, delivery & fading out edible reinforcers, moderately retarded special education students, 10496
program for training application of behavioral approach to classroom programs, teachers of 5–11 yr olds, 18509
proposed vs actual interventions for students with behavior problems, elementary school teachers, 18495
reciprocal peer management procedures & group reinforcement contingencies, arithmetic proficiency, underachieving 5th & 6th graders, 28464
self monitoring & correspondence training, independent story writing, 9.2–11.1 yr olds with disruptive classroom behavior, 2401
self recording, on-task behavior, behavior disordered 10.2–12.3 yr old special education students, 2528
self vs teacher management of token reinforcement, time on task & out-of-seat behavior, 8–12.3 yr olds in special classrooms at health camp, 23080
strategy vs self instructional training, distractible behaviors during performance of mathematics task, 9.7–15.5 yr old students with conduct disorders, 2503
suggestions for & acceptance of interventions for treatment of classroom misbehaviors, 6th graders, 28504
supportive organizational environment & effective use of Behavioral Approach to Teaching Package inservice training program, comments on work of K. Wheldall & F. Merrett, 12919
videotape cameras & recording & playback, controlling & confronting disruptive classroom behavior, learning disabled students, 13102

Classroom Discipline

Behavior Improvement Program package, classroom discipline problems, 2378
behavioral approach to teaching, reduction of troublesome classroom behavior, remedial secondary education students, 28462
classroom behavior control strategy, 2351
cognitive ethnography of selection routines & objectives for preventive classroom management, experienced elementary teacher, 10450
experts' opinions on disruptive behavior in schools & availability of educational services, disruptive students, West Germany & France & Switzerland & Denmark & Belgium & Austria, 10441
factorial validity of Pupil Control Ideology scale, measurement of pupil control orientation on humanistic-custodial continuum, elementary school teachers, school climate research implications, replication of study by S. Graham et al, 15899
management of acting out child in classroom, teachers, 15775
objective self awareness behavior modification technique, classroom disturbances, elementary school students, 4858
participation in Adlerian course on coping with children, attitudes toward classroom discipline, 25–55 yr old teachers, 12910
perceptions of discipline & classroom management & drugs & absenteeism & responsibility, school board members vs superintendents vs principals vs counselors vs teachers vs students vs parents in junior high/middle school setting, 20658
personal boundary orientation & classroom boundary regulation, effective group leadership in classrooms, elementary school teachers, 25742
professional preparation & teaching methods & classroom management & interaction with parents & other factors, teachers of trainable vs profoundly mentally retarded students, 15878
pupil control ideology & behavior, school climate, literature review, 15802
setting clear consequences for misbehavior & enlisting student's aid, teachers, 15786
sociological perspective on handling disruptive behaviors, special education students, 28576
suggestions for & acceptance of interventions for treatment of classroom misbehaviors, 6th graders, 28504
suggestions for content of graduate & undergraduate teacher education courses in discipline, school principals & professors of secondary education, 28400
Youth Counseling Service's psychological interventions, classroom conflict situations, Poland, 31329

Classroom Environment

academic subject area & working in small groups vs independently vs in entire class with vs without teacher, classroom behavior, problem vs nonproblem 4–7 yr old kindergartners & 1st graders, 13033
affective vs academic vs interactive emphasis, promotion of positive class affect, elementary school students & their teachers, 10453
analysis of information handling techniques within classroom, 23041
application of recent findings on time on task & classroom physical environment & teacher effectiveness research, effective teaching, 28411
characteristics of effective schools & classrooms & instructional processes & practices, academically handicapped elementary school students, literature review, 20764
class size, attention & communication & disruptive behavior, educable mildly retarded children, 23060
classroom context, type & function of Spanish vs English, bilingual preschool teachers & teacher's aides, 22933
classroom environment & academic achievement, functional assessment of academic environment, 31232
classroom environment, mental health & adjustment & locus of control, junior high school students, replication of author's previous study, 23040
classroom environment, student satisfaction, college & graduate students, India, 2477
classroom experience assessed by academic & conduct & personal interactions with teachers & peers, self perceptions of ability & conduct & effort, 2nd & 6th graders, 15805

classroom language limits & environment & social identity & teacher expectation, language education, 28420
classroom organization, experiences, handicapped vs nonhandicapped 2.1–6 yr olds in mainstreamed setting, 15822
classroom racial composition, cross-race & same-race friendships, Black & White 4th–7th graders, 7665
competition & fairness & work ethic as philosophical tenets in special education, classroom environment, learning disabled students, 13089
competitive vs noncompetitive instructional climate, teacher expectations, kindergarten through 3rd grade physical education students & their instructors, 2383
cooperative classroom as therapeutic agent, psychotic 6 yr old male, 4958
cooperative vs competitive vs individualistic student-student interaction, affective outcomes of science instruction, secondary school students, Nigeria, 2470
cooperative vs individualistic learning environments, achievement & interpersonal attraction & instructional interaction & attitude, partially hearing impaired 3rd graders, 7713
development & validation of Landau social emotional climate scales, assessment of instructional characteristics & teacher-pupil & pupil-pupil relationships, 13151
development & validation of My Class Inventory, measurement of classroom psychosocial environment & identification of needed changes, elementary school students & teachers, 10525
discovery vs nondiscovery classroom climate, biology process skills & content achievement, college students, replication of Science Process Inventory study, 2370
eco-behavioral interaction complex instructional arrangements, student response & academic performance, 4th graders, 31250
high- vs low-context cultural communication, classroom activities & teacher-child interactions, 6–9 yr old language/learning disabled Hispanic elementary school students, 2551
home vs classroom communication, ability to succeed in educational system, cultural-linguistic minority children, implications for educational policy, program implementation, 2432
importance of creative learning environment, gifted/talented in heterogeneously grouped classes, 2537
learning atmosphere, creative process, gifted students, 15873
lecture vs discussion & approachability of instructors & sociability of classmates, cognitive & affective states & classroom behaviors, 21–48 yr old college students, 23035
locus of control & classroom structure, persistence & attention, 4–5 yr olds, implications for classroom placement, 18554
microcomputer-assisted testing, instructional environment, 28418
mixed vs single age classes & ability level, time-on-task behavior, 3rd & 4th graders, Netherlands, 31265
need for humanistic classroom environment, 12975
pedagogical & classroom dilemmas vs personal coping strategies in practice of teaching, elementary school teachers, 12912
peer teaching, perceptions of class environment & adjustment & academic achievement, 5th graders, 22994
perception of autonomy vs external control, individual differences in perception of classroom environment, 4th–6th graders, 20752
perceptions of democracy in elementary school classrooms, teachers & students, 20736
planning personnel training facility for effective learning, 28693
pressure-free vs pressured classroom situation, level of divergent thinking, students, 4907
principles of applied behavioral assessment, methodology for assessment of classroom environment & individual academic skills, emotionally disturbed male 3rd grader, 4962
process-product & descriptive models in study of communication in classrooms, 2481
promotion of creativity in classroom, 18459
quiet classroom, development of thought processes in reading & arithmetic & art & play, children, 7666
ratings of student behavior problems in disruptive vs nondisruptive classrooms, regular vs special education teachers, 28402
Rehearsal Demonstration Modules, intercultural communication & educational & multicultural dynamics, teachers in multicultural classrooms, 28448
role in success oriented learning environment, teachers, 13031
role of sincerity in teaching, classroom teachers, 25738
room arrangement & teacher mobility in classroom management, class behavior, teachers of learning disabled students, 23058
room management in classrooms with parental involvement & peripatetic staff, engagement in activities, mainstreamed children with moderate learning difficulties, 28577
school goals & instructional features & size & funding & population, perception of alternative school's learning environment, high school students, 7683
sequence of accomplishments for computer learning environments, male vs female middle school students, implications for fostering equitable skills, 23036
smallest-space analysis technique to assess class size effect & activity & cognitive dimensions, instructional performance, medical school faculty members, 25669
space allocation, resource or special education instruction in public schools, 23067
student & classroom characteristics, science inquiry skill, 17 yr old male vs female Whites vs non-Whites, 7646
teacher & child perception of classroom environment, adjustment, 2nd–4th graders, 23042
teacher socialization communication & student understanding of role & classroom norms, 1st & 5th graders, 2449
use of language & literature & literary activities, observation of student development in classroom research, teacher-researchers, 23026
use of time & space, reinforcement of collective orientation vs individualism & self expression, Black Head Start vs White middle & upper middle class preschool teachers & their students, 2380

Classroom Instruction [See Teaching]
Classroom Teachers [See Teachers]
Claustrophobia
prediction of panics, fear & safety, mildly claustrophobic college students, 3913
Cleft Palate
dynamic palatography, visual training & correction of articulation disorders, 6 yr old female with cleft palate, Japan, 30798
persistent otitis with vs without early myringotomy, otologic & audiologic & psychosocial development, 65–137 mo olds with repaired cleft palates, conference presentation, 12218
production of intelligible pressure consonants & tongue placement skills, 38 yr old male with cleft palate, 4083
Clergy [See Also Chaplains, Ministers (Religion), Nuns, Priests, Rabbis]
attitudes toward directions taken by funeral industry, United Methodist vs Roman Catholic vs Episcopalian clergy & funeral directors, 26967
Christian therapy & theological justification for treatment, fear of public disgrace following unprofessional sexual conduct toward married female church member, senior Anglican clergyman, 17890
community pastoral counseling activities, traditional vs evangelical vs Black clergy vs pastoral counselors, 18228
importance of involvement of school & family & clergy, moral development, junior high school vs college students, 1978–1983, 952
marital relations, couples in which husband is clergyman, 3594
needs assessment, development of clergy consultation service, 27–66 yr old clergy, 7391
occupational stress, marriage, family relations, female & male clergy & their spouses, 29844
role in medical ethics committees, clergy, 25637
values & social activism & school desegregation, White Catholic vs Protestant vs Black Protestant male clergy, 19711
Clerical Personnel
complexity of computer-based instructional text editors & reading comprehension & computer enjoyment & previous computer experience, word processing performance, 29–38 yr old female clerical & administrative workers, 31435
control structure & conflict, public agency directors vs supervisors vs caseworkers vs clerical staff, 28796
educational level, organizational commitment & intrinsic & extrinsic rewards, employees in professional & managerial & clerical & service & blue collar positions, 26025
experiences of & attitudes toward receptionist's role in general medical practice, adults, 12614

job characteristics & tenure & personal characteristics, perceptions of ease of career movement within organization & organizational commitment & intention to quit, university & state agency clerical employees, 26023
job satisfaction & involvement & organizational commitment & turnover intention & life satisfaction before vs following vacation, technical & administrative & clerical & service personnel, 31525
job satisfaction & organizational commitment & intention to resign & employee turnover, insurance company clerical personnel & university faculty & clerical staff & food service managers, 7845
life transitions & coping strategies & stress management, male & female clerical & support workers aged 27 yrs & older, implications for vocational guidance, 28669
occupational sex-types & feminization of clerical work, male & female clerks, Great Britain, 1876–1936, 2615
personal- & work-related reference checking in selection process, prediction of future job performance & adjustment & group participation, professional & technical & clerical personnel & college students vs blue collar workers, 31415
relative deprivation, working environment & job satisfaction, blue collar & clerical workers, 5091
working activities & conditions, affective reactions, full-time clerical employees with different occupational situations, 13244

Clerical Secretarial Skills

age & employment in same department or profession, diffusion of word-processing behavior, 22–58 yr old research institute staff members, 16008
4-component heuristic model of skilled behavior of transcription typing, 21057

Clerks [See Clerical Personnel]

Client Attitudes

application of Q-analysis, attitudes toward ECT, patients, 6929
assimilation by integration vs isolation, attitudes toward psychosis, schizophrenic patients in remission, implications for treatment, West Germany, 19965
attitude scale, measurement of beliefs about pain, patients with chronic low back pain, 30384
attitudes & epidural anesthesia vs paracervical or pudendal or local infiltration or no medication, labor & birth experience, 18–36 yr old mothers, 30831
attitudes & negotiating statutory child care with social services, mothers & fathers & children & siblings & social workers & foster parents, UK, 30868
attitudes & social & psychiatric background & symptoms & cooperation vs staff-directed treatment contract, short-term psychotherapy patients, 6-mo followup, 25120
attitudes toward & incidence & types of work-related illness, patients in family medicine center, 14909
attitudes toward alcoholism & self help groups & type of alcoholism & intention to participate, prediction of participation in self help group, discharged alcoholic patients, 10169
attitudes toward alcoholism treatment, doctors & nurses vs alcoholic patients, 7494
attitudes toward efficacy of complexive therapy, neurotic patients, 20271
attitudes toward emotional problems & psychiatric help, mental health care utilization, depressed male vs female college students, 25928
attitudes toward genetic counseling & hemophilia, hemophiliacs vs carriers, Scotland vs Canada vs US vs Greece, 25369
attitudes toward hypnosis & relaxation & beliefs in & willingness to try behavioral procedure, outpatient cancer chemotherapy patients vs college students, 15096
attitudes toward physicians & their services, adult heads of households, implications for marketing, 30837
attribution for success vs failure of illness outcome & present status of disease, arthritic vs diabetic vs hypertensive patients, 6817
attributions about unemployment, therapeutic processes & techniques, counselors & their unemployed clients, literature review, 18720
availability vs vividness vs salience of verbal & nonverbal cues, perceptions of counselor expertness & attractiveness & trustworthiness, college students, 10055
belief in biorhythms, expectations in hypnotherapy, psychotherapy patients, 7296
beliefs about causes of illness, treatment compliance, 17–67 yr old psychiatric clinic outpatients, 17799
birth delivery at proprietary vs teaching vs community hospitals, satisfaction with food & physical surroundings & cleanliness, 18–35 yr old mothers, 30806
Black racial identity, perceptions of culturally sensitive vs insensitive counselors, comments on article by J. Pomales et al, 15321
client expectations & counselor attitudes & behavior, premature termination of counseling, college student clients & counselors in university counseling center, 15901
client preparation & problem severity, understanding & attitudes & expectations of child psychotherapy, 6–12 yr olds & 1 of their parents, 27763
client religiosity, judgment of prognosis & psychopathology & locus of problem, religious vs nonreligious clinicians, 20305
client satisfaction with & test reliability of Spanish vs English versions of Client Satisfaction Scale, Hispanics vs non-Hispanics, replication of research of R. E. Roberts, 23414
cognitive-behavioral treatment, motivational deficits, 4409
computer use in consultation & ratings of physician just seen vs ideal physician, recent hospital outpatients, 22610
concerns & needs assessment, circumcised females & their health care providers, US, implications for health care delivery, 12646
construction & reliability of Lifestyle Satisfaction Scale, assessment of satisfaction with residence & community & associated services, mentally retarded 20–67 yr olds in intermediate care facility vs apartment vs nursing home setting, 8077
construction of scale for assessment of patient participation in treatment & relationship to outcome, hospitalized patients with personality or schizophrenic or schizoaffective or major affective or conduct or adjustment disorders, 2866
coping style & attitudes, prediction of treatment preferences for agoraphobia, college students, 9667
counselor age & intimacy level of presenting problem, perception of counselor & counseling relationship, married vs unmarried females, 27829
counselor experience &/vs stage of counseling & counselor & client cognitions & behaviors & ratings, college students & counselors & counseling interns, 30905
counselor self disclosure & paradoxical vs nonparadoxical homework directives, counselor social influence, college students with test anxiety, conference presentation, 31366
counselors' self disclosure about their obvious vs nonobvious disability, perceptions of counselor, college students, 28123
counselor's sex role in congruent behavior & S's feminist orientation, evaluations of counselor experiences vs attractiveness vs trustworthiness, college students, implications for client expectations & counseling practice, 2069
counselor's training & experience & similarity, willingness to see counselor, 16–37 yr old hearing impaired college students, 31327
decision to choose laetril & skepticism & alienation from medical establishment, cancer patients, 4466
demographic & medical variables & attitudes & perceived beliefs of others & intentions toward medical regiment adherence, actual posthospitalization regimen adherence, 32–70 yr olds recovering from myocardial infarction, 25505
demographic & treatment & adjustment factors related to treatment expectations, treatment outcomes, male hospitalized psychiatric patients in VA general psychiatric service, 30937
dentists' technical competence vs staff interpersonal skills vs office organization vs financial practices, satisfaction, dental consumers, implications for marketing, 30799
development & administration of opinion survey, satisfaction with hospital care, patients, 70
development & reliability of scale to assess satisfaction with parent education programs, parents, 23467
development of instrument measuring fears about psychotherapy, clients, 10824
differential perceptions of condition, 18–59 yr old patients with psychosomatic respiratory or gastrointestinal disorders vs physicians & nurse practitioners, 12214
doctor-patient relations & emotional stress & behavioral eccentricity & neurotic complaints & therapy or medical treatment attitudes & fixed attitudes, patients with neuroses vs kidney transplant, 6461

evaluation of organizational activities of public health clinics serving poor, indigent clients & clinic staff, 25443
evaluation of therapeutic processes & outcomes, clients of university mental health center, 4980
expectations of nurses & relatives & patients, rehabilitation, chronic schizophrenic patients, 1-yr longitudinal study, 7455
experiences of & attitudes toward receptionist's role in general medical practice, adults, 12614
expert & referent influence & counselor physical attractiveness & client & counselor sex, perceptions of counselor's professional & personal attributes, college students, 15326
factors in patients' choice of primary care system & medical students' qualifications, success of ambulatory care services in teaching hospitals, 25495
factors in selection & evaluation, real vs ideal dentists, dental patients over age 16 yrs, 30802
factors related to perception of physician & expectations, decision to file malpractice action, patients, 17123
family awareness & patient attitudes, family practice residents & their 20–70 yr old new patients, 4741
family characteristics & coping behavior, feelings of hopelessness, 8–16 yr old cancer patients, 14801
feelings & reactions during patients' stay on intensive care unit, unit personnel & significant others & psychotic & prepsychotic vs neurotic patients vs alcohol & narcotic abusers who attempted suicide, 18288
female counselor race & physical attractiveness, client impressions & expectations, Black vs White female college students, 28119
group psychotherapy during hospitalization, 19–70 yr olds with schizophrenia & major affective disorder & depression & anxiety & borderline personality disorder, 22723
hypnosis & therapeutic change, examination anxiety, female kindergarten teacher, 18126
impact of national health care, attitudes & expectations toward medical profession, patients, Canada, 1708
impact of psychiatric hospitalization, patients on long term unit, 3.5-yr longitudinal study, 7437
implications of term "shrink" & formation of therapeutic alliance, 17820
incidence of depression & suicidal ideation, 29–82 yr old terminally ill patients, 17562
incorporation of patients' treatment preferences in family practice diagnostic & management decision making, medical patients, 1990
inservice task-centered training, cognitive command of approach & skill learning & application & client satisfaction, public social service workers, 31111
knowledge of & attitudes toward confidentiality in therapy, high school students vs college students majoring in psychology vs former clients from community mental health & university counseling centers, 20609
lifestyle changes & severity of cardiac event & belief of relation between smoking & cardiac problems, current smoking habits, military veteran patients who had myocardial infarction or coronary bypass surgery, 27664
motivation, visits to clinic staffed by nurse practitioners, 15–83 yr old patients, case examples, 22669
need for focus on strengths vs weakness & health vs disease, increased feelings of health & independence, institutionalized elderly patients, 28171
nonverbal behavior, perception of counselor expertness & attractiveness & trustworthiness & helpfulness, college students, 2064
opinions about hospital ethics committees' decisions on life support, hospital outpatients, 20532
paternalism & need to be aware of psychodynamics underlying ill-advised patient decisions, physicians, 28328
patients' views on medical students & care quality, university operated community health center patients aged 16–92 yrs, 25356
perceived counselor power & trustworthiness & client motivation, prediction of change in self concept, college students, 23103
perception of effects of long term neuroleptic medication on patient's quality of life, patients & clinicians, conference presentation, 12545
perception of expectations of & suggested techniques for attracting Black middle class patient, Black physicians, 10182
perception of hostility, alcoholic adults assessed before vs after short term treatment, 28255
perception of likelihood of negative events during dental treatment, attendance pattern & anxiety level, dental patients, 9984
perceptions of characteristics of psychiatric ward, patients & their relatives, 20515
perceptions of counselor touch conditions in counselor-client interaction, male vs female 19–65 yr old counselors vs clients, 10058
perceptions of family & peer experiences & schools & adult life, males admitted as adolescents to residential special school for maladjustment, followup study, 22722
perceptions of psychiatric consultations, adult patients hospitalized for medical illness, 28187
perceptions of therapeutic relationship in dynamic crisis intervention vs longer-term psychotherapies, adult patients, 25126
perceptions of treatment priorities in establishing short term educational group topics in drug dependency treatment program, staff members vs male methadone vs polydrug vs alcohol patients, 12773
perceptions of use of computers in doctors' general practice consultations, patients, 1977
physician dress style, attitudes & therapeutic relationship, 12–21 yr old female vs male patients, 25668
potential bias in interpretation of children's reluctance to accept treatment regimen, interveners, 17705
potential for confounding responses to self rated health questions by respondent's perceptions of holistic health & ability to control environment, elderly, implications for nursing assessments, 12632
preference for treatment plans of Christian counselors, Christian vs non-Christian clients, partial replication & extension of study by S. G. Dougherty & E. L. Worthington, Jr., 7397
preferences for similar vs dissimilar counselor characteristics, 17–52 yr old Black college students, 28105
preoedipal fixation, preferences for psychoanalysis vs client centered vs behavior therapy, college students, 4308
pretreatment attitudes & knowledge & psychological adjustment & recovery following surgery, female patients undergoing laparoscopy for sterilization vs primary vs secondary infertility investigation, 28078
provider continuity, pregnancy complications & patient satisfaction, pregnant 17–36 yr olds, implications for family practice, 25355
psychiatric ward admission, therapeutic milieu & other patient & staff reactions, 32 & 33 & 34 yr old male homosexuals with acquired immune deficiency syndrome or delusions of having disease & 27 yr old female drug abuser, 4669
psychodynamics of dissent in psychoanalysis, patients, 12408
psychological distance & perception of problem drinkers vs self vs ideal self, doctors vs nurses vs general practitioners vs alcoholic patients, 22179
psychological reactions & coping mechanisms, cancer patients & their families & physicians & nursing personnel, 20199
racial identity, perception of White counselors varying in cultural sensitivity, Black college students, 15328
ratings of self & other on structural analysis of social behavior scales, prediction of psychotherapeutic outcomes from interpersonal styles, therapists & clients, 17873
reactions to patient's self- or chance-blaming attributions for illnesses having varying lifestyle involvement, health practitioners, 30843
reactions to preoperative interviews with their physicians & types of concerns expressed, 16–52 yr old elective surgery patients, 2007
reactions to therapist's 1st pregnancy, psychotherapy clients, 27786
reactions to transfer from midwife-run natural birth center during pregnancy vs birth vs postpartum, females questioned 1 wk vs 3 mo or interviewed 10–14 wks after giving birth, 25375
reasons for requesting discontinuation of hemodialysis treatment, 72 yr old male in renal failure, 28080
recall of experience & methods of communication & coping ability, 12–16.9 yr olds who underwent endotracheal intubation, 15225
response to participation in research study & complex data collection, terminal cancer patients & their principal care persons, 15247

satisfaction & perception of hospital chaplaincy services, patients with diabetes & who had surgery, US, 25511
self concept, college students who had vs had not sought psychological counseling, 30910
self reported attitudes & behaviors during weight maintenance vs loss vs gain, former clients of cognitive-behavioral program for obesity who lost 15 or more pounds, 6–10 yr followup, 18013
self reported desired weight & eating attitudes & depression & obsessional symptoms, 14–45 yr old anorexic inpatients assessed at hospital intake & discharge & 1-yr followup, conference presentation, 25477
surrogate refusal as resistance to analyst as parent, psychotherapy patients, 7010
time, values of treatment regimens & compliance, patients, 20442
traditional vs feminist announcements of therapist services, perceptions of counselor & problems, male vs female college students, 10057
type of marriage & family therapy & perceptions of marriages & personal lives, couples who did vs did not drop out of marriage & family therapy, 1824
understanding of informed consent & clinical psychopathology & attitudes toward treatment, decision to accept antipsychotic drug treatment, 22–69 yr old psychotic patients, conference presentation, 9905
use of Ward Atmosphere Scale as objective means of evaluation of milieu therapy, emotionally disturbed 5–16 yr old residents & staff of residential facility, 20510
validity scale for SHARP consumer satisfaction scales, 13–81 yr old former patients of community health center & psychotherapy, 5346
value attached to physicians' emotional expressivity vs neutrality, preferences regarding physician behavior in medical encounter, health sciences students as consumers, 18142
verbal vs audiovisual precounseling orientation, expectations of counseling, college students, 2068
videotaped psychotherapy orientation, response to & knowledge about therapy & use of & satisfaction with community mental health services & therapist ratings of clients, psychotherapy clients, 9764

Client Centered Therapy

audiovisual vs written stimulus presentation, preference for behavioral vs person-centered psychotherapy, college students, 20296
client centered approach, symbolization of experience in process of group development, clients & therapists in group psychotherapy, 7118
client centered counseling & group psychotherapy, 17907
evolution of Rogerian therapy from nondirective to process-oriented, 12371
feelings about client-centered therapy interviews in workshop with C. Rogers, participant, 9749
feelings about client-oriented therapy interviews in workshop with C. Rogers, participant, comments on article by S. Slack, 9744
person-centered perspective of C. Rogers & rehabilitation counseling, 22768
preoedipal fixation, preferences for psychoanalysis vs client centered vs behavior therapy, college students, 4308
quantum theory & person centered therapy, 12684
similarities of person-centered & Gestalt therapy, 20304
single person role playing technique in client-centered treatment, 1799
situation-focused vs competence-enhancement person-centered approaches, primary mental health prevention, 2023
value & application of client centered play therapy, mentally retarded children & adolescents & their families & providers, 1764

Client Characteristics [See Also Client Attitudes, Health Behavior, Illness Behavior]

abuse-provoking characteristics, institutionalized mentally retarded clients with mean age of 29 yrs, implications for staff training, 25516
academic vs collegiate vs vocational vs nonconformist orientations, choice to seek help & type of counseling center services chosen & number of sessions attended, college students, 18671
adjustment, dialysis patients at dialysis center vs in limited care dialysis, 4587
administrative aspects & outcomes of community-based group home, female 20 yr old & other discharged psychiatric patients, Israel, 18300
affiliation vs hostility & dominance vs submission characteristics, successful vs unsuccessful psychotherapy outcome, 16–57 yr old outpatient counseling clients, 27778
age & illness duration & number of hospitalizations & degree of pharmacoresistance & duration of acute episode, outcome of clozapine treatment, schizophrenic 16–57 yr olds, conference presentation, 15167
age & number of people living in home & disease history, terminally ill hospice vs hospital patients, 28047
age & reason for referral & dangerousness & group setting & antisocial behavior & peer relationships & stealing as subclassification parameters, child firesetters, England, 4004
age & sex & diagnostic & treatment characteristics, children & adolescents treated in Dr. Juan N. Navarro Child Psychiatric Hospital, implications for program planning, Mexico, 1980, 28166
age & sex variables, patient preference, 17–56 yr old female nursing students, implications for quality of care, 25363
age at illness onset & diagnosis of manic phase & duration & severity of illness, efficacy of various drug treatments, manic depressive patients, 7160
age at 1st hospitalization & compliance with drug therapy & drug or alcohol abuse & other factors, multiple hospital admissions, psychiatric patients, 30932
aging of client populations, health care services, implications for social workers, 30906
amount of experience & nature of client's presenting problem, preference for legitimate vs expert vs referent interpersonal power base, female vs male counseling practicum students, 31110
application of psychological facts about personality to clinical practice, 4297
assaultive behaviors, psychiatric outpatients, 2122
assessment & treatment of "selfless syndrome", female psychotherapy clients who follow cultural prescriptions to seek satisfaction via self denial & fulfillment of others' needs, 27807
assessment methods used & degree of evaluation of patient work potential, occupational therapists working in mental health settings, 25535
attitudes & social & psychiatric background & symptoms & cooperation vs staff-directed treatment contract, short-term psychotherapy patients, 6-mo followup, 25120
attitudes toward noncompliant adolescent vs adult hospitalized patients, 21–60 yr old nurses, 10064
attributions of behavior of schizophrenic patients, 20–58 yr old hospital vs alternative-care staff, 12869
attrition patterns for psychosocial &/vs pharmacologic treatments, female primary nonbipolar depressives, 25054
audiological selection for & evaluation of cochlear implants, deaf patients, conference presentation, 4573
autonomic functioning or attention prior to treatment, chronic schizophrenic 20–51 yr olds treated with amphetamine, 15127
background & drug careers & prognosis, female vs male drug abusers assessed 1.9 & 4.7 yrs following treatment, followup study, 25583
barriers to effective therapy & strategies to overcome them when working with low income Black families, family therapists, 9776
baseline anxiety levels, prediction of behavioral therapy outcome, 18–79 yr old cancer chemotherapy patients, 12507
Bayesian analysis of impact of situational variables, prediction of client behavior, 20290
best-weight vs overweight vs obese client, negative psychological symptoms & clinical judgment, mental health professionals, 25700
biofeedback-behavioral program & internal vs external locus of control, success in headache regulation, headache patients, 25242
cases of abuse admitted to pediatric inpatient service over 10 yr period, children under 10 yrs old at time of abuse, Switzerland followup study, conference presentation, 25482
changes in treatment methods & demographic variables of couples seeking sex therapy, conference presentation, 12341
characteristics & clinical reasons for referral, self vs other referred medical & surgical inpatients, 15356

characteristics & major nursing care problems, hospice patients & their primary caregivers, 30829
characteristics & perceptions, 21–40 yr old patients refusing general hospital psychiatric inpatient treatment, South Africa, 2116
characteristics & treatment modalities, terrorized patients, 19991
characteristics, assaultive male psychiatric patients who did vs did not provide visible cues of potential violence, 12114
characteristics at admission to chemical dependency program vs at 6-mo followup, 10–23 yr old White vs American Indian drug abusers, 18330
characteristics of facility & residents, participation in day programs & leisure activities, 21–98 yr old mentally retarded nursing home residents, 30927
characteristics of illness & hospice program & relationship to caregivers, terminal patients enrolled in home-based hospice program, 28030
characteristics of patients from state vs private psychiatric hospitals, 2074
characteristics of suicidal behavior, 6–12 yr old in- vs outpatients, conference presentation, 27437
characteristics, patients consulting &/or admitted to psychiatric hospital emergency services, 18277
childhood parental loss or anxiety & disorders of parents & siblings, 22–66 yr olds with generalized anxiety disorders vs panic disorder with vs without agoraphobia, 22134
clarity of request for psychiatric consultation, type of psychiatric diagnosis, medical patients, 22004
client & counselor sex & client level of cognitive differentiation, client perceptions of analogue counseling session, 18–46 yr old male vs female college students, 9712
client & therapist characteristics, equal theoretical probability of success across modalities of psychotherapy, 1736
client attributes & therapist-client interaction characteristics during 1st interview, continuation of therapy, psychotherapy patients, 6–8 yr followup, 27764
client characteristics & length of stay, hospitalized psychiatric patients, implications for ability of Health Authority to close psychiatric hospitals, England, 22724
client characteristics & life skills training programs, refugees & non-job-ready employment center clients, Canada, 7461
client characteristics & patterns of mental health care, 12–36 yr old female inpatients vs outpatients with anorexia nervosa, conference presentation, 25051
client characteristics & psychotherapeutic relationship & technique, mood changes in cognitive therapy, 19–60 yr old depressed & anxious patients, conference presentation, 9854
client characteristics & treatment outcomes in psychoanalysis vs psychotherapy, 20–35 yr old patients, 1962–71 vs 1945–62, 4364
client characteristics, college students utilizing student mental health counseling service, Yugoslavia, 10513
client characteristics, early demise in nursing homes, residents who died within 1 yr vs 4 yrs & more after admission, 10096
client characteristics, individual vs group therapy outcome, alcoholic patients, literature review, 22798
client characteristics, persistence of unresolved grief over death of relative, 18–75 yr old psychiatric outpatients, 14673
client characteristics, prediction of treatment outcomes, adolescents & young adults discharged from specialized residential & day treatment facility for behavior disorders, 2–4 yr followup, 18268
client characteristics, probability of survival in community without rehospitalization, psychiatric inpatients or rehabilitation center for formerly hospitalized patients, 12756
client characteristics, psychotic patients who did vs did not comply with outpatient treatment, 2038
client SES, judgment of prognosis & choice of therapeutic technique, survey of members of American Psychological Association Clinical Psychology Division, 20634
client vs service characteristics, prediction of continuation in community mental health treatment, 18–65 yr old chronic patients, conference presentation, 15265
client's attributional explanations & reasons for seeking help, impressions, graduate counseling psychology & social work students, 15334
client's pretherapy traits &/vs process variables, dropout & change in psychotherapy, 19–54 yr old patients, 17833
clinical & demographic characteristics, hospitalization, 20–39 yr old patients of psychiatric emergency room service, Canada, conference presentation, 2108
clinical & demographic characteristics, socially dysfunctional 18–63 yr old behavioral psychotherapy patients, 11933
clinical & diagnostic characteristics of patients treated by antidepressants vs other means vs characteristics missed by general practitioners, depressed 18–64 yr olds, 22634
clinical & neuroendocrine characteristics, 29–69 yr olds with endogenous unipolar vs bipolar depression, conference presentation, 30145
clinical characteristics & antidepressant vs tranquilizer vs social treatment vs surveillance, 18–64 yr old depressed patients from general practice vs psychiatric outpatient service, 22635
clinical characteristics, hospitalized psychotic patients who refuse antipsychotic drug therapy, 1966
clinical characteristics in family therapy, referred families with 9–17 yr olds exhibiting symptoms of conversion disorder, 25199
clinical pictures & background histories & common features of anesthetic ejaculation, 32–63 yr old patients, literature review, 4216
clinical variables assessed at psychiatric hospital admission, prediction of length of stay, discharged adult patients, 7400
cognitive representations of illness, treatment compliance, hypertensive patients, 6-mo followup, 12333
cognitive vs relaxation training group treatment program, treatment outcomes, cognitive vs noncognitive agoraphobic responders who were matched vs unmatched for mode of treatment, 27726
community-based geriatric assessment, profile of clinical characteristics of patients & prediction of institutionalization, patients with mean age of 75 yrs, conference presentation, 25427
computerized data on social conditions & diagnoses & treatment & admission procedures, patients admitted to hospital psychiatric ward, 1983–84, Italy, 22726
concepts & research design & screening criteria for study on assessment & reduction of psychiatric disability, schizophrenic patients, implications for future use of results from Burgholzli study, 9266
connotations & differential diagnosis & treatment processes, manipulative patients, 27787
contributory factors to duration of psychoneurotic & psychosomatic disorders & admission to psychotherapy, 18–40 yr old clinic patients, 27836
coping with vasovagal syncope, college student blood donors, 9561
counseling & psychotherapy, Asian-American clients, literature review, 30577
counseling session impact, introverted vs extraverted 17–39 yr old clients, 27820
counselor & client personality traits & counselor expectancy biasing effects, college students, 15320
counselor & client variables & type of therapy, client compliance with homework assignments, adult clients of community counseling agency, 30923
counselor age & intimacy level of presenting problem, perception of counselor & counseling relationship, married vs unmarried females, 27829
countertransference & acting out problems in treating psychiatric patient with acquired immune deficiency syndrome, hospital staff, 22710
criteria for patient selection for cochlear implants, conference presentation, 4579
day treatment program & client characteristics, alcoholic patients, 25590
deep-elaborative vs shallow-reiterative cognitive processing & verbal behavior during counseling, college student clients, 27814
demographic & clinical characteristics & incidence of mental disorders, 18–65 yr old Black vs White males vs females vs Puerto Rican males addicted to opiates, implications for treatment, 30285
demographic & clinical characteristics & social class distributions, patients referred to pychiatrists for anorexia nervosa & bulimia & other psychiatric & eating disorders, Scotland, conference presentation, 24936

demographic & environmental characteristics, severity of maladaptive behavior, mentally retarded 4–83 yr olds in residential facility, 28145
demographic & medical variables & attitudes & perceived beliefs of others & intentions toward medical regiment adherence, actual posthospitalization regimen adherence, 32–70 yr olds recovering from myocardial infarction, 25505
demographic & mobility & preadmission residence & family members & lucidity & physical independence factors, friendships in nursing home, aged residents, 15380
demographic & phenomenologic variables, patients responding vs not responding to tricyclic antidepressants, 18095
demographic & physical characteristics & lifestyle & health locus of control, types of health promotion activities, 17–84 yr old nursing clinic clients, 28060
demographic & psychological variables & patterns of bereavement, willingness to participate in support group, 50–89 yr old recent widows & widowers, longitudinal studies, 27862
demographic & psychosocial characteristics, decision to dropout of vs remain in vs refuse membership in day care psychosocial rehabilitation program, chronically mentally disabled 20–55 yr olds, US, 25561
demographic & sociocultural characteristics of demand for & use of special service for alcohol-related problems, 26–45 yr old 1st time users vs treatment terminators, 28264
demographic & symptomatic & psychosocial & diagnostic characteristics, child firesetters referred to clinic, England, 4003
demographic characteristics, prediction of use of injectable vs oral antipsychotic medication, outpatients, conference presentation, 12576
demographic characteristics, 20–69 yr old patients hospitalized for attempted suicide, Denmark, 3967
demographics & characteristics, community mental health center utilization, psychiatric patients, 1973–75 vs 1981–83, longitudinal study, Italy, 22646
demographics & nature of pain & treatment history, choice & outcome of 4 hospital-based pain management programs, chronic pain patients, 18262
demographics & personality & attitudes toward therapy, continuation in group behavior therapy program for self control, 18–60 yr old depressed females who completed vs dropped out of vs refused treatment, 9855
denial & repressive style, information gain & rehabilitation outcome, 30–75 yr old myocardial infarction patients, 2164
description of psychiatric intensive care unit based on general hospital model, acutely psychiatrically ill patients, 2085
development of criteria for determination & classification of appropriate psychotherapeutic intervention based on patients' service requests, psychiatric outpatients, 7087
diagnosis & age & sex & education & civil status & occupation, patients hospitalized at psychiatric hospital rehabilitation service, Cuba, 30972
diagnostic & psychosocial variables of suicidal behavior, 5–13 yr old psychiatric inpatients, 17473
differential characteristics, patients in mental hospital vs psychiatric ward of general hospital, 22732
differential cognitive & affective & behavioral characteristics & relaxation treatment, high vs low anger college students, 5-wk & 1-yr followup, 27228
differential medical & psychiatric & demographic characteristics, patients admitted to medical psychiatric vs conventional psychiatric unit vs receiving psychiatric consultation on medical surgical unit, conference presentation, 20509
differential medical care, males vs females, replication of findings of R. J. Armitage et al, 2010
difficulty of followup, posttreatment functioning, depressed patients, implications for presence of positive bias in treatment outcome evaluations, 1679
distress & frequency of involvement in initiation of social contact & conversation with stranger, avoidant personality disordered 19–62 yr old behavior therapy outpatients, 12012
drinking history & prior treatments & consumption control & marital problems & personality & physical symptoms, depressed vs nondepressed alcoholics in inpatient treatment, 17470
drinking patterns & recovery aids & morbidity, 48–83 yr old alcoholics, 20-yr followup, 15458
eating attitudes & psychological functioning & referral patterns, bulimic 21.2–25.1 yr olds with different weights & weight histories, conference presentation, 24898
effect of gathering problem-related information in 1st session & patient characteristics & suggestions for facilitation of information gathering, patients with hypochondriacal neurosis or depression or anxiety neurosis, 20310
efficiency of CNS as indicator of ability to cope with stressful life situations & Type A behavior, cardiovascular disease patients aged 42 yrs or less vs 43–52 yrs, conference presentation, 12172
elements to estimate prognosis in psychotherapy, 9698
environmental & patient characteristics, increased risk of falling, hospitalized aged patients, prevention implications for geriatric nursing, 10098
environmental factors & client characteristics & process variables & smoking cessation treatment approaches, outcomes of treatment for tobacco dependency, male vs female smokers, 28263
epidemiology of visual impairment, developmentally disabled clients in regional centers, US, 17659
ethical & legal dilemmas of confidentiality in psychiatrist-patient relationship, patients prone to dangerous acts, 15543
etiology & psychological & clinical characteristics, institutionalized mentally retarded 16–70 yr olds with duodenal or gastric or combined ulcers, 28135
etiology & type & severity & onset & age factors, speech recovery in rehabilitation program, 21–60 yr olds with residual aphasia, USSR, 7305
evaluation of short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 2- vs 5-yr followup studies, 1773
existential temporal & spatial profiles, manic patients, 30083
facility & community & client characteristics, community integration, former state hospital patients in residential facilities, 25422
factors affecting nondisclosure in psychotherapy with White therapist, Black clients, reply to H. U. Ashby's & P. Bronstein's criticism, 17868
factors affecting nondisclosure in psychotherapy with White therapist, Black clients, criticism of C. R. Ridley's study, 17774
factors affecting nondisclosure in psychotherapy, Black clients, criticism of C. R. Ridley's study, 17759
factors associated with low compliance, patients referred to alcoholism clinic, 7495
factors predictive of seeking care at Veterans Administration vs other public psychiatric hospitals, veterans, 18280
family & personal history of attempts at suicide & diagnosis of bipolar disorder, psychiatric inpatients, 19979
family structure & school functioning & degree of depression & stressful life events, attempted suicidal acts, hospitalized 12–18 yr olds, 12053
female counselor race & physical attractiveness, client impressions & expectations, Black vs White female college students, 28119
food intake & physical activity & metabolic rate & self motivation & mood states, prediction of weight loss in behavioral treatment program, 22–60 yr olds, 27880
functioning investigated at hospital admission vs followup, inpatients with borderline vs schizotypal personality disorders vs schizophrenia vs major affective disorder, 14-yr followup, 25512
grouping according to physiological & cognitive reactions to social interaction test, responses to relaxation therapy vs self instructional training, 20–60 yr olds with social phobia, 20354
help seeking behavior & problem perception, Asian American vs White college student counseling center clients, 28649
high risk factors for institutionalization, 50–99 yr old community day care clients, 18281
history of focused attention on body or appearance &/or diet prior to onset of anorexia & hormone-related libido & sexual activity, male 14–24 yr old patients 2–10 yr followup, conference presentation, 24904
hospice ideology & patient & caregiver characteristics, success of hospice care in home- vs clinic-based programs, patients & caregivers, 18139
hospital social worker intervention & psychosocial & medical characteristics & other health care contacts, patients who made repeat visits to hospital emergency department, Sweden, 25469
hospital staff perceptions of difficult-to-treat patients, 18–57 yr old long term psychiatric patients, 4645

hostility & anger-in components of Type A behavior as predictors of coronary artery disease severity, 21–69 yr old male angiography patients, replication of study by T. M. Dembroski et al, 12236
humanistic vs scientific academic specialization, use of mental health services, college students, Finland, 5005
hypnotherapy with vs without videotapes &/vs client characteristics, weight loss, 20–65 yr old overweight females assessed posttreatment vs 6-mo followup, 30794
identification & referral procedures & contraindications for day hospital treatment, psychiatric patients with neurosis or personality disorder or adjustment reaction, 22712
identification of common therapeutic targets, 20–49 yr old females sexually abused in childhood, 14995
identification of etiological & patient characteristics, patients over 60 yrs old with organic mental disorders referred from general hospital for psychiatric consultation, 1651
identification of patient characteristics predictive of need for long term care & development of classification instrument analogous to diagnostic related groups categories, VA chiefs of psychiatry & psychology services, 28148
illness- & occupation-related & psychosocial variables influencing employment potential, employed vs unemployed hemodialysis patients, 25354
illness self concept, prediction of response to EMG biofeedback, 18–57 yr old patients with chronic musculoskeletal pain, 7139
immunologic natural killer cell activity & psychological & demographic factors, breast cancer prognostic risk status, 28–74 yr old females with Stage I or II breast cancer, 12232
impact of childhood developmental level in pain perception & professional role & intervention strategies for management, child & adolescent patients & nurses in critical care unit, 15221
impact of neuroleptic drugs & characteristics, course of illness, 18–55 yr old schizophrenic patients 1 yr after hospital discharge, 25288
importance of assessing cognitive ability & consequences of cognitive style for therapy, male & female medical patients, 17894
imposture & inauthenticity & feeling fraudulent, psychoanalysis, 3 illustrative cases, 25114
inability to tap thoughts & feelings & behaviors because traits are held in common with ambivalently loved parent, psychotherapy patients, 15008
incidence & characteristics of falls & presence or absence of injury, elderly patients of nursing facility, 12735
inclusion of "young chronics" & other clinical subtypes in patient population, need for staff training & support & formalization of theoretical base of psychosocial rehabilitation, 2139
incomplete recovery from index episode & residual symptoms & inferior social adaptation, risk for depressive relapse, patients with primary unipolar depression, 27292
independence in daily life & family relations & self esteem, medication compliance, 9–17 yr old epileptics on phenobarbital regimen, 30729
indications for psychiatric home treatment, 25441
individual characteristics & family stress & service program utilization, disposition of continued home vs institutional vs community residential placement, caregivers of mentally retarded persons referred for placement, 10066
informed consent, illustrative cases of 61 & 66 & 89 yr old male & 54 yr old female medical patients with impaired decision making capacity, 4583
institutional factors & resident psychological characteristics, responsiveness to social reinforcement & wariness & outerdirectedness, institutionalized mentally retarded under 27 yrs old, 28189
intellectual vs neuropsychological factors, completion vs withdrawal from vocational training & therapy program, 21–30 yr old inpatient drug & alcohol abusers, 12761
interactional & client & therapist characteristics, treatment of transfer cases, therapist trainees & their 25 & 29 yr old female patients, case report, 27819
investigations of client characteristics and morbidity, female drug addicts in detoxification & rehabilitation unit, Sweden, 1971–72 vs 1975–77 vs 1981–82, 25606
learning style, preference for experiential vs rational vs behavioral vs client-centered counseling approach, clients, 4636
levels of somatosensory & psychotherapy & relationship to patient variables, nonbipolar major depressive in- vs outpatients, 27718
life events & personality attitudes, gonadotrophins & sex steroids & seminal parameters, 23–48 yr old husbands from infertile couples, 9553
locus of control similarity between clients & therapists, therapeutic process & expectations & outcome, therapists & their clients, 17797
locus of control similarity between counselor & client, counselor effectiveness, 19 & 25 yr old male college students, 6990
loneliness & depression & social involvement, prediction of group counseling outcome measured by life satisfaction & mood & activity level, physically handicapped, 25177
majority vs minority status, outcomes of outpatient methadone maintenance vs drug free residential vs outpatient treatments, Blacks vs Whites vs Mexican Americans, 12763
materiality & comprehension & recollection & unconscious issues, ability to give informed consent to physician, patients, 24414
mental health records & profiles & effects of Insanity Defense Reform Act, inmates found not guilty by reason of insanity, 25560
methods of attempts & personality characteristics & clinical management & prognosis, suicide attempt victims, 20471
minimum wage criterion, evaluation of case service costs & economic independence, vocational rehabilitation clients in various handicapped groups, 22772
motivation & age & emotional state, treatment compliance, 16–56 yr old diabetic patients with continuous insulin infusion through sc microinjector, 15180
motivation & expectancy & cognitive processes & wording of imagery instructions, hypnotic & behavior therapy, clients, 7137
need for changing institution staff member behavior as precursor to changing client behavior, comment on G. R. Walker's view, 30981
need for utilization of clients subjective reality & therapists abilities, understanding of dreams as attempt to understand other's inner world, 27812
neuroticism, patients with hypertension vs cancer, India, 30473
new model for counseling for individual learning styles, 12693
offense & client characteristics, 11–17 yr old male sexual offenders, 22154
onset of illness & sexual activity & stealing behavior & bulimia, females with anorexia nervosa, conference presentation, 24956
outcomes of institutionalization, long term inpatients with manic depressive psychosis vs schizophrenia, 2092
parental expressed emotion & emotional over-involvement & warmth & positive vs critical comments, factors related to termination of treatment, hospitalized patients with anorexia nervosa or bulimia & their parents, 22736
part-time treatment in day hospital, young middle-class patients with psychoses, France, 10085
paternalistic vs egalitarian physician style & patient's anxiety, responsiveness to suggestions & perceptions of treatment & physician distress, 16–43 yr old female elective abortion patients & their physicians, 18156
patient characteristics & intervention limitations, failure experiences in conjoint therapy, couples, conference presentation, 17906
patient characteristics & therapeutic techniques, crisis intervention outcome, 16–61 yr olds referred to psychiatric outpatient services, conference presentation, 24616
patient characteristics, elderly former psychiatric patients consenting to vs refusing catamnestic examination, 7354
patient characteristics, infants vs children vs adolescents in urban vs rural medico-psycho-social centers, France, 30848
patient characteristics, outcome of short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 5-yr followup, 1776
patient characteristics, outcome of short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 2-yr followup, 1775
patient characteristics, patients in general hospital for whom psychiatric consultation was vs was not requested, 20504
patient characteristics, prediction of process & outcome of short term individual psychotherapy, 19–48 yr old psychiatric outpatients, 12397

patient demographics & quality of care, psychiatrist making house calls, India, 22362
patient population served & services rendered by university hospital's psychiatric inpatient unit, 1971–72, Canada, 7442
patient preference for humorous vs nonhumorous therapist interventions, 22–47 yr old female hysterical vs obsessive vs depressive patients, 17870
patient selection & prosthesis size & surgical procedures, cochlear implants, deaf 2–18 & male 54 & 55 yr olds, conference presentation, 4581
patient selection for cochlear implants, 12–60 yr olds, conference presentation, 4549
patient selection for 2 types of cochlear prostheses, patients with same type of deafness, conference presentation, 4555
patient-therapist cognitive match, psychotherapy outcome, therapists & their patients, 17821
patient variables, lithium dosage requirements, psychiatric inpatients, 7203
patient vs setting social characteristics, perceptions of mental confusion, residents in homes for aged & their nurses, 15375
patterns & severity of alcoholism & psychosocial functioning & physical status & personality & psychopathology, male alcoholics with childhood hyperactivity/minimum brain damage, 14674
perceived counselor power & trustworthiness & client motivation, prediction of change in self concept, college students, 23103
person-centered cognitive perceptual style vs inanimate thing-centered style, level of need for treatment, drug addicts in drug free therapeutic community vs methadone maintenance program, 31024
personal & social characteristics & premorbidity, psychiatric patients hospitalized for 1st time, Italy, 7401
personal construct theory, personal styles & psychiatric treatment based on constructive alternativism, clients & therapists, 17752
personal experience, prediction of response to treatment for kidney failure, dialysis patients, 7340
personality & adequacy of information received from physician, adoption of Moerman diet, patients with Hodgkin's disease or breast cancer, 12262
personality & psychosocial & situational factors, tumor thickness & prognosis, 18–72 yr old patients with cutaneous malignant melanoma, 9629
personality characteristics & development & treatment in hospital environment, 18 & 20 yr old patients with repeated suicide attempts, 28147
personality patterns & anxiety level & life events, surgical outpatients with upper abdominal pain vs other disorders, 9625
personality profile & symptomatology & age of onset, anorexia nervosa, male patients, conference presentation, 24893
personality structure, cancer patients, 1505
personnel's sex role values & bias, client comfort & prognosis & importance of problems, 19–65 yr old alcohol treatment agency personnel & their male vs female alcoholic clients, 31030
physical & mental dependency, costs of care in community vs residential homes, elderly, England, 1977–78, 15255
physical & mental health, clients referred to social workers, 28111
physical & psychological dependence & behavior problems & treatment received, future hospital care, chronic psychiatric patients, 2098
plasma testosterone level, severity of disorder & sexual dysfunction, depressed male patients, 30244
prebioptic personality traits & behavior patterns, female patients with benign vs malignant breast cancer, 6906
prediction of in-program failure, delinquent youths in community based rehabilitation program, 10145
predictors of assaultive behavior, 6–12 yr old male vs female White & Black & Hispanic psychiatric inpatients, 24696
predictors of attrition, hypertension patients in experimental counseling group vs traditional care, 25235
premorbid personality characteristics & family relations revealed during intensive psychotherapeutic intervention, adult females with history of adolescent anorexic episodes, 12362
premorbid personality characteristics at onset, social & job adaptation, patients with onset of chronic simple schizophrenia at 10–20 yrs, 6592
premorbid personality traits & persistence of symptoms, patients with anxiety neurosis, 19993
preoedipal fixation, preferences for psychoanalysis vs client centered vs behavior therapy, college students, 4308
preoperative obesity & psychiatric history, postoperative narcotic use for pain, adults who had abdominal surgery for obesity vs normal weight cholecystectomy patients, 7348
presenting symptoms & age & sex & length of stay & discharge diagnosis, adolescent hospitalized patients, 9-yr longitudinal study, 12727
presenting symptoms, patients requesting psychotherapy, 1938 vs 1978, 7007
pretherapy patient variables, prediction of quality of alliance in initial psychoanalytic psychotherapy interview, 19–50 yr olds, 12402
pretreatment somatization & stress & family support factors, rehabilitation outcome, 23–46 yr old naltrexone vs methadone patients in outpatient opiate addiction program, 18322
pretreatment structuring & borderline conditions approaches & peer support groups as alternative treatment strategies, mandated & unmotivated clients, 4314
prior stress & functional level, prediction of need & length of psychiatric hospitalization, psychiatric patients, 18258
process-relevant interpersonal characteristics & gross outcome expectancies of new adult male vs female clients, women as favored psychotherapy clients, psychotherapists, 27790
professional reintegration, Ss released from psychiatric hospitals, 15420
profile, demanding patients, implications for psychosomatic disorders, 6798
prognostic evaluation of multichannel cochlear implant, deaf patients, conference presentation, 4560
psychiatric & social & criminal history, mentally ill offenders admitted to prison psychiatric unit, Australia, 18296
psychiatric diagnosis & prognosis, 18–80 yr old problem medical patients, 30439
psychiatric hospital admission & assaultive & fear-inducing behaviors, psychiatric patients, 20528
psychiatric hospitalization, adjustment & outcome, schizophrenic & other psychiatric patients assessed 16 mo posttreatment, 30973
psychoanalytic explanation for distribution of births of female vs male children, patients in long-term psychoanalysis, 30568
psychodiagnostic typology, defense style, 15–64 yr old psychiatric patients, 24617
psychological characteristics & sociodemographic & symptomatic correlates, victims of attempted vs completed suicide, 20018
psychological profile as pretreatment indicator of survival after chemotherapy, males with testicular cancer, 12191
psychological profiles & psychotherapy, compulsive sexual behavior, gay & bisexual males, 17958
psychometric & demographic & psychiatric assessment, factors associated with psychiatric day center underattendance, clients, 18237
psychometric assessment & differentiation of behavioral variables & alexithymic characteristics, patients with irritable colons & duodenal ulcers, 27576
psychosexual history, females with bulimia, 17544
psychosocial characteristics, 12–17 yr old psychotic patients, 1261
psychosocial characteristics, 21–53 yr old infertile couples assessed prior to surgical treatment for female's tubal damage, 14856
psychosocial development, early- vs late-onset bipolar disorder patients, 4-yr longitudinal study, 1298
psychosocial differences, 60–79 yr old chronically vs terminally ill patients with vs without knowledge of dying, 20244
psychosocial factors & depressive symptoms, college students, 14645
psychosocial or psychobiological factors, delay in seeking medical attention & tumor development & prognostic indicators & disease progression, patients with malignant melanomas vs cardiovascular disorders vs hamsters, 12287
psychosocial variables in refusal of cancer treatment, 13–17 yr olds & their mothers, 4551
psychotherapeutic techniques & risk elements, social services neighborhood team & angry male clients, 30891
psychotherapy vs anxiolytic vs antidepressant therapy & client characteristics, patients with functional vs organic postural vertigo, 17714

quality & characteristics & impact of hallucinations with clear vs clouded consciousness, epileptic psychotic inpatients, 27310
racial & ethnic stereotyping as defensive mechanism in interracial therapeutic relations & need to accept patient's individuality, 16 & 24 & 28 & 35 yr old Black male & female & Puerto Rican female clients & their White female therapists, 22421
ratings of factors that determine length of psychiatric hospital stay, psychiatrists vs psychologists vs social workers vs nurses vs administrators, implications for diagnosis, 30964
ratings of self & other on structural analysis of social behavior scales, prediction of psychotherapeutic outcomes from interpersonal styles, therapists & clients, 17873
rational emotive therapy & cognitive behavior therapy & specific types of resistance, voluntary & involuntary psychotherapy clients, 20299
reasons for admission & patient characteristics, psychiatrically committed patients, Italy vs Sweden, 12724
recidivism rate, psychiatric inpatients, 2084
referral source & symptomatology of caretaker, dropping out of treatment, 4–16 yr old outpatients at child psychiatric clinic, 12320
reliability of axis V of DSM-III & effects of psychiatric diagnosis & age & ethnicity & marital status & sex, 20–60 yr old psychiatric inpatients, 27296
resource allocation approach & development & standardization of Client Need Status Scale, need determination, mentally retarded adults in intermediate care facilities & community-based mental retardation environments, 18201
role of social worker, comprehension of problematic personality structure, stressed clients, 7371
selection for cochlear implants, 38–74 yr old prelingually & recently deaf patients, conference presentation, 4558
self presentations as defensive & assertive strategies to influence counselors' impressions & behaviors, counseling & psychotherapy clients, 9706
self reported vs physician-estimated chest pain variables, angiographically determined coronary stenosis & neuroticism, cardiac patients, 1538
severity & riskiness of drug abuse & social adjustment & psychopathology, treatment-seeking behavior, opium addicts, 10172
sex & age & socioeconomic characteristics & severity of disease & other factors, ordered ambulatory tests, hypertensive patients, 30810
sex role & other personality traits & psychopathology & response to treatment, male vs female agoraphobic outpatients, 20341
short stay primary care services ward in psychiatric hospital, length of stay & diagnostic characteristics, patients, 18269
social & demographic characteristics, patients with neurotic vs psychotic depression, Nigeria, 24651
social & medical characteristics, mentally ill patient committed to hospital, 7440
social & psychological & physical variables, prediction of good vs bad recovery, stroke patients, 1575
social background & problems & SES & presenting complaints, male & female alcohol-dependent outpatients 25 yrs old & older in mental hospital treatment program, India, 12780
social status, outcome of psychiatric illness, 15–55 yr old psychiatric patients, 2-yr followup, conference presentation, 17721
sociodemographic & alcohol-related & legal & medical & behavioral & treatment characteristics, patients with problems of alcoholism & drug abuse who were referred to community centered assessment/treatment program, 2186
sociodemographic & clinical & historical & treatment variables, correlates of treatment adherence, completers vs noncompleters of inpatient alcohol abuse program, 2179
sociodemographic & clinical characteristics, hospitalized schizophrenic patients of Igbo origin, Nigeria, 5-yr followup, 6528
sociodemographic characteristics & prevalence of disorders, patients referred for psychiatric consultation, 1977–82, 12017
standard psychoanalytic vs analytic group vs dynamic psychotherapy, psychiatric patients with different levels of stress, 27773
status & quality of racial/ethnic minority counseling research in relationship to counselor & client variables, literature review, 30890
suggestions for alternative & innovative teaching strategies, provision of education about disease & treatment regimens, illiterate patients, 28036
symptoms & health beliefs & attitudes toward menstruation & psychological adjustment, prediction of medical help seeking, female college students with dysmenorrhea, 27748
telephone & in-person interviews, assessment of impact of age & sex & illness on depression, adult Ss, 10734
therapist gender, psychotherapeutic processes, female clients, 9721
therapist's & patient's religious affiliation, attraction to & prognostic expectations & diagnosis of patients, 30–60 yr old psychologists with vs without religious affiliation, 12387
therapist's disclosure of religious values & beliefs, intimacy of self disclosure, Jewish vs Christian male college students as clients, 1750
treatment by male doctors, female patients with hysteria, 20308
treatment considerations, 41 yr old congenitally blind vs 19 yr old adventitiously blind males, 20315
treatment of pathological emotional attachment to older female & transference reactions toward older female therapist, 23 yr old male, 17877
treatment of psychiatric patients who cannot vs will not take responsibility for themselves, 17757
type of surgery & biographical & social factors, esophageal speech proficiency, patients with laryngectomies, 12623
use of informal term "gomer" to describe 52–91 yr old hospitalized patients, internal medicine hospital staff, 25498
validity of global assessment scale, description of patient characteristics & measurement of change after short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 1312
verbal practice training with vs without modeling, consistent response to form & direction of client anger, graduate students in mock counseling sessions, 10202
vulnerability variables, psychiatric patients with tardive dyskinesia, 24605
weight change during 1st wk of hospitalization, dexamethasone suppression test results, patients with chronic pain vs depression admitted to inpatient psychiatric service, 30958
Yiddish roles of shlemiel & shlep as neurotic cover for masochism, masochistic analysands, 4283

Client Counselor Interaction [See Psychotherapeutic Processes]

Client Education

additional information about procedure, compliance with relaxation training, 18–63 yr old patients, 9813
aggression-replacement training, prosocial skill levels & impulsiveness & acting-out behavior, incarcerated juvenile delinquents, 20541
booklet vs oral method of teaching cognitive control of anxiety in preparation for hysterectomy, pain & distress & length of hospital stay, 30–55 yr old females, 10125
brief situation-specific group-administered preparatory intervention for mass inoculation, 6th grade females, 15240
client education & behavior modification, weight loss, hospitalized obese patients, Cuba, 30679
client education about cerebral angiography via standard text vs text prepared in light of information processing, retention & memory of text, patients & nonpatients, 12638
client education techniques, occupational therapists working with burn victims, 25491
client preparation & problem severity, understanding & attitudes & expectations of child psychotherapy, 6–12 yr olds & 1 of their parents, 27763
community access television as social service resource, 15288
content & methods & timing of presentation, pregroup therapy structured training, literature review, 30646
education of drug treatment & prison personnel & drug abusers' families, acquired immunodeficiency syndrome & its prevention, drug abusers, 25591
education on physiology of their feelings & phobic responses, 58 yr old female with agoraphobic & claustrophobia & 60 yr old male with phobia, implications for social work, 18209
educational aspect only vs entire procedure of stress inoculation training, dental anxiety & pain tolerance & follow through with appointment, dental phobics, conference presentation, 9849
educational aspects of alcoholism treatment, 18325

effectiveness of parent-to-parent support & education group, 45–56 yr old parents of 12–22 yr old daughters with bulimia or anorexia nervosa, 15044
information giving & withholding in therapeutic relationship, physicians & their patients, 15259
informational letter, compliance & motivation for neuropsychological outpatient evaluation, aged, 4658
instruction in tardive dyskinesia, recall of instructions, 26–66 yr old schizophrenics with vs without tardive dyskinesia, implications for treatment, 25290
instructional program & correctional feedback & rewards, development & improvement of dental flossing skills, 9 yr olds, 15086
introductory course in psychotherapy as group diagnostic intake procedure, patients & group leaders & therapists, 9753
labor & delivery experiences & postnatal childcare education, primiparous females, 25353
mastery vs coping videotapes, anxiety & disruptive behavior, 5–7 yr olds undergoing restorative dental procedure, 28053
microcomputer applications, client education & psychosocial coping needs, chronically ill & disabled children, 28049
need for psychological preparation for outside medical consultation, 68 yr old female nursing home resident, case report, 28137
network therapy course, service utilization by client, social networks for 15–70 yr old psychiatric clients, 18202
outpatient treatment program, insomnia, 23–73 yr old patients, 1-mo followup, 15087
permission & guidance strategies, understanding of instructions & advice giving during consultations with general practitioners, medical patients, 28066
physical diagnosis breast examination teaching program, increase in awareness of importance of breast examination & teaching of self exam to female patients, medical students, 15545
preoperative pain expectancy & client education, postoperative reports of pain & fear, female surgical patients, 20467
pretherapy information & views on premarital sex & influential vs noninfluential counselor influence attempts, reactions to female counselor, female college students, 1785
pretherapy orientation, dropout & attendance rates & psychotherapeutic outcomes in open group therapy, 14–47 yr old psychiatric outpatients, 4378
psychoeducation & behavioral treatment, panic disorder, 27 yr old businesswoman, case report, 30683
psychological intervention, improvement of physical & psychological & lifestyle status, 29–69 yr old patients following myocardial infarction, 12335
psychological preparation interventions, stressful medical procedures, medical patients, 12651
reactions to preoperative interviews with their physicians & types of concerns expressed, 16–52 yr old elective surgery patients, 2007
routine care only vs routine care with minimally vs maximally informative booklets, cognitive variables & stress, minor gynecological surgery female patients, 28077
social support group & preventive health care learning, clients who were primarily Black & Latino, 20455
social work education & support program for use of home equipment for cardiorespiratory monitoring, parents of infants with apnea, 18231
stress inoculation training vs attention-education, postoperative pain control, male patients undergoing coronary artery graft surgery, 25373
suggestions for alternative & innovative teaching strategies, provision of education about disease & treatment regimens, illiterate patients, 28036
support group therapy vs medical education vs coping skills training as psychosocial interventions, cancer patients, literature review, 7149
time spent waiting for doctor & in assessment & active involvement with doctor, adult & child patients in multidisciplinary diabetes clinic, implications for patient education, 15252
traditional preparation procedure with vs without videotaped modeling preparation, anxiety reduction & coping style & psychological preparation, 4–16 yr old hospitalized patients undergoing cardiac catheterization, 27885
validity & reliability of self assessment questionnaire for patient educators, 1st–3rd-yr family practice medical residents, 13456
verbal vs audiovisual precounseling orientation, expectations of counseling, college students, 2068
videotape of vs attendance at preoperative class vs brief individual preparation by nurse, 3–12 yr olds scheduled for minor surgery, 15397
videotaped preparation for psychotherapy program in various treatment settings, dropout rate, 18–53 yr old clients with high vs low severity ratings, 1817
videotaped psychotherapy orientation, response to & knowledge about therapy & use of & satisfaction with community mental health services & therapist ratings of clients, psychotherapy clients, 9764

Clients
anxiety & handwriting, psychotherapy patients, conference presentation, 6984
care & social control & relationship & structural change treatment contracts, psychiatric nurse & client, 1788
client-therapist fit & interview in psychotherapy, therapists acting as clients & therapist trainee, 17827
communication & complaints & compliance & confidence, mediation in public rehabilitation agency, employees & clients, 2688
dance therapy & therapeutic processes, female clients & therapists, 12334
humanistic egalitarianism, sexualization of therapeutic relationship, clients & psychotherapists, implications for education & alternatives for therapists at risk for sexually abusive behavior, 4801
knowledge of psychotherapy fees, evaluations of therapist & client in role-played therapy session, graduate clinical vs college students, 20574
mediation intervention, psychological damage due to sexual intimacy with therapist, female patient, 4735
previous patient-therapist sexual contact, subsequent psychotherapeutic processes & issues, patients, 7511
psychodynamics & therapeutic processes of patient-therapist sexual contact, patients & therapists, 7508
self image & self esteem & self concept & self assertion, psychotherapeutic progress, clients, 4350
therapeutic interventions & transactional analysis, therapeutic resistance, clients, 7083
trance & guided imagery in hypnotherapy, body image & weight maintenance, psychotherapy clients & students, conference presentation, 7288

Climacteric Depression [See Involutional Depression]
Climate (Meteorological) [See Atmospheric Conditions]
Climate (Organizational) [See Organizational Climate]
Clinical Judgment (Med Diagnosis) [See Medical Diagnosis]
Clinical Judgment (Not Diagnosis)
ability to recognize clinicians' statements about family interactions in reference to videotape of family with anorexic daughter, psychiatrist & social worker & psychologist Os, implications for observational research, 7104
acoustical measurements vs clinical ratings, severity of vocal pathology, 6.1–11.5 yr olds with vocal nodules, 9481
assessment of behavioral self blaming & affect & adjustment of rape victims, nursing students, 15480
attitudes toward noncompliant adolescent vs adult hospitalized patients, 21–60 yr old nurses, 10064
Bayesian analysis of impact of situational variables, prediction of client behavior, 20290
best-weight vs overweight vs obese client, negative psychological symptoms & clinical judgment, mental health professionals, 25700
classroom observation vs clinic-based testing, detection of methylphenidate dose-related behavior change, 6–10 yr olds with attention deficit disorder, 22578
client religiosity, judgment of prognosis & psychopathology & locus of problem, religious vs nonreligious clinicians, 20305
client SES, judgment of prognosis & choice of therapeutic technique, survey of members of American Psychological Association Clinical Psychology Division, 20634
clinical evaluation & use of fables as assessment strategy in contested child custody cases, children of separated or divorced parents, 27730
clinical narrative in psychoanalysis, example of Freud's patient named Dora, 27834

clinical vs statistical prediction in personal construct psychology, 9128
cluster analysis, selection of Ss for psychosocial rehabilitation, hospitalized psychiatric patients, 2151
comprehensive assessment of methodology & sociocultural relevance in mental retardation, 24826
confidence ratings of clinical judgments & diagnosis based on psychological tests or methods, clinicians, 18367
construct validity of patient management problems, medical students vs experienced physicians, analysis of findings by D. I. Newble et al, 28309
criteria used to assess quality of parenting in well-child visits for 3–24 mo olds, pediatric residents, 30822
demographic characteristics & family history & stress & physical vs nonphysical nature of injury, decision to return child home vs place outside of home, abused or neglected 1 mo to 16 yr olds seen at hospital, 22619
demonstration on anthropomorphic model &/vs practice on model with instruction, pelvic examination performance, 2nd-yr medical students, 7541
determinants of choosing family vs individual therapy, 4349
development of criteria for determination & classification of appropriate psychotherapeutic intervention based on patients' service requests, psychiatric outpatients, 7087
emotional reactions to war, treatment of physical injuries & emotional stress reactions, treatment teams, Israel, 7559
experimental procedures for validation of clinical evaluation, psychiatric patients, 9660
factor analysis of McGill Pain Questionnaire, differential diagnosis & classification & treatment decisions in pain syndromes, chronic pain patients, support for R. Melzack & K. L. Casey's hypothesis, 5347
focal neurologic signs as guide for computerized scans, psychiatric patients, comments on article by E. B. Larson et al, 19872
formulation vs DSM-III in patient assessment during psychiatric training, 28284
goals & techniques for physical & behavioral status assessment, patients with dementia, 4179
high vs low information conditions, simulation of psychopathological responses & clinical judgments of depression, college students, 17365
historical example of psychological assessment report, 30532
hospitalization as separation from parents, assessment & treatment of anorexia nervosa, 7424
human & computer information processing, clinical judgment & diagnosis, hypothetical schizophrenic male, 12310
iatrogenically induced tardive dyskinesia from neuroleptic treatment & patient-therapist sexual activity & use of patient's records vs examination for opinion, malpractice actions, psychiatrists, case law, 1059
identification & referral procedures & contraindications for day hospital treatment, psychiatric patients with neurosis or personality disorder or adjustment reaction, 22712
incorporation of patients' treatment preferences in family practice diagnostic & management decision making, medical patients, 1990
internal consistency of Causal Dimension Scale, measurement of causal attributions of depression, nursing students, 2865
interpretation & explanation in psychoanalysis, comment on D. Spence's paper, 27760
interview data & J Chart, alcoholism assessment, 18312
medical role ideology & work roles, definitions of patient health, nurses & physicians & social workers in geriatric care facility, 15342
mental health treatment planning simulation test, clinical judgment & problem solving approaches, experienced mental health counselors vs trainees, 15269
microcomputers & development of software, family therapy practice, 12452
model for client problem definition in counseling, 22688
modification of environment in nursing program for diagnostic evaluation, patients with Alzheimer's disease, 10116
need for interactionist perspective, interpretation of client intake interviews, social workers, 28114
number & type & diagnosis of symptoms & sociodemographic variables, decision of length of stay in psychiatric hospital, 18–75 yr old patients, 10061
pain coping model, assessment of patients' pain, nurses, 22239
participative vs nonparticipative public welfare agency environment, role perceptions & treatment outcome decisions for elderly clientele, social workers, Israel, 28125
paternalism & medical self determination & autonomy, physicians & their patients, 9670
physical & psychological dependence & behavior problems & treatment received, future hospital care, chronic psychiatric patients, 2098
positive vs negative evaluative dispositions & information on patient's therapy progress, clinical impression, clinical trainees, 20593
possible problems in utilization of information processing paradigm in research on medical problem solving, literature review, 20284
procedures for selection of consultation intervention, 17732
procedures for selection of consultation intervention, comments on view of D. J. Kurpius, 17720
proportional volume & characteristics & disposition, patients referred by police for psychiatric evaluation in hospital emergency room, 28182
quality of life factors, medical decision making & use of mechanical life support systems, physicians & 69 yr old male with chronic pulmonary disease, 9992
ratings of factors that determine length of psychiatric hospital stay, psychiatrists vs psychologists vs social workers vs nurses vs administrators, implications for diagnosis, 30964
reasonable medical certainty as uncertain legal concept, 1087
reduction of blaming mother for children's problems, clinicians & members of helping professions, 9645
reliability & validity of clinicians' predictions regarding adjustment to training & psychological suitability based on MMPI scores & California Personality Inventory scores, law enforcement applicants, 28696
research utilization in clinical decision making, community mental health practitioners, criticism of study by W. T. O'Donohue et al, 4739
self evaluation of diagnostic ability & management techniques & procedural skills, residents in primary care internal medicine training program, 28366
self report vs staff rating vs performance testing, assessment of self care ability, residents of old people's homes, 20516
sex role stereotyping in clinical judgments of mental health, psychiatrists vs psychologists vs social workers, 20614
standardized vs prognosis-guided method, recommendation of neuroleptic maintenance therapy, discharged paranoid psychotic patients, 7176
student's race & assessment data indicating normal vs borderline/ambiguous vs mildly mentally retarded, psychoeducational expectations & diagnostic & placement decisions, school psychologists, 31340
theory & practice of making interpretations early in treatment using R. Schafer's concept of affirmative analytic attitude, patients with borderline personality disorders, 22113
therapist's & patient's religious affiliation, attraction to & prognostic expectations & diagnosis of patients, 30–60 yr old psychologists with vs without religious affiliation, 12387
treatment withdrawal, production of target behaviors in untrained single words vs connected speech in phoneme acquisition process, phonologically impaired 4–4.8 yr old males, 7302
type of illness & medication used & health care environment, agreement between self & provider report, aged & their health care providers, 4529
use of research in justification of initial treatment decisions, community mental health practitioners, 4773

Clinical Judgment (Psychodiagnosis) [See Psychodiagnosis]

Clinical Methods Training [See Also Clinical Psychology Grad Training, Clinical Psychology Internship, Community Mental Health Training, Counselor Education, Mental Health Inservice Training, Psychiatric Training, Psychoanalytic Training, Psychotherapy Training]

aggression control training, patient assaults on & injury of staff, mental health personnel, 31070

behavioral family training, home care skills, families of mentally & physically impaired aged, 1889
clinical rotation in day care centers, pediatric education in normal growth & development, health care students, 28278
clinical supervision approach based on theories of personality development, occupational therapy students, 2271
concept of triadic relationships in family therapy theory & practice, family therapy trainees, 2219
counseling skills instruction, medical & paramedical personnel, 25633

university-based interdisciplinary training program in pediatric psychology, graduate psychology students, 15567
utilization & training as group psychotherapy/counseling providers, professional psychologists, 28283
views on usefulness of Boulder scientist-practitioner model of graduate psychology training, graduate student & faculty member, 2233

Clinical Psychology Internship
accredited psychological internship programs & student difficulty & impairment, conference presentation, 25622
current training evaluation practices & recommendations, internship programs, clinical psychology internship program directors, 28333
development & implementation & evaluation of assessment seminar in professional psychology internship program, 20605
experience of psychology internship interviews, 12803
experience of 12-mo clinical psychology internship in community mental health center system, 12835
identification & labeling by self & others as "doctor", predoctoral psychology interns, 4761
model of transitions during internship year, training directors, 22834
needs of clinical child psychology educational programs & training & internships, conference presentation, 20562
recommendations for clinical psychology education & training & internship, conference presentation, 20596
setting & goals & format of clinical neuropsychology internship, 31035
specialized internship & predoctoral training program, clinical child psychologist, conference presentation, 20577
stages of career development, predoctoral internship training directors, 22835
suggestions for locating & selecting clinical internship, clinical psychology graduate students, 2227
tactics & ethics of predoctoral clinical psychology internship process, comment on view of R. Brill et al, 31072

Clinicians
attitudes toward mentally ill patients, Turkish vs American psychiatrists & psychologists & social workers vs Turkish psychology undergraduates, 25634
confidence ratings of clinical judgments & diagnosis based on psychological tests or methods, clinicians, 18367
construction of Substance Abuse Attitude Survey, assessment of attitudes in medical & professional education, physicians & health professionals, 121
guidelines for clinicians in assessment of credibility in criminal court cases, 7 & 13 yr old sexually abused sisters, conference presentation, 11669

Clinics [See Also Child Guidance Clinics, Psychiatric Clinics, Walk In Clinics]
audiometric screening in general ambulatory clinic & prevalence of hearing deficits, adolescents, 10008
chemical use patterns & related family & social problems, clients using total community clinic vs mental health services, 11711
comprehensive evaluation of psychology department clinic, 4797
evaluation of organizational activities of public health clinics serving poor, indigent clients & clinic staff, 25443
maximization of utility model, financing & operation of clinics, general practitioners, Japan, 7306
microcomputers for information management in speech-hearing clinics, 7982

Cliques [See Social Groups]

Clomipramine [See Chlorimipramine]

Clonidine
acute & chronic clonidine administration, FI leverpressing & tolerance & dependence, male rhesus monkeys, 29487
acute clonidine before vs during vs after methylphenidate treatment, plasma growth hormone & 3-methoxy-4-hydroxyphenelethylene glycol levels & receptor sensitivity, male 8.8–13.2 yr olds with attention deficit disorder & hyperactivity, 18063
acute vs chronic administration of morphine vs clonidine vs levonantradol, response under continuous shock avoidance schedule, rats, 26747
acute vs chronic clonidine treatment, whole blood serotonin & tryptophan levels, 8–45 yr old patients with Tourette syndrome, 18077
acute vs chronic morphine vs clonidine vs levonantradol, response under continuous schedule of electric shock titration, male squirrel monkeys, 16800
alpha-2 adrenergic receptors, antinociception & prevention of drug-induced writhing response & displacement of clonidine from binding sites, male mice, 3304
apomorphine vs clonidine, exercise capacity, lesioned vs intact rats, 19453
chlordiazepoxide &/vs apomorphine vs clonidine vs quipazine & stress, emotional response assessed by locomotor activity & monoamine brain levels, male mice, 11295
circadian phase, clonidine-induced food & water intake, male rats, 14010
clonidine & morphine, FR response, male rats, 5898
clonidine & other psychopharmacological management, narcolepsy, 9938
clonidine & role of dopamine, mania & mixed bipolar disorder, response to comments by R. Sandyk on work of G. S. Zubenko et al, 15191
clonidine &/vs naloxone, pain sensitivity & release of endogenous opiates, spontaneously hypertensive rats, 698
clonidine &/vs yohimbine, play behavior, rats, 11323
clonidine &/vs yohimbine, sleep EEG, 25–34 yr olds, 19464
clonidine administration during monocular deprivation, CSF levels of norepinephrine metabolites & ocular plasticity in visual cortex, kittens, 29459
clonidine, antinociceptive effects of baclofen &/vs methylxanthines & dopamine antagonists, male rats, 11341
clonidine, attention deficit disorder with hyperactivity, 8–13 yr olds, 22548
clonidine, brain noradrenergic activity in wakefulness & paradoxical sleep, rats vs adults, 19447
clonidine hydrochloride, abrupt withdrawal from benzodiazepines, 37 & 48 & 59 yr old female patients, case reports, 27961
clonidine, inhibition of leverpressing following discrimination training, morphine dependent vs nondependent male rats, 13953
clonidine, motor activity, malnourished vs well-nourished 5–25 day old rat pups, 29419
clonidine, opiate withdrawal vs suppression, dorsal noradrenergic bundle lesioned male rats, 16572
clonidine, pre- & postsynaptic noradrenergic activity, patients with obsessive compulsive disorder or panic attack/agoraphobia or anorexia nervosa or depression, 7246
clonidine, reinforcing properties in conditioned place preference paradigm, male rats, 11269
clonidine, subjective estimates of arousal & paired associate learning & memory, healthy 19–44 yr olds, 26664
clonidine, Tourette's syndrome, 9–16 yr old patients, 4506

clonidine, treatment of exacerbation of symptoms following rapid withdrawal of haloperidol, 19 yr old male with Gilles de la Tourette syndrome, 22561
clonidine vs chlormethiazole, sympathetic activity & renin-aldosterone system & clinical symptoms of withdrawal, 23–52 yr old alcoholics, therapeutic implications, 12776
clonidine vs guanfacine pretreatment & naloxone, autonomic & behavioral symptoms of narcotic abstinence, morphine dependent male rats, 16576
clonidine vs methadone detoxification & O rating vs self rating of distress, determination of withdrawal response, opiate addicts, 22789
clonidine vs mianserin, 22–47.5 yr old tension vs migraine headache sufferers, conference presentation, 30718
clonidine vs mianserine, histamine-induced migraine headaches & spontaneous attacks, 22–47 yr old patients, 9919
clonidine with vs without sequential naltrexone therapy, detoxification & maintenance, methadone maintenance patients, 31026
contraceptive pill, sedative responses to clonidine & apomorphine, 22–30 yr old females, 16586
cross generalization of cocaine & clonidine & role of alpha-2 receptors, male rats, 29491
dosage level of clonidine, atypical tic disorder following methylphenidate treatment, 11 yr old female with attention deficit disorder, 1923
estradiol benzoate & norepinephrine & clonidine with vs without isoproterenol, lordosis behavior, female rats, 5842
human growth hormone response to clonidine & urinary free cortisol level, depressed adults, 27291
long term desipramine treatment, attenuation of clonidine-induced suppression of ventral tegmental self stimulation, male rats, 16549
low vs high doses of morphine, generalization to dose of clonidine in drug discrimination paradigm, male rats, 16684
naltrexone & clonidine therapy, withdrawal from methadone, methadone addicted patients, 28230
opiate antagonists & naltrexone, clonidine-induced feeding, male rabbits, 5879
oral morphine vs clonidine self administration, morphine dependent vs abstinent rats, 5848
peripheral vs paraventricular nucleus injections of clonidine vs amitriptyline vs chlorimipramine, nutrient selection, male rats, 29447
sequential use of clonidine & naltrexone, opiate detoxification & maintenance, opiate addicts, 31013
short term isolation, hypertension & hypoalgesia reversed by clonidine & naloxone, rats, 3238
stress, clonidine-induced sedation, RHA/iop vs RLA/iop rats, 593
treatment combining clonidine & endorphin antagonist naltrexone, self mutilation, 27992

Closed Circuit Television
method for assessment of ability to use closed circuit TV reading machine, Ss with substantial vision loss, 25562
visualized braille reading on closed circuit TV & cross-modal transfer of learning, congenitally blind 12–50 yr olds who had light projections of 2–6 mo, 20171

Closedmindedness [See Openmindedness]

Closure (Perceptual) [See Perceptual Closure]

Clothing Fashions
attitudes toward clothing & social roles, elderly males, 8901
brown vs white nursing staff uniforms, nocturnal disturbed behavior, visually impaired male 34–86 yr old hospitalized patients with Alzheimer's disease or stroke or schizophrenia or Huntington's chorea or alcoholism, 22735
classical conditioning theory of learning, prediction of attitudes toward spending for designer status jeans, female junior high school students, 26915
clothing as reflection of low self esteem & feelings of inadequacy & emptiness, 32 & 42 yr old female analysands, 7017
clothing choice & management of appearance in dealing with stigmata, college students with physical disabilities, 17607
clothing for easier dressing & undressing, elderly females with rheumatoid arthritis &/or osteoarthritis, 27521
clothing, sex typed labeling of observed 1–13 mo olds, 19–35 yr old female Os, 19692
face vs civilian clothing vs police uniform conditions, perceptions of attributes of male 21–27 yr old police recruits, female 13–16 yr olds, New Zealand, 24229
Jungian analysis of clothing fashions, 6390
meanings transmitted by clothing, perception & thinking, viewer & wearer, 27165
need for dress before vs after purchase, behavior & satisfaction, young females, 15954
physical activity & air velocity, thermal insulation of clothing, college students, 13263
physician dress style, attitudes & therapeutic relationship, 12–21 yr old female vs male patients, 25668
stereotypic clothing-play cognitions vs overt play behavior relative to dress, preschool aged females, 3518

Cloze Testing
alternative deletion patterns & standard vs cued blank conditions & verbatim vs synonymic scoring modes, cloze test performance, 6th grade readers, 15903
intersentential constraints, performance on natural vs modified cloze test, college students, 727
progressive cloze technique as remedial strategy, reading comprehension, 23091
story mapping with cloze technique, reading comprehension, 5th graders, 22973
utilization of cloze & standardized reading tests, investigation of effect of sentence combining on reading comprehension, college students, 15939

Cluster Analysis
advantages of ipsative pattern analysis, test battery profiles, 29018
alternative methods for use of conjoint analysis, measurement of buyer similarity, 20922
APPLECOR program, hierarchical cluster analysis with CONCOR algorithm, 13338
application of hierarchical agglomerative cluster analysis in grouping of persons & objects, 182
application of multidimensional scaling method of M. L. Friendly & W. Marx to scaled nonverbal & figural material & free recall, 8127
BINCLUS computer program clustering procedure, aggregation of binary variables into homogenous clusters, 26260
cluster analysis as diagnostic tool, patients with endogenous vs nonendogenous depression, 3885
cluster analysis, differentiation by level of functioning & psychoticism & depression & aggression & treatment motivation, psychiatric patients, 17328
cluster analysis of attitudinal structure of Disability Factor Scale-General, measurement of attitudes toward disabled, 17–61 yr old college students, 23454
cluster analysis of demographic & criminological data, prisoners allocated to dispersal institutions, England, 30993
cluster analysis of Wechsler Preschool & Primary Scale of Intelligence, children in standardization sample, 28997
cluster analysis, selection of Ss for psychosocial rehabilitation, hospitalized psychiatric patients, 2151
cluster analysis to assess traditional romantic vs modern naturalistic vs abstinence sexual ideologies, female vs male college students, test of sexual ideologies proposed by I. L. Reiss, 27099
configural cluster analysis, analysis of multivariate repeated measurement data, 16208
development of direct graph & cluster analysis & hypothesis testing framework, analysis of psychological associations in complex systems for decision making purposes, 16213
event-covering algorithm for synthesis of knowledge gathered from empirical observations, application to radiological data, normal Ss vs spina bifida patients, 28889
geometric properties of combinatorial cluster analysis, 10890
hierarchical & nonhierarchical clustering algorithms' ability to resolve multivariate normal mixtures, 183
HYP-CLUST as computerized technique, universal evaluation of syndrome specific cluster structures, 16087
linear correlational techniques vs hierarchical clustering models, intergenerational cohesion, older parent-adult child dyads, 5252
measure of categorical clustering based on model of recall order, 10877
metacluster analysis on MMPI studies, alcoholics, 6634

multivariate approach to measurement & analysis of group & individual social identity, females, 29979
Oral Language/Verbal Ability & Broad Reasoning clusters of Woodcock-Johnson Tests of Cognitive Ability, overcompensating suppressor effects & student abilities appraisal, learning disabled 7.3–11 yr olds vs gifted 7.3–12 yr olds, 31357
probabilistic sets & their entropy, measurement of ambiguity of random & fuzzy clustering algorithms, 16204
smallest space analysis vs cluster analysis, grouping of countries by employee attitudes, managers, 5360
Woodcock-Johnson Psycho-Educational Battery Oral Language/Verbal Ability vs Broad Reasoning/Reasoning clusters, learning disabled 2nd–5th graders with different mathematics &/vs reading abilities, 15820
Clustering [See Cluster Analysis]
CNS Affecting Drugs [See Also Amobarbital, Amphetamine, Analeptic Drugs, Barbital, Caffeine, Chlorpromazine, Clonidine, CNS Depressant Drugs, CNS Stimulating Drugs, Dextroamphetamine, Haloperidol, Methamphetamine, Methylphenidate, Pemoline, Pentylenetetrazol, Scopolamine, Strychnine]
metoprolol serum levels, flush fusion frequency & RT as indicators of CNS activity, 22–32 yr old males, 3291
nootropic drugs & peptides, barpressing for water reward & discrimination learning, male rats, 3300
CNS Depressant Drug Antagonists [See Analeptic Drugs]
CNS Depressant Drugs [See Also Amobarbital, Barbital, Chlorpromazine, Haloperidol, Scopolamine]
caffeine vs strychnine, depressive effects of arecoline on activity, female albino mice, 21503
CNS stimulating & depressant & neuroleptic & tranquilizing drugs & cholinergic & cholinergic blocking drugs, conditioned avoidance responses, gerbils vs mice vs rats, 29446
ethanol, digit span memory vs simple RT vs tachistoscopic perception vs CFF vs anticipation timing tests for CNS depressant effects, male 21–33 yr old volunteers, 16551
tocainide vs lidocaine, auditory brain stem-evoked response, 20–40 yr old males, 5947
CNS Stimulating Drugs [See Also Amphetamine, Analeptic Drugs, Caffeine, Clonidine, Dextroamphetamine, Methamphetamine, Methylphenidate, Pemoline, Pentylenetetrazol, Picrotoxin, Piracetam, Strychnine]
ability of mono- & di- & tri-methoxyphenylisopropylamines to produce discriminative stimulus effects similar to amphetamine, male rats, 11299
aniracetam, enhancement & protection of avoidance learning, poor- vs normal-learning mice, 16825
antipsychotics vs stimulants vs anxiolytics vs antimanics, self injurious behavior, mentally retarded, literature review, 1955
attention control vs cognitive training &/vs methylphenidate vs dextroamphetamine vs pemoline therapy, academic performance & classroom behavior, 6–12 yr olds with attention deficit disorder with hyperactivity, 7151
cathinone & cocaine & methamphetamine, discrimination of interoceptive cues, rats, 16785
cathinone, operant drug discrimination procedure, female rats, implications for drug dependency, 26674
cathinone vs amphetamine, FI operant responding, male rats, 21517
chronic clorgyline vs amfonelic acid, density or dissociation constant of tritiated spiperone binding to cortical beta-adrenergic vs striatal dopamine receptors, male rats, 16715
chronic oral doses of potassium orotate & piracetam, antidepressant activity & psychostimulant effect, mice, 8560
CNS stimulating & depressant & neuroleptic & tranquilizing drugs & cholinergic & cholinergic blocking drugs, conditioned avoidance responses, gerbils vs mice vs rats, 29446
CNS stimulating vs antipsychotic vs anxiolytic vs antidepressant drugs, traumatic edema in ear pinna, rats, 5896
cycloheximide administered on 7th postnatal day followed by pyritinol vs piracetam on 8th–14th days, performance on learning & passive avoidance tasks & dopamine & homovanillic acid in basal ganglia, male rats, 5885
direct stimulants & MAO inhibitors with vs without tricyclic antidepressants, patients with treatment-resistant depression, 15136
dosages of piracetam, mental deterioration, elderly patients with early signs of dementia, 7212
ip injected fencamfamine following drug discrimination training with cocaine, cocaine-appropriate choice behavior, male rats, 21579
minaprine, behavioral or character disorders, 12–59 yr olds, 5–10 mo longitudinal study, 7243
misdiagnosis & resultant inappropriate use of stimulant drugs, 8 mo to 10 yr olds "diagnosed" with attention deficit disorder with hyperactivity or infantile autism or Tourette's syndrome, 4538
oxiracetam, 59–90 yr olds with organic brain syndrome, 20412
pentylenetetrazol, enhancement of ECT, 6968
pharmacokinetics of citicoline, long-latent acoustical EPs, 43–67 yr old patients hospitalized for neurotic pathology, 22586
prevalence of psychostimulant use, relapse, recently admitted schizophrenic patients, 3916
psychostimulants vs behavior therapy, concentration & achievement on tasks, 1st–4th graders with behavior disorders, implications for theories of schooling problems, 4239
3-4-diaminopyridine vs pramiracetam vs centrophenoxine vs piracetam vs aniracetam vs lysine vasopressin, hippocampal cholinergic neuronal activity assessed by choline uptake, male rats, 16794
Coaches [See Teachers]
Coalition Formation
coalition behavior in weighted majority game, college students, verification of S. S. Komorita's & J. M. Chertkoff's bargaining theory & S. S. Komorita's weighted probability model, 27147
coalition values & monetary stakes, coalition behavior in apex games, male college students, partial support for S. S. Komorita's equal excess model, 27145
formation of coalition in triadic relationship, physicians & their aged patients & accompanying relative, 20443
game theory in social psychology, dyadic bargaining & coalition formation, 21912
number & size of alternative coalitions available, bargaining strength, college students, 29955
rationality and equity approach vs attribution in coalition formation, male college students, 21920
theories of coalition behavior & application to deterministic & probabilistic situations, college students, 21921
Cocaine
addictive aspects of smoking base cocaine paste mixed with tobacco & marihuana, 6665
bromocriptine, cocaine cravings, 18–34 yr old cocaine abusers, support for dopamine depletion hypothesis of cocaine abuse, 22781
cartoons & comics, drug use, male cocaine-abusing patient, 27446
cathinone & cocaine & methamphetamine, discrimination of interoceptive cues, rats, 16785
cocaine & related compounds & local anesthetics, motor activity, male mice, 26731
cocaine &/vs phencyclidine, errors & rates in repeated acquisition of response chains, female patas monkeys, 26753
cocaine, acoustic startle & relationship to dopamine receptors, male rats, 16606
cocaine, dopamine depletion & neurotransmitter & neuroendocrine effects, implications for explanation of mechanism of cocaine addiction, 23953
cocaine, pregnancy & neurologic behavior of newborn, female users of cocaine &/vs narcotics vs methadone enrolled in perinatal-addiction program, 24756
cocaine usage, under 20 to over 40 yr old drug addicts currently on methadone maintenance, 31029
cocaine vs lidocaine vs amphetamine vs monoamine antagonists, components of kindled seizures, male rats, 5928
cocaine vs pentylenetetrazol, cortical kindling, male rats, 29479
cocaine vs strychnine, startle responses elicited from acoustic startle vs electrical stimulation of ventral cochlear nucleus, male rats, 26678
cross generalization of cocaine & clonidine & role of alpha-2 receptors, male rats, 29491
diazepam, maintenance of response to FR self administration of iv cocaine vs pentobarbital, monkeys, implications for study of drug dependency potential, 16558
discriminative stimulus properties of cocaine, pigeons, 637

discriminative training using cocaine as CS & generalization to methamphetamine vs phenylethylamine, cocaine tolerance & cross-tolerance, male rats, 703
dosages of morphine vs cocaine, role of stimulus control in drug discrimination, pigeons, 21603
epidemiology & history & pharmacology of cocaine & dependency & abuse syndromes & withdrawal & criminal behavior & forensic-psychiatric issues, literature review, 30256
FR vs progressive-ratio reinforcement schedules using cocaine vs nomifensine, maintenance of leverpress response, monkeys, 14068
imipramine, panic disorder beginning during recreational cocaine use & continuing after drug termination, 25–29 yr olds, case reports, 22515
ip injected fencamfamine following drug discrimination training with cocaine, cocaine-appropriate choice behavior, male rats, 21579
kainic acid infusion into nucleus accumbens, apomorphine & cocaine & heroin self administration, male rats, 29493
lesions of nigrostriatal system & cocaine, rotational behavior, female rats, 16644
lithium carbonate, 29 yr old male with bipolar & intermittent explosive disorder with alcohol & cocaine abuse, 7175
magnesium pemoline, cocaine usage, 26 & 30 yr old chronic cocaine abusers with residual attention deficit disorder, 15205
methylphenidate, cocaine dependence, 33 yr old female & 38 & 23 yr old males with attention deficit disorder, 25587
nicotine & cocaine & their metabolites, response under FI & FR schedules, beagle dogs & male squirrel monkeys, 16772
nigrostriatum lesions, cocaine induced rotational behavior, rats, 613
occurrence of psychiatric disorders & protracted symptoms, 19–37 yr old cocaine abusers, 22157
oral vs iv cocaine administration, EEG during subtraction task, replication of H. Berger's work, 19452
oral vs iv dose of cocaine, information processing components of auditory event related potential, experienced infrequent cocaine users, 23983
personality attributes & risk of alcohol & cigarette & marihuana & cocaine involvement, 12 vs 15 vs 18 yr olds, 3-yr followups, 21780
pimozide, attenuation of conditioned taste aversion induced by lithium chloride & cocaine, male rats, 16661
pretreatment with haloperidol vs methysergide & cathinone vs dextroamphetamine vs cocaine, conditioned shock avoidance responding, male rats, 16660
self administration of hydromorphone vs cocaine & maintenance & tolerance, monkeys, 8616
self medication hypothesis, predisposition to drug dependency, heroin & cocaine addicts, 9382
single exposure to cocaine, sensitization of rotational behavior, female rats with substantia nigra lesions, 11311
specificity of thyrotropin releasing hormone test for depression, serious cocaine abusers, conference presentation, 3978
treatment status, cocaine use & its consequences & social support resources & criminal behavior, cocaine users, 18314
use & prevalence of cocaine & its effects, implications for pharmacological & behavioral treatment, 27408
varying deprivational states, level of iv low dose cocaine self administration, rats, 16748

Cochlea

Analysis & Recognition of Acoustic & Linguistic Information ear model as representation of structure of spatiotemporal information within cochlea, 21127
audiogenic seizure thresholds & cochlear functions, mice inbred for audiogenic seizure susceptibility & resistance, 16394
audiological selection for & evaluation of cochlear implants, deaf patients, conference presentation, 4573
CHORIMAC-12 cochlear implant with 12 channels, France, conference presentation, 2841
CHORIMAC-12 multichannel electrode cochlear prosthesis, lipreading & articulation & speech modulation & noise identification, 38–54 yr old males with implants, conference presentation, 4580
cocaine vs strychnine, startle responses elicited from acoustic startle vs electrical stimulation of ventral cochlear nucleus, male rats, 26678
contribution of cochlear outer hair cells to processing of auditory signals in cochlear nucleus, chinchillas, 21333
criteria for patient selection for cochlear implants, conference presentation, 4579
development of Nucleus Limited multichannel implantable hearing prosthesis, conference presentation, 2811
effectiveness of CHORIMAC-12 multichannel cochlear implant, 10–71 yr old pre- vs postlingually deaf patients, 7-yr longitudinal study, conference presentation, 4565
effectiveness of Nucleus Limited multichannel cochlear implant, 22–67 yr old profoundly deaf patients, conference presentation, 4562
electrical impedances for sine wave excitation at frequencies from 100–3000 Hz from implanted 12-electrode device in cochlea, male totally deaf in left ear & severely deaf in right ear, conference presentation, 2815
electrical stimulation or type of electrode material, presentation of morphological changes due to surgical implantation, humans & guinea pigs, conference presentation, 4568
extracochlear round window electrodes, pitch & speech discrimination, pre- vs postlingually deaf 27 & 33 vs 22 & 43 yr olds, conference presentation, 4561
formant vocoder device, speech perception, deaf patients, conference presentation, 4557
House single-channel cochlear implant, audiometric thresholds, child & adult patients, conference presentation, 4553
House-3M single-channel vs Vienna single-channel vs Nucleus Limited multichannel cochlear implant, speech discrimination & lipreading, deaf patients, conference presentation, 4576
lipreading with vs without single-channel cochlear implant, perception & tracking of connected speech, deaf 18–72 yr olds, 12266
need for caution in endocochlear electrode insertion surgical procedure, conference presentation, 4554
normal vs kanamycin-poisoned guinea pigs vs cochlear lesioned humans, suppression of tones of click evoked compound action potential, 21399
Nucleus Limited multichannel cochlear prosthesis with wearable speech processor, conference presentation, 2838
patient selection & operative approach, cochlear implants, 18–60 yr old patients with bilateral total sensory deafness, conference presentation, 8 mo to 3 yr followup, 4593
patient selection & prosthesis size & surgical procedures, cochlear implants, deaf 2–18 & male 54 & 55 yr olds, conference presentation, 4581
patient selection for cochlear implants, 12–60 yr olds, conference presentation, 4549
patient selection for 2 types of cochlear prostheses, patients with same type of deafness, conference presentation, 4555
patterns of phoneme identification disorder, 22–62 yr olds with cochlear vs 8th nerve disorder, 12210
prognostic evaluation of multichannel cochlear implant, deaf patients, conference presentation, 4560
round window electrical stimulation, assessment of functional cochlear nerve endings, deaf patients, conference presentation, 4170
selection for cochlear implants, 38–74 yr old prelingually & recently deaf patients, conference presentation, 4558
short duration broad band noise exposure, cochlear microphonic responses, guinea pigs, 11218
single-channel cochlear implant, 8 yr old male with bilateral sensorineural hearing loss, comments on study by G. R. Popelka & D. H. Gittleman, 30809
single-channel cochlear implant, 8 yr old male with sensorineural hearing loss, reply to comments by L. S. Eisenberg et al, 30832
sound frequency & intensity & duration, cochlear nerve fiber & inner hair cell responses, implications for synthetic speech, 19094
speech comprehension via lipreading & electrostimulation, cochlear implant patients, conference presentation, 4556

Cockroaches

female release of sex pheromones, courtship displays, male American cockroaches, 8368
female sex pheromones, running & upwind orientation & wing raising, male American cockroaches, 8367

Codeine
codeine & acetaminophen, acute psychotic symptoms, 20 yr old White male, 9916
ibuprofen vs acetaminophen & codeine, moderate or severe pain from postorthopedic surgery, 18–65 yr old patients, 20389
Codeine Sulfate [See Codeine]
Coeds [See College Students]
Coffee [See Beverages (Nonalcoholic)]
Cognition
application of language games of L. Wittgenstein to cognitive issues in behavioral psychology, 5224
cognition & EEG asymmetry, conference presentation, 5679
cognition & language acquisition in cultural & philosophical contexts, humans vs nonhumans, 16848
cognition & perception, response to stressors, 17286
cognition in music & linguistic metatheory, comments on article by M. L. Serafine, 5993
cognition in music, reply to criticism by A. Marantz, 6001
cognitive vs metacognitive factors in mathematics problem solving, learning disabled vs regular 2nd–6th graders, 1489
concept of world image & study of cognition, 5470
consciousness & subjective mental experiences as basis for cognitive states underlying behavior & communication, animals, conference presentation, 29183
depressive self schemas & current mood & information processing, risk for depression, college students, 4-mo longitudinal study, 11803
development of need for cognition, 10986
dreaming as diagnostic of bodily disease, 5519
epistemological development of cognition, family relations, females, 24116
explicit syntactical learning & judgment & nature of tacit knowledge & cognitive unconscious & abstractness, discussion of paper by D. E. Dulany et al, 3030
extraversion & noise vs silence, cognition & mood during ganzfeld, adult Ss, 13295
hierarchical vs natural concepts based on individual & social knowledge in theory of abstraction & concept formation, 8218
history of Western epistemology & instrumentalist vs constructivist theories of knowledge, conference presentation, 7979
integration of theoretical & assessment & intervention & evaluation aspects of social cognition & depression, 3744
metacognition & cognitive monitoring & mathematical performance, 5455
metacognition & role of attentional focus in sexual arousal, functional vs dysfunctional males, clinical implications, summary of findings in study by J. G. Beck et al, 9064
metacognitive strategies for studying from text, 15768
music recognition, comments on discussion by M. L. Serafine, 5983
processing bias in anticipation & perception & memory of situations & individual differences, female college students, 2-yr followup, 24541
psychology vs praxis, behavior underlying cognition, animals, conference presentation, 29181
reinforcement schedules, role of cognition in ringswimming & gluing for courtship, male sticklebacks, conference presentation, 19226
relationship between cognition & affect, comment on conclusions of R. S. Lazarus & R. B. Zajonc, 9153
relationship between cognition & affect & emotional disturbance, comment on findings of R. S. Lazarus & R. B. Zajonc, 9137
research aims & procedures in music cognition, reply to criticism by M. Brody, 6000
role of cognition & altered states of consciousness as symbolization in cognitive psychology, 8268
rules of morphological patterns of Hebrew expressions of time & length & price, college students, Israel, 8640
scientific approach to study of cognitive aspects of disputes between people & conflict resolution, review of research, 9093
scientific knowledge as rules that guide investigative behavior, radical behaviorism of B. F. Skinner, 28
social cognition theories & methodologies & major depressive disorders, 3769
syntax & consciousness as socially learned unconscious pattern of cognition, 5476
theories of Jung & H. Werner, implications for foundational studies in art education & art therapy, 14953
Cognitions [See Also Expectations, Irrational Beliefs]
ability of projective & objective methods of measuring fear of success to differentially assess motives & cognitions, male & female 14–15 yr olds, 11508
academic competence belief level, frequency of negative thought content vs subjective meaning attached to thoughts & anagram & mathematics test performance, female college students, 20716
assumptions about nuclear strategies & domestic ideologies based on cognitive differences, mutual understanding & effective negotiation, "hawks" vs "doves", 29881
attitudes toward mental continuity between animals & humans, views of 19th–20th century comparative psychologists vs ethology college students vs animal behavior conferees, 11046
beliefs & conclusion validity, syllogistic inference, 6th formers & college students & faculty, 29096
cognition & affect in behavior therapy, 20360
cognitions & anxiety level during exposure to shopping mall, 16–39 yr old agoraphobics, 1322
cognitions & hopelessness, depression & anxiety, college students, 3763
cognitive distortion & disability, patients with chronic low back pain, 22329
cognitive factors, prediction of treatment outcome for depression, 60–88 yr old community residents, 9643
cognitive representations of illness, treatment compliance, hypertensive patients, 6-mo followup, 12333
cognitive vs affective perceptions of life values, males with high vs normal income vs wives of high income males vs females with normal income, 3710
conceptual complexity as mediator of negative thoughts & affect, socially anxious college students, 19839
construction of Children's Negative Cognitive Error Questionnaire, 4th–6th & 8th graders with vs without self reported symptoms of depression & low self esteem & evaluation anxiety, 28978
content analysis of cognitions related to playing table tennis, ping pong players, 10961
correlations between symptom-related constructs & effects of desensitization, spider phobics, 17436
development of psychoanalytic theory & practice in relation to representation & interpretation of action & experience, 4312
dexamethasone suppression test vs DSM-III in diagnosis of dysfunctional cognitions, endogenous vs nonendogenous depression, depressed inpatients, 30247
differently valenced & expected situations, phenomenal representation of different types of reasoning, college students, 11746
dynamics of cognitive appraisal & coping processes & short term outcomes of stressful encounters, 26–54 yr old married couples, 21910
dysfunctional attitudes vs attributional biases during recent clinical remission, subsequent depressive symptomatology, 27–63 yr old depressed female psychiatric inpatients, 6-mo followup, 22111
early Buddhist vs behavioral techniques, intrusive cognitions, 27893
family stress & alcohol & drug abuse & delinquency, serious suicidal thoughts, high school seniors & college freshmen, 12120
forms of thought in psychotherapy, 12414
Freudian psychoanalysis & risks & implications of diabolic functioning of mind, 30549
heart & respiration rates & EMG & mood during positive vs negative vs neutral thoughts, retrieval vs dismissal latency, intrusive vs depressive thinkers, 19358
hierarchical nature of schemes, problem solving procedures, conference presentation, 8229
high vs low affective-cognitive consistency, thought-induced attitude polarization, college students, 11755
hypnosis to counteract negative-cognitive self talk, academic anxiety, 4th graders in remedial class, 25882
imagery & mental rehearsal instruction, performance on motor skill accuracy task, college students, 10987
incidence of suicidal thoughts & stressful life events & problem solving preparation, college students, college counseling implications, 24755
informational content of lexical concepts & nature of their mental representation, 29108

internal representation of environment & information source & amount & updating, visual sampling behavior, college students, 29087
interpersonal challenge, cardiovascular & cognitive behavioral responses, Type A vs Type B college students, 14523
irrational vs rational beliefs in negative reactions to failure & irrational cognitions & maladaptive emotions vs rational beliefs & adaptive emotions, college students, 19847
meaning & measurement of structure of political cognition, 27058
nature of intrusive depressive vs anxious thoughts, male vs female college students, 1168
negative information & reality reflected by depressive cognitions, literature review, 11957
patterns of physiological reactivity & cognitions during social encounter, socially anxious Ss with mean age of 20.4 yrs, 3947
perception of likelihood of negative events during dental treatment, attendance pattern & anxiety level, dental patients, 9984
persistence of depressive cognitions, depressed psychiatric inpatients, 22094
possibility of distinct cognitive characteristics & specialized treatment strategy, suicidal patients, 22485
primacy of cognition vs affect, comments on papers by R. S. Lazarus & R. B. Zajonc, 13704
psychological images & political images & expectations & perceptions of Mexico, natural gas negotiations, policymakers, 1977 & 1979, Mexico & US, 29866
rational emotive therapy, cognitive misconceptions, adolescents from working class backgrounds, 27848
recall & recording of positive events, positive affect & coping effectiveness, college students & Coast Guard Academy cadets, 29171
referent cognitions framework, responses to relative deprivation, 16292
relaxation techniques, affect & cognition & reduction of arousal & distress, female college students, 27923
reliability & validity of Cognitive Triad Inventory, measurement of negative perceptions of self & world & future, depressed patients, 28931
religious cognition as interpreted experience vs inferentially acquired beliefs, critique of I. Barbour's hypothesis, 24278
repetition priming, ability to inhibit simple thoughts & actions about speeded category & rhyme judgments of word pairs, college students, 11010
self ratings vs rating by experts with thoughts presented randomly vs in context, prediction of speech anxiety & performance, college students in rhetoric class, 13371
self report vs cognitive task & assessment of self esteem, remitted bipolar vs depressive patients, 1401
self schemas & life stress & vulnerability model of depression, college students, 1306
sensitivity & specificity of cognition, unipolar & bipolar depressed outpatients, 17359
shock threat contingent on sexual arousal & sensate vs spectator attentional focus instruction, thought content & affective state while viewing erotic films, 22–64 yr old sexually functional vs dysfunctional males, 12167
situational determinants, physiological reactivity & frequency of negative cognitions, socially anxious patients, 30232
social cognition & aggression, delinquent institutionalized adolescent males, 24803
social cognition & self perception & self efficacy & outcome expectancies of aggressive behavior, male vs female 4–7 yr olds, 26931
social comparison & referent cognitions & perceived injustice, 21898
social comparisons revealing positive vs negative inequality, happy vs sad affect & behavioral & cognitive responses, 1st & 2nd graders, 26920
stressful life events & distorted responses & depression, college students, extension of findings of C. L. Hammen, 11975
structural-developmental approach to moral cognitions of intentionally injurious sport acts, male vs female high school vs college athletes, 13022
subjective ratings of physiological reactions & negative cognitions, 15–68 yr olds with blood phobia vs small animal phobia vs social phobia vs agoraphobia vs claustrophobia, 6526
think-aloud vs thought-listing cognitive assessment methods, cognitive content variables & problem solving & anxiety, highly math anxious college students, 4904
trait anxiety & dysphoria & obsessionality & neuroticism, individual differences in depressive vs anxious cognitions, college students, 9132
validity & reliability of Crandell Cognitions Inventory, assessment of self reported frequency of depressive thoughts, depressed vs nondepressed psychiatric patients, 26204
validity of Automatic Thought Questionnaire, measurement of depression-related cognitions, schizophrenic patients vs depressed substance abusers, 21014
variations of thought stopping treatment, self reported worry cognitions in testing situation, college students screened as highest-cognitive worriers, 25222

Cognitive Ability [See Also Mathematical Ability, Reading Ability, Spatial Ability, Verbal Ability]
ability in mental puzzles based on geometry knowledge & selection tasks & essay writing tasks, college students, support for theory of intelligence of K. Raaheim, 3029
ability to distinguish between causal & teleological explanation, 12th grade biology students, Israel, 2440
age & level of causal reasoning & cognitive style, prediction of comprehension of safety & prevention, 3.2–8.9 yr olds, 26817
age, conceptions of ability & nature of skills required on verbal vs abstract intelligence tests, 1st–9th graders & college students, 26846
alcohol drinking behavior, psychological/cognitive functioning, social drinking college students, implications for identification of at-risk social drinkers, 6304
Antarctic isolation, cognitive ability, response to criticism by A. F. Barabasz et al, 8232
Antarctic isolation, cognitive processing, police recruits vs Antarctic exposed personnel, criticism of study of K. G. White et al, 8187
anxiety & intellectual ability, academic performance, 11th & 12th graders, 4889
anxiety, cognitive task performance, college students, 21148
arborescent covert representation technique vs hypothetico-deductive operations, decision making skills, 20–60 yr olds, 20364
assessment of cognitive skills & neuropsychological language & visual-motor & motor impairment, male 6–10 vs 11–16 yr olds with Duchenne muscular dystrophy, 6875
attitudinal & motivational vs cognitive-academic variables, prediction of transfer out of early French immersion programs, poor achieving 2nd–4th graders, Canada, 7588
auditory deprivation & cognitive-linguistic ability, children, literature review, 9605
behavioral & cognitive impairment & need for home care or institutionalization, patients with Alzheimer's disease vs multi-infarct vs mixed dementia, 5-yr longitudinal study, 17550
behavioral & neurological & language & cognitive deficits, 38–67 yr old patients with subcortical stroke, 30390
biases toward aging in testing for cognitive dysfunction using Hooper Visual Organization Test & Color-Form Sorting Test, 20–39 vs 40–72 yr old hospitalized psychiatric patients, 8112
bilingualism, cognitive performance on Piagetian tasks assessing conservation & memory, mentally retarded 7–8 yr olds, 12144
caste level & economic disadvantage, intellectual & scholastic ability, male 7th–8th graders, India, 24115
catecholamine loss, cognitive ability, aged nonhuman primates, implications for treatment of Alzheimer's disease, 16399
cerebellar tumor treated with surgical resection & local or cranial irradiation, neuropsychological performance, 8.3–10.8 yr olds, 1–7 yr followup study, 27633
changes in mental acuity & fluid status, 60–92 yr olds undergoing barium enema, implications for gerontological nursing, 12640
changes in speech based on cognitive ability of listener, normal children & peer vs younger child vs retarded child listeners, implications for academic integration of mildly disabled children, 8874
cognitive & affective ability, prediction of science concept structure interrelatedness competence, middle school students, 2430
cognitive & behavioral characteristics & interest in microcomputers, 4–5 yr olds little vs moderately vs highly involved in microcomputer use, 8747

cognitive & behavioral deterioration characteristic of dementia of Alzheimer's type, 50–61 yr old hospitalized patients with Down's syndrome, 17513
cognitive & spatial abilities, 13–19 yr old Turner's syndrome patients with normal intelligence, 14855
cognitive & 1st & 2nd proficiency variables, prediction of ability to make 2nd language grammaticality judgments & correct deviations, French-speaking college students in English classes, Canada, 5970
cognitive abilities & hemispheric lateralization, 13–20 yr old females with history of idiopathic precocious puberty, 843
cognitive abilities, parent-infant resemblance, infants & parents in biological vs adoptive families, 869
cognitive abilities, 32–81 yr old fraternal twins separated before age 10 yrs, 19311
cognitive abilities, 35 yr old male with cerebral tumor removed by bilateral frontal lobe ablation, case report, 30811
cognitive ability & achievement & effects of functional motor level & shunting, 6–15.7 yr olds with uncomplicated myelomeningocele, 4199
cognitive ability & adaptation problems, 12 yr old female, psychodiagnostic implications, 6454
cognitive ability & aging & cholinergic lesions & senile dementia, human Ss & nonhuman primates & rats, implications for animal models of age-related mental impairment, 16526
cognitive ability & behavior problems & visual-perceptual disability with vs without language deficits, 6–16 yr olds with learning disorders with vs without neurofibromatosis, 27543
cognitive ability & performance on cognitive processing tasks, 8th graders vs college students, 16146
cognitive ability & reading knowledge, reading comprehension, 10 yr olds, 8727
cognitive activity & material organization, recognition or reproductive vs creative utilization level of learning, 13–14 yr olds, 6081
cognitive capacity & cerebral lateralization & structural basis of amnesia & disorders of reaching due to parietal lesions, human vs nonhuman primates, literature review, 5649
cognitive control of real-time event driven systems, experts vs novices, 16024
cognitive deficits, communication impairments, hospitalized schizophrenic vs manic vs schizoaffective patients, 9312
cognitive disorders, patients with schizophrenia or affective psychosis, 6576
cognitive dysfunction & changes in ventricular size, 21–68 yr old patients with multiple sclerosis, 17654
cognitive dysfunction & intellectual impairment & emotional-motivational sphere, children with Lesch-Nyhan's syndrome, 9614
cognitive factors at school entry, prediction of specific reading retardation & reading backwardness, kindergarten through 2nd grade students, 3-yr longitudinal study, Australia, 23074
cognitive function impairment, 35–78 yr old patients with motor neuron disease, 14829
cognitive functioning & dexamethasone suppression tests as markers for depressive subtypes, patients with depression vs dysthymia vs schizoaffective disorder, 30221
cognitive functioning & nutritional deprivation, acutely vs chronically sleep deprived house officers, 18373
cognitive functioning, 12–17 yr old epileptics with vs without onset during infancy, conference presentation, 30451
cognitive functions & conceptual ability & concept formation, Ss with aphasia, literature review, 6793
cognitive functions & neuroanatomy-disease related changes, patients with multiple sclerosis, conference presentation, 1627
cognitive functions, schizophrenic inpatients, 27266
cognitive impairment assessed by neuropsychological tests, female patients with lupus erythemoatosus vs rheumatoid arthritis, 27513
cognitive performance & social adjustment, children at risk for schizophrenia, Israel, 3935
cognitive performance, medicated schizophrenic patients with tardive dyskinesia, 18043
cognitive processing capacity, verbal problem solving, 3rd graders, 28487
cognitive skills & visuomotor performances, diabetic 45–64 yr olds, 30432
cognitive variables & previous mathematical ability, prediction of algebra achievement, high ability 8th graders, 7631
common genetic markers, intelligence & personality correlates, college students, 3132
computer-generated problem solving activities, reasoning & critical thinking, 4 yr olds in nursery school, replication & extension of authors' earlier study, 31208
computerized complex experimental learning tasks, assessment of learning & cognitive abilities, applications in neurotoxicity testing in human populations, conference presentation, 23354
computerized testing, evaluation of verbal comprehension vs spatial-visual reasoning & memory abilities & learning & attention & psychomotor skills, 23443
computerized tests used by Naval Biodynamics Laboratory, evaluation of cognitive performance, workers employed in unusual environments, conference presentation, 23369
conceptual tempo & passage readability & error type & reading ability, metacognitive ability on reading error detection task, above vs below average 6th grade readers, 23002
conditional relation task with vs without alternate relations, spontaneous conditional reasoning ability & earlier performance, college students, 8216
convergent vs divergent cognitive capabilities, learning accomplishments & interests, students, 4901
cortical cholinergic levels & cognitive impairment, postmortem study of 62–92 yr old patients with Parkinson's vs Alzheimer's disease, 6838
creativity instruction, cognitive skills & divergent thinking, 11–12 yr old learning disabled students, 25866
cultural differences & task difficulty & academic motivation & ability, prediction of examination performance, engineering & business & college students & college teachers & engineers, US vs India, 28489
deficit vs difference models of early childhood intervention & cognitive ability, Blacks & Whites, comment on views of E. Zigler & W. Berman, 10345
demographic characteristics & emotional status & cognitive functioning, social support & bonds, 61–89 yr olds, 6158
detoxification, recovery of neuropsychological performance, alcoholics, 7-wk & 13-mo followup, 7505
development of assessment measures of children's analogical thinking modifiability, 4–6.5 yr old disadvantaged & regular & special education kindergartners & mentally retarded 10–16 yr olds, 13471
development of equations for estimates of full MMPI scale scores for Improved Readability Form for use with cognitively impaired, hospitalized psychiatric patients, 28924
developmental cognitive tests of conceptual strategies & attention span & psychomotor pace, differentiation of intellectual subnormality vs abnormality, mentally retarded vs mentally deficient nonretarded schizophrenic patients, 30322
diazepam followed by naloxone injection, cognitive functioning, 18–21 yr olds, 8625
differential performance on WAIS, male vs female left vs right brain damaged patients, 12285
discriminant analysis of perceptual & motor & verbal skills, monolingual vs bilingual Hispanic 4 yr olds, 19628
discrimination learning task performance as indicator of cognitive ability, 37–83 yr olds with Parkinson's disease vs without CNS dysfunction, 17585
drug addiction, neuronal damage & intellectual impairment, 17–36 yr old polydrug addicts, 12116
duration of alcoholism, self report of cognitive errors, 23–62 yr old detoxified alcoholic male outpatients, 24751
early onset & long duration of disease, intellectual skills & academic achievement, 6–16 yr olds with insulin-dependent diabetes, 12217
early vs late onset & duration of alcoholism, performance on cognitive rule-learning task, alcoholic male 30–57 yr olds, 27438
ecological approach to cognitive assessment, preschool students, 23136
educational self direction, cognitive functioning, 7th graders to college students, 2468
epileptic discharging activity & brain damage, cognitive test performance, 12–17.3 yr old residents of epileptic facility, West Germany, 17639

estimation of Cognitive Assessment Scale total score on Clifton Assessment Procedures for the Elderly when Psychomotor test cannot be administered, 65–98 yr old females with sensory or physical disability, 26230
estimations of familial correlations of cognitive ability, American families of European vs Japanese vs Chinese ancestry, 19304
evaluation of neuropsychological deficits & cognitive impairments, patients with mild head injuries, 4132
evidence & determinants & interpretations, sex differences in cognitive functioning, 799
exercise & physical work load & sleep loss & continuous work & time of day, cognitive performance, 18–24 yr old Marines, 15967
exercise, simple cognitive performance & psychological well-being, new & active volunteers from fitness club for persons aged 50 yrs & older, 24103
expectancy & focus of attention variables, cognitive performance deficits, depressed vs nondepressed college students, 3772
expectancy information about biological vs psychological cause of premenstrual symptoms, mood & cognitive function & mother-child interaction at midcycle & premenstrually, 25–40 yr old females with 2–4 yr olds, 30388
experience dependent recovery of cognitive functioning, 20–40 yr old alcoholics, 12770
extended workdays, cognitive performance & ratings of fatigue & alertness during data entry job simulation, 22–27 yr old males, 15974
factor analysis of cognitive & conative functioning, 14–16 yr old male students applying to vocational school, 18623
factor analysis of items in teacher ratings on Children's Behavior Rating Scale, identification of cognitive deficits, 5–15 yr olds in regular & special education classrooms, 23127
factor structure of Children's Behavior Questionnaire-Scale B & cognitive ability & family adversity, assessment of behavior problems, children rated by teachers at ages 5 & 7, New Zealand, 5001
field dependence vs independence, developmental capacity, 8 vs 10 vs 12 yr olds, 823
flupentixol, cognitive functions, male college students scoring high vs low on neuroticism scale, application of paradigm using cortical EPs in delineation of pharmacopsychological effects of drugs, 19490
functional-psychotic deterioration assessment, schizophrenic patients, 6539
genetic aspects & cognitive functioning level, handedness patterns, lower vs higher functioning autistic 11–34 yr olds, 24716
Genevan vs Cattell-Horn conceptions of intelligence & early implementation of numerical solution aids, 4–7.9 yr olds, 19640
grade & age & SES & mental ability & sex, attitudinal career maturity, high school students of mixed European & African descent, South Africa, 31267
handedness, cognitive functioning, 68–211 mo olds with pervasive developmental disorders & autistic symptoms, 1225
higher level thinking skills program taught by specialists vs volunteer teachers, cognitive skills, gifted 1st–6th graders, 2507
identification of subgroups assessed by WISC-R, learning disabled students with mean age of 125.3 mo, 31376
immediate vs delayed presentation, performance on word & picture memory tasks, 8 yr olds with above vs below vs average intelligence, implications for intellectual capacity, 11404
importance of assessing cognitive ability & consequences of cognitive style for therapy, male & female medical patients, 17894
information about children's cognitive processes, expectations of children's ability, 18–25 yr old female college students, Italy, 29989
information processing mechanisms & ability, performance on choice RT perceptual motor tasks of differing complexity, female college students, 13639
intellectual & memory & language functions & phenotypic features, noninstitutionalized 4–63 yr old family members with pattern of genetic transmission of fragile-X syndrome, 30325
intellectual & neuropsychological function impairment, Parkinson's disease patients, literature review, 6834
intellectual ability & memory functions, patients with brain-fag syndrome, Nigeria, 3792
intellectual ability, patients with transient global amnesia, comment on A. Mazzuchi's hypothesis, 20204
intellectual changes due to parkinsonism induced by self administration of 1-methyl-4-phenyl-1,2,3,6-tetrahydropyridine, patients, 30467
intellectual functioning as tested by Raven Progressive Matrices, female vs male 7–14 yr olds, 11433
intellectual level & behaviors reflecting "effectance", quadraplegic 9 mo to 12 yr olds, 9525
intellectual vs neuropsychological factors, completion vs withdrawal from vocational training & therapy program, 21–30 yr old inpatient drug & alcohol abusers, 12761
IQ & personality traits, male vs female recidivists vs 1st offenders, 17466
iron deficiency & anemia, minor cerebral functioning deficits, children, literature review, 1557
isovolemic hemodilution, bicycle ergometer exercise & cognitive-perceptual-motor ability 5400 meters above sea level, polycythemic mountain climbers, 21408
laboratory grouping according to reasoning ability, science achievement & gains in reasoning ability, college elementary education students, 4854
lateral location of brain damage, WISC IQ & Verbal & Performance scales scores, 5.4–15.1 yr olds with cerebral palsy, 12199
learned helplessness, short term memory & intellectual task deficits, depressed elderly community residents, 30161
learning computer programming & computer assisted instruction, specific cognitive skills & metacognitive skills & creativity & achievement, 6 vs 8 yr olds, 31173
learning potential assessment device of R. Feuerstein, identification of deficient cognitive functions on Raven Standard Progressive Matrices, 3rd–9th graders, 6094
long-latency event-related potentials, assessment of cognitive function, 10–17 yr old psychiatric & 6–16 yr old pediatric inpatients, 3784
marihuana smoking, mood state & time production tasks, 21–35 yr old males, 19781
maternal tendency to overestimate vs underestimate children's intelligence test performance, intellectual ability, children, review of study by J. McV. Hunt & J. Paraskevopoulos, 26853
meaning of cognitive impairment in community dwelling elderly, 18–64 yr olds vs Ss 65 yrs of age & older, 6438
mental ability profiles measured by WISC-R & WPPSI, 5.1–13.3 yr old monozygotic vs dizygotic twins, 776
microcomputer-based system for testing for neurotoxicity, assessment of cognitive & sensory & motor functioning, conference presentation, 23365
middle ear disorder, performance on intelligence tests, children & young adults with Down's syndrome, 9445
moderate alcohol consumption, stress reduction & cognitive performance & geropsychiatric problems & psychological well-being, literature review, 27111
monoamine metabolite activity in CSF & psychometric test performance, male patients with Korsakoff's psychosis, 12239
mother-infant interaction in play situation, verbal communication & cognitive skills, abused vs nonabused 8–25 mo olds & their mothers, 24743
multidisciplinary team management of cognitive dysfunction, children with spina bifida, 27720
multivariate path analysis of reading ability & symbol processing speed & spatial reasoning, reading disabled 7.5–12 yr olds & their nuclear families, 4067
negative vs positive responses on cognitive tasks, mildly vs moderately vs non-dysphoric college students, 30125
neurological & cognitive disturbances, 21–26 yr old patients with arachnoid cysts in anterior & medial cranial fossa, 24932
neurological soft signs & cognitive impairment, schizophrenic patients with good vs poor outcomes, 9281
neuropsychological & psychiatric & psychosocial functioning, patients with biliary cirrhosis, 1573
neuropsychological assessment of peripheral neuropathy & cerebral atrophy & intellectual impairment, males 61 yrs & younger with alcoholic nervous system damage, 1438
neuropsychological profiles & morphological brain changes, 39–93 yr old Alzheimer's patients, 4177

neuropsychological test pattern of terminal drop as sign of masked depression, aged, 30103
noncognitive & cognitive characteristics, accepted vs unaccepted medical school applicants with science vs nonscience undergraduate majors, 25644
number of awakenings & time in stage 1 sleep, cognitive functions, 50–70 yr olds, 8701
operational category of cognitive development & IQ level, creative thinking potential assessed by verbal & figural abilities, 1st vs 4th vs 6th graders, 29615
oral vs silent reading of own vs peer dictated vs adult written stories, free recall & inferences, 1st–3rd graders with different decoding abilities, 10399
parental ability & education & occupation, offspring's cognitive ability, parents & teenage or older offspring, Hawaii vs Korea, 16924
parental perceptions of cognitive & social childrearing task difficulty, child's perception & actual social competence, male vs female 3rd–5th graders, 21664
paternal vs maternal judgment of cognitive ability & developmental level, 1st graders, 19619
patterns of impaired & preserved cognitive abilities, episodic memory deficits, patients with Alzheimer's disease, 6819
perceived ability & expectancy 1 wk before test & pre-examination knowledge level, independent thinking & performance on psychology examination, college students, 28494
performance on WAIS, parents vs their children of European vs Japanese ancestry, Hawaii, reanalysis of data of J. C. DeFries et al from Hawaii Family Study of Cognition, 24140
performance on working memory span test & vocabulary & lexical decision & letter matching tasks, prediction of reading comprehension, 18–60 yr olds, 5448
personal level of energy & sensual aliveness & pursuit of knowledge/truth & imagination & emotions, 18–59 yr old artistically vs intellectually gifted Ss vs graduate students, 14513
personality & cognitive characteristics, development of testwiseness, college students, 15776
Personality Inventory for Children—Revised & age & developmental status, identification of cognitive impairment, 3–5 yr olds vs 7–13 yr olds referred for suspected learning problems, 28934
physiological aging, mental skills & memory, 26841
piracetam &/vs pentoxifylline, psycho-intellectual performance, aged Ss with onset of slight to moderate mental deterioration, 20408
preacclimatization & extreme environmental conditions, cognitive & psychomotor performance, 26–52 yr old male explorer scientists, Antarctica, 20904
pretend play training & make-believe play, cognitive & affective functioning, male vs female 2–5 yr olds, 6134
prevalence of psychiatric disorders & cognitive impairment, urban elderly, US, 9350
prevalence rates of cognitive impairment & mental disorders, Ss aged 18 yrs & older, implications for rates in elderly, 6542
process-based intervention, planning & problem solving competence, mildly mentally retarded adolescents in regular high schools, conference presentation, 20762
processes in solving physics problems, 12th graders with good vs poor problem solving abilities, 2426
profile of cognitive learning activity level, elementary school students, 7772
psychiatric diagnosis & intellectual functioning & academic achievement, emotionally disturbed inpatients vs special education students with mean ages of 115 vs 97.9 mo at time of admission, 22023
psychometric prediction of academic ability vs need to focus on individual child, comments on article by N. Reid & C. Croft, 28586
psychopathology, deficits in neuropsychological functioning, patients with epilepsy, comments on experimental replication by K. A. Mochle et al & other studies, 30402
reading proficiency in English & ability to perceive ambiguity & mental ability, English- vs Hebrew speaking college students who spoke English as 2nd language, US vs Israel, 18519
reading speed vs comprehension & cognitive ability & performance on information vs linguistic processing tasks, female college students, 5469
recall of objects & location in array, 12–51 yr old patients with unilateral frontal vs temporal lobe excisions, 6874
reduction of polypharmacy, cognitive function improvement, epileptic patients, 15160
regional cerebral blood flow & dementia, patients with Parkinson's disease, 20155
regional cerebral metabolism & cognitive function, right handed patients with senile dementia, 20165
regression equations of H. E. Nelson & P. McKenna, assessment of premorbid Full Scale IQ on WAIS vs Schonell Graded Word Reading Test vs National Adult Reading Test, patients with Alzheimer's disease, 27575
relation between simple & complex RT & psychometrically determined mental performance, 20–61 yr olds with mean IQ of 119.5 vs college students with mean IQ of 120.5, 17265
reliability & validity of Cognitive Capacity Screening Examination, identification & diagnosis of delirium & dementia, 16–75 yr old psychiatric patients, conference presentation, 5287
residual deficit in psychological functioning, 15–59 yr old patients with severe head injuries, 2-yr followup, 1659
revised version of Luria-Nebraska Neuropsychological Battery, assessment of cognitive functioning, 49–72 yr old patients with Alzheimer-type dementia vs alcoholic Korsakoff's syndrome, 24868
role of general & cognitive ability in prediction, 171
role of haloperidol & attention & mental effort in physiologic dysfunction of dorsolateral prefrontal cortex, patients with schizophrenia, 22517
role of set shifting cues in Wisconsin Card Sorting Test & Halstead Category Test, 22–70 yr old male neuropsychiatry patients, 22320
scores on Masculinity-Femininity scale of MMPI & intellectual functioning, female alcoholics & drug addicts, 20016
scores on Raven Standard Progressive Matrices, high vs low ability students in 1st–5th grades vs 8 yr olds in school for deaf/mute, Peoples Republic of China, 18620
screening of cognitive deficits by physicians, dementia & delirium, elderly medical patients, 20206
self concept & locus of control & formation of cognitive activity, young children, 6096
self esteem & IQ, prediction of performance & performance on cognitively demanding task, college students, 20746
self instruction with self talk & generalization training, academic achievement & cognitive ability, learning disabled & emotionally disturbed & behavior disordered students, 23094
self psychology, borderline neurocognitively impaired children, 9739
SES & intelligence, occupational values, male vs female 14 yr olds, 880
severity of impairment & age & SES & parent background, language & cognitive ability & psychosocial behavior & academic achievement, hearing impaired 5–18 yr olds, 17576
sex differences, Piagetian task performance, Ss with mean age of 13.2 yrs, 3449
sleep deprivation & age & altitude & workload, cognitive & mental arithmetic performance & problem solving & tracking, 30–39 vs 60–69 yr olds, 16485
sleep deprivation followed by naps & abrupt awakening near circadian peak or trough in body temperature, RT & cognitive performance during quasi-continuous tasks, 18–30 yr olds, 13866
sleep deprivation with interrupted vs uninterrupted naps, cognitive performance & mood, 21–30 yr old Army infantrymen, 15969
sleep deprivation with vs without physical exercise, mood & cognitive performance, male college students, 13857
sleep disturbances & deterioration of cognitive abilities, males with mean age of 69.5 yrs, 4219
social class & personality & adjustment & lifestyle factors assessed by memory performance, 65–93 yr olds, 24090
speed of cognitive processing performance & intelligence, high- vs intermediate- vs low-mental ability Ss, 16303
stability of cognitive & linguistic scores, 2–6 yr old autistic patients, 5-yr longitudinal study, 17337
statistical reasoning training, thinking about & solving everyday problems, adults & high school & college students, 29079

strategies &/vs abilities training, factual recall & sequencing & inference in prose comprehension, educable mentally retarded children & adolescents, 23082
structure-based remediation techniques, cognitive control, 3rd & 4th graders, 1-yr followup, 10468
structured approach to general intellectual functioning, mentally retarded children, 9458
structured experience vs traditional remedial teaching methods, problem solving strategies, mentally retarded students, conference presentation, 20769
structured exploratory analysis of Raven Progressive Matrices & Vocabulary subtest of SRA Primary Mental Abilities Test, familial resemblance of cognitive abilities, White vs Japanese American families, 23780
superficial temporal middle cerebral artery anastomosis, cerebral blood flow & neurologic & cognitive functions, 31–74 yr old patients with transient ischemic attacks or strokes, 2016
synthetic ACTH 4–9 analog Org 2766, cognitive functions, patients with Alzheimer's disease, 6-mo longitudinal study, 22590
temperament ratings & performance on cognitive tasks, male vs female preschoolers, Israel, 3388
test & interrater reliability of bedside cognitive screening tests, diagnosis of delirium & dementia, 16164
test-retest reliability of 3 short forms of McCarthy Scales of Children's Ability, estimation of general cognitive index scores, 5.3–6.3 yr olds, implications for screening for developmental disabilities, 25915
tests for assessment of neurotoxic effects on cognitive functions, conference presentation, 23410
testwiseness as learned & inherited cognitive ability, implications for educational shift to test-taking skills, 10271
tokenism, memory deficits, college students, 3705
total following partial sleep deprivation, cognitive performance, 19–36 yr old infantry soldiers, England, 15968
transfer to English program due to academic difficulty & poor adjustment, academic & cognitive variables & school attitudes & classroom behavior & attitudes toward 2nd language, former French immersion 3rd–5th graders, Canada, 15633
type & quality of implementation of science teaching strategy & reasoning ability, engagement assessed by on- & off-task behavior, middle & high school students taught by student teachers, 25823
unilateral vs bilateral ECT, performance on nonmemory neuropsychological tasks, patients with endogenous depression, 4268
urinary pregnanediol levels, cognitive behavior & mood, 20–35 yr old females, 572
use of mnemonics using imagery & imaginal vs verbal thinking ability, memory for story & faces & names, mnemonist, 8255
validity of Cognitive Deficit subscale of Symptom Check List-90, prediction of outcome, 1st-episode schizophrenic inpatients, 3- & 6- & 12-mo followup study, 10843
validity of structured exploratory data analysis, familial & ethnic influences on cognitive abilities, criticism of article by S. Karlin & D. Carmelli, 23772
validity of written tests of cognitive ability, measures of personnel selection, law enforcement personnel, 26220
varying dosages of naltrexone, cognitive functioning & plasma cortisol, Ss with probable Alzheimer's disease, 25312
verbal & nonverbal & mixed cognitive functions, adults with deluded vs simple vs mixed symptom vs atypical schizophrenia, 6584
viewing behaviors & conditions & background characteristics & intellectual ability & learning from instructional TV, 34–71 mo olds, 15745
WAIS subtests, prediction of performance on Luria Nebraska Neuropsychological Battery, neurologic & psychiatric patients, 13385
60-minute periods of stressful CRT tasks, cognitive performance & motivation regulation, employees, 2668
Cognitive Behavior Therapy [See Cognitive Therapy]
Cognitive Complexity
Antarctic isolation, inversion perception conformity, males exposed to long term winter vs short term summer isolation, implications for regression to primary process thinking as response to isolation, 23530
anxiety & cross cultural differences in child rearing, cognitive complexity & self concept, comparison of 44 societies from Oceania & Africa & North America & South America & Asia, 29860
client & counselor sex & client level of cognitive differentiation, client perceptions of analogue counseling session, 18–46 yr old male vs female college students, 9712
cognitive complexity & cerebral sensory interaction assessed by visual & auditory & bimodal EPs, right handed Navy recruits, 5728
cognitive complexity, attitude similarity & interpersonal judgment, graduate student perceivers & targets, 3704
cognitive differentiation & complexity, crystallization of vocational interests, undergraduate career counselees, 18688
conceptual complexity as mediator of negative thoughts & affect, socially anxious college students, 19839
construct content about others & cognitive complexity & ordination, depressive symptoms, 24–61 yr old depressed patients, 3804
construct validity of cognitive complexity scores, measures of loquacity & motivation vs personal construct processes, college students, 13615
dimensions of sociopolitical ideology & cognitive complexity & flexibility, high school students, application of authoritarian personality vs extremism vs context theory, 29745
dissolution of text in written language, elderly female suffering from cerebral atrophy, implications for continuum in cognitive complexity, 1591
expertise & IQ & cognitive complexity, ability to predict posttime odds at horse races, middle-aged & older avid racetrack patrons, 29074
high vs low conceptual level, performance on counseling-related tasks, counselors, meta-analysis, 28315
patient-therapist cognitive match, psychotherapy outcome, therapists & their patients, 17821
personal construct integrative vs cognitive complexity, conflict resolution, college students, 30009
sensation seeking, cognitive complexity & means to maximize available stimuli, female college students, 19844
sophistication of representation of conversation & personality & conversational involvement behaviors & memory for interactions & conversational enjoyment, college students, 21907
thought & schema complexity, attitude polarization, college students, support for work of P. W. Linville & A. Tesser & C. Leone, 29090
vocational interventions, complexity & positivity of occupational judgments, college students, 2-wk followup, 2608
Cognitive Development [See Also Intellectual Development, Language Development, Perceptual Development]
ability to comprehend verbal humor & to perform Piagetian visual-spatial task, function of left vs right hemispheres, visually impaired 7–15 yr olds, 27672
ability to conserve & scores on measure of cognitive development & use of syntactic structures, kindergartners & 2nd graders, 19617
ability to interpret statements that differed according to degree of certainty & part played by negation, 6–11 yr olds, 8695
ability to use supports to retrieve visible vs invisible & covered vs uncovered objects, infants with mean ages of 38.2 & 38.4 wks, 3471
acceptance & rejection of indetermination, 6–8 yr olds, 14143
acquisition of knowledge of lengthy route through unfamiliar surroundings, 11 yr old, example of conceptual model of children's acquisition of spatial knowledge, 3428
acquisition of sentient-nonsentient & animate-inanimate distinction, 4.2–4.9 vs 5.3–5.8 vs 6.3–6.7 vs 7.3–7.7 yr olds, implications for causal reasoning & social cognition, 870
active interaction with & subjective understanding of external world, model of infantile narcissism, clinical applications to understanding of narcissism in borderline disorders, 6049
age & cognitive development & SES, understanding of various TV concepts & viewing patterns, male vs female 5–12 yr olds, 11409
age & context & understanding of word "more", performance on conservation tasks, 4–6 yr olds, 26844
age, ability to construct & reconstruct social event sequences, children with mean ages of 5.7 vs 7.5 vs 9 yrs from Dutch vs non-Dutch parents, Netherlands, 3445

age differences, ability to understand simultaneously occurring emotions, 4.8–14.9 yr olds, 3453
age differences, use of abstract reference frame to infer spatial relationships, 2nd & 3rd vs 5th & 6th graders vs college students, 29610
age of gross motor milestone attainments during 1st 2 yrs, IQ, 3 yr olds, longitudinal study, 29584
age, primary process content & use of drive & concrete & emotional words & lexical diversity in spontaneous fantasy narratives, male vs female 2–11 yr olds, 29658
age, understanding uncertainty in physical nature of random phenomena, 3–5 & 7 yr olds, 26835
analogical reasoning skills, hearing vs deaf 14–19 yr olds, 9617
analysis of results of conservation learning in terms of cognitive restructuring vs submission to others, Ss with mean age of 6 yrs, 8839
analytic contextual matching test, analysis of conceptual style & concept formation & matching behavior, 5–9 yr olds, 24143
animistic & natural science modes in perception of unusual phenomena, 4–6 yr olds, 16958
application of Piaget's idea of intuitive thought to cognitive aspects of splitting & libidinal object constancy, criticism of paper by R. Melito, 24233
associative vs categorical organization of materials, free recall, kindergartners vs 4th vs 10th graders, 3425
attention to context information, memory for target words, 2nd vs 3rd vs 5th graders vs college students, 16906
audiological & speech/language & psychological characteristics, identical deaf male triplets followed from age 2.5–5.5 yrs, 4105
background & experiences & earlier cognitive development, reading ability, children assessed at birth & ages 3 & 5 & 7 & 9 yrs old, 26874
Bayley Scales of Infant Development, characterization of abilities, full-term & preterm 1 yr olds, 773
Bayley Scales of Infant Development vs Gesell Development Schedules-Revised, assessment of mental & motor development, male vs female 6–36 mo olds with Down's syndrome, 2860
behavioral & cognitive aspects of decision control, male vs female 4 vs 9 vs 14 yr olds, implications for socialization of powerlessness in females, 16888
belief in principle of area conservation, college students, 19566
biological & psychosocial risk factors, intellectual & personality development, 2 yr olds, followup studies at ages 6 & 10, 11388
birth status & early mother-child interaction, cognitive & social ability, 3 yr olds, longitudinal study, 745
breech delivery, cognitive & behavioral development, 6–14 yr olds born with cesarean section vs vaginally, 19556
categorical interpretation of high & low, 3–5 yr olds vs college students, 26863
Catholic vs public education, promotion of cognitive development & approximation of common school ideal, high school students, 18513
cause of target event & presence & timing of questions, inferences & recall, 4.5–5 vs 7.5–8 yr olds, 6088
characteristics of Piaget's concrete & formal cognition stages, 3465
characteristics of social cognition, clinically referred 6–12 yr olds with internalizing vs externalizing symptom patterns, 17281
child-generated or invented methods, development of arithmetic knowledge, comments on papers by A. J. Baroody & T. P. Carpenter & J. M. Moser & K. Fuson, 8712
childhood experience & learning & memory formation & hormonal or environmental stress, acquisition & reinstatement & extinction of conditional phobias & fears, 14614
child's IQ & level of aspiration & intervention strategies & parental SES & literacy level, development of early reading skills, 5.8–6.7 yr olds, Canada, 11418
class vs collection terms, use of cardinality rule, 3.2–4.6 yr olds, 3426
classification & conservation of number & seriation tasks using nonverbal procedures, tasks developed by D. F. Lancy & G. T. Goldstein & relation to Piagetian cognitive development stages, kindergartners & 1st–2nd graders, 29588
classification of figurative stimuli into object vs position categories, 3–8 yr olds, 805
clinical implications of relationship between cognition & language, language disordered children, comments on article by M. Rice, 4092
clinical-psychological characteristics of retarded mental development, children with compensated hydrocephalus, 5–10-yr longitudinal study, 4184
clustering & imagery vs study strategies vs free recall instructions, free recall task, young vs middle aged adults vs aged, 8776
cognitive & moral development & legal competency to make informed decisions about birth control & pregnancy, adolescents, 29863
cognitive & moral development & social experiences & rate of moral development & orientations, male vs female college employees & their spouses, 16901
cognitive & motivational influences, humor responses, White kindergartners vs 3rd graders, 14176
cognitive & psychosocial & moral development & GPA & academic major, ability to analyze & interpret child behavior, college students with majors in education, implications for preservice teacher training, 18454
cognitive components of definition of metalinguistic skills, implications for theory building, reply to comments by P. Menyuk, 792
cognitive control of real-time event driven systems, experts vs novices, 16024
cognitive development & death concept, 6–12 yr olds, 26834
cognitive development & functioning & formal thinking ability, teaching performance, preservice teachers, 18452
cognitive development, infants under age 1, 8807
cognitive development, language & vocabulary acquisition of object names, 17–19 yr olds with Down's syndrome, 14–21 mo longitudinal study, 4058
cognitive development, premature infants English- vs Spanish speaking families followed to 8 yrs of age, longitudinal study, 21693
cognitive development training, verbal fluency & word recognition ability, 5th graders in bilingual classes, 18506
cognitive-developmental correlates of growth in peer skills, infants & toddlers, 21656
cognitive developmental stage, adjustment to sexuality, adolescents, 11392
cognitive developmental stages & use of ordinal scales, 2850
cognitive developmental vs social learning theory, interrelationship of sex role attitudes & behavior & personality traits, college students, 6287
cognitive functioning & verbal IQ & psychosocial adaptation, developmental progression in understanding body functioning & illness, 6–16 yr old outpatients with thalassemia vs healthy 1st–10th graders & their mothers, conference presentation, 22324
cognitive patterns concerning attitudes toward mother & father & social world image, females whose fathers did vs did not leave home after S's 11th birthday, 8794
cognitive performance correlates of written language ability, good vs poor performing 2nd–4th graders, Nigeria, 16939
cognitive rules of notion construction, 11–18 yr olds, 21742
cognitive training, reserve capacity in aging-sensitive tests of fluid intelligence, 60–86 yr olds, replication of study by R. Blieszner & S. L. Willis & P. B. Baltes, 26808
comparison of actual level of cognitive development to J. Piaget's theoretical stages, 6–11 yr olds, 19621
comprehension & appreciation of cognitively oriented humor, 5–6 yr olds, 14161
comprehension of person & object permanence & representation, infants, critique of Piaget's theory, 791
comprehension of relationships between time & speed & distance, comments on study by F. Wilkening, 810
comprehension of relationships between time & speed & distance, 5 vs 8 vs 10 yr olds vs adults, 875
computer model of constructivist processes in linguistic & cognitive development, conference presentation, 8750
computer use, intellectual development & theory-oriented problem solving in education, children, 15637
computers & intelligence, applications to learning & developmental processes, 13363
concept of schema & role of experience, constructivist basis of computational psychology, conference presentation, 8705

conceptual compatibility & complementarity of Piaget's & M. Mahler et al's theories of cognitive-emotional development, cognitive aspects of splitting & libidinal object constancy, reply to criticism by I. Steingart, 24206
conceptual knowledge vs use of informal arithmetic procedure, children, comment on P. Cobb's theory, 6038
conservation vs relational learning in redundant-oddity task, kindergarten conservers vs nonconservers, 14190
construct validity of 3 Piagetian tests, logical thinking & reasoning & verbal & spatial abilities & SES & school achievement, female vs male 9–16 yr olds, Finland, 10801
constructivism in social psychology study of development of social judgment & cognition in children & role of communication, conference presentation, 8658
constructivism of Piaget & creation of innovation & novelty at all levels, conference presentation, 8801
constructivism of Piaget & processes involved in creation of novelty, conference presentation, 8745
constructivism theory of Piaget, child's acquisition of language from linguistic & psycholinguistic perspectives, conference presentation, 8787
constructivist hypotheses of development of necessary & possible phenomena in logical-mathematical & physical knowledge in infancy, conference presentation, 8755
continuing theories of mental development from infancy, 21686
contributions of R. Waelder's psychoanalytic paper about nature of mental experience in 1st 2 yrs of life, 899
coordination of displacements, 4–5 yr olds, 6-mo longitudinal study, 812
correlation between temperament & home environment & cognitive functioning, infants, 12-mo longitudinal study, reprint, 29563
correlation of social & object skills, normal 4–21 mo olds & handicapped 11–42 mo olds with mental retardation or other organically-based developmental delays, support for cognitive-level model of development, 14130
cross-modal & intramodal transfer as predictors of mental development, preterm vs full-term infants, longitudinal study, 8778
current research trends & theoretical discussions, individual cognition, 29110
damage to memory system that develops in infancy & organic amnesia, implications for cognitive development theories, 17637
declarative & procedural knowledge, solving simple vs complex addition problems, 1st vs 4th vs 7th vs 10th graders, 825
derived vs supplied strategy utility information, strategy selection, 2nd graders, 16918
development & cognitive correlates, reading ability & achievement, skilled & less skilled 3rd vs 5th grade readers, 31238
development & validity of Counselor Perception Questionnaire, measurement of cognitive growth during counselor supervision, counselor trainees, 8051
development of analogical reasoning, average vs above-average 3–6 yr olds, 877
development of analysis of knowledge of language & control over cognitive operations, metalinguistic ability, 793
development of concepts of hardness as intensive physical quantity, 3–10 yr olds, 26865
development of concepts of volume & flotation, 7–9 vs 11–13 yr olds, 19602
development of economic reasoning, 4–5 vs 6–7 vs 8–9 yr olds, educational implications, 8783
development of gender-related cognitions, adolescents, 856
development of inferential validity concept, 4th vs 7th graders vs college students, 16937
development of knowledge about appearance/reality distinction, children, 21697
development of length & number conservation concepts, comprehension of linear measurement & its components, 63–78 mo olds, 29653
development of need for cognition, 10986
development of preference for complementary vs taxonomic relationships, 3–15.5 yr olds, 11420
development of quantitative comparison ability, 5–6 vs 7 vs 10–12 vs 14–16 vs 18–50 yr olds, 6053
development of question asking, 4–6 yr olds, 6037
development of representational & communicative abilities, behavior & use of language during pretend play with adult, female from 18–32 mo old, 16894
development of time sense, 847
development of understanding of appearance-reality distinction, preschoolers, 26823
development of visual-manual coordination with respect to spatial property of concavity & knowledge of containment function, 6–11 mo olds, 16943
developmental acquisition of time &/vs speed &/vs distance concepts, comments on study by I. Levin, 811
developmental changes, self reports of everyday memory abilities & difficulty of memory tasks, 3rd vs 6th vs 9th vs 12th graders vs college students, 24127
developmental object & spatial concepts, infants, literature review, 8706
developmental patterns of preference for complexity & unknown & search strategies & questioning, mentally retarded 7–12 yr olds vs CA & MA matched normal children, 9470
developmental sequence of ignorance & false belief attribution, 3–6 yr olds, 26831
developmental trends in long term retention & forgetting, 2nd vs 6th vs 11th graders, 6045
developmental trends in speed of semantic memory retrieval, literature review, 16963
dialogue journals & teacher-student interaction, language & think skills acquisition, hearing impaired students, 28575
early cognitive development using Piagetian framework, infant macaques vs humans, 11081
early experience & relative plasticity & environmental influences, cognitive development, humans & animals, literature review, 29625
early home development vs parent-infant intervention, cognitive development at 4 vs 8 vs 12 vs 16 mo of age, preterm infants, 18138
EEG & psychometric assessments, maturational lag diagnoses, 7–15 yr olds with EEG diffuse slow frequency, 1–2 yr followup, 30057
environmental influences in research on effects of early experience on cognitive development, 29586
epistemological characteristics & constructivist nature of child-computer interaction, conference presentation, 8704
epistemology & methodology of reductionism vs constructivism, conference presentation, 8735
equivalence of psychometric tests' measurement properties at different ages & stability of individual differences in intelligence over time, 20–74 yr olds, 14-yr longitudinal study, 26178
evaluation of center-based educational & therapeutic intervention, cognitive development, 17–62 mo olds with mild to moderate cognitive delays, 2015
event-related memory structures & cognitive development, 4–6 yr olds, 24128
experience of cartoons, 5–6 vs 9 yr olds, 6040
experimental design, study of developmental acquisition of time &/vs speed &/vs distance concepts, reply to comments by J. Crepault, 837
experimental methods, comprehension of relationships between time & speed & distance, reply to criticism of J. Crepault et al, 874
experimenter effects & adequate control groups in lure-retrieval paradigm, study of role of play in problem solving, 3.8–4.7 yr olds, experimental replication, 99
factor analysis of intellectual structure, deaf 6–15 yr olds, 9638
family & school influences, cognitive development, children, 3457
father attitudes & nonverbal behavior, early adolescent male cognitive development, 34–62 yr old fathers & their 12–13 yr old sons, 8797
fetal-newborn complications, motor & cognitive deficits, high risk premature & mature infants tested at 1 yr, 27610
field dependence-independence & formal thought & fixity-mobility & associative problem solving, creativity, college students, 21986
field dependence vs independence, developmental capacity, 8 vs 10 vs 12 yr olds, 823
folk & art tale-telling program, development of figurative creativity, 5–6 yr old kindergartners, 18469

formal schooling, cognitive development, high school graduates vs dropouts, 2-yr longitudinal study, 789
formal vs postconcrete vs concrete operational reasoning, academic performance, college students, Venezuela, implications for prediction of science & mathematics achievement, 2436
Freinet free-text technique, development of creative thinking, 10–11 yr old students, 15-mo study, 2365
frequency-modulated sweeps corresponding to adult/adult vs adult/infant attentional responses, 4 mo olds, 21694
functional independence of mands & tacts, 3.4–5 yr olds, 8754
gestational age & birth weight, mental development, at-risk twins at 2 & 6 yrs of age, longitudinal study, 876
global cognitive development & sex & word abstractness, word recognition ability, 1st graders, 8804
growth spurts in child's brain & mental development, criticism of H. T. Epstein's phrenoblysis phenomena, 840
habituation of attention to irrelevant information, within-task improvement in selective attention, kindergartners through 2nd graders vs 4th–6th graders, 16934
hierarchical categorization using typical & atypical exemplars from social & nonsocial superordinate categories within class inclusion paradigm, kindergartners vs 2nd vs 4th vs 6th graders, 834
hierarchy of formal cognitive structures, principled moral reasoning & development, 10th graders, implications for education, 8684
history & principles behind thinking skills/cognitive education programs for children & application to adult programs, 28443
hormones, spatial ability & verbal fluency & perceptual speed & accuracy, male vs female 12.7–23.2 yr olds with congenital adrenal hyperplasia, 20230
impact of developmental research findings on age of competence & responsibility for criminal actions, children, 8718
impersonalist alternative account model vs Neo-Meadian social-constructivism model of cognitive development, infants, conference presentation, 26845
individual differences in intentional superordinate category knowledge, 3–6 yr old & 37–69 mo old preschool & kindergarten students, implications for early identification of school failure, 18635
individual differences orientation to gerontological research in cognitive development, 6063
infant stimulation home care program, motor & mental development, 6 mo to 13 yr olds with Down's syndrome, 12.5-yr longitudinal study, 22683
inference of life status measures by stated attributes of living things, 4–11 yr olds & college students, 29640
information about common purchase events, memory structure, 4–5 vs 6–7 vs 9–10 yr olds, 24132
initial competence & imitation vs counterimitation pretraining vs neutralization vs sensitization, observational learning of conservation, 6–7.4 yr old nonconservers, 21738
initial level of development as indicator of attainable degree of learning, reanalysis of findings of B. Inhelder et al supporting Piaget's stage learning hypothesis, 29601
instructional assumptions & models, cognitive achievements, 10395
integration of logical & probability concepts in development of social attributions, literature review, 16877
intellectual & emotional & social deficits, abused children, implication for identification & intervention & special education, literature review, 14730
intellectual & social experiences in widely vs closely spaced infant-sibling dyads, sibling status variables & infant cognitive level, 1–7.8 yr olds, 24157
interaction between biologically-based characteristics & environmental encounters in early experience, stability of cognitive & emotional functioning across development, 29617
interhemispheric transfer, completion of reversible operations, 4–5 yr old nonconservers, 11425
interpersonal aspects of bipersonal field & object relations & cognitive development, infants, 3376
interpersonal aspects of bipersonal field & object relations & cognitive development, infants, criticism of L. J. Brown's study, 3385
intraindividual variability of developmental levels across cognitive operational domains, 6–12 yr olds, 29621
judgment of time &/vs speed &/vs distance, 3rd vs 6th vs 9th vs 12th graders vs college students, 836
judgments of attribute importance weighting & categorization to word concepts, kindergartners vs 2nd vs 4th graders vs college students, 21728
kinetic print in computer graphics, symbolic development, children up to 7 yrs old, 13337
knowledge about bank interest & profit, 7–12 yr olds, New Zealand, replication of study by same author with Hong Kong population, 853
knowledge of physical phenomena of horizontality & verticality tasks & sex differences, Piagetian task performance, college students, developmental & educational implications, 29623
knowledge structure & cognitive learning strategies, 4–5 vs 7–8 vs 11–12 vs 15–16 yr olds, 21681
lead exposure, cognitive development, Black preschool age children, analysis of data from study by J. Perino & C. Ernhart, 3423
learning computer programming & computer assisted instruction, specific cognitive skills & metacognitive skills & creativity & achievement, 6 vs 8 yr olds, 31173
levels of abstract reasoning ability in locus of control development, junior high school students & college students, 11381
lexical ambiguity & word recognition, 2nd vs 4th vs 6th graders, 19642
life course, intellectuals vs noneminent college graduates, Finland, 1965–83, 8664
listening lessons, listening skill development & cognitive moral development, 8–10 yr old students, 22976
literacy development, preschool age children, implications for early childhood education, 19626
literature on relationship between language & cognition, language disordered children, reply to criticism by G. M. Siegel et al, 4090
logical vs empirical certainty & necessity, understanding Piagetian concepts of conservation & transitivity, college students vs 1st vs 3rd vs 4th vs 5th graders, 11437
lure-retrieval paradigm in study of functions of play in childhood development, comments on T. Simon & P. K. Smith's experimental replication, 67
manipulative vs empirical vs theoretical cognitive problem solving approach, 3rd graders, educational implications, 6065
maternal behavioral style, cognitive development, organically impaired mentally retarded 1–3 yr olds, 9449
mathematical formalization approach to conservation, 14179
measurement of mental development & relationship of motivation to learning capabilities, school age children, 11415
memories for performed vs imagined actions, 6 vs 9 yr olds vs adults, 6051
memory capacity limitations in reasoning, 5.5–6 yr olds, 26827
metacognitive aspects, memory development, 29613
moments of merger & symbiosis & cognitive development, infants, reply to criticisms of F. Pine, 11422
multidisciplinary approach to development & learning, education & scholarship, humans, 15574
mutual knowledge, development of perspective taking & social cognition, 24095
myth of genius before maturity, implications for educational programs, 8687
native language instruction of L. Andarova, development of theoretical thought, students, 2371
neonatal antecedents of attention deficit disorder & very low birthweight, psychological functioning, 2 yr olds, 19569
neural bases of development & learning over life span, literature review, 8428
neuropsychological & cognitive basis of early achievement, children with mean age of 5.5 yrs, 2-yr longitudinal study, 3467
neuropsychological methods, assessment of motor & sensory skills & cognitive development, preschool age children, 21695
ontogenesis of text production ability & development of postconcrete operational stages of cognitive & linguistic functioning, 862
operational category of cognitive development & IQ level, creative thinking potential assessed by verbal & figural abilities, 1st vs 4th vs 6th graders, 29615
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, criticism of J. Montangero's study, 809

organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, reply to criticisms by J. Crepault et al, 846
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, 845
orienting questions as retrieval cues, encoding of cue-target word pairs & discriminability & constructability, 2nd vs 4th graders vs college students, 3411
parental status & child communicative status, linguistic & nonverbal teaching strategies, mothers vs fathers of 3.5–5.7 yr olds with vs without communication disorders, 24853
parenting practices, social & physical & cognitive development of child, teenage vs adult mothers, literature review, 29545
parents, cognitive & affective & social development & motivation for achievement, gifted preschoolers, 26788
paternal vs maternal judgment of cognitive ability & developmental level, 1st graders, 19619
pattern complexity, reconstruction of patterns from memory, 16–31 mo olds, 11434
patterns of mental development, male vs female middle class 6–60 mo olds, Jamaica, 21691
perception of correlations among attributes & abstraction of invariant relations from categories, 4 vs 7 vs 10 mo olds, 26876
perceptual motor skills & cognitive & emotional development, orphans in state infants' home, Poland, 6030
performance on inclusive vs disjoint class inclusion problems, 5–11 yr olds, 829
performance on Piagetian conservation tasks, 3rd & 4th graders with vs without attention deficit disorder, 27506
performance on Piagetian projective & Euclidean spatial tasks, 8th vs 10th vs 12th graders, 26856
performance on task requiring increasingly complex mechanical manipulations to obtain food, 10 wk old timber wolves vs malamutes, application of Piagetian developmental stages, 11061
persistence vs nonredundancy vs systematic ordering comprehensive search skill on invisible displacements task, 16 vs 24 mo olds, failure to support Piaget's theory, 24153
Piagetian cognitive development, learning disabled 8 & 11 & 14 yr olds, 12142
Piagetian genetic psychology & classroom learning, 4806
Piagetian stage level & age & sex & feedback, proportional judgment hypothesis testing, 7 & 9 & 11 yr olds, 21706
Piagetian vs psychometric tests, measurement of intelligence based on developmental level, literature review, 10780
picture-word manipulation, storage & retrieval, normal vs learning disabled 2nd vs 6th graders, 6681
play training, cognitive development & social behavior, children, literature review, 4228
popular view of vs recent literature about use of print vs TV & children's cognitive development, 8784
positive/negative vs intrinsic/extrinsic class properties, identity judgments, 6–9 yr olds, 795
pre- vs concrete vs formal operational Piagetian cognitive stage, production of frequency vs psychological vs ambiguous uncertainty markers, 5.3–17.9 yr olds, 14158
predictive validity of early visual measures, assessment of subsequent cognitive outcome, preterm infants tested from 6–40 mo & at 6 yrs, 161
preschool education program, linguistic & cognitive skill development, 3.5–5 yr olds, India, 25784
present vs past tense expressions, comprehension of expressions of intention, 4 vs 5 vs 7 vs 9 yr olds, 21680
presentation of single vs multiple exemplars of basic level categories, immediate & long term retention of categorical information, 24 mo olds, 16920
preventive interventions before age 2, cognitive & affective & social development, 3–6 yr olds born in high risk circumstances, followup studies, 25036
priming with taxonomic vs functional modes of categorization, recall & style of recall, preschool age children vs college students, 14185
principles of generative transmission, salience vs facility, selection of causal rules, 3 vs 5 vs 7 yr olds, 16953
proactive interference & development of verbal learning & retention, normal vs mentally retarded 4th vs 6th vs 8th graders, 9418
problem solving abilities, children & adults, Papua New Guinea, literature review, 6086
proficiency in 2nd language, cognitive development, Spanish-English bilingual 5–7 yr olds, 8721
provision of instructional materials to increase formal operations, development of cognitive restructuring aspect of field independence, 11–12 yr old comprehensive school students, England, 28414
quiet classroom, development of thought processes in reading & arithmetic & art & play, children, 7666
rate of basic concept development, deaf vs hearing children, 14803
rate of mental development, congenitally blind persons, 9560
ratings of associative strength between members of categorically related word pairs, 3rd vs 4th vs 6th vs 8th graders & college students, 6039
reading ability & operativity, reading skills & metareading & memory & metamemory, 2nd vs 4th graders, 800
reasoning about social conventions & physical laws & logical necessities in another country or planet, 6 vs 8 vs 10 yr olds, 21715
recall & comprehension of metaphors, 2nd vs 4th vs 6th graders, 6093
recognition of laterally inverted mirror images, blind vs sighted children vs rhesus monkeys, 9531
relationship between spelling rules & sounds, reading comprehension, children vs adults, Denmark & US, 6068
relationship with macrosystem or world & microsystem or family & processing of world & childrearing, infants, North America, conference presentation, 24111
reliability & validity of screening procedure, mental development, children up to 3 yrs old, 18929
representation of substantive word meaning, autistic vs mentally retarded children, 6460
research method & genetic epistemology & interactive processes of knowledge in Piaget's theories of cognitive development, 8765
research on cognitive nature of learning to read & write, literature review, 11469
review of J. Piaget's interpretation of development of logico-mathematical operations, children, 11424
role of maternal attitudes in development of school abilities, 7–11 yr olds with mild mental retardation, 4066
role of metaphoric self expression in development, humans, 11450
rule-sampling theory of conservation learning & proposal of alternative structuralist model, comments on article by C. J. Brainerd, 26843
rules & procedures in retrieval of basic number combinations in simple arithmetic, children & adults, criticism of article by A. J. Baroody, 8692
search for visible vs hidden objects & interpretation of errors, 9 mo olds, 3464
self-other differentiation & symbolization in psychosis, autistic & schizophrenic & "transitional" children, implications for cognitive & psychosocial development, 27261
self perception of comprehension of literal vs nonliteral utterance in story, 7 vs 10 yr olds vs college students, 21676
semantics, processes, memory development, 29614
sentence verification process & comprehension of false & true negatives, reply to criticisms by M. M. Akiyama, 24134
SES & individual differences, structure & sequence of formal & postformal thought, 13.7–14.7 vs 16.7–17.9 vs 19–21.6 vs 40.5–52.2 yr olds, 814
set inclusion & linear ordering relationships embedded in text, recall & interaction between truth & distance in responses & ability to draw inferences, 6.3–18.1 yr olds, 14172
set of laboratory tasks & observational system, measurement of mastery motivation, 6–12 mo olds, 14132
set size & response criteria, conservation tasks, 4–6 yr olds, 16907
sex & cultural background, cognitive development & perceptual-motor coordination, 7–10 yr olds on Hainan Island, Peoples Republic of China, 14202
skill development, arithmetic story problem solving, 5–8 yr olds, 14183
sleeping arrangement at kibbutz & cognitive vs environmental research approach, death conceptualization, 4 vs 5 vs 6 yr olds, Israel, 26824

social & cognitive & symbolic play forms & toys, 36–71 mo olds needing early educational intervention, 10480
social class, logical & verbal abilities, 5 vs 9 vs 13 yr olds from urban vs suburban districts of Rome, Italy, 24146
social cognitive ability & emotional expression & prosocial responses to peer's emotions, 2 & 3 yr olds, 16981
social-cognitive development & toys, children, 8655
social observation, relationship between social interaction & cognitive development, 1st graders, 11465
spatial thinking abilities, 6th vs 10th grade Navajo vs non-Native American students, implications for science education, 23000
speech & cognition & gestures & expression, children with speech disorders, 1500
stability & proficiency of simultaneous-successive processing, college students vs aged, 8714
stability of cognitive & linguistic scores, 2–6 yr old autistic patients, 5-yr longitudinal study, 17337
stability of concept of length, Zang vs Han 5–11 yr olds, Tibet vs China, 16935
stimulus integration & selective information processing, central-incidental learning, kindergartners vs 2nd vs 6th graders vs college students, 3462
strategies for hiding objects so they can be found later on, 2nd vs 4th vs 6th graders, 14188
structure & content of sociocognitive & moral & ego development, formal vs material role taking, adolescents & young adults, implications for understanding suicide, 3983
structuring & control of knowledge, metalinguistic skills, comments on paper by E. Bialystok & E. B. Ryan, 841
study of construction of local knowledge, organization of constructivism during ontogeny, conference presentation, 8686
subtypes of concreteness, conference presentation, 8707
symbiosis & cognitive development, infants, comments on work by T. M. Horner, 11444
task demands, utilization of complementary & taxonomic relations, 3–6.9 yr olds, 6084
tasks requiring verbal processing & asymmetric motor skills, lateral asymmetry in finger localization, right handed 4.9–6.1 yr old females, 3478
text structure, learning text, 10 vs 13 vs 16 yr olds, 3416
theoretical analysis of J. Dewey's theory of reflective thought, implications for social studies education & cognitive & social psychology, 25801
theoretical perspectives of heightened egocentrism, young adolescents, 3402
theory of self knowledge & method of measurement using Unforgettable Experience Recall, 6–70 yr olds, implications for education & counseling, 786
traditional instructional methods & Piagetian theory, arithmetic & reading & writing & constructivism, primary school students, conference presentation, 20684
training in Piaget's Grouping II logic, assessment of Grouping II logic-naming secondary classes, 3rd graders, 8777
transactional model of intellectual development & deficit-centered vs strength model of cognitive remediation, comments on paper by H. C. Haywood & H. N. Switzky, 21725
TV exposure, cognitive abilities, male vs female 7–19 yr old Inupiat Eskimo vs Tlingit & Haida American Indians, Alaska, 1979 vs 1982, 21782
type of conceptual rule & length of problem series in stimulus patterns, formal vs concrete concept identification strategy & number of attributes identified &/or rules learned, 11.1–12 vs 14.1–15 vs 17.1–18 yr olds, 8806
understanding & use of variables & relations, probability problem solving, 5–13.9 yr olds, 29590
understanding of class inclusion, reasoning with logical implication, kindergartners & 2nd–8th graders, Netherlands, 21707
understanding of set theory in mathematics, 6–11 yr olds, 8768
understanding of terms "longer" & "shorter", 5–9 yr olds, Brazil & England, 8782
understanding of visual displacements of objects, 9 vs 12 mo olds, 8790
unilateral vs bilateral cerebral presentation, naming tasks, 10 vs 12 vs 14 yr olds, implications for onset of puberty, 6074
use of directions &/vs landmarks &/vs end information in descriptions of routes, 5.1–6.1 vs 8–9.3 yr olds, 29655
use of discounting heuristic in cognitive processing of social information in reward vs non-reward condition, kindergartners vs 2nd vs 4th graders, comments on methodology of research by C. J. Dahlenberg et al, 29603
use of objects & words as tools, 12–30 mo olds, 14117
vague vs specific instructions & delayed vs immediate task conditions, recall of temporary ordered story events in logical sequence vs presentation order & memory on picture-sequencing task, 6 vs 8 yr olds vs college students, 24118
validity of Measure of Epistemological Reflection, assessment of intellectual development using qualitative cognitive structures described by W. G. Perry, college students & graduate students, 18621
validity of ordered tree technique, assessment of cognitive structures & development in academic course, college students, 20810
validity of Reynell Developmental Language Scales & Stanford-Binet Intelligence Scale & PPVT, prediction of WISC-R scores 4–8 yrs later, 3 & 5 yr olds, 26246
verification & comprehension of true vs false negatives in English language, Korean-speaking children, comments on experiment by K. J. Kim, 24110
views of L. Vygotsky on verbal regulation of thinking skills, relevance for parents & educators, 16945
views of learning & representation & recall of number combinations, children, research & educational implications, 8694
violation vs transformation of conservation, reactions & responses, kindergarten vs 3rd graders, 3438
visual motor & gross motor ability & cognitive ability, 4.5 yr olds identified as high risk infants with zero vs normal nystagmus, 14816
vocalization & manual activity & visual fixation, locating small toy hidden in boxes with attached drawings, 1–2 yr olds, implications for development of ability to remember or manipulate symbols of objects, 6041
within vs between language interference on Stroop test, Chinese-English bilingual 2nd & 4th & 8th graders & college students, 29585
writing & linguistic awareness & cognitive development, annotated bibliography, 29660
zone concept framework, socialization of cognition in home environment, children, 29652

Cognitive Discrimination

ability to discriminate males from females, toy choice & aggression & peer playmate selection as sex typed behaviors, 21–40 mo olds, 29694
age differences, perception of human & animate characters, 2nd vs 4th vs 6th graders, advertising implications, 6090
associative relationships among words vs thematic context of discourse, sense activation in cross modal lexical decision task, college students, 8210
automatic vs controlled priming for orthographically vs phonologically vs semantically similar stimuli presented to left vs right visual field, lexical organization & access, right handed college students, 5669
awareness of inconsistencies in game instructions & willingness to question child vs adult, kindergartners through 6th graders, 29598
basic & subordinate level naming of objects in outline drawings, 50–66 yr olds with agrammatic Broca's aphasia vs 55–65 yr old fluent aphasia, 27507
behaviors manifested with person vs thing, 9–11 wk olds, replication of study by T. B. Brazelton, 3466
closed vs open class words, interference effects in nonword classification, college students, 3033
color, naming & recognition of everyday objects, college & graduate students & 20–35 yr old medical students & nurses & doctors, 11016
conceptual distinction between emotion vs nonemotion subjective states, college students, 3069
constraint & validity of sentence contexts, facilitation vs inhibition of lexical decisions, college students, 19106
contextual effects & priming, RT in sentence processing, college students, Japan, 5479
continuous visibility of word, word frequency effect in recognition & speed of lexical decisions, college students, test of locus of frequency effect in verification model, 715

exposure to novel monosyllabic nonsense word & referent, creation of lexical representations, 2.1–5.9 yr olds, 3420
inability to distinguish among objects in same semantic category & difficulty in naming objects, patients with Alzheimer's disease, 27582
individual differences, imagery ability & mental size comparisons, college students, 10966
left vs right hemisphere reading of pointed vs unpointed Hebrew spelling, performance on lexical decision & word pronunciation tasks, college students, Israel, 8392
lexical representation of foreign loan words, college students with Japanese & English as native language, 5458
long term planning in hypothesis testing in discrimination tasks, kindergartners through 3rd graders, 802
meaning frequency, activation & selection of meaning of ambiguous words in isolation, college students, 319
meaning of isolated word, lexical decision RT, college students, 3018
misprimed words in lexical decision task, classification speed & accuracy & orthographic checking process, college students, implications for criterion-bias vs search model of mispriming errors, 284
nonword facilitation in lexical decision task, college students, implications for word recognition, 5463
nonwords & high vs low frequency Hebrew words & pointed vs unpointed spelling & semantic context & word length, phonological encoding in lexical decision task, college students, Israel, 13666
nonwords with vs without function vs content word as 1st syllable, lexical decision RT & nonword interference, Dutch speakers, replication of lexical hypothesis on agrammatism of D. C. Bradley et al, 5464
number of semantic domains in blocked vs mixed presentation of relevant vs irrelevant word pairs, performance on semantic priming vs Stroop-like tasks, college students, 721
order relevant vs irrelevant decision rules, rearrangement effects in multiletter matching, college students, 10979
orienting questions as retrieval cues, encoding of cue-target word pairs & discriminability & constructability, 2nd vs 4th graders vs college students, 3411
orthographic letters vs lexigram elements, discriminability in match-to-sample task, institutionalized nonspeaking severely mentally retarded residents, 4073
pairing nouns with masculine vs feminine possessive adjective agreeing in number & case, lexical decision times for inflected Serbo-Croatian nouns, college students, Yugoslavia, 10965
paraphrases vs annexes vs examples, perception of a correspondence between key sentences & schemas, 14.5–15.2 yr olds, 6092
perceptually & nonperceptually based components in semantic activation during word recognition, college students, 13655
phonologically similar vs dissimilar letters in strings, same-different decisions & processing of abstract letter identities & response latencies, college students, 29086
real or false Chinese character presented to left vs right visual half-fields, RT on orthographic & phonological & semantic processing tasks, right handed Chinese college students, 5694
relational vs strategic vs empirical knowledge, capacity to differentiate metals, engineering trainees, implications for model of human information processing system, 3038
repetition & Japanese vs foreign loan words written in katakana script, RT in lexical classification task, Japan, 13627
speech perception & word recognition & lexical access, 21135
speed of word encoding & lexical & semantic access, reading ability, college students, critique of study of processing speed by R. J. Chabot et al, 8233
symbolic classification of opposed concepts into masculinity vs femininity & right vs left, college students, 280
symbolic comparisons with vs without perceptual referent, college students, 19110
syntactic & semantic constraints, reduction of sensory input required for spoken word recognition, native speakers of Dutch, 3013
syntactic primes & subsequent lexical decisions, EPs at frontal & temporal & temporoparietal sites, right handed college students, 26520
trading relations among acoustic cues in phonetic discrimination task, college students, implications for phonetic classification, 269
ungrammatical overgenerated sentences produced by violations of constraints on movement rules vs grammatical sentences, processing speed on sentence matching task, college students, 8202
uni- vs multidimensional patterns, cognitive transformations & similarity judgments, male college students, 8214
unitization in familiar vs unfamiliar letter sequences & word superiority, performance on same-different RT tasks, adults, 13640
utility of oddity task in development of screening test to detect school failure, learning disabled 3–8 yr olds, 17507
verbal comprehension & perceptual organization & cognitive differentiation, learning disabled vs neurologically impaired 6–11 yr olds, 24824
visually presented letter strings, phonological coding & access to mental lexicon, college students, 10958
word length &/vs frequency, word recognition & lexical decision tasks, college students, 5460

Cognitive Dissonance
abnormal illness behavior & role of reinforcement & unconscious & forced compliance situation of self/other deception, psychogenic pain, implications for conceptualizations of cognitive dissonance theory, 6714
effort justification in psychotherapy, weight loss, overweight Ss, 6982
perception of feedback about personality in neutral descriptive terms, evaluation of cognitive distortion, depressed vs nondepressed college students, 20000
physiological arousal & dissonance & attitude change & dissonance-arousal link & "don't remind me" effect, college students, experimental replication & extension of study by R. T. Croyle & J. Cooper, 27173

Cognitive Functioning [See Cognitive Ability]

Cognitive Generalization
categorization of numeric data, computer programs that learn by generalization, 20968
diffuse vs specific ability status, generalization of information in decision making, college students, 14435
esteem related feedback, mood & self efficacy & attribution of success, college students, 4443
generality vs specificity bias, observational skills in verbal & nonverbal modes, college students, literature review, 3041

Cognitive Hypothesis Testing
degree of convergence-divergence of hypothesis testing in practice on simulations of diagnostic problem solving, generation of new hypotheses, 10992
group monitoring of inductive problem solving, group-to-individual transfer of hypothesis testing processing strategies, college students, 10951
hypothesis testing & problem solving strategies, learning disabled males with mean age of 10.9 yrs, 9447
long term planning in hypothesis testing in discrimination tasks, kindergartners through 3rd graders, 802
Piagetian stage level & age & sex & feedback, proportional judgment hypothesis testing, 7 & 9 & 11 yr olds, 21706
plausibility assessments of specified vs unspecified hypotheses, male college students, 21150
presentation order & self verbalization of solution process, problem solving, 3rd vs 6th graders, 3417
response training, hypothesis testing from relevant attribution in discrimination shift task, 44–66 mo olds, 14173
rule-sampling theory of conservation learning & proposal of alternative structuralist model, comments on article by C. J. Brainerd, 26843
successive elimination of closed set of suspects, estimation of probability of guilt of remaining suspects, college students tutored vs untutored in probability theory, 10980
type of conceptual rule & length of problem series in stimulus patterns, formal vs concrete concept identification strategy & number of attributes identified &/or rules learned, 11.1–12 vs 14.1–15 vs 17.1–18 yr olds, 8806
use of hypothesis testing vs passive-receptive selection strategies on simple concept learning task with repetition of test items, level of concept attainment, college students, 311

2-dimensional learning set vs orthogonal problems, hypothesis testing abilities in discrimination learning, language disordered 3–6 yr olds, 22216

Cognitive Maps

acquisition of knowledge of lengthy route through unfamiliar surroundings, 11 yr old, example of conceptual model of children's acquisition of spatial knowledge, 3428

blind conditions, coding of location of objects, sighted & blind children with mean age of 8.8 vs 10.9 yrs, 14875

coding & communicative setting, recall & verbal reports of unfamiliar places, college students, 21185

cognition of homeground as experiential network, New York City residents, extension of I. Lee's sociospatial neighborhood concept, 28838

cognitive scripts & vicarious learning, organizational behavior, 2650

contributions to studies of animal spatial orientation through hypothesis about cognitive maps of E. C. Tolman, 5574

definition of neighborhood, urban residents, 31555

development of geometrical model of visual discrimination & mental transformation, effect of angular disparity & degree of symmetry on determination of polygon orientation, experienced Os, 23571

distortions of cognitive maps & perception of nation's or state's recognizability or size, college students, 13624

environmental assessment & cognitive mapping & environmental stress & spatial behavior in environmental psychology, literature review, 23302

environmental knowledge & parental restrictions & distances & number of friends & participation in organized activities, neighborhood activity range, 6 vs 10 yr olds, Sweden, 6102

free recall mapping vs verbal discription vs interpretation of plans & aerial photographs, representation of journey to school & home, 6–11 yr olds, 11524

fuzzy cognitive maps for representation of causal reasoning, 26272

hypothesized clusterings of landmarks in familiar environments from recall protocols, judgments about spatial distances, female college students, evidence for hierarchies in cognitive maps, 21153

instruction to attend to layout of vs route through funhouse, spatial exploration & memory, 6–7 vs 8–9 yr olds, 11416

path & edge & district & node & landmark categories in urban cognitive maps, 15–64 yr olds, Spain, 5138

pleasantness of landmarks on scaled map, recall of distances between landmarks, college students, 7906

preferences for hypothetical decision outcomes & social responsibility, college students, implications for cognitive structure of corporate responsibility, 10619

primacy & recency effects in memory for episodic spatial events, male rats, 5554

reference systems encoded in cognitive maps of town, college students resident in town for 1–2 mo vs 1 yr, 26341

route segmentation, proximity judgments & macrospatial distance estimation, college students, 21142

salience & organization of schematic maps' path networks, map imageability, college students, support for K. Lynch's contentions regarding organization & imageability in urban environments, 13272

slides of churches, judgment of goodness of example & discrepancy between attributes of current instance vs prototype in memory, architecture students & college students, 20915

spatial knowledge of home environment, children, 8702

stepwise cue restriction, place behavior in radial arm maze, fornix-lesioned rats, 8512

strongly vs partially hierarchical vs nonhierarchical theories of spatial representations, recognition of locations & distances between objects in actual vs on maps of spatial layouts, college students, 10975

use of directions &/vs landmarks &/vs end information in descriptions of routes, 5.1–6.1 vs 8–9.3 yr olds, 29655

use of landmarks &/vs relational terms &/vs cardinal directions &/vs mileage estimates & frequency of omission & commission errors in direction giving, male vs female college students, 23620

use of scripts in cooperative vs competitive decision making in newly formed groups, model of norm development, college students, 9088

Cognitive Mediation

alternative- vs consequential-thinking vs evaluative-judgment dimensions, aggressiveness & assertiveness & submissiveness, 4th–6th graders, implications for treatment, 6007

attention to externally presented information & aversive representations & interpretive mechanisms, test anxiety & poor performance, college students, 18638

auditory vs visual word-to-picture matching vs semantic judgments, facilitation of retrieval of picture names, aphasic patients, 4144

biofeedback control, heart rate, humans, implications for somatic & cognitive mediation & models of G. Schwartz & P. Lang & J. Bremer, 26553

cognitive evaluation of vs generation of affect toward object, reply to comments in paper by Y. Tsal, 10988

cognitive evaluation vs generation of affect toward object, comments on paper by R. B. Zajonc & H. Markus, 10985

cognitive mediation in depressed mood vs neuroticism, college students, 11823

cognitive mediation processes, reconstruction of social events read about, college students, 3721

cognitive-mediational vs operant recording response vs multiple cueing stimuli models of reactivity in self monitoring, college students, 15105

color, naming & recognition of everyday objects, college & graduate students & 20–35 yr old medical students & nurses & doctors, 11016

conceptual complexity as mediator of negative thoughts & affect, socially anxious college students, 19839

difficulty level of mental arithmetic, visual & proprioceptive adaptation to optical displacement, right handed college students, 13582

evaluation of workload estimation techniques, measurement of mediational workload in simulated flight task, male pilots, 18788

internal empathy & cognitive labeling & demonstrated empathy, male & female advanced college students listening skills course, 31252

match between remedial procedure & experience or cognition that induced negative state, remediation of negative emotion, 2nd graders, 3413

nursing care & cognitive mediation & interventions, depressed patients, 20350

photographs presented alone vs followed by unrelated vs related verbal information, subsequent picture recognition, college students, 11031

problem solving as moderator between causal ascriptions & depression, college students, 14510

replacement of word with pictured object in visually presented sentences, judgment of plausibility of sentence & recall, college age Ss, 29149

task goals & performance & performance expectancy & valence, college students, test of cognitive mediation theory, 29160

Cognitive Processes [See Also Abstraction, Anagram Problem Solving, Associative Processes, Choice Behavior, Classification (Cognitive Process), Cognitive Discrimination, Cognitive Generalization, Cognitive Maps, Cognitive Mediation, Concentration, Concept Formation, Connotations, Contextual Associations, Decision Making, Divergent Thinking, Group Decision Making, Group Problem Solving, Ideation, Imagination, Inductive Deductive Reasoning, Inference, Intuition, Logical Thinking, Management Decision Making, Problem Solving, Reasoning, Thinking]

ability level & sex, cognitive engagement processes used in computer problem solving game, 7th & 8th graders, 21717

ability to extract information from words presented below recognition & awareness thresholds, adults & college students, 276

ability to reverse ambiguous figure in mental imagery & reconstrue figure in own drawing, college students, 10957

absolute judgment & varying response time on light position task, performance & speed accuracy trade off, college students, 5407

activation model of identification benefits for repeated words & pseudowords & memory, reply to comments by J. C. Johnston et al, 11020

activation processes, mechanisms of language use including syntactic structure in speech, college students, 29509

addition vs subtraction arithmetic word problem solving strategies & effects of carrying & borrowing, 3rd graders, 2443

age & alcoholism, brain age quotient, male inpatient 30–69 yr olds, support for accelerated aging vs increased vulnerability version of premature aging theory of alcoholism, 20043
age & sex, event-related potentials during continuous performance test, 12–17 yr olds, 19553
age differences & cognitive processes, social decision making, 36–93 mo olds vs college students, 29678
age, phonemic processing RT during picture recognition task, male vs female children vs adolescents vs adults, 14152
alcohol intake, performance in negotiating situations, male college students, 23996
alcohol, performance on video game & test of coordination, college students in alcohol education program, 5007
alphabetical vs ideographical presentation of digits, perception of physical & numerical size, college students, 5416
analysis of errors in transforming abstract concepts, patients with paranoid schizophrenia, 19930
analysis of information processing components underlying substitution test performance, 9–11 vs 18–25 vs 60–89 yr olds, 16930
analysis of notetaking & review of notes, literature review, 4914
analysis of operations of transformation in elementary algebra, school children, 7648
analytic & cognitive psychological & information processing paradigms, examination of verbal test performance, 16294
Antarctic isolation, cognitive ability, response to criticism by A. F. Barabasz et al, 8232
Antarctic isolation, cognitive processing, police recruits vs Antarctic exposed personnel, criticism of study of K. G. White et al, 8187
antecedent length & consistency, surface coping vs discourse model strategies in comprehension of anaphoric verb phrases, college students, 8639
anticipated or already processed information, orienting response evocation as measured by skin conductance response, 14–31 yr olds, 19369
attempt to name common object vs living being presented through pictorial stimuli, verbal-semantic representation of nouns & strategies to access them, aphasic patients, Hungary, conference presentation, 12251
attention & cognitive vs emotional tasks, EEG, right handed young adults, 8406
attention as mediator of serial processing function of human brain in visual search tasks & relation to present generation computer processing style, 21154
attention to stimulus location & relation to perceptual representation of stimulus or decision process, integration of color & shape information, 16–38 yr olds, 26854
attentional & information processing deficits & positive vs negative symptoms, schizophrenic patients, 17324
auditory semantic detection & reading aloud & visuo-spatial tasks, speech perception & production as separate processes, 20–40 yr old females, implications for attention models, 29069
automatic facilitation vs subjective expectancy explanations of sequential effects in serial RT, human Ss, 13642
automatism in conceptual awareness of objects, 8205
awareness & stimulus valence, affective information processing, college students, implications for R. B. Zajonc's hypothesis, conference presentation, 289
behavioral vs cognitive approach to concept of anxiety & function of brain, 192
bivariate path model, familial resemblance for reading ability & symbol processing speed, families with reading disabled child, 5659
calendar calculating methods, 14 yr old male retarded idiot savant, 12141
card-sorting task with conditional vs unconditional probability, information processing, 21–26 yr old males, 8215
cardiovascular & affective reactions to frustrating cognitive task, adult offspring of hypertensive parents, 4166
categorical vs structural vs affirmative ways of knowing, 8219
category verification RT vs exemplar typicality vs instance dominance vs category selection time vs category dominance, college students, 19128
challenging cognitive task under clear vs ambiguous performance standards, heart rate & blood pressure, Type A vs Type B 11–14 yr olds, 16893
characterization through complex data structures, users of databases, 16027
choice RT & underlying processing & nonprocessing states, college students, 21158
chronic depression & self schema & maladaptive competence, clinical & research implications, 12006
clobazam vs lorazepam, information storage & retrieval processes, college students, 8563
codification & stimulus repetition, identification of words vs pseudowords currently vs after 1 yr, college students, 3032
cognition & RT in picture-phrase matching task, college students, support for naturalness principle of C. E. Osgood, 29092
cognitive & mechanical aspects of drawing, 26354
cognitive ability & performance on cognitive processing tasks, 8th graders vs college students, 16146
cognitive aids that support communication of information & enhance stability of information processing in teaching & treatment, 18493
cognitive approach to causation of emotions, support for structural theory, 17263
cognitive aspects of moral regulation of behavior in interpersonal interaction, 3693
cognitive assessment measures, content & stability of cognitions related to depression, depressed vs nondepressed psychiatric vs nonpsychiatric hospital patients, 19910
cognitive components of musical aptitude, implications for music education, 12964
cognitive deficits, communication impairments, hospitalized schizophrenic vs manic vs schizoaffective patients, 9312
cognitive dysfunction, schizophrenia, 6518
cognitive flexibility & reasoning processes, performance on rational order & equivalence tasks, 4th graders, 10419
cognitive functions & conceptual ability & concept formation, Ss with aphasia, literature review, 6793
cognitive involvement in advice giving or probability estimations or word associations, mood state & related traits, college students, 29164
cognitive mechanisms & application of quantitative concept of rational number, performance on timed sum construction task, 4th & 5th graders, 10402
cognitive perceptual distortion, depressed 13–17 vs 21–54 yr old female psychiatric inpatients, 1383
cognitive procedures for naming letters vs naming words they comprise vs reading of 1st vs 4th order approximations of English typographical forms, college students, 16316
cognitive procedures in learning technical drawing, 14–18 L.E.P. students, 4880
cognitive processes & differences in sequential vs simultaneous processing scores assessed by Kaufman Assessment Battery for Children vs WISC-R, autistic 6–12 yr olds, implications for school performance, 31326
cognitive processes & strategies, item difficulty on verbal subtests of Armed Services Vocational Aptitude Battery, army applicants, 10772
cognitive processes, decision making under partial uncertainty, college & graduate students, comparison of simple scalability vs fixed-sample vs sequential-sampling models, 10955
cognitive processes in expert skill in computer programing, literature review, 5068
cognitive processes in schizophrenia, relevance to symptomatology, literature review, 9244
cognitive processes in word recognition & recognition failure, 3023
cognitive processes, initiation & maintenance of spontaneous recovery, alcoholics, 2185
cognitive processes of members vs organizational structures, organization performance, graduate business students, 5124
cognitive processes, psychotherapeutic processes & results in group therapy, 1831
cognitive processing of sexual abuse, children, implications for intervention, 12089
cognitive rules of notion construction, 11–18 yr olds, 21742
cognitive science & neuroscience & model of information processing, schizophrenic thought processes, application of brain EP, conference presentation, 30198
cognitive structure of vocational schemas, vocational information processing & career self efficacy, college students, 23168

cognitive structure, vocational decision making & planning & exploration, college students, 7788
cognitive style, belief persistence after debriefing, field-dependent vs -independent college students, 11796
cognitive theory of phonetics, speech synthesis & automatic speech recognition, 16284
cognitive vs affective processes, judgments of & preferences for male vs female film actors, male vs female college students, 3716
cognitive vs social rigidity & intelligence & personal adjustment & evaluation of social problem solving skills training program, 60.9–88 yr olds, 24091
color stimuli in bar-probe tasks with vs without instructions, performance according to optimal strategy, college students, implications for postcategorical-filtering model of information processing, 247
common cognitive mistakes in negotiation in business & interpersonal & international relations, 27134
competing task load & encoding strategy & intention, automaticity of frequency coding, college students, 29094
complexity of objects, construction of mental representation of objects from successive views, graduate students & staff members, 13516
component processes in reading comprehension & moving-window paradigm, reply to comments by J. H. Danks, 21151
comprehension of 2nd-order representations & 'theory of mind', social impairment & lack of pretend play, autistic vs Down's syndrome children, 30090
computer aided training of information processing strategies, developmentally handicapped adults, 4693
computer simulation of task of heating beaker of water & controlling set temperature, analysis of acquisition of process control skills & fault detection, operators, replication of study by E. R. Crossman & F. W. Cooke, 29143
computerized Walter Reed Performance Assessment Battery, examination of effects of state-variables on psychomotor & perceptual & cognitive tasks, conference presentation, 23393
concentrated sensorimotor work, cognitive performances in radar piloting work, implications for measurement of workload, 19043
concept of schema & role of experience, constructivist basis of computational psychology, conference presentation, 8705
conceptual structure & organization of information in memory, flying performance, undergraduate pilot trainees & National Guard & US Air Force instructor pilots, implications for decisions about assignments to fighter aircraft, 19157
concrete experiences & discussion & freedom to explore interesting topics as necessary components of educational programs, educational excellence & thinking processes, 22965
concurrent vs delayed visual monitoring vs motor rehearsal, cognitive representation & behavioral reproduction of observed modeled action pattern, college students, 23626
conscious awareness & memorial influences, usefulness of hint & accuracy of verbal report, re-analysis of hypothesis of R. E. Nisbett & T. D. Wilson, 29113
construct content about others & cognitive complexity & ordination, depressive symptoms, 24–61 yr old depressed patients, 3804
construct validity of Kaufman Assessment Battery for Children Sequential & Simultaneous Processing scales, male vs female 2.5–12.5 yr olds, 28970
construction of Children's Negative Cognitive Error Questionnaire, 4th–6th & 8th graders with vs without self reported symptoms of depression & low self esteem & evaluation anxiety, 28978
construction of Cognitive Interference Questionnaire & Thought Occurrence Questionnaire, assessment of situationally produced vs personality trait-like cognitive interference, college students, 26241
context vs no context in letter deletion task, recall & application of missing letters, college students, 29125
continuous information processing, conceptual identification, college students, 8235
controversial issues in emotion theory, implications for cognitive self theory, 17242
correction vs evaluation vs expansion vs memorization of narrative, text recall, mental patients, 9214
crisis intervention, self concept & self esteem & attribution & information processing related to school entry & transition & failure crises, students, 4997
criterion-setting theory & features of category scaling, model for absolute judgment, 21043
critical stimulus duration as state marker for schizophrenia, response to conclusion by K. H. Nuechterlein & M. E. Dawson, 17388
cross cultural & age differences, everyday social explanations, 8 & 11 & 15 yr olds & adults, US vs India, 29630
cross cultural differences, simultaneous & successive processing, American & Hispanic college students, 10949
cross-episode thematic connections, comprehension & memory, college students, 19158
curriculum based on S. Ohlsson's enaction theory of thinking, gifted 3–10 yr olds, 28541
definite noun phrases & context, identification of anaphoric references, college students, Italy, 5454
definite vs indefinite reference & number of discourse referents, reading comprehension & time, college students, 282
definition & theorems of theory accounting for fuzzy beliefs & their transformation into linguistic domain & cognitive dissonance, 8195
degree of concurrent memory load & depressed vs nondepressed adjectives, efficiency & automaticity of self schema processing, female depressed vs nondepressed psychiatric patients, 14630
depth of processing & intentional vs incidental learning, memory for abstract & concrete items, 11001
depth of processing vs idea unit level vs text organization, proportion recalled vs estimated recall of prose text, college students, 325
development & correlates of automatic processing of social judgments, 14476
development of Handbook for Strategic Intelligence Analysis, analysis of cognitive skills involved in performing intelligence analysis, Army personnel, 31427
developmental patterns of preference for complexity & unknown & search strategies & questioning, mentally retarded 7–12 yr olds vs CA & MA matched normal children, 9470
differences in accuracy & response bias & latency to controlled vs automatic semantic priming, 18–24 vs 60–77 yr olds, 21692
differences in occurrence & semantic content of speech during self touching in medical interview, 21–76 yr old patients & physicians, 15236
different vs single cognitive tasks, mental work load & performance & work stress, 2625
differential sensitivity of humor ratings vs mirth responses to cognitive vs affective components of humor response, college students, 26369
difficulty of mental vs tracking task, changes in heart rate & Hoffmann reflex, 23–27 yr old students, 5730
dimensions of sociopolitical ideology & cognitive complexity & flexibility, high school students, application of authoritarian personality vs extremism vs context theory, 29745
discrete vs continuous models of temporal properties of information processing, humans, 8220
dissociation between judgments of facial affect & facial identity, right vs left hemisphere damaged patients, conference presentation, 17560
dissolution of text in written language, elderly female suffering from cerebral atrophy, implications for continuum in cognitive complexity, 1591
distributed models of cognitive processes in learning & memory, 16320
dominance of linguistic vs semantic organization, verbal information processing abilities, bilingual 13–18 yr olds, 3459
doubled cortisone dosage vs steroid withdrawal, visual-attentional functioning, 17–29 yr olds with congenital adrenal hyperplasia, 6892
dual code model & other theories of mental representation & psychoanalytic theory & interpretation, 4286
duration of stimulus luminance, visual information acquisition & short term memory, comments on model by G. Sperling, 29084
dysfunctional attitudes vs attributional biases during recent clinical remission, subsequent depressive symptomatology, 27–63 yr old depressed female psychiatric inpatients, 6-mo followup, 22111
ease in learning abstract category structures & specific types of knowledge used, college students, 21193

ECT, cognitive & behavioral deficits & focal left-sided body signs, depressed 62 yr old female, 6938
education & age & health status, rate of mental activity during training, 7647
education & learning information complexity & learner attributes, 18515
EEG activity patterns during falling asleep vs varied mental load, conference presentation, 3166
EEG correlates, information processing, acute & recovered patients with schizophrenia, 3872
effortful & automatic cognitive processes, depressed inpatients, 24707
ego identity & formal operations & egocentrism, 13–24 yr olds, 26935
elementary cognitive tasks, measurement of underlying cognitive processes & flexible thinking & individual differences in performance, college students, 26346
emotions, memory & cognitive processes, implications for understanding clinical depression, comments on research by L. Hasher et al, 13663
endarterectomy, cognitive & motor processes, patients with atherosclerotic occlusive disease, 18170
epistemology in study of cognitive processes, literature review, 315
EPs & hemispheric dysfunction during dichotic detection & syllable discrimination tasks, schizophrenic 19–43 yr olds, conference presentation, 6521
EPs during processing & writing of results of language & arithmetic tasks, left vs right handers, 5687
evaluation of compatible vs incompatible noise letters, RT & physiological responses, college students, implications for continuous flow model of human information processing, 13865
evaluation of instructional program to increase knowledge of sources of information, question-answering abilities, 6th graders with high vs low vs average reading ability, 15704
event & verb tense & presence of context, attribution of coreference of personal pronouns with verbs "to say" & "to ask," Ss with mean ages of 5.5 vs 7.0 vs 8.5 yrs, 6077
experimental design & methodological errors in empirical studies of neurolinguistic programing, implications for counseling, literature review, 8199
Expertise Transfer System computer program based on G. A. Kelly's personal construct psychology, 13254
explicit syntactical learning & judgment & nature of tacit knowledge & cognitive unconscious & abstractness, discussion of paper by D. E. Dulany et al, 3030
exposure to feared situation to reactivate memory, emotional processing of fear structure, implications for therapeutic practice & study of psychotherapy, 15090
external vs internal color-word relation in modified Stroop task, postcategorical filtering & selection stages & limited capacity processing, college students, 248
externally applied extremely low frequency electromagnetic fields, consolidation of complex narrative, college students, 13914
factor structure of tasks requiring mental rotations of 3-dimensional structures represented in diagrams, 14–17 yr olds, 863
factors that affect context formation & properties of context, college students, 13632
familiarity & cognitive factors, organization of social information & person perception in small group social situations, 21901
field dependence/independence & individual efficacy, formation of automatized sequences & attention to task-relevant material, female college students, 23605
forms of representation & process types in problem solving, 3017
free recall of food vs nonfood words, cognitive processing & obesity compliance effect, obese vs nonobese females, 6730
free-running temperature & sleep-wake cycles during temporal isolation of circadian rhythms, performance efficiency of serial search vs verbal reasoning vs manual dexterity tasks, 22–79 yr olds, 3191
Freud's model of primary process activity, implications for information theory, 10721
general dimensional vs situation-specific vs behavior-specific forms of relational knowledge, biases in memory for relational implications of remarks in conversations, college students, 21924
generation or construing of subjective quantities in psychophysics & scaling, 8044
generation vs read task, recognition & recall of sums from multiplication tables, college students, implications for L. A. McElroy & N. J. Slamencka's lexical-activation hypothesis, 303
genetic & environmental effects models, individual differences in intellectual development & cognitive processes, implications for intelligence measures & teaching strategies, conference presentation, 21710
geometric & topological categories, analysis of CNS structure & function & perceptual & cognitive systems as fibrations, 5362
Geriatric Evaluation by Relative's Rating Instrument, assessment of cognitive & social functioning & mood, patients over age 55 yrs with mental decline, 16174
hemisphere inhibition & release & performance on facial matching vs lexical task, 26 yr old female with drug-resistant left limbic status epilepticus, 20229
high & stable vs low & variable heart rate, social behavior & motivational involvement in cognitive tasks, 3 yr olds, 907
high vs low level proposition in text structure, oral vs silent reading rate & comprehension & cognitive processes, college students, 16324
Hiragana- vs Katakana-written word presentations, lexical decision RTs, nonnative vs native Japanese speakers, comments on model of Japanese Kana word processing by T. Hatta et al, 29098
illustrations & ability, literal vs inferential vs total comprehension of abstract vs concrete passages, 6th graders, Australia, 8767
imitation of modeled conservation vs cognitive conflict, conservation judgments & compensation arguments in observational learning situation, 11027
impact of ability to process multimodal & crossmodal information as measure of intelligence, dyslexia, 9430
impression formation vs empathetic vs cognitive task objectives & time delay, memory for action sequences, college students, 330
increase in associational-cognitive task demands, discrimination & recognition of emotional prosodic stimuli in semantically neutral phrases, right handed 39–79 yr old males with left vs right hemisphere brain damage, 12291
increased critical stimulus duration as episode vs vulnerability indicator in schizophrenia, reply to comments by R. D. Merritt & D. W. Balogh, 17395
individual differences in thought processes, prediction of treatment success in dynamic group therapy, 1832
influence of mental activity in development of physical reality, 7975
information & memorial processes, explanation & prediction of transfer-of-training effects, implications for military training, literature review, 5486
information about children's cognitive processes, expectations of children's ability, 18–25 yr old female college students, Italy, 29989
information evaluation & thought processes, longitudinal decision making, college students, 3035
information processing & emotional responses & anxiety, 22069
information processing biases, gambling behavior, implications for treatment, 22153
information processing brain functions assessed by auditory EPs & missing stimulus potential to pip sounds & music, autistic 16–25 yr olds, 24686
information processing capabilities & learning strategies & performances, athletic skills, 7780
information-processing explanation of behavior when monetary resource allocaton decisions meet with setbacks, college business school students as decision makers, 25997
information processing model, assessment of intellectual performance, learning disabled children, 9467
information processing model of effectiveness of job performance feedback, college students, 20860
information processing performance & susceptibility to external distraction, discourse failure, manic vs schizophrenic patients, 24645
information processing system & associated cognitive controls & strategies for academic achievement improvement, children with learning disabilities, 15843
information transfer from verbal to visual code, long & short term memory functioning on pictogram task, paranoid schizophrenic patients, 14604
informational content of lexical concepts & nature of their mental representation, 29108

innate vs acquired automatic information processing, 8–11.9 yr olds with attention deficit disorder with vs without hyperactivity vs reading disabilities, 30055
instructions & cognitive articulation, reduction of Mueller-Lyer illusion with repeated trial, 19–26 yr old female students, 19036
interaction between research in & theories of culture & cognitive sciences, 29081
interaction of operative & semantic & reflexive compartments in cognitive processes & performance, 8211
internal representation of environment & information source & amount & updating, visual sampling behavior, college students, 29087
intertask redundancy & spatial proximity of task displays & degree to which task displays constitute single object & resource demands, dual-task integrality, college students, 10922
item complexity & goal setting parameters of perceptual maze problem solving task, time spent in various phases of problem solving & relationship to personality, college students, UK, 17274
item repetition & priming between newly learned associates, activation decay functions, college students, 11018
kanji vs kana processing in oral reading vs reading comprehension vs lexical decision tasks, 46 yr old aphasic female with deep dyslexia, Japan, 1476
knowledge-based sciences, aiding & understanding decision making processes, cybernetic implications, 29103
knowledge of judgments made by others, perceptual judgment of figural size, 3692
language related neural activity, males with family history of alcoholism, 20057
lateral eye movement directionality, type of cognitive task, 16.3 yr old congenitally blind female with septo-optic dysplasia, 9541
learning tempo & plasticity & academic progress, 9–22 yr old students with IQs above 125, 7691
levels of processing perspective for memory research in counseling, 30901
literal & nonliteral meanings in comprehension of idioms, 23597
lithium, memory & recall, healthy 21–27 yr old college students, 21623
local-global vs literal-inferential multiple choice test questions, question answering strategies & use of knowledge sources in reading comprehension, 3rd graders, 10541
Marxian psychologist L. S. Vygotsky's theory of higher-level mental functions, 16066
mathematical cognition & process of making proofs, students, 4842
measurement of individual differences, visual vs verbal consumer information processing, college students, 7909
memory & use of schemata & social contextual interactions, language comprehension & production, male dyslexic school age children, 6679
memory accessibility & external information processing, brand choice, college students & clerical workers, 26054
memory scanning of 2 sets at once, comments on C. Ryan's criticism of article by W. Schneider & R. M. Shiffrin, 13617
memory vs nonmemory cuing content vs violation vs true-false instructions vs verbalization procedure, facilitation of P. C. Wason's 4-card selection task, college students, 26339
mental arithmetic vs color discrimination task with vs without noise, cardiovascular activity, college students, 21356
mental processing, efficient use of retrieval information from incomplete database, college students, 5131
mental rotation, detection of symmetry in relatively simple patterns, male college students, 10925
mental strain, psychophysiological tolerance to vibration, 3205
mental task-induced strain & its after effects in intermittent noise, plasma cortisol levels, 20–28 yr old males, 29343
mental workload & physiological responses of central nervous system & evoked cortical potentials, 5457
metacognition & cognitive monitoring & mathematical performance, 5455
metacontrast & paracontrast procedure, visual information processing & transfer, hypothetically schizotypic college students, 17387
method to assess transition times between head-up signal & vocal vs manual response to head-down display, senior staff officer pilots vs 20–36 yr old nonpilots, 16090
methylphenidate, stimulus & response processing assessed by RT & P300 latency, 30–39 yr old females, 16735
Mini-Mental State Examination, measure of mild cognitive dysfunction, patients assessed before & after coronary artery bypass surgery, comments on use of test in work by A. M. Freeman, 15261
mnemonic skills & schema building course, memory, 15712
model for interpretation of verbal predictions, college students, 291
model of cognitive mechanisms for number processing & calculation, patterns of number processing & calculation impairments, brain damaged patients, 6824
model of components of human information processing system, implications for client change in counseling, 30904
model of Japanese Kana word processing, reply to criticism by R. Okada, 29082
model of operation of human cognitive system in natural social context, 29116
mood & performance on cognitive tasks, summary of results of previous research, 332
mood states, memory & cognitive processes, literature review, 19105
motivational & emotional components of memory & attention & search processes, regulation of behavior, phobic patients, implications for treatment, 24719
motivational aspects of scholastic capacities & interests, development of cognitive processes, vocational students, 13038
motivational processes & expectancies, free recall & recognition & organization of learning material, 299
movement from overemphasis of domain-general cognitive processes to overemphasis of domain-specific knowledge, reply to criticism by R. J. Sternberg, 10963
moving-window procedure, identification of processes in text comprehension, readers, comments on study by K. F. Haberlandt & A. C. Graesser, 21147
multiple-resources model of information processing, right handed 18–22 yr olds, 19041
name codes vs physical features of noise letters, visual discrimination RT, college students, implications for discrete vs continuous information processing models, 253
nature of phonological processing in oral reading, patient with dyslexia, 4065
nature of thought processes, culturally deprived &/vs learning disabled 8–10 yr olds, 30319
negative priming effect & superimposed vs spatially separate Stroop color word list-reading task, selective attention & response inhibition, 18–50 yr olds, 29109
negatively vs positively affected words, processing & RT, college students, replication of R. Hoosain & C. E. Osgood's study, 16298
neuroleptic dose & tardive dyskinesia, attention & information processing & psychophysiology, 18–55 yr olds with chronic schizophrenia, 4535
neurolinguistic programing & use of sensory predicates during pleasant & unpleasant visual vs auditory vs kinesthetic tasks, 18–40 yr old right handed females, implications for counseling, 8203
neurological relationship between brain & thought processes, 5692
neuropsychological performance & positive vs negative symptoms, patients with schizophrenia, 11932
new publications in language & mind & brain, bibliography, 8217
noise, memory for sequential order & level of stimulus processing & use of verbal vs spatial cognitive strategy, college students, 23600
noise, psychomotor & memory & visual recall & cognitive task performance, Black 5 yr olds attending day care centers near elevated subway trains, 19604
normal aging vs senile dementia, cognition & affect, conference presentation, 753
normal bias vs response competition vs distractibility theories & processes & symptoms of thought disorder, 18–59 yr old psychiatric inpatients, 9320
novel vs familiar word pairs, stimulus seeking behavior, schizophrenic patients vs psychiatric aides, 3853
number of compatible condition-action rules, time of condition categorization, college students, 13631
ontogenesis of text production ability & development of postconcrete operational stages of cognitive & linguistic functioning, 862
operational thinking, 12–21 yr old volleyball players, 14177

oral vs iv dose of cocaine, information processing components of auditory event related potential, experienced infrequent cocaine users, 23983
organization of knowledge according to problem schemata, college students in physics who are good vs poor novice problem solvers, 29076
organization of words into ideas & ideas into spoken discourse, 38–60 yr old patients with positive vs negative symptom schizophrenia, 6467
organizational hierarchy & cognitive-motivational limits to processing, perception of work roles, college students posing as clerks vs managers, 14464
organized vs randomized statement & script use, recall, college students, 11019
partial model of abstraction in mathematics & science thought, 16286
passage containing predictable vs unpredictable target word from preceding context, memory & comprehension of text, college students, 314
perceptual fluency with word vs nonword stimuli, discrimination of old from new items, college students, 305
perceptual psychology & musical analysis, 5447
performance on comprehension & verb-choice & definition tasks, assessment of presuppositions of "know" & other cognitive verbs, 3 vs 4 vs 7 yr olds vs college students, 8685
personal efficacy & locus of control & perceived contingency of parental reinforcement in thought structures, depressive vs paranoid patients, 1365
personality traits vs cognitive functions, bioelectrical skin reactivity & heart rate during true vs false biofeedback, 32–73 yr olds after myocardial infarction, implications for predisposition to psychosomatic disease, 17687
phonetic low vs high semantic cognitive processing, psychophysiological correlates, college students, 8440
phonetic vs semantic thought processing, recognition, college students, implications of noise effects, Spain, 29121
phonological coding & inner speech & short term memory, patients who are dysarthric due to brain damage, 20113
physical exercise & confinement in nuclear submarine, cardiorespiratory fitness & cognitive performance, male Navy crew members, 5742
physical exercise, information processing & cognition, literature review, 21162
physical vs mental workloads, urinary norepinephrine & epinephrine excretion & fatigue, males, implications for stress prevention in high risk professions, 29335
Piagetian analysis of information processing using LOGO language on microcomputer, learning disabled children, implications for microcomputer use w h learning disabled students, 13063
pictures, voice frequency & RT measures of formulating single long sentences vs multiple short sentences, adults, 5964
postural regulation & spatial processing, college students, 13629
pragmatic vs syntactic reasoning schemas & different logic training procedures, selection task performance, college students, 29075
presentation of information about hypothetical danger, assessment of intended coping response as measure of information integration process in fear appeals, college students, 8228
presentation of simple colored shapes, determination of capacity to process compound stimulus information, 3 mo olds, test of L. B. Cohen's hypothesis, 19620
presentation of single words on card forming simple declarative sentences vs word strings, recall of words, 3rd grade skilled vs unskilled readers, replication of J. T. Glithrie & S. J. Tyler's study, 8709
presentation of time on clock faces vs digitally, calculation of time differences, college students, 5456
presentation of words in 1st vs 2nd languages, acoustic vs semantic coding in long term memory, 18–30 yr old Hindi- or Nyanja-English bilinguals, 5973
primary dehydration of 1 vs 2 vs 3 percent body weight deficits, mental functions of different complexities, heat acclimatized 21–24 yr old males, India, 29338
primary process cognition & hemispheric asymmetry, college students & adults in their 20's, 26513
priming across modalities & category levels, performance on word completion & category exemplar tasks, 39–74 yr olds with amnesia resulting from Korsakoff syndrome vs hypotensive episodes, 6782
priming effect & depth of automatic spreading activation in pronunciation vs lexical decision, college students, 29072
prior knowledge & elaborative processing, prose retention, college students, 297
processing of covariation between verbally described psychological characteristics & appearance of stimulus persons, college students & recent high school graduates, 13630
processing of preconsciously acquired information assessed by hemispheric asymmetry & selection accuracy, right handed female college students, 26335
programed concept training, performance on definition vs exemplification vs example identification questions, college students, 16287
programing of different movements during execution of other movement vs identical successive movements, finger movement choice RT in right &/vs left hand, 17–33 yr olds, 23523
programing simulations of cognitive processes, conference presentation, 18903
projective identification & therapeutic interaction, reflection process, psychotic patients, 4356
properties vs order of presentation of characters & events in narratives, referent assignments, college students, 8221
psychoanalytic theory & 3 principles of mental functioning & psychotherapeutic processes, adult male, 1819
psychological & cognitive & motor impairment, alcoholic individuals, 20059
psychological parallels in perceptual categorization, identification & selective adaptation of hues in color perception & auditory detectors for phonemic perception, college students, 13506
psychometric assessment of measures of scripts in consumer memory, schematics & aschematics, 5338
P300 component of event-related potentials during information processing, 29300
quiet classroom, development of thought processes in reading & arithmetic & art & play, children, 7666
random variability & Stroop phenomenon & cognitive processes & RT durations, implications for empirical verification of theory, 18917
ratings of metaphoric processing & relationship to theoretical models, college students, 19112
read only &/vs notetaking &/vs generation of paragraph summaries, comprehension & application & analysis & synthesis & evaluation of prose material, high vs low reading ability, college students, 28467
reading comprehension ability, use & awareness of strategies that can affect learning environment vs can be observed vs are internal, college students, implications for remediation, 15796
reading goal & availability & amount of required resource, text processing & recall, college students, 16317
reading speed vs comprehension & cognitive ability & performance on information vs linguistic processing tasks, female college students, 5469
referent cognitions framework, responses to relative deprivation, 16292
relational vs strategic vs empirical knowledge, capacity to differentiate metals, engineering trainees, implications for model of human information processing system, 3038
relationship between intelligence & personality & information processing, 8.5–10.5 yr olds, test of H. J. Eysenck's hypothesis, 16950
relevance of EEG power to cognitive performance, adult male volunteers living in controlled laboratory environment, 8416
repetition & levels & categorization & processing strategy, retention of technical text, college students, 29122
research needs & phenomena of decision making & operations, 8196
responsiveness to associative intrusions in verbal behavior, 1st degree relatives of schizophrenics, 22029
retrospective reports of event-frequency judgments & processing theory, college students, 23610
right vs left hemisphere, early visuospatial vs semantic processing & feature comparison in face recognition, 8408

right vs left hemispheric tasks & attention to environment vs internal processing, bilateral EEG recordings from frontal & parietal sites, adults, 21321
role of cholinergic system, memory & cognition, humans, literature review, 16405
role of cognitive strategy in spontaneity of trait attribution, college students, replication of procedures of L. Winter & J. S. Uleman, 13614
role of echoic memory processes in reading ability, school age & adolescent good vs poor readers with learning disabilities, 30333
role of explicit vs implicit material in information retention & recognition process, 7–14 yr olds, 831
role of gender related self schemata in interpretation of marital interaction, female vs male 20–50 yr olds, 19770
role of hippocampus & prefrontal cortex in information coding of temporal attributes, humans & animals, 16411
role of human information processing in public affairs, 23599
role of knowledge & general thinking-skills education, comments on work by R. Glaser, 10952
roles of automatic & strategic processing, superordinate & property frequency, college students, 13648
routine care only vs routine care with minimally vs maximally informative booklets, cognitive variables & stress, minor gynecological surgery female patients, 28077
scopolamine vs age & stimulus complexity, information processing time measured by RT & latency of P300 component of event related EP, 19–33 yr old females, 8525
screening checklist, assessment of organizational & sequencing difficulties, learning disabled students, 2567
script context in reading, word recognition in lexical decision making, college students, 5474
selective attention & tone duration & pitch, aptitude-related differences in auditory information processing, high vs low ability college students, 10945
selective processing of threat cues, generalized anxiety, anxious outpatients, 3883
self direction techniques, development of independent thinking, gifted students, 28534
self observation in different states of mind & mood, 19181
self schema & listening to stories with Black vs White vs animal characters, recall, Black 6–7 yr olds, 21733
semantic & evaluative & self referent orienting tasks, memory & cognitive effort & somatovisceral effects, female college students, 19098
semantic vs phonological processing skills, deep dyslexic-type errors in word recognition responses, 7–8.8 yr olds with severe reading disabilities, 6694
semantically related vs unrelated sentence context conditions, recognition of open vs closed lexical vs obligatory prepositions vs verb particles, college students vs patients with Broca's aphasia, 9534
semantics, processes, memory development, 29614
sensitivity to "fantasmatic" world of environment as constituted by heterogeneous & symmetrical interaction processes, infants, 8675
sentence constraint & cue validity, processing of expected vs unexpected congruous sentence completions, adults, 5473
sentence processing abilities, conduction aphasic female, 27557
shift from domain-general processes to domain-specific knowledge in cognitive psychology, comments on work of R. Glaser, 10983
sign presentation factors & driver characteristics, road sign perception & registration, drivers, 31395
signal-to-noise ratio of neural representations of visual stimuli, 18–36 vs 60–76 yr olds, 16951
simple vs complex audio &/vs visual messages, processing costs in TV viewing, college students, conference presentation, 26353
simultaneous allocation of attention to several locations in visual display, college students, 13550
simultaneous percepts & fusion responses & contamination by influence in contaminated responses on Rorschach, 1803
simultaneous-successive syntheses & planning of cognitive processing constructs, 4th vs 6th graders, Hong Kong, 6071
single-digit addition & multiplication problems, automaticity & autonomy of mathematical processes, college students, 21167
smoking & distraction, sensory & slow cortical EPs during task performance, female adults, 26691
social & behavioral consequences of alcohol consumption & expectancy, meta-analysis, 21528
social cognition & promotion of defensive projection, college students, 19818
social relations & cognitive processes in creation & improvisation of puppet shows, 3 yr olds in pairs, conference presentation, 8905
solvent abuse, memory & intelligence & attention, 15 yr old male offenders, 12034
spatial ability, speed vs accuracy of mental rotation processing of familiar vs unfamiliar alphanumeric stimuli, college students, 236
specific vs general objectives & target information high vs low in content structure of text, secondary task RT & reading time & free recall, college students, 10954
speech errors as way of understanding fundamental aspects of cognitive processing of language, college students, 29106
speech rate & length of material & linguistic structure, speed of processing, 18–22 vs 65–73 yr olds, 21675
speed of cognitive processing performance & intelligence, high- vs intermediate- vs low-mental ability Ss, 16303
speed of feature extraction processing in visual system, 19–30 yr olds, 16255
speed of information processing, academically gifted 7th graders, 23001
stability & proficiency of simultaneous-successive processing, college students vs aged, 8714
state dependent nature of auditory brain stem potentials, 525
stationary memory content & procedural cognitive processes & work of H. Ebbinghaus, 23606
statistics course, form & structure of cognitive organization of statistical concepts, college students, 12971
stimulus response modalities as confounding factors in interpretation of measurement of successive & simultaneous styles of information processing, children, clinical & research implications, 28925
strategies for encoding new vs old information, autistic 4.7–14.8 yr old males, 3887
strategies for serial order recall of items in texts, high school students, 8730
structural constituents of sentence completion test items, processing procedures & skill components in verbal comprehension, 6th graders & college students, Israel, 23465
structural vs semantic vs self reference processing strategies, performance on decision & retention & recognition tasks following pictorial advertisements, 5453
structure of lexicon & lexical accessing, implications for computer models of language & perception & comprehension, 2827
study of construction of local knowledge, organization of constructivism during ontogeny, conference presentation, 8686
subliminal psychodynamic activation, cognitive measures of pathology, schizophrenic 21–59 yr olds, replication & criticism of study by L. H. Silverman et al, 11992
successive processing & sequential memory of English language, deaf students, implications for development of speech & reading, 20768
superiority of realistic models in providing representations of rational decision procedures, 8201
superordinate vs subordinate mathemagenic postquestions, cognitive capacity engagement during reading task & subsequent performance on recall posttest, college students, 20671
suppression of subvocal speech, text processing during auditory vs visual presentation, 6th graders, 16952
syntax & grammatical relations hierarchy of noun phrases & conceptual accessibility, sentence formulation, college students, 29073
task & expectancy & information assessment, information utility expectations, graduate students, 23621
task demand characteristics & interchange of conceptual & inferential knowledge, 23618
teaching methods for development of organizational skills, learning disabled students, 13112
temazepam vs nitrazepam, mental processes regulating RT skills, college students, 646
testing procedure, eye movements indicative of information processing, college students, 7752

theoretical analysis of J. Dewey's theory of reflective thought, implications for social studies education & cognitive & social psychology, 25801
theoretical approaches to judgment of causation in science & everyday inference, literature review, 13622
theoretical representation of knowledge states concerning body of information, 10646
theory & methodology of channels & stages in information processing, humans, 21155
theory involving arraylike neural areas as seats for short-term data structures, implications for short-term information processing & visual imagery, 8188
therapeutic generalization & scientific metaphor, modification of cognitive behavior, 4446
thought & schema complexity, attitude polarization, college students, support for work of P. W. Linville & A. Tesser & C. Leone, 29090
thought emphasis on affective vs cognitive component of attitude, consummatory vs instrumental behavior, college students, 29089
training in monitoring utility of cognitive strategies vs strategy affect, maintenance of effective strategy, 2nd graders, 15653
training in paying attention vs self instruction with modeling, modification of cognitive impulsivity, 9 yr olds, Mexico, 30697
training variables & post race performance & self efficacy & cognitive strategy use, marathon finishing time, runners, 23151
transactional-cognitive model of intelligence, comments on paper by H. C. Haywood & H. N. Switzky, 21705
transactional-cognitive model of intelligence, reply to criticisms by C. R. Reynolds & by F. M. Gresham, 21709
translational model with parallel processing systems vs centralized processing stations, measurement of Stroop interference, college students, 26355
transmission of more information, improvement of problem solving & recall & use of long term memory, normal vs hearing impaired children, 27598
Type A vs Type B self schemata, speed of processing & memory interference, college students, 27212
type of & intermittent vs continuous noise, semantic processing & syntactic reasoning, 16–19 yr olds & college students, 5475
typicality of use of differing conceptual systems, 21–25 yr old Open Univeristy students, Northern Ireland, 13053
unilateral vs bilateral low-dosage ECT, threshold increase over treatment course & alterations in cerebral blood flow & orientation & verbal & nonverbal task performance, depressed patients, 6951
unitization process & word length effect in word superiority paradigm & prediction, 8204
unrestrained recall of acquaintances & subsequent categorization, computerized model of recall process, college students, 274
use of cognitive/cortical processes during self induction of emotional arousal, objective subjective arousal discrepancy in Type A individuals, college students, 27187
use of discounting heuristic in cognitive processing of social information in reward vs non-reward condition, kindergartners vs 2nd vs 4th graders, comments on methodology of research by C. J. Dahlenberg et al, 29603
use of hierarchical vs nonhierarchical models of attitude in social science literature, 2859
value of cognitive simulation models in terms of specifying theory & accounting for empirical data, conference presentation, 18877
verbal & modality-specific coding in tactual-to-visual & visual-to-visual matches, 7–8 yr olds vs 20–28 yr olds, 19610
verbal analytic & nonverbal holistic functioning, male prisoners with affective disorder, 17409
verbal rehearsal & short term memory for lists of pictorial items, capacity for items & order information & semantic organization & nonlist intrusions, language disordered 7.5–12.8 yr olds, 12227
verbal RT to presence vs absence of target letter in various size arrays as measure of utilization of Gestalt grouping principles, 20 vs 69 yr olds, 21701
video game vs stressful mental arithmetic task vs isotonic exercise, heart rate & oxygen consumption, male 18–30 yr olds, 13875
views of A. R. Luria on cerebral localization of psychic functions, 3155
visual & phonological & naming processes & context & memory & comprehension strategies as possible causes of reading failure, conference presentation, 9465
visual feedback, hemispheric alpha asymmetries & processing strategies, right handed 29 yr old male, 515
visual information processing deficits, 18–52 yr olds with chronic schizophrenia, 11955
visual movements during information processing of ambiguous Arabic sentences, Arabic-speaking college students, 8452
visual presentation of words in sentence construction task, eye movements during processing, aphasic 48.1–75.1 yr olds, 12189
visual search for object surrounded by objects of similar shape or color, analysis of color & shape confusions that affect task difficulty, 3–5 yr olds & children with mean ages of 6.9 vs 9.8 yrs old, 19618
visual word recognition model combining word identities & visual features with retinal & spatial & word- & sentence-centered coordinate systems, 29091
visually vs nominally vs semantically based matching processes assessed through primary effects in semantic matching task, college students, 29114
voluntary attention vs involuntary processes occuring without awareness, danger information processing, anxious vs nonanxious individuals, 24678
word & sentence & text level processing & word reading times, text comprehension, college students, 13625
word context, word naming & lexical decision, college students, 13619
word relevancy & display load, physical & semantic & controlled processing of nontargets in visual target detection task, college students, 10959
work environment & overload & supervisor style as work stressors, cognitive appraisal processes & coping strategies, 15–18 yr olds, 16891
2-7-8 MMPI code type & visual information processing, schizotaxia, college students, 24687
3-stage model, serial processing in metaphor comprehension, college students, 23604
4-component heuristic model of skilled behavior of transcription typing, 21057

Cognitive Psychology

Academic Intervention Program, application of cognitive brain research & therapy to total high school learning situation, 15615
anthropomorphism from psychoanalytic & cognitive psychology & philosophy of science points of view, 20945
application of cognitive psychology of studying principles, individual-centered study counseling, 28651
application of mental imagery self reports within operationistic framework of cognitive psychology, 19120
BASIC computer assisted instruction, teaching experimental cognitive psychology, 15701
cognitive based curriculum for teacher education derived from D. Ausubel's assimilation theory, 4825
cognitive behavioral theory, sensory & psychological pain, comments & reply to comments of various authors, 13509
cognitive psychology approach to formal analysis of user complexity of interactive systems or devices, 2697
cognitive revolution & neuro- & computer sciences, resurgence of mind/brain relationship & study, 23350
cognitive science & neuroscience & model of information processing, schizophrenic thought processes, application of brain EP, conference presentation, 30198
connectivist & parallel-distributed-processing models from cognitive vs associationist traditions, 23593
contributions of J. B. Watson to behavioral psychology & experiments with sexual arousal, 18842
coverage of psychology in introductory educational psychology textbooks, 4845
criticism of cognitive psychology & need to return to behavioral science, 20947
current trends in cognitive psychology, USSR, 16302
development of cognitive psychology as distinct from behaviorism & psychoanalysis, 16078
developments in cognitive psychology, assessment of advanced intellectual giftedness, preschool children, 28582

historical perspective on cognitive vs psychoanalytic unconscious, 13299
interaction between research in & theories of culture & cognitive sciences, 29081
interdisciplinary research efforts, cognitive psychologists & survey researchers, 80
methodological analysis, imagery studies in cognitive psychology, 13646
modularity theory, application to cognitive psychology, comments & reply to comments by various authors, 13306
movement from overemphasis of domain-general cognitive processes to overemphasis of domain-specific knowledge, reply to criticism by R. J. Sternberg, 10963
myths about W. Wundt's contributions to experimental cognitive psychology, 37
need for responsibility & foresight in application of cognitive sciences to scientific & social problems, 23594
nomothetic vs idiographic approaches, acquisition of knowledge about mental phenomena, 29104
origin of homunculus in psychology & behaviorism & cognitive psychology, 58
reformulation of object relations theory in cognitive terms, 6418
role of cognition & altered states of consciousness as symbolization in cognitive psychology, 8268
shift from domain-general processes to domain-specific knowledge in cognitive psychology, comments on work of R. Glaser, 10983
theory of affect & underlying motivational systems, role in cognitive psychology & development & psychoanalysis, 5206
theory of sense perception of W. Wundt, 8180
visual vs verbal vs visuo-verbal tasks, distinction of optic aphasia for color & color agnosia, elderly vascular brain damaged patients, 4103

Cognitive Rehabilitation

activity therapy, cognitive deficits & character pathology, cognitively impaired psychiatric patients, 18301
cognitive rehabilitation, bibliography, 4682
cognitive retraining, stroke & traumatic head injured patients, annotated bibliography, 15424
computer software program for personal microcomputer, cognitive rehabilitation of upper extremity motor control refinement, illustration of 16 yr old accident victim, 15437
computers in cognitive retraining, implications for head injury rehabilitation, 15349
family education & cognitive rehabilitation, head injury patients, 31003
family like cognitive & psychosocial rehabilitation in rural setting, head injured patients, 28212
family therapy & attention & organization & mnemonic & imagery techniques in outpatient cognitive rehabilitation, family members & head injured patients, 30983
hospital program for functional cognitive training, head injured patients, 15371
interdisciplinary cognitive rehabilitation & reentry therapy program, head injured outpatients, 28209
interdisciplinary postmedical cognitive rehabilitation, psychosocial adjustment & prevocational training & cognitive remediation, severely brain injured patients, 28214
memory training strategies, 52 & 56 & 60 yr old males with amnesic disorder, 15094
outpatient program for cognitive & social skills retraining, head trauma patients, 30984
role in implementation of cognitive & behavioral rehabilitation interventions for patients with cortical dysfunction deficits, neuropsychologists, literature review, 12747
simulation training of motor vehicle operation, generalization of cognitive & behavioral aspects of complex functional tasks, brain injured individuals, 7466
use of microcomputer, improvement of intellectual impairment, brain damaged patients, 4685
utilization of R. Feuerstein et al's model in cognitive rehabilitation, head injured patients, 15419

Cognitive Restructuring

cognitive restructuring & relaxation & social skills training in group stress management program, implications for social work practice, 1901
cognitive restructuring in marital therapy, marital satisfaction & modification of unrealistic beliefs, married couples, 17934
cognitive restructuring program, effective management & prioritizing commitments, females re-entering college, 25907
cognitive restructuring techniques &/vs relationship enhancement program, differentiation of self from spouse, married couples, 12450
cognitive restructuring vs problem solving vs nondirective group psychotherapy, hopelessness & recorded suicidal intention, psychiatric inpatients admitted for suicide attempts, 4393
coping vs restructuring treatment, test anxiety & irrational beliefs & thoughts 1 hr before exam, test-anxious college students, 22478
emotional & cognitive rehearsal procedures in rational-emotive imagery, assertiveness, nonassertive college students, 4454
graded exposure in vivo & cognitive restructuring, 23 yr old female with scriptophobia, case report, 27888
hypnotic regression & reframing, 30 & 38 yr old females with insect phobia, 6933
reframing cognitive hypnotherapy techniques, young professional female with acute anxiety, 18132
regulated breathing with systematic desensitization & cognitive restructuring, communication attitudes & irrational beliefs & self efficacy perception & self reported improvement, 18–36 yr old stutterers, 1- & 6-mo followup, 25343
spacial ability vs cognitive restructuring vs reading comprehension, mathematical problem-solving performance, 3rd–7th graders, 28493
speech & psychological reconstruction, relapse of stuttering, adult stutterers who achieved fluent speech, 12610
verbal cognitive restructuring with vs without exposure & vomit prevention, binge eating & vomiting & weight & psychopathology, females with bulimia nervosa, 1-yr followup., 27750

Cognitive Style [See Also Cognitive Complexity, Conceptual Tempo, Field Dependence, Impulsiveness]

ability to make strategy transformations in simple arithmetic tasks, learning disabled adolescents, 2545
academic expectations & learning preferences, Latin American vs Anglo American college students, implications for instruction, 25853
Academic Intervention Program, application of cognitive brain research & therapy to total high school learning situation, 15615
acquiescent response style, Kirton Adaption-Innovation Inventory's identification of individual problem solving styles, college students, 28953
age & level of causal reasoning & cognitive style, prediction of comprehension of safety & prevention, 3.2–8.9 yr olds, 26817
application of cognitive neuroscience & learning style research in preservice teacher education, 15610
body temperature & performance, morning vs evening type male workers, conference presentation, 29336
cognitive processes of members vs organizational structures, organization performance, graduate business students, 5124
cognitive reading strategies, bilingual vs monolingual 3rd & 5th graders, 23016
cognitive style & counselor credibility, attitudes toward Rational-Emotive Therapy session, college students classified as thinking vs feeling types, 22509
cognitive style & decision environment & traditional risk measures, risk perception, senior level management majors & graduate business students, 15980
cognitive style & field dependence-independence, reading comprehension, students, comments on study by M. M. Pitts & B. Thompson, 10455
cognitive style dimensions, probabilistic thinking on assessment & prediction tasks, 8224
cognitive style, marital interaction patterns, spouses, 6239
cognitive style, reading comprehension test performance, profoundly hearing impaired students, 9520
cognitive style vs eidetic imagery constructs, implications for educational & clinical psychology, 3754
cognitive vs social rigidity & intelligence & personal adjustment & evaluation of social problem solving skills training program, 60.9–88 yr olds, 24091
comparison of measures of cognitive styles associated with depression, college students, 2875

construction & validation of Objectivism Scale, assessment of individual differences in use of empirical data & rationality in judgments & beliefs, college & graduate psychology students, 23450
decision making styles, career indecision, college students, 18556
deep-elaborative vs shallow-reiterative cognitive processing & verbal behavior during counseling, college student clients, 27814
degree of acculturation & cognitive style, performance on verbal & nonverbal intelligence tests, Anglo vs Mexican American 4th–5th vs 8th vs 12th graders vs college students, 14157
depressive self schemas & current mood & information processing, risk for depression, college students, 4-mo longitudinal study, 11803
depth of processing & intentional vs incidental learning, memory for abstract & concrete items, 11001
discourse ability & cultural influences on classroom communication & cognitive schema, development of literacy in English, bilingual Hispanic & minority group children, review of research, 21696
educational & vocational interests, 8th graders with verbal vs figurative cognitive style, 6099
error analysis of items on Group Embedded Figures Test, measurement of cognitive style in perceptual tasks, 12–15 yr olds, 152
experiential & individual learning styles model of D. A. Kolb, curriculum planning & implementation & evaluation in counseling-related services, trainers & students & counselors & clients, 12702
factor structure of formal dynamic cognitive characteristics & verbal & nonverbal signaling, 16–34 yr olds, 5465
field dependent vs independent cognitive style, daily & weekly fluctuations in performance on verb conjugation vs perceptual vs mathematical tasks, 11 yr olds, 2441
importance of assessing cognitive ability & consequences of cognitive style for therapy, male & female medical patients, 17894
individual differences & personality factors, learning styles, community college students, 15739
individual differences in human information processing styles & strategies during problem solving & decision making, implications for man-machine systems, 26351
internal consistency reliability & convergent validity of Stress Processing Report, measurement of stressful thinking styles & psychological & physiological symptoms, respondents, 23421
job knowledge of ratee familiarity, conceptual similarity schemata & rating & true score covariance & halo error in rating baseball player's performance, college students, 18734
learning preferences & educational & personal values, college & graduate occupational therapy students at beginning of education vs while on affiliation vs 1st vs 2nd semester college & graduate students, 25616
learning style & preference for computer assisted instruction, academic achievement, college students, 4877
learning style, preference for experiential vs rational vs behavioral vs client-centered counseling approach, clients, 4636
learning style, preferences for programed instruction vs independent study, gifted vs above average 6th–8th graders in rural schools, 28570
learning style vs IQ, prediction of mental capabilities, young children, 31240
measurement of cognitive styles, bibliography, 14482
National Association of Secondary School Principals task force, assessment of learning style, 15910
neurolinguistic programing technique called anchoring, mathematics anxiety, learning disabled male 6th grader, 13115
new model for counseling for individual learning styles, 12693
observational behavior modes, performance on cognitive tasks, college science students, Japan, 28485
overtraining, test performance on intermediate-size transportation vs redundant-oddity tasks, kindergartners, 16959
perceptual learning style, adults aged 20–49 vs 50 yrs & older, 26825
permission schema, deductive reasoning, college students, 8193
person-centered cognitive perceptual style vs inanimate thing-centered style, level of need for treatment, drug addicts in drug free therapeutic community vs methadone maintenance program, 31024
personality variables & learning style according to hemispheric dominance, 9–14 yr old gifted students, 28544
preference for learning style, female vs male freshmen vs senior college students, extension of D. Kolb's learning styles research, 10410
preferential thinking styles with scientific concepts, English vs Hindi speaking 7th–10th graders, India vs Tasmania, 25820
psychological mindedness, professional & personal life, psychotherapists, 4750
rape & cultural myths & cognitive styles & self monitoring levels, marital therapy, rape victims & their husbands, 12437
reliability & construct validity of learning style questionnaire, college students, 23458
reliability & construct validity of semantic differential format of Learning Style Inventory, undergraduate nursing students, 15919
self report scores from brain dominance survey & Your Style of Learning & Thinking vs SAT scores vs GPA, female college students, 15926
sex role orientation, prediction of preferential cognitive response style, male & female college students, 17273
Singer-Loomis Inventory of Personality, test of cognitive style on basis of perception of environment & behavior using Jungian typologies, adults, 5337
spatial thinking operation types, determination of relative location of figures in space vs relationship between elements of single figure, college students, 5462
study of text using own vs facts vs comprehension learning strategy, test performance, 7th graders, 2439
successive visual discrimination tasks, measurement of cognitive styles of reflection & impulsivity, mentally retarded students, 27480
theory-to-application vs application-to-theory sequence of biochemistry instruction, cognitive preferences & ability to recall contents of instruction, preclinical medical students, 4732
transformational mnemonic strategies for learning, gifted students, 28572
validity of Sensing-Intuition & Thinking-Feeling scales of Myers Briggs Type Indicator as measure of cognitive style, employed students in business administration, implications for management personnel, 21015
variety of tasks & cognitive style, effectiveness of alternative information presentation on CRT, 2701

Cognitive Techniques [See Also Cognitive Restructuring, Cognitive Therapy, Self Instructional Training]
acquisition & evaluation & generalization of cognitive behavioral modification procedures in academic skill areas, nonhandicapped & educable mentally handicapped & learning disabled children, 4972
additive contributions of problem solving component skills, production of effective solutions, 27–61 yr old male inpatients enrolled in alcoholism treatment, 4715
arborescent covert representation technique vs hypothetico-deductive operations, decision making skills, 20–60 yr olds, 20364
attention control vs cognitive training &/vs methylphenidate vs dextroamphetamine vs pemoline therapy, academic performance & classroom behavior, 6–12 yr olds with attention deficit disorder with hyperactivity, 7151
attribution retraining, achievement behavior & motivation, students, 4865
booklet vs oral method of teaching cognitive control of anxiety in preparation for hysterectomy, pain & distress & length of hospital stay, 30–55 yr old females, 10125
brief situation-specific group-administered preparatory intervention for mass inoculation, 6th grade females, 15240
cognitive-affective reactions vs behavioral reactions, improvement of self esteem, college students, 3015
cognitive behavior modification vs direct instruction vs holistic approaches in special education, learning disabled students, 25876
cognitive-behavioral methods & psychological skills, sports performance, athletes, Portugal, 7778
cognitive-behavioral techniques, personal responsibility for health-promoting behaviors, aged, 4420
cognitive behavioral training program, coping skills & free throw shooting, male college basketball players, 4427

cognitive intervention with A. A. Lazarus's BASIC ID approach to psychodiagnosis, counseling implications, 10052
cognitive model for stress management workshop, working couples, 30673
cognitive model of depression & mood induction procedures, reply to criticism of J. H. Riskind & W. S Rholes, 9822
cognitive strategies & instructional set information & practical responding to test suggestions, modification of hypnotic susceptibility, college students of high vs low susceptibility, 21207
cognitive theory of depression & mood induction procedures, criticism of D. M. Clark's study, 9858
cognitive training & psychodynamic therapy & cognitive & dynamic intervention, attention deficit disorder, 27833
cue-evoked relaxation therapy with cognitive modification & diaphragmatic breathing techniques, airsickness, 20–25 yr old student pilots, 4422
defensive pessimistic vs optimistic cognitive strategies, attributions in performance on anagram task, college students, 29095
didactic information & relaxation training & cognitive behavioral techniques, self concept & attitudes toward illness, 37–61 yr old female pain patients in outpatient pain management program, 27911
esteem related feedback, mood & self efficacy & attribution of success, college students, 4443
flooding & coping skills training, reduction of fear & avoidance of dental treatment, 17–51 yr old dental phobics, 4-mo followup, 1877
generic advance instructions about how to learn classification task, facilitation of learning specific classification task, Navy enlisted personnel, 29127
imaginal vs cognitive treatment, cognitively- vs imaginally-induced dysphoria, college students, 27901
imagining pleasant memory followed by horrible incident followed by pleasant memory, interruption of depressed feelings, 15012
initial assertion & cognitive self control skills, response to assertion training & cognitive self control treatment, depressed females, 22505
instructions to increase pleasant events with vs without cognitive focus on event pleasantness, depressed mood, college students, 20343
instrumental enrichment program, cognitive & metacognitive processes, mildly retarded adolescents, New Zealand, 4943
interpersonal cognitive problem solving training, solving interpersonal problems & classroom behavior, low income preschoolers in rural Head Start program, replication of study by M. B. Shure, 12954
issues in cognitive behavioral assessment, children, 2817
logical status of metacognitive training from cognitive behaviorism standpoint, 4453
metacognitive strategy for teaching inferential comprehension, 4th–6th graders, 28449
modeling vs coaching vs treatment packages vs social problem solving cognitive behavioral procedures, social skills, children, literature review, 4425
mood induction procedure & cognitive manipulation, reply to comments by D. M. Clark, 9857
need for further research on acquisition & therapeutic utility of metacognitive abilities, children with learning difficulties, 4072
nursing care & cognitive mediation & interventions, depressed patients, 20350
physical knowledge vs Euclidean reference training, concept of horizontality, female college students who failed Piagetian water-level task, 21682
pragmatic vs syntactic reasoning schemas & different logic training procedures, selection task performance, college students, 29075
progressive relaxation & thermal biofeedback & cognitive strategies & self hypnosis & self management skills, pain, 22–35 yr old patients with sickle cell disease, 20369
psychological simulation of task & mental training methods vs training-by-doing, safe training method, machine plant trainees, 25965
rational behavior therapy, self efficacy, retirees, 14981
reframing techniques, application to organizational management, case examples, 23236
relaxation & cognitive rehearsal, anxiety levels & underwater diving performance, beginning SCUBA students, 22491
resistance to persuasion skills training & sex, identification of use of resistance to peer pressure, 6th grade students, implications for school health education, 25770
self coping cognitive treatment, test anxiety, college students, 15892
self reported attitudes & behaviors during weight maintenance vs loss vs gain, former clients of cognitive-behavioral program for obesity who lost 15 or more pounds, 6–10 yr followup, 18013
simple & relaxation & cognitive tasks, 8–10 yr old males with psychomotor dysfunctions, extension of cardiac component analysis technique, conference presentation, 20339
social & cognitive skills training, coping ability & parenting skills, pregnant or parenting 14–19 yr olds, 25210
statistical reasoning training, thinking about & solving everyday problems, adults & high school & college students, 29079
therapeutic generalization & scientific metaphor, modification of cognitive behavior, 4446
training in general orientation &/vs problem definition &/vs generation of alternatives &/vs decision making, problem solving behavior, graduate counseling students, 19099
training in question generation, reading comprehension & quality & form of generated questions & accuracy of predicted comprehension, 6th graders, 31179
use of cognitive reinterpretation of anxiety in hypnotic induction, 30 yr old male actor & 22 yr old female rape victim, 18125
variations of thought stopping treatment, self reported worry cognitions in testing situation, college students screened as highest-cognitive worriers, 25222

Cognitive Therapy

affective vs cognitive-behavioral counseling, resolution of intrapersonal conflicts related to decision, 16–72 yr olds, 14927
ancillary cognitive & behavioral techniques with paradoxical intention, anxiety & depression & travel restrictions, 22–61 yr old agoraphobic clients, 17995
attributional training, 9829
biofeedback & relaxation & cognitive skills training as multimodal adjunct therapy, anger control & behavior modification, hospitalized 13–18 yr olds, 28139
brief group treatment with hypnotic & cognitive & behavioral interventions, maintenance of smoking cessation, 21–67 yr olds, 12772
client characteristics & psychotherapeutic relationship & technique, mood changes in cognitive therapy, 19–60 yr old depressed & anxious patients, conference presentation, 9854
clinical characteristics & comprehensive behavioral management program, complex tinnitus, depressed male musician, 20344
clinical models of attributional consequences & cognitive & rational-emotive therapy, 20301
cognitive & behavioral approach to assessment & treatment, anxiety problems, mildly retarded 16 yr old White & 21 yr old Black females, 1872
cognitive &/vs behavioral approaches, weight reduction & maintenance, 22–55 yr old females at least 10 percent overweight, 5- & 7-mo followups, 30682
cognitive-behavior therapy booster sessions, relapse, 20–62 yr old depressed patients, 4408
cognitive behavior therapy, children with hyperactivity/attention deficit disorder, 4458
cognitive behavior therapy vs behavior therapy vs group psychotherapy, bulimia, 16–42 yr old females, conference presentation, 25045
cognitive behavior therapy vs short term focal psychotherapy, eating habits & severity of neurotic symptoms, bulimic patients, conference presentation, 25042
cognitive-behavioral & conjoint therapy techniques, bingeing & vomiting patterns, 15–35 yr old female bulimic clients, 18-mo followup, 25231
cognitive behavioral analysis, obsessive compulsive disorders, 4449
cognitive behavioral approach, social skills learning, 16–50 yr old psychiatric in- & outpatients, 12537
cognitive behavioral group treatment, 17–51 yr old females reporting self induced vomiting episodes, 1896
cognitive behavioral model of psychopathology & interventions, children, 3787
cognitive-behavioral model of treatment, anorexia nervosa & bulimia nervosa, 25233

cognitive-behavioral modification, obesity, conference presentation, 4445
cognitive-behavioral perspective, client-therapist relationship in counseling & psychotherapy, comment on view of C. J. Gelso & J. A. Carter, 9699
cognitive-behavioral perspective for assessment & treatment of eating disorders, 25228
cognitive behavioral psychotherapy, outpatients, 27926
cognitive behavioral psychotherapy, patients with obsessive neurosis, 27906
cognitive behavioral skills training, depression & social integration & self management & child abuse, 17 yr old depressed maltreating mother, case report, 27881
cognitive behavioral techniques in group anger control training, aggressive behavior, 13–17 yr old male psychiatric inpatients, 18249
cognitive-behavioral therapy, children & adolescents & elderly & patients with eating disorders, implications for counselors, 1894
cognitive behavioral therapy vs relapse prevention treatment, maintenance of reduced levels of self criticism, 22–59 yr old females, 9814
cognitive-behavioral therapy, 29 yr old female with multiple personality, 15083
cognitive-behavioral treatment, motivational deficits, 4409
cognitive behavioral treatments, clinical & behavioral & physiological outcomes, 23–63 yr olds with severe & chronic agoraphobia with panic attacks, 12523
cognitive-behavioral vs supportive-insight group counseling, 23–36 yr old divorced females, 4-mo followup, 27857
cognitive group therapy, behavior change through monitoring complaints, clients with psychophysiological disorders, 12470
cognitive model of depression & mood induction procedures, reply to criticism of J. H. Riskind & W. S Rholes, 9822
cognitive psychological framework, understanding & treatment of chronic pain, 1873
cognitive theory of depression & mood induction procedures, criticism of D. M. Clark's study, 9858
cognitive therapy & behavior modification, psychophysiological complaints, children, 20372
cognitive therapy &/vs nortriptyline, depression, 18–60 yr old patients, 1- & 6-mo & 1-yr followups, 12346
cognitive therapy, decision making, depressed male, 4-mo followup, 17824
cognitive therapy, depression, adult outpatients with affective disorders, comments on study by J. L. Steuer et al, 12531
cognitive therapy, psychiatric depression, 21 yr old female in inpatient therapeutic community, 25473
cognitive therapy vs psychodynamic approach, depression, reply to comments by J. H. Riskind et al, 12524
cognitive therapy, 33 yr old female with obsessive compulsive disorder, 22506
cognitive training interventions, medicated vs unmedicated 5–16 yr old hyperactive children, literature review, 9811
cognitive vs relaxation training group treatment program, treatment outcomes, cognitive vs noncognitive agoraphobic responders who were matched vs unmatched for mode of treatment, 27726
cognitive/behavioral therapy & pharmacotherapy & short term hospitalization, depression, drug-refractory chronically depressed psychiatric inpatients, 25504
combined behavior & cognitive & family systems & Gestalt therapies & logotherapy, agoraphobia, adult Ss, 25100
conjoint behavioral marital vs individual cognitive therapy, depression & marital discord, 23–50 yr old couples in which wife has diagnosis of unipolar major affective disorder without psychotic symptoms, 15079
construct validity of cognitive vs behavioral treatments, depression, clients at college counseling center, 15108
criticism of theoretical bases of cognitive-behavioral theories & therapy, literature review, 22479
current cognitive & behavioral approaches to weight control, Ss who lost at least 15 pounds in cognitive-behavioral obesity treatment program, 6–10 yr followup, 20367
efficacy of cognitive behavioral & self control intervention, reduction of pain & functional disabilities, rheumatoid arthritis patients, 1870
efficacy of cognitive therapy, 33 yr old male combat veteran with posttraumatic stress disorder, 22500
emotive-abstract vs sensory modality vs control imagery as functionally distinct abilities & relationship to in-therapy imagery, test anxious college students, 22510
group intervention & Coping with Depression Course, unipolar depression, 15070
historical developments of cognitive behavior therapy, children, 4415
hypnosis or relaxation training & cognitive coping skills, pain duration, 15–41 yr olds with Temporo-Mandibular Pain & Dysfunction Syndrome, 1899
hypnosis to counteract negative-cognitive self talk, academic anxiety, 4th graders in remedial class, 25882
incorporation of relationship with God in cognitive therapy, fear & anxiety & guilt about marriage, 32 yr old female analysand, 17777
integration of behavioral-cognitive techniques into psychodramatic group therapy, behavior & ego strength & introversive tendencies, delinquent 14–16 yr olds, 12427
interrater & internal reliability of cognitive therapy scale, assessment of therapist competence, cognitive behavioral therapists, 8063
interrater reliability & internal consistency & factor structure & discriminant validity of Cognitive Therapy Scale, evaluation of competence in treating depression, cognitive therapists, 21022
length of cognitive behavioral interventions, incidence of on-task vs passive vs disruptive off-task behaviors, 9–12.7 yr old aggressive males, 9844
meta-theoretical assumptions, attributions of patient responsibility for problem cause & therapeutic change, clinicians with psychodynamic vs cognitive-behavioral vs family systems vs eclectic orientations, conference presentation, 30582
methods used in cognitive therapy, agoraphobic patients, 27905
methylphenidate & cognitive behavioral self control therapy, children with attention deficit disorder, comments on study by R. T. Brown et al, 27747
methylphenidate & cognitive therapy, children with attention deficit disorder, reply to comments by E. H. Wender, 27693
methylphenidate with cognitive self control therapy vs attention control treatment, kindergartners through 7th graders with attention deficit disorder, 27694
mood induction procedure & cognitive manipulation, reply to comments by D. M. Clark, 9857
multicomponent cognitive behavioral smoking program with vs without spouse attendance at spouse support program, smokers & their spouses, 1–12 mo followup, 15456
muscle tensing &/vs cognitive coping strategies, fear ratings & heart rate, 37 yr old male who fainted with exposure to injury stimuli, 6- & 30-mo followup, 22496
need for study of group process as means of eliminating therapy-specific confounds in evaluation of outcome, cognitive behavioral group therapy, literature review, 1895
performance on dichotic listening & embedded figures test, success in driver training & accident rate, 21–40 yr old bus driver trainees, 2-yr follow-up, 25945
positive thought processes & social skills training by school counselors, loneliness & shyness, children, 31359
positive verbal suggestions about health & longevity during state of relaxed responsiveness, mortality rate, elderly nursing home residents, 27887
possibility of distinct cognitive characteristics & specialized treatment strategy, suicidal patients, 22485
procedure for coping with patient nonverbal expressive behavior 27 & 45 yr old male & female patients in cognitive therapy, 12522
proximity vs specificity planning, self regulation, 9838
psychoeducational group treatment, drug-refractory unipolar depression, 29–56 yr old outpatients, 1- vs 9-mo followups, 4371
psychotherapeutic content themes, cognitive vs behavioral group treatment, 27–52 yr old Puerto Rican females, 25033
rates of specific verbal behaviors during behavioral vs cognitive behavioral vs attention control interventions, therapists & 3rd–6th graders with classroom behavior problems, 12505
rational emotive therapy & cognitive behavior therapy & specific types of resistance, voluntary & involuntary psychotherapy clients, 20299

rational self counseling in short term culture free cognitive therapy, prevention & treatment of alcoholism, implications for Blacks, 28238
relaxation/cognitive therapy &/vs study skills training, test anxiety & academic performance, test-anxious college students, 31319
research methods & theory, cognitive behavior therapy vs traditional therapy based on radical behaviorism, review of articles published in 2 journals, 1977–81, 1887
resistance in personal-construct therapy, 20346
routine care with vs without monitoring by specialist nurse & mianserin &/vs cognitive therapy, depression, females undergoing mastectomy for breast cancer, conference presentation, 30517
self directed in vivo exposure & paradoxical intention vs graduated exposure vs progressive deep muscle relaxation training, agoraphobia, severe & chronic patients, 18016
SES & social problem solving skills & self esteem, behavior change following cognitive behavioral treatment, 4th–6th grade disruptive & aggressive boys, 15915
social context in therapeutic framing & reframing & radical constructivism in cognitive therapy, 22483
socioethnic health belief system & cognitive behavioral therapy, renal transplant outcome, female & male 17 yr old Hispanic patients, 9650
status of cognitive therapy, comments on H. J. Eysenck's assessment, 4410
subjective evaluation of effectiveness of cognitive behavioral group program, chronic low back pain patients, 1883
teaching of cognitive-behavioral skills & strategies as educational approach to counseling, 7385
theory & research & methodology & assessment & outcome of cognitive behavioral approaches to problems, children, 4441
thermal biofeedback training vs cognitive behavioral therapy vs structured group therapy, trait anxiety & depression & pain behavior & immune system activity, patients with rheumatoid arthritis, 17999
value of cognitive behavior training & applications to social problems, public health psychologists, 28357
weight change following initial weight loss in cognitive-behavioral treatment program for obesity, adults, 6–10 yr followup, 30690
withdrawal from methylphenidate & subsequent behavioral & cognitive treatment, maladaptive attributions, 9 yr old hyperactive male, 9674
Cohabitation
behavior therapy, satisfaction, 21–31 yr old nonmarried cohabitating couples, 17998
family composition & duration & role in relationship & personality correlates, resolution of joint task as evaluated by Joint Rorschach, cohabitating vs married couples, 29827
marital & cohabitating adjustment, help seeking Vietnam combat veterans with posttraumatic stress disorder, 1273
premarital cohabitation & marihuana & illicit drug use & religiosity in adolescence, commitment to traditional roles & lifestyles, males vs females with mean age of 24.7, 27133
yrs together as stages of relationship development, relationship quality, childless heterosexual married vs cohabitating couples vs gay vs lesbian monogamous couples, 24304
Cohesion (Group) [See Group Cohesion]
Coitus [See Sexual Intercourse (Human)]
Coitus (Animal) [See Animal Mating Behavior]
Cold Effects
acute vs chronic desipramine, cold water swim analgesia measured by jump test & hypothermia & jump threshold, male rats, 26633
age & long term cold stress, development of tolerance to stress-induced analgesia, 4 vs 15–16 mo old male rats, 8473
aminophylline & cold effects, regulation of body temperature, 6–9 vs 23–26 mo old rats, 16481
atropine vs verapamil vs bethanechol vs cold restraint stress, gastric emptying of resin, rats, 29352
autonomic system activity vs neurotensin administration, cytoprotection against cold plus restraint stress-induced gastric ulcers, male rats, 19481
caloric stimulation, visual neglect & lateral gaze test performance, 38–78 yr olds with left-sided visual neglect following stroke, 17657
chlorpromazine in low vs medium vs high dosage, development of gastric ulcers induced by cold stress & restraint, mice, 5744
cold nociceptive stimuli on skin, discharge activity of mechanothermal nociceptors, cats, 26578
cold-pressor test, thermographic response, female anorexic patients, 9592
dipipanone, cold-induced pain & CNS, healthy 21–37 yr olds, 21575
electrical self stimulation of hypothalamus, deterioration of thermoregulation following prolonged exposure to cold, 9.5 vs 29.5 mo old male mice, 3251
ergonomic & physiological aspects, performance, British soldiers stationed in cold wet climate, 31544
exercise & cold stress & hemorrhage, plasma epinephrine & norepinephrine measured by high performance liquid chromatography with electrochemical detection, rats, 29356
exposure to warm vs cool water, EEG sleep parameters, 20–23 yr old physically unfit females, 3229
focal right hemisphere cortical suction lesions & cold water stress, hyperactivity & norepinephrine depletion, male rats, 26615
heat & cold stressors with vs without dextroamphetamine sulfate, CNS monoamines & 5-hydroxyindoleacetic acid levels & behavioral toxicity, male rats, 21384
high intensity light vs noise vs cold stimulation, systolic & diastolic blood pressure, 25–40 yr old males, 23843
ice water UCS, active avoidance conditioning, rats, 361
lateral hypothalamus lesions, food intake during exposure to cold, male rats, 5770
perception of threat, tolerance for cold water-induced pain, college students, 11188
physiological response to cold-restraint stress, utility of statistical procedures for determination of individual differences in animal research, male rats, 21398
psychological & behavioral factors, prediction of cold weather health behaviors, 18–23 yr old males in Marine Corps, 5149
saline vs lorazepam with vs without cold exposure, pineal melatonin & N-acetylserotonin content & serotonergic turnover, rats, 23897
temperature acclimation, swimming behavior, carp, 5766
Colitis [See Also Ulcerative Colitis]
internalized object relations & expression of emotions through language vs on physical level, patients with colitis vs cardiac neuroses, 14562
premature birth with necrotizing enterocolitis vs other serious illness, parental perceptions of later physical & emotional development, 1–4 yr olds, 25015
Coll Ent Exam Bd Scholastic Apt Test
family income & SAT scores, college attendance & educational attainment, college students, 2-yr followup, 10401
Nelson-Denny Reading Test vs American College Testing Program scores, prediction of reading ability, freshmen college students, 25885
SAT mathematics scores & 4-yr average college GPA in mathematics, college students, 4883
self report scores from brain dominance survey & Your Style of Learning & Thinking vs SAT scores vs GPA, female college students, 15926
timed vs untimed test administration, performance on SAT, visually & hearing impaired & physically & learning disabled vs nonhandicapped high school students, 25894
Collaboration [See Cooperation]
Collective Behavior [See Also Riots]
collective action model incorporating reactive ethnicity & competition models, ethnic solidarity in industrialized modern societies, 14284
collective representation vs poly- vs monocentrism theories, collective action & development of character, 17032
cultural & historical themes in idea of "good life in California" as collective myth & fantasy, 996
evolutionary theory & political thinking & human consciousness in collective affairs, 27076
foraging theory & grouped sequential exploitation of food patches in flock feeder, pigeons, 19274
group fissioning, free-ranging rhesus monkeys, 21265
group vs individual development & consumption of leisure & recreational activities, members of Conwood Naturalists, England, 3673

ingroups & individualism vs collectivism, college students, India vs US, 29971
movement & internalization of motive in collective activity, 6336
perception of information attributed to in-group vs unrelated group vs uncategorized individuals, group polarization, college students, 21915
presence of communicative goals in problem solving task, realization of subject goals, 18–20 yr old students in dyads, 6320
self interest & attitude toward resource pool & conformity to norm pressure, individual vs collective solutions to harvest decisions, college students, 21917
sex composition of cooperative performance dyads & asymmetric role relationships, behavior in social dilemma setting, male vs female college students, 11733
shared responsibility, quality of multiattribute judgments, college students, 9120
taxonomy of groups & utilitarian participation of individuals in collective action, 1136
theory of critical mass in group consciousness & hundredth monkey myth, implications for human potential movement, 36

College Academic Achievement

academic achievement & majors & study habits & socioemotional adjustment, Chinese-born vs 2nd vs 3rd vs 4th generation Chinese American college students, 10458
academic expectations & learning preferences, Latin American vs Anglo American college students, implications for instruction, 25853
academic performance & attitudes, academically accelerated students matriculating before age of 15 yrs vs college students vs National Merit Scholars, 28543
academic problems & incidence of psychiatric disorders, male college students, Egypt, 4892
athletic participation, academic performance, college athletes, 31243
attribution of academic failure to effort vs strategy, affect & attitude & future performance expectations, female college students & their professors, 20717
attributional style & self esteem & academic achievement, Black high school & college students, 10403
attributions for & reactions to 1st semester grades, expectations for & persistence in next semester, college freshmen, implications for model of achievement motivation, 2455
attributions of academic success & failure, hearing impaired college students, 10509
Cattell Anxiety Scale scores, prediction of academic achievement, 18–42 yr old college students, implications for counseling, 5012
characteristics of undergraduate underachievers who excelled in graduate school, moderately vs highly successful graduates of master's program in school psychology, 2332
cognitive & psychosocial & moral development & GPA & academic major, ability to analyze & interpret child behavior, college students with majors in education, implications for preservice teacher training, 18454
combined California Psychological Inventory subtest scores, prediction of 4 yr & 2 yr & single course grades, college students, 25911
commuting vs on-campus living, intellectual & interpersonal self concept, college students, 18557
computer assisted vs textual programed instruction & locus of control, acquisition of integrated science skills, preservice elementary teachers, 25753
course instruction, cognitive learning in foundations of teaching & historical & philosophical & sociocultural basis of education, college students, 18424
demographic & psychological characteristics, male college students with vs without academic problems, Egypt, 4893
developmental education & other support services, academically underprepared college students, 1980s, 18686
discovery vs nondiscovery classroom climate, biology process skills & content achievement, college students, replication of Science Process Inventory study, 2370
expectancy & academic achievement, college students, 20734
financial aid & family support & personal goals & intelligence & determination factors, college degree completion, American Indian 20–58 yr old college students, 7651
gender bias in prediction of academic performance, college students, 4881
GPA & policy violations in residence halls, college students, 4913
grades & self reports of amount of study effort, college students, 2438
high ability as assessed by college entrance exams & strong academic background, differential performance & perception of performance in introductory chemistry & mathematics courses, male vs female college students, 31223
high vs low kinetic structure & unified vs varied micrograph content, acquisition of scanning electron micrograph reading skills, college biology students, 25774
Hispanic Academic Enrichment Group, academically underachieving Hispanic 19–24 yr old college students, 18658
honors program participation, academic achievement, freshmen college students, 15699
illness, relationship between life change & academic performance, college students, 13007
impact of role of peer tutor & tutee, attitudes toward peers & academic achievement, female college students, 20738
individualized vs structured curricula, academic performance & satisfaction, college students, 5–12 yr followup, 7594
learning style & preference for computer assisted instruction, academic achievement, college students, 4877
life events stress, classroom performance, college students, 13005
likelihood of graduation & obtainment of degrees, college students less vs more than 21 yrs old, UK, 25828
locus of control & allocation phase, academic achievement, college students in special program, 18521
mathematical model of mastery learning, science academic achievement prediction, college students in astronomy course, implications for instructional methods, 23009
mathematics & engineering & science achievement program, academic achievement & college enrollment in mathematics-science courses, minority high school students during & after program participation, 4832
multiple quiz vs traditional vs multiple final method of testing, statistics mastery, college students, 12997
need achievement & affiliation & locus of control toward school & instrumentality motivation measures, prediction of school achievement, college students, 7624
nonrecursive model & reciprocity of student-faculty interaction, academic performance, freshman & sophomore college students, 10427
note taking & content & academic success, processing & recall of lecture information, college students, 15738
number of academic high school courses passed vs high school rank vs GPA vs Scholastic Aptitude Test scores, prediction of success in college, commuter college students, 4899
perceived ability & expectancy 1 wk before test & pre-examination knowledge level, independent thinking & performance on psychology examination, college students, 28494
personality characteristics vs intellectual ability vs previous examination performance, General Certificate of Education performance, further education vs 6th-form college students, Great Britain, 28470
personality correlates of success vs failure in college science course, male vs female college students, 2425
personality factors as assessed by 16PF, American College Test scores, college honor students, 2434
predictive & construct validity of Writing Apprehension Test, assessment of writing apprehension & prediction of test performance, college students, 10553
program monitoring academic performance, promotion of success, college freshmen unable to meet traditional university entrance criteria, 18669
program to improve teaching methods & academic achievement in introductory college courses, 15721
proportional representation of minority members of social category relative to majority members, GPA, male & female college seniors, 8-yr-study, 28466
reasons for withdrawal from college & academic performance, college students who withdraw early vs late in semester, 25834
relaxation/cognitive therapy &/vs study skills training, test anxiety & academic performance, test-anxious college students, 31319

reliability & factorial validity of Multidimensional-Multiattributional Causality Scale, measurement of achievement & affiliation locus of control, college students, 15929
required writing assignments, achievement in chemistry, college students, 22951
review of instructor's &/vs personal notes of lecture vs mental review, achievement on factual items, college students who were listeners only vs nonattenders vs notetakers, 7638
scheduled vs unscheduled quizzes, test & situational anxiety & academic achievement, college students, 25824
scholastic aptitude & achievement, performance on state-mandated competency tests, education students, 2326
self concept & self appraisal & ability to deal with racism & preference for long vs short term goals & social support & leadership experience, prediction of academic achievement, Black vs White college students, 4-yr longitudinal study, 15770
self esteem, affective reactions to academic success or failure, college students, 28498
self monitoring of subgoals vs time on study vs distal goal & motivation level, academic performance, college students, 15757
sequence of teaching strategic management paradigm vs case analysis, student satisfaction & performance, college students in business policy course, 2394
social & affective predictors of academic achievement, freshman college students, 15771
spatial & verbal & mathematical ability & feminist & mathematics attitudes, prediction of achievement in statistics course, male vs female graduate students, 25905
stressful life events, exam scores & course points & grades, college students, 31226
student characteristics & prediction of academic achievement, college students, literature review, 10415
student development program, ability & performance & self concept, college students, 18682
student ratings of instructional effectiveness & perceived student/teacher attitude similarity & course grades, college students, 15773
study & test taking skills & unrealistic expectations & belief in negative self statements & Type A behavior, high vs low achieving college students with high vs low test anxiety, 31224
teaching attitude, achievement on National Teachers Examinations, male vs female education students registered for practicum, 2325
televised vs conventional classroom lectures, achievement & class attendance in introductory sociology class, college students, 22939
time management peer counseling, grades, 1st yr college students on academic probation, 4836
time of day of instruction, grades, college students, 15764
Type A personality, allocation of resources & focus on courses most central to medical curriculum & neglect of peripheral areas, medical students, 10221
type of treatment & family heredity factors, academic performance, college students with typical vs latent schizophrenias vs schizoaffective psychoses, 9313
undergraduate course background, cumulative GPA & medical course scores, 1st-yr medical students, 25626
use of notes & textbooks during examinations, test performance, psychology college students who were candidates for degree honors, 28469
validity of Allied Health Aptitude Test & previous GPAs, prediction of persistence & GPA in university respiratory therapy program, college students, 31370
validity of approaches to studying inventory &/vs Tertiary Entrance Examination scores &/vs student background characteristics, prediction of academic achievement, 1st-yr college students, Australia, 25939
verbal &/vs aural example of complex music selection vs practice only, musical performance, college music education students, 7612

College Degrees [See Educational Degrees]

College Dropouts

administrative nonsupport & faculty misconceptions & stereotypes & defective student relations, racism & dropout rate in higher education, minority students, 18564
determination of personality & academic variables, identification of potential dropouts, education students, 20740
discriminant analysis of student attitudes, prediction of attrition, college students, 10428
discriminative analysis, assessment of demographic differences & selection bias in attrition survey, college student persisters vs nonpersisters, 10560
factors influencing dropout rates in postsecondary vocational education programs, minority females receiving welfare, implications for remedial programs, 12998
grades & institutional fit & commitment factors, dropout syndrome, college students, 7654
reasons for withdrawal from college & academic performance, college students who withdraw early vs late in semester, 25834

College Education [See Undergraduate Education]

College Environment

academic setting, creatively gifted college students, 15880
aptitude & family background & precollege experiences & college characteristics & environment & experiences, teaching career choice in sophomore yr, female college students, 18457
character traits, interpersonal relations, college students, 2463
college organizational characteristics & student factors, affective development assessed by educational aspirations & academic/intellectual self confidence, college students, 25847
financial issues & academic & environmental factors as potential sources of stress, Black college students aged 18–43 yrs, implications for counseling program development, 28600
need for colleges to attend to disabilities & required accommodations, learning disabled college students, 18580
perceptions of student behaviors, faculty at teaching- vs research-oriented universities, 2302
psychosocial & physical environment & geographical distance of move & personality factors, homesickness, 1st-yr vs post-1st-yr college students, UK, 4909
satisfaction with campus life & facilities, college students, 4918
satisfaction with college environment & student- vs school-centered solutions to problems, disadvantaged Black vs Mexican- vs Native- vs Asian-American students, 2466
situational factors, failure to mentor incoming female cadets, female upperclass West Point cadets, 15812
social & academic climates of law schools, motives & attitudes & expectations about future as professionals, 1st yr law students, 18562
standardization & socialization of academic environment, highly creative college students, 15870

College Graduates

attendance at 2-yr colleges, job status & stability & satisfaction, graduates of 4-yr colleges, longitudinal study, administrative & research implications, 18563
attributes of subculture, university graduates, Spain, 11593
biographical factors & job seeking behavior, prediction of success obtaining employment, engineering vs science vs social studies college graduates, Scotland, 7786
development of workshop providing job searching skills & career guidance, liberal arts college graduates, 15887
employment & career plans & postgraduate study, graduates of honors psychology program at University of Melbourne, Australia, 15529
employment qualifications, employment status 3 mo postgraduation, business major college graduates, 28673
expected vs current employment levels & academic field & sex, potential social action, employed vs unemployed college graduates, 1143
initial employment patterns & adjustments, male vs female college graduates, implications for career & vocational counseling, replication of study by G. D. Knight et al, 10545
job satisfaction, psychology baccalaureates, 1978–79, 2664
perceptions of adequacy of faculty academic committees in provision of student guidance on coursework & comprehensive examinations & dissertation research, graduates of doctoral education programs, 25839
postprimary education, reasoning skills in argument construction, 1st vs 4th yr high school vs college vs graduate students vs nonstudents with vs without bachelor's degree, 15696
pursuit of educational activities vs employment in social work field, education graduates, France, 13174
satisfaction with undergraduate psychology degrees, 1978–82 graduates of University of Washington, 2292

selection criteria & evaluation dimensions for participation in innovation & entrepreneurship workshop, college graduates in technical fields, Australia, 23182
source & accuracy of prejob information, job choices & turnover rates, graduates of master's in business administration program, 6- & 24-mo followups, 13171
surprises in adjustment to work, recent college graduates, England, 28763
College Major [See Academic Specialization]
College Students [See Also Community College Students, Education Students, Nursing Students, ROTC Students]
academic & interpersonal experiences, self confidence, 16–19 yr old college freshmen, 4-yr followup, 15781
academic achievement & majors & study habits & socioemotional adjustment, Chinese-born vs 2nd vs 3rd vs 4th generation Chinese American college students, 10458
academic competence belief level, frequency of negative thought content vs subjective meaning attached to thoughts & anagram & mathematics test performance, female college students, 20716
academic expectations & learning preferences, Latin American vs Anglo American college students, implications for instruction, 25853
academic motivation to improve English writing skills, hearing impaired college students, 2514
academic performance & attitudes, academically accelerated students matriculating before age of 15 yrs vs college students vs National Merit Scholars, 28543
academic problems & incidence of psychiatric disorders, male college students, Egypt, 4892
academic setting, creatively gifted college students, 15880
academic value of psychological research participation & debriefing, undergraduate college students, 20719
academic vs collegiate vs vocational vs nonconformist orientations, choice to seek help & type of counseling center services chosen & number of sessions attended, college students, 18671
achievement & field of specialization, interests in engineering, male vs female civil engineering vs chemistry students, 4908
adaptation of personal construct theory to classroom instruction of psychological concepts & abstract & relational thinking skills, college students, 15659
affiliative & nonaffiliative achievement motivation & personality, achievement motivation, male college students, 18517
age & educational level, reflective judgment as indicator of intellectual development, 18–21 yr old college freshmen & 21 yr old juniors, 2.5-yr longitudinal study, 15763
age & religion & political affiliation, attitudes toward abortion & masturbation & premarital sex & homosexuality, 17–43 yr old male & female college students, Spain, 13037
age & sex & ethnic & racial differences & residence group, perceived personal & academic stressors, college students, 2447
aggressive response to frustration, college students who were physically abused as children, 25840
alcohol, performance on video game & test of coordination, college students in alcohol education program, 5007
analysis of media impact on adolescent development as project in psychology of adolescence course, college students, 15727
analysis of S of published biography or autobiography according to particular personality theory, college students in upper-level personality course, 15688
analysis of studies assessing impact of campus-based alcohol education programs, study design characteristics & findings, college students, literature review, 2367

college course choice & scores on Vocational Preference Inventory & Work Aspect Preference Scale, technical college students, Australia, 18663
college graduation, identity & intimacy crises stage, college seniors vs 24–27 yr old alumni, 8916
college organizational characteristics & student factors, affective development assessed by educational aspirations & academic/intellectual self confidence, college students, 25847
college selectivity & organizational type & public control, changes in career goals & values, college students, 13016
college time duration & change & structure, content & nature of psychotherapy issues in mental health services, college students, 13134
combined California Psychological Inventory subtest scores, prediction of 4 yr & 2 yr & single course grades, college students, 25911
communication training workshop, intercultural couples at college counseling center, 2574
commuting vs on-campus living, intellectual & interpersonal self concept, college students, 18557
complexity of self concept, college students enrolled in people- vs non-people-oriented majors, 4919
computer controlled study management & test experience program in introductory psychology course, college students, 15657
computerized adaptive testing procedure using microcomputer, measurement of mathematical skills, entry-level deaf college students, 25908
conditioning theory of posttraumatic stress disorder & Israeli invasion-induced anxiety, American college students, Lebanon, comments on article by P. A. Saigh, 3794
conference telephone system, single session groups for mutual support, homebound disabled college students, 18674
construct validity & factor structure of Mathematics Attitudes Scale, college students, 10526
construction of teacher evaluation instruments as class project in industrial/organizational psychology class, college students, 12965
consumer behavior theories & market segmentation strategies, college recruitment, 18416
consumer health knowledge & behavior, high school & college students, implications for health education, 4920
consumer-oriented research teaching technique, anxiety reduction in experimental design & statistics course, college students, 31169
content of seminar on sexual victimization, college students, 15713
conversational noise & locus of control & field dependence-independence, comprehension & retention of text excerpts, college students, implications for effect of learning strategies on academic achievement, 25810
cooperative interaction & processing strategy, text learning & transfer, college students, 7643
correlation between J. Holland's vocational interest personality types & measured abilities, prediction of vocational outcomes, female college students, 18551
cost analysis & fees for economical health services, college students, conference presentation, 28587
counseling center title, likelihood of using center, college students & faculty, 31312
counselor self disclosure & paradoxical vs nonparadoxical homework directives, counselor social influence, college students with test anxiety, conference presentation, 31366
counselor's training & experience & similarity, willingness to see counselor, 16–37 yr old hearing impaired college students, 31327
course content & materials & special problems in teaching course in adolescent psychopathology, college students, 12957
course on alternative explanations, change in belief in paranormal phenomena, college students, 1-yr followup, 20680
crisis situation flow sheet of procedure in event of student's death, student services personnel, 18639
criterion design evaluation of treatment to increase recognition of similes, hearing impaired college students, 31300
criterion validity & difficulty levels & internal consistency reliability estimates of Degrees of Reading Power test, prediction of reading abilities, 15949
decision making styles, career indecision, college students, 18556
degree of professional work commitment, female college students, 20751
degree of self disclosure, grades & feeling of group cohesiveness, high school & college students, 13051
demographic & psychological characteristics, male college students with vs without academic problems, Egypt, 4893
depression & psychological separation & college adjustment, male vs female college students from intact families, implications for developmental theory, 15801
desensitization, college students with test anxiety, 18627
development & reliability of Social Competence Questionnaire, college students, 4992
development of campaign advocating more efficient & intense contact with academic advisor, college students, 25923
development of career counseling model based on feminist therapy, females re-entering college, 25897
development of social support networks during adaptation to college life, male vs female college students, 12-wk longitudinal study, 15787

developmental problems & frustrations, college student artists, implications for school counseling with supportive bibliotherapy, 18634
developmental vs difference position on mental retardation, judgments about failure in children labeled mentally retarded, regular vs special education college & graduate students & classroom teachers, 10511
diagnostic vs summative appraisal criteria in teacher effectiveness ratings, college students, 20748
discovery vs nondiscovery classroom climate, biology process skills & content achievement, college students, replication of Science Process Inventory study, 2370
discriminant analysis of student attitudes, prediction of attrition, college students, 10428
discriminative analysis, assessment of demographic differences & selection bias in attrition survey, college student persisters vs nonpersisters, 10560
discussion of sexual identity trauma & need for adequate counseling, homosexual students, 20816
dramatic presentation as teaching method for neuron anatomy & physiology, college students, 31188
Early Entrance Program at California State University, gifted 11–16 yr olds, 7705
ecological validity of adjunct questions, college students in biology course, 18497
educational & personal characteristics, low vs high grade- vs learning-oriented college students, 18541
educational beliefs, 1st-yr education vs arts & science students, 7684
educational motives & instructional preferences, 18–35 yr old college students, 28775
educational self direction, cognitive functioning, 7th graders to college students, 2468
effect of nutrition on mental health, maladjustment, 19–41 yr old college & graduate students, implications for role of orthomolecular therapy in delivery of psychological services, 28638
efficacy of study skills & time management & organization program, students at university counseling center, 2562
ego involvement with social skills or career & credibility of counselor presenting reasoned arguments for participation in or career counseling group, attitudes toward counseling, college students, support for Elaboration Likelihood Model, 31336
engineering & science enrichment programs, achievement of academic parity with nonminority students, minority college students, 18511
eschatological & psychological & social attitudes toward death, male vs female college students, 4921
establishment of network in training & supervision, peer counseling program, college students, 20802
evaluation & preferences for didactic vs heuristic vs philetic teaching styles, college psychology students, 15665
evaluation of cognitive development test, prediction of performance & placement in chemistry course, college students, 31318
evaluation of field placements in psychology, college students, 15685
evaluation of therapeutic processes & outcomes, clients of university mental health center, 4980
expectancy & academic achievement, college students, 20734
expectations of authorship of psychology text, positive vs negative judgments, psychology students, 10447
exploratory intervention based on college adjustment scale, college students, 15882
exposure to university courses on feminism, attitudes toward feminists, college students, 2-yr followup, 31178
expressed vs inventoried occupational interests using Strong-Campbell Interest Inventory scales, female college students, 10514
eye movements reflecting processing of figural analogies vs test score data, academic achievement prediction, 19–35 yr old college & graduate students, 15736
factor structure of measure of perceptions of teacher effectiveness, college students, 25890
factors in establishment of same-gender student-faculty role model relationships, male vs female graduate students, 4910
factors in selection of college, academically talented college students, 25835
family income & SAT scores, college attendance & educational attainment, college students, 2-yr followup, 10401
family structure & parental relations & depression, college students, literature review, implications for counseling, 23122
family vs nonfamily social support, buffer for stress, female college students, 2467
financial aid & family support & personal goals & intelligence & determination factors, college degree completion, American Indian 20–58 yr old college students, 7651
financial issues & academic & environmental factors as potential sources of stress, Black college students aged 18–43 yrs, implications for counseling program development, 28600
focused interest career planning course, career awareness & knowledge & information seeking, college students, 18653
formal vs postconcrete vs concrete operational reasoning, academic performance, college students, Venezuela, implications for prediction of science & mathematics achievement, 2436
formation & purpose of study groups, college students, 15740
free vs assigned seating during exam, answer copying, college students, 25918
GPA & policy violations in residence halls, college students, 4913
grades & institutional fit & commitment factors, dropout syndrome, college students, 7654
grades & self reports of amount of study effort, college students, 2438
graduate student supervision of independent research project, undergraduate psychology students, 12942
"gymkhana", psychology curriculum development & instruction, college students, Brazil, 7607
health & lifestyle course, health care attitudes & knowledge & behavior, college students, 12973
high ability as assessed by college entrance exams & strong academic background, differential performance & perception of performance in introductory chemistry & mathematics courses, male vs female college students, 31223
high vs low kinetic structure & unified vs varied micrograph content, acquisition of scanning electron micrograph reading skills, college biology students, 25774
high vs low prior understanding of topic, learning scientific subject via program- vs learner-controlled computer video treatment, college students, 25767
Hispanic Academic Enrichment Group, academically underachieving Hispanic 19–24 yr old college students, 18658
home & health & social & emotional adjustment, academic achievement, 18–21 yr old female college students, India, 7680
home leaving strategies of economic independence &/vs personal control &/vs positive emotional attachment, prediction of ego identity & college adjustment, college students, 28496
honors program participation, academic achievement, freshmen college students, 15699
humanistic vs scientific academic specialization, use of mental health services, college students, Finland, 5005
identification & training of peer counselors, college student members & residents of fraternity or sorority houses, 25921
illness, relationship between life change & academic performance, college students, 13007
impact of orientation program with academic emphasis, freshmen college students, 25936
impact of role of peer tutor & tutee, attitudes toward peers & academic achievement, female college students, 20738
implementation of large group orientation/advisement program, college freshmen, 15914
incidence & underlying theory of suicidal crises in schools & strategies for intervention, 15–24 yr old students, 4982
incidence of bulimia & relationship to shyness, college females, 1638
incidence of suicidal thoughts & stressful life events & problem solving preparation, college students, college counseling implications, 24755
incidence of temporomandibular joint dysfunction, college students, Finland, 4986
inclusion of items to identify anorexia nervosa & bulimia on student health forms, college students, 18651
individualized computer assisted tutoring & testing program in general psychology course, college students, 15698

interactive projects in introductory psychology telecourse, college students, 15669
intercultural program, communication & relations with & attitudes toward foreign nationals within community, college students & foreign nationals, 20709
interdisciplinary curriculum for teaching introductory psychology & philosophy & biology, college students, 15694
interest & career value & previous performance, choice of academic subjects, male vs female college students in arts vs science vs mixed specialization, 18544
internal empathy & cognitive labeling & demonstrated empathy, male & female advanced college students listening skills course, 31252
internship in psychological research for graduate preparation, minority college students from Minority Access to Research Careers program, 31206
interpersonal characteristics & vocational certainty, male vs female students in technologically oriented university, 2452
interpersonal competence, schizophrenic-prone male college students, 1259
intrusive vs requested error feedback in air intercept controller simulation training, error rates, high school & college students, 10364
involvement & evaluation & attitudes toward major areas of college life before vs after 1979 reform of entrant selection system, college students, Japan, 13052
Israeli invasion, anxiety, American college students, Lebanon, comments on study by P. A. Saigh, implications for posttraumatic stress disorder, 3859
Israeli invasion, anxiety, American college students, Lebanon, reply to comments by R. G. Heimburg, implications for posttraumatic stress disorder, 3921
Israeli invasion, anxiety, American students, Lebanon, comments on study by P. A. Saigh, implications for posttraumatic stress disorder, 3551
item order, achievement test scores & perception of test difficulty, college students, 13142
Jenkins Activity Survey-Student Form & self reports of cumulative & desired GPA & extracurricular activities, male vs female Type A vs Type B college students, 10454
judgment of moral value of spoiling & compensation action, kindergarten vs primary school vs college students, 19560
knowledge & attitudes about genital herpes, college student clients of university health service, implications for education & counseling, 4912
knowledge & misconceptions on sleep & dreams, college students in introductory psychology course, 15758
knowledge development & values & learning styles, graduate vs undergraduate occupational therapy students vs therapists, implications for professional education, 10183
knowledge of self, empathetic disposition, occupational therapy students, 10181
learning preferences & educational & personal values, college & graduate occupational therapy students at beginning of education vs while on affiliation vs 1st vs 2nd semester college & graduate students, 25616
learning style & preference for computer assisted instruction, academic achievement, college students, 4877
lecture vs discussion & approachability of instructors & sociability of classmates, cognitive & affective states & classroom behaviors, 21–48 yr old college students, 23035
letter vs word recognition, 3rd graders vs college students, implications for linguistic levels during reading, 26812
level of academic areas & student involvement, evaluation of cognitive contribution of course, college students, 2469
level of occupational knowledge & crystallization of vocational self concept, prediction of school-to-work transition difficulty, college & graduate students in business schools, 10459
life change events as stressors, mental health, college students, 4905
life events & depression & social support & stress & locus of control, help seeking behavior, college students from student counseling service, 18667
life events stress, classroom performance, college students, 13005
life experiences, fear of success & identity status, college females aged 18–23 yrs vs 30 yrs & over, 20723
life history information, vocational decision making & identity & maturity, male vs female college students, 18546
life stress, injuries, intercollegiate volleyball players, implications for generalization of football data to volleyball players, 22346
linear programed vs competency-based computer lessons vs textbook reading & worksheet assignments, music notation reading skills, nonmusic major college students, 31187
linguistic analyses of Creole & English in experimental writing program, 17–20 yr old honors & remedial college students, Virgin Islands, 28417
linguistic patterns & syntactic complexity in written discourse, learning disabled college students, 9471
literal vs applied test questions, assessment of conceptual comprehension, college students, 31386
locus of control & allocation phase, academic achievement, college students in special program, 18521
locus of control & personality & academic major & verification of J. L. Holland's theory of vocational preference, college students, England, 18633
loneliness & abstract thinking level, 18–40 yr old college students, implications for counseling & teaching, 2450
loneliness, late adolescent female vs male college students, 28511
long term evaluation of introductory psychology vs other introductory courses, college students, 31164
male-female relations, social skills & negative emotions, Black upper division college students, 28513
mathematical model of mastery learning, science academic achievement prediction, college students in astronomy course, implications for instructional methods, 23009
mathematics & engineering & science achievement program, academic achievement & college enrollment in mathematics-science courses, minority high school students during & after program participation, 4832
mental models of information processing & cognitive errors in science learning, college students, 15741
metacognitive & elaborative activity, cooperative learning & transfer, college students, 7640
method of teaching concepts of personality vs self, college students, 15646
misconceptions in geometric problem solving, female vs male high school vs college students, 20727
mixed vs same-sex composition of counseling group for heterosexual interpersonal skills, college students, literature review, 18622
moral development, freshmen college students at Christian liberal arts college assessed again as seniors, 4-yr longitudinal study, 15809
multidimensional scaling analysis of student ratings of instruction, college students, 15883
multimedia 2-theme responsible alcohol use campaign on college campus to promote responsible drinking, college students, 12974
multiple choice vs multiple true-false test items, measurement of learning of complex instructional objectives, college students, 18649
multiple quiz vs traditional vs multiple final method of testing, statistics mastery, college students, 12997
multiple vs single elaboration dyads vs individuals, processing of descriptive vs procedural technical passages, college students, 15692
natural vs human science orientation in introductory psychology course, attitudes toward psychology, beginning vs advanced college students, 13024
need achievement & affiliation & locus of control toward school & instrumentality motivation measures, prediction of school achievement, college students, 7624

need for achievement, bilingual Turkish-English speaking vs monolingual Turkish speaking vs English speaking college students, Turkey vs US, 28484
need for colleges to attend to disabilities & required accommodations, learning disabled college students, 18580
negative noncontingent feedback outcomes & lecture content, teacher effectiveness & expressiveness, college students & their teachers, 20700
Nelson-Denny Reading Test vs American College Testing Program scores, prediction of reading ability, freshmen college students, 25885
nominal small group process technique, campus needs assessment, college students, 23141
nonawareness vs nonproduction ability explanations, text summarization deficiencies, 9th vs 11th graders vs college students, 31227
nonrecursive model & reciprocity of student-faculty interaction, academic performance, freshman & sophomore college students, 10427
note taking & content & academic success, processing & recall of lecture information, college students, 15738
note taking vs review of own vs instructor's notes, test performance, college students, 7637
notetaking vs review of instructor's notes & higher-order practice questions &/vs corrective feedback, factual & higher-order performance, college students, 25817
Nowicki-Strickland Locus of Control Scale for Adults & religiosity, college students, 20741
number & type of current concerns, moderately & severely depressed college students, 9326
number of academic high school courses passed vs high school rank vs GPA vs Scholastic Aptitude Test scores, prediction of success in college, commuter college students, 4899
observational behavior modes, performance on cognitive tasks, college science students, Japan, 28485
oral reading to self vs audience vs silent reading with vs without listening, reading comprehension & recall, college students, 10411
overnight retreat format as educational growth experience, introductory college students, 10396
paraprofessional training program in behavioral interventions, client satisfaction & cost effectiveness, clients & undergraduate paraprofessionals at university counseling center, 7754
parental drinking attitudes & expectations, drinking attitudes, college students, 9080
participation in minority student organizations, Black vs Asian American vs Hispanic vs Native American college students at predominantly White university, 15807
peer network program, provision of social support & maintenance of cultural heritage, Chicano college students, 25899
peer role play & training in interview techniques course, skill learning, college students & their course graduate trainers, 15650
perceived ability & effort, shame following failure, college students, 2453
perceived ability & expectancy 1 wk before test & pre-examination knowledge level, independent thinking & performance on psychology examination, college students, 28494
perceived correctness vs social desirability & correspondence to preferred meaning dimensions of item content, responses to questionnaire items, college students, 2571
perceived harmfulness rating of illicit drugs, college students categorized as principled nonusers vs nonusers vs light vs moderate vs heavy drug users, 17186
perceived mental health problems, college freshmen & their families, 2461
perceived overload in intensive summer school session, individual differences in experienced strain & coping strategies, full-time employed evening college students, 31254
perceived prevalence of courtship violence on college campuses, college directors of counseling centers & housing systems & students, 1410
perception of increased proportion of female incumbents, prestige & desirability of high status occupations, Black vs White male vs female college students, replication of J. C. Touhey's findings, 13039
perceptions of & experiences with study counseling services, teaching vs social vs natural science college students, 5000
perceptions of orientational vs role-specific others, college students, replication of study by N. K. Denzin, 7681
perceptions of preparation for college-level work & attitudes toward & knowledge of developmental studies program, academic performance, college students, 7636
perceptions of process & characteristics of writing, writing achievement, high school seniors & college freshmen beginning writers, 25804
perceptions of sexual norms & engaged vs steady vs casual dating trends, male vs female college students, 15-yr followup, 20754
perceptions of teacher competency, college students, France vs Canada, 10432
performance on RT & speeded classification tasks, learning disabled vs non-learning disabled college students, 15829
performance on WAIS & Woodcock Johnson Test of Cognitive Abilities, learning disabled college students, 23109
personal- & work-related reference checking in selection process, prediction of future job performance & adjustment & group participation, professional & technical & clerical personnel & college students vs blue collar workers, 31415
personal & social & academic & career needs, freshmen & sophomores at regional university vs liberal arts vs Black vs urban college vs technical institute, 15806
personality & cognitive characteristics, development of testwiseness, college students, 15776
personality & religious & demographic & socioeconomic characteristics & living habits, prediction of roommate compatibility, college students, literature review, 15798
personality characteristics vs intellectual ability vs previous examination performance, General Certificate of Education performance, further education vs 6th-form college students, Great Britain, 28470
personality correlates of success vs failure in college science course, male vs female college students, 2425
personality factors as assessed by 16PF, American College Test scores, college honor students, 2434
personality traits, summa cum laude honor college students, 13035
phonologic & syntactic & semantic competencies of oral language skills, dyslexic college students, 12124
portfolio writing assignment in developmental psychology course, college students, 15627
postprimary education, reasoning skills in argument construction, 1st vs 4th yr high school vs college vs graduate students vs nonstudents with vs without bachelor's degree, 15696
predictive & construct validity of Writing Apprehension Test, assessment of writing apprehension & prediction of test performance, college students, 10553
predictive variables of personality & social background, choice of scientific majors, White vs Black natural vs social vs nonscience college majors, 25833
predictors of problems in adjustment & transition during study in foreign country, Black East & West African & Arabic North African college students attending US universities, 25829
preference for computer- vs pencil-and-paper-based career guidance systems, college students, 4998
preference for learning style, female vs male freshmen vs senior college students, extension of D. Kolb's learning styles research, 10410
preferences for instructional methods & course goals, high- vs low-achieving college preservice teachers, 10305
preparation program for reentry to home following freshman year, 1st yr college students, 20809
preselection interviews & academic performance, achievement in program of occupational therapy, high school & college students, 15760
presentation of topically relevant vs irrelevant outline & existing subject knowledge prior to studying instructional text, recall of text material, college students, 15654
presenting problem & number of contacts with counselor & attrition rate & need for specialized college counseling service, American vs international college students, 25884
prevalence of binge eating & bulimia, 18–32 yr old working women vs female college students, 1568
prior group membership, reconnaissance of new groups, college freshman attending campus activity fair, 18558

problems in comparison of results of applied research across groups, college students vs nonstudents, literature review, 13339
production of emotional responses & GSR assessment of emotionality, 3rd yr theater college students, USSR, 18535
profiles of text learning strategies, college freshmen who were good vs poor readers, application to design of remedial instruction, 25874
program for promotion of racial integration, college students, 2472
proportional representation of minority members of social category relative to majority members, GPA, male & female college seniors, 8-yr study, 28466
psychiatric morbidity, college students, 15-yr study, Yugoslavia, 6469
psychological correlates of nontherapeutic psychoactive drug usage, high school & college students, 1960's–1980's, 11714
psychometric properties of Beck Inventory, college students, 2854
psychosexual behavior, college students, 17159
psychosocial & physical environment & geographical distance of move & personality factors, homesickness, 1st-yr vs post-1st-yr college students, UK, 4909
purpose of appraisal & expectation of validation, leniency of self appraisal in self reported classroom participation, college students, 31246
quantitative & qualitative aspects of S's lecture notes, test performance, psychology students, 2421
race & sex, religious behaviors & attitudes, Black vs White college students, 1973 vs 1983, 25842
race & sex socialization & prior family & school experiences, course specialization & career aspirations, Black college juniors & seniors, 28518
rate of weight change, female college students living on vs off campus, 3-yr followup, implications for study, 7668
ratio vs difference rule, motivating instructions & reward allocation, male college students & industrial managers, India, test of equity theory & functional measurement, 31475
reading by phonics or letter-training vs visual or word-training, transfer of learning, male vs female college students, implications for language teaching, 4873
reading comprehension ability, use & awareness of strategies that can affect learning environment vs can be observed vs are internal, college students, implications for remediation, 15796
reading instruction with vs without group counseling, self esteem & reading skills & coaches' perceptions of attitudes, college football players, 2560
reading proficiency in English & ability to perceive ambiguity & mental ability, English- vs Hebrew speaking college students who spoke English as 2nd language, US vs Israel, 18519
reading skill & sensitivity to interword constraint, poor vs good readers in 6th grade vs college, 10405
reasons for attrition & learning attitudes & styles, college students aged 50 yrs & older, 18555
reasons for withdrawal from college & academic performance, college students who withdraw early vs late in semester, 25834
relationship between industrial work experience vs classroom instruction, college engineering students, 3-yr longitudinal study, Nigeria, 28419
relaxation/cognitive therapy &/vs study skills training, test anxiety & academic performance, test-anxious college students, 31319
reliability & construct validity of semantic differential format of Learning Style Inventory, undergraduate nursing students, 15919
reliability & factorial validity of Multidimensional-Multiattributional Causality Scale, measurement of achievement & affiliation locus of control, college students, 15929
reliability & factorial validity of Student Development Inventory & subscales, college students, 7759
reliability of student course & teacher evaluation instrument, college students, 20815
religious attitudes, senior vs freshmen female college students, 4-yr followup study, 13040
repeated study & retesting on reading assignments, acquisition & retention of rote vs conceptual material, slow vs fast learning college students, 7750
replacement with vs without bonus, absenteeism, undergraduate peer tutors in college psychology course, 12896
repression & awareness of its use & internal scanning, prevalence of stress symptoms, college students, 4911
required writing assignments, achievement in chemistry, college students, 22951
research practicum in implementation & evaluation of assertiveness training program for physically disabled college students, psychology college students, 31218
residence hall design & alcohol consumption, college students, 18570
resistance to peer pressure to drink alcohol, college students, implications for university administration & planning, 13048
review of instructor's &/vs personal notes of lecture vs mental review, achievement on factual items, college students who were listeners only vs nonattenders vs notetakers, 7638
reward- vs punishment-based procedures, control of absenteeism, college students, 13019
role playing exercise for history of psychology course, college students, 15631
same- vs opposite-sex teacher model, career confidence & motivation, male & female college students, 20760
SAT mathematics scores & 4-yr average college GPA in mathematics, college students, 4883
satisfaction with campus life & facilities, college students, 4918
satisfaction with college environment & student- vs school-centered solutions to problems, disadvantaged Black vs Mexican- vs Native- vs Asian-American students, 2466
scholastic aptitude & demographic characteristics & dogmatism & social desirability, choice of criminal justice major, college students, conference presentation, 10444
school & curricula type, attitudes toward examination & motivation & curricula & work & education expectations & cultural roles, college students, Poland, 7675
screening program, performance on test required for admission to teacher education program, 15935
self appraised problem solving abilities, awareness & utilization of campus helping services, college students, 15924
self concept & self appraisal & ability to deal with racism & preference for long vs short term goals & social support & leadership experience, prediction of academic achievement, Black vs White college students, 4-yr longitudinal study, 15770
self coping cognitive treatment, test anxiety, college students, 15892
self efficacy beliefs, prediction of academic performance & perceived career options, college students considering science & engineering fields, implications for career & academic counseling, 28617
self esteem & IQ, prediction of performance & performance on cognitively demanding task, college students, 20746
self esteem & performance satisfaction, causal internalization of academic performance, college students, 25806
self esteem, affective reactions to academic success or failure, college students, 28498
self help skills education, abusive drinking, college students, 12771
self report scores from brain dominance survey & Your Style of Learning & Thinking vs SAT scores vs GPA, female college students, 15926
self reported incidents of sexual harassment by teachers, female vs male college vs graduate students in physics & chemistry & economics & sociology, 23037
self selection of student groups, ability level homogeneity & grades, college students in Keller statistics course, 15640
semantic differential with vs without mention of race, assessment of attitudes toward Blacks, White male & female college students, 28625
sex & race & academic class, student apathy measured by Purpose in Life Test, Black female vs male college students, 28500
sex & residence & GPA & class status & college affiliation, repeated violation of university policies, college students, 6-yr longitudinal study, implications for college & university administrators, 15793
sex differences & type of examination, worry & emotionality & expected & actual outcomes, college students, 4990
sex differences, selection of institution for higher education, college students, 10452
sex education & sexuality & attitudes toward sociosexual relations & apathy, physically disabled college students, 18567
sex role orientation & self esteem, choice of feminine- vs masculine-typed occupational field of study, female college students, 15795
sex role perception, depression, female college students, implications for school counseling, 10438

sexual behavior, college students, Spain, 3631
shift from remedial to student developmental counseling model, perception of mental health needs priorities, college vs graduate students vs college mental health staff, 4-yr followup, 18642
simulation exercise of labor-management dispute in descriptive statistics course, college students, 15711
situational contexts & preferences & functions of sexual fantasies, male vs female sexually experienced college students, implications for college health personnel, 18538
situational dimensions of register in English language government administrative letters & communicative competence required for comprehension, civil servants & college students, Nigeria, implications for college curriculum, 31199
situational factors, failure to mentor incoming female cadets, female upperclass West Point cadets, 15812
slides in psychology education, college students, 12933
small-group counseling vs career course, career decidedness & maturity, 17–34 yr old college students, 28595
soap opera viewing patterns & motivations & level of involvement, college students, 20641
social & affective predictors of academic achievement, freshman college students, 15771
social & economic factors & knowledge of impact of labor market conditions, career choice & selection of major field of study, newly admitted college students, Great Britain, 31244
social & occupational concerns & attitudes toward business, college business students, 25830
social adjustment & academic performance background, college adjustment & academic achievement, Black vs Chicano college students in predominantly White college, 20729
social context of alcohol consumption, college students vs driving while intoxicated offenders, 1407
social interest, library & information services graduate & college students, 28503
social learning theory vs mathematics aptitude-anxiety model, mathematics final examination performance, college students, 10558
social network structure & types of social support & support satisfaction, college students, 20735
socialization, education & academic performance, female 9–11 yr olds vs college students, Spain, 28475
speech vs pointing gesture information, interpretation of referential acts, 2.4–3.9 vs 5–6 yr olds vs college students, 29650
stability of hysteric personality trait, college student sorority members assessed while living in sorority house vs vacationing at home vs during Rush Week, 18552
stage of moral reasoning, religious & political conservative vs liberal male vs female college students, 26790
standardization & socialization of academic environment, highly creative college students, 15870
statistics achievement, female vs male college students, 15732
statistics course, form & structure of cognitive organization of statistical concepts, college students, 12971
steps for establishment of official student chapter of American Association on Mental Deficiency, college students, 18543
stress management program, college students, 23134
stressful life events, exam scores & course points & grades, college students, 31226
student & course & teacher characteristics, ratings of teachers & courses, hearing impaired college students, 7723
student characteristics & prediction of academic achievement, college students, literature review, 10415
student development program, ability & performance & self concept, college students, 18682
student life services program, understanding value of psychotherapy, college students, 5017
Student Opportunity Program intervention, problem drinking, college students, 31369
student perceptions of college faculty members' instructional style, recommendation of faculty members' course to other students, college students, Israel, 13017
student-produced vs quoted metaphors, argument persuasiveness, college students, 4896
student ratings of instructional effectiveness & perceived student/teacher attitude similarity & course grades, college students, 15773
student ratings of psychology course content, agency preferences for educational background of entry level personnel, psychology students & urban vs rural human service agencies, 12856
study & test taking skills & unrealistic expectations & belief in negative self statements & Type A behavior, high vs low achieving college students with high vs low test anxiety, 31224
study methods, test scores on content area examinations, college students in reading course, 10416
study of programed text, self evaluation of number of correct responses, 27–33 yr old part-time college students, 18460
study techniques involving self questioning, reading comprehension, college students, 15754
study times & strategies & behavior, academic achievement, 1st yr civil engineering students, 4884
success vs failure, sources of stress or worry, intercollegiate wrestlers, 12958
superordinate vs subordinate mathemagenic postquestions, cognitive capacity engagement during reading task & subsequent performance on recall posttest, college students, 20671
support systems & counseling programs, college students with learning disabilities, 28530
teacher's self disclosure perceived as information pertinent to success in course, college students, 20756
teaching models & participants' characteristics & background, college students & teachers in psychology departments, Denmark, 12953
team learning, college students, 10335
televised vs conventional classroom lectures, achievement & class attendance in introductory sociology class, college students, 22939
test anxiety, test performance & cognitive self appraisal, anxious college students enrolled in statistics course, 15748
test familiarity & mode of content presentation, performance on conditioned logic tasks, college students, implications for evaluation methods, 2577
test-retest policy, test anxiety, college students in introductory psychology, 15894
testing procedure, eye movements indicative of information processing, college students, 7752
testwiseness clues within teacher-made multiple choice tests, college students, 4978
theoretical vs empirical strategies, creation of new phrases in unknown language by analogy with translated text, secondary school & college students, USSR, 7641
think-aloud vs thought-listing cognitive assessment methods, cognitive content variables & problem solving & anxiety, highly math anxious college students, 4904
time management peer counseling, grades, 1st yr college students on academic probation, 4836
time of day of instruction, grades, college students, 15764
training & encouragement toward technological & computer based fields, Black college students, 28626
trait attributions about college students with physical disability, able-bodied college student, implications for design of programs to reduce prejudice, 31247
treatment by college faculty, achievement & confidence, male vs female college students, implications for policy making in higher education, 15788
tutorial vs compensatory vs Adelphi vs linking models, provision of transitional educational services between secondary & postsecondary programs, learning disabled college students, 15848
type of treatment & family heredity factors, academic performance, college students with typical vs latent schizophrenias vs schizoaffective psychoses, 9313
typicality of use of differing conceptual systems, 21–25 yr old Open Univeristy students, Northern Ireland, 13053
university feminist & nonsexist peer counseling service, female college students, 23097
use of analagous solutions, solution of algebra word problems, college algebra students, 2437
use of notes & textbooks during examinations, test performance, psychology college students who were candidates for degree honors, 28469
utility of educational counseling workshop, assistance in declaration of academic major, college students, 15902

utilization of grammatical & transitional & lexical types of textual cohesion in expository writing, learning disabled college students, 23062
utilization of television quiz show model in leadership training workshop, college student government leaders & peer advisors, 25793
validity of Allied Health Aptitude Test & previous GPAs, prediction of persistence & GPA in university respiratory therapy program, college students, 31370
validity of approaches to studying inventory &/vs Tertiary Entrance Examination scores &/vs student background characteristics, prediction of academic achievement, 1st-yr college students, Australia, 25939
validity of combining correction-for-guessing scoring & cutting score based on judges' perceptions of omit behavior on mathematics achievement test, college students, 5004
validity of ordered tree technique, assessment of cognitive structures & development in academic course, college students, 20810
variation in methods of encoding advance organizers while reading essays, memory for organizers & subsequent essay content, college students, 15641
various feedback intervals in personalized system of instruction, performance & retention & preference, college students in advanced psychology course, 20724
verb pattern information, usage of verbs having to do with giving, high school & college students & professionals who spoke English as 2nd language, Hong Kong & Australia, 18527
verbal &/vs aural example of complex music selection vs practice only, musical performance, college music education students, 7612
verbal vs matrix organizational/memory charts under computer vs learner control, Pico-fomi problem solving, college students, 10384
visual & auditory acuity & personal adjustment & academic achievement, verbal & nonverbal scores on New South African Group Intelligence Test, college students, South Africa, 25922
vocational guidance & age & motivation & work situation, career choice in psychology field, 17–45 yr old psychology students, 13036
vocational identity as evolving self & occupational concepts, ego-identity formation & vocational development, male vs female college students in combined bachelor of science program, 18399
vocational interests, male college varsity football players, 20749
volunteer participation in psychological research, self esteem, college students, 20755
WAIS vs WAIS-R IQs & congruence with composite & subscale scores of American College Testing entrance examination scores, college students, 4999
welcome program, retention of students, Chicano & Black incoming college students, 18664
workshop for counseling assistance in selection of academic major, college students, 25904
writing as tool in teaching social psychology, college students, 15717

College Teachers

academic development & rewards & recognition for professional activity, university faculties, 18431
administrative service as department chair, scholarly career, academic chemists, 15619
advocacy strategies for confrontation of sex discriminatory practices, female college faculty in large urban university, 25736
age & cohort & time of measurement, research productivity & impact, university psychologists, Canada, 4775
attitudes about reality, feminist leaders in psychology vs college faculty members vs college students in course on women, 17272
attitudes toward & coverage of energy education in curriculum & knowledge of energy issues such as nuclear power & conservation, 16–19 yr old college students & teachers, UK, 18500
attitudes toward & use of DSM-III, academic psychiatrists, Canada, 7525
attitudes toward communication with students & ongoing course planning activities & class processes, college faculty, conference presentation, 4811
attitudes toward experiential education & college goals & objectives, college students & faculty, 2429
attitudes toward illness, physicians vs academics, Israel, 20580
attitudes toward projective techniques, faculty in American Psychological Association approved clinical psychology programs, 15538
attitudes toward use of diagnostic laboratory tests, medical college faculty members, 10187
attribution of academic failure to effort vs strategy, affect & attitude & future performance expectations, female college students & their professors, 20717
autobiographical account of psychological effects & experiences of tokenism, female first civilian faculty member at US military academy, 25757
career development path, images of aging & self & work, male vs female 50–60 yr old college professors, 12909
causal attributions of students' ability & effort & achievement, behavior in academic setting, college teachers & their psychology undergraduates, 2448
clinical competencies & nursing diagnosis, associate vs baccalaureate nursing degree graduating students & faculty aged 19–56 yrs, 22837
colleague ratings of personality traits & observed classroom behavior, ratings of teacher effectiveness, college students, 2564
computer-administered neurobehavioral evaluation system, evaluation of effects environmental agents on CNS function, 20–69 yr old blue collar workers & college staff & faculty, conference presentation, 23360
construct validity of imposter phenomenon, female vs male university faculty members, 20664
counseling center title, likelihood of using center, college students & faculty, 31312
demographic data & professional productivity & personal contact networks, obtaining appointments in American Psychological Association-approved counseling psychology programs, 26–42 yr old recipients of junior level appointments, 20615
development & implementation of participative management evaluation system, appraisal of performance, university faculty, 15900
diagnostic vs summative appraisal criteria in teacher effectiveness ratings, college students, 20748
educational backgrounds & related postdoctoral experiences, instructors of clinical neuropsychology in American Psychological Association approved internship programs, 15522
elementary education theories & techniques, delineation of strengths & weaknesses of teaching style at college level, college accounting teachers, 4849
factors in establishment of same-gender student-faculty role model relationships, male vs female graduate students, 4910
faculty characteristics & satisfaction with college conditions & participation in governance, voting in collective bargaining elections, college faculty, 22878
feedback with vs without consultation regarding instruction, student ratings & use of instructional resources, college instructors, 10-yr longitudinal study, 4826
female productivity & collegial relations & research style, male vs female sociologists & college teachers, 8-yr followup, 4818
generalization of teacher characteristics across teaching levels, elementary & secondary school & college teachers, 22899
global appraisal vs model teacher criterion ratings, teacher performance in lecture format course, college students, 10546
graduate student supervision of independent research project, undergraduate psychology students, 12942
grievance options within university & state & federal agencies & success rate, female college teachers, 25731
handling of presented sex equity issues brought by female faculty members, court system, 24373
historical account of organized efforts to confront sex discrimination, female psychologists in academe, 1941–59 & period following 1969, 25691
individual orientation toward research & institutional climate for research, scholarly productivity, undergraduate social work teachers, 31158
institution type & academic rank & teaching goal & course level, variation & selection of psychology curriculum, college teachers, 12983
integration of organizational behavior theories & perspectives on sex differences in value of social relationships & achievement, institutional sex discrimination, female college faculty members, 25732

job satisfaction & organizational commitment & intention to resign & employee turnover, insurance company clerical personnel & university faculty & clerical staff & food service managers, 7845
leadership style & trait anxiety & teaching experience, student grade assignment, college professors, 7582
level of interaction, student affairs staff & faculty members, 15597
mentoring relationships, college professors working with graduate students in education, 15594
motivational patterns & styles, clinical practitioners vs academic clinical vs nonclinical psychologists, 2283
negative noncontingent feedback outcomes & lecture content, teacher effectiveness & expressiveness, college students & their teachers, 20700
participation in professional activities, retired college teachers, US vs UK, 22887
perception of department chairperson's ability to initiate structure & performance of typical responsibilities, assessment of leadership & effectiveness, college faculty members, 25741
perception that work style leads to tenure or promotion or salary increase, congruency of work actions & intentions, college deans & departmental chairpersons & faculty members, 25758
perceptions of adequacy of faculty academic committees in provision of student guidance on coursework & comprehensive examinations & dissertation research, graduates of doctoral education programs, 25839
perceptions of student behaviors, faculty at teaching- vs research-oriented universities, 2302
perceptions of teacher competency, college students, France vs Canada, 10432
perceptions of teacher instructional effectiveness & teacher characteristics, college students, 1981–82, 28630
professional role changes to institutionalize continuing education, university faculty, 15621
psychological forces reinforcing sex discrimination, female college faculty, 25748
quality of journals published in vs quantity of publications listed on academic vitae, comment on S. C. Hayes suggestion, 2318
quality of journals published in vs quantity of publishers & need for selectivity in listing publications on academic vitae, comment on S. C. Hayes suggestion, 2307
rated distortion of Adlerian individual psychology in introductory textbooks, Adlerian teachers & practitioners, implications for psychology education, 15714
reliability of student course & teacher evaluation instrument, college students, 20815
review of faculty practice support group from feminist perspective, nursing faculty, 31044
role in creating more equitable conditions at state university, members of Faculty Women's Association, 25721
role transition from graduate student to faculty member, counseling psychologists, 31103
same- vs opposite-sex teacher model, career confidence & motivation, male & female college students, 20760
self report vs interactional analysis of teacher-student interaction in adult vs preadult classrooms, university & community college & public school adult education teachers, 12905
social background & educational & athletic & career characteristics, Black vs White Division 1 college football coaches, 22906
social skills course, attitudes & teaching methods & management & problem solving skills, college teachers, 15599
stages of career development, predoctoral internship training directors, 22835
statistical consulting in college environment, 10308
strategies for recruitment & selection & advancement of women in counselor education & higher education, 10178
student evaluation of teacher effectiveness & faculty approaches & attitudes toward teaching, college students & college teachers rated as superior, Australia, 31134
student perceptions of college faculty members' instructional style, recommendation of faculty members' course to other students, college students, Israel, 13017
successful affirmative action programs, female college faculty members, 10291
teaching models & participants' characteristics & background, college students & teachers in psychology departments, Denmark, 12953
utility of multiple regression analysis, predictor of academic & publication activity, counselor educators, 21040
work environment & personality & coping behaviors, dysfunctional stress, college faculty, 4823
working conditions, job satisfaction & work attitudes, faculty members in Black colleges, 28383

Colleges [See Also Community Colleges]

academia & investor-owned hospitals & role of psychiatrists, 20617
advantages of affiliation between Hospital Corporation of America & Division of Child & Adolescent Psychiatry, 20508
assistance in management of colleges & universities, retired senior executive volunteers, 25750
attitudes toward counselors & counselor education programs, college deans of education, 2324
attitudes toward public interest research group funding, college students, 18413
baccalaureate origins of doctoral recipients in psychology for selected undergraduate institutions, 1920–80, 2234
college health nursing services, nurses, 31065
college selectivity & organizational type & public control, changes in career goals & values, college students, 13016
college-sponsored career services & educational guidance program, community nonstudents, 28618
consumer behavior theories & market segmentation strategies, college recruitment, 18416
corporate viewpoint of relationship between university & corporate hospital settings, 20518
degree of consensus on relative importance of presidential roles, college presidents & governing board chairpersons, 25727
development & validity of attitudes toward college inventory, prediction of college attendance, 13–19 yr old economically disadvantaged students, 18644
development of approved certification program in school social work at University of Pennsylvania School of Social Work, 15518
development of Forum on Research Management, relationship between federal funding agencies & university psychology communities, 12900
development of psychology at Brooklyn College of City University of New York, 1935–70, 16
development of suicide prevention program by college campus health service, 4981
dynamics of interactive relationship, college psychotherapist & dean of students, 25925
environment as reported by faculty & administrators, small Christian liberal arts colleges, 25838
establishment of formal consultative relationship between counseling center & office of residence life, prevention of mental illness & facilitation of personal growth, college students, 5003
ethnic composition, student affairs staff in Southeastern public colleges, 1980 vs 1984, 10314
evaluation & refinement of guidelines for establishing formal environmental assessment in educational institutions, 15578
evolution from research in human to animal psychology during history of behavioral laboratory of Autonomous University of Barcelona, Spain, 5163
factors in selection of college, academically talented college students, 25835
frequency of encounters with ethical dilemmas & resources used to solve them, counselors in college counseling services, 13137
guidelines for college choice, learning disabled students, 2502
history & evolution of contributors from University of Arkansas Department of Psychology, 15587
history of racial integration at Oberlin College, Blacks, 28370
institutional research & management planning in 2-yr colleges, 2286
issues in history of higher education & establishment of Bennett College & Spelman College, Black females, 22925
leadership by president & college & university success, 25735
logotherapy, spiritual awareness & self education, college students & workshop participants, 2287
management of small colleges, implications for leadership, 25752
matrix model of organizational structure & practices of research university, 10268
negotiation of indirect costs between federal funding agencies & universities, 12901

noise level reduction, perceptions of noise problems, patrons in undergraduate library, 23024
organization & management & staff qualifications & budgets & contractual use of community services, counseling services in small colleges, 25932
organizational patterns & instructional methods & trends in university-based reading clinics, clinic directors, 20668
organizational problems & role conflicts in implementation of marketing & outreach programs, student enrollment, college academic & student services officers, 25743
perceived institutional goals, faculty & students & administrative staff at church-affiliated colleges, 2293
perceptions of changes in client needs & agency role expectations & skills, college counseling center staff, implications for counselor training programs, 10554
personal & social & academic & career needs, freshmen & sophomores at regional university vs liberal arts vs Black vs urban college vs technical institute, 15806
positive reinforcement & equitable salary evaluation process, college teachers, 25749
primary research topics, Higher Institute of Social Psychology of University of Torino, 1970–80, Italy, 29933
primary research topics, Institute of Psychology & affiliated divisions of University of Bologna, 1970s, Italy, 28843
primary research topics, Institute of Psychology of University of Genoa, 1970s, Italy, 28848
primary research topics, Institute of Psychology of University of Milan, 1970s, Italy, 28844
primary research topics, Institute of Psychology of University of Padua, 1970s, Italy, 28845
problems of service & research in psychology department training clinics, patients & clinical psychology graduate students & clinical directors of psychological service center, 23111
processes & factors in organizational transformation & decline of college, conference presentation, 28811
quality of college &/vs family social origins, occupational attainment, college graduates, 8-yr longitudinal study, 7792
reasons for college selection, male vs female college athletes receiving full vs partial scholarships, 18553
role of supervision & practitioner's experience & training & certification, quality assurance, counselors in university counseling centers, 15912
scheduling as attraction for enrollment, adult students at colleges & universities, 25718
selectivity of liberal colleges, academic rigor & standards reflected in questions asked on course examinations, 12894
sex differences, selection of institution for higher education, college students, 10452
structural change vs scale differences within vs between organizations, doctorate-granting universities, test of P. M. Blau's theory of structural differentiation, 26015
successful affirmative action programs, female college faculty members, 10291
urban universities & community relations, college image & programs & faculty & student & community services, 20649
use of cognitive imaging in organizational change & development of University of New Mexico, 1967–78, 25724
weekly campus newspaper column prepared by university counseling center, interest in mental health topics, college students, 18685

Colombia
affective content of attitudes toward power in familial & social & organizational role pairs, public employees, Columbia, 31492
age & SES & income & educational level & job status, urban economic & social life, domestic vs nondomestic working females, Colombia, 31439
attitudes toward importance of education &/vs experience criteria in personnel selection & employee attitudes, managers of business organizations, Colombia, 31420
examples of applied social psychology at Valle University, Colombia, 29930
occupational satisfaction & adjustment, 18–23 yr olds hired in city to work in rural area, Colombia, 28682
racial terminology in descriptions of individuals in manipulated photographs, adults from various social classes, evidence of cultural mechanisms supporting discrimination & acceptance of miscegenation, Colombia, 8960
rural to urban migration, employment & education & housing problems & health & mortality issues, youth, Columbia & other Third World countries, 29807

Colon Disorders [See Also Colitis, Constipation, Diarrhea, Fecal Incontinence, Ulcerative Colitis]
psychometric assessment & differentiation of behavioral variables & alexithymic characteristics, patients with irritable colons & duodenal ulcers, 27576
stress, colon motor & electrical activity in irritable bowel syndrome, adult female patients, 4212
stress management training vs antidepressant & smooth muscle relaxant & bulking agent treatment, patients with irritable bowel syndrome, 25028

Color [See Also Achromatic Color, Hue]
ability &/vs color vs monochrome &/vs photograph vs line drawing form, perceptions of biological pictures, 13–14 yr olds, 26857
addition of color to dry primate diet, feeding behavior, adult & juvenile orangutans, 11051
ball color, horizontal perimetry detection, college students, 13565
Barnum effect in Luscher Color Test interpretation, college students, 16140
basic color terms in ancient Egyptian language & polychrome colors in painting, cognitive implications, evidence for B. Berlin & P. Kay's encoding sequence for language & theory of basic perceptual color categories, 16844
beliefs about color, legibility & preference & memory of color patterns & impact on political campaign literature, adults, 13278
brown vs white nursing staff uniforms, nocturnal disturbed behavior, visually impaired male 34–86 yr old hospitalized patients with Alzheimer's disease or stroke or schizophrenia or Huntington's chorea or alcoholism, 22735
color cueing & lighting enhancement program, performance of daily activities, Level III institutionalized elderly, 25484
color, emotional response, college students, reprint of previously published article, 23642
color, naming & recognition of everyday objects, college & graduate students & 20–35 yr old medical students & nurses & doctors, 11016
color of environment, anagram solving performance & mood, female vs male college students with high vs low college board scores, 16042
color preference & MMPI scores, chronic alcohol & drug addicts, 30257
color preference & psychiatric disorders, 11–93 yr old male vs female psychiatric outpatients, 11940
color preference & verbal response bias & tendency toward red, humans, Netherlands, 19057
color preferences, male vs female 65–101 yr olds, implications for art therapy, 22389
color stimulation added early vs late vs omitted, performance on sustained concept vs vigilance task, hyperactive 1st–6th graders, 20792
color triad of white-red-black as symbolic code found in body & imagination, 28856
exposure to red vs blue vs white light, time estimation & eyeblinks & skin conductance & pulse & heart rate & EEG, college students, 29326
lithium chloride & methiocarb paired with color, failure of color avoidance learning, starlings & red-winged blackbirds, 13736
preference for color violet, 7–93 yr old male vs female psychiatric outpatients, 14613
red vs blue color preference, high vs low stimulation seeking adolescents, 19683
set size, color matching using CRT displays, laboratory staff, 23296
stereotypes for color associations, 20–60 yr olds, Yunnan Province of China vs US, 21962
stimulus color & sign tracking with interfood clock, keypecking, pigeons, 16356
strategy for determination of optimal colors & phosphors & surrounding ambients for CRT displays, 23292

variable focality & maternal input, acquisition of color concepts & terms, 1.5–4 yr olds, 19567
Color Blindness
age & sex, errors on pseudo-isochromatic tests, 6–16 yr olds with normal vs defective color vision, 17647
color blindness among directionally-selective movement detecting systems, 13589
cone mechanisms underlying color discrimination of deutan color deficients, 18–30 yr olds, 10932
corneal electroretinogram measurement of cone spectral sensitivity, dichromatic monkeys, 484
defective color vision & transference & countertransference, analysands & analysts, 17772
hue cancellation linearity, protanopes & deuteranopes, 4152
Rorschach color responsivity, male color blind vs normally sighted college students, 9517
test-retest reliability of Ishihara's Tests for Colour-Blindness, normally sighted vs color blind 8–13 yr olds, 5326
validity of Ishihara's Tests for Colour-Blindness, color blind vs normally sighted 7–15 yr olds, 5327
Color Constancy
colored Mondrian background & spectral composition of illuminant, color perception & generalization, goldfish, implications for applicability of E. H. Land's retinex theory to primitive vertebrates, 513
theories of illuminant adaptation & limitations of color constancy, 13599
Color Contrast
dynamic model of color contrast usage, enhancement of visual clarity, aged, 4679
negative priming effect & superimposed vs spatially separate Stroop color word list-reading task, selective attention & response inhibition, 18–50 yr olds, 29109
Color Perception [See Also Color Constancy, Color Contrast]
ability to discriminate mirror-image obliques, orientation selective color aftereffects, children, 8772
achromatic testing for McCollough effects, decay of McCollough effects, adult Ss, 19076
adaptation stimuli inside vs outside of focus of spatial attention, object color & shape integration in preattentive vision & McCollough aftereffects, college students, implications for feature-integration theory, 21088
adaptational mechanisms in chromatic facilitation, adult male, 5420
age & sex, errors on pseudo-isochromatic tests, 6–16 yr olds with normal vs defective color vision, 17647
ambient illumination color & foreground/background color pairings, choice reaction time task on color CRT, male & female Ss, 23558
assessment of elemental nature of color gray, adult Ss, support for opponent processing models, 13581
attention to stimulus location & relation to perceptual representation of stimulus or decision process, integration of color & shape information, 16–38 yr olds, 26854
binocular adaptation to & monocular viewing of similar stimuli, strength of McCullough effect & color aftereffects, 2996
blue cones & pathways with vs without transient tritanopia, wavelength discrimination & contour-rendering properties, 517
categorical shape & color coding, pigeons, 19235
chromatic properties of retinal afferents in thalamus & tectum, frogs, 21310
color & position processing, visual pattern perception in background masking task, female college students, 21065
color blindness among directionally-selective movement detecting systems, 13589
color cell groups in foveal striate cortex, rhesus monkeys, 26530
color matching & preference & naming, 1.5 vs 2.5 vs 3 yrs, 14201
color principles & perception of structure of various sequential mixtures of tonal centers, 21–42 yr old trained listeners, conference presentation, 13604
color stimulation & additional information, copying performance, 14–18 yr old males with attention & behavior problems, 14922
color stimuli in bar-probe tasks with vs without instructions, performance according to optimal strategy, college students, implications for postcategorical-filtering model of information processing, 247
color vs form sorting, mildly vs moderately vs severely demented patients, 22267
color vs shape name learning, 3 yr olds, 797
colored Mondrian background & spectral composition of illuminant, color perception & generalization, goldfish, implications for applicability of E. H. Land's retinex theory to primitive vertebrates, 513
compound eyes as model for study of 2-dimensional spatio-temporal processing of color & motion, flies & insects, conference presentation, 29271
cone mechanisms underlying color discrimination of deutan color deficients, 18–30 yr olds, 10932
contribution of differential blue cone excitation to distinctness of borders in small visual fields, adult Ss, 23532
corneal electroretinogram measurement of cone spectral sensitivity, dichromatic monkeys, 484
correlations among neurobiology of color vision & psycholinguistics of color naming & work of C. Jung on psychological meaning of colors, 11178
development of color naming, young children, 6044
dim violet bar vs random-dot stereograms superimposed on bright yellow background, depth perception mediated by blue-sensitive mechanism, 508
discrimination of chromatic vs achromatic stimuli, 1–6 day olds, 21678
drug treatment, perception of red vs white colors at photostimulation & EEG rhythm, patients with epilepsy vs organic brain damage, conference presentation, 14863
equiluminance, vernier acuity, adults, 10929
external vs internal color-word relation in modified Stroop task, postcategorical filtering & selection stages & limited capacity processing, college students, 248
Fourier analysis, assessment of score charts for Farnsworth-Munsell 100-Hue Test, 21026
genetically selected &/vs imprinted color preferences, perceptual learning, quail chicks, implications for mediation of implicit gene & learning effects, 3138
genetics & sex differences in color vision, squirrel monkeys, 3158
hue cancellation linearity, protanopes & deuteranopes, 4152
isoluminant stimulus containing color contrast with no luminance contrast, induction of motion aftereffect, adults, 10930
just noticeable inhomogeneity criterion for determination of wavelength discrimination functions, adult Ss, 23551
lie transformation group model of neuropsychology, prediction of pattern specificity of visual aftereffects of color, college students, 16247
light adaptation, spectral sensitivities of red-green & yellow-blue opponent color responses, 8179
matching vs oddity discrimination with colors, transfer effects with new colors, pigeons, 26412
measurement of incremental redness or greenness thresholds for bichromatic mixtures, determination of red-green antagonism at color threshold & in perceptual hue cancellation, adult Ss, 21066
memory for color of pictures & words, college students vs 58–78 yr olds, 3448
mixing of red & green cone signals by photoreceptors in outer retina, turtles, 26515
modulation sensitivity function of blue mechanism on dark & uniform yellow backgrounds, adult Ss, 29054
multidimensional scaling method, evaluation of color perception, Ss with localized parieto-occipital cortical lesions, 10795
neurophysiological & psychophysiological model of color spatial vision, literature review, 212
normal vs analytical attitude, estimates of reduction lightness in transparent surfaces, college students, 232
ocular dominance & chromatic perception, female college students, 13585
overshadowing & blocking, orientation-contingent color aftereffects in Pavlovian conditioning, 17–19 yr olds, 13510
perception & recognition of color-form compounds, 4 mo olds, 14141
perception of proportion of hues in monochromatic lights in 460–640 nm range, male college students, test of J. S. Werner & B. R. Wooten's average O, 16250

psychological parallels in perceptual categorization, identification & selective adaptation of hues in color perception & auditory detectors for phonemic perception, college students, 13506
purple or black or orange or white background, subjective brightness of figures, college students, 5402
rearing under red illumination for 1st 3 mo of life, color discrimination at 5 mo of age & increment threshold spectral sensitivity at 1.4 yr, monkeys, 23879
retinal illuminance & boundary length & speed of step movements vs pulse width vs pulse movements of retinal image, perception of hue with colored targets, 8171
retinal illuminance & size of matching field, red-green color matches, 23–47 yr olds, 8167
retinal illuminance during color-matching of monochromatic lights in 10° field, visibility curves, 19–67 yr old Os, 5414
signal-processing explanations of trichromacy of vision, comments on work by H. R. Barlow & G. Buchsbaum & A. Gottschalk, 23534
single vs dual elements presented simultaneously vs sequentially, 1-key matching task, female pigeons, 26406
spectral sensitivity in light adapted state, freshwater turtles, 13817
standardized test methods & viewing conditions, screening for congenital & acquired color vision defects, 22226
study of visual pigment ecology & color vision & extraretinal photoreceptors, invertebrates & vertebrates, literature review, conference presentation, 523
sudden presentations of target/nontarget stimulus consisting of green & red spots of light, 1st saccadic responses, adult Ss, 13576
test exposure duration, detection thresholds for mixed color test stimulus, males with normal color vision, 21102
theories of illuminant adaptation & limitations of color constancy, 13599
training in red/green color discrimination, acquisition of transfer to yellow/blue discrimination, goldfish, 29222
transient cancellation methods, strength of chromatic response elicited by briefly flashed monochromatic light varying in exposure duration, adult Ss, 21103
trial-and-error training vs fading, color discrimination, severely mentally handicapped 22–59 yr olds, training & educational implications, 25263
tritan discriminations, 1 vs 2 mo olds, 14192
ultraviolet radiation & carotenoids in diet, color discrimination, Ss living near equator, Mangaia, test of M. H. Bornstein's hypothesis, 13557
viewing distance & duration & stimulus clarity, performance on pseudoisochromatic tests of color deficiency, college students, 8176
viewing duration & distance & illumination level, performance on pseudoisochromatic tests of color blindness, college students, 230
visual search for object surrounded by objects of similar shape or color, analysis of color & shape confusions that affect task difficulty, 3–5 yr olds & children with mean ages of 6.9 vs 9.8 yrs old, 19618
visual vs verbal vs visuo-verbal tasks, distinction of optic aphasia for color & color agnosia, elderly vascular brain damaged patients, 4103

Coma
alpha coma induced by decompression sickness complicated by spinal cord lesions, 21 yr old male, 12286
electrodiagnostic correlates of clinical vegetative state, 42–74 yr old comatose patients, 27572
hypoglycemic coma & sudden death, 18 yr old female & 27 yr old male with anorexia nervosa, 20228
incidence & causes of coma experiences, Black precare & aftercare patients who had been treated for mental illness, 9504
midazolam, EEG activity, 45–60 yr old comatose patients, 25305
recovery of consciousness & speech, EEG coherence, comatose patients, 6785
stages of recovery of consciousness, patients in prolonged coma following severe craniocerebral injury, 20138

Comfort (Physical) [See Physical Comfort]

Commerce [See Business]

Commissioned Officers
pet involvement patterns during vs after transfer, junior vs senior enlisted vs officer families, 8966

Commissurotomy
alexithymia, 21–57 yr old patients with cerebral commissurotomy, 20253
alexithymia, 21–64 yr old patients with partial vs complete commissurotomy, 17682
behavioral techniques, cortically blind patients, challenge of M. S. Gazzaniga's assumptions on commissurotomy & right hemisphere speech, 15107
bilateral hippocampal kindling, state dependent learning in aversive inhibitory avoidance paradigm, male commissurally intact vs split brain rats, 5772
commissurotomy, encoding of spatial patterns presented concurrently to 2 hemifields under maximal perceptual load, epileptic 30 yr old male, 14846
finger localization, 18–72 yr olds with complete or partial commissurotomy, 20153
forebrain commissurotomy, interhemispheric communication, split-brain patients, 14882
hypnosis & commissurotomy & multiple personality disorder, implications for unity of self, 9187
imagery ability & generation of multipart images, 19 & 32 yr old commissurotomy patients, 13814
performance of complex arm movements & facial movement sequences, 15–55 yr old patients with complete vs partial sectioning of hemispheric commissures vs unilateral lesions of frontal or temporal or parietal complex, 28056
reaction times to lateralized flashes of light, assessment of interhemispheric transfer of information, 32–51 yr old commissurotomy patients, 23832
utility of MRI imaging to detect cerebral hemispheric disconnection, patients with intractable epilepsy who underwent commissurotomy, 30813

Commitment
commitment & autotherapeutic tendencies in peace movements, participants, 3552
commitment & leisure behavior, 31389
escalation of commitment phenomenon following negative feedback, male college students, replication of experiment by B. M. Straw, 19808
extramarital sex, depression & commitment, 21–60 yr old couples seeking marital therapy, 17902
factor structure & concurrent validity of union commitment scale, Black vs White miners, South Africa, 16135
intimacy & passion & decision/commitment components of triangular theory of love, 21992
job satisfaction & involvement & organizational commitment & turnover intention & life satisfaction before vs following vacation, technical & administrative & clerical & service personnel, 31525
keeping track of another's needs, desired communal vs exchange relationship & opportunity for other to reciprocate, college students, 29941
love & liking for partner & satisfaction & commitment & personal attitudes & values, sexually open vs closed relationships, 21–70 yr old male homosexual couples, 24416
measurement & prediction of career commitment, nurses, 20842
multiple commitment approach & conceptualization of organizational involvement, literature review, 2676
oral information statement &/vs written persuasive communication &/vs public commitment, recycling, households that did not recycle during 6 wk baseline period, 23301
organizational commitment & demographic & cognitive-affective variables, male vs female professional organization accountants, Canada & US, 26009
perceived & inferred organizational support & commitment to employee, commitment to organization, employees & high school teachers, 31507
perceived conflict between own & managerial goal orientations & other correlates of organizational commitment, mental health professionals, 31106
performance feedback with negative implications for self identity in skill vs luck conditions, commitment to ineffective course of action to justify prior resource allocations, college students, 26337
personal phone call prompt, blood donor commitment, college students, 17226

predictors & attitudinal measures of job satisfaction & organizational commitment, child & youth care workers, 15514
prospect theory interpretation of escalating commitment to organizational course of action, 23237
psychoanalytic view of intimacy & fear of commitment, 24552
psychological attachment predicted on compliance & identification & internalization, prosocial behavior & organizational commitment, 31–40 yr old nonfaculty college employees & graduating business students, 29987
social linkages, organizational commitment & participation in voluntary organizations & churches, survey of Southern Baptists, 11735
suggestion for 2-factor dimensionality in assessment of labor union commitment, criticism of 4-dimensionality in questionnaire, by M. F. Gordon et al, 28952
use of information, promotion of commitment to organizational course of action, management personnel, 23232
Commitment (Psychiatric)
admission criteria & involuntary commitment, allegedly mentally ill & retarded persons, case law, 14345
American Psychiatric Association's model commitment law & need for better mental health services, 17144
American Psychiatric Association's model law & mechanisms for questioning judgment during commitment process, psychiatrists, 17141
American Psychiatric Association's model law, decision making power in psychiatric commitment, psychiatrists, 17129
civil commitment, mentally disordered criminals, 7406
commitment as condition of probation, state hospital, case law, 1056
commitment or retention decisions, persons committed after being acquitted of crimes by reason of insanity, case law, 27026
demographic characteristics & need for continuous monitoring, criminal defendants committed to mental hospitals by reason of insanity, Canada, 25528
demographic characteristics & violent behavior & civil commitment, 18–85 yr olds admitted to acute psychiatric care unit, 1973 vs 1983, 18271
determinations of dangerousness, approval of involuntary commitments, case law, 27021
due process protections, mental patients & others involuntarily institutionalized, case law, 14347
evidence needed for conditional release & standards for recommitment & availability of relief & length of commitment, patients committed following successful insanity defense, case law, 1038
examination of commitment certificates as indicator of insight into etiology of psychiatric disorders, family doctors, 19th century, Italy, 7942
expert psychiatric testimony at civil commitment hearings, case law, 27025
extended involuntary civil commitment, mentally ill patients, case law, 1037
Harris decision in Washington state, use of summons procedure for involuntary commitment, mentally ill offenders, 24369
historical review of use of psychiatric commitment, religious dissenters during Tsarist regime vs Stalin's rule, USSR, implications for impact of politics in psychiatric commitment, 28186
implementation of 5th amendment privilege of right to remain silent, psychiatric patients with mean age of 32.6 yrs under emergency commitment provisions, 4661
incidence of phencyclidine intoxication & clinical pattern & treatment course, involuntary psychiatric patients, 9255
influence of legal & consumer perspectives on deinstitutionalization of mentally ill, 22677
involuntary commitment, chronic alcoholics, case law, 14354
involuntary commitment process to mental hospitals, 1076
liability of residential institutions or hospitals in provision of adequate care & safety, involuntarily committed patients, case law, 1027
limitation of right to refuse medication, committed psychiatric patients, case law, 1036
medical & legal implications of refusal of treatment, involuntarily hospitalized psychiatric patients, 1082
medication refusal & legal & clinical issues, involuntary psychiatric patients, review of court decisions, 22589
Mental Health Act for involuntary hospitalization, England, implications for American mental health laws, 17098
mental health legislation, civil commitment practices, Canada, 14376
methodology for comparison of civil commitment process, 27064
Missouri's mental health laws on involuntary commitment, involuntary ECT, patients referred to court, 17734
model commitment law of American Psychiatric Association, response to comments of 4 authors, 17135
practice of least restrictive alternative by committing courts & outpatient treatment utilization, 21–85 yr olds under civil commitment, 6272
predictive validity & reliability of Three Ratings of Involuntary Admissibility, application of involuntary admission criteria in psychiatric emergency rooms, psychiatrists & nurses & social workers & 14–87 yr old patients, 165
problems in implementation of Psychiatric Reform Law assessed by numbers of requests for psychiatric commitment, patients, Italy, 11664
procedural issues in involuntary civil commitment, case law, 27024
procedures regarding civil commitment & regulation of treatment & criminal justice reforms & legalism, New South Wales Mental Health Act, 1983, Australia, 27084
proposed 4th standard for state civil commitment, obviously ill patients, 1092
psychiatrists' petition for commitment & patient characteristics, process of making decision to commit, district court judges presiding at civil commitment hearings, conference presentation, 17103
reasons for admission & patient characteristics, psychiatrically committed patients, Italy vs Sweden, 12724
release criteria, involuntarily committed patients, case law, 14344
revised laws for psychiatric hospital commitment, US, 9042
revision of Danish Mental Health Act of 1938, Denmark, implications for involuntary commitment, 24406
right to refuse treatment, civilly commited psychiatric patients, US, 25474
right to refuse treatment, involuntarily committed patients following successful insanity defense, 1081
rights of mentally ill & laws regulating involuntary psychiatric hospitalization, 28157
social & medical characteristics, mentally ill patient committed to hospital, 7440
standards for effective assistance of counsel at commitment hearings, 14388
state appeals courts decisions that consider least restrictive dispositions & discharge requirements, civilly committed persons, case law, 27022
state involuntary outpatient civil commitment laws, mentally disordered & dangerous persons, US, 27071
support for adoption of American Psychiatric Association's model law on civil commitment, 17106
treatment alternatives & waiving due process rights & sufficiency of evidence of dangerousness to self & need for treatment in commitment cases, case law, 27023
use of outpatient commitment, state attorneys general & mental health directors, 2034
use of plea bargaining in civil commitment, 35 yr old committed for alcohol addiction, US, 25506
Communes [See Also Kibbutz]
basic teachings of guru & elimination of stress, residents of Kripalu Yoga Ashram, 6977
farming commune drug treatment programs, 16–25 yr old drug addicts, 1970–75 followup study, 25609
ritual structure & time conventions, legitimation of work in alternative communities, 973
values & childrearing practices, childhood development, conventional married 2-parent vs single mother vs unmarried "social contract" vs communal group families, 12-yr longitudinal study, 27019
Communication (Privileged) [See Privileged Communication]
Communication (Professional) [See Scientific Communication]
Communication Apprehension [See Speech Anxiety]

Communication Disorders [See Also Hearing Disorders, Language Disorders, Speech Disorders]
analysis of disordered conversational data as basis for assessment & remediation, 10 yr old male, 9485
applications of microcomputer technology in communication disorders, 8002
aquatic & gym program, fine motor performance & rhythmic sense & position in space & behavior, 1st–6th graders with communication & coordination & behavioral & emotional disorders, 13113
cognitive deficits, communication impairments, hospitalized schizophrenic vs manic vs schizoaffective patients, 9312
computers as intellectual & instructional tool & applications in communicative disorders assessment & clinical intervention programs, 8016
content & objectives of graduate education, communication disorders & speech pathology & audiology, conference presentation, 25667
content & objectives of undergraduate education, communication disorders & speech pathology & audiology, conference presentation, 25635
determination of cultural bias in Miller Assessment for Preschoolers, assessment of risk for communication disorders, male vs female Black vs White 3–5.5 yr olds, 26257
development of psychiatric & learning disorders, at risk 1.7–15.9 yr olds with communication disorders, 9191
etiology & diagnosis & treatment of Goldenhar's syndrome, 19 mo old male, 6715
graded scale for audiometric testing, evaluation of hearing disability & audiovisual handicaps for compensation, 20–70 yr olds with noise-induced hearing loss, 6859
history & theory of LOGO computer-based learning environment, children with communication disorders & learning disabilities & motor handicaps, 31273
iconicity, acquisition of sign systems, young children with communication disorders, comments on article by M. Orlansky & J. Bonvillian, 3789
issues in study of pragmatic disorders, 9486
left temporo-occipital EEG spike focus in developmental disorder with auditory-verbal dysfunction, 10 yr old male, 9618
LOGO & GRIBOL computer languages to aid in thinking & learning, children with communication disorders, 31272
microcomputers for information management in speech-hearing clinics, 7982
model service program, communication disorders, 3–33 mo olds with moderate to severe handicaps, 18591
parent status & handicap competence of child & type of task, engaging child in task & teaching strategies, parents & their 3.5–5.7 yr olds with vs without language or communication disorder, 30345
parental status & child communicative status, linguistic & nonverbal teaching strategies, mothers vs fathers of 3.5–5.7 yr olds with vs without communication disorders, 24853
phonetics vs phonology as defined in linguistics, application to speech pathology vs phonetic & phonological disorders, 9480
predisposition to communication disorders, males, 4085
reliability of Andreason's Scale for the Assessment of Thought & Language & Communication Disorders, rating of verbal communication impairment, schizophrenic vs manic schizoaffective vs depressed vs hospitalized orthopedic patients, 9316
speech & hearing therapy vs research, 4547
spelling performance, patient with acquired dysgraphia vs 17 yr old female with developmental dysgraphia, 22218
teacher & student turn relations & remedial strategies, forms & patterns of verbal overlaps in classroom discourse, 8.4–12.3 yr old special education students with communicative disorders, 18610
verbal training program, quantity & quality & variability of understandable speech, 6.9 yr old nonverbal male, 1968
Communication Skills [See Also Writing Skills]
ability for understanding of instructions & communication of steps in sequence & rephrasing of verbal messages, 6 & 7 yr olds with learning disabilities, 3-yr longitudinal study, 20082
classification skills, referential communication task performance, 5–10 yr olds, 19605
clinical observations, children at risk for schizophrenia, Israel, 3897
communication by projective identification, female patient in analysis, 17863
communication performance & time on task & accuracy in placing objects on matrix boards, college students & 58–81 yr olds in dyads homogeneous vs heterogeneous for age, 11448
comparison & message formulation skills in referential communication, severely mentally retarded children, 25538
context of task demands & knowledge of factors affecting listening performance, redundancy in descriptions of pictures for imaginary peer listeners, 1st vs 5th graders, 24152
development of oral narrative skills in classroom setting, learning disabled children, 18583
development of peer commonality & adult conventionality in object term descriptions, kindergartners vs 2nd graders vs college students, 29567
development of social & communicative rules & competent use of sign language & exploration of environment, prelingually deaf 1–3 yr olds, 1579
discourse ability & cultural influences on classroom communication & cognitive schema, development of literacy in English, bilingual Hispanic & minority group children, review of research, 21696
familiarity with listener, production of redundant messages & sensitivity to listener's needs, 1st vs 4th graders, 29569
feedback of listener understanding of communication, understanding of message ambiguity & communicative performance, preschool age children, 6083
fenfluramine, communication skills, 98–176 mo old autistic males, 25267
graphical & animated microcomputer instruction, reading & writing & communication skills, deaf 3.2–8.5 yr olds, 23090
home vs classroom communication, ability to succeed in educational system, cultural-linguistic minority children, implications for educational policy, program implementation, 2432
individual skill & assessment situation as factors in study of coding strategies, patients with communication disorders & hearing impairment, 12269
intellectual & memory & language functions & phenotypic features, noninstitutionalized 4–63 yr old family members with pattern of genetic transmission of fragile-X syndrome, 30325
interactive communication behaviors, hearing impaired vs hearing 2–6 yr olds, 7734
left temporal tip intracerebral hematoma, aphasia for communication in Morse code, 54 yr old male amateur radio operator, 20266
manipulation of external environment & mother's response to child's behavior to obtain desired objects, shaping demand behavior, autistic child with poor functional speech skills, 27896
modified language experience approach, communication skills, 19 yr old autistic male, case report, 28573
need for modification of informational presentations to parent & teachers & principals, language specialists, 28394
operationalization & convergent validity & elaboration of Communication Competency Assessment Instrument, evaluation of communication behaviors appropriate to settings, college students, 8107
oral & sign language communication ability, hearing disordered preschoolers & their mothers, 30426
oral stereognostic skills & dysarthria test performance & biorhythms, 1st-yr female speech therapy students vs speech handicapped 8–15 yr olds, 24852
perceived communication competence vs empathy, college students, 29990
perception of possession of managerial communication skills & training needs of female managers, male vs female managers, 7812
principals of educational psychology & communication skills, development of child-centered curriculum, 18492
rating of facilitating verbal activities with children, childcare workers & their colleagues & other educators, 15376
"right speech" as therapeutic technique, 25 & 29 & 30 yr old females with communication problems, 14977
sensorimotor development & pragmatic & communication skills, transition from preverbal to verbal communication, children with Down's syndrome assessed at 13 mo & 2 & 3 yrs of age, longitudinal study, 27478
stimulus recognizability vs experimental experience, referential communication abilities, kindergartners vs 3rd graders, 16925

symbolic play, language comprehension & narrative competence, children, literature review, 3401
Total Communication program, achievement & communication skills & speech development, deaf students, 10-yr longitudinal study, 4936
validity of translation of A. L. Holland's measure of communicative abilities in daily living, aphasic patients, Italy, 5328

Communication Skills Training
co-active movement training, imitative behaviors, institutionalized profoundly mentally retarded 10–21 yr old students, implications for communications skills training, 15867
communication skills programs, interpersonal processes, parents of 10–12 yr olds, 22473
communication training program, couples, 7111
communication training workshop, intercultural couples at college counseling center, 2574
communicative motion therapy, group dynamics, children & youths, implications for psychotherapeutic processes, 7110
comparison & message formulation skills in referential communication, severely mentally retarded children, 25538
conversation training & natural school contexts, generalization of training, moderately & severely retarded 10–13 yr olds, 28540
evaluation of behavioral training program, supervisory interactional skills, managers & their employees, 23208
evaluation of components of complete behavioral marital therapy package, married couples, 6-mo & 1-yr followups, 4383
evolution of communication therapy program, hearing impaired children & adults, 15217
improvement of communication patterns in divorce mediation, 15036
intercultural training & communication needs, managers in international business, 28726
Intraview communication intervention strategy, communication apprehension, business administration students, implications for job application process, 28629
listening lessons, listening skill development & cognitive moral development, 8–10 yr old students, 22976
Main Channel project, speech & language & auditory skill development, severely to profoundly hearing impaired bilingual/bicultural inner-city preschoolers, 15218
partner-assisted exposure therapy & relaxation vs communication skills training, communication patterns, couples with 22–63 yr old females with agoraphobia & panic attacks, 8-mo followup, 9812
peer-mediated intervention, communicative interaction, language-delayed 3–4 yr olds with autistic-like behavior, 28539
Picture Communication Symbols & Rebus system & Blissymbols, communication & language programs, severely physically & cognitive handicapped patients, 4675
preferences pertaining to interpersonal communication training needs, police officers & county sheriffs & highway patrol officers, 25958
process training in referential communication, 3rd–4th graders, 15647
program with communication & counseling skills & assertiveness training & moral dilemmas, character development, high school students, 24191
short term audiovisual group, social skills training, psychiatric inpatients in transition from hospital to community setting, 30661
skill-based inservice teacher education program, attentiveness & counseling & consultation skills in interviews with parents, teachers, 18437

Communication Systems [See Also Telephone Systems]
intelligibility & comprehension & perceptual processing of synthetic speech produced by voice response devices in human-machine communication systems, conference presentation, 19532
intelligibility & user interface problems in text-to-speech synthesis systems, conference presentation, 19535
police communications system, urban constabulary, UK, 31526
problems in evaluation of real-world usability of digital voice communication systems, experienced vs inexperienced communicators, conference presentation, 19537
task difficulty & interunit interdependence & boundary spanning activity & participation in decision making & autonomy, information processing systems, supervisors & subordinates, 18766

Communication Theory
communication model & assertiveness training, 30681
communication theory approach to behavior in organizations, conference presentation, 23268
comparison of D. Zillman's vs A. Mehrabran's constructs of arousal in communication research, 14077
imaginative literature & communication theory construction, 3367
recursive messages in communication theory & mathematical recursivity, implications for use in psychotherapy, 19519

criteria for competency in eyewitness testimony, children, 14383
demographic factors & psychiatric diagnosis & competency to stand trial & prediction formula, defendants, 24392
diagnostic & demographic characteristics, defendants with repeated competency to stand trial evaluations, 17124
ineffective assistance of counsel in trial competency cases, case law, 14352
issues pertaining to competency to stand trial, defendants, case law, 1030
participation in court system, mentally retarded defendants & witnesses, case law, 14359
procedures regarding civil commitment & regulation of treatment & criminal justice reforms & legalism, New South Wales Mental Health Act, 1983, Australia, 27084
treatment planning for restoration of competency to stand trial, mentally ill offenders, 1064
trial competency determinations, case law, 27027
waiver of rights & competency to testify & expert testimony issues, mentally ill & retarded defendants & witnesses, case law, 27035

Competition

ability to cope with situations of high arousal in miniature golf training vs minor vs large competitions, 7–59 yr olds, 26877
age, cooperative & competitive attitudes, male vs female 5th–12th graders, Japan, 6152
altruistic vs cooperative vs individualistic vs competitive social motive, behavior in social dilemma game, college students, US vs Netherlands, 14467
analysis of competition & intrinsic motivation in sport & games, children, 949
analytical models of competition from marketing perspective, oligopolistic vs realistic competitive interactions in marketplace, literature review, 5150

availability of resources & existence of organizational-level planning & frequency of controversy about resource allocations, identification with organizational subunits, school principals, 10629
blood pressure & pulse rate & excretion of urinary catecholamine during precompetition & pretraining & training periods, male vs female gymnasts, 16398
competition & cooperation between groups vs individuals, female vs male college students, 19803
competition, feminist writers, implications for working conditions, 3362
competition, technology diffusion, model for marketing & economics research, 31589
competition vs food requirement, sensitivity to variation in food reward rate, foraging shrews, 8303
competitive & risk taking behavior, social conflict vs crime specific homicides & sex differences in mortality, young males, application of sexual selection theory, conference presentation, 4051
competitive context & availability of additional information, choice behavior & sensitivity, suburban residents & college students, 31583
competitive outcome, competitive performance & intrinsic motivation, male vs female college students in same-sex puzzle solving contests, 29167
competitive vs cooperative systems & coordinated courtship display, white-fronted manakin, 5629
competitive vs noncompetitive instructional climate, teacher expectations, kindergarten through 3rd grade physical education students & their instructors, 2383
competitive vs noncompetitive learning, motor performance, physically or mentally handicapped & nonhandicapped kindergartners to 3rd graders in mainstream physical education, 4947
competitiveness & psychodynamic interpretation of aggressive behavior not based on instinctivism, conference presentation, 21955
concern for appropriateness & self esteem & social behaviors & attribution of causes of drug usage, college students, 14446
cooperation vs competition & inconsistency of behavior in Prisoner's Dilemma game, college students, 24481
cooperative & competitive attitudes & emotional empathy & self esteem, female vs male business vs education college students, 10430
cooperative & competitive vs individual conditions, problem solving effectiveness & time, 6th graders, 756
cooperative vs competitive vs individual goal structures under conditions of intrinsic motivation & social reinforcement, group interactions & problem solving time & effectiveness, 8th graders, Greece, 29698
cooperative vs competitive vs individualistic computer assisted instruction, achievement & attitudes, 8th graders, 15670
developmental stages of unhealthy competition, implications for transactional analysis, 14998
feeding behavior & sibling competition, cattle egret families with nestlings, 26431
food delivery & sibling competition & reproductive success, experimentally even-aged broods of cattle egrets, 11103
group size & composition, competition for food, mountain gorillas, 473
interactional perceiver & target & situational characteristics, social cognition, dominant vs dependent male college students, 3695
interclass competition & grade posting, spelling performance, 3rd graders, 12939
male vs female density &/or breeding synchrony, competition over location of & access to spatially scattered females & sperm competition, male ground squirrels, 21273
motivation to achieve & compete, male vs female video game players, 29165
noncooperative game theory, advertising & product & price competition, 5156
objectives & motives for participation in competitive swimming, 8–19 yr old males vs females with varying levels of swimming skill & experience, 21762
optimal vs stable group size, test & criticism of views of R. M. Sibly, implications for animal competition for food & prey, 8327
organizational culture as source of sustained competitive financial advantage, 28766
orienting ability & maternal cooperation, competition, 3 yr olds, 6135
participation in competitive sports events, physically handicapped, implications for rehabilitation, 1516
perceived competence & causal attributions for subjective vs objective success vs failure in competitive sport setting, 9–12 yr olds, 11516
perception of fairness in distribution & retribution of subrules of equality & contribution principles, female nursing students, Sweden, 24530
personality traits, 13–18 yr old male vs female competitive tennis players, 21754
physical training & personality factors, marathon time & training injury, male runners, Canada, 13521
playing of Prisoner's Dilemma game after stating vs not stating publicly vs privately intentions to compete or cooperate, behavioral consistency & feedback, female college students, 24527
prisoner's dilemma game, mechanisms by which people choose cooperative over competitive behavior when individual interests conflict with common interest, college students, 17227
prolonged period of cooperative & competitive relationships, performance in science, junior secondary students, Nigeria, 31234
reliability of Competition Knowledge Test, measurement of competitive behavior, 13429
removal of breeding male from females, within-group competition to replace breeders & parent-offspring conflict, cooperatively breeding acorn woodpeckers, 23716
same- vs mixed-sex competition, performance & physiological changes, females, literature review, 29972
self serving attributional biases in competition, male vs female adult racquetball players, 5028
sex role identity & personality & participation, college students who are competitive vs noncompetitive team vs individual sports participants, 21879
social group salience, interethnic cooperative-competitive behavior, Anglo American vs Hispanic college students, 19791
societal competition & intensity of interpersonal bonding & impact of TV drama, levels of aggression & psychological distress, adult males, implications for world peace, conference presentation, 14270
sport-related & psychological factors, predictors of wrestling performance outcomes, 9–14 yr old males, 775
static vs growing mature markets, advertising rivalry between competitors in duopoly, 5151
subscales of anxiety inventory & pre- vs postcompetitive state anxiety & self confidence & performance, golfers, 11824
success vs failure experience & achievement motivation, competition in a scarcity culture, male college students, India, 24273
team type & record & experience level & arousal & performance expectancy, contest outcomes, male vs female junior college athletes, 338
test of discounting & augmenting facilitative & inhibitory principles proposed by H. H. Kelley, college students, 11728
touching behaviors, 15–22 yr old winners vs losers of university championship swimming meets, 9086
trait anxiety before vs after competition, 18–29 yr old college soccer team players, 1171
validity of D. W. Griesinger & L. W. Livingston's representation of cooperation & competition assessed by Prisoner's Dilemma game, male college students, 24493
validity of M. Deutsch's theory of cooperation & competition or goal linkage, interdependence in organizations, organizational employees, 20895
winning vs losing, cardiovascular correlates & blood pressure variations, Type A vs Type B medical students, 11192
winter, plasma testosterone levels & competition for food, male & female blackbirds, 11129
Complexity (Cognitive) [See Cognitive Complexity]
Complexity (Stimulus) [See Stimulus Complexity]
Complexity (Task) [See Task Complexity]
Compliance [See Also Treatment Compliance]
alcohol education program, compliance with peers in risky alcohol drinking & driving behavior, 9th graders, implications for health education curriculum planners, 2359

attitude-behavior congruence & degree of influence on action outcome & effort engaged in action, perceived responsibility in compliance situation, high school students, 24184
contingent parental praise before vs after treatment compliance response, mothers & author & their noncompliant 2.3–7 yr olds, 15111
control strategies & noncompliance in interactional behavior, abusive mothers & their preschool age children, 27433
density of instructional commands & reinforcement of discrete compliant responses, noncompliant behavior, emotionally disturbed 6 yr old male with brain damage, 15863
direct vs indirect body movement suggestions, behavioral compliance under hypnosis, high- vs low- vs medium-susceptible college students, 347
directive activity & compliance & quality of suggestions, number of acceptances in group word game, college students, 1124
distance from child & eye contact & tone of voice during instruction giving, child's compliance to instructions, mothers & their 3–7 yr olds, 3386
educational feedback vs managerial intervention, compliance with preventive medicine guidelines, medical interns, 15521
effectiveness of "that's-not-all" compliance procedure technique, adolescents & college students & adults, 31576
family dynamics & quality of day care, compliance & self regulation, 18 & 24 & 30 & 36 mo olds, 16994
foot in door vs door in face strategies, influence of favorability of available information on compliance with behavioral requests, literature review, 24471
maternal responsiveness & child compliance, 3.2–4.5 mo olds, 6231
patient characteristics, elderly former psychiatric patients consenting to vs refusing catamnestic examination, 7354
perceived reasons for compliance with principal's requests & perceived social support from principal & fellow teachers, elementary school teachers, implications for occupational stress, 15589
predictive ultility of M. J. Cody & M. L. McLaughlin typology of compliance-gaining message selection behavior, college students, 29943
reasons for noncompliance with reprint requests, behavioral scientists, 4748
types of acceptable principal's orders & reasons for compliance, teachers, 15592
validity & reliability of Stages of Concern for Exercise Scale, compliance in work-site exercise program, 17–66 yr old employees, 5311

Comprehension [See Also Number Comprehension, Verbal Comprehension]
accompanying illustrations, comprehension of fiction, 3.2–3.7 yr olds, 6066
additional practice & instruction, word comprehension in analogies, learning disabled 7th–8th graders, 7701
age, understanding uncertainty in physical nature of random phenomena, 3–5 & 7 yr olds, 26835
age vs verbal ability, understanding of story as literature vs conversation, 3–5 yr olds, 29620
cognitive functioning & verbal IQ & psychosocial adaptation, developmental progression in understanding body functioning & illness, 6–16 yr old outpatients with thalassemia vs healthy 1st–10th graders & their mothers, conference presentation, 22324
cognitive processing model as framework for indication of student levels of understanding during classroom instruction, 10394
comprehension & appreciation of cognitively oriented humor, 5–6 yr olds, 14161
comprehension & delirium & theories of F. Nietzsche, 9548
comprehension & memory, sarcastic statements in conversation, college students, 16845
comprehension & representation of chemical equation balancing, high school chemistry students, 10425
comprehension of cinematic montage, reconstruction of stop-animation televised segments, 3 vs 5 & 4 vs 7 yr olds, 865
comprehension of English through Seeing Essential English & Sign English, deaf 5.4–8.8 yr olds, 25860
comprehension of instant replays on TV, 4–9 yr olds, 24149
comprehension of videotaped pantomime acts, 30–72 yr old apraxic vs nonapraxic aphasic patients, 6855
cross-episode thematic connections, comprehension & memory, college students, 19158
direct instruction method, comprehension of anaphoric relationships in language arts education, 3rd graders, 18462
enactment vs paraphrase task, comprehension of short stories containing metaphorical sentences, 6 yr olds, 29654
familiarity & novelty & determinants in relation to text, perception of informativeness as meaningful psychological variable, college students, 13645
family communication & mediation patterns, comprehension of TV, 5–6.7 yr old kindergartners & 1st graders & their parents, 14118
informational vs persuasive vs educational vs mixed TV messages, identification of message intent & believability, 4.3–11.3 yr olds, 26811
intervention program, comprehension monitoring skills, language impaired 5.8–8.2 yr olds, 30796
mechanical & behavioral & intentional understanding of picture stories, high ability 6.1–16.9 yr olds with autism vs low ability 6.3–17 yr olds with Down's syndrome, 27265
nonverbal film of abstracts & orientations & codas in narration, 11–12 yr old Whites with language disorders, implications for therapy, 9491
perception of pictorial metaphor, school age children, 852
permission & guidance strategies, understanding of instructions & advice giving during consultations with general practitioners, medical patients, 28066
physical knowledge vs Euclidean reference training, concept of horizontality, female college students who failed Piagetian water-level task, 21682
program structure & perception of complexity, computer science graduate students & system programers, 10645
quality of information disclosure, comprehension of psychiatric research & informed consent, 21–71 yr old schizophrenic vs depressed patients, 14572
recognition of concept definitions, English- vs Hindi-speaking high school students, Australia vs India, 18524
self esteem & need for interpersonal relations & ability to comprehend nonverbal communication, learning disabled vs normal 9–14 yr olds, special education implications, 12130
speech vs pointing gesture information, interpretation of referential acts, 2.4–3.9 vs 5–6 yr olds vs college students, 29650
street law course, comprehension of Miranda rights, urban high school students, 4871
training in perception & comprehension of emotional tone of literature, 1st graders, 7600
understanding of class inclusion, reasoning with logical implication, kindergartners & 2nd–8th graders, Netherlands, 21707
understanding of informed consent & clinical psychopathology & attitudes toward treatment, decision to accept antipsychotic drug treatment, 22–69 yr old psychotic patients, conference presentation, 9905
understanding of science terms, 9 vs 13 vs 17 yr old students, 7652
understanding of set theory in mathematics, 6–11 yr olds, 8768
3rd-party judgments & interview rating scales, measurement of recall & interpretation of commitment to information in medical consultations, patients attending general practitioners, Great Britain, 9678

Compulsions [See Also Compulsive Repetition]
characteristics of alcohol dependence vs compulsions, 20014
cost-benefit analysis, hospital treatment program for pathological gambling, outpatients, 22730
delabeling & relabeling in Gamblers Anonymous vs Alcoholics Anonymous programs, recovery rate, participant O & members of Gamblers Anonymous & Alcoholics Anonymous, 22463
EEG & behavioral & autonomic arousal & naloxone therapy, compulsive behavior in anorexia nervosa, conference presentation, 24945
information processing biases, gambling behavior, implications for treatment, 22153
locus of control & race track betting behaviors, male racegoers, 21978
Maudsley Obsessive-Compulsive Inventory, assessment of relationship between obsessions & compulsions & headaches, migraine &/or tension headache sufferers, 20112
medical model of compulsive gambling behavior, 12105

patient's expectancy & aversive covert vs imaginal desensitization, reduction of compulsive anomalous sexual behaviors, 15–72 yr old males, 25250
psychological profiles & psychotherapy, compulsive sexual behavior, gay & bisexual males, 17958
psychopathology & obsessive & compulsive personality characteristics, college students exhibiting nonclinical checking behavior, 19920
risk taking & compulsive gambling as public mental health issue, conference presentation, 22178
risk taking & sensation-seeking behavior & pathologic gambling, 20071
short term conjoint group therapy, marital relations, pathological gamblers & their wives who are members of Gamblers Anonymous & Gam-Anon, 22471
spoken autobiography, group psychotherapy, pathological gamblers, 25163
substance abuse & mental illness & compulsive gambling & problems in treatment of impulse-control disorders, 22379
synaptic model of gambling behavior, 22147
transactional script theory, etiology & treatment of pathological gambling, 22162
Compulsive Neurosis [See Obsessive Compulsive Neurosis]
Compulsive Personality Disorder [See Obsessive Compulsive Personality]
Compulsive Repetition
DRL, repetitive speech, autistic 16 yr old male, 6- & 14-mo followups, 4428
psychoanalytic interpretation of repetition compulsion in E. H. Coleridge's "Kubla Khan", 16860
psychoanalytic perspective on compulsion to repeat self defeating behaviors & role of separation individuation process, conference presentation, 1804
Computer Applications [See Also Artificial Intelligence, Computer Assisted Diagnosis, Computer Assisted Instruction, Computer Simulation]
ambulatory computer-assisted behavioral therapy, obesity, 30–50 yr old females, 4411
Apple II/FIRST-Corvus networks for experimental control & data collection & signal analysis of psychological research, conference presentation, 18882
application of computer technology in human service agencies & family therapy, 28129
application of computer technology in rehabilitation counseling, 12754
application of computer technology to assessment phase of vocational rehabilitation, 12738
application of computerized graphical display, observations of depressed patients, 6553
application of technology to acquisition of language & conversational ability, 3–7 yr olds with cerebral palsy & female 48 yr old with dysarthria, 9960
applications of microcomputer technology in communication disorders, 8002
artificial intelligence & applications to pharmacological management of depressive disorders & psychotherapy, 20975
artificial intelligence & computer development, counseling & vocational guidance, 2066
attitudes of & knowledge of computer applications in medicine, 1st-yr medical students, 15541
biostereometric study using digital computer, anatomical segment displacements in gestures for different movements & sitting positions, young males, implications for anthropometrics & ergonomics, 13255
categorization of natural vs abstract concepts, computer scientists, 29071
clinical applications of computers in mental health, 16086
computer adaptation of Exploratory Factor Analysis Program, 29022
computer-administered neurobehavioral evaluation system, evaluation of effects environmental agents on CNS function, 20–69 yr old blue collar workers & college staff & faculty, conference presentation, 23360
computer aided analysis of in-flight physiological measurement, pilots, conference presentation, 20855
computer aids for writing, conference presentation, 18876
computer applications, automation of rehabilitation counseling services, 12739
computer applications, career exploration & decision making in vocational rehabilitation, 12753
computer applications, consultation-liaison psychiatry, 1714
computer applications, enhancement of employment opportunities, handicapped persons, 12741
computer applications, society & education, 20974
computer art therapy as adjunct to conventional rehabilitative art therapy, quadriplegic & cerebral vascular accident & brain trauma patients, 20291
computer assisted analysis of habituation of electrically evoked blink reflex, 19046
computer assisted observational method for quantifying drug-induced stereotypic behavior illustrated by thioridazine & apomorphine, male rats, 8014
computer assisted vs handwritten & typed psychoeducational reports, ratings of quality & staff time savings in rural setting, educator raters, 28627
computer based information processing battery, assessment of pilot performance capacities & capabilities within & across ages, 20–60 yr old males, 20856
computer-based maintenance training & performance management information system, management & delivery of on-the-job technical training, military mechanics, 7813
computer based process of information search & evaluative process & decision making, 20–40 yr olds, 5451
computer-based test interpretation, comments on article by J. D. Matarazzo, 20446
computer based training, service engineers, 28691
computer conference, formation of interpersonal ties, scientists, 5236
computer controlled device, measurement of spatial coordinates in decoding braille texts, blind readers, 13359
computer digitizing vs traditional scoring method for Bender Gestalt Test, emotionally disturbed vs normal 10–18 yr olds, 139
computer methodology for neurotoxicity testing, humans, conference presentation, 23386
computer networks in data gathering & analysis, conference presentation, 18901
computer preparation standards, counseling & human development professionals, 2268
computer scored eye movement measures, prediction of flying performance decrements from fatigue & stress, 25–42 yr old pilots, conference presentation, 20859
computer supported reading vs reading text on paper, reasoning task, college students, implications for man-machine systems design, 2695
computer system to store & process & retrieve clinical psychopharmacological data collected with standardized rating devices, National Institute of Mental Health & University of Pisa, Italy, 20956
computer technology & need for computer literacy, nursing & nursing education, 22850
computer transcription aid, deaf, 7988
computer vs pencil-and-paper administration & scoring of speeded clerical tests, correct responses per minute & number of seconds per correct response, college students, 26215
computerized adaptive testing procedure using microcomputer, measurement of mathematical skills, entry-level deaf college students, 25908
computerized ambulatory monitoring system & all-night polysomnographic recordings of EEG & EOG & EMG vs subjective scoring, analysis of heart rate & physical activity data for sleep assessment, 25–83 yr olds with sleep disturbances, 17563
computerized clinical psychological test interpretations, 19878
computerized complex experimental learning tasks, assessment of learning & cognitive abilities, applications in neurotoxicity testing in human populations, conference presentation, 23354
computerized hospital health care training for patient management, 28140
computerized office management systems, mental health practitioners, 12873
computerized testing, evaluation of verbal comprehension vs spatial-visual reasoning & memory abilities & learning & attention & psychomotor skills, 23443

computerized tests used by Naval Biodynamics Laboratory, evaluation of cognitive performance, workers employed in unusual environments, conference presentation, 23369
computerized vocational guidance system, Navy recruits, 23162
computerized Walter Reed Performance Assessment Battery, examination of effects of state-variables on psychomotor & perceptual & cognitive tasks, conference presentation, 23393
computerized 4-program data-analysis system utilizing optical scanning device, 26164
computers as intellectual & instructional tool & applications in communicative disorders assessment & clinical intervention programs, 8016
computers in cognitive retraining, implications for head injury rehabilitation, 15349
consumer information acquisition process, students, 7919
conventional vs computerized adaptive version of Armed Services Vocational Aptitude Battery, Navy recruits, 125
conventional vs microcomputer administration of speech therapy tasks, 60–76 yr old dysphasic stroke patients, 28018
cost benefit analysis of microcomputer innovations in communication & occupational & physical therapy & counseling, independent functioning, handicapped, 15445
coverage intention & bibliographic vs personal contact & manual search strategies & citation practices, authors of psychological research reviews, 13331
current developments & future directions in computer usage in personality assessment, 10763
design of microcomputerized Kline Institute Behavioral Observation System, socially living primates, 432
development & management of information systems using microcomputers, administration of special services, local & state level special services administrators, 15606
development of adaptive item pools for Armed Services Vocational Aptitude Battery, recruits at Air Force base, 23469
development of automated apparatus for study of successive & simultaneous visual discrimination, pigeons, 10740
development of automated Navy Mental Health Information System, outpatient mental health clinics, 7993
development of automated observation system for assessment of locomotor activity, animals, illustrative examples of effect of dextroamphetamine on activity, conference presentation, 7987
development of automated observation system for assessment of multivariate locomotor activity, rodents, conference presentation, 8025
development of Child Language Data Exchange System & coding conventions & computer programs, child language acquisition research, 81
development of computerized graphical displays for psychiatric data, 5253
development of computerized system for measurement of latency to withdraw from vertical surface & place on horizontal surface, male rats, 5271
development of electronic processing in field of psychiatry, 7989
development of text-parsing program for reduction of variability in text units for use in linguistic or artificial intelligence, conference presentation, 18871
digital subtraction autoradiography, location of serotonin & dopamine receptor sites in forebrain, rats, 7984
electronic mail vs oral interview & written questionnaires as data collection methods for organizational research, nature of responses & response rate, business personnel, 16097
electronic spreadsheet simulator, simulated microelectrode recording experiments, students, conference presentation, 18874
ethical questions resulting from demechanization & remechanization of psychotherapeutic practice & computer applications, 25116
evaluation of computerized career information delivery system, career guidance & job placement, school & agency counselors & students & clients, 10583
hand procedures vs microcomputer, conversion of raw to derived scores on WISC-R in large vs small school district, 18645
historical overview of development of machine readable version of MMPI & use in psychiatry, 26185
impact of administration & automated scoring & interpretation of MMPI in health care delivery, medical patients, 26187
inexpensive microcomputer networking for laboratory animal research, conference presentation, 18860
interactive computer techniques for crew station design, 13264
issues of computer-based test interpretation, reply to comments by R. D. Fowler & J. N. Butcher, 20456
learning of unfamiliar computerized maze, retention & reaction time & heart & respiratory rates & phasic changes, human Ss, 6-wk followup, 8451
maternal presence, stress levels & academic performances using biofeedback machine & computer, 6–12 yr old students, 20767
medical uses of lithium, computer-based psychiatric information service, 27946
methods of controlling HELP displays in text editing task, computer naive college students, 2696
microcomputer applications to psychiatric testing & diagnosis & interviews & treatment, 27723
microcomputer-assisted integrated information system design & implementation, mental health institutions, 2106
microcomputer system, assessment & training & patient management, institutionalized developmentally disabled 11–35 yr olds, 15357
microcomputer system, measurement of heart rate in response to auditory stimuli, birds, 26378
microcomputer uses & needs, individual psychology & psychiatry practitioners, literature review, 16089
multiple period & mixed integer programing model, selection of optimal overseas manufacturing location for after-tax profit, 8006
multivariate tests, computer-based interpretation of uniqueness of pairs or sets of scores in profile, 28967
need for advanced computer resources in psychology, conference presentation, 18872
Optacon system displaying tactile representations of single characters vs interactive single electronic braille cell displaying Grade 1 braille characters, blind readers, conference presentation, 19541
optically isolated computer compatible shock circuit, escape or avoidance conditioning, 13334
overview & prospects of Automated Portable Test system, human assessment, conference presentation, 18863
paper vs online administration of questionnaire, measurement of park exhibit effectiveness, visitors, 10751
perceptions of impact of computers on medical practice, use of hospital information system, physicians, 31032
portable laboratory computer system, measurement of event-related brain potentials during performance of complex experimental tasks, humans, conference presentation, 23368
portable laboratory microcomputer-based system, measurement of sensory EPs & neurobehavioral data in field testing of neurotoxicity, humans, conference presentation, 23385
preference for computer- vs pencil-and-paper-based career guidance systems, college students, 4998
problems & issues in computer applications, psychiatric consultation liaison services, comments on views of M. K. Popkin et al & J. J. Strain et al & J. S. Hammer et al, 2121
problems in evaluation of real-world usability of digital voice communication systems, experienced vs inexperienced communicators, conference presentation, 19537
production levels & network troubleshooting, investigation of human problem solving behavior, 8019
program list for computer generated random numbers for use in allocation of animals to experimental groups, 26132
programing language & computer system for design & administration & distribution of surveys, conference presentation, 18887
radiotelemetry system, continuous monitoring of body temperature & location, hamsters & breeding doves, 5244
reliability of computerized administration of MMPI, 17–69 yr old psychiatric patients, 16171
reliability of heart response measured by apparatus consisting of recording & biofeedback & data analysis, 40 yr old male, longitudinal study, conference presentation, 18864
reliability of mini- vs microcomputer EEG topographies, neurological &psychiatric patients, 19875
role of user-developer communication in computer-aided design applications, West Germany, 28827
sex differences, use of computer technology in education, 22868

simple & relaxation & cognitive tasks, 8–10 yr old males with psychomotor dysfunctions, extension of cardiac component analysis technique, conference presentation, 20339
simulation using microcomputer of equity concerns & social traps, 11774
single S statistical analysis of computer assisted biofeedback, 38 yr old male with episodic stress disorder & 21 yr old female with migraine headaches, conference presentation, 18865
Skylink self-service airline ticketing terminal, man machine design & ergonomics, conference presentation, 5245
speech vs text output from computer terminal, understanding instructions for electronic mail application, 17–29 yr olds, 10944
static picture vs dynamic computer graphic picture as stimulus, structure of storytelling, 4–4.6 yr old nursery school students, 31209
statistical model of child placement decisions, 13367
study of sociological aspects of educational applications of TV & computers, 15697
task requirements & prior knowledge, learning computer tasks, 2706
transfer of text-editing skill, computer naive 18–30 yr olds, 320
use of computers in college psychology & social science education, 31166
use of computers in psychiatry, France & Germany & Italy & Sweden & Belgium & UK & US, 8000
uses of CLINFO computerized data management system, consultation-liaison setting, 2120
validity of microcomputer-administered Marital Adjustment Test, 20–52 yr old married couples, 5324
VIC-20 computer & BASIC program as controller for operant chambers, 26146

Computer Assisted Diagnosis

adrenoleukodystrophy diagnosed as alcoholic dementia, 27 yr old male, comments on D. R. Weinberger's support for computerized axial tomography scans in psychiatric diagnosis, 6729
advantages & limitations of computers in psychological assessment, 18893
analysis of brain structure using X-ray vs nuclear magnetic resonance computerized tomography, patients with Huntington's chorea, 20215
automated interpretation of neuropsychological tests, 10760
automated version of Bipolar Psychological Inventory, 16106
background & procedure of computerized tomography brain scanning & applications in psychiatry, literature review, 6453
benzodiazepine antagonist as ligand, positron emission tomographic studies of benzodiazepine receptors, monkeys vs healthy males vs male psychiatric patients, implications for neural drug concentration following chronic drug therapy, 30767
brain abnormalities found through computerized axial tomography & response to neuroleptic medication, schizophrenic patients, 15122
comparison of linear vs planimetric vs semi-automated computerized tomographic assessment of cerebroventricular size, 21–65 yr old monozygotic twins with chronic schizophrenia, 22105
computed tomography scan of cerebral atrophy, mentally alert 100–102 yr olds, 24093
computed tomography scans, 11–30 yr olds with anorexia nervosa or bulimia, 4157
computed tomography test results vs neuropsychological test performance, diagnosis of brain impairment, 9–15 yr old psychiatric patients, 22135
computer-assisted assessment in marital & family therapy, 27856
computer-based diagnosis & drug treatment, vestibular disorders, conference presentation, 1962
computer based test interpretation with focus on MMPI, literature review, 10773
computer diagnosis of depression & anxiety, Canada, 6565
computer use in consultation & ratings of physician just seen vs ideal physician, recent hospital outpatients, 22610
computerized axial tomography abnormalities as markers of schizophrenia subtypes, literature review, 14600
computerized interactive version of D. J. Mulhall's Personal Relations Index, 20–66 yr olds, 10838
computerized techniques for study of electrophysiology in psychiatry, 6450
computerized test procedure, analysis of voluntary saccades & smooth pursuit eye movements, 11–60 yr olds, implications for diagnosis of oculomotor system disorders, 211
computerized tomography & cerebral asymmetries in diagnosis, psychiatric patients, 17292
correlation of clinical & computerized tomography data & exceptions to classical localizations, literate right handed nonfluent vs fluent aphasic adults with vascular left hemisphere lesions, Italy, 12163
design & development & use of decision support systems, human services, 12649
development & validity & reliability of microcomputer assessment system, developmentally disabled, 8001
development of reactive computer dialog systems for psychodiagnosis, comments on article by S. S. Lavrov, 5264
diagnosis by computerized axial tomography & response to L-dopa, 40 yr old male with major depressive disorder complicated by carbon monoxide induced parkinsonism, 1314
differential diagnosis using positron emission tomography with Fluorodeoxyglucose, 55–78 yr olds with normal pressure hydrocephalus vs Alzheimer-type dementia, 27587
direct patient computer interviewing, 11866
EEG vs cerebral computer tomography, differentiation between organic brain syndrome & functional psychiatric disorders, elderly patients, 30445
event-covering algorithm for synthesis of knowledge gathered from empirical observations, application to radiological data, normal Ss vs spina bifida patients, 28889
feasibility of computer administered individualized MMPI, patients at health maintenance organization, 8026
focal neurologic signs as guide for computerized scans, psychiatric patients, comments on article by E. B. Larson et al, 19872
general information systems & clinical documentation & current trends in mental health computer applications, literature review, 12321
guideline for use of computed axial tomography as diagnostic technique for brain damage induced emotional & behavioral symptoms, psychiatric patients, 27709
guidelines for competent practice of computerized test administration & interpretation, 10768
history & development & rationale of computer assisted psychological test interpretation, 10767
human & computer information processing, clinical judgment & diagnosis, hypothetical schizophrenic male, 12310
impact of computerized tomographic scanning, study of schizophrenia, 9323
implementation of ideographic psychological instrument using microcomputer, 9192
individualized Apple computer-based system, criterion referenced diagnosis of academic skills & school behavior, 18647
informal psychological structure of human-computer dialog, psychodiagnosis, comments on article by S. S. Lavrov, 5268
methodological psychology related problems in reactive computer diagnosis, personality types, 5247
microcomputer applications to assessment & training & management, developmentally disabled 11–35 yr olds, 20083
microcomputer applications to psychiatric testing & diagnosis & interviews & treatment, 27723
microcomputer-based assessment of reading & reading skills, learning disabled students, 15828
microcomputer-based California Assessment Battery, assessment & training & management in residential setting, mentally retarded or multiply handicapped 11–35 yr olds, 22747
microcomputer system, assessment & training & patient management, institutionalized developmentally disabled 11–35 yr olds, 15357
microcomputers in administration & scoring & interpretation of psychological tests & professional & ethical & legal issues, 26181
model for microcomputer-based mental health interview & update procedure, implications for gap between psychotherapy research & practice, 17849
need for computerized axial tomography & neurological consultation, patients with dementia of unknown origin, comments on article by D. R. Weinberger, 6902
new brain imaging techniques, pathophysiology & diagnosis & treatment, psychiatric patients, 12308

noise correlation, detectability of disk signals in medical imaging, adults, 23557
perceptions of use of computers in doctors' general practice consultations, patients, 1977
pluridirectional tomography with metrizamide in left decubitus position, development of aphasia, 29–69 yr old patients, 22232
positron emission tomography, assessment of regional brain activity at rest & during functional activity, schizophrenic patients, 6516
positron emission tomography, study of panic disorder, 22–52 yr olds, 22104
quantification of brain atrophy using computerized tomography, 54–94 yr old patients with cognitive dysfunction, 22349
regional cerebral glucose metabolic rates assessed by positron emission tomography, 57 yr old male with Alzheimer's disease & confirmed family history of Alzheimer's disease, 24881
reliability & validity of microcomputer-based McDermott Multidimensional Assessment of Children, classification of exceptionality & development of individualized educational programs, children, 25909
use of computerized tomography in diagnosis of tuberous sclerosis, male & female not presenting with classical triad, 20158
utility of magnetic resonance imaging as computerized diagnostic tool, illustrative cases of 22 yr old female & 34 yr old male with aphasia & neurobehavioral syndromes due to embolic or thrombotic cerebral infarction, 17578
utility of position emission tomography, assessment of normal & abnormal memory function, 17628
ventricular dilation on computerized tomographic brain scans, 13–22 yr old patients with anorexia nervosa, 14815

Computer Assisted Instruction

ABCDE vs QWERTY keyboard layout in microcomputer skills program, speed of single key processing, 8 vs 12 vs 20 yr old inexperienced keyboard users, 31204
ability & skills in interactive video system usage, institutionalized mentally retarded 11–50 yr olds, 23055
ability to learn to use word processor, 9.5–12.2 yr old learning disabled students, implications for evaluation of instructional software, 20777
adaptation of computer software for instruction, students with learning disabilities, 28535
adult vs computer instruction, discrimination learning, 4.6–14.5 yr olds with autism & emotional disturbance & mental retardation & psychosis, 22760
analysis of erroneous algorithms in learned signed number subtraction problems, 8th graders, implications for design of instructional materials & teaching methods, 10387
application of computers to curriculum & classroom practice, 22959
application of microcomputer in language experience approach, spelling skills, nursery school students, 15687
applications of computers in psychology education, 12947
architecture for building better computer assisted instruction programs with artificial intelligence techniques, 28823
assessment of readiness for & strategy for implementation of microcomputers in regional special education program, 15833
BASIC computer assisted instruction, teaching experimental cognitive psychology, 15701
CHOICES program for career planning, college students, Canada, 23126
computer-administration of dictation spelling tests, spelling achievement, 2nd graders vs learning disabled 10.3–13 yr olds in special classrooms, 18578
computer-aided instruction & cooperative groups, mainstreamed learning disabled students, 7711
computer-aided learning program & attitudes toward professionalism & values & personality, education students & teachers & college staff, implications for teaching styles, 10319
computer aided training of information processing strategies, developmentally handicapped adults, 4693
computer assisted instruction & its implementation, Air Force instructional managers, 10350
computer assisted instruction, basic academic skills in reading & math, educable mentally retarded & learning disabled & emotionally impaired & culturally different elementary aged children, 15871
computer assisted instruction, facilitation of thinking skills, 4 yr olds in nursery school, 2398
computer assisted instruction, mathematical achievement & self concept & perception of quality of school life, disadvantaged 3rd–5th graders, Israel, 25782
computer assisted instruction of writing, learning disabled students, 13078
computer assisted instruction program in clinical problem solving, family practice preceptorship program, 25689
computer assisted remedial reading technique, 1st–3rd graders, 20687
computer assisted self questioning strategies, reading & revision of own writing, 7th & 9th graders, 22936
computer assisted vs textual programed instruction & locus of control, acquisition of integrated science skills, preservice elementary teachers, 25753
computer assisted vs traditional instruction & no-practice condition, spelling skills, behavior disordered elementary school students with attentional difficulties, 25862
computer-based arithmetic skill reinforcement programs, acquisition of mathematical concepts, 4th graders, 10325
computer-based measurement system, monitoring of progress through individualized mathematics & reading curriculum & identification of special education students, 1st–5th graders, 10549
computer-based response sensitive design strategies, selection of presentation format for formation of conceptual & procedural knowledge, 11th graders, 20699
computer controlled study management & test experience program in introductory psychology course, college students, 15657
computer-generated problem solving activities, reasoning & critical thinking, 4 yr olds in nursery school, replication & extension of authors' earlier study, 31208
computer literacy & computer assisted instruction, professional education in rehabilitation counseling, 20568
computer program for matrix differencing, computation of test variance & solving ANOVA designs, application in computer assisted instruction & measurement, 23503
computer software for informal assessment of learning disabilities in mathematics & science & reading comprehension & word processing & cognitive processes, 28610
computer software, students with reading & other learning disabilities, 18616
computer use, intellectual development & theory-oriented problem solving in education, children, 15637
computer-video instruction, mathematics skills & achievement, 9th graders, 7595
computerized instruction, academic achievement, mildly handicapped elementary school students, literature review, 10486
computerized simulations for teaching pediatrics, medical school, 10189
computers & robots as facilitators vs inhibitors of education, 18504
computers in management information systems & computer assisted instruction & computer literacy as educational fad, 31174
computers in writing classes, social interaction in classroom, 7 yr old males, 12951
cooperative vs competitive vs individualistic computer assisted instruction, achievement & attitudes, 8th graders, 15670
design & development & implementation of computer based instructional system, remediation of problems in memory & metacognition, learning disabled & mentally retarded children, 10490
design of rule based tutorial computer assisted instruction course, 10341
development of computerized laboratory modules for experimental psychology courses, conference presentation, 20682
development of individualized instruction & educational machines & unified studies trends in education, Japan, 22957
display time interval & content sequence in computer based instruction, concept learning, 11th graders, 2411
Educational Software Tools Project, automated program for development of computer assisted instruction courseware, 10371
educational telecomputing, learning disabled secondary school students, 18573
effectiveness & use of educational microcomputers, upper schools, UK, 25792

efficacy of computer based instuction in secondary education, meta-analysis, 22924
evaluation of special education programs using microcomputers in instruction, 15816
exploration- vs instruction-based computer assisted training of procedural device knowledge, use of analogical reasoning from abstract vs concrete memory device representations, college students, 31194
extent of computer assisted instruction, special education, learning disabled & emotionally disturbed students, 18600
Fortran V computer assisted instruction program, 28413
graphical & animated microcomputer instruction, reading & writing & communication skills, deaf 3.2–8.5 yr olds, 23090
guidelines for evaluation of educational software for handicapped students, special educators, 15817
guidelines for selection & use of software & computer assisted instruction, special education teachers, 18574
Hewlett-Packard HP-41CV hand-held computer, mastery of mathematics part of 45G10 training course, fire control systems repairers, 28685
high vs low prior understanding of topic, learning scientific subject via program- vs learner-controlled computer video treatment, college students, 25767
history & theory of LOGO computer-based learning environment, children with communication disorders & learning disabilities & motor handicaps, 31273
human factors considerations, design of computer assisted instruction systems, 4868
human system performance measurement in training simulators, 2621
individualized computer assisted tutoring & testing program in general psychology course, college students, 15698
individualized vs traditional computer assisted individualized vs traditional math instruction, math achievement & anxiety & locus of control, disadvantaged 3rd graders, Israel, 28444
instructional software as intelligent tutoring system, 7584
instructional technology & structure of education, 12962
interactional video instruction, academic achievement & life enhancement skills, mentally handicapped & learning disabled adolescents & young adults, 23052
intrusive vs requested error feedback in air intercept controller simulation training, error rates, high school & college students, 10364
intuitive epistemology & knowing & learning with computers, students, 15642
inverse tool principle & example of use of computers in classroom, young children, 12935
learning computer programming & computer assisted instruction, specific cognitive skills & metacognitive skills & creativity & achievement, 6 vs 8 yr olds, 31173
learning of English vocabulary using microcomputer Electronic Learning Aid, high school students, Netherlands, 12979
learning style & preference for computer assisted instruction, academic achievement, college students, 4877
learning to read assisted by microcomputer, vision- and language-impaired learning disabled teenage boy, 13057
linear programed vs competency-based computer lessons vs textbook reading & worksheet assignments, music notation reading skills, nonmusic major college students, 31187
locus of control & computer assisted instruction vs text mode of programed instruction, achievement of computer literacy, preservice elementary school teachers in science methods course, 4827
locus of control of computer assisted instruction strategies, accuracy & efficiency of mathematics rule & application learning, low- and below-average-achieving 7th graders, 15655
LOGO computer program, education & teaching, 2nd yr college students & hyperactive children, 15847
microcomputer as perceptual tool, special education intervention program, handicapped infants & multiply handicapped preschoolers, 15821
microcomputer assisted spelling instruction & selection of software, teachers, 22923
microcomputer-assisted testing, instructional environment, 28418
microcomputer simulation, teacher training, special education teachers, 10293
microcomputers, development of writing & Braille-Edit word processing skills, visually handicapped students, 25868
microcomputers in educational environment, creative development, 22988
microcomputers vs flash cards for mathematics practice & drill, learning of basic mathematics facts, 2nd–4th graders, 7592
national computer based teaching package, school board members, 22898
passage presented on printed page vs computer with vs without textual manipulations grouped by reading ability, 10372
performance profile methodology for implementing assistance & instruction in computer-based tasks, 10647
Piagetian analysis of information processing using LOGO language on microcomputer, learning disabled children, implications for microcomputer use with learning disabled students, 13063
Piagetian theory as basis for development of software algorithms, microcomputer assisted learning, 18476
recent developments & educational uses for interactive videotape & videodisc technology, 28460
resource handbook for implementation of computer assisted instruction, Air Force instructional managers, 15991
review & analysis of instructional programs for psychology, conference presentation, 20676
role in development of educational computer software, instructional psychology, 12934
role in elementary & secondary schools & educational uses of computers, male vs female principals & primary computer-using teachers, 22875
role of computers & teachers in education, 15728
roles of psychology & psychologists in computer-led change in education, 4840
simplified version of LOGO, understanding of number & shape concepts & problem solving concentration & cooperation, disadvantaged male vs female 6 yr olds, Scotland, 15666
simulation software problem solving & logic games with fantasy & adventure, reading & spelling & thinking & creative skills, learning disabled students, 13092
socially supportive behavior during computer instruction, development of esteem & social skills & feelings of empowerment, learning disabled high school students, 13088
software for computer assisted instruction in spelling, students with learning disabilities, 28574
software programs, creative writing & thinking about stories, learning disabled children, 18589
spoken sound of words from computer along with printed forms during reading practice, 1st graders, 12985
strategies for use of computers as educational tool, learning disabled students, 18602
student evaluation of motivational & learning attributes of microcomputer software, mathematics education, female vs male 6th graders, 10370
study of sociological aspects of educational applications of TV & computers, 15697
teacher organized training for acquisition of language program, children with generalized or language-specific developmental delay, 28583
technology & world view, use of computers in classrooms, 25786
training in effective use of microcomputer instruction & related classroom considerations, special education teachers, 15618
training in instructional use of microcomputer & use of microcomputers in mathematics & science education, male vs female teachers, 22914
tutorial/stimulation computer-assisted instruction program, comprehension of exclusionary & its applicants, police officers, 28711
use & location of microcomputers in elementary & secondary schools, 4834
use of questions &/vs highlights vs straight text format, effectiveness of computer assisted instruction, college & graduate students, 31212
verbal vs matrix organizational/memory charts under computer vs learner control, Pico-fomi problem solving, college students, 10384
word list for computer assisted instruction in elementary school based on computer software programs, 7590
word processing & word processing-related software, learning disabled students, 7710

writing instruction using word processor vs handwriting, acquisition of writing skills, 4th graders, 22977
Computer Peripheral Devices [See Also Video Display Units]
Apple II+ & expansion boards for studying motor control & visual-motor coordination, 28892
arrow-jump keys vs "mouse" for positioning computer keyboard cursor to select text, college students, 28815
computer pointing devices & gross motor movement & visual feedback in pointing as input technique, 28829
exploration- vs instruction-based computer assisted training of procedural device knowledge, use of analogical reasoning from abstract vs concrete memory device representations, college students, 31194
implementation of pictorial interfaces in microcomputers using high resolution digitizer, 10643
keyboard & screen-based microcomputer response media, response speed of continuous performance task, college students, 7985
recording of arm positioning movements via game paddle entry of Apple computer, human Ss, 28910
role of mental model, learning to operate simple control panel device, college students, 16031
target location on display & angle of screen width with vs without position-accuaracy feedback vs compensation models, response times & biases in use of touch-input devices, college students, 13251
Computer Programing Languages
analysis & simulation model of verbal protocols for learning to program recursive functions, 8 yr old & college students, 16323
assembly language functions, software interface between programs for personal computer & Tecmar Lab Tender circuit board, 26141
cognitive processes in expert skill in computer programing, literature review, 5068
computer programs, summary of behavioral data, animals, 435
computer-user error correction, database query language performance, college students, 2707
design decisions in Pascal-based operant conditioning system, conference presentation, 18875
difficulty & complexity of computer task, query preferences, college students, 10969
ease of learning & memorizing computer commands & memory retention needed for & methods of representing different metasyntactic representations in computer command languages, 23289
history & theory of LOGO computer-based learning environment, children with communication disorders & learning disabilities & motor handicaps, 31273
integration of text formatter & BASIC, generation of randomized psychological questionnaires, 5219
introductory courses in BASIC vs use of applications software, training transfer, college students, conference presentation, 20706
introversion & achievement in introducing FORTRAN, engineering vs nonengineering college students, 2433
LOGO & GRIBOL computer languages to aid in thinking & learning, children with communication disorders, 31272
maps vs signs metalanguage & full manual vs 1-page instruction for software use, task performance, programers vs nonprogramers, 10743
perceptions of similarity among pairs of editing commands before vs after training, college students & graduates trained in IBM Displaywriter vs UCSD-Pascal, conference presentation, 18898
performance in programing in natural language, computer programers vs nonprogramers, conference presentation, 18892
programing language & computer system for design & administration & distribution of surveys, conference presentation, 18887
question-answer vs form-based vs command vs extended command dialog types, data entry speed & interaction mode preference, research institute employees, Sweden, 7886
skill level, appearance of Zipf's law in encoding of command languages, computer operators at research center, 28814
Computer Programs [See Computer Software]
Computer Simulation
Bartlett's test, measurement of departure from sphericity hypothesis, comments on D. N. Lawley's vs A. R. Baggaley's approximations of average off-diagonal correlations, 21035
Bem-Spence categorical vs continuous methods of scoring androgyny using computer-simulated data, 29912
combined data on twin & parent-offspring pairs in detection & resolution of cultural & biological inheritance, 23779
computer recording of repeated piano performances of 2 melodies, judgment of communicative effectiveness & differences in expressive treatment, college students majoring in music, 16863
computer simulated matrix vs functional organizations operating in volatile environment, organizational effectiveness, business students, 23222
computer simulation & formal analysis of competitive learning, 8023
computer simulation & validity of equating method in latent trait model, 16216
computer simulation of social interaction based on Piaget's concept of action schema, reproduction of social structure & role of social learning, 28888
computer simulation of task of heating beaker of water & controlling set temperature, analysis of acquisition of process control skills & fault detection, operators, replication of study by E. R. Crossman & F. W. Cooke, 29143
computer simulation of universe by J. Kepler & theory in psychology, conference presentation, 18881
computer simulation research in behavior analysis, 5233
coverage of literature on mathematical modeling & computer simulation in "Psychometrika" during past 50 yrs, 18908
development & assessment of 3-dimensional computer-graphics simulations, testing control/response stereotypes in expectations regarding assignment of central formulations, 7888
development of interactive computer simulation of social security system, Netherlands, 21856
electronic spreadsheet simulator, simulated microelectrode recording experiments, students, conference presentation, 18874
human system performance measurement in training simulators, 2621
intrusive vs requested error feedback in air intercept controller simulation training, error rates, high school & college students, 10364
methods for graphic representation of systems simulated data & recovery efficacy, 10644
model of mission accomplishment, assessment of simulated combat performance in computer simulated battle, Army officers, 7781
Modified Cooper-Harper decision-tree rating scale vs 5 design variations of same, estimation of mental workload in aircraft-simulator, pilots, 23479
Multipurpose Arcade Combat Simulator, marksmanship training, Army personnel, 23181
potential limitations to computer simulation of human information processing, 2822
power & Weber's law & computer simulation of postreinforcement pause under FI schedules & scalar training model, 19231
programing simulations of cognitive processes, conference presentation, 18903
relationship of grammatical judgments to conscious rules & computer simulation of separation of guessing vs control of rules, 13620
simulation of intentions to buy different heating systems by REASON, 5231
simulation study of factor score indeterminacy, implications for market research, literature review, 26050
sleep deprivation with vs without naps, performance on sustained computerized tasks & reported sleepiness & attention, male volunteers, 13356
structure & function of decision processes simulation program REASON applied to intentions to purchase heating systems, 5232
subject-based & computer simulation multiobjective decision making analysis methods, implications for management decision making, 26344
unrestrained recall of acquaintances & subsequent categorization, computerized model of recall process, college students, 274
value of cognitive simulation models in terms of specifying theory & accounting for empirical data, conference presentation, 18877
Computer Software
adaptation of computer software for instruction, students with learning disabilities, 28535

ALPHATAB program, lookup table for Bayesian estimation of ability for use in computerized adaptive testing, 10764
analytic military training device effectiveness forecasting technique using menu-driven computer programs, 28709
ANOVA programs for Timex/Sinclair 1000 & 1500 & ZX81 microcomputers, 13375
APL function for Radlow & Alf's exact chi-square test, 13329
Apple II programs for circular statistical analysis of orientation or biological rhythms, animals, 13347
Apple IIe microcomputer software, tachistoscopic presentation of stimuli on raster-scan monitor, 5228
Apple Pascal hardware-software ensemble, measurement of amplitude measures of operant response, conference presentation, 18870
Apple Picker computer software package, assessment of responses to concurrent & multiple schedules, humans, conference presentation, 18884
APPLECOR program, hierarchical cluster analysis with CONCOR algorithm, 13338
Applesoft BASIC programs, control of experiments in human learning & memory, application to psychology education, 65
approximation of inverse of normal distribution function of C. Hastings vs 7 other approximations, 26134
architecture for building better computer assisted instruction programs with artificial intelligence techniques, 28823
assembly language & method for programing of real-time experiments employing visually presented verbal stimuli for Apple II computer, 28887
assembly language functions, software interface between programs for personal computer & Tecmar Lab Tender circuit board, 26141
BASIC computer program, scoring of standard & decision-tree Luria-Nebraska Neuropsychological Battery, 2833
BASIC interactive computer programs, analysis of reasoning about child's behavior in cry & supermarket problems, parents, 17070
BASIC multiple discriminant analysis program for microcomputers, 13332
BASIC program, analysis of Farnsworth-Munsell 100 Hue Test, 5274
BASIC program, ANCOVA for testing hypothesis of equal means & control of specific variables, 5237
BASIC program, discriminant function analysis, 5260
BASIC program for estimation of correlations from solved path coefficients, test of goodness of fit of restricted structural equation models, 23499
BASIC program for generation of orthogonal polynomials & trend analysis, 26262
BASIC program for ranking statistical data, 13377
BASIC program for real time experimental control & data collection with TRS-80 microcomputer, 13364
BASIC program, multivariate profile analysis for 2 independent samples, 23512
BASIC program, similarities data matrix generation for multidimensional scaling, 5270
BASIC 2-way multivariate analysis of variance program for microcomputers, 13333
binary programing algorithmic approach to test design, 10883
BINCLUS computer program clustering procedure, aggregation of binary variables into homogenous clusters, 26260
Body Awareness Resource Network, computer programs to improve communication, families, 11611
categorization of numeric data, computer programs that learn by generalization, 20968
clinical utility of microcomputer software for instruction & language intervention, 5 & 8 & 16 yr olds with language disabilities & male 60 yr old with aphasia, 9961
COMBINE macro- & subprograms, scale construction using interacting items through cross-product scores, 26163
COMESCAL program, axiom testing & scale values for conjoint measurement data, 13350
complexity of computer-based instructional text editors & reading comprehension & computer enjoyment & previous computer experience, word processing performance, 29–38 yr old female clerical & administrative workers, 31435
Comprehensive Occupational Data Analysis REXALL program, evaluation of interrater reliability in personnel training, 13180
computer adaptation of Exploratory Factor Analysis Program, 29022
computer coach Anchises, monitoring user behavior & detection of inefficient use of interactive computer program, graduate students & faculty member, 18904
computer menu hierarchy levels & database size & distance between items in data structure, performance effectiveness in supervisory task, male college students enrolled in ROTC, 20903
computer program, calculation of statistics in meta-analysis, 23506
computer program designs, deductive inferences, 5243
computer program for interactive fuzzy decision making, solving multiobjective nonlinear programing problems, decision makers, 16096
computer program for matrix differencing, computation of test variance & solving ANOVA designs, application in computer assisted instruction & measurement, 23503
computer program for psychometric analysis of multiple choice tests, 26172
computer program routine for determination of chi-square & normal curve probabilities, 26284
computer program to solve hypergeometric probability of contingency tables, 26265
computer programs, fitting ultrametric & additive trees to proximity data by least squares methods, 5226
computer programs, summary of behavioral data, animals, 435
computer programs to facilitate gathering & analysis of data on reading & studying of text passages, 26171
computer software & personal computers in individual & group therapy, illustrative cases of children & adolescents, 17883
computer software design for occupational therapy, 28213
computer software, detection of biased test items when differences in group ability are controlled, 5273
computer software for application of distribution counting vs general purpose sorting algorithms to sorting of test scores, 26267
computer software for informal assessment of learning disabilities in mathematics & science & reading comprehension & word processing & cognitive processes, 28610
computer software program for personal microcomputer, cognitive rehabilitation of upper extremity motor control refinement, illustration of 16 yr old accident victim, 15437
computer software, students with reading & other learning disabilities, 18616
computerized scoring & interpretation package, K-ABC Automated System for Scoring & Interpreting Standardized Tests, 13343
computerized statistical analysis of themes in "L'Immoraliste" by A. Gide, 21643
computerized 4-program data-analysis system utilizing optical scanning device, 26164
connection information distributor mechanism, programing parallel processing structures of words, 8017
construction of psychometric computer program using factorial & correlational analysis, 26184
control flow vs interprocess communication information in documentation of concurrent programs, modification task performance, professional programers, 13253
data transformation program, homoscedasticity & within-group normality for ANOVA, 26162
design & development & use of decision support systems, human services, 12649
development of text-parsing program for reduction of variability in text units for use in linguistic or artificial intelligence, conference presentation, 18871
Educational Software Tools Project, automated program for development of computer assisted instruction courseware, 10371
efficacy of microcomputer version of Ohio Vocational Interest Survey Revised, career & occupational counseling, 7th–12th graders, 28613
encoding multiple-key response unit for use in computer-controlled psychophysical studies, 28891
enrollment in summer camps & classes with microcomputer programing training, male vs female students, 22948
evaluation of microcomputer statistical software for research & instruction, academic psychologist & college students, conference presentation, 18867

experimental design & use of computers, test of psychokinetic ability, 10 mo old infants, 13288
expert & novice debugging processes in general theory of programing expertise, computer programers, 13267
Expertise Transfer System computer program based on G. A. Kelly's personal construct psychology, 13254
factorial analysis computer program for canonical correlation, 26173
FORTRAN computer program, computation of standard errors of indirect effects in Joreskog covariance structure model, 5372
FORTRAN computer program, scoring of Toddler Temperament Scale, 2814
FORTRAN IV program for estimation of statistical power in correlational research, 26266
FORTRAN IV programs, data analysis using fuzzy set theory, 5265
FORTRAN IV simulation algorithm, testing robustness properties of 2-way nonorthogonal ANOVA, 5369
FORTRAN program application of D. Quade's ANCOVA by matching & analysis of matched differences as approaches to holding X constant, 26161
FORTRAN program for conversion of sort data into similarity matrices, 26169
FORTRAN program for Johnson-Neyman statistical technique, determination of group differences while controlling for influence of independent variables, 23504
FORTRAN program, nonasymptotic chi square analysis of contingency tables with small expected cell frequencies, 23494
FORTRAN subroutine for EEG feedback digital filter, 28897
Fortran V computer assisted instruction program, 28413
generic BASIC program for data communications between different brands of microcomputers, 26128
Generic Environment for Interactive Experiments, modifiable computer-based task for experiments in human-computer interaction, 13261
GENLOG II microcomputer program, hypotheses testing in log-linear model for teaching & research purposes, 5216
Goldojarb Software Classification Form, organization of computer programs, aphasic patients, 28199
graphics design program for creation of point-light displays of transforming 3-dimensional objects, conference presentation, 18862
guidelines for evaluation of educational software for handicapped students, special educators, 15817
guidelines for selection & use of software & computer assisted instruction, special education teachers, 18574
hardware & software for microcomputer-based event related potential data acquisition system on Apple II+/IIe, 28906
help fields, searching hierarchical menu structures, college students, 2703
HYP-CLUST as computerized technique, universal evaluation of syndrome specific cluster structures, 16087
individualized computer assisted tutoring & testing program in general psychology course, college students, 15698
integration of text formatter & BASIC, generation of randomized psychological questionnaires, 5219
interactive matrix calculation routines, multivariate statistics & computer programming, 26165
introductory courses in BASIC vs use of applications software, training transfer, college students, conference presentation, 20706
knowledge-based systems for genetics, 13262
LAMBDA BASIC microcomputer program, calculation of random data eigenvalues to establish number of factors to rotate in factor analysis, 5361
learning computer programming & computer assisted instruction, specific cognitive skills & metacognitive skills & creativity & achievement, 6 vs 8 yr olds, 31173
least squares & FORTRAN program, calculation of stepwise ridge regression, 23509
LOGO computer program, education & teaching, 2nd yr college students & hyperactive children, 15847
man-machine interactive multiple objective linear program, decision making & problem solving, implications for management methods, 28824
maps vs signs metalanguage & full manual vs 1-page instruction for software use, task performance, programers vs nonprogramers, 10743
method for encoding & measuring efficient computer-user interface in electronic mail systems, system experts vs regular users, system design implications, 7883
methods & software, calculation of interobserver agreement in continuous observation data collection, 20971
methods for cooperatively indexing & evaluating & synthesizing information, users of common databases, 10652
methods of controlling HELP displays in text editing task, computer naive college students, 2696
metric & nonmetric models for standard printer scatterplots, 19015
microcomputer assisted spelling instruction & selection of software, teachers, 22923
microcomputer, professional practice of systems psychotherapy & self help software, 12447
microcomputer software, assessment of language & phonetic & phonological performance, 8027
microcomputer system for collection of response times simultaneously with written protocols, 28913
microcomputers & development of software, family therapy practice, 12452
Multipurpose Arcade Combat Simulator, marksmanship training, Army personnel, 23181
parallel breakout box for input/output monitoring, 26142
parallel processing strategies in application of microcomputers to behavioral laboratory, conference presentation, 18894
Pascal algorithm, random number generator for stochastic models of psychological processes, 5240
PASCAL computer program, assessment of interrater reliability & calculation of kappa statistic of nominal scales, 5279
PASCAL microcomputer program, computation of Tukey-Kramer pairwise multiple comparison procedure, 5370
Pascal program for P. A. Games & J. F. Howell's procedure for multiple comparisons among means of groups with unequal variances & sizes, 23511
Pascal program, quantitative structural indices of mathematical model of group or organizational structures, 5223
personal computer, marriage counseling, 12466
Piagetian theory as basis for development of software algorithms, microcomputer assisted learning, 18476
pictorial stimuli software for microcomputers, 26133
POLY software package, data collection & analysis for research on schedule-induced polydipsia, animals, 23389
prediction of performance in computer programing courses, high school & college students, implications for personnel selection, 15749
PROC MATRIX program for preference-dissimilarity multidimensional scaling, 19024
program structure & perception of complexity, computer science graduate students & system programers, 10645
programing language & computer system for design & administration & distribution of surveys, conference presentation, 18887
programing skills, novice vs expert programers, implications for training & evaluation & language design, 13194
RANDOMTOOLS, randomization in Pascal or Apple microcomputer, 13376
RASCH/ECIZ program using commands of Statistical Analysis System, Rasch analysis & person-fit statistics, 10874
research model for investigation of gender/power aspects of human-computer communication, college students, 13258
review & analysis of instructional programs for psychology, conference presentation, 20676
robustness of LOGIST computer program based on item response theory model, estimation of test item & trait parameters, 26270
role in development of educational computer software, instructional psychology, 12934
SCORERECALL program, scoring protocols from multiple free-recall trials, 26368
shuttlebox avoidance & Pavlovian conditioning programs for 6502-based microcomputer, 13352
simulation software problem solving & logic games with fantasy & adventure, reading & spelling & thinking & creative skills, learning disabled students, 13092

social practice description of computer software development, 26160
software & system organization aspects of computer typography, 18900
software control of screen blanking on Apple IIe computer in experimental work in psychology, 28899
software for computer assisted instruction in spelling, students with learning disabilities, 28574
software for computer based training programs, 28697
software for design of human-centered computer numerically controlled lathe interface in manufacturing systems, 31537
SPACEMAKER disk utility program, determination of tracks of space in disk capacity, 26166
student evaluation of motivational & learning attributes of microcomputer software, mathematics education, female vs male 6th graders, 10370
summer programing course, mathematical problem solving & comprehension of mathematics concepts & programing, mathematically gifted 6th–10th graders, 31283
teacher organized training for acquisition of language program, children with generalized or language-specific developmental delay, 28583
training methods for using menu selection systems, novice users of information retrieval systems, 15695
usefulness of LISREL computer program, testing empirical structure of psychological/educational instrument, 3rd graders & expert judges, Australia, 31372
user modeling front-end subsystem, 8029
value of cognitive simulation models in terms of specifying theory & accounting for empirical data, conference presentation, 18877
VIC-20 computer & BASIC program as controller for operant chambers, 26146
word processing & word processing-related software, learning disabled students, 7710
word processing linked FORTRAN for creating database of journal & book references, 13360

Computers [See Also Digital Computers, Microcomputers]
ability level & sex, cognitive engagement processes used in computer problem solving game, 7th & 8th graders, 21717
age & employment in same department or profession, diffusion of word-processing behavior, 22–58 yr old research institute staff members, 16008
aggressive behavior & electronic video game playing, adolescent males vs females from different socioeconomic neighborhoods, Mexico, 29737
applications of computerized game composed of musical voices, blind children, 30369
attention as mediator of serial processing function of human brain in visual search tasks & relation to present generation computer processing style, 21154
attitudes toward & experiences with computerized office procedures, male vs female employees, 23257
attitudes toward computers, 8th & 12th grade males vs females, implications for school counseling, 28593
biofeedback vs hypnosis, reduction of computer-related anxiety, female college students, 17717
characterization through complex data structures, users of databases, 16027
chordic keyboard, use of computers, 8–25 yr olds with cerebral palsy or muscular dystrophy or dyslexia, 26148
cognitive revolution & neuro- & computer sciences, resurgence of mind/brain relationship & study, 23350
computer anxiety & psychological aspects of computer use, bibliography, 14492
computer-mediated communication, communication efficiency & participation & interpersonal behavior & group choice, college students, 19807
computer technology & need for computer literacy, nursing & nursing education, 22850
computers & age of information, human consciousness & relationships in society, 11354
computers & communication & education, implications for Hispanic children, 10374
computers & creativity, 8007
computers & intelligence, applications to learning & developmental processes, 13363
computers in management information systems & computer assisted instruction & computer literacy as educational fad, 31174
content analysis, pictorial representation of males vs females in popular computer magazines, 21891
development & implementation & evaluation & evolution of computerized management information system in family service agency, 25393
development of Computer Aptitude Literacy & Interest Profile, assessment of computer related abilities, 12–60 yr olds, 26225
development of computer literacy competencies in special education teacher training programs, education students, 18420
development of measure of attitudes toward working with computers, white collar employees from manufacturing organizations, 20891
development of visual speech training aid for vowel acquisition, hearing impaired, implications for differentiation of male vs female vs child utterances, 20435
effect of computers on rehabilitation counseling, 12749
effectiveness of keyword-menu retrieval, 16033
effectiveness of syntactic analysis of primary task of editing flight route-way-point information, college students, 23290
enrollment in summer camps & classes with microcomputer programing training, male vs female students, 22948
epistemological characteristics & constructivist nature of child-computer interaction, conference presentation, 8704
explicate & implicate order in computer memory, 16085
general information systems & clinical documentation & current trends in mental health computer applications, literature review, 12321
grade level & field dependence & degree of figure-ground separation in stimulus presentation, recognition of computer-generated pictures on monochrome monitors, 2nd–4th graders, implications for instructional software design, 31167
hierarchy of virtual protocol dialogs, model of computer human interaction, 31547
human & computer information processing, clinical judgment & diagnosis, hypothetical schizophrenic male, 12310
human-computer interaction, development of dialog styles through computer generations, 31539
human services & information technology, 12325
impact of computers, corporate culture & change, 5112
importance of computer science in secondary school curriculum, female students, 12959
inference in multivalued logic system, 8035
kinetic print in computer graphics, symbolic development, children up to 7 yrs old, 13337
locus of control & computer assisted instruction vs text mode of programed instruction, achievement of computer literacy, preservice elementary school teachers in science methods course, 4827
mathematical & verbal skills, computer aptitude, 12–14 yr old male vs female 8th graders, 28480
method of transferring research data from remote clinic to university mainframe for manipulation & statistical analysis, data from biofeedback with headache patient, conference presentation, 18866
methodological psychology related problems in reactive computer diagnosis, personality types, 5247
motivation to achieve & compete, male vs female video game players, 29165
need for knowledge of information technology & computer fluency for managerial choices, managers, 31460
need for pedagogy in training for informated work places, 31429
playing violent vs nonviolent video games, direction & type of aggressive ideation, aggressive vs nonaggressive 2nd–6th graders, 8845
problem solving interactions during learning games at computer & jigsaw puzzles, 3.7–5.6 yr olds, 8769
problems in neuropsychological data transfer between computers, conference presentation, 18902
profile of keying patterns, identity verification, computer users with different typing abilities, implications for identity surveillance, 13266
real-life video & computer-generated graphic analogs, development of imagery & spatial thought, 3rd graders vs junior high school vs college students, 14162

reasons for playing video games & academic performance, female vs male 9th–12th graders, 15744
rehabilitation theory & interventions & effects of advanced technology, disabled clients, 20542
reliability of simulated user trials in product design & enhancement, users in computer & telecommunications industries, 18782
role of computerized medicopsychiatric histories in international unification of medical & psychiatric education & aid, 24077
sequence of accomplishments for computer learning environments, male vs female middle school students, implications for fostering equitable skills, 23036
sex, attitudes toward computers & self confidence, 8th & 12th graders, British Columbia, implications for psychosocial development, 16979
sex, computer attitudes & aptitude & mathematics aptitude & anxiety & scholastic achievement & computer involvement, college students, 2454
sex, knowledge & attitudes & experiences in computer science & literacy, 6th vs 12th graders, 23004
sex typing of & attitudes toward computers & videogames, male vs female kindergartners through 12th graders & college students, 21800
size of visual display, estimation of duration of video game play, college students, 26289
stage scoring vs computer quantification of tonic EEG activity, study of sleep electro- & psychophysiology, 18–40 yr old males, 74
standardization of Battery of Attitudes for Programmers, factorial test of abilities related to success in computer programing & systems analysis, 18–35 yr olds with different levels of exposure to data processing, Italy, 13464
target location on display & angle of screen width with vs without position-accuaracy feedback vs compensation models, response times & biases in use of touch-input devices, college students, 13251
teaching model for use of computers in direct practice, social work students & clinicians, 12801
technical support problem solving & documentation & user expectations, satisfaction with computer system, computer users, 18800
training & encouragement toward technological & computer based fields, Black college students, 28626
training methods for using menu selection systems, novice users of information retrieval systems, 15695
validity & reliability of cognitive & affective computer attitude scales, students & teachers & other educational personnel, implications for educational planning, 7741
video game use, management of developmental conflicts & aggressiveness & frustration tolerance & neuroticism & daydreaming, 11–14 yr old males, 11515
word processors, spontaneous writing & structured editing tasks, 11–12 vs 13–15 yr old poor vs better writers, 14197

Concentration

concentration biofeedback aid & relaxation therapy, full absorption of consciousness in respiratory meditation, 20–45 yr olds, 20374
description & measurement of concentration problems, 19–60 yr old severely depressed patients, 17435
expectancy vs absorption, prediction of hypnotic responding, college students, 16331
martial arts training, concentration & self control & confidence, male vs female beginning vs intermediate vs advanced karate students, 4242
measurement of attention/concentration using adaptation of color cancellation test, 6–11 yr olds from government vs convent schools, India, 23474
psychostimulants vs behavior therapy, concentration & achievement on tasks, 1st–4th graders with behavior disorders, implications for theories of schooling problems, 4239
relaxation vs placebo concentration therapy & therapist bias, tension or mixed migraine-tension headache, 18–45 yr old females, implications for controlled outcome research methods, followup study, 1902
safety issues & mental concentration & working hours & work environment, work problems & health & personal well-being, 21–65 yr old suburban train drivers, Australia, 28764
special teaching program vs rhythmic music training, concentration, males with normal intelligence & severely impaired concentration, 7733
triazolam vs flurazepam, concept formation & attention & concentration & motor function, 18–32 yr old college students, 8520

Concentration Camps

adaptation to & psychological recovery from strain vs shock trauma of Holocaust experience, survivors, psychotherapeutic implications, 8936
adaptive capacity & psychodynamics of survivor syndrome, concentration camp survivors, 1217
adequacy of Jungian analytical psychology, holocaust survivors, 6997
"bearer of the secret" as example of psychological barriers to remembering individual & collective experiences in concentration camps during Holocaust, 8933
childhood under Nazi rule & importance of documentation of experiences, child survivors of Holocaust, comments on books published in Germany, 16882
collective guilt & individual psychological boundaries regarding Nazi holocaust, professional & personal communication at meetings of International Psychoanalytic Association meeting, psychoanalysts, West Germany, 25654
communication patterns & their consequences, families of ex-partisans vs ex-prisoners of concentration camps, 14326
compassion vs contempt toward Holocaust victims in Jewish social science literature, ego adaptation to pressured existence, Jews, 3765
concentration camp syndrome as expression of organic brain syndrome, 11865
concentration camp syndrome as expression of organic brain syndrome, comments on L. Eitinger's discussion, 11875
concentration camp syndrome as expression of organic brain syndrome, comments on L. Eitinger's review, 11871
concentration camp syndrome as expression of organic brain syndrome, comments on L. Eitinger's article, 11867
control of aggression & personality traits, adult offspring of victims of Holocaust vs immigrants vs native-born parents, Canada, 11844
cultivation vs repression vs sublimation of Holocaust memories, survivors & their children, 9642
development of attempt of psychoanalysis to deal with emotional trauma of Holocaust & survivor guilt, historical perspective & future needs, 7959
difficulty in treating holocaust victims, psychotherapists, 1753
effects of Nazi culture of organized persecution & isolation & analytic treatment, post-Holocaust identity & culture, child survivor of Holocaust, 7023
group & individual processes & use of denial as defense against traumatization & facilitator of reintegration, Holocaust survivors & children of survivors, conference presentation, 22067
group denial of issues pertaining to the Holocaust at International Psychoanalytic Congress, West Germany, 1985, conference presentation, 22849
guilt feelings & locus of control, 55–71 yr old Polish Jews who survived concentration camps vs immigration to Israel, 24557
individuality & diversity in perceptions of past & parents & external events & self identity, children of Holocaust survivors, 6148
inequities & psychological effects of federal compensation, victims of Nazi persecution, West Germany, 29888
long term psychological & emotional effects of Holocaust, aged survivors, implications for social casework, 7390
memories & methods of coping & long term adaptation, child vs adult Holocaust survivors, 16884
mental health, adult children of holocaust survivors vs immigrants vs American-born parents, test of "children-of-holocaust-survivors syndrome" vs immigration effect, 21816
narrative commitment & therapeutic holding environment, enhancement of affect tolerance for trauma of Holocaust, offspring of Holocaust survivors, 9760
Nazi regime legal sanctions that contributed to starving & killing of children, 17115
new trauma-oriented therapeutic approach, female Holocaust survivor, 1756
obstacles to working through Holocaust experience & consequences of failing to do so, survivors, conference presentation, 6425

openness vs avoidance of Holocaust information & separation individuation & degree of Holocaust-induced identity & altruism & coping behavior, nonclinical 17–58 yr old 2nd generation Holocaust survivors vs Jewish adults, North America, 11838
origins of concretism, 2nd generation Holocaust analysands, 7012
parental experiences & Holocaust imagery, desire to pass on knowledge of Holocaust to their children, children of Holocaust survivors, 9004
parent's unconscious reactions to traumatization during Nazi era, behavioral problems in school, 7 yr old Jewish female, 6978
personal account of childhood survival of Holocaust, 16897
power structure of Nazi & reasons for lack of action & psychological effects of Holocaust, 953
psychiatry & psychic trauma & posttraumatic stress disorder from human-made stress, illustrative cases of Vietnam veterans & Holocaust survivors, conference presentation, 1720
psychoanalytic interpretation of experiences & emotional states during & after Holocaust, survivors, conference presentation, 6168
psychoanalytic models of detachment-withdrawal & autistic encapsulation syndromes, 40 yr old male & 46 yr old female victims of Nazi occupation, conference presentation, 22108
psychodynamics of Holocaust at Haifa University, interview comments of G. Ammon, 958
relationship to Germany & Germans 50 yrs after Holocaust, Israel, 6169
resources to prevent psychic trauma & aspects of stimulus barrier, Holocaust survivors who were concentration camp inmates, 9155
retelling or withholding of Holocaust experiences, psychological development of children, Holocaust survivors & persecutors & their children in therapy, 9720
role of memories in ability to cope with loss, male & female Jewish survivors of Holocaust, 16880
standardized objective tests, assessment of medical & psychological sequelae of concentration camp imprisonment & support for validity of clinical impressions, Holocaust survivors & their children, literature review, 9200
symptoms & social adjustment, 27–63 yr old Cambodian concentration camp survivors who were treated for posttraumatic stress disorder, 1-yr followup, 1681
therapeutic benefits of recollection through interview, child survivor of Holocaust, 17729
therapist attitudes & misunderstanding of survivor terminology, misdirected psychiatric treatment, Holocaust survivors & their children, reprint, 30513
vulnerability or resilience over lifespan, 4 child survivors of concentration camps, longitudinal followup studies, 16892
Concept Formation [See Also Cognitive Discrimination, Cognitive Generalization]
age & context & understanding of word "more", performance on conservation tasks, 4–6 yr olds, 26844
analytic contextual matching test, analysis of conceptual style & concept formation & matching behavior, 5–9 yr olds, 24143
animate vs inanimate object & culture & religion, concepts of irreversibility & universality & inevitability of death, 5 vs 6–7 vs 8–9 yr olds, 3378
assumption of binary logic, model for analysis of qualitative logic in time concepts, adolescents, criticism of paper by J. Crepault, 848
classification of word vs sound stimuli, English vs Afrikaans speaking 1st graders, South Africa, discussion of procedure by J. Downing & P. Oliver, 19573
cognitive & affective ability, prediction of science concept structure interrelatedness competence, middle school students, 2430
cognitive development & death concept, 6–12 yr olds, 26834
cognitive functions & conceptual ability & concept formation, Ss with aphasia, literature review, 6793
combinatorial play & conceptual development & early multiword speech, 18–24 mo olds, 19641
comprehension of artificial concepts, patients with Broca's & Wernicke's aphasia & right hemisphere lesions, 14903
comprehension of "big" & "tall" & "long" in judgment task, 3–4 vs 4–5 yr olds, England vs Netherlands, 29609
comprehension of relationships between time & speed & distance, comments on study by F. Wilkening, 810
comprehension of relationships between time & speed & distance, 5 vs 8 vs 10 yr olds vs adults, 875
computer-based response sensitive design strategies, selection of presentation format for formation of conceptual & procedural knowledge, 11th graders, 20699
conception of food & development of trace vs associational contamination, 3.5–12 yr olds vs adults, 8779
conceptualization of "setting event" vs "establishing operation" in theoretical & conceptual analyses of behavior, 2778
conservation tasks presented as reality vs appearance/reality format, incidence of conserving response, 4.7–7 yr olds, England, 14181
continuous information processing, conceptual identification, college students, 8235
coordination of displacements, 4–5 yr olds, 6-mo longitudinal study, 812
defense of A. Rand's abstractionist model of concept formation, 8208
development of concepts of hardness as intensive physical quantity, 3–10 yr olds, 26865
development of concepts of volume & flotation, 7–9 vs 11–13 yr olds, 19602
development of inferential validity concept, 4th vs 7th graders vs college students, 16937
development of knowledge about appearance/reality distinction, children, 21697
development of length & number conservation concepts, comprehension of linear measurement & its components, 63–78 mo olds, 29653
development of linguistic understanding of "more", 2.5–6 yr olds, 819
development of naming insight, development of referential speech & cognitive development & hearing acuity, female from birth through 1.8 yrs old, 19611
development of peer commonality & adult conventionality in object term descriptions, kindergartners vs 2nd graders vs college students, 29567
development of preference for complementary vs taxonomic relationships, 3–15.5 yr olds, 11420
development of quantification of inverse proportionality beyond initial qualitative relation, acquisition of concepts related to proportionality, 11 yr olds, 8728
development of self understanding of conscience, 11–12 yr olds, 21672
development of time sense, 847
development of understanding of concept of number zero, 3–7 yr olds, 21739
developmental acquisition of time &/vs speed &/vs distance concepts, comments on study by I. Levin, 811
developmental object & spatial concepts, infants, literature review, 8706
display time interval & content sequence in computer based instruction, concept learning, 11th graders, 2411
ease in learning abstract category structures & specific types of knowledge used, college students, 21193
educational program, profit concepts, 3rd graders, Italy, 22927
epistemological vs metaphysical issues & their psychological role in E. Smith & D. Medin's defense of probabilistic views of concepts, reply to criticism by E. Smith, 16301
experimental design, study of developmental acquisition of time &/vs speed &/vs distance concepts, reply to comments by J. Crepault, 837
experimental methods, comprehension of relationships between time & speed & distance, reply to criticism of J. Crepault et al, 874
function of conceptual knowledge in control of cognitive behavior, 279
hierarchical vs natural concepts based on individual & social knowledge in theory of abstraction & concept formation, 8218
high vs low achievement in concept learning, cerebral event related potentials, male US Navy recruits, 5727
identification & evaluation of exemplar intensity in classroom teaching & learning of concepts, 10th graders, 18505
identification of concept attributes, 11 vs 14 vs 17 yr olds, 3476
imagery dimensions, pictorial vs verbal concept identification, 17–38 yr olds, 29135
inference of life status measures by stated attributes of living things, 4–11 yr olds & college students, 29640

initial competence & imitation vs counterimitation pretraining vs neutralization vs sensitization, observational learning of conservation, 6–7.4 yr old nonconservers, 21738
judgment of time &/vs speed &/vs distance, 3rd vs 6th vs 9th vs 12th graders vs college students, 836
language structure & concept formation, 16–42 mo olds, Israel vs Finland vs US, 3430
level & frameworks for understanding pressure in fluids, 12–16 yr olds, 28471
level of teacher's enthusiasm, understanding of concepts of land & air & water & sound pollution, male vs female 3 & 4 yr olds, 10322
model differentiating concept & percept formation in object relations theory, 2779
model for analysis of qualitative logic in time concepts, adolescents, 806
model for analysis of qualitative logic in time concepts, adolescents, reply to criticism by J. Montangero et al, 807
moral vs lexical judgment & conception of lying, 4.2–5.9 yr olds, 8682
nature & development of social cognition & social competence in childhood through adolescence, 16996
nonparametric Mokken scale analysis, order of acquisition of conservation measured by Piagetian tasks, kindergartners through 2nd graders, 16928
number of cues & trials on geometric problem solving tasks, identification of relevant & redundant attributes & learning skills in concept identification, male vs female 18–26 yr olds, 8194
object characteristics & number of examples of object concepts presented & child behavior, recognition of previously presented concepts & generalization to new concepts, 1.7 yr olds, 19633
object concept development, infants from 12 wks until achievement of Stage 6 of Piagetian model, 3472
observational methods for assessment & intervention planning & monitoring of attention to task & metacognition, students, implications for academic achievement, 31349
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, reply to criticisms by J. Crepault et al, 846
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, 845
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, criticism of J. Montangero's study, 809
present vs past tense expressions, comprehension of expressions of intention, 4 vs 5 vs 7 vs 9 yr olds, 21680
programed concept training, performance on definition vs exemplification vs example identification questions, college students, 16287
rate of basic concept development, deaf vs hearing children, 14803
ratio of positive to negative instances, efficiency of musical concept learning, 2nd graders, implications for music education, 18477
recent research on concept structure & formation, implications for social studies education, literature review, 18499
recollected vs immediate experience & developmental gains in interpretations of experience, middle class 15–18 yr olds, 19665
response-sensitive vs random order practice presentations, acquisition of coordinate concepts in classroom, 1st graders, 10321
self instructional curriculum unit, development of advanced astronomy concepts, gifted 5th–7th graders, 28567
semantic representations, comprehension & memorization of texts, children, 26821
short term amplitude changes of event related potentials, concept learning, 10–13 yr olds, 8417
species discrimination & concept formation, rhesus monkeys, 29250
spontaneous formation of categories during prelinguistic period & type of categories formed, 9 mo old male, 14167
stability of concept of length, Zang vs Han 5–11 yr olds, Tibet vs China, 16935
stages in concept development & perceptions of illness & illness causation, children, implications for health education, 14234
structure of early number concepts based on numbers 1–5 vs 1–10, 5.1–6.4 yr olds, Japan, 21741
systemic training in spatial concepts, chidren with low vision, 13079
teaching strategies integrating science concepts with reading-language skills improvement, achievement on life science concept test, 7th graders, 28423
traditional vs behavior-analytic concept of belief, inconsistencies & compartmentalization & repression, implications for teaching, 3730
training in Piaget's Grouping II logic, assessment of Grouping II logic-naming secondary classes, 3rd graders, 8777
training program, formation of transformation rule system of coordinates in spatial representation task, 1st graders, 15668
triazolam vs flurazepam, concept formation & attention & concentration & motor function, 18–32 yr old college students, 8520
type of conceptual rule & length of problem series in stimulus patterns, formal vs concrete concept identification strategy & number of attributes identified &/or rules learned, 11.1–12 vs 14.1–15 vs 17.1–18 yr olds, 8806
unconscious abstractions & information within vs outside conscious attention, concept learning & classification, college students, 275
understanding of terms "longer" & "shorter", 5–9 yr olds, Brazil & England, 8782
use of hypothesis testing vs passive-receptive selection strategies on simple concept learning task with repetition of test items, level of concept attainment, college students, 311
validity of modified version of test developed by C. Semenza et al, assessment of selective conceptual deficits, employees of mental health facility vs schizophrenic vs affective disorder patients, 10810
variable focality & maternal input, acquisition of color concepts & terms, 1.5–4 yr olds, 19567
varied levels of lesson structure, level of concept understanding, low vs average vs high ability high school students, 28455
verbal expository vs guided discovery method, teaching of defined concepts using Latin & Greek morphographs, 6th graders, 10346
verbal self-regulatory processes & feedback, concept formation, college students, 29100
verbal training, facilitation of concept of conservation, 6.5–7.5 yr old nonconservers of substance & volume, Nigeria, 19622
verbalization, sensory-motor conceptual learning, 2nd graders & mentally retarded students, 6688
visual concept generalization test, ability to form & generalize visual concepts among art reproductions, urban & rural 1st–5th graders, 15889
Yodai mnemonics, concept learning in mathematics, comments on article by K. L. Higbee & S. Kunihira, 22958
Concept Learning [See Concept Formation]
Concept Validity [See Construct Validity]
Concepts
attitudes toward & practices regarding role of concept tests in development of advertising strategies & other methodological issues, advertising researchers, 23323
automatism in conceptual awareness of objects, 8205
categorization of natural vs abstract concepts, computer scientists, 29071
content & organization of semantic attributes, 62–90 yr olds with dementia, 12206
naive vs objective common concepts, solving of problems regarding equilibrium of objects, 17–45 yr olds, 29102
norms of typicality in 4 languages for 13 concepts, German-Swiss high school & college students, Switzerland, 8636
role of set shifting cues in Wisconsin Card Sorting Test & Halstead Category Test, 22–70 yr old male neuropsychiatry patients, 22320
social components & definition of intelligence according to African tradition, adult Baoule, Ivory Coast, 14276
subtypes of concreteness, conference presentation, 8707
task demand characteristics & interchange of conceptual & inferential knowledge, 23618
task orientation & attention shifts vs natural category size, recall of familiar vs unfamiliar words, 312
use of conceptual base & interpretive processes, ranking sentence in terms of representation of meaning vs excellent vs poor interpretation of proverb, college students, 5459
Conceptual Imagery
imagery mnemonic instructions, imaginal mediator reports in paired associate learning & recall of concrete vs abstract concepts, college students, 8247

mental imagery, 22–72 yr olds who became blind recently vs early in life, 20169
physical knowledge vs Euclidean reference training, concept of horizontality, female college students who failed Piagetian water-level task, 21682
use of cognitive imaging in organizational change & development of University of New Mexico, 1967–78, 25724
young vs old death imagery, death anxiety, college students, 17254
Conceptual Tempo [See Also Impulsiveness]
analytic contextual matching test, analysis of conceptual style & concept formation & matching behavior, 5–9 yr olds, 24143
cognitive reflexive-impulsive styles & level of reading capabilities & socio-cultural surroundings, children with legastenic disturbances, 4068
conceptual tempo & passage readability & error type & reading ability, metacognitive ability on reading error detection task, above vs below average 6th grade readers, 23002
reflectiveness vs impulsiveness, maintenance of delay of gratification & time concept, male vs female 6 vs 7 vs 9 vs 10 yr olds, 8734
response latency & impulsivity & errors on Matching Familiar Figures Test, measurement of relationship between cognitive tempo & hyperactivity & Child Behavior Checklist variables & depression, 6–11 yr olds, 18949
response tempo & selective processing ability & task demands, classification of multidimensional stimuli, college students, 21165
SES & conceptual tempo, performance on WISC-R, male 4th graders, 11461
Conceptualization [See Concept Formation]
Concussion (Brain) [See Brain Concussion]
Conditioned Emotional Responses
amygdala vs cerebellar peduncles vs red nucleus lesions, potentiated startle as measure of conditioned fear, male rats, 13928
aversive tones & emotional instructions & cognitions regarding snakes vs rabbits, skin conductance CR & its extinction, 18–42 yr olds, 21199
benzodiazepines & conditioned emotional stimulus using communication box, formation of gastric lesions, male ddY mice, 16665
chlordiazepoxide vs diazepam vs zopiclone vs CGS 9896, locomotor activity & acquisition of conditioned fear, male mice, 11334
conditioning theories of anxiety, 339
contingency variations, extinction of conditioned fear inhibitor & excitor, male rats, 19199
heart rate response to conditioned aversive stimulus, college students with heart rate response emphasizing acceleration vs deceleration vs moderate deceleration, 23870
picture of happy vs fearful facial expression & attached vs unattached shock electrodes, fear responses, college students, 16329
separation of 2 CSs by short vs long interval & reinforcement vs nonreinforcement during experimental phase, acquisition of conditioned emotional response, male rats, 11059
tone & light & electric shock & age, heart rate & orienting response & conditioned fear, preweanling & weanling rats, 13720
Conditioned Inhibition [See Conditioned Suppression]
Conditioned Reflex [See Conditioned Responses]
Conditioned Responses [See Also Conditioned Emotional Responses, Conditioned Suppression]
acquisition & maintenance of licking & bar bites & barpresses, Maudsley reactive vs nonreactive strain male rats, 26439
affective & memory improving properties of lithium vs saccharin vs sucrose, conditioned place preference, male rats, 19515
agonists & antagonists of dopamine & acetylcholine & glutamate injected into nucleus accumbens, classical CRs & locomotor activity, cats, 29490
alcohol cues, conditioned compensatory response, college age male social drinkers, 20042
Apple Picker computer software package, assessment of responses to concurrent & multiple schedules, humans, conference presentation, 18884
application of scalar expectancy theory via postactivation manipulations of background expectancy, inhibitory trace conditioning, wild pigeons, 29200
aspartame with vs without glucose, operant behavior, rats, 8591
behavioral responses to novel vs familiar vs aversive vs conditioned stimuli in utero, rat fetuses, 8485
blocking procedure, modification of stimulus-reinforcement interaction in avoidance & food training, rats, 23686
brain stem lesions, conditioned nictitating membrane response, rabbits, 13943
buprenorphine vs morphine, maintenance of shock under shock titration procedure, male squirrel monkeys, 23959
cerebellar dentate-interpositus nuclei lesions, impairment & reacquisition of conditioned avoidance responses, rabbits, 23927
chronic intermittent stress, adaptation of adrenocortical response, intact vs blinded pigeons, 11222
classical conditioning of alimentary reflexes in sleep stages, cats, 13740
classical conditioning training to tone shock pairings using heart rate as index orienting & defensive responses, 16 vs 21 vs 26 day old rats, 16346
clonidine & morphine, FR response, male rats, 5898
CNS stimulating & depressant & neuroleptic & tranquilizing drugs & cholinergic & cholinergic blocking drugs, conditioned avoidance responses, gerbils vs mice vs rats, 29446
conditioned reflex model & reciprocal inhibition in psychopathology, 20365
consumption of nonalcoholic "near beer" rebottled in regular beer bottles, self report of mild intoxication & heart rate & GSR, male college students, implications for classical conditioning theories of alcoholism, 26714
diazepam, conditioned cortical reaction to nonverbal visual stimulus & unrecognized emotional words, human Ss, 5882
discriminability of signaling stimuli & component probability & reinforcer rate, free operant detection, pigeons, 19196
dose of phencyclidine vs morphine vs meperidine vs cimetidine with vs without chronic haloperidol administration, schedule-controlled behavior, rats, 684
duration of changeover contingency, number of changeovers & reinforcements & responses, rats, 8279
effective duration of stimulus, strength of CR, rats, 5549
electrocoagulation of medial vs lateral septum, septal syndrome & sleep-wake cycle & instrumental reflexes & responses to CS, cats, 5804
environmental cues explicitly paired vs unpaired with pentobarbital, thermic effects of pentobarbital & amphetamine, male rats, 13991
ethyl-beta-carboline-3-carboxylate &/vs benzodiazepine receptor antagonist Ro 15-1788, punished vs food vs shock-maintained response, monkeys, 19419
event contingencies & reinforcement, autoshaping & omission responding, college students, 13686
formation & delayed time & 1st vs 2nd order responses in spatial alimentary natural CR, dogs, 5572
frequency of unavoidable shocks, suppression & facilitation of barpress response, rats, 8284
GABA, conditioned reflex behavior, teleost fish, 16668
haloperidol vs chlorpromazine vs clozapine, rate & duration of operant vs reflexive licking, male rats, 5858
heroin & methadone & cyclazocine & phencyclidine & naltrexone, acquisition & performance of response sequences, female monkeys, 16723
ip hypertonic saline, arginine vasopressin release & learned behavior, rats, 16681
leverpressing CR, electrocortical activity, dogs, 5673
light vs tone as feature-positive stimulus, generalization & strength of CR, rats, 377
medial frontal decortication, response under DRL 10 sec schedule with 50% probability of reinforcement, rats, 23924
multiple VI 60 VI 60 vs multiple VI 60 extinction with stimuli on operanda, positive contrast behavior, male rats, 26389
naloxone, acquisition of behavior rewarded with electrical brain self stimulation vs food, male rats, 21616
nicotine & cocaine & their metabolites, response under FI & FR schedules, beagle dogs & male squirrel monkeys, 16772
nicotine with vs without mecamylamine vs chlorpromazine, response rate & pattern of schedule-controlled behavior, rats, 702
nonreinforcement & memory traces of negative conditioned signal, inhibitory conditioned responses, rats, 5533
norepinephrine-depleting lesions of locus ceruleus vs dorsal noradrenergic bundle, behavioral & locomotor activity & operant responsiveness to novelty, male rats, 26596

observation of responses, preferences & stimuli selection on mixed reinforcement schedule, college students, 16308
performance of moderately vs extensively trained instrumental response following reinforcer devaluation, male rats, 11056
phenomenon of extinction-induced resurgence of reinforced behavior, humans vs animals, literature review, 301
power & Weber's law & computer simulation of postreinforcement pause under FI schedules & scalar training model, 19231
pretreatment with haloperidol vs sulpiride, effect of ip bupropion in conditioned place preference paradigm, male rats, 26719
reinforcement schedule & satiation vs extinction, elimination of conditioned behavior, rats, 5538
response deprivation contingencies & response satiation requirements, self injurious air swallowing, profoundly mentally retarded 21 yr old female, 27902
saccharin solution & ip saline vs lithium chloride, long term retention of conditioned aversion, rats, 19218
saphenous nerve stimulation, flexion reflex & long term spinal reflexes, cats with spinal cord injuries, 609
scheduled shock, bar holding following barpress avoidance conditioning, rats, 369
signaled reward in DRL vs DRH schedules, response rate & efficiency & resistance to satiation, rats, 13752
stereoisomers of N-allylnormetazocine vs phencyclidine, conditioned behavior on multiple FI/FR schedule, pigeons vs squirrels, 655
stimulus duration, conditioned reinforcement value in training & test trials, pigeons, 13714
toys as conditioned reinforcers & stereotypy, 13–15 yr old severely retarded & 22–26 yr old profoundly retarded males, 9439
triethyltin, wheel running & food-reinforced leverpressing & water consumption, male rats, implications for behavioral neurotoxicity testing, 29413
unrelated contingency rewards, delay of transference of changeover responses, rats, 8278
variation in stimulus quality & induction procedures, interference resulting from conditioned inattention in learned helplessness experiment, college & nursing & psychotherapy students, 29158
visual stimulation in Pavlovian fear conditioning procedure, associative learning, infant rats, 26402
2-manipulandum FI reinforcement, break-and-run response pattern, pigeons-590 02, 366

Conditioned Stimulus

auditory CS paired with highly palatable vs unpalatable tastes, palatability of water & associated orofacial & muscular responses to water, male albino rats, 19198
awareness of stimulus contingency & preference for stimuli predicting presence vs absence of pleasant music, college students, 11035
blocking procedure, modification of stimulus-reinforcement interaction in avoidance & food training, rats, 23686
changes in suppressive properties of CS in conditioned suppression paradigm, efficiency of conditioned inhibitor, male rats, 29219
CS preexposure, differential conditioning & extinction of electrodermal response, college students, 8142
discriminative stimulus properties of opioid agonists & agonist-antagonists in animal species & drug effects in humans, implications for drug abuse, conference presentation, 8551
excitatory vs inhibitory CS, aggressive behavior in confrontation with territory intruder, male blue gourami, 5550
exposure to CS under reinforcement & nonreinforcement, contextual fear effect on CS performance in conditioned suppression paradigm, rats, 11052
extended presentation of compound stimuli, compound-element differentiation in flavor aversion, rats, 5543
fear relevant vs irrelevant pictorial CS with vs without shock, skin conductance during habituation vs acquisition vs extinction, male vs female college students with high vs low fear of snakes, support for preparedness theory, 11195
free operant scaling task of response based events, pigeons, 11060
haloperidol-induced dopamine receptor supersensitivity, deficits in selective attention to CS, male rats, 26642
informative signals, response rates, pigeons, 3092
instruction stimuli vs verbalized contingencies, errors in conditioned reinforcement response chains, 3.3–5.5 yr olds, 26870
light vs noise CS & on- vs off-line training conditioning, barpress suppression & freezing, rats, 13715
light vs tone as feature-positive stimulus, generalization & strength of CR, rats, 377
marker stimulus following choice response in delayed reinforcement, discrimination performance, pigeons, 11069
memory of negative CS, conditioned aversion, adult vs 16-day-old rats, 23672
mossy fiber as CS &/vs airpuff as UCS to dorsolateral pontine & lateral reticular nuclei, nictitating membrane responses, male rabbits, 19339
multiple VI 60 VI 60 vs multiple VI 60 extinction with stimuli on operanda, positive contrast behavior, male rats, 26389
nonreinforcement & memory traces of negative conditioned signal, inhibitory conditioned responses, rats, 5533
omission of signal stimulus for reinforced vs nonreinforced schedule component, conditioned behavior, rats, support for secondary reinforcement hypothesis, 3094
peripheral stimulation of motor neurons & CS, F response, male vs female 25–41 yr olds, 3249
pleasant vs unpleasant feelings evoked while viewing green vs red pen, selection of green vs black pen & response to buy-back offer, female college students, implications for consumer research, 11033
positive or negative intertrial conditioned stimuli, autoshaping, pigeons, 355
preference for shock with signaled shock-free periods vs without signals, rats, 5528
prior pairings of CS2 with UCS, nature of associations formed in serial compound conditioning, rats, 11065
qualitative changes in UCS, associability of previously conditioned stimulus, rats, 3087
rated belongingness of CS-UCS pairings, volunteer Ss, 8239
response variability as operant CS, pigeons, 11077
saccharin solution concentration, taste aversion learning, rats, 3076
several consecutive CSs, autoshaping, pigeons, 13742
signaled vs unsignaled large vs small rewards, odor emissions, rats, 29204
stimulus duration, conditioned reinforcement value in training & test trials, pigeons, 13714
successive CS with vs without UCS pairing & sensitization, expectancy for UCS in eyelid conditioning, college students, 26366
tibial nerve CS & differential conditioning paradigm, deep peroneal motor nerve response, spinal cats, 8496
2nd-order conditioning followed by extinction of 1st-order CS or manipulation of shock UCS with morphine, pain sensitivity & acquisition of 2nd-order analgesia, rats, 11085

Conditioned Suppression

acquisition & transfer of inhibitory stimulus control in serial feature-negative discriminations during conditioned suppression, albino rats, 13734
antidepressant drugs, conditioned suppression response, male mice, 8559
aversion conditioning, suppression of proboscis extension, fruit flies, replication of J. Medioni & G. Vaysse's experiment, 3081
changes in suppressive properties of CS in conditioned suppression paradigm, efficiency of conditioned inhibitor, male rats, 29219
conditioned suppression &/vs electric footshock & naloxone injection, pain threshold & opioid receptor activity, mice, 3233
contextual change, latent inhibition, male rats, 3088
death anxiety as semantic conditioned suppression paradigm, implications for behavioral treatment approach, 20362
diazepam, initial treatment phenomenon in conditioned suppression of drinking, female rats, 24007
dose of propranolol vs chlordiazepoxide, conditioned timing behavior, male rats, 24022
effectiveness of light vs noise as CS, conditioned suppression of avoidance learning, rats, 5536
experimental tumor development, aversion to novel vs familiar diet, male rats, 11207
exposure to CS under reinforcement & nonreinforcement, contextual fear effect on CS performance in conditioned suppression paradigm, rats, 11052
frequency of unavoidable shocks, suppression & facilitation of barpress response, rats, 8284

historical analysis of J. Konorski's theory of conditioned inhibition vs excitatory connections, 10989
introduction of shock presented at fixed time of day, food & water intake & activity level, male rats, 23671
light vs noise CS & on- vs off-line training conditioning, barpress suppression & freezing, rats, 13715
method for assessment of icv cannula patency & effects on potency of morphine & naltrexone in response suppression, pigeons, 26662
negative transfer effect in conditioned suppression & nictitating membrane conditioning experiments, male rats & rabbits, replication of findings of G. Hall & J. M. Pierce, 5532
normal vs kanamycin-poisoned guinea pigs vs cochlear lesioned humans, suppression of tones of click evoked compound action potential, 21399
Pavlovian mechanism & operant contingencies, acquisition & suppression of sign-tracking behavior in aversive conditioning, rats, 5558
pretrial reinforcement, instrumental conditioning, male rats, implications for priming vs overshadowing vs conditioned inhibition hypotheses, 375
psychoactive drugs & tone-shock classical conditioning & lever-press under VI schedule, acquisition of stimulus control, male rats, 674
repeated testing of flavor inhibitor vs extinction of lithium-induced excitatory conditioning, extinction of conditioned inhibition, rats, 26390
simultaneous vs serial feature negative discrimination procedures in conditioned suppression situation, transfer of inhibition, rats, 19208
stimulus duration, suppression of kindling behavior, male rats, 23909
strength of orienting response during inhibitory conditioning, rats, 11079
Conditioning [See Also Autoshaping, Aversion Conditioning, Avoidance Conditioning, Classical Conditioning, Conditioned Emotional Responses, Conditioned Responses, Conditioned Stimulus, Conditioned Suppression, Counterconditioning, Escape Conditioning, Eyelid Conditioning, Operant Conditioning, Unconditioned Responses, Unconditioned Stimulus]
Apple Pascal hardware-software ensemble, measurement of amplitude measures of operant response, conference presentation, 18870
awareness & avoidance of problem solving set in verbal conditioning, 3042
behavior conditioning & role of CNS in immunological reactivity, animals, 24 comments & author's reply, 29258
clonidine, reinforcing properties in conditioned place preference paradigm, male rats, 11269
conditioning trials & daily consumption of ethanol solution, establishment of conditioned place preference, male rats, implications for mechanism of reinforcement capability of alcohol, 5925
cross-species embryonic & hippocampal septal transplants from mice, restoration of ability to learn conditioned forced alternation behavior mediated by hippocampus, rats, 26600
feasibility & value of taxonomy of complex behavior in basic instrumental conditioning paradigms including prior cognitive expectations, humans, 19167
food deprivation with vs without food reward following copulation & testosterone, copulatory behavior, castrated male rats, 23880
historical & recent developments in study of individual differences & personality in human conditioning, 6404
intersession intervals of contingent vs noncontingent feedback, differential frontal EMG behavior during acquisition vs extinction, 18–28 yr old females, 23869
morphine vs phencyclidine, place conditioning, male rats, 16553
pimozide & amount of conditioning, acquisition of conditioned reinforcement, male rats, 26682
sleep fragmentation induced by tones, behavioral control of respiration during sleep & daytime sleepiness, college students, implications for behavioral treatment of sleep disorders, 23863
visual conditioning vs nonassociative training, neuronal discharge along tectofugal pathway & in nucleus rotunda & ectostrictum & heart rate, pigeons, 23838
Conditioning (Avoidance) [See Avoidance Conditioning]
Conditioning (Classical) [See Classical Conditioning]
Conditioning (Escape) [See Escape Conditioning]
Conditioning (Eyelid) [See Eyelid Conditioning]
Conditioning (Operant) [See Operant Conditioning]
Conditioning (Verbal) [See Verbal Learning]
Cones (Eye)
background, spatial properties of cone-rod interaction, adult Ss, 23535
blue cones & pathways with vs without transient tritanopia, wavelength discrimination & contour-rendering properties, 517
carotenoid content & transmission of light & distribution patterns & functions of cone oil droplets, 19 species of birds, conference presentation, 506
chromatographic resolution of rhodopsin from four cone pigments of retina, chicken, conference presentation, 521
contribution of differential blue cone excitation to distinctness of borders in small visual fields, adult Ss, 23532
corneal electroretinogram measurement of cone spectral sensitivity, dichromatic monkeys, 484
cyclic guanosine monophosphate, conductance in outer segment membrane of cones, catfish, 13988
cyclic guanosine monophosphate, light sensitivity & electrical activity in retinal cones, larval tiger salamander, 13967
determination of absolute thresholds for monochromatic lights vs direct comparison matching just above threshold, measurement of scotopic visibility curves, adult Ss, 13546
dim violet bar vs random-dot stereograms superimposed on bright yellow background, depth perception mediated by blue-sensitive mechanism, 508
light adaptation, temporal summation & modulation in cones, turtles, 23799
ophthalmoscopic technique, direct observation of cone mosaic through natural pupil, garter snake, conference presentation, 28904
scotopic background stimulation, photopic increment thresholds, adult Os, implications for cone-rod interaction, 13543
spectral sensitivity in light adapted state, freshwater turtles, 13817
tritan discriminations, 1 vs 2 mo olds, 14192
Confabulation
frontal & parietal lobe damage & lateralized influences, confabulation & denial of illness, 24926
Conference Proceedings [See Professional Meetings and Symposia]
Confidence Limits (Statistics)
application of bootstrap principle of nonparametric inference, development of confidence intervals for quantile differences, 29021
confidence testing, anomalous responses, medical students, 13494
estimation of tau & lambda & kappa statistics with small sample sizes, 29028
Confidentiality of Information [See Privileged Communication]
Conflict [See Also Arguments, Riots, Violence, War]
acceptance of warded off impulses as necessary step in redressing intrapsychic conflict, 9748
age & SES & characteristics of social support network, conflict, new mothers, 6213
application of general theory of conflict & violence, internal & external political conflict, preindustrial societies, 14261
conflict & divergent conflict & resistances during analysis, 17836
conflict with siblings vs parents, middle-class 10th graders, 9000
consensus vs majority decision processes, expectations of conflict, business vs social work graduate students, 29947
control structure & conflict, public agency directors vs supervisors vs caseworkers vs clerical staff, 28796
controversy research, implications for central management issues in decision making & performance appraisal & organizational behavior, 10616
controversy vs debate in learning groups vs individualistic learning, relationships & attitudes, academically handicapped vs nonhandicapped 6th graders, 15794
frequency of assertiveness- vs aggressiveness-type interpersonal conflict situations, medical students, 28348
hypnotherapy, stress & academic achievement, children, 7295
individual or group conflict, therapeutic processes & dynamics, conference presentation, 15060
Jungian & transformational perspectives on conflict of good vs evil, conference presentation, 28871

methods used to settle emotional debt of love & nurturance withheld by parent from child, adult clients & their therapist, 25148
model of bureaucratic insurgency & modernist movement in Roman Catholic church, implications for organizational & collective behavior, 987
parent support & type of family conflict & adjustment problems, self reports of scapegoating by parents vs siblings, 12–19 yr olds, 14204
parental behavior, evolutionarily stable strategies for & level of conflict, animal parents & their offspring, 8358
perceived conflict between own & managerial goal orientations & other correlates of organizational commitment, mental health professionals, 31106
perception & interpretation & reciprocation of positive vs negative feelings in discussion of relationship problem, female vs male spouses & members of cohabiting couples, 11725
perception of nature & emotionality & rationale of conflict of interests, superior-subordinate relations, 26–57 yr old midlevel managers in government enterprise, 10602
perceptions & expectations of international conflict vs cooperation, 20–40 yr old Hindu vs Muslim males, India vs Pakistan, 29765
potential destructiveness of intergroup/international conflict in nuclear age, conference presentation, 14248
probability & magnitude of win vs loss in betting problem, strength of response at particular point in problem as proportional to net strength of competing tendencies, college students, 29173
protection of sense of self, human developmental need to identify some as allies & others as enemies, 14242
psychoanalytic concept of conflicts of ambivalence, 5193
research trends & conflict between individual motivation and societal interest regarding social dilemmas, 24461
resistance theory, role of social control & schooling in reproduction of oppressive social structures, critique of P. Willis's ethnography of schooling, 25719
response hierarchy of aggressive responses in hypothetical conflict situation, male vs female college students, 21926
ritual dimensions of resistance, symbolic & ideological dimensions of transgressive student behavior, "class clown" in junior high school, 25844
social & psychological conflict within environment, implications for recreation & leisure policy, 13273
structure of naturally occurring verbal quarrels, 5 yr olds & their 4–6 yr old peers vs 2–4 vs 6–9 yr old siblings, 26933
value-based professional conflict within organizations, college professors vs policy analysts, 5096
volunteer's dilemma game as simulation of social traps, 14426

Conflict Resolution

academic & curriculum developments & role of academe in divorce mediation, academicians, 15512
active vs passive role in conflict intervention between 2 citizens, attribution of guilt/blame toward citizen, police officers, 19738
adversarial & mediation legal approaches vs phenomenological & psychoanalytic family therapy models, resolution of divorce & child custody conflicts, 17936
Association of Family and Conciliation Courts standards of practice for family & divorce mediation, US & Canada, 21863
causes & prevention of international disputes & effective mediation techniques, 8925
choice behavior & intuitive resolution skills, outcome of labor grievance mediation conferences & need to resort to arbitration, mediators, 13224
clinical vs legal perspectives on divorce mediation, implications for mental health professionals, 1841
collaborative negotiations & mediation in protection & adoption, children, 2054
communication & complaints & compliance & confidence, mediation in public rehabilitation agency, employees & clients, 2688
confidentiality of mediation process in child custody disputes & rules used in court system, 21861
conflict resolution & metaphor, culturally appropriate family therapy conducted by social welfare organization & ancestry therapists, Hawaii, 17935
conflict resolution using cooperative normal-form games, adult Ss, 14429
conflict with siblings vs parents, middle-class 10th graders, 9000
confrontive group counseling, conflict resolution, children in residential care settings, 15038
contributions of social psychology to international crisis management & conflict resolution in nuclear age, 8930
controversy research, implications for central management issues in decision making & performance appraisal & organizational behavior, 10616
costs & value of conflict skills & management training programs in organizations, employers, 15984
court-connected public vs private mediation services & questions of mandatory mediation & confidentiality, 21854
criteria for reviewing videotapes used in mediation training, 15553
culture & gender & investigator status, dispute resolution procedural preferences, college students, Hong Kong vs US, 24479
decision process model, occupational conflict management & resolution, 31447
determination of source of dispute & selection of tactics, adjustment of mediating behavior, labor mediators, 13198
development of mediation programs & their role in justice system & assisting communities, 11572
developmental model of & ethical issues in family mediation, 22475
direct persuasion vs conflict mitigation coping strategies in conflict situation during play, male vs female 5 & 7 yr olds, 29725
dispute characteristics vs mediator skills, prediction of settlement of child custody cases, spouses, 11631
divorce mediation & legal & personal conceptions, 18386
divorce mediation as cooperative opportunity between lawyers & therapists, 15549
dual patriotism following independence in 1960, prolonged conflict between groups & lack of resolution, Greek vs Turkish ethnic group members, Cyprus, 1960–85, 29759
dual representation of marrying & divorcing couples, attorneys, 14379
egocentrism, cooperation in simulated divorce mediation, college students, implications for practitioners & researchers, 14449
family life cycle as framework for family therapy mediation, 1838
family structure & process clinical criteria for evaluation of efficacy of joint custody arrangements, 15072
family therapy as potential form of diplomatic international conflict resolution, 21864
family vs career role conflict resolution, working mothers with infants, 26997
fulfillment of universal human needs & attainment of world peace, conference presentation, 14255
gender of grievant vs gender composition of adjudication dyad, workplace grievance outcomes, employees & supervisors & union or company representatives, 5075
gender role classification vs sex, conflict management, 20–77 yr old husbands vs wives, 17095
group dynamics & Adlerian principles in organizational conflict resolution, 16006
growth of divorce mediation & role of divorce mediator, 15058
history of family relationships & mediation of parent-child disputes, mediators, 1865
impression management & expressive tactics, establishment of authority in mediation, state & federal labor mediators, 3-yr longitudinal study, 13215
improvement of communication patterns in divorce mediation, 15036
individual & family & sociopolitical & cultural & moral issues in child custody mediation, 21867
inter- vs intra-racial interaction, social evaluation of standard vs empathic assertion in conflict situations, Black vs White college students, 9107
labor model of mediation processes, resolution of labor vs environmental disputes, 31393
legal & psychological aspects & process of divorce mediation, Netherlands, 15048
management of interethnic conflict in manufacturing organization, India, 20926
marital locus of control & approach to marital problem solving, couples, 27004
mediation, conjoint conflict resolution & problem solving in social casework, 18213
mediation of conflicts, parents & children, 1856
mediation of social conflict, literature review, 11571

mediation vs adjudication & type of minor civil dispute, satisfaction with outcome & compromise & compliance in small claims court, disputants, 11685
motives & roles & power of mediator countries & parties in international conflict resolution, 11577
neutrality & confidentiality & competence & interface with other professionals in divorce vs labor mediation, 21855
organizational overlapping conflict cleavages & nonnegotiable conflict & natural resources, 7849
overview of divorce mediation process, 41 yr old female & 45 yr old male, 1-yr followup, 15057
personal construct integrative vs cognitive complexity, conflict resolution, college students, 30009
philosophy & practice & skills & selection of clients, divorce mediation, 17067
policies in decisions involving health impaired grievants, arbitrators, 5082
power distribution in decision making process of child custody adjudication vs mediation, implications for practitioners, 14371
power of & techniques for inclusion of children in custody mediation, 15040
practices by mental health & marriage & family therapy & legal professions , alternatives to traditional adversarial child custody resolution methods, 17142
problem solving structure, use of language to mark relational distance, conflicting college student dyads, 6326
procedural concerns of mediated negotiations in public resource allocation disputes, 11575
process of intermediation in social conflict & political movements, individuals as mediators & government as decision-making agent, conference presentation, 1084
professional ethics & certification standards, court-connected mediators, 21848
professional standards & codes of ethics for family mediation & divorce, 21868
programs for mediation of conflict, parents & children, 1847
promotion of equal empowerment & entitlements for women in divorce mediation & educational interventions for balancing power, 15065
psychodynamic interpretation of M. Bowen's concept of triangles in E. Albee's "Who's Afraid of Virginia Woolf", 8650
psychopolitical aspects of international crisis prevention & control, 14260
ratings of judges' mediation strategies & situational factors in out-of-court settlement of civil cases, judges & trial lawyers, 11689
rationality in dollar auction game vs international escalation, 24253
resolution of social conflict with friend vs nonfriend, 3rd–4th graders, 924
role of leopard-skin chief in phenomenon of Nuer feud as creative solution to prisoner's dilemma, Africa, 3566
role of psychiatry in construction of public policy & conflict resolution & peacemaking, psychiatrists, 14265
role of psychiatry in promotion of world peace through conflict resolution & facilitation of spiritual development, 14263
scientific approach to study of cognitive aspects of disputes between people & conflict resolution, review of research, 9093
situational factors & mediation techniques, settlement of collective bargaining disputes, mediators, Great Britain, 13208
stage model of court mediation in divorce settlement & child custody cases, 21850
stress, interpersonal conflict resolution skills, male college students from nonviolent vs violent-abusive families, 22149
structural & control communication, social order & legal & customary procedures for conflict management, 6174
suggestions for training of management skills in employee conflict through discussion & problem solving, 28760
themes in effectiveness & nature of mediation of social conflict, literature review, 11565
transactional efficiency of buyer & seller organization & typology of conflict-handling interaction strategies, 25944
Conformity (Personality)
age & sex & rural vs urban environment, conformity to parents & peers, 14–18 yr olds, India, 882
attachment & commitment & involvement, conformity & probation outcome, adult misdemeanant probationers, 7467
conformance & resistance to parents, junior high school students vs juvenile delinquents, Japan, 3526
experimental taxonomy, study of effects of numerical or cultural majority/minority status & characteristics of perceptive field on processes of conformity & social influences, college students, 17200
fear & credibility of other's behavior, conformity & fixation on escape route choice, 14466
group composition of friends vs strangers, conforming behavior, college students, Japan vs UK, 1139
group pressure vs self doubt vs extremity of norm vs norm extremity order, conformity & attention, college students, 29938
group size & manner of responding & nature of judgments, conformity & being right & liked, female college students, 6334
ideology of conformity, implications for family therapy, comments on theory of H. R. Maturana, 12429
independence & conformity, social science students, Netherlands, replication of S. E. Asch's study, 1138
presence of conformity effect in experimental setting, college students, Kuwait, replication of conformity study of S. Asch, 11719
reality, conformity in formation & unanimity & breakdown periods of majority opinions, female college students, 11784
sensitivity to defecting vs cooperating alternative feedback in Prisoner's vs Chicken vs Trust Dilemma game, college students, 24480
unanimous peer group opinion, report of line comparison judgment, college students, US vs Great Britain, 3682
willingness to submit to & perceptions of peer pressure & self reported peer involvement & misconduct, 6th–12th graders, 29673
yield to majority position vs independence, comments on "conformity" studies by S. E. Asch, 21974
Confusion (Mental) [See Mental Confusion]
Congenital Disorders [See Also Cleft Palate, Drug Induced Congenital Disorders, Hermaphroditism, Spina Bifida]
classification of reading & spelling disability, 18 yr old female with spastic quadriparetic cerebral palsy, 14821
congenital trypanosomiasis, 22 mo old infant, UK, case report, 27608
development research & clinical help in parenting infants with a birth defect, 5 families, 6956
diagnosis of fetal malformation late in pregnancy, emotional state during remaining pregnancy & delivery & attitude toward future reproductive life, females assessed 7 mo to 3.2 yrs postpartum, 15239
emotional adjustment, mothers vs fathers of children at high somatic risk due to alpha-l-antitrypsin deficiency, 5–7 yr follow-up, 27675
hormones, spatial ability & verbal fluency & perceptual speed & accuracy, male vs female 12.7–23.2 yr olds with congenital adrenal hyperplasia, 20230
interdisciplinary assessment & treatment, 8–67 mo old children with acquired vs congenital brain injury, 6920
neurologic manifestations, infants with organoid nevus syndrome, 6727
neuropsychological assessment of effects of chronic hypoxia, elementary school children with cyanotic congenital heart defect, 1617
polygraphic study of nocturnal physiological sleep, 42 yr old father & 12 & 18 yr old sons with Marinesco-Sjogren syndrome, 6721
prenatal exposure to lead with resultant congenital lead poisoning with seizures & treatment, female neonate, 14832
prognostic significances of congenital heart disease, 1–10 yr olds with Down's syndrome, 1482
radiological & behavioral observations, 17 yr old with asymptomatic congenital agenesis of corpus callosum, 27508
rate of mental development, congenitally blind persons, 9560
recovery & neural reorganization assessed by dichotic listening & tachistoscopic visuo-perceptual tasks, 11 yr olds with congenital left vs right brain damage, 20216
response to birth of child with handicaps, parents, extension of J. Blacher's stages of adjustment, 1216

Congenitally Handicapped
atypical patterns of object manipulation, actions on objects & sensorimotor development, 4 yr old male born with fused fingers & toes & midface hypoplasia corrected by surgery at 6 & 9 & 13 mo of age, 14845
congenital visual deficiency & infantile psychosis, blind or partially sighted children, 22005
guidelines to facilitate integration of disabled & intact identities of congenitally physically disabled children, 1717
treatment considerations, 41 yr old congenitally blind vs 19 yr old adventitiously blind males, 20315
Conjoint Therapy
attitudes toward involvement in treatment of spouses, husbands vs wives of individually referred outpatients, 30583
behavioral conjoint vs couples group treatment vs treatment of 1 partner, prediction of treatment outcomes, married couples, 22441
cognitive-behavioral & conjoint therapy techniques, bingeing & vomiting patterns, 15–35 yr old female bulimic clients, 18-mo followup, 25231
conjoint behavioral marital vs individual cognitive therapy, depression & marital discord, 23–50 yr old couples in which wife has diagnosis of unipolar major affective disorder without psychotic symptoms, 15079
conjoint psychotherapy, paroxystic crying, mother & 4 mo old, 9770
conjoint systemic family therapy within government psychiatric services, families from underprivileged socioeconomic backgrounds, Italy, 30652
conjoint therapy, couple with narcissistic & borderline disorders, conference presentation, 17954
conjoint therapy, narcissistic & borderline disorders, married couple, 9799
conjoint vs 1-person family therapy, individual & family functioning, Hispanic families with drug abusing adolescent as identified patient, 22470
definition & structure of conjoint therapy framework & outcome failures, couples, conference presentation, 17945
integrated systemic-psychodynamic approach in conjoint marital therapy, treatment of characterological disorders, borderline male in distressed relationship, conference presentation, 22454
patient characteristics & intervention limitations, failure experiences in conjoint therapy, couples, conference presentation, 17906
rationale for suspending treatment in conjoint marital therapy, 17931
relationship enhancement therapy vs therapist's preferred treatment, marital relations, 28–55 yr old husbands & wives in conjoint marital therapy, 1852
short term conjoint group therapy, marital relations, pathological gamblers & their wives who are members of Gamblers Anonymous & Gam-Anon, 22471
Connective Tissues
cyclophosphamide & prednisone, 55 yr old female with Wegner's granulomatosis & drowsiness & unsteady gait & polydipsia & depression & paranoid symptoms, 20401
Connotations
connotations & differential diagnosis & treatment processes, manipulative patients, 27787
meanings associated with term "father" in utterances, persons with schizophrenia, 14669
negatively vs positively affected words, processing & RT, college students, replication of R. Hoosain & C. E. Osgood's study, 16298
Consanguineous Marriage
incidence of 1st cousin marriages in parents, patients with schizophrenia or affective illness, 1355
isonymic method, evolution of inbreeding coefficient, rural consanguineous marriages, France, 1870–1979, 19716
Conscience
development of self understanding of conscience, 11–12 yr olds, 21672
feminist consciousness vs profit & capitalist economic market, 3649
social theories of conscience, 11831
theological & political & social aspects of biblical parable of prodigal son & Enlightenment writings on conscience, 984
Conscious (Personality Factors)
conscious & transcendent ego in works of J. P. Sartre, conference presentation, 26117
conscious construction & cognitive imagery & emotional experiences & autonomic arousal, 3065
evolutionary theory & political thinking & human consciousness in collective affairs, 27076
psychological concepts of conscious & repression & superego as viewed by F. Nietzsche & Freud, 28865
syntax & consciousness as socially learned unconscious pattern of cognition, 5476
Consciousness Disturbances [See Also Autohypnosis, Delirium, Hypnosis, Insomnia, Narcolepsy, Place Disorientation, Sleep Disorders, Sleepwalking, Suggestibility]
amnesia & vigilance, clouded consciousness, 17–33 yr olds in "wake-up" phase following severe brain trauma, 9556
clinical features of depressive vs catatonic vs organic vs psychogenic stupor, hospitalized 16–64 yr olds, 6801
electrodiagnostic correlates of clinical vegetative state, 42–74 yr old comatose patients, 27572
intervention, out of body & near death experiences & autoscopy & depersonalization & schizophrenic body boundary disturbances as altered mind body perceptions, conference presentation, 30502
persistent vegetative state as sequelae of chronic progressive neurologic disorders, 54–85 yr old inpatients, 27685
plasma tryptophan & blackouts, male alcoholics, 27399
Consciousness Raising Groups
feminism process & structure in women's psychotherapy & consciousness raising groups, comments on literature review by L. S. Walker, 27874
moral imagination & peace activism & threat of nuclear annihilation, 15–75 yr olds in community group, 9810
Consciousness States [See Also Attention, Awareness, Divided Attention, Monitoring, Selective Attention, Vigilance, Wakefulness]
analysis of relation between noema & acts of sensory perception, 8264
concentration biofeedback aid & relaxation therapy, full absorption of consciousness in respiratory meditation, 20–45 yr olds, 20374
concept of conscious personality & personal consciousness, 3753
concepts of reflectivity as formulated by J. Lacan & R. Decartes & Freud, 18841
consciousness & order & social reality in understanding cultural-historic situations, 956
consciousness research using psychedelic drugs & nondrug techniques & perinatal & transpersonal realm of psyche, conference presentation, 29174
construction of state of consciousness interview schedule, assessment of intrapsychic functioning & uniqueness of ethnic identity, Black community mental health council patients, conference presentation, 23415
constructionism viewpoint & role of temporality & reflexivity & self concept in states of consciousness, 29175
definition of reflectivity & importance to psychology, 19177
evolution of consciousness & program for hastening spiritual transition, conference presentation, 29177
evolution of human projective consciousness & emergence of tribal culture, 21811
evolutionary perspective of human consciousness as catalyst for global survival, 29180
experience & awareness aspects of G. H. Mead's conception of consciousness, 30035
experience of altered states of consciousness & adaptive/maladaptive consequences, 18–60 yr old meditators vs psychiatric outpatients vs epileptics, 14565
female roles in possession-trance ritual, solidarity between sexes, female vs male participants, Indonesia, 26961
fundamental principles for theory of consciousness, knowledge & self consciousness & use of language & concept of reality, conference presentation, 28878
hemispheric specialization in information processing & unity of consciousness, 13822
holistic & intuitive & subjective states of consciousness, consumer research theory, 16045

human evolution as process of interaction among telenomies of intrasomatic genetic & extrasomatic cultural memories & individual psychological selection, 26101
hypnosis, waking images, college student repressors vs sensitizers, implications for cognitive state monitoring theory, 23645
intervention, out of body & near death experiences & autoscopy & depersonalization & schizophrenic body boundary disturbances as altered mind body perceptions, conference presentation, 30502
intrinsic rewards of fun & enjoyment & surgery as flow of conscious experience, artists vs warriors vs burglars vs scientists vs surgeons, 21197
Jungian concept of new consciousness representing synthesis of primitive patriarchal & medieval & postmedieval forms, 5172
levels of consciousness in insanity, Tabwa, Zaire, 30118
merging of individual streams of consciousness, group reality & interpersonal consciousness, jazz ensemble during rehearsals, 17218
personal unity of consciousness theory of W. James, 23647
philosophy of sensation detection & role of human consciousness, 21042
positive verbal suggestions about health & longevity during state of relaxed responsiveness, mortality rate, elderly nursing home residents, 27887
process of becoming aware of nonconscious psychical processes in Freud's concept of derived consciousness, 2783
psychoanalytic view of values & culture, consciousness state, conference presentation, 26377
recognition of consciously attended vs imagined vs subconsciously perceived words, college students, support for theory of cognitive-state monitoring, 16334
recovery of consciousness & speech, EEG coherence, comatose patients, 6785
reflection & reflectivity in concept of activity, 18849
reflectivity & theory of knowledge using dissertation of K. Grue-Sorensen, implications for educational theory, 19180
reflectivity in psychoanalysis & psychoanalytic theory, 20313
research & model for cross cultural analysis of altered states of consciousness, 23646
role of cognition & altered states of consciousness as symbolization in cognitive psychology, 8268
self observation in different states of mind & mood, 19181
summary of results of international study on altered states of consciousness, 26371
theoretical view of individual cerebral hemispheres as possessing separate consciousness, commissurotomy patients, 6879
training program for quieting skills & practice methods for extending consciousness associated with therapeutic intervention strategies, counselors, 12814
transpersonal psychology & balanced integration of physical & emotional & mental & existential & spiritual levels of consciousness, 29179
unification of psychic opposites in Jungian analysis of religious vision, conference presentation, 29808
views of consciousness & mind-brain interactions, union of religion & science, conference presentation, 997

Conservation (Concept)

ability to comprehend verbal humor & to perform Piagetian visual-spatial task, function of left vs right hemispheres, visually impaired 7–15 yr olds, 27672
ability to conserve & scores on measure of cognitive development & use of syntactic structures, kindergartners & 2nd graders, 19617
age & context & understanding of word "more", performance on conservation tasks, 4–6 yr olds, 26844
belief in principle of area conservation, college students, 19566
bilingualism, cognitive performance on Piagetian tasks assessing conservation & memory, mentally retarded 7–8 yr olds, 12144
conservation tasks presented as reality vs appearance/reality format, incidence of conserving response, 4.7–7 yr olds, England, 14181
conservation vs relational learning in redundant-oddity task, kindergarten conservers vs nonconservers, 14190
development of length & number conservation concepts, comprehension of linear measurement & its components, 63–78 mo olds, 29653
experimenter's actions & variation of Piagetian task's transformation type vs numerosity vs equality, performance on number conservation tasks, 5.5–6.8 yr olds, Yemen, 14147
group training methods, learning & retention & generalization of conservation, 11–12 yr olds, Botswana, 7608
imitation of modeled conservation vs cognitive conflict, conservation judgments & compensation arguments in observational learning situation, 11027
initial competence & imitation vs counterimitation pretraining vs neutralization vs sensitization, observational learning of conservation, 6–7.4 yr old nonconservers, 21738
initial competence & modeling &/vs preparatory conservation exercises, mastery of conservation tasks, 5.7–7.4 yr olds, 6082
interhemispheric transfer, completion of reversible operations, 4–5 yr old nonconservers, 11425
mathematical formalization approach to conservation, 14179
nonparametric Mokken scale analysis, order of acquisition of conservation measured by Piagetian tasks, kindergartners through 2nd graders, 16928
performance on Piagetian conservation tasks, 3rd & 4th graders with vs without attention deficit disorder, 27506
performance on standard Piagetian number identity conservation task vs reduced perceptual salience version, 56–77 mo olds, test of failure to communicate change of mind hypothesis, 19600
Piagetian task vs manipulation of sealed bottles, verbal assessment of conservation of liquid quantity, 6–8 yr olds, England, 14195
relative difficulty of Piaget's number conservation vs M. Donaldson & J. McGarrigle's covering tasks, 46–65 mo olds, 29606
reliability & validity of types of scoring criteria for conservation tasks, kindergartners & 1st–6th graders, 23446
rule-sampling theory of conservation learning & proposal of alternative structuralist model, comments on article by C. J. Brainerd, 26843
set size & response criteria, conservation tasks, 4–6 yr olds, 16907
task familiarity, conservation ability, 6–8 yr olds from pottery making vs non-pottery making families, India, 24112
verbal training, facilitation of concept of conservation, 6.5–7.5 yr old nonconservers of substance & volume, Nigeria, 19622
violation vs transformation of conservation, reactions & responses, kindergarten vs 3rd graders, 3438

Conservation (Ecological Behavior)

accuracy of self-report of household energy conservation, adults in home energy survey, 8009
attitude accessibility & social norms & disposition, littering attitude & behavior, college students, 23304
attitudes toward & coverage of energy education in curriculum & knowledge of energy issues such as nuclear power & conservation, 16–19 yr old college students & teachers, UK, 18500
attitudes toward efficiency investments vs better management vs curtailment of amenities as energy conservation methods, consumers, 31559
cognitive responses elicited vs arguments recalled during persuasive communication, attitude change toward energy conservation, preservice elementary teachers, 22905
conservation education & feedback on driving style & fuel consumption & supervision, energy saving driving behavior, postal service workers, Netherlands, 10665
conservation information &/vs feedback &/vs self monitoring, natural gas consumption, community residents, 10660
energy & technology, household settlement patterns & regional shifts, 31575
energy conservation research topics & approaches, 7900
experimental methodology & confounding factors, impact of financial incentives in utility-sponsored residential conservation programs, literature review, 2727
information & consumer education & energy conservation, literature review, 31569
motivation & satisfaction in conservation, recycling of household solid wastes, respondents, 31553
no-interest loan vs grant programs, participation in household weatherization programs, consumers, implications for government policy making, 31563
participation in tin recycling program, 20–65 yr old females, Netherlands, 15952
personal values & contextual factors, commitment to energy conservation, Ss aged 18 yrs & older, 20911

previous level of resource use & other's purported harvests in simulated resource management task, choice of management alternative to free access, college students, 23307
psychological obstacles & stress & industrialization, optimal usage of natural resources, implications for sociopsychological preparation of forestry workers, 5143
self esteem & energy use & conservatism ethic, 31568
social-psychological perspective, processes & behavioral change related to energy conservation behavior, 26040
Conservatism
conservatism & preferences & liking of traditional vs modern & simple vs complex poems, college students, 21972
conservatism & sensation seeking, music preferences, college students who were not music majors, 11802
correlation of 4 conservatism questionnaires, prediction of humor responses, college students, West Germany, 28996
demographic variables & psychological beliefs, attitudes toward social security recipients, adults, 3549
development of German version of Wilson-Patterson Conservatism Scale, measure of conservatism, students, 163
factor structure of Wilson-Patterson Conservatism Scale, college students, 2898
identification of word association test words with sexual meaning, sexual responding, high vs low conservative college students, 24430
parental control in childrearing, conservatism, female college students, 9135
stage of moral reasoning, religious & political conservative vs liberal male vs female college students, 26790
Conservatism (Political) [See Political Conservatism]
Consistency (Measurement)
data aggregation, reliability & validity & transsituational consistency & error measurement, 185
Pearson correlations vs multiple regression vs continuous vs discrete discriminate analysis, behavioral consistency over time & context, 21030
Consonants
acoustic & perceptual & physiologic measurements, high- vs low-intelligibility productions of /t/ & /d/, 48–63 yr old male esophageal speakers, 9476
availability of information specifying consonant identity in brief segments at offsets of vowel-consonant syllables, college students, 16275
consonant acoustic vs phonetic features as more appropriate description of perceptual confusions among speech stimuli in multitalker babble background, college students, 23586
consonant attraction, linking at phonetic syllable level & verbal fluency, native English-speakers vs German-speaking learners of English, 14090
corrective feedback, initial vs final consonant deletion in utterances, 4 vs 5 yr olds, implications for reading education, 29587
development in perception tasks & stop consonant continuum from /p/ to /t/ in identification tasks, 1st vs 3rd vs 4th graders vs college students with dyslexia vs high achievement vs learning disabilities, 25861
estimation of vocal tract area function, characteristics of voiceless fricatives, conference presentation, 730
first formant masking effects at different decibels, identification of voiced stop consonants, adults with sensorineural hearing loss, 4121
force of articulation & voicing, linguo-palatal contact area for French consonants, conference presentation, 723
formant bandwidth & auditory frequency selectivity, detection of place of articulation in stop consonants, Ss with moderate hearing impairments of cochlear origin, 22334
interlist equivalencies for numeral & vowel/consonant multiple choice monosyllabic test, severely & profoundly deaf young adults, 13473
markedness analysis of consonant & phonemic errors in naming & narrative tasks, 58 & 59 & 73 yr old males with apraxia of speech, 25018
perceptual stability of stop consonants cued by silence, college students, 13609
phonetic & syntactic constraints, articulation of /k/ & /l/ sounds, 21130
phonetic contexts, control of duration of fricatives /s, z/, 49–73 yr olds with Broca's aphasia, 4140
phonetic tendencies & consonant use in babbling & early words & phonological word-selection patterns, 16 mo olds, 7-mo study, 26871
place of articulation vs consonant transition duration in series of consonant-vowel syllables, left- vs right-hemisphere auditory evoked responses, right-handed college students, 5697
production & perception of aspirated vs prevoiced stop consonants, moderately deaf French speaking 12–20 yr olds, 9616
prolonged consonants using processing method, discrimination scores, congenital sensorineural hearing impaired children, 27629
reverberation time & noise level, multidimensional scaling of confusion in Dutch consonant identification, 26–40 yr old speakers & 18–23 yr old listeners, 268
signal processing by House-3M cochlear implant, consonant perception, 20–58 yr old profoundly deaf single channel implant patients, conference presentation, 2812
synthetic voiced stop consonants & initial noise burst &/vs format transitions cued place continua, identification frequency, normal hearing 18–30 yr olds vs hearing impaired 24–63 yr olds with speech perception problems, 30347
temporary vs permanent extrasyllabic consonants & rule of shwa insertion or deletion, inflectional processing, college students, 3354
voice onset time & vowel duration in identification of object or action pictures, acquisition of voicing contrast for English stop consonants, Arabic speaking 2–5 vs 7–11 yr olds with 2–12 vs 18–54 mo of English experience, 19593
voiced vs voiceless consonants, locus of selective adaptation in speech perception, 18–45 yr olds, 26333
voiced vs voiceless spelling of stop consonants after /s/, kindergartners vs 1st graders vs college students, 21737
voicing onset time of initial consonant, discrimination of synthesized 5-formant CV syllables, 6–11 yr olds vs college students, 26822
vowel duration & final transition & voicing during closure, determination of voicing in final stop consonants, 3 vs 6 yr olds vs adults, 14194
Constipation
hypnotherapy & dream symbolism, 30 yr old female with chronic constipation from emotional conflict with boyfriend, 7294
prevention of constipation, aged, 20462
soy polysaccharide added to liquid formula diet, bowel functioning, constipated & tube-fed & nonambulant severely or profoundly mentally retarded Ss, 14931
Construct Validity
assessment & construct validity of McCarthy Scales of Children's Abilities, comments on paper by E. O. Watkins & M. J. Wiebe, 26252
characters of family stress induced by child's chronic illness & construct validity of long & short forms of Questionnaire on Resources & Stress, parents of 6–14.9 yr olds with cystic fibrosis vs renal disease, 30406
construct & discriminant & concurrent validity of test by L. Duss, female vs male 1st–5th graders, 13393
construct & empirical validity of Baby Behavior Questionnaire & Toddler Behavior Questionnaire, measurement of infant behavior differences, 3 mo vs 11–15 mo olds, 18951
construct reliability & validity of MCCP, parental control behavior, parents, France, 169
construct validity & criterion referenced tests in educational setting, 4995
construct validity & factor structure of Mathematics Attitudes Scale, college students, 10526
construct validity & reliability of Porter Needs Satisfaction Questionnaire, educators, 7768
construct validity & statistical correlation, semantically negative- & positive-valence items on verbal self report measures of latent traits, 8th–9th graders, 10779
construct validity of Bem Sex-Role Inventory & Personality Research Form ANDRO Scale, investigation of gender schema theory, female vs male college students, 16154
construct validity of Child Abuse Potential Inventory lie scale, detection of conscious deception, male vs female college students vs 20–54 yr old parents, 8105

construct validity of cognitive complexity scores, measures of loquacity & motivation vs personal construct processes, college students, 13615
construct validity of combination clinical & neuropsychological measure for differential diagnosis, 4–13 yr olds with attention deficit disorder with hyperactivity &/or conduct disorder &/or emotional disorder, 16108
construct validity of dexamethasone suppression test as marker for endogenous depression, patients with primary unipolar major depressive disorder, 30246
construct validity of Dutch version of Maudsley Marital Questionnaire, assessment of marital discord, 30–47 yr old married couples, 20983
construct validity of Dyadic Trust Scale, measurement of trust, married couples, 18986
construct validity of imposter phenomenon, female vs male university faculty members, 20664
construct validity of J. O. Crites's career maturity model & Career Maturity Inventory, 6th–11th graders, 23489
construct validity of Kaufman Assessment Battery for Children Sequential & Simultaneous Processing scales, male vs female 2.5–12.5 yr olds, 28970
construct validity of Luria-Nebraska Neuropsychological Battery-Children's Revision, differentiation of subgroups, 8.3–12.8 yr olds diagnosed as learning disabled, 13463
construct validity of MacAndrew Scale of MMPI, character orientation & pattern of alcohol intoxication, 16–20 yr old misdemeanor offenders, 5321
construct validity of Missouri Children's Behavior Checklist behavior profiles, developmentally disabled 2–12 yr olds, 170
construct validity of Principal Expectancy Motivation Scales, measurement of constructs & motivation toward managerial & instructional role & total motivation, school principals, 31347
construct validity of rating scales, assessment of coping behavior related to occupational stress, managers & professionals in manufacturing firm & osteopathic hospital, 28975
construct validity of Scale of Attitudes Toward Disabled Persons, college students & graduate students & faculty, 115
construct validity of Self-Control Schedule, college students, 13459
construct validity of Survey of Reading Attitudes & Reading Preference Survey, reading attitudes & interests, 4th–5th graders, 10537
construct validity of Torrance Tests of Creative Thinking when task instructions differ in clarity, college students, 13451
construct validity of 3 Piagetian tests, logical thinking & reasoning & verbal & spatial abilities & SES & school achievement, female vs male 9–16 yr olds, Finland, 10801
construct validity, PPVT-R as measure of general achievement, 6–11.9 yr olds, 113
convergent & construct validity of Ball Aptitude Battery vs 3 other aptitude test batteries, adults & high school seniors & college students, 25903
development & construct & discriminant validities of Parental Locus of Control Scale, parents with vs without parenting problems vs with behaviorally or emotionally disturbed school age children, 28936
development of criterion test & assessment of construct validity, measurement of clinical problem solving ability for selection purposes, medical school students, conference presentation, 18632
discriminant validity of conceptualizations of job involvement, nurses & university personnel, 117
ecological construct validation in behavioral sciences, 16052
EEG & construct validity of Personal Philosophy Inventory, assessment of temporal lobe lability, college students, 18963
evaluation of cognitive theory & achievement motivation theory of J. W. Atkinson, prediction of initial task choice, comments on study by W. H. Cooper, 11847
factor analysis & construct validity of A. Vando's Reducer–Augmenter Scale, college students & correctional inmates, 28971
factor analysis of responses to occupational inventory based on interests in professional level job activities, construct validity of career subclusters, college students & professional workers, 13431
factor structure & construct validity of Central State Trait Kit, emotional state scales, married couple, 18922
factorial & construct validity of Science Teacher Inventory of Need, secondary school science teachers, Malaysia, 7739
framework for evaluation & strengths & weaknesses of criterion-related validating designs, 29030
interrater reliability & construct validity of Negative Symptoms Rating Scale, measurement of negative symptoms in "defect state" schizophrenia, 18–35 yr olds with schizophrenia or bipolar disorder or schizoaffective illness or personality disorder, 23445
Jenkins Activity Survey vs Framingham Type A Scale, correlations with psychological & control aspects vs neuroticism-related dimensions of Type A behavior & coronary heart disease, college students, 28998
methodological considerations in construct measurement, organizational strategy research, 16022
methodology & assessment & validation of dyadic interaction paradigm of naturalistic social cognition, college students, 27142
predictive & construct validity of experimental measures of career maturity, 11th graders, 1-yr followup with criterion measures, 18684
reliability & construct validity of learning style questionnaire, college students, 23458
reliability & construct validity of Maslach Burnout Inventory, assessment of emotional exhaustion & depersonalization & personal accomplishment, advanced & graduate education students, 23468
reliability & construct validity of semantic differential format of Learning Style Inventory, undergraduate nursing students, 15919
reliability & internal consistency & construct & convergent & discriminant validity of Perceived Support Network Inventory, counseling center clients vs college students, 23463
reliability & validity of symptoms of depression, 16–83 yr old depressed inpatients & consecutively admitted patients with major depressive episode, 27335
scores on self monitoring scale vs Self Consciousness Scale's public vs private self consciousness vs social anxiety subscales, college students, 13468
stability & test-retest correlations of construct of career indecision assessed by Career Decision Scale, college students, 23166
test item phrasing, validity of attitude scales, 4th–6th graders, 20795
two-factor solution of Jenkins Activity Survey-Form T, 17–28 yr old male vs female college students, 132
validity of DSM III axis IV in assessment of relevance of stressful life events, depressed inpatients, 12029
validity of Orientation to Learning scale, measurement of orientation to humanistic instructional values, graduate students in confluent education vs counseling psychology vs other Master's vs credential programs, 15937

Consultation (Professional) [See Professional Consultation]

Consumer Attitudes

advertising appeals to product's image vs claims about product's quality, evaluative & behavioral reactions, college students with high vs low self monitoring personalities, 5158
advertising repetition, motivation & ability & opportunity to respond, 20–55 yr old housewives, 26053
anchoring on own preferences, prediction of spousal preferences for new product concepts, husbands & wives, 26060
approach to measurement of consumer preferences using information on nonpreferred choice alternatives, homeowners, 18797
assessment of 2-factor model of message repetition & receiver knowledge & commercial length, cognitive responses & attitudes & recall, college students, 18799
attention directed to specific choice & relevant information, recall of information, college students as consumers, 7918
attitudes & behaviors relative to energy, implications for policy making, 31572
attitudes toward efficiency investments vs better management vs curtailment of amenities as energy conservation methods, consumers, 31559
attitudes toward housing & neighborhood characteristics & desirability as places to live, White adults, 5145
attitudes toward prefabricated houses, homeowners, France, 23303
attitudes toward shoplifting behavior & personality characteristics & demographic background, consumers, implications for shoplifting deterrents, 14705

attitudes toward use of subliminal stimulation techniques in self improvement product, consumers, 23312
congruity between actual vs ideal vs social self & product images, consumer product purchase motivation, female college students, 16048
consumer & political alienation, advertising criticisms, customers of electric company, 23313
consumer sovereignty & medical self-regulation & statistics on unnecessary surgery, Australia vs US vs England vs Wales, 7349
convergent validity of 6 methods of attribute importance measurement, consumer decision making, female college students, 23370
country of origin, product evaluations, graduate students, Japan vs US, 10676
customer feedback, stocking of newspaper vendor boxes, circulation managers & delivery agents, 23318
data collection methodology, purchase expectations & prediction of demand for durable goods, consumers, 2734
demographic variables & attitude functions & store behavior, store attitude & behavior, patrons of discount & catalog stores, 23320
development of consumer feedback system, evaluation of performance, school psychology interns, 10288
dissatisfaction in loose monopolies, responses, adult consumers of physician care, 7908
economic variables & opinions, consumers, implications for role of consumer surveys in forecasting, France & Italy & West Germany & UK, 26077
expectations & perceptions of service quality, consumers & service providers, 10681
feeling of warmth created by TV commercial, arousal & advertisement responses, college students, 26049
housing expectations vs housing costs, financial commitment to home ownership, college students, 26064
humor in radio advertisement, attitudes toward & intent to buy product, college students, 7911
individual decision making & group & social influences on consumer behavior & policy issues & consumer satisfaction in consumer psychology, 1981–84, literature review, 23311
inferential & overall disconfirmation, product usage & expectations & satisfaction & intentions, appetite suppressant users, 4-wk vs 5-mo followups, 16046
information need & channel orientation, prediction of videotex adoption, newspaper readers, 29496
initial stimulus-based judgments, subsequent memory-based judgments of consumer product, college students, 26068
level of involvement & presence of background music, brand attitudes & information processing of TV commercial, 21–60 yr old females, 18798
level of involvement strategy in advertisement, memory for & attitudes toward brand name products, college students, 7913
level of readability in print advertisement, recall & attitudinal judgments & purchase intent, adults, 31585
levels of potential exposure to TV advertisements, attitudes toward & evaluation of advertisements, college students, 26057
low detail black & white line drawings vs high detail color photographs & time between initiation & completion of image display, evaluation of simulated teleshopping presentations, Os, 13281
mathematical model & value vs net value priority hypotheses, description/prediction of consumer budget plans, 26061
model of normative structure & attitude crossover path, prediction of attitudes toward & trial of new appetite suppressant product, consumer panel members, 13282
nutrition information posted in supermarkets, knowledge of & attitudes toward nutrition & purchasing behavior, shoppers, 26080
perception of changes in cost of living, 30–80 yr olds, New Zealand, 2597
positively vs negatively valenced products, cognitive differentiation in product judgments, consumers, 2735
price of product, beliefs & attitudes & intentions regarding automobile brands, business administration graduate students, 7912
prior beliefs, price information search strategies, consumers, 26065
proposed index of consumer attitudes toward marketing, utility in consumer marketing research community, 31578
psychometric properties of C. W. King & J. O. Summer's self designating scale of opinion leadership & construction of revised scale of consumer behavior influences, cable TV subscribers, 23420
research results information in advertising, perceived believability of advertising, recent automobile registrants, 23310
satisfaction with medical services, health care shopping behavior, rural consumers, implications for marketing, 1972
self esteem & energy use & conservatism ethic, 31568
sexual subliminal messages in advertisements, evaluation of ads & GSR, college students, 7917
structural equations analysis of 4 models, attitude toward advertisement as causal mediating variable of brand attitudes & purchase intentions, 18–75 yr olds, 26071
technical support problem solving & documentation & user expectations, satisfaction with computer system, computer users, 18800
time compressed radio advertising, attention allocation & attitudinal judgments, college students, 26075
typology based on consumer motivation, female department store shoppers, 10686
uninformed response rates in survey of attitudes toward generic foods, store managers, 18801
user attributes & visit characteristics & perceived site problems, management strategy preferences, float anglers, 16047
validity & test-retest reliability of semantic differential Personal Involvement Inventory, measurement of consumer behavior, college & graduate business students & clerical & administrative staff, 10847
validity scale for SHARP consumer satisfaction scales, 13–81 yr old former patients of community health center & psychotherapy, 5346
verbal & visual components of advertisements, brand attitudes & attitudes toward advertisement, college students, 26074
vividness, attitudinal judgments, support for availability-valence hypothesis, implications for advertising, literature review, 26069

Consumer Behavior

acquisition & maintenance & generalization of mnemonics training, grocery shopping, 63–82 yr olds, 29577
advertising & fashion system & consumption rituals, movement of cultural meaning in consumer society, 26072
advertising, low involvement decision making at moment of brand selection, shoppers, 31577
age & marital & female working status & income, shopping behavior, male vs female shoppers, implications for mass marketing of grocery products, 5159
agendas, selection & elimination of choice alternatives, consumers, implications for marketing, 31581
alternative methods for use of conjoint analysis, measurement of buyer similarity, 20922
attitudes & behaviors relative to energy, implications for policy making, 31572
brand advertising, primary demand for cigarettes, 1961–65 vs 1971–75, West Germany, 10678
choice of self service vs traditional service delivery, customers of financial institutions, 28840
clarity & business utility of advertising concepts developed from consumer typology based on males' self perception & product & brand choice, male marketing & business studies students, UK, 10669
communication style, success of sale, sporting goods salespeople & their customers, 10687
congruity between actual vs ideal vs social self & product images, consumer product purchase motivation, female college students, 16048
consumer behavior theories & market segmentation strategies, college recruitment, 18416
consumer sovereignty & medical self-regulation & statistics on unnecessary surgery, Australia vs US vs England vs Wales, 7349
data collection methodology, purchase expectations & prediction of demand for durable goods, consumers, 2734
demographic variables & attitude functions & store behavior, store attitude & behavior, patrons of discount & catalog stores, 23320
development of organizational buying theory, 18805
dissatisfaction in loose monopolies, responses, adult consumers of physician care, 7908

early vs late delivery of pizza due to pizza deliveryman's actions vs reasons not attributable to deliveryman, attribution of responsibility to deliveryman & tipping behavior, carry-out pizza customers, 23327
effectiveness of community action group protest against bank, 5-yr longitudinal study, implications for use of interrupted time series analysis in community psychology research, 977
experimental methodology & confounding factors, impact of financial incentives in utility-sponsored residential conservation programs, literature review, 2727
explanations of product failure, buyers vs sellers or service providers, 23314
financial services print advertisements response profile scores, self reported choice behavior, part-time Masters in Business Administration students, 23330
general merchandise purchase rate & demographic & psychographic characteristics, nonusers vs infrequent vs frequent users of catalog shopping, 18796
geographical locations, shopping profiles, consumers, US, 5154
holistic & intuitive & subjective states of consciousness, consumer research theory, 16045
immigration & other social & geographic factors in cleanliness values & energy consumption, 1900–40, 29785
individual decision making & group & social influences on consumer behavior & policy issues & consumer satisfaction in consumer psychology, 1981–84, literature review, 23311
individual differences & self expression, automobile buyers, conference presentation, 13279
inferential & overall disconfirmation, product usage & expectations & satisfaction & intentions, appetite suppressant users, 4-wk vs 5-mo followups, 16046
information & consumer education & energy conservation, literature review, 31569
information about common purchase events, memory structure, 4–5 vs 6–7 vs 9–10 yr olds, 24132
information need & channel orientation, prediction of videotex adoption, newspaper readers, 29496
information-theoretic approach to testing of exact order of brand choice process, 8138
interaction strategies in buyer-seller relationships, organizational buying behavior, marketing & purchasing managers, 7814
mathematical model & value vs net value priority hypotheses, description/prediction of consumer budget plans, 26061
measurement of individual differences, visual vs verbal consumer information processing, college students, 7909
memory accessibility & external information processing, brand choice, college students & clerical workers, 26054
missing information, satisfaction ratings for purchase, college students, 7916
model of normative structure & attitude crossover path, prediction of attitudes toward & trial of new appetite suppressant product, consumer panel members, 13282
mood states, behavior in service encounters & point-of-purchase stimuli & context & content communications, consumers, literature review, 13275
need for dress before vs after purchase, behavior & satisfaction, young females, 15954
no-interest loan vs grant programs, participation in household weatherization programs, consumers, implications for government policy making, 31563
nutrition information posted in supermarkets, knowledge of & attitudes toward nutrition & purchasing behavior, shoppers, 26080
peak-power-demand limitation, resource allocation, independent consumers, 31592
preference for Spanish- vs English-language TV vs radio, Mexican Americans, implications for ethnic segmentation in advertising & marketing, 23324
primitive aspects of consumption in modern American society, 6179
prior beliefs, price information search strategies, consumers, 26065
private vs social perspectives of productivity & functional shifting in spatial retailing, 2729
processes in adoption of consumer-related technologies, 18–25 yr olds vs Ss aged 65 yrs & older, 13277
product attributes, brand categorization process for purchase of TV set in limited problem solving situation, consumers, test & extension of J. E. Brisoux & M. Larouche's model, 26058
product involvement & ongoing search, consumers, 26055
quality & efficiency of consumer markets, comments on findings of C. Hjorth-Andersen, 26081
quality & efficiency of consumer markets, reply to comments of D. J. Curry & D. J. Faulds & G. B. Sproles, 26063
quality of clerk-customer interaction & individual differences in sociability, customers, 26062
research strategies in analysis of organizational buying behavior, 7866
residential concentration & protected market hypothesis & determination of proportion of ethnic minority customers, Asian vs White shopkeepers, Great Britain, 2726
revision of J. F. Pickering's model of demand for durable goods, consumers, 16051
ritual hair grooming behavior & perception of themes in grooming TATs, 18–26 yr old consumers, implications for marketing, 13283
satisfaction with medical services, health care shopping behavior, rural consumers, implications for marketing, 1972
selling orientation/customer orientation scale, assessment of salespeople's perceptions of buyer-seller interactions, purchasing professionals, 8093
shopping orientations, retired vs not retired 55–64 yr olds vs Ss aged 65 yrs & older, 2731
simulation of intentions to buy different heating systems by REASON, 5231
social & geographical characteristics of pharmacy patronage, Blacks vs Whites aged 60 & older, 2737
social-psychological perspective, processes & behavioral change related to energy conservation behavior, 26040
social skills training, consumer-related interpersonal skills, hearing impaired 17.7–18.6 yr olds, 2162
stability of predictive model of household automobile gasoline consumption, families, 2-yr followup, 2733
statistical model with parameters estimated by least squares approach, 1st-order Markov transition probabilities for multibrand market, 23514
stimulation & perception of advocacy, vendor choice, office service manager & assistants & dyads of organizational buyers in training programs, 10677
store attributes, decision to buy apparel, young vs over 60 yr old shoppers, 23322
taxonomic framework composed of 7 marketing models, measurement of consumer variety-seeking & reinforcement behavior, families, 26067
toy requests & age & sex differences, toys received from parents at Christmas, 9–76 mo olds, 19653
typology based on consumer motivation, female department store shoppers, 10686
user attributes & visit characteristics & perceived site problems, management strategy preferences, float anglers, 16047
user organization involvement & size & structural formality & management quality, supplier-customer relationship in new product development, machine tool manufacturers & their customers, Great Britain vs West Germany, 7871
validity & reliability of envy & possessiveness & nongenerosity scales & sentence completion task, measurement of materialism, 13–92 yr olds, 10785
validity & test-retest reliability of semantic differential Personal Involvement Inventory, measurement of consumer behavior, college & graduate business students & clerical & administrative staff, 10847
validity of W. D. Well's vs C. Leavitt's commercial profit scales, prediction of responses to advertisements, target audience, 8119
visual prompting procedure, acquisition & generalization of purchasing skills, 11.5–13 yr olds with mental retardation, 15091

Consumer Protection

influence of legal & consumer perspectives on deinstitutionalization of mentally ill, 22677
safety hierarchies & accident prevention research, 25943
variability of flight patterns of projectiles from toy guns, control of projectile's destination, children, implications for consumer safety, 20925

Consumer Research [See Also Consumer Surveys]
adaptation & control model of environment-behavior research, application to housing research, Canada, 13274
alternative methods for use of conjoint analysis, measurement of buyer similarity, 20922
approach to measurement of consumer preferences using information on nonpreferred choice alternatives, homeowners, 18797
attitudes toward & practices regarding role of concept tests in development of advertising strategies & other methodological issues, advertising researchers, 23323
backgrounds & outlooks of market research, 18793
behavioral industrial marketing research, West Germany vs US, 26051
changes in national readership survey, implications for adapting continuous surveys, 26079
competitive context & availability of additional information, choice behavior & sensitivity, suburban residents & college students, 31583
consumer information acquisition process, students, 7919
consumer-oriented research teaching technique, anxiety reduction in experimental design & statistics course, college students, 31169
convergent validity of 6 methods of attribute importance measurement, consumer decision making, female college students, 23370
demand estimation in determination of market potential & marketing research in developing countries, 20919
development of organizational buying theory, 18805
effectiveness of "that's-not-all" compliance procedure technique, adolescents & college students & adults, 31576
factors affecting high readers-per-copy estimates for magazines, India, 26078
feeling of warmth created by TV commercial, arousal & advertisement responses, college students, 26049
focus group research, qualitative information gathering for health care organizations, 2728
foot-in-the-door vs door-in-the-face vs low-ball compliance techniques, eliciting donations, museum patrons, 5018
forced-choice recognition tests, response bias in advertising context, literature review, 23328
holistic & intuitive & subjective states of consciousness, consumer research theory, 16045
humanistic inquiry, marketing research, 31582
individual decision making & group & social influences on consumer behavior & policy issues & consumer satisfaction in consumer psychology, 1981–84, literature review, 23311
issues in marketing measurement & consumer research, 10668
measurement of magazine page exposure, survey respondents, implications for advertisement value, 26066
memory accessibility & external information processing, brand choice, college students & clerical workers, 26054
methods for estimation of impact of expected demographic & socioeconomic shifts, product demand, US, 8131
need for development of survey methods in market & social surveys, 20923
ordinary vs fancy restaurant meetings, reactions to user vs supplier problems, industrial buyers, 18802
partnership model & fusion techniques in media analysis, West Germany, 26085
positive portrayal of materialism & endorsement of wealth & material comfort as goals in Sunday comic strips vs underground comic, 1971–72 vs 1981–82, implications for consumer research, 24255
proposed index of consumer attitudes toward marketing, utility in consumer marketing research community, 31578
psychometric properties of C. W. King & J. O. Summer's self designating scale of opinion leadership & construction of revised scale of consumer behavior influences, cable TV subscribers, 23420
quality & efficiency of consumer markets, comments on findings of C. Hjorth-Andersen, 26081
quality & efficiency of consumer markets, reply to comments of D. J. Curry & D. J. Faulds & G. B. Sproles, 26063
questionnaire vs brochure vs questionnaire & brochure, marketing response to health maintenance organization, civil service & college personnel, 2736
research design choices of sampling characteristics & measure characteristics & developmental processes in marketing research, meta-analysis, 16112
research results information in advertising, perceived believability of advertising, recent automobile registrants, 23310
robustness of cognitive & affective conative descriptors across scales & products with different semantic & psychological intensity, female homemakers, 10683
scientific style & consumer research, 7915
simulation study of factor score indeterminacy, implications for market research, literature review, 26050
source of copy surveys, overestimation of actual magazine sales, consumers, Australia, 26083
statistical model with parameters estimated by least squares approach, 1st-order Markov transition probabilities for multibrand market, 23514
taxonomic framework composed of 7 marketing models, measurement of consumer variety-seeking & reinforcement behavior, families, 26067
uninformed response rates in survey of attitudes toward generic foods, store managers, 18801
use of cohort analysis, time series analysis of syndicated audience research, 26073
use of overall product quality rankings as basis for scientific research, criticism of arguments of C. Hjorth-Andersen, 26059
validation of 1st-time-read-yesterday survey technique, evaluation of computer-directed continuous media investigation, magazine subscribers, Holland, 26084
variation of decision rules for classification, prediction of response rates & determination of cutoff points for acceptance, credit card holders who received mail offer, test of discriminant analysis in classification procedures, 31584

Consumer Surveys
accuracy of self-report of household energy conservation, adults in home energy survey, 8009
development & administration of opinion survey, satisfaction with hospital care, patients, 70
economic variables & opinions, consumers, implications for role of consumer surveys in forecasting, France & Italy & West Germany & UK, 26077
length of survey & provision of structured vs unstructured space for comments, improving survey response, hotel guests, 10685
levels of dissemination & use of food cooperative survey results, 3-yr followup, 31591

Contact Lenses
contact lens wearing, eyeblink frequency during visual search task, college students, 10936
development of experimental contact lens for lateralizing visual input, 26167

Content Analysis
analysis of articles comprising 1st 10 volumes of journal Behavioral Disorders, 12108
analysis of college methodology textbooks for suggestions for teaching reading comprehension to children, 22889
analysis of number & types of reading events portrayed in 5 basal reading series for 1st–8th grades, 22946
analysis of quantitative research, religious variables in psychiatric journals, 1978–82, 17733
analysis of statements from newspaper advice columns & attribution of referent subject & mode & locus of explanation & cause vs reason, 24524
analysis of statistical techniques used in "Journal of Educational Psychology", 1979–83, 4807
categories of content in sexually explicit magazines sold at adult bookstore, 9078
comprehensive theoretical vs reductionist thinking in clinical literature, examples of therapist-patient & mother-child relations, 25110
content & impact of smoking education booklet published by Tobacco Institute, adolescents, 15226
content analysis & coverage of research ethics & experimental participants' rights in introductory & social psychology textbooks, implications for psychology education, 15513
content analysis of children's books containing death themes, 24064
content analysis of cognitions related to playing table tennis, ping pong players, 10961

content analysis of depression scales, conference presentation, 5306
content analysis of leading introductory psychology textbooks, 12960
content analysis of newsletters of state psychological associations, 20594
content analysis of oral account & play rendition of same events, kindergartners vs 1st graders with literate vs oral speech styles, 11467
content analysis of psychology theses & conference programs, incidence of works on children up to 12 yrs old, psychologists, Peru, 31040
content analysis of research published in 1982 volumes of "Journal of Personality & Social Psychology", reply to R. Carlson, 21900
content analysis of Rokeach Dogmatism Scale, invalidity of scores for Bible believers, conference presentation, 8057
content analysis of speech, Danish schizophrenic adoptees & their biological vs adoptive relatives, 22066
content analysis, pictorial representation of males vs females in popular computer magazines, 21891
content analysis, portrayal of older adults on daytime TV, 705
content analysis, social work research, 10047
content validity in evaluation & policy-relevant research, 5254
coverage of psychology in introductory educational psychology textbooks, 4845
evaluation of methods of content analysis of alexithymic speech samples, psychoneurotic & psychosomatic patients with ulcerative colitis & Crohn's disease, 1240
frequency of qualifying words & expressions in research reports in social psychology, implications for validity of initial research, 3660
historical analysis of content of educational psychology textbooks, 1954–83, 4831
linguistic-stylistic analysis of narrativization of experience, Black 7 yr old, implications for cultural use of language in understanding personal experience, 11417
multiformula readabilities of content textbooks in 6th–9th grades, implications for conceptual density & comprehension performance, 4848
problems & purposes of narrative analysis in educational research, 12888
quantity & quality of data on aging published in Sunday editions of newspapers, 1963 vs 1983, 29507
rated distortion of Adlerian individual psychology in introductory textbooks, Adlerian teachers & practitioners, implications for psychology education, 15714
self report vs interactional analysis of teacher-student interaction in adult vs preadult classrooms, university & community college & public school adult education teachers, 12905
use of R. F. Ball's field diagrams & I. A. Taylor's creativity categories to analyze group dynamics, creative problem solving at Camp David Summit, delegates, 11729
utility & validity of modified Gottschalk-Gleser Content Analysis Scales, elicitation of speech samples focusing on hostile relations with family members, separated or divorced vs married females, 19717
utility of rating scales, measurement of primary process content in 19th & 20th century paintings, college students, 21004
verbal self presentation, patients with somatization vs medical vs paranoid disorders vs depression, 6830

Content Analysis (Test)

content relevance & coverage of 3 standardized tests of grammatical ability, 16156
review of revised edition of Wide Range Achievement Test & its validity for achievement assessment, 31385

Contextual Associations

acoustic-phonetic information in speech signal & context of meaningful vs semantically anomalous sentences, spoken word identification, college students, 5472
age & sex of conversational participants, use of language functions of thanking & requesting & greeting & taking leave, native speaking vs 2nd language learning college students, Great Britain, instructional implications, 24050
associative processes in taste aversion & distinctive environments, rats, 13716
associative relationships among words vs thematic context of discourse, sense activation in cross modal lexical decision task, college students, 8210
attention to context information, memory for target words, 2nd vs 3rd vs 5th graders vs college students, 16906
changes in environmental context, recognition memory, college students, 26358
conditions of home environment, conditioned taste aversions, preweanling vs weanling vs adult rats, 13749
constraint & validity of sentence contexts, facilitation vs inhibition of lexical decisions, college students, 19106
context, comprehension of difficult sentences, 4th–8th grade severely to profoundly deaf students, 20780
context effects & encoding specificity, verbal discrimination learning, college students, 11015
context effects, short term memory, college students, replication of P. R. Falkenberg's study, 318
context influences, recognition memory for typical & atypical script actions, college students vs aged, 8742
context of word pairs, retrieval processes in recognition memory tasks, female college students, 29147
context vs no context in letter deletion task, recall & application of missing letters, college students, 29125
context, word recognition, 3rd vs 5th graders vs college students, implications for spreading activation process & expectancy-based attention, 8793
contextual associations, rating of personality characteristics, college students, 11766
contextual change, latent inhibition & habituation of orienting response, rats, 11063
contextual change, latent inhibition, male rats, 3088
contextual constraints & misspelling, eye movement patterns & fixation during reading, skilled readers, 254
contextual constraints & parafoveal visual information in reading, college community members, 2957
contextual effects & priming, RT in sentence processing, college students, Japan, 5479
contextual effects, ability to discriminate line segments, 3 mo olds, 796
contextual framework & word familiarity, episodic memory, 19–29 vs 65–79 yr olds, 24122
contextual influences, contrast judgments of interpersonal attraction, college students, 11763
contextual knowledge, encoding & sentence recognition, college students, 11025
contextual meanings, constraint of lexical access & word recognition, college students, implications for language comprehension, 29080
contextual orientation, reproduction of diamonds vs squares, 4–6 yr olds, 8710
contextual play technique, assessment of fears & worries, male vs female 5–6 yr olds, 8857
contextual stimuli, operant discrimination reversal learning, pigeons, 5575
definite vs indefinite reference & number of discourse referents, reading comprehension & time, college students, 282
different context from original, retention & retrieval of learned responses, 3 mo olds, 14180
enhanced spatial context, TV message retention, females, 29504
environment context, memory for frequency, college students, application to revised interference theory of forgetting, 300
environmental context during training & testing & item/context imagery of listed objects, recall, college students, 10995
environmental context, recognition memory for word lists, college students, 19161
environmental cues recall instructions vs multiple learning contexts, context-dependent forgetting, college students, 321
ethanol & presence vs absence of food & other Ss, preference or aversion for drug or environment, male rats, 21602
exposure to CS under reinforcement & nonreinforcement, contextual fear effect on CS performance in conditioned suppression paradigm, rats, 11052
factors that affect context formation & properties of context, college students, 13632
familiarization-novelty preference, pattern-line effect, 3–4 mo olds, 24148

fluency & comprehension level, comprehension of sentences in isolation vs at end of paragraphs with vs without adherence to given-new structure, aphasic 23–80 yr olds, 17564
general dimensional vs situation-specific vs behavior-specific forms of relational knowledge, biases in memory for relational implications of remarks in conversations, college students, 21924
grade level & decoding skill, use of context to facilitate word recognition & comprehension-monitoring processes in oral reading of prose, 4th–5th graders, 798
habituation to patterned vs gray hindwing Catocala moth prey models, startle response to novel gray vs patterned wing models in anomalous context, caged blue jays, 26407
houselight & tone vs dark & noise context, conditional discrimination performance, mice, 19228
individual differences & complex contextual cues, moral behavior & decision making, college students, 21977
initial rating of 1 vs all workers, subsequent memory-based performance ratings, college students, 23197
interaction with immediate context information, perceptual representation, college students, 23556
isolation vs prior context exposure, comprehension of abstract vs concrete sentences, college students, 23603
lack of structural constraints, ability to use context & category cues to search associative memory for episodic information, 2nd vs 5th graders & college students, 788
lexical priming effect & comprehension strategies, sentence classification task performance, college students, 14092
literal vs pragmatic factors, sensitivity to contextual appropriateness conditions for & comprehension of French adverbs, 34–75 yr olds with vs without aphasia, 27583
local disorders levels & neighborhood diversity, discriminant validity of territoriality & attachment to place & contextual determinants of attachment, heads of households, 26046
low- vs high-dominant properties of noun, color-naming interference & semantic access in sentence comprehension, college students, 328
memory & use of schemata & social contextual interactions, language comprehension & production, male dyslexic school age children, 6679
mental lexicon & contextual word meaning, sentence comprehension, 10984
mental rehearsal of task in same vs different environment, ethanol tolerance development, male social drinkers, 21477
metathesis & favorite sound usage in phonological pattern, 4 yr old phonologically disordered male, clinical implications, 6701
morphine & distinctive vs nondistinctive environments, drug tolerance development, male rats, 21494
morphine vs phencyclidine, place conditioning, male rats, 16553
multiple ethanol injections, environment-dependent tolerance, male mice, 21556
noise letters preceding target letter by stimulus onset asynchronies, choice RT, female college students, 2978
noncompliance & relational contexts & actor's gender, compliance-gaining behavior, male vs female college students, 21908
nonword facilitation in lexical decision task, college students, implications for word recognition, 5463
presence of reinforcing social stimuli, acquisition or blocking of attraction to strangers, college students, 11756
primary memory vs use of temporal or contextual cues, recency effect in free recall, 16313
printed contextual information in form of sentence vs isolation with superimposed noise, word recognition, normal-hearing Ss, 5442
prior passive training & novel context, interference between passive & active avoidance training in retention of active response, rats, 19204
related vs unrelated noun pairs with vs without digit preload, response latency in sentence production & short term recall of pairs & preload, college students, 21186
role of contextual cues in operant responding, male rats, 365
script-typical vs -atypical actions, RT & memory, college students, 29146
selective loss of memory for contextual information as cause of organic amnesia, 14869
semantic context & intonational & coarticulatory & silent interval cues in reconstruction of missing words in speech perception, college students, 23584
semantically related vs unrelated sentence context conditions, recognition of open vs closed lexical vs obligatory prepositions vs verb particles, college students vs patients with Broca's aphasia, 9534
sentence context, comprehension of meaning of ambiguous words, college students, 29517
sentence semantic & contextual information, word identification process, college students, 19121
short vs long context inducing metaphoric vs literal target reading, comprehension, college students, 3024
simultaneous &/vs sequential presentation of contextual & focal stimuli, assimilation & contrast of perceived length of parallel lines, college students, 21089
situational cues in reinstatement of extinguished fear, rats, 19191
speech rate & Welsh vs British accent & attributional context, ratings of speakers on competence adjectives, listeners, 29975
stimulus-response compatibility & memorability in discrimination task, perception of isolated vs coarticulated vowels in CVC syllables on basis of category vs acoustic characteristics, college students, 13606
study-phase retrieval model of temporal coding, basis for accurate judgment of relative recencies of 2 events, college students, 5509
symmetry theory of contextual effects, perceived shape of ambiguous figures, 23561
syntactic & semantic constraints, reduction of sensory input required for spoken word recognition, native speakers of Dutch, 3013
taste-mediated potentiation using noningestive diffuse environmental stimuli, rats, 19190
testing in same vs different room & spontaneous recall vs guided rehearsal of incident, facilitation of performance of eyewitness at line-up, housewives, 13651
theoretical model of effects of environmental context on cognitive processes, 13633
use of pragmatic information & contextual constraints, pronoun assignment, 19–37 vs 57–84 yr olds, 29624
variable contexts of free interaction vs interactions represented by drawings, informational content & syntactic features of baby talk, 20–35 yr old mothers & their 0–3 yr old children, 8974
word context, word naming & lexical decision, college students, 13619
word pairs in text type vs adage & spoken sentence pairs of high vs low redundancy, key word intelligibility, listeners, 19526

Contingency Management [See Also Token Economy Programs]
behavior modification, diurnal enuresis, 6 yr old male, 4-mo followup, 25221
brief time out with vs without contingency delay, aggression & disruption, normal & mildly & severely retarded 3–15 yr olds with behavior disorders, 22497
contact desensitization & contingent social approval, avoidance behavior toward escalators, institutionalized mentally retarded 33–41 yr olds, 4448
contingency contracting, 16 yr old delinquent & his family, case report, 7-mo followup, 27931
contingency management, seizure-like behavior, paranoid schizophrenic 22 yr old mildly retarded male, 9816
contingency reinforcement in development of generalized verbal control, self regulation, 4 yr olds with deficits in social or academic behaviors, 23063
contingent reinforcement & monitoring, smoking reduction & cessation, 21–51 yr old female hospital employees, 28260
contingent restraint & reinforcement of alternative behaviors & change in school activities, self injurious behavior, 14 yr old severely retarded female, 12530
correspondence training & verbalization reinforcement & indiscriminable contingencies, maintenance of target classroom behaviors, 4 yr old preschool students, 28506
correspondence training, development of self care skills & helping behaviors, male 15–17 yr olds in residential group home, 27920
financial contingencies for weight maintenance vs participation in skills-training to reinforce behavioral changes, maintenance of weight loss, adults, 1-yr study, 27909
individual vs group contingencies in classroom, social behavior & academic achievement, elementary & junior high school students, literature review, 25789

instruction stimuli vs verbalized contingencies, errors in conditioned reinforcement response chains, 3.3–5.5 yr olds, 26870
positive supervisory feedback for appropriate interactions, staff & client behavior, institutional staff & mentally retarded 8–17 yr olds, 10119
reciprocal peer management procedures & group reinforcement contingencies, arithmetic proficiency, underachieving 5th & 6th graders, 28464
response deprivation contingencies & response satiation requirements, self injurious air swallowing, profoundly mentally retarded 21 yr old female, 27902
Contingent Negative Variation
contingent negative variation & cognitive EP correlates of schizophrenia, literature review, 27353
contingent negative variation, disorganized schizophrenic vs paranoid schizophrenic 18–28 yr olds, 5-yr longitudinal study, 1362
distracting stimulus, contingent negative variation, 46–52 yr olds with presenile dementia, 6852
disturbed sleep, contingent negative variation in EEG, 20–24 yr old males, 556
painful stimulus as stressor, personality traits assessed by contingent negative variation analysis, college students, 8438
paired associate learning, changes in contingent negative variation, college students, 16314
tensing of agonist & antagonist muscles in anticipation of performance of task, contingent negative variation amplitude & RT, 17–36 yr olds, 13845
UCS probability & associative process between CS/UCS during long interstimulus interval conditioning, contingent negative variation & electrodermal response & EEG, college students, 13861
Continuing Education [See Also Inservice Training]
advantages & disadvantages of S-centered approach vs task analysis vs Delphi techniques vs cortical incident survey vs behavioral event interview methodology, determination of priorities in continuing education, professionals, 31419
assessment of continuing education needs, activity therapists, 31087
audiotapes as alternate teaching method, continuing education in occupational therapy, 20616
continuing education & employment training program, females in technical university, England, 22981
development of continuing education program, general practice physicians, Netherlands, 31036
lecture vs case presentation techniques in continuing education, knowledge & performance, physicians, 10211
methods for provision of continuing competence, practicing speech/language pathologists & audiologists, conference presentation, 25620
professional role changes to institutionalize continuing education, university faculty, 15621
provision of higher & continuing education, adults with learning disabilities, UK, 18590
refresher course as means of encouraging nonpracticing personnel to return to work, occupational therapists, UK, 4757
selection of continuing education providers for child welfare agencies, 25695
short term training & career development needs, alcohol counselors, 12796
social gerontology curriculum, social workers, West Germany, 10215
systematic continuing medical education session on breast cancer detection, referral rates for mammography, physicians, 15487
Continuous Reinforcement [See Reinforcement Schedules]
Contour [See Form and Shape Perception]
Contraception [See Birth Control]
Contraceptive Devices [See Also Diaphragms (Birth Control), Intrauterine Devices, Oral Contraceptives]
oral contraception & serious psychiatric illness, 25–39 yr old females, 1395
Contribution (Professional) [See Professional Criticism]
Controls (Instrument) [See Instrument Controls]
Convergent Thinking [See Inductive Deductive Reasoning]
Conversation
age & sex of conversational participants, use of language functions of thanking & requesting & greeting & taking leave, native speaking vs 2nd language learning college students, Great Britain, instructional implications, 24050
age, conversational repair strategies in response to requests for clarification, linguistically normal 2.6–9.8 yr olds, 19577
age vs verbal ability, understanding of story as literature vs conversation, 3–5 yr olds, 29620
analysis of disordered conversational data as basis for assessment & remediation, 10 yr old male, 9485
analysis of structural & functional patterns in natural conversation applied to fictional dialog, 29518
application of rules of conversational commenting, college students, 732
attribution & aggressive style of discussion, success vs deterioration of position, males, 19795
behavior during conversation, dyads of blind-blind & blind-sighted 19–74 yr olds, 20184
causal networks in personal & societal attributions during conversation explaining personally relevant political events, 21–65 yr old college students & lecturers, 11748
comprehension & memory, sarcastic statements in conversation, college students, 16845
conversation & iterative knowledge & intersubjectivity, 19534
conversation about past experiences, Spanish-speaking females at 21–38 mo of age, 14151
conversation as context for psycholinguistic study of social behavior & speech production, implications for social skills psychology, 14084
conversation in face-to-face informal vs restricted visual access dyads, gestural communication, aphasic 29–75 yr olds, 20156
conversation skill training, skill acquisition & generalization, 20 & 25 yr old females with personality disorder & undifferentiated schizophrenia, followup study, experimental replication, 2150
conversation training & natural school contexts, generalization of training, moderately & severely retarded 10–13 yr olds, 28540
conversational directive use in negotiation interaction, 29944
conversational participation & topic performance in free play situation, mothers & their 34–75 mo olds, 11462
conversational replies in interactions with adults, 2.8–3.5 yr olds with language impairment vs 1.4–1.9 yr olds with normal language development, 20101
conversational responses to listeners' request for clarification, speaking vs nonspeaking mentally retarded 23–56.6 yr olds, 30313
conversational skills training, nonverbal & verbal dyadic interactions & ratings of interpersonal attractiveness, 21 & 27 yr old males with adjustment problems & social isolation & loneliness, 15101
conversational style & intimacy in naturally occurring telephone conversations between friends vs acquaintances vs strangers, females, 3674
criteria for recognition of conversational interruptions, speakers, 6342
depression & cognitive vulnerability to depression, judgments of appropriateness of discussing various social topics, college students, 3745
differentiation of pragmatic markedness of forms defined by nonverbal & verbal elements, interpretation of turn exchange & speaking turns, strangers in dyadic conversations, 6325
discourse skills development in sign language, profoundly deaf 3.8–11.4 yr olds with deaf vs hearing parents, 6848
discussion styles, attitude change, male vs female college students, 3677
formal staff meetings vs individual interviews, content of verbalized educational perspectives, middle school teachers, England, 2314
functions of conversational repetition, 3–6 yr olds, 11443
general dimensional vs situation-specific vs behavior-specific forms of relational knowledge, biases in memory for relational implications of remarks in conversations, college students, 21924
grammar & gestures in conversational sign language vs conversational speech, 8644
high vs low social skills, verbal productivity & dominance in social interactions, male college students in conversation with female, test of J. M. Gottman's model, 29946

interpretation of communicative function of utterances & features in tape recorded conversations, lay listener judges vs professional linguists, 19529
linguistic & nonverbal signals, smooth transitions in speaker turn taking in Cantonese conversations, Asian college students, literature review, 19540
listener's body movements, speaking turns in conversation, 27–33 yr olds, 6333
loneliness, recall of details & conversational involvement with opposite sex partner & desire for future interaction & friendship, college students, 17193
opposite sex acquaintance vs friend vs best friend relationship, level of reciprocal self disclosure in dyadic conversation, college students, US vs Korea, 14447
participants' vs analyst's hearing of conversational utterance, interpretation of conversational meaning, 24049
perception of distribution & incidence of conversational interruptions, male vs female college students, implications for rule breaking vs deviance in labeling theory, 17213
predictive & congruent validity of sentence completion test of grammatical forms, use of standard vs nonstandard English during spontaneous conversation, 15.7–23.4 yr old Black males, 16163
prosodic vs syntactic vs semantic characteristics, topic management in face-to-face vs non-face-to-face conversation, listeners, 3352
quantitative analyses of discourse options, isolation of causal sequences of structure & meaning & social action in discourse & operationalization of semantic & pragmatic constraints, 24058
recasting of sentence structure, language acquisition, 2.5–3.8 yr olds, 11406
reconstruction of monologs from schizophrenic patients, structure & accuracy, college students, 9327
relative immobilization, nonverbal behavior & dialog imagery, college students, 2959
salutation rituals & social relations, 2 tribes, Cameroon, 24277
sex differences, quantity & targets & tone & topics of gossip, college students, 6339
sex differences, uses & perceptions of profanity in conversation, college students, 5977
social status, conversational behavior & loudness & physical attractiveness ratings & cooperation, socially accepted & rejected & mixed status 3rd graders, 14221
social withdrawal & conservatism, schizophrenic inpatients, 22142
sociometric status, attention to dyadic conversation, popular vs rejected male vs female 3rd vs 6th graders, 29664
sophistication of representation of conversation & personality & conversational involvement behaviors & memory for interactions & conversational enjoyment, college students, 21907
speech act classification scheme, correspondence between speech in conversation & adjectival dimensions of interpersonal behavior, family members, 14086
speech disfluencies, interruptive behavior, mothers interacting with own vs unfamiliar 4–5.9 yr old stutterers vs nonstutterers, 4087
speech disfluencies, speech rate in dyadic conversations, 4–5.9 yr old stutterers vs nonstutterers & their mothers, 4088
stochastic vs signaling vs sequential production models, turn allocation in conversational interaction, 11745
suprasegmental variables identified by acoustic correlates of stress & pragmatic function of repair vs original utterance in conversation, preschool age children in age & ability groups, 6069
teacher & student turn relations & remedial strategies, forms & patterns of verbal overlaps in classroom discourse, 8.4–12.3 yr old special education students with communicative disorders, 18610
topic initiation strategies & types & maintenance & ability to produce sequence of topically coherent propositions in discourse with mother, 1 mo to 2.6 yr olds, 29604
topic maintenance in Japanese narratives & conversational interaction, 720
videotaped conversation between males & females, recognition memory for visual vs verbal information, male vs female college students, Sweden, 5492
word frequency & other word variables in London-Lund Corpus of English Conversation, native speakers of English, implications for interpretation of psychological data, 5962

Conversion Hysteria [See Conversion Neurosis]

Conversion Neurosis [See Also Hysterical Paralysis, Hysterical Vision Disturbances]
clinical characteristics in family therapy, referred families with 9–17 yr olds exhibiting symptoms of conversion disorder, 25199
development of conversion symptomatology, Ss with hysterical vs anxious depressive neurosis, 27273
diagnosis & phenomenology & treatment of conversion disorders, 9240
diagnosis of conversion hysteria, children & adolescents, 19951
psychosomatic theory of conversion hysteria, 20235
stress-related psychogenic hearing loss, 43 yr old male air traffic control officer, 17626
underlying fears & behaviorally reinforced perpetuation of symptoms, 22 yr old female with sudden onset of complete inability to speak, 1388

Conviction (Criminal) [See Criminal Conviction]

Convulsions [See Also Audiogenic Seizures]
age, threshold for electroshock seizure, mice, 19331
alternate day administration of clonazepam, female 20 mo to 19 yr olds with intractable seizures, 18105
ambient temperatures, frequency of self stimulation & seizures, rats, 5764
arginine-vasopressin, kindling of convulsive seizures, male rats, 16598
audiogenic seizure thresholds & cochlear functions, mice inbred for audiogenic seizure susceptibility & resistance, 16394
bemegride test of seizure susceptibility, patients on diazepam therapy vs alcoholics, 6451
benign familial neonatal seizure syndrome, 4.3 & 1.8 yr old sisters with low normal intelligence or mental retardation, case report, 27517
benzodiazepine receptor antagonist Ro 15-1788 & diazepam, seizure threshold for picrotoxin & pentylenetetrazole, male rats, 29411
benzodiazepines vs barbiturates vs novel anxiolytic vs anxiogenic drugs, anxiety & experimentally induced seizures, animals, literature review, 3311
beta-phenylethylamine & its metabolites, binding of 3H-flunitrazepam in rostral forebrain, female mice, 29477
bilateral vs unilateral nondominant ECT stimulations, brief vs no seizure activity, inpatients with major depression, 30524
carbamazepine, exacerbation of seizures, 2–12 yr olds with complex partial seizures, 25327
colchicine, brain damage & seizures, male rats & rhesus monkeys, implications for use in humans with epilepsy, 23954
complex partial seizures associated with Waldenstrom's macroglobulinemia & treatment with carbamazepine, 69 yr old female, case report, 30783
contingency management, seizure-like behavior, paranoid schizophrenic 22 yr old mildly retarded male, 9816
cyclazocine, convulsions due to pentylentetrazol & naloxone inhibition, male rats & rabbits & mice, implications for action of phencyclidine, 5929
dextroamphetamine injection, hyperbaric oxygen-induced convulsions, male mice, 29402
diagnosis of covert complex partial seizures simulating psychiatric symptoms in psychotherapy, males in 20s & 30s, 22419
diagnostic & therapeutic problems in pseudoseizures, literature review, 4113
diagnostic usefulness of nasopharyngeal EEG recordings, 17–75 yr old psychiatric inpatients, 3914
differential diagnosis & treatment, hypnogenic paroxysmal dystonia, 10 yr old female, conference presentation, 12184
dose & number of ethanol intubations, development of contingent tolerance to ethanol's anticonvulsant effects, rats, 19484
ECS-induced grand-mal seizures, thyrotropin-releasing hormone levels in hippocampus & striatum & other brain regions, male rats, 16514
ECS vs strychnine vs flurothyl vs picrotoxin vs bicuculline vs pentylentetrazol, CNS excitability & relationship to ethanol withdrawal, selectively bred mice prone vs resistant to ethanol withdrawal seizures, 16484
environmental stimuli associated with alcohol administration, effect of ip ethanol on amygdaloid kindled seizure activity, male hooded rats, findings contrary to Pavlovian theory of drug tolerance, 29469

functional hemidecortication by spreading depression in vs epileptic focus on neocortex, spatial memory task performance, male rats, 16534
hippocampal-cortical afterdischarges & rhythmic metrazol activity as model of human nonconvulsive seizures, rats, conference presentation, 3162
hysterical quadriplegia following status epilepticus, 18 yr old female with neurogenic & psychogenic seizures, 1222
hysterical seizures as manifestation of depression, 77 yr old female, 3-mo followup study, 14657
independent left- & right-sided temporal lobe discharges & changes in affect, 53 yr old female with epilepsy, 22274
inescapable vs escapable shock & number of interval between shocks, susceptibility to bicuculline-induced seizures, male rats, 23884
kainic acid doses, neurochemical & histopathological & behavioral responses, male rats, 16805
kainic acid injections into amygdala, spontaneous secondarily generalized seizures, cats, 24037
lesions of ascending noradrenergic projections from nucleus locus ceruleus, severe ethanol intoxication behavior & convulsive vs nonconvulsive withdrawal behavior, male rats, 26597
levo-5-HTP & carbidopa, tolerance to wet-dog shake behavior & seizure threshold, female rats, 16746
levotryptophan combined with ECT, seizure time, 72 yr old White male with depressive symptoms, 4259
long term exposure to diazepam, sensitivity to 5-HT & GABA in dorsal raphe nucleus & GABA receptor binding & bicuculline seizure threshold, male rats, 23967
magnesium therapy, prevention of seizures during alcohol detoxification, alcoholic inpatients, 18316
maprotiline, development of seizures, depressed patients, 12544
neurochemical & neurophysiological & genetic findings in convulsive & epileptic disorders, children, 12179
neuroleptics, seizures, 24–80 yr old mentally handicapped inpatients, 30741
non-convulsive status epilepticus & confusion following drug withdrawal, 41–61 yr olds addicted to hypnotic/sedative drugs, 24767
panic attacks & temporal lobe seizures, 33 yr old female with right frontotemporal arteriovenous malformation, 6896
perinatal prolonged exposure to hypoxia, development of kindled vs generalized seizures, 1 vs 10 day old rats, 23895
pharmacological manipulation of neurotransmitter systems & seizure susceptibility, Mongolian gerbils, 5893
phenobarbital concentrations in brain & plasma, anticonvulsant effect measured by electroshock seizures, 6 vs 12 vs 24 vs 30 mo old female mice, 16679
picrotoxin vs 3-mercaptopropionic acid, anticonvulsant efficacy of flurazepam, male rats, 29434
postnatal hypoxia, pentylenetetrazol induced seizure & amygdaloid kindling, male rats, 19373
pregnancy, seizure threshold & valproic acid vs phenobarbital vs carbamazepine vs phenytoin disposition & efficacy, late gestation mice, implications for humans, 19383
prenatal chlordiazepoxide, metrazol seizures & benzodiazepine receptor density, adult rats, 16631
prenatal exposure to lead with resultant congenital lead poisoning with seizures & treatment, female neonate, 14832
pretreatment with tryptophan or 5-hydroxytryptophan, anticonvulsant activity of diazepam & flurazepam & chlordiazepoxide, mice, 8572
proconvulsive properties of fluroxamine & clovoxamine vs imipramine & mianserin & viloxazine & maprotiline & zimeldine & nomifensine assessed by EEG, male rats, 8569
psychosocial seizure inventory, assessment of emotional adjustment & adjustment to seizures, patients with epilepsy vs multiple sclerosis, 25000
quipazine vs 5-methoxy-N-N-dimethyltryptamine vs 8-hydroxy-2-(di-no-propylamine) tetralin, thermoregulatory responses, Fawn-Hooded vs Sprague-Dawley rats, 5861
relationship of excessive ethanol intake & epileptic fits, epileptics & alcoholics, treatment implications, 14553
REM sleep deprivation, grooming &/or shaking induced by enkephalinase inhibitor phosphoramidon vs naloxone-precipitated opiate withdrawal, male rats, 21421
schizophrenic & convulsive manifestations, preschool age children with schizophrenia or schizophreniform disorder, 9349
seizures induced by concurrent bupropion & lithium, unipolar delusional depression, 38 yr old female, 7237
selective delta antagonist ICI 154,129 vs nonselective antagonist naloxone vs irreversible selective mu antagonist beta-fNA, alteration of threshold response to etorphine, rats, 19507
serum creatine kinase levels, diagnosis of seizure disorders, 5–47 yr old hospitalized patients, 22347
transaural vs transcorneal ECS, convulsive behavior & motor paralysis, male rats, 16512
tricyclic vs tetracyclic antidepressant drugs, seizures, psychiatric inpatients, 7191
trimethyltin & phenobarbital in repeated doses, convulsions & limbic neuropathology, female rats, 16841
withdrawal of alprazolam, seizures, 19 yr old female in treatment for panic attacks, 15168
6-hydroxydopamine vs 5,7-dihydroxytryptamine during early postnatal period & subsequent phenobarbital & phenytoin, tonic convulsive threshold & hindlimb extension, rats, 21622

Cooperating Teachers

dogmatism & satisfaction with internship, male vs female interns vs supervising teachers in secondary vs vocational vs physical education, conference presentation, 10312
validity of National Teacher Examination vs teacher supervisor ratings, prediction of employment success, elementary education student teachers, 23417

Cooperation

adoption of strategies creating linkages across time & games in Prisoner's Dilemma multisupergame, extension of results of R. Axelrod, implications for arms control & international relations, 24484
age, cooperative & competitive attitudes, male vs female 5th–12th graders, Japan, 6152
altruistic vs cooperative vs individualistic vs competitive social motive, behavior in social dilemma game, college students, US vs Netherlands, 14467
assertive vs cooperative conflict style preference & communication preference, Ss drawn from private industries & government agencies & universities, 11843
attitudes toward international cooperation, top- & mid-level Japanese expatriate managers, Canada, 10614
collaboration while playing with blocks, 3–5 yr olds, 16987
competition & cooperation between groups vs individuals, female vs male college students, 19803
competitive vs cooperative systems & coordinated courtship display, white-fronted manakin, 5629
conflict resolution using cooperative normal-form games, adult Ss, 14429
conjunctively vs disjunctively provided public good involving friends vs strangers, greed vs fear of being "sucker" as motivational basis for not contributing, college students, Japan, 17235
contingency reinforcement of cooperation vs contingency of cooperation involving verbal feedback, basic behavior, severely retarded children, 9867
cooperation vs competition & inconsistency of behavior in Prisoner's Dilemma game, college students, 24481
cooperative & competitive attitudes & emotional empathy & self esteem, female vs male business vs education college students, 10430
cooperative & competitive vs individual conditions, problem solving effectiveness & time, 6th graders, 756
cooperative behavior in "world" of egoists & application to Prisoner's Dilemma game, criticism of works by R. Axelrod & W. D. Hamilton, 24464
cooperative goal structures in mixed vs homogeneous dyads, reading comprehension, learning disabled & non-learning disabled 2nd–8th graders, 4934
cooperative interaction & processing strategy, text learning & transfer, college students, 7643
cooperative interdisciplinary efforts in clinical & scientific & public policy areas of psychology & nursing, 15482
cooperative learning activities with vs without structured academic controversy vs individualistic learning, achievement & motivation to learn & attitudes toward science, 5th graders, 4850

cooperative vs competitive vs individual goal structures under conditions of intrinsic motivation & social reinforcement, group interactions & problem solving time & effectiveness, 8th graders, Greece, 29698
cooperative vs competitive vs individualistic computer assisted instruction, achievement & attitudes, 8th graders, 15670
cooperative vs individualistic learning environments, achievement & interpersonal attraction & instructional interaction & attitude, partially hearing impaired 3rd graders, 7713
cooperative vs noncooperative group orientation in prisoner's dilemma game, game strategies & attribution of outcome, female college students, 3722
division of gain from cooperative agreement game, graduate & college students & faculty, India vs Australia vs US, 24492
domain-level collaboration for interorganizational problem solving, 7853
egocentrism, cooperation in simulated divorce mediation, college students, implications for practitioners & researchers, 14449
free play behavior & knowledge of play group membership, prediction of play behavior in cooperative games, nursery school children, 3485
frequency of interaction & domain consensus & ideological differences, cooperation vs rivalry in alcohol rehabilitation, helping professionals & members of Alcoholics Anonymous, 10165
improvement of cooperation to mail questionnaires, professional groups, 8030
increased territorial defense via intrapair cooperation, carrion crows, 5585
interactional perceiver & target & situational characteristics, social cognition, dominant vs dependent male college students, 3695
internal vs external vs mixed locus of control dyads, performance on cooperative board game, Chinese-American vs American 8–10 yr old males, implications for role of cultural context in socialization, 3489
interpersonal betrayal & cooperative social interaction, self evaluation, female depressed college students, 14428
interpersonal style, cooperative behavior, 52–72 mo olds, 3523
interpersonal vs intergroup behaviors & perceptions, Prisoner's Dilemma game, cooperative vs noncooperative female college students, 17220
mainstreaming & cooperative learning strategies, friendship & achievement & motivation & attitude, normal & handicapped students, 20774
metacognitive & elaborative activity, cooperative learning & transfer, college students, 7640
move to savannah in hominid evolution, development of cooperative foraging & reciprocal exchanges of information & resources, 5653
multiple vs single elaboration dyads vs individuals, processing of descriptive vs procedural technical passages, college students, 15692
orienting ability & maternal cooperation, competition, 3 yr olds, 6135
perception of fairness in distribution & retribution of subrules of equality & contribution principles, female nursing students, Sweden, 24530
perceptions & expectations of international conflict vs cooperation, 20–40 yr old Hindu vs Muslim males, India vs Pakistan, 29765
playing of Prisoner's Dilemma game after stating vs not stating publicly vs privately intentions to compete or cooperate, behavioral consistency & feedback, female college students, 24527
primitive measures of utility with rank order equivalence, interpersonal comparisons in cooperative solving of mixed-motive situations, college student dyads, 3687
prisoner's dilemma game, mechanisms by which people choose cooperative over competitive behavior when individual interests conflict with common interest, college students, 17227
prolonged period of cooperative & competitive relationships, performance in science, junior secondary students, Nigeria, 31234
reliability & validity of Collaborative Practice Scales, assessment of degree of professional collaboration & impact on patient care, 21–39 yr old nurses & 35–49 yr old doctors, 23491
reliability of promises & 1st impressions, trust & cooperation, college students, 3713
sensitivity to defecting vs cooperating alternative feedback in Prisoner's vs Chicken vs Trust Dilemma game, college students, 24480
single- vs mixed-sex cooperative vs individualistic learning situations, science achievement & attitudes toward cross-sex & cross-handicap relationships, learning disabled vs non-learning disabled 5th & 6th graders, 4851
social & task orientation, behavior in cooperative problem solving task, 4th graders, 8878
social group salience, interethnic cooperative-competitive behavior, Anglo American vs Hispanic college students, 19791
social-psychological method for assessment of dyadic cooperation, 14433
social status, conversational behavior & loudness & physical attractiveness ratings & cooperation, socially accepted & rejected & mixed status 3rd graders, 14221
structure of communication during cooperative problem solving with vs without time limitation, 16–18 yr olds alone vs in pairs, 6089
teaching cooperation in elementary school classrooms, 2345
test of verbal vs nonverbal empathy, prediction of cooperation & aggression, 41–81 mo olds, 8870
validity of D. W. Griesinger & L. W. Livingston's representation of cooperation & competition assessed by Prisoner's Dilemma game, male college students, 24493
validity of M. Deutsch's theory of cooperation & competition or goal linkage, interdependence in organizations, organizational employees, 20895

Cooperative Education
model for transition from school to work programs, 16 & 17 yr old secondary school students, New Zealand, 28432
transition from work to school program & responses to youth unemployment, New Zealand, criticism of reports by N. Scott et al & V. Catherwood, 28426

Cooperative Therapy [See Cotherapy]

Coordination (Motor) [See Motor Coordination]

Coordination (Perceptual Motor) [See Perceptual Motor Coordination]

Coping Behavior
ability to cope with situations of high arousal in miniature golf training vs minor vs large competitions, 7–59 yr olds, 26877
accrual & attrition of Ss in study of psychosocial & coping responses, patients with advanced lung cancer, 4167
age, occupational stress & strain & coping behavior, 25–54 yr olds, 2671
analysis of psychology of resignation during unemployment crisis, workers, Denmark, 1982, 5040
analysis of tension releasing function of crying, neonates, 16871
applied relaxation & stress inoculation, 30 yr old female with panic disorder & 36 yr old male with generalized anxiety disorder, 9853
approach & avoidance modes of coping with stress, 27206
attitudes & defenses & emotional reactions to & subsequent family crisis following birth of mentally retarded child, parents & grandparents & siblings of mentally retarded 1–17 yr olds, 14768
attitudes toward adversity & loss situations, stamina, 70–80 yr old community residents, 30012
aversive stimulation with vs without means of control, mood & RT & muscle tension & neuroendocrine plasma concentrations & cardiac functions, 21–35 yr old males, 13869
body as medical entity vs projected image in response to society's devalued perception vs reflection of social & relational & behavioral space, aged, 29548
brief situation-specific group-administered preparatory intervention for mass inoculation, 6th grade females, 15240
"Caring for Your Aging Parent" short term group program, problem solving & coping strategies, adult children of aging parents, 17988
causal attributions in personal problem solving efforts, college students self appraised as effective vs ineffective problem solvers, 19835
causal attributions toward child's illness as coping mechanism, mothers of 8–17 yr olds with insulin dependent diabetes, 24859
child-related problems & family adaptation & psychosocial adjustment, parents of male 2–5 yr olds with cystic fibrosis, 9518
chronic illness, family relations & coping behaviors, families with member with multiple sclerosis, 6846

chronic responses to 1977 supper club fire, survivors, 4136
clothing choice & management of appearance in dealing with stigmata, college students with physical disabilities, 17607
cognitive & relaxation coping skills program, anger reduction, healthy college students, implications for therapeutic self management processes in anger control, 20349
cognitive behavioral training program, coping skills & free throw shooting, male college basketball players, 4427
cognitive processing of sexual abuse, children, implications for intervention, 12089
construct validity of rating scales, assessment of coping behavior related to occupational stress, managers & professionals in manufacturing firm & osteopathic hospital, 28975
coordination of self concept & structure of activation & transfer, application of model to process-related constructs of R. S. Lazarus, 9154
coping ability, reactions to stressors & resulting stress & pathological consequences, 27251
coping behavior & anxiety & dealing with blood donations, volunteers, replication of study by D. G. Kaloupek, 1993
coping behavior during crisis, residents, Denmark, 6411
coping behaviors in prediction of outcome & predictive validity of coping measure, psychiatric patients with nonmelancholic depressive disorders & symptomatic volunteers with self identified depression, 30195
coping instructions & severity of illness & intrinsic sensitivity to & objective level of noise, coping ability & recovery, male surgical patients, 12734
coping levels, Jewish cancer patients, Israel, 9608
coping mechanisms for additional life stress, handicapped adolescents, 17591
coping methods & personal characteristics related to coping & self change, 18–91 yr old psychotherapists & counselors vs layperson, 25670
coping model of psychotherapeutic intervention, severely burn-injured patients, 1816
coping skills model for diagnosis & treatment of mental disorders, 30124
coping skills training & locus of control, immunization against learned helplessness & attributions of performance, college students, 20330
coping strategies & support mechanisms mediating social environmental influences, diseases, 14873
coping strategies, depressive feelings, elderly residents of home for aged, 30979
coping strategies for dealing with stress induced by pregnancy following recent stillbirth, parents, 27648
coping strategies, urinary incontinence, community dwelling aged males, 27652
coping style & attitudes, prediction of treatment preferences for agoraphobia, college students, 9667
coping style & personality traits & age & sex & family structure, 20–56 yr olds, 30040
coping styles & economic stressors & symptoms, male vs female residents of Black community in rural South, 21966
coping styles, 20–70 yr old mates of transvestitic males, implications for sex therapy, 30310
coping with childrearing from infancy to adulthood, blind parents & their sighted children, 17549
coping with emotional & social & environmental changes of moving, children, bibliography, 19672
coping with fears of war & global threats, preschool age children, 26884
coping with multiple demanding roles, working mothers, implications for role of pediatrician, 29819
coping with vasovagal syncope, college student blood donors, 9561
counseling for crisis coping strategy, female sufferers of premenstrual syndrome & their families, 12468
death & loss as normative to human experience vs adaptation to major loss vs lived experience of loss vs loss as intiator of creative personal expression, implications for life change & autonomy, 27169
death rehearsal in hypnotherapy, grief & anxiety, terminally ill patients & their families, 9958
defense & coping mechanisms, 22–54 yr old mothers of learning disabled children, 12129
degree of belief in Protestant work ethic & work involvement, coping via involvement in & satisfaction from nonwork activities & psychological state, unemployed 27–47 yr olds, 30045
demographic & personal & situational influences on current adjustment, 17–23 yr olds who experienced parental divorce or separation after age 12 yrs, 3498
development & factor & item analysis of shortened version of Questionnaire on Resources & Stress-Short Form, assessment of stress & social support, parents of handicapped & mentally retarded & motorically & sensory impaired 8 mo–47 yr olds, 13460
development of method for rating cognitive responses to diagnosis of cancer 3 vs 6 vs 9 vs 12 mo postdiagnosis, 18–70 yr olds with breast cancer or lymphoma or Hodgkin's disease, 12246
diary writing as psychic strategy for coping with critical life events, young adolescents, 3511
direct persuasion vs conflict mitigation coping strategies in conflict situation during play, male vs female 5 & 7 yr olds, 29725
distortion of time sense during & after traumatic experiences, 6423
duration of hospitalization & unit setting, perceived stressors & social support & coping behavior during preterm labor, patients in mid- and late 20's on maternal-fetal intensive care unit, 7448
dynamics of cognitive appraisal & coping processes & short term outcomes of stressful encounters, 26–54 yr old married couples, 21910
eclectic model of practice, psychophysiological disorders resulting from arrested developmental progression, 30 yr old male with ulcerative colitis & 39 yr old female suffering from posttraumatic depression, 22416
efficiency of CNS as indicator of ability to cope with stressful life situations & Type A behavior, cardiovascular disease patients aged 42 yrs or less vs 43–52 yrs, conference presentation, 12172
emotional & social adjustment strategies in low SES families, mothers of physically disabled vs nondisabled children, Mexico, 22322
emotional adjustment & coping techniques, patients with diabetes mellitus with vs without diabetic retinopathy, 20240
emotional aspects of rehabilitation process & cognitive coping strategies, ill & physically handicapped patients, 10142
emotional stress of loss of unborn child, cell-mediated immunity, 16–42 yr old females, 9990
emotions theory analysis of coping & social support & mental disorders, implications for stress-buffering phenomena, 17430
environmental stressors & behavior problems & coping skills, 6.5–15 yr old children of mentally ill parents, 22127
etiology of disorder & role divisions within family, coping & support & locus of control, fathers vs mothers of 2–4.5 yr olds with developmental disabilities, 24587
experience of hiding from Nazis vs experience in armed resistance groups during World War II, styles of coping with stress, Jewish males, 17270
expression of hostility & coping with stress & depression, male vs female college students, 9175
factors buffering potentially negative health effects of life stress, families classified as distressed vs stress resistant, 3740
factors in reactions and recovery patterns exhibited & role allocation, families in which a parent has died, 24321
family- vs patient-oriented community management, symptoms & adjustment & family coping behavior, families of schizophrenic patients, 22445
family as system & coping competencies, families with developmentally disabled child, implications for psychiatric nurses, 9441
family characteristics & coping behavior, feelings of hopelessness, 8–16 yr old cancer patients, 14801
family relationships & psychological adjustment, male vs female 9–12 yr olds & their stepparents, 21824
family support & experiences & psychosocial impact, 23 yr old thalassemic patient, conference presentation, 22263
fantasy & imagery in childhood play, physiological function & cognitive perception & coping with pain or anxiety, children or adolescents with chronic illness, literature review, 27255
Fathers Program, stress & grief & depression & social support & family environment & information needs, fathers of handicapped children & their wives, followup study, 30678
fertility problems, coping strategies, 24–50 yr olds, 11640

flooding & coping skills training, reduction of fear & avoidance of dental treatment, 17–51 yr old dental phobics, 4-mo followup, 1877
flow experience as coping mechanism in solitary ordeals, 27193
forced geographical relocation, individual coping styles & social network characteristics & psychological adjustment, 24–50 yr old community residents, Israel, 9178

group therapy program, stability in daily living, depressed elderly clients at community senior center, 22452
guidelines for coping with aggressive & violent children, residential school staff, 15834
guidelines for coping with patient's passive/dependent vs irritating/aggressive behavior, family members of mentally ill patient, 24658
health center program for assistance in coping, families of children with bladder exstrophy & other rare disorders, Norway, 2009
helpful staff behaviors & coping patterns, parents of children in pediatric intensive care unit, 15373
historical & cultural & individual factors, psychological reactions to unemployment, 18707
home health care, vocational & emotional & social adjustment, wives assisting their husbands with home hemodialysis, 7346
home intervention, parental coping behavior & number of hospital stays, parents & deinstitutionalized patients with chronic schizophrenia, 1-yr followup, 1979
hope & life events & stress & coping methods, susceptibility to illness, conference presentation, 11870
hypnosis or relaxation training & cognitive coping skills, pain duration, 15–41 yr olds with Temporo-Mandibular Pain & Dysfunction Syndrome, 1899
illness-related stress, emotional life & interactions, families of renal diabetic patients, 1624
impact & need for interventions, family & friends of suicide victim, 27735
imprisonment & coping behavior, inmates, literature review, 2155
incidence of suicidal thoughts & stressful life events & problem solving preparation, college students, college counseling implications, 24755
inclination toward affective vs instrumental behavior toward patients, primary care practitioners, 22805
individual differences in coping with unemployment, young adults, Australia, 5034
inductive strategy, acceptance of & decisions relating to coping with future, gifted elementary school students, 13100
information about terminal illness of parent, coping with anxiety, 6–16 yr olds, 8891
intergenerational transfer of family farm, coping strategies & psychological well-being, families, 11628
intervention, coping with chronic illness, families, 1837
intervention framework & drug intervention model, individual/group adaptation & coping skills, 12765
job stress & coping behavior & alcohol use, police officers, 26032
job stress & environment & individual coping response & perceptions of stress, anxiety & depression & physical symptoms, full-time employed business & professional females, 16019
judgment of impairing social situations in terms of theories of helplessness & loss of control & reactance & coping & stressful situations, impaired speakers, 1134
lay therapist administered group therapy, weight control & coping behavior, obese essential hypertension patients from rural general practice setting, 27850
leadership & coping & managerial skills, management selection & training, Vietnam war veterans, 5078
learned resourcefulness & depression & self esteem, male vs female Ss, 27195
level of development of coping strategies, former couples 5 yrs after divorce, 6229
life event stress & coping style, psychopathology, male vs female college students, 17363
life events & anxiety & social support & coping style, obstetrical complications, 16–42 yr old females assessed at 6-mo of pregnancy & post-delivery, 9997
life transitions & coping strategies & stress management, male & female clerical & support workers aged 27 yrs & older, implications for vocational guidance, 28669
LifeServers alternative group rehabilitation program, adaptation to long term imprisonment, inmates, Canada, 2154
literature as therapy, coping skills with parents, children of mentally ill parents, 30528
losses & reduction in positive social relationships, coping ability & depression, conference presentation, 30099
low self esteem & other factors, coping difficulties after 2 yrs of bereavement, widows & widowers aged 50 yrs & older, 2-yr longitudinal study, 27194
maladaptive coping reactions to life stress, development of psychiatric illness, females, 11977
management strategies, internal & external sources of stress & roles, dual career couples, 29835
mastery & interpersonal trust & primary & secondary appraisals & coping & health status & psychological symptoms, 26–54 yr old spouses, 19792
mastery vs coping videotapes, anxiety & disruptive behavior, 5–7 yr olds undergoing restorative dental procedure, 28053
memories & methods of coping & long term adaptation, child vs adult Holocaust survivors, 16884
microcomputer applications, client education & psychosocial coping needs, chronically ill & disabled children, 28049
model of adaptation to chronic illness, families, implications for prevention & treatment, 1229
monitored vs blunted coping styles prior to surgery, desire for more information & factual knowledge & health behavior, gynecological patients, 28072
need for prevention & mental health intervention in disaster preparedness, literature review, 18192
network structure & social support, psychological outcomes of pregnancy, primigravid fathers vs mothers, 6215
nursing research, need for understanding of stress & multidimensionality of coping mechanisms in patients, 9668
occurrence of stigma to parent & child & child's attempt to cope through personality development, children with physical deformities, 27665
openness vs avoidance of Holocaust information & separation individuation & degree of Holocaust-induced identity & altruism & coping behavior, nonclinical 17–58 yr old 2nd generation Holocaust survivors vs Jewish adults, North America, 11838
optimism & self consciousness & physical symptoms & coping & health, college students, 19862
organismic & mechanistic models of coping behavior, 21956
organizational development & management of coping & intervention strategies for occupational stress, employees, 16020
pain coping model, assessment of patients' pain, nurses, 22239
parental collaboration in development of Parental Coping Scale, measurement of ways of coping with birth of chronically disabled child, parents of 2–12 mo olds with vs without Down's syndrome, 23423
parental role in development of self esteem & drug abuse as maladaptive coping mechanism for low self esteem, 27410
parental unipolar vs bipolar major affective disorder, coping behavior & incidence of psychopathology, 7–17 yr olds & their 26–47 yr old parents with affective disorders, 19942
perceived control & action control & coping style in anxiety-provoking situations & state-anxiety reactions, 17 yr old males vs females, 24202
perceived occupational stress & personal strain & coping resources, 1st vs 2nd vs 3rd yr medical residents vs faculty members, 28272
perceived overload in intensive summer school session, individual differences in experienced strain & coping strategies, full-time employed evening college students, 31254
perceived stress & coping strategies, 17–53 yr old female victims of marital violence, 14695
perception of degree of stress of various situations & frequency of strategies used to cope, teachers from comprehensive schools, UK, 28393
perceptions of nighttime fears & coping responses, 8.5–13.3 yr olds vs their parents, 19681
personal account of childhood survival of Holocaust, 16897

personality & circadian rhythms, expected vs subjective ratings of tolerance to shiftwork & adopted time disciplines, experienced permanent night nurses vs 1st-yr nursing students in nightshift training, 18336
personality & coping & family support stress resistance factors, psychological & physical adjustment, males vs females, 1-yr longitudinal study, 30019
personality & coping styles, tolerance for pain in hyperthermia treatment, 24–70 yr old cancer patients, 22633
personality & social support resources during life cycle transition, depression, beginning medical students, 3917
physical & psychological & social effects, chronically ill family member & their families, implications for family therapy, 1643
potency, coping with stress & maintenance of emotional homeostasis, adults, Israel, 19836
pre- vs postlocalizer cast periods, adaptive coping behavior, 14 yr old female hospitalized for surgical treatment of idiopathic scoliosis, 15228
preparing children for expected & unexpected crises, 6155
presentation of stress relevant vs irrelevant filmed intervention, dental anxiety, 3–11 yr old patients, 15263
previous experience in simulated public speaking situation, psychophysiological stress responses & coping strategies during public speaking, female college students, 8442
problem- vs emotion-focused coping strategies in response to threat of nearby hazardous waste facility, community involvement, rural residents, 16037
problem solving & behavioral coping strategies, families of diabetic vs psychiatrically hospitalized adolescents, 9199
professional biases about parental stress & coping behavior in caring for disabled children, implications for treatment relationship between parents & professionals, 9661
psychogenesis of asthma & family coping strategies & hierarchy of interventions, 4–16 yr old asthmatic patients & their parents or older siblings, implications for social work, 17600
psychological consequences of life changes, female vs male kindergartners to 2nd graders & students entering junior or senior high school or entering or leaving college & newlyweds & new parents, longitudinal studies, 17015
psychological impact of unemployment & strategies for improving coping skills of unemployed, unemployment counselors, 2609
psychological reactions & coping mechanisms, cancer patients & their families & physicians & nursing personnel, 20199
psychometric study of stress & coping, 26–52 yr old male explorers, Antarctica, 20909
psychophysical state of health & coping style & locus of control, Israeli spouses of dialysis patients born in Asia & North Africa vs Europe, 14908
psychosocial & therapeutic factors that mitigate impact of stress & increase survivorship, 11813
psychosocial aspects of cancer & coping & treatment, ill children & their families, literature review, 22338
psychosocial correlates & illness features, family relations & adjustment, mothers & aunts & grandmothers & foster mothers of chronically ill children from birth to 11 yrs old, 12222
psychosocial factors, blood glucose control, insulin-treated diabetic adults, 30768
psychosocial responses to disasters & diagnosis & treatment, child victims & their families, implications for family therapy, 9787
ratee heroism vs level of success & strategy & gender, performance perception & rating, college students & managers, 31436
reactions & causal attributions & coping behavior & psychological adjustment to rape, 16–76 yr old female rape victims, 24792
reactions upon learning of husband's bisexuality & subsequent consequences, 23–59 yr old wives of bisexual husbands, 24428
reassurance of self care instructions or neutral message & locus of control & contact with visitors, anxiety, female 21–88 yr olds awaiting gallbladder surgery, 7327
recall & recording of positive events, positive affect & coping effectiveness, college students & Coast Guard Academy cadets, 29171
recall of experience & methods of communication & coping ability, 12–16.9 yr olds who underwent endotracheal intubation, 15225
referent cognitions framework, responses to relative deprivation, 16292
relaxation, anxiety & coping with stress, 2nd graders, 25211
reliability of Pyramid Scales, criterion-referenced measure of adaptive behavior, developmentally disabled persons, 10812
role assignment & conflicts & marital communication & family environment, cancer patients & their spouses with children at home, 5-mo followup, 22340
role of awareness in reduction of stress by projection or repression or rationalization or denial mechanisms, college students, 6394
role of memories in ability to cope with loss, male & female Jewish survivors of Holocaust, 16880
sampling strategy to obtain bereaved respondents for study of loss & coping responses following eruption of Mt. St. Helens, 23381
self coping cognitive treatment, test anxiety, college students, 15892
self psychology treatment, self-aggression & self esteem & coping with grief, compulsive 84 yr old male, 6974
senility as coping behavior, geriatric patients in nursing homes, 14913
serum cortisol & beta-endorphin & norepinephrine & thyroid-stimulating hormone & cholesterol & anxiety & stress appraisal & coping style, postoperative psychosis, male patients undergoing aortic valve replacement assessed pre- & postsurgery, 22623
SES & race or ethnicity, anxiety & functional & health status & coping ability, Black vs Hispanic vs White 1st acute myocardial infarction patients, 6-mo & 1-yr followups, 22246
severity of injury & locus of control & personality resources, psychological & occupational adjustment, male 17–64 yr old hand injury patients, 6813
sex differences, impact of work on physical & mental health, business & managerial professionals, 7881
sex roles, self esteem as indicator of coping behavior, infertile married 22–58 yr olds, 6707
situation-specific coping list, assessment of coping patterns prone to migraine development, 20–58 yr old migraine patients, 1642
smoking & other coping strategies & personality, male & female smoking vs nonsmoking college students, 27126
social & cognitive skills training, coping ability & parenting skills, pregnant or parenting 14–19 yr olds, 25210
social ecological perspective, stress & coping & social support, 15 yr old males, 21770
social network & preparation & internal control, adjustment to widowhood, 49–83 yr old widows assessed immediately after death of spouse & 18 mo later, 9146
social support & adjustment to stress, physical & mental health, 50–88 yr olds, 24092
social support & coping & stress, 30534
social support, coping with stress, literature review, 11893
social technology & acculturative stress & coping with environmental change, India, 5144
societal pressures & suggested coping techniques, psychiatrists, 10206
sociocultural conditions & positive vs negative coping patterns, depressed females aged 65 & over, Switzerland, 30171
stages in victimization process & development of coping strategies, battered wives, 14717
state anxiety & personal & social stress prevention factors, coping in long term stress situation, immigrant male heads of families, Israel, 19708
state vs trait anxiety, attributional style & coping ability, college students, 9136
strategies for coping with developmentally disabled or handicapped child, mothers vs fathers, 27249
strategies for reassignment of homework to employ self statements for pain control, compliance, female college students, implications for counseling, 20311
stress & coping behavior & psychological well-being, elderly Asians vs Caucasians, Canada, 16904
stress & coping mechanisms, social workers & their cancer patients & families, 15312
stress & coping mechanisms, 1st & 2nd yr family practice residents, 18397
stress & coping with mentally handicapped child, family, literature review, 9422
stress & factors mediating responses to stress, child-abusing vs non-child-abusing couples, 24778

stress coping with vs without finger temperature vs temporal vasoconstriction biofeedback, headache activity & psychophysiological & personality variables, 17–56 yr old migraine headache sufferers, 25254
stressful encounters & depressive symptomatology & coping processes, community-residing White married couples, 24635
stressful stimuli, learning of probability information, dysphoric vs obsessive-compulsive college students, 14639
stressors or disorders, attention vs avoidant coping strategies, meta analysis, 20250
structure of bureaucratic authority & managers' definitions of organizational work situations, dramatic escape & compensation, subordinate employees, 31493
sudden traumatic physical disability, affective/perceptive adjustment & coping behavior, medical patients, 14864
support group therapy vs medical education vs coping skills training as psychosocial interventions, cancer patients, literature review, 7149
supportive staff meetings, coping with emotions aroused in work with emotionally disturbed children & adolescents, residential treatment program counselors, 10251
teaching experience & temperament characteristics, coping strategies in problem solving task with distractable child, female college students, 7579
techniques for assisting in coping & adjustment to impending death, physicians & families of terminally ill patients, 20151
techniques for dealing with embarrassing events & confidence in own & estimation of others' performance, 18–57 yr old female vs male socially anxious patients, 9233
theoretical perspectives on role of social comparison in coping behavior, female 29–78 yr olds with breast cancer, 12301
threat of acquired immune deficiency syndrome, gay lifestyle & coping styles & attitudes toward gays, conference presentation, 3632
time & membership in self help support group, coping behaviors & distress, patients with genital herpes, 25425
time management training vs social support, modification of stress producing behaviors, 23–56 yr old females from dual earner families, 15100
traditional preparation procedure with vs without videotaped modeling preparation, anxiety reduction & coping style & psychological preparation, 4–16 yr old hospitalized patients undergoing cardiac catheterization, 27885
trait anxiety & frequency of stressful situations, constructive vs passive vs escape coping strategies, 17 yr old secondary school students, Hungary, 8881
trait vs state anxiety & coping style, career decision making, college students, 27199
treatment package, coping with school-related stress, 13 yr old high school students, 22508
treatment plan for avoidance of tempting situations & leisure time planning, potential for relapse & coping strategies, 23–70 yr old outpatient alcoholics, 20561
Type A behavior & threat of death & fear of disability & changing of family roles & pastoral counseling goals, heart disease patients & their families, 25460
Type A vs Type B personality, active vs passive coping behavior with aversive threat & heart rate, college students, 6387
understanding of other person's pain & perception of impact on own health, healthy spouses of mate with chronic pain, 27657
use of breathing & postural techniques, coping behavior during labor, 18–35 yr old females with prenatal training, 9973
utilitarian resources & energy or morale & beliefs & social support as coping resources, depression & family relations & locus of control & marital adjustment, parents of mentally retarded children, 4062
utility of ego defense mechanisms, assessment of psychological resilience & personality disorders, middle aged males who were socially disadvantaged in childhood, longitudinal study, conference presentation, 27381
utility of hearing handicap inventory, assessment of coping skills & effect of intervention strategies, elderly, implications for nursing, 22354
validity & reliability of abbreviated version of Family Coping Strategies scale, couples, 16120
validity of Pearlin-Schooler method of analysis of strain & coping, 188
value of same sex friendship, coping with stressful event, college students, 24497
wilderness camp, community coping & social skills, adult chronic psychiatric patients, 6-mo followup, 18178
work- vs nonwork-based or family source of social support & gender, depression & anxiety & job & life satisfaction & somatic complaints, male vs female police & electrical contracting & construction employees, 31510
work environment & overload & supervisor style as work stressors, cognitive appraisal processes & coping strategies, 15–18 yr olds, 16891
work environment & personality & coping behaviors, dysfunctional stress, college faculty, 4823
work stress & coping strategies, primary school teachers, New Zealand, 10285

Copper
copper clearance, 11–48 yr olds with chorea, 1537
intragastric copper sulfate as UCS & role of vagus as mediator, taste aversion learning, vagotomized vs intact rats, 29372

Copulation [See Sexual Intercourse (Human)]

Copulation (Animal) [See Animal Mating Behavior]

Cornea
bilateral transection of dorsal fornix vs anterior vs posterior hypothalamic deafferentation, transcorneal ECS effect on inhibitory avoidance learning, female rats, 19385
clinical impact of aging, cornea, 30366
stimulation of supraorbital nerve vs cornea, response latency of blink vs corneal reflexes, 20–40 yr olds, 16434
transaural vs transcorneal ECS, convulsive behavior & motor paralysis, male rats, 16512

Coronary Disorders [See Cardiovascular Disorders]

Coronary Prone Behavior
age & sex & Type A behavior, heart rate & blood pressure during cognitive tasks, 26–74 yr olds, 23867
alcohol-induced stress & physiological correlates, college students with Type A vs Type B behavior, 21628
anxiety & other emotional states & smoking & alcohol consumption & Type A behavior, cardiovascular disorders, conference presentation, literature review, 27655
attributional style, Type A vs B 18–65 yr olds, 1208
behavioral treatment for hypertension & Type A behavior & interventions during coronary care following myocardial infarction, literature review, 27907
beliefs & fears as correlates of time urgency & hostility underlying Type A behavior, college graduate students, 21958
blood pressure & Type A behavior & cardiovascular reactivity, coronary heart disease risk factors, conference presentation, 9611
blood serotonin & Type A behavior pattern, male college students, 1191
challenging cognitive task under clear vs ambiguous performance standards, heart rate & blood pressure, Type A vs Type B 11–14 yr olds, 16893
clinical evidence of heart disease & risk factors & psychosocial factors, prediction of coronary artery disease, valvular heart disease patients, 6731
competitive vs slow & complex tasks, cardiovascular responses, Type A vs B prone 4th & 5th grade males, 763
consistency & variation among Type A behavior measurement instruments, 40–49 yr old males at risk for coronary heart disease, 119
control judgments, Type A vs Type B college students, 14527
coronary prone behavior & serum cholesterol & magnesium levels & alcohol consumption, middle aged males, conference presentation, 9620
coronary prone behavior & tone discrimination & serial learning & standing on stabilographic bridge tasks, psychophysiological reactions assessed by CNS activation, graduate students, Czechoslovakia, conference presentation, 8458
correlates of Type A behavior pattern, 8–13 yr olds with hyperactivity, 27686
development of brief self report measure of Type A behavior pattern, 20–71 yr old patients referred for coronary angiogram, 18925

efficiency of CNS as indicator of ability to cope with stressful life situations & Type A behavior, cardiovascular disease patients aged 42 yrs or less vs 43–52 yrs, conference presentation, 12172
epidemiological & psychological orientations in study of behavioral aspects of coronary heart disease, review of research, 6868
etiology of ectopic heart beat, patients with coronary artery disease & Type A behavior, reply to L. J. Freeman & P. G. Nixon's comment, 27552
etiology of ectopic heart beat, patients with coronary artery disease & Type A behavior, comment on J. R. Jennings & W. P. Follansbee's study, 27556
heritability of Type A behavior, 42–56 yr old male American veteran twin pairs, 483
hostility & anger-in components of Type A behavior as predictors of coronary artery disease severity, 21–69 yr old male angiography patients, replication of study by T. M. Dembroski et al, 12236
hypothesis testing vs RT vs videogame vs mental arithmetic vs handgrips vs cold pressor tasks, systolic & diastolic blood pressure & heart rate, 35–65 yr old Type A vs Type B males, 21361
information processing, control relinquishment decisions, college students with Type A vs B behavior patterns, 3773
internal structure of Jenkins Activity Survey, assessment of Type A behavior, business executives, 16121
interpersonal challenge, cardiovascular & cognitive behavioral responses, Type A vs Type B college students, 14523
interpersonal threat, size & shape of personal space, college students with Type A vs Type B personalities, 3775
Jenkins Activity Survey-Student Form & self reports of cumulative & desired GPA & extracurricular activities, male vs female Type A vs Type B college students, 10454
Jenkins Activity Survey vs Framingham Type A Scale, correlations with psychological & control aspects vs neuroticism-related dimensions of Type A behavior & coronary heart disease, college students, 28998
level of social activity & reticular arrhythmias & emotional stress & Type A behavior as risk factors, ischemic heart disease & mortality, middle aged males, Sweden, 8-yr followup, 25007
mental tasks & Type A behavior pattern, exaggerated physiological reactivity, 22–56 yr old managerial employees, 26554
model of dynamics of Type A behavior & link with coronary heart disease, 24990
mood & role as actor vs O, judgments of noncontingency, Type A vs Type B college students, 1209
paced arithmetic & RT stressful tasks, Type A scale & factors of Jenkins Activity Survey & diastolic blood pressure, adults, 26548
paced vs unpaced versions of single vs dual tasks, workload ratings, Type A vs Type B 18–35 yr old males, 19843
parents' Type A behavior pattern, children's Type A behavior development, families with 4th–6th grade males vs females, 21795
patience vs impatience, heart rate, Type A vs B prone 4th & 5th grade males, 758
personal vs universal task failure, subsequent speed of completion of anagrams, Type A vs Type B college students, 30044
predictive validity of scale developed by R. W. Bortner, assessment of Type A behavior & mortality rate, 35–64 yr old twins & singletons, Finland, 6-yr followup study, conference presentation, 8083
preference for control when threatened with aversive event, Type A vs B males vs females, 1192
reaction to controllable vs uncontrollable situations, college students with Type A vs Type B behavior patterns, 3731
research on psychophysiologic correlates of Type A behavior, comments on articles by B. K. Houston & D. S. Holmes, 6379
role ambiguity & job satisfaction, cardiovascular & biochemical responses associated with coronary risk, Type A vs Type B male managers, 18742
role of early childhood temperament in development of adult Type A behaviors, young adults, 29-yr longitudinal study, 8906
self esteem & death anxiety, college students classified as Type A vs Type B, 19865
self serving attributions for success & failure & task persistence, Type A vs Type B college students, 14526
self vs teacher assessed measures of Type A coronary prone behavior vs teacher-rated measure of hyperactivity/problem behavior, 8–17 yr old students vs teachers, 20806
sex-role orientation & Type A behavior pattern, male vs female college students, implications for coronary artery & heart disease, 3735
single vs dual information processing task performance & subjective estimation of mental workload, Type A vs Type B 18–35 yr old females, 13618
social insecurity & blood pressure & sympathetic arousal & Type A pattern, 23–67 yr old male medical or surgical patients, 21352
social interaction & heart rate & blood pressure, dyads of 4th & 5th grade males with type A vs type B behavior, 21792
spouse behavior & social & demographic & personality characteristics, coronary heart disease incidence, husbands, conference presentation, 9526
standardization & factorial validity of Jenkins Activity Survey, measurement of coronary prone behavior, male 45–59 yr olds with coronary heart disease vs risk factors, East Germany, 13474
standardization of R. H. Rosenman's structured interview for Type A behavior, Czechoslovakia, 5308
study & test taking skills & unrealistic expectations & belief in negative self statements & Type A behavior, high vs low achieving college students with high vs low test anxiety, 31224
two-factor solution of Jenkins Activity Survey-Form T, 17–28 yr old male vs female college students, 132
Type A & B behavior pattern &/vs aerobic fitness level, heart rate & blood pressure reactivity, male college students, 11193
Type A behavior & coronary events vs fatal heart attacks, males, 9.5-yr followup, 4097
Type A behavior & coronary heart disease, 3733
Type A behavior & hardiness, cardiovascular & biochemical responses to common job stressor of role ambiguity, adult males, 2-yr longitudinal study, 30020
Type A behavior & other risk factors, prevalence & incidence of coronary heart disease, Japanese males, Hawaii, 8-yr longitudinal study, 17570
Type A behavior & threat of death & fear of disability & changing of family roles & pastoral counseling goals, heart disease patients & their families, 25460
Type A behavior during childhood & adolescence & young adulthood as assessed by interviews with Ss & teachers, stability & composition of Type A behavior, Ss measured during 1st & 2nd grade & adolescence & at young adulthood, 25-yr longitudinal study, 24232
Type A behavior, incidence of infectious mononucleosis, college students, 4101
Type A behavior pattern & personality & aggression, 1190
Type A behavior pattern & psychological traits & symptom states, 33–72 yr olds presenting for coronary angiography, 20254
Type A behavior pattern, patients with minimal vs severe coronary atherosclerosis, 1547
Type A behavior pattern, rise in blood pressure under anesthesia, 19–73 yr old general surgical patients with no history of coronary heart disease, 1995
Type A behavior, recovery from coronary artery disease, patients with acute myocardial infarction, 1–3 yr followup, 4110
Type A personality, allocation of resources & focus on courses most central to medical curriculum & neglect of peripheral areas, medical students, 10221
Type A Proneness Assessment Program, assessment of critical risk factors associated with Type A personality, 14540
Type A vs B behavior, job performance & psychosomatic complaints & career progression, francophone vs anglophone white-collar employees, Canada, 2624
Type A vs B personality & inhibited power motive, heart rate & systolic blood pressure & forearm blood flow during structured interview & TAT, male college students, implications for development of coronary heart disease, 567
Type A vs Type B behavior patterns of female partner, perception of quality of & satisfaction with & love in dating relationships, heterosexual couples, 27149
Type A vs Type B personality, active vs passive coping behavior with aversive threat & heart rate, college students, 6387
Type A vs Type B personality, alcohol drinking patterns, male 35–57 yr olds at high risk for coronary disease, 11800

Type A vs Type B self schemata, speed of processing & memory interference, college students, 27212
use in assessment of behavioral factors relating to coronary heart disease, patients undergoing coronary angiography, 12259
use of cognitive/cortical processes during self induction of emotional arousal, objective subjective arousal discrepancy in Type A individuals, college students, 27187
validated measures of Type A behavior, prediction of coronary heart disease, literature review, 2908
validity & adaptation of Jenkins Activity Survey & structured interview methods, assessment of coronary prone behavior, adults, East Germany, conference presentation, 8115
validity & test-retest reliability of Jenkins Activity Survey, assessment of coronary prone behavior, 40–49 yr old males, Czechoslovakia, conference presentation, 8109
validity of Cassel Type-A Personality Assessment, identification of coronary prone individuals, 18–83 yr olds, 23433
validity of Jenkins Activity Survey, measurement of Type A behavior & presence of coronary heart disease, male 40–65 yr olds in 2 ethnic rural communities, Israel vs US, 5341
winning vs losing, cardiovascular correlates & blood pressure variations, Type A vs Type B medical students, 11192
Coronary Vessels [See Arteries (Anatomy)]
Corporal Punishment [See Punishment]
Corporations [See Business Organizations]
Corpus Callosum
brain size & shape & weight & structure of corpus callosum, mice from 2 strains differing in degree of lateralization, 554
clinical & etiological & EEG characteristics, 7 mo to 48 yr olds with complete or partial agenesis of corpus callosum with epilepsy, conference presentation, 30399
corpus callosum & medial frontal lobe damage, apraxia of left limbs, right handed 40 yr old female following hemorrhage of anterior cerebral artery aneurysm, 9538
crossed vs uncrossed RTs to visual stimulus & performance of dichotic listening task, 21 yr old female with agenesis of corpus callosum, implications for bilateral speech representation, 4164
instrument & surgical procedure, transection of corpus callosum, rats, 13921
interhemispheric information processing in temporal discrimination task, 20–38 yr old males with vs without chronic schizophrenia, 1374
lateralized light flashes, visual EPs during RT tasks, 20 & 23 yr olds with collosal agenesis, 9606
radiological & behavioral observations, 17 yr old with asymptomatic congenital agenesis of corpus callosum, 27508
size of corpus callosum & handedness, necropsy studies of 25–65 yr olds, 19343
visual EPs, determination of extent of visual field, normal vs corpus callosum sectioned cats, 501
visual stimulus intensity & complexity, bimanual vs unimanual RTs, 20 yr old acallosal male, 14878
Corpus Striatum [See Basal Ganglia]
Correctional Institutions [See Also Prisons]
alternatives to incarceration of mentally ill, comments on New York City Board of Corrections' proposed standards for mental health services in prisons, 2133
challenges in all-male correctional facilities, female correctional officers, 5098
evaluation of pretrial & police referral community-based diversion program, juvenile delinquents, Canada, 15415
family visits, problem behavior & number of infractions & time in custody, 13–16 yr old male delinquents in correctional institution, 30251
institutional child abuse & neglect, bibliography, 1940–85, 14718
interagency model for transition from correctional institutions to public school programs, juvenile delinquents, 28220
legal parameters, special education in correctional institutions, incarcerated persons aged 21 yrs & below, 28219
New York City Board of Corrections' proposed standards for mental health services in prisons & jails, 2168
problem of mentally ill in city or county jails, comments on New York City Board of Corrections' proposed standards for mental health services, 2143
special education programing in juvenile correctional facilities, state directors, 1985 vs 1986, 28211
suggested concepts for development of training program for correctional psychologists, chief psychologists from Federal Bureau of Prisons, 12838
teacher training programs in correctional & special education, handicapped youth & delinquents, 28395
teaching of correctional psychiatry in 3rd yr of medical school, implications for mental health services in correctional field, 25617
vocational education programs in correctional institutions, handicapped juvenile offenders, 28208
Correlation (Statistical) [See Statistical Correlation]
Cortex (Auditory) [See Auditory Cortex]
Cortex (Cerebral) [See Cerebral Cortex]
Cortex (Motor) [See Motor Cortex]
Cortex (Somatosensory) [See Somatosensory Cortex]
Cortex (Visual) [See Visual Cortex]
Cortical Evoked Potentials [See Also Contingent Negative Variation]
amygdala electrical activity using stereotactic technique & implications for altering of aggressive conduct of patients with epilepsy & schizophrenia & mental deficiencies, 23356
bipolar electrical tooth pulp stimulation, EPs in primary motor & somatosensory & secondary somatosensory cortices, monkeys 19395
cognitive complexity & cerebral sensory interaction assessed by visual & auditory & bimodal EPs, right handed Navy recruits, 5728
cognitive science & neuroscience & model of information processing, schizophrenic thought processes, application of brain EP, conference presentation, 30198
complex sensory environment vs isolation, cortical EPs, male rats, 8395
contralateral lesions of parietal lobe, unilateral visual neglect & wave P300, 49–80 yr olds, 14862
cortical EPs & selective attention, 29275
criteria for rating similarity of pairs of simulated event related brain potentials, researchers with 9 mo through 10 yrs of experience in field, 13815
dexamethasone injected on postnatal day 4, spatial distribution of synaptic EPs in dentate gyrus afferents & spatial stimulus response functions, rats, 21619
electrical skin stimuli, pain perception & EPs, cerebral vascular disordered 42–58 yr old patients with unilateral thalamic lesions, 17609
EP to warning stimulus & contingent negative variation, 21–53 yr olds with vs without reactive vs endogenous depression, longitudinal study, 1290
event-related brain potentials during syllable discrimination task, 18–40 yr olds & their 19–39 yr old schizophrenic siblings, 1367
event-related potentials during verbal comprehension task, college students, 29269
evoked potentials, 23–48 yr olds with obsessive compulsive disorders, 1376
flash visually evoked cortical potentials, albino 1–7 mo olds, 19576
high vs low achievement in concept learning, cerebral event related potentials, male US Navy recruits, 5727
im vs intragastrically administered aniracetam, behavior & electrocortical activity, squirrel monkeys, 16787
intracortical microstimulation, neuronal EPs & distribution of sensory & motor cortex projection fibers vs terminals from thalamus to motor cortex, cats, 26589
language related neural activity, males with family history of alcoholism, 20057
late positive component of event-related cortical potential, measurement of effects of neurotoxins on CNS, humans, conference presentation, 23367
leverpressing CR, electrocortical activity, dogs, 5673
limited attentional capacity processes in dual-task paradigm, detection of automatic targets & event-related brain potentials, college students, 344
long-latency event-related potentials, assessment of cognitive function, 10–17 yr old psychiatric & 6–16 yr old pediatric inpatients, 3784
mecamylamine, cortical event-related slow potentials, male rats, 26651

mental workload & physiological responses of central nervous system & evoked cortical potentials, 5457
physiological aging, cortical EPs, 1–3 vs 11–23 yr old cats, implications for human aging & changes in cortical EPs, 5683
pirlindole, change in flash vs pattern cortical EPs, 31–43 yr old males, 3273
portable laboratory computer system, measurement of event-related brain potentials during performance of complex experimental tasks, humans, conference presentation, 23368
P300 component of event-related potentials during information processing, 29300
reading acquisition speed, left & right temporal & parietal event related potentials during word naming task, 5.1–6.2 yr olds, 16932
reading vs categorizing word series & sentences with semantically inappropriate words, N2 vs N400 vs P3 components of event-related brain potential, college students, 11166
sentences & semantically-related words & numbers & letters ending appropriately vs anomalously, N400 component of event related brain potential, college students, 29292
slow tracking vs rapid alternating vs torque-pulse movements vs wrist action tremor, discharge patterns of cerebellar nuclear & motor cortex & spindle afferent neurons, male rhesus monkeys, 29298
small vs large dosages of alcohol, evoked electrical activity in cerebral cortex, 25–36 yr olds, 8542
smoking & distraction, sensory & slow cortical EPs during task performance, female adults, 26691
sucrose & sodium chloride & quinine solutions applied to tongue, cortical neuron response, rats, 13838
sucrose & sodium chloride & quinine taste stimuli, cerebral cortical coding of taste information, rats, 13839
syntactic primes & subsequent lexical decisions, EPs at frontal & temporal & temporoparietal sites, right handed college students, 26520
task vs nontask & smoking vs nonsmoking conditions, cortical EP amplitudes, female smokers, 19332
tonic ischemia pain, phasic pain ratings & cerebral EPs, 21–27 yr old healthy medical students, 8386
use of EP data in psychiatric treatment & diagnosis, 1682
various speech production conditions, auditory brain stem evoked responses to repetitive clicks, 18–43 yr olds, 16418
visually triggered movements of right index finger, cerebral potentials, 29–43 yr olds, 5712
vitamin B6 administration, cortical auditory EPs, children with Down's syndrome assessed at 1 & 3 yrs old, 3-yr longitudinal study, 9434
word repetition, long term recognition memory predicted by RT & P300, male college students, 23809
Corticoids [See Corticosteroids]
Corticosteroids [See Also Corticosterone, Hydrocortisone, Prednisolone]
anticholinesterase & corticosteroids & electrographic findings, myasthenia gravis, 61 yr old male with progressive asthenia & dysphagia & dysphonia & diplopia, 12594
anticonvulsive drugs & consequent corticosteroid treatment, 10 day through 12 month olds with infantile spasms, 7282
biochemical correlates of increased pituitary-adrenocortical activity, depressed patients, 24649
circannual rhythm & low frequency rhythms of corticosteroid excretion, patients with affective symptoms, 24659
corticosteroid/dopamine hypothesis for psychotic depression, 1369
cyclophosphamide & prednisone, 55 yr old female with Wegner's granulomatosis & drowsiness & unsteady gait & polydipsia & depression & paranoid symptoms, 20401
Corticosterone
adrenaline dosage levels & corticosterone, retention of passive avoidance learning, adrenalectomized male rats, 13960
binding of corticosterone & dexamethasone assessed by number & affinity of cytosol receptors in in vitro hippocampus & hypothalamus, male vs female rats, 21331
chlordiazepoxide, elevations of plasma corticosterone induced by placement as intruders in long-established colony, male rats, 26658
chronic corticosterone treatment, behavioral responses to drugs affecting 5-HT & dopamine systems, male rats, 26646
chronic ethanol administration, dexamethasone suppression, male rats, 669
chronic stress followed by restraint, ACTH & corticosterone level, male rats, 16453
crowding, corticoadrenal reactivity to stress, male mice, evidence for suitability of crowding as model for chronic stress, 21397
dexamethasone, levels of plasma corticosterone & cortisol, psychiatric inpatients, 6471
diazepam & picrotoxin, concentration of plasma corticosterone, male vs female rats, 16754
elevation of endogenous ACTH & corticosterone induced by lithium chloride injections, acquisition & extinction of conditioned taste aversion, rats, 14055
ethanol, plasma corticosterone & free fatty acids, male rats with lesions of locus ceruleus vs pretreatment with noradrenergic neurotoxin DSP 4, 16571
footshock vs forced running in activity wheel, habituation to repeated stress & corticosterone & prolactin & pituitary cyclic AMP, male rats, 5752
forced choice & deprivation, preferences for maple vs anise flavored saline with vs without corticosterone & food & fluid intake & body weight, adrenalectomized male rats, 19391
imipramine & forced swimming stress, swimming time & serum corticosterone levels, male rats, 26741
long term radiation exposure, immune competence & open field behavior & plasma corticosterone & morphological lesions, male rats, 23886
low environment temperature vs immobilization vs random footshock stress, plasma corticosterone & fatty acid & glucose levels, male rats, 16492
low vs high sodium diet & furosemide vs deoxycorticosterone acetate vs indomethacin, ethanol-induced motor impairment, male rats, 21381
metyrapone & corticosterone, female receptivity, ovariectomized female mice, 635
metyrapone-induced suppression of corticosterone synthesis, hyperactivity & exploratory behavior, cortical vs hippocampal lesioned rats, 13944
neocortical vs hippocampal lesions & repeated footshock stress, pituitary cyclic adenosine monophosphate & plasma corticosterone & prolactin level, male rats, 16477
phenylquinolines vs tracazolate, basal corticosterone levels vs corticosterone responses to novelty stress & activity of GABA-benzodiazepine receptor complex, male rats, 23963
physical & environmental stress & corticosterone, prolactin response, male rats, 14072
prenatal treatment with 6-hydroxydopa & DSP 4, noradrenaline concentration in cerebral cortex & cerebellum & assays of ACTH & corticosterone & hyperactivity, infant rats, 26692
putative anxiogenic compounds & exposure to novelty stress, plasma corticosterone concentrations & GABA-benzodiazepine receptor activity, male rats, 24011
shift from 32 to 4 percent sucrose solution, consummatory behavior & corticosterone levels, male rats, implications for emotional responses in negative contrast effect, 29312
2-yr exposure to low-level microwave radiation, behavior & corticosterone levels & immunology & serum chemistry & growth & metabolism & longevity & cause of death, rats, conference presentation, 13895
Corticotropin
ACTH & beta-lipotropin & beta-endorphin levels, 46–83 yr olds with dementia, 14823
ACTH & cortisol as indicators of circadian patterns of pituitary-adrenal activity vs dexamethasone suppression test, patients with depression, 19986
ACTH analog & desglycinerarginine-vasopressin, light & dark adaptation, human Ss, 8565
ACTH analog, active & passive avoidance & grooming behavior, male rats, 16613
ACTH analog ORG 2766 injections in familiar vs unfamiliar test arena with high vs low illumination, active social contact, male rats, 19386
ACTH analog, selective attention assessed by auditory EPs & EEG & heart rate & blood pressure, 18–30 yr old males, 16565
ACTH elevation vs hippocampal lesions, sensory preconditioning, female rabbits, 21574

ACTH, grooming behavior, male rats, implications for role of cerebral cholinergic neurons & muscarinic receptors, 8531
ACTH, primary & secondary memory assessed by free recall, depressed 21–50 yr olds treated with ECT, 9653
ACTH-related agents & septal lesions, hyperemotionality & septal reactions during training, rats, 650
ACTH therapy, thyroid hormone & serum cortisol levels, 4–22 mo olds with infantile spasms, 18066
ACTH vs epinephrine vs beta-endorphin vs naloxone or treatments blocking their release or hypothalamic lesions, performance on step-down inhibitory avoidance task acquired 0 vs 3 vs 6 hrs before treatments, female rats, 11216
ACTH vs prednisone, mood, patients with dermatologic diseases or multiple sclerosis, 27944
ACTH 4-9 analog, depression & anxiety, moderately depressed patients aged 50 yrs & over, 27953
ACTH 4-9 analog doses, visual event related EPs, healthy 22–37 yr old males vs females, 26739
ACTH 4-9 analog, memory & vigilance, depressed patients aged 50 yrs & over, 27954
ACTH 4-9 analog ORG 2766, auditory EPs & middle latency responses, 18–30 yr olds, 21483
ACTH 4-9 analog, somatostatinlike immunoreactivity & cholinesterase activity & dopamine-beta-hydroxylase & homovanillic acid CSF levels, 58–90 yr olds with Alzheimer's disease, 20177
ACTH 4–9 analog ORG 2766, temporal thresholds for processing rapidly presented single letters, 50–72 yr olds with dysthymic or major depressive disorder, 20380
adrenalectomy, localization & differential regulation of brain & pituitary receptors for corticotropin releasing factor, rats, 620
amphetamine vs caffeine vs corticotropin-releasing factor vs heroin, locomotor activity following destruction of nucleus accumbens dopamine receptors & infusion of muscimol in efferent terminal regions, male rats, 21604
bilateral hippocampal lesions vs ACTH, classically conditioned nictitating membrane response, rabbits, 13905
bombesin vs ACTH, grooming behavior & tolerance, rats, 21615
chlordiazepoxide, corticotropin releasing factor-induced behavior in aversion conditioning conflict test paradigm, male rats, 16573
chronic administration of ACTH, brain development, rats, 8555
chronic administration of ACTH 4-10 & ACTH 4-9, neuromuscular performance & spontaneous & cold stress motor activity & learning, neonatal rats, conference presentation, 29379
chronic stress followed by restraint, ACTH & corticosterone level, male rats, 16453
chronic treatment with ACTH & alpha-melanocyte stimulating hormone & gamma-2 MSH, impaired reversal learning, rats with bilateral lesions of parafascicular area, 26716
coexistence of substance P & corticotropin releasing factor & acetylcholinesterase in nucleus tegmentalis dorsalis lateralis & projecting to frontal cortex & septum & thalamus, male rats, 26490
corticotropin releasing factor & endorphin vs dynorphin vs enkephalin & gonadotropin releasing hormone, lordosis, ovariectomized female rats treated with estrogen with vs without progesterone, 11338
corticotropin-releasing hormone, ACTH & cortisol response, 27–41 yr olds with panic disorder, 27361
desglycinamide-arginine 8-vasopressin vs ACTH 4-10, cardiac orienting reflex & activity in novel open field setting & habituation, rabbits, conference presentation, 29427
dexamethasone administration prior to avoidance conditioning, ACTH-induced recovery of extinguished response, male rats, 11266
dexamethasone pretreatment & human corticotropin releasing factor &/vs lysine vasopressin, cortisol & ACTH response, normal 23–30 yr olds, 19510
dexamethasone suppression of ACTH, lung cancer patients, 30367
dexamethasone suppression test, pituitary-adrenal activity & plasma corticotropin & cortisol concentrations, 21–71 yr old depressed inpatients, 3908
diurnal patterns of plasma ACTH & cortisol before vs after dexamethasone, depressed patients, 24715
doubled cortisone dosage vs steroid withdrawal, visual-attentional functioning, 17–29 yr olds with congenital adrenal hyperplasia, 6892
ECT, plasma ACTH & cortisol levels, 18–74 yr old inpatients with major depressive disorder, Sweden, 6918
elevation of endogenous ACTH & corticosterone induced by lithium chloride injections, acquisition & extinction of conditioned taste aversion, rats, 14055
handling vs ACTH vs naloxone, preening behavior, chickens, 16506
icv injections of corticotropin releasing factor, locomotor activity, hypophysectomized male rats, 26562
icv vs ip doses of analog of ACTH/melanocyte-stimulating hormone, reduction of amygdaloid kindled seizures, male rats, 643
imipramine vs ACTH, noradrenergic receptor activity & responsiveness of norepinephrine-coupled cyclic adenosine monophosphate generating system in cerebral cortex, male rats, 19436
intense stress, ACTH release & activity level, male rats, 16468
melanotropin analogs with structural modifications of alpha-melanocyte-stimulating-hormone/ACTH 4-10, grooming behavior, rats, 649
naloxone, behaviors & analgesia vs hyperalgesia associated with opiate withdrawal, dependent vs nondepressed male rats, implications for ACTH as endogenous contra-opioid agonist, conference presentation, 26680
naloxone vs beta-endorphin vs ACTH, acquisition of schedule-induced polydipsia, male rats, 697
neonatal monosodium glutamate, grooming induced by novel environment vs andrenocorticotropic hormone, rats, 13888
physical exercise at submaximal work loads, dental pain thresholds & plasma levels of ACTH & cortisol & prolactin & growth hormone, 23–44 yr old males, 3214
plasma & CSF levels of beta-lipotropin & -endorphin & ACTH, 20–76 yr old patients with primary vs symptomatic headache vs ischemic attacks, 9589
posttraining & pretest effects of ACTH vs epinephrine vs vasopressin vs endorphin & naloxone, retention of inhibitory avoidance, female rats, 19457
relationship between opioid peptides & lipotropin/adrenocorticotrophic hormone group, physiological & behavior changes, 29310
serum ACTH & cortisol levels & abnormal dexamethasone suppression, bipolar & unipolar depressed patients, 22021
serum melatonin & cortisol & morning level of plasma ACTH & dexamethasone suppression test, 26–63 yr olds with major depressive disorder vs patients in remission from unipolar vs bipolar depression, 19893
smoking-induced nausea, cortisol release & ACTH secretion, male cigarette smokers, 14052
state anxiety & subjective pain & plasma ACTH & peripheral plasma beta lipotropin & endorphin & met-enkephalin levels before vs after labor, 20–25 yr old females with normal pregnancies, 21345
stress induced by confinement & noise & dexamethasone injections, plasma levels of ACTH & oxytocin & vasopressin, rhesus monkeys, 16476
synthetic ACTH 4–9 analog Org 2766, cognitive functions, patients with Alzheimer's disease, 6-mo longitudinal study, 22590
urine as possible pheromone in ACTH-induced submissive behavior, prepubertal pigs, 5611
Cortisol [See Hydrocortisone]
Cost Effectiveness [See Costs and Cost Analysis]
Costs and Cost Analysis
alcoholism & problem drinking, economic costs & workforce productivity losses, 14725
anticipated social & material costs & benefits, willingness to support union action, union members, 28789
assessment of state development of home- & community-based services using federal waiver legislation, persons otherwise requiring institutionalized care for mental retardation, 18187
assessment of subjective values of investments & credit plans with delayed positive vs negative outcomes & validity of discounting model, college students, 21161
attitudes toward public interest research group funding, college students, 18413
benefit-cost analysis of screening program for phenylketonuria detection, newborns, 20438
block grants for alcohol & drug addicts & mental health & funding cutbacks, state mental health & community care spending, 25414

budget reform & evaluation & conventions in psychiatric hospitals, 30930
Burlington case, reimbursement for unilateral placements in private special education schools, parents of handicapped students, 11660
calculation of net & replacement & true employee turnover rate & productive & administrative costs, managers in small- & medium-size firms, 7840
Cascio-Ramos estimate of performance in dollars vs technique devised by F. L. Schmidt et al, evaluation of job performance of sales personnel in simulated firm, graduate students with management experience, 10613
case of Smith v Robinson, recovery of legal expenses in pursuit of due process rights, handicapped students & their families, 11567
case service costs & client earnings, comments on study by R. T. Walls et al, 22745
causal vs spurious association in relationship between market share & return on investment, 10674
change in salary & costs, judgment of economic satisfaction, college students, 15953
changes in medical education from for-profit hospitals & involved universities, 20618
class & race & ethnicity, local public school expenditures, 25761
commitment to simulated failing company & available investment alternatives, fund allocation to failing divisions, business students, 23228
competitive context & availability of additional information, choice behavior & sensitivity, suburban residents & college students, 31583
components of effective caregiving system, homeless & other mentally ill, implications for deinstitutionalization, conference presentation, 22645
computer-based test interpretation, comments on article by J. D. Matarazzo, 20446
cost analysis & fees for economical health services, college students, conference presentation, 28587
cost analysis, hospice services vs traditional medical care, terminally ill cancer patients, 22625
cost analysis of layoff vs no layoff company policies, 31502
cost-benefit analysis, hospital treatment program for pathological gambling, outpatients, 22730
cost benefit analysis in psychiatric rehabilitation, 2172
cost benefit analysis of community mental health treatment programs & barriers in implementation, chronically mentally ill patients, 15281
cost benefit analysis of microcomputer innovations in communication & occupational & physical therapy & counseling, independent functioning, handicapped, 15445
cost containment in community mental health services, treating patients close to home & avoiding hospitalizations, prior to vs after July 1982, 10011
cost-effective incentive program, increasing safety belt use on campus, college students, 7779
cost-effectiveness & cost-benefit analysis as applied to human services system 18206
cost effectiveness of health care services & utilization, comments on article by B. D. Belden et al, 20444
cost effectiveness of psychotherapy, criticism of American Psychological Association's review, 4276
cost information as indicator of pressure to recover costs on decision making behavior under price pressure, students & experienced practitioners in industrial marketing, 26076
cost of housing, percentage of identified gifted students, 16948
costs & expenditures for mental health care in 1980, US, 4234
costs & prevention of medical/surgical pediatric hospital days by psychiatric treatment, children, 7423
costs & value of conflict skills & management training programs in organizations, employers, 15984
costs of medical/surgical treatment, 39 yr old female with psychiatric disorders, 9971
development of interactive computer simulation of social security system, Netherlands, 21856
development of method based on principles of industrial psychology, assessment of job performance in dollars to permit application of utility analysis, 1st level managers, 18729
development of preretirement financial training seminars, employees, 28678
diagnosis-related group vs community support maintenance organization models of mental hospitalization, 20481
diagnosis-related groups & costs & quality of mental health services, 20570
diagnosis related groups policy of prospective 3rd party reimbursement, hospital care & discharge, implications for social work practice, 10111
differential financial resources allocated to pets & zoo animals vs mentally handicapped or emotionally disturbed children, 20268
direct costs of institutional care, mentally retarded & developmentally disabled, 1977–84, US, 18241
direct participation in cost of psychiatric care, treatment outcomes & benefit to patient, psychiatric patients, recommendations for choice of payment options, 12372
economic costs of crime, victims, Canada, 1073
economic costs of schizophrenia, Australia, 17353
economic costs of schizophrenia, Australia, 30147
economic incentives & costs & cost analysis, alternatives to psychiatric hospitalization, 25439
economic utility estimates in selection process at assessment center, midlevel sales managers, 23203
energy prices & social equity & energy policy options, needy aged, 29901
erosion of public's good opinion of medical profession & dissatisfaction with cost of medical care, 25377
evaluation of importance of marketing mix components across different product types & 3 different buy classes, organizational purchasing agents, 23317
federal government spending, services & income maintenance for mental retardation & developmental disabilities, 17498
financial & technical problems in establishment of multidisciplinary rehabilitation program in general hospital, alcoholic patients, France, 4706
fiscal problems in academic psychology & proposal of organizational model, 12864
functions & financing & future of state mental hospitals, 28155
funding & productivity in mental retardation research, 1467
funding increase through diversification of independent living services, persons with severe disabilities, implications for rehabilitation, comments on article by J. S. Phillips et al, 28205
funding increase through diversification of independent living services, persons with severe disabilities, implications for rehabilitation facilities, comments on article by J. S. Phillips et al, 28193
funding increase through diversification of independent living services, persons with severe disabilities, implications for rehabilitation facilities, 28206
grant-funded community-based comprehensive health services provided by teaching hospitals, 15–24 yr olds in communities with high rates of sociomedical problems, financial implications, 25497
grouping according to psychodiagnostic label, mean length of hospital stay & prospective payments to child psychiatric services, 6–15 yr old psychiatric inpatients, 12713
growth of private practice & for profit organizations in social welfare, 15233
health expenditure patterns, Ss aged 50–70 yrs old & older, 4590
history & future of child psychiatry & financial issues, 20628
home-based self administered vs clinic-based therapist-administered relaxation &/vs biofeedback therapy, 18–65 yr old tension vs vascular headache patients, 15081
household care expenditure patterns, families with intellectually handicapped child, New Zealand, 4227
housing expectations vs housing costs, financial commitment to home ownership, college students, 26064
human resource accounting methods, assessment of economic impact of human resource programs, 13187
human service programs & political economy of postindustrial societies, 14245
inclusion of psychiatric services in prospective health insurance payment systems, 18263
inclusion of severity of illness in psychiatric diagnostic formulations, prediction of perspective health insurance consumption, 17737

information-processing explanation of behavior when monetary resource allocaton decisions meet with setbacks, college business school students as decision makers, 25997
intermediate care facility as institution for mental diseases, case law, 14346
interview with M. Bauduret concerning budgetary systems of psychiatric facilities, France, 30961
investment behavior & analysis of stock price movements & risks, 27208

strategies for professional behavior in extreme community turmoil, school psychologists & physician & clinical psychologist & social worker & social geographer involved in Sinai evacuation, Israel, conference presentation, 25618
suicide myths & short term intervention strategies, alleviation of psychological pain & provision of alternatives, suicidal adolescents, 15021
team psychiatric crisis intervention, reactions to forced evacuation of Sinai, families in small town in Sinai Peninsula, Israel, 28059
theoretical models & techniques in crisis intervention, Italy, literature review, 20472
theory & practice of outcomes of family crisis intervention, 9801
time-limited crisis treatment in day hospital program, subsequent utilization of medical or psychiatric services, psychiatric patients, 2-yr followup, cost-saving implications, 25479
treatment of rape co-victims & psychoanalytically oriented crisis intervention, 17825

Crisis Intervention Services [See Also Hot Line Services]
awareness of & attitudes toward sexual assault treatment centers, 14–17 yr olds, 10018
efficacy of crisis intervention team for home assessment & care as component of community service program, illustrative case examples, England, 20490
La Posada program of crisis-oriented residential treatment as alternative to hospitalization, acutely disturbed chronic psychiatric patients, 30883
mental health components of disaster relief, rural community members, 28086
need for crisis intervention services as component of comprehensive health care, families, 1862
organizational aspects of psychiatric emergency services & basic principles, psychiatric patients, Romania & France & Holland & US, 12673
psychoanalytic view of crisis intervention & mass media, coping with earthquake, survivors, 1985, Mexico, 30873
role & functioning of reception centers or crisis clinics, 4602
service provision in early phase of bushfire disaster, psychological & physical responses, volunteer mental health team, Australia, 2209
social & medical crisis center, treatment & prevention of trauma & psychiatric reactions following hostage crisis, school children & teachers & community members, 10041
social work & role of social worker, natural & man-made disasters, 12699
symptoms & diagnoses & final destination, psychiatric emergency patients in general hospital emergency rooms, 4648
use of volunteers & personal referrals & public education & staff commitment, proactive sexual assault treatment organizations, 10042

Criterion Referenced Tests
answer changing behavior on objective tests, student test takers, 15885
construct validity & criterion referenced tests in educational setting, 4995
construction of criterion-based developmental assessment procedure, educational assessment, 3–6 yr old nursery school students & kindergartners, Israel, 10559
curriculum bias in standardized & criterion-referenced reading achievement tests, elementary education, implications for educational placement, 20823
parametric statistical procedures for analysis of mastery testing data in skewed & nonnormal distributions, 23403
reliability of Pyramid Scales, criterion-referenced measure of adaptive behavior, developmentally disabled persons, 10812
test-retest reliability & criterion validity of commercial basal mastery reading tests, measurement & study/reference & comprehension & vocabulary skills, 4th–6th graders, 10561

Critical Flicker Fusion Threshold
central vs extrafoveal CFF, humans, 5405
diazepam & amphetamine sulfate, CFF frequency values, healthy males & females, evaluation of signal detection theory, 16700
extraversion & psychoticism & self assurance & cardiac rate & frontalis EMG, CFF as index of visual acuity, females vs males, 10921
flicker fusion frequencies & signs of nonspecific brain damage, alcoholic Ss, 14724
flickering vs nonflickering targets, brightness spatial summation, 217
light-induced retinal damage, CFF frequency at scotopic & photopic luminance, male rats, 5812
pattern vs flicker vs coherent drift thresholds, upper spatial & temporal limits of velocity perception, author & naive S, 222
perception of subjective vs real borders due to flicker halo effect, 20–25 yr olds, 29056

peripheral movement & flicker, detection thresholds of sinusoidal gratings, adult Ss, 13539
presentation of temporal pulses at low spatial frequencies, sinusoidal flicker sensitivities, 210
sensitivity to scotopic flicker in parafoveal retina, 25 & 31 yr old males, 2987
stimulus velocity vs contrast vs spatial frequency, lower temporal limits of movement perception, author & naive S, 221
temporal-frequency-specific channels for & interocular transfer of flicker adaptation in visual system, 235
Critical Scores [See Cutting Scores]
Criticism
cognitive behavioral therapy vs relapse prevention treatment, maintenance of reduced levels of self criticism, 22–59 yr old females, 9814
critique of usefulness of expressed emotion concept from systemic orientation, etiology & treatment & family therapy, schizophrenic patients & their families, literature review, 19984
male's poor vs average strength task performance with vs without female's verbal attack, aggressive behavior toward female target, male college students, implications for causes of male-to-female violence, 24489
overheard criticism which did vs did not involve ethnic slur of Black winner vs loser of debate, evaluation of debater's skill, White college students, 14461
praise vs criticism, running performance & emotional state, 10–15 yr olds, 748
response to & attitudes toward abuse of unemployed, unemployed 16–19 yr olds, 6107
Criticism (Professional) [See Professional Criticism]
Cross Cultural Differences
achievement motivation & fear of success, female college students, Kuwait vs US, 9181
activities & beliefs & characteristics & relationships, natural vs professional helpers, rural Iowa vs Ireland vs UK, 15289

perception of rejection & emotional warmth & overprotection in parental rearing behavior, bipolar vs unipolar depressed patients, Italy vs Sweden, 24693
perceptions & importance of work characteristics, car & steel industry personnel in different countries, 7855
perceptions of causes of poverty, male vs female 12–14 yr olds, Barbados vs Dominica, 24215
perceptions of medicine & drug administration methods & religious beliefs & use of folk medicine, treatment compliance, Moslem immigrants from North Africa, France, conference presentation, 7181
perceptions of parental emotional warmth & rejection & protection, adults, Australia vs Denmark vs Italy vs Netherlands vs Sweden, 27010
perceptual & multi-dimensional approach, cross cultural counseling, Canada, 10048
performance on Design Copying & Motor Accuracy-Revised Tests of Southern California Sensory Integration Tests, 4–10 yr old Japanese vs Japanese Americans, 5331
personal characteristics, job satisfaction, employees 25–50 yrs of age & older, India vs Nigeria, 23277
personal values & ideals expressed as desire to emulate others, 14–17 yr olds, Austria vs France vs Switzerland vs England vs West Germany, 11541
personality characteristics assessed with Holtzman Inkblot Technique, 11th–12th graders, Ethiopia vs Sweden, 26909

personality traits, intensity & content of most positively remembered experiences, male & female Israeli Moslem-Arabs vs Israeli Jews vs US Christians aged 14–15 yrs, 11521
place utility expectations & migration intentions, Egypt vs Kenya vs Philippines vs Thailand vs US, 29805
play behavior, male vs female 4–5 yr olds, Sri Lanka vs Great Britain, 26934
political & social attitudes related to left-right & tough-tender ideological dimensions, college students, US vs Norway, 24399
political involvement & alienation & values & voting behavior, elderly, US vs West Germany vs UK vs Japan vs France, 9031
preferences for resource allocation based on equality vs equity vs need, college students, US vs Sweden, 8963
presentation of animated geometric figures or human silhouettes in varied kinetic structures, perception of represented interpersonal emotions, college students, US vs Zaire vs Belgium, 29168
prevalence of depression vs somatic symptoms of emotional disturbance, psychiatric outpatients, Taiwan vs US, 9360
prevalence of developmental dyslexia, 5th graders, Italy vs US, implications for phonetic regularity of language, 9446
prevalence of hyperactivity, male vs female 2nd–4th graders, Italy vs New Zealand vs Spain vs US, 14887
pro- vs anti-counselor triad training models, subjective reactions & counseling competence, graduate cross cultural counseling students, 20613
probe-tone method, perception of music, Western vs Balinese listeners, 5437
problems in conducting psychoanalytic psychotherapy, Hong Kong, 15015
problems in translation of works by Freud & K. Horney into other languages, comments on article by E. R. Clemmens & author reply, 10715
problems with translation of Freud's & K. Horney's work into other languages, 10696
psychiatric care & cultural conflicts, case example of 33 yr old Iraqi male, implications for psychiatric nursing, 10101
psychiatric diagnosis across cultural boundaries, 1398
psychiatric diagnosis across cultural boundaries, comment on article by J. Westermeyer, 22115
psychoanalysis & non-Western cultures, India, 14996
psychological & sociological attitudes toward care of terminal cancer patients, Europe vs England vs North America, 12253
psychological well being & activity level, retired teachers, US vs Taiwan, implications for disengagement theory, 17241
psychotropic drug use, Czechoslovakia vs Norway vs Sweden, conference presentation, 6313
public & mental health systems, Cuba vs Puerto Rico, 7342
Q sort of attitudes representing value congruencies regarding future, Ss from 47 countries, 24561
randomized spot observations vs day-long narratives, allocation of time in household & work & childrearing, mothers & their children, Senegal vs Mexico, 17083
reading eye movement patterns, native Chinese vs English vs Chinese & English readers, 23573
reasons for admission & patient characteristics, psychiatrically committed patients, Italy vs Sweden, 12724
recognition of concept definitions, English- vs Hindi-speaking high school students, Australia vs India, 18524
reflection-impulsivity, children, Mexico, 24220
Rehearsal Demonstration Modules, intercultural communication & educational & multicultural dynamics, teachers in multicultural classrooms, 28448
religion & cultural differences, surgical procedures, North African immigrants, France, conference presentation, 7413
religion & cultural factors & language barrier, hospital medical treatment, North African immigrant workers, France, conference presentation, 7418
religious beliefs & cultural & language barriers, psychotherapeutic processes, North African immigrants, France, conference presentation, 7039
research & model for cross cultural analysis of altered states of consciousness, 23646
research on psychology of human development & classical understanding of infant behavior, West Germany vs US vs UK, 19651
retrospective analysis of parental childrearing practices, Latin American vs Cuban American vs White college students, Colombia & Venezuela vs US, 8979
role of family in shaping political & social & economic institutions, 19th century, Latin America vs US vs Europe, literature review, 24305
roles & cross cultural differences, parenting, 11629
school counseling needs, culturally diverse gifted students, 31316
self concept & sex role attitudes & perceptions of closeness of self to TV & TV exposure, male vs female adults, Japan vs Korea vs Philippines vs US vs UK, 21985
self esteem, perceptions of cultural differences between home & school environments, Native American behaviorally disordered or emotionally disturbed 11.7–14.8 yr olds in special education classes on reservation, 13111
self perception of competence, 5th graders, Taiwan vs US, 6156
self report of depression & positive affect & psychoneuroticism, Curacaonian vs Aruban vs Dutch 13–20 yr olds, Netherlands-Antilles, 24166
self reported alcohol consumption & anomie, regular & international college students, US & Australia, 24449
sex & acquaintanceship, personal space zones, college students, Egypt vs US, 6347
sex & culture, self concept, 14–17 yr olds, Nigeria vs England, 17007
sex, odor identification ability, male vs female Whites vs Blacks vs Korean Americans vs native Japanese, US vs Japan, 23522
sex or nationality, sociopolitical attitudes, male vs female high school students, Great Britain vs South Africa, 29697
sex role polarization, attitudes toward male & female homosexuality, male vs female students, Israel vs US, 9068
sexual & premarital attitudes, female & male college students, Iran vs Great Britain, 29925
smallest space analysis vs cluster analysis, grouping of countries by employee attitudes, managers, 5360
social class & social structures, career mobility, males, Austria vs France vs US, 31514
social reinforcement orientation as measure of personality tendency, Egypt vs US vs Kuwait vs Japan, 19851
sociocultural factors & achievement motivation, 7th–12th graders, Virgin Islands, 25814
sociocultural factors, fear of acceptance of gift of blood, 14–22 yr olds from multicultural background, Macao, 30834
socioeconomic factors & health conditions & educational levels, narcotic drug abuse, comparison of 152 countries, 24805
special education & employment opportunities, handicapped, East vs West Germany, 20782
state of widowhood & bereavement, Blacks vs ethnic Chinese vs Southeast Asian refugees vs Haitian- vs Italian- vs Greek- vs Spanish-speaking groups, 8977
statistical procedures used in cross cultural comparision of hierarchy & despotism & polygyny, reply to criticism by L. Mealy & R. K. Young, 2936
statistical procedures used in cross cultural comparison of sociopolitical variables & reproductive success, criticism of article by L. L. Betzig, 2951
stereotypes for color associations, 20–60 yr olds, Yunnan Province of China vs US, 21962
strange situation procedure & attachment behavior, 12 mo olds & their mothers, US vs Japan, 19727
structure of community satisfaction, Great Britain vs US, 3556
subsistence economy, sex role socialization, male vs female children from different societies, criticism of research conducted by H. Barry et al, 26992
successive presentation of same free word association tests, frequency of repeated responses, adults, US vs France, 19533
summary of results of international study on altered states of consciousness, 26371
syntactic & semantic parallelism & poetic functions of language, advertising slogans, Japan vs England & US, 5155
techniques for establishing rapport in therapeutic alliance based on understanding of cross cultural differences, therapists with Asian clients, 9755
technological development & meaning of work, workers, US vs West Germany vs Sweden vs Japan vs Israel, 2613

test of uncertainty reduction theory with acquaintances & friends & in dating relationships, college students, Japan vs Korea vs US, 6332
theoretical & therapeutic implications of viewing anorexia nervosa within context of culture-bound syndromes, 9626
theory & current practice in cross-cultural counseling & assessment, comments on articles by F. M. Smith & J. M. Casas & W. J. Lonner & J. H. Katz & F. A. Ibrahim & K. H. Inouye & P. B. Pedersen, 30919
training in foreign companies, cross-cultural awareness & international business relations, engineers & managers, 5089
transcultural adoption, intellectual development & school success & emotional adjustment, Southeast Asian children who had been adopted 4–12 yrs earlier by French speaking families, Belgium, 14328
transcultural issues in family therapy, reply to comments by M. Hodes, 25191
unanimous peer group opinion, report of line comparison judgment, college students, US vs Great Britain, 3682
validation & cross cultural comparison of Facts on Aging Quiz, assessment of factual knowledge on aging, college students, Canada, 8090
validation by factor analysis of quality of life scale, elderly, France vs England, 26218
validation of Hawaiian idiom vs US mainland forms of High School Personality Questionnaire, 12–17 yr old Americans of Hawaiian descent, Hawaii, 21752
validity of Jenkins Activity Survey, measurement of Type A behavior & presence of coronary heart disease, male 40–65 yr olds in 2 ethnic rural communities, Israel vs US, 5341
Western developmental psychology & 3rd World, 19564
willingness to sacrifice self for other person depending on relationship to other as measure of altruism, male vs female high school students, Hong Kong vs England, 19676
work strategy vs rationale information given by supervisors vs shop steward, goal setting & performance, male workers, 18740
worker effect &/vs ability &/vs work outcome &/vs family need, allocations of economic rewards to workers in hypothetical situations, male 12–13 vs 15–17 yr olds, Japan vs Australia, 24226
Yodai mnemonics & cross cultural applications, problem solving & understanding in mathematics, reply to comments by J. Kilpatrick & M. Pressley & J. R. Levin, 22949
Cross Disciplinary Research [See Interdisciplinary Research]
Crossed Eyes [See Strabismus]
Crowding
changes in physical environment & culture & overcrowding, migrant populations, implications for social ecology, 2715
coping strategies & prison crowding, reply to J. Bonta, 20539
crowding &/vs disconfirmation of expectancies &/vs extraversion &/vs neuroticism &/vs sex, letter cancellation task, female vs male college students, 21975
crowding, corticoadrenal reactivity to stress, male mice, evidence for suitability of crowding as model for chronic stress, 21397
crowding in outdoor recreation as normative concept, 26043
high vs low density & controllable vs uncontrollable outcomes, attribution of events to crowding, college students, 29957
perceived control & relation to crowding & stress & physical symptoms, male prisoners, 30999
population density & negative adaptations in prisons, comments on conclusion of V. C. Cox et al, 20536
prenatal crowding stress, attack & threat behavior, male mice, 598
reduction of school enrollment & crowding, attendance & grades & student attitudes toward teaching & class size & friendliness, junior high school students & teachers, 4917
stadium facilities & quality of play & winning team, crowd behavior & related offenses at soccer matches, 16–29 yr old spectators, Scotland, 5019
Cruelty
childhood cruelty toward animals, development of aggressive behavior, adult criminals vs noncriminals, 12064
history & current law regarding intentional infliction of mental stress, 24384
Crustacea [See Also Crabs, Crayfish]
ability to return home over large distances with aid of landmarks, desert isopod, 23720
familiarity of landmarks, ability to return home over large distances, desert isopods, 23719
organization & function of olfactory system, utility in olfaction research, crustaceans, 23842
recognition of conspecific odor, mantis shrimp, 393
removal of antenna, chemosensitivity & role in detection of food extract, cavernicolous Mysidacean, 19375
role of narrowly tuned taste cell receptors, feeding behavior response to chemical stimulation, lobsters, 21368
time invested with female & time remaining to copulate, assessment of female value, male amphipod, 8337
Crying
amitriptyline, pathologic laughing & weeping, 22–67 yr olds with multiple sclerosis, 15187
analysis of tension releasing function of crying, neonates, 16871
assessment of visual cues in inaudible infant cues, deaf vs hearing females with previous infant care experience, 14880
conjoint psychotherapy, paroxystic crying, mother & 4 mo old, 9770
crying in response to reward expectation violation, long term memory in learning task, 92–153 day old infants, 8725
discomfort vs protest vs call situational contexts, development of cry vocalizations, 4–9 mo olds, 3418
infant's birth order & sex, parent's responsiveness to crying, 22–41 yr old mothers & fathers of 10.3–11.8 mo olds, 17065
listener experience & type & typicality & length of cry, discrimination of cries of 1 vs 4 mo olds, adult females, 19084
neonatal pain cries & circumcision, acoustic features & perception of urgency neonates & adult listeners, 26851
nomifensine treatment, daily weeping spells & emotional incontinence, 68 yr old male, 9939
phonetic-acoustic & communication development research into functions & characteristics of infant cries, literature review, 3424
self monitored incidents vs original frequency estimates & depression, crying in natural settings, male vs female college students, 27189
semantic differential vs paired-comparison procedure, assessment of information received from cry sounds, mothers & their infants & children under 5 yrs, 2803
Crying Cat Syndrome
sole & palm patterns, patients with cri du chat syndrome, Denmark, 9431
Cuba
community psychology, Cuba, review of literature published 1976–82, 7364
contextual & developmental issues in psychiatric social epidemiology, Cuba, literature review, 6927
development & practice of psychology & related human services, Cuba, 7336
evolution of community medicine since revolution, Cuba, 7345
history of psychology, Cuba, 5171
morbidity & mortality issues in psychiatric social epidemiology, Cuba, literature review, 6431
personality & demographic & intellectual & sociocultural characteristics, alcoholic inpatients, Cuba, 30302
Popular Power system of local democracy, Cuba, 6254
prerevolutionary homosexuality & political manipulation & current status, personal sexual identity, Cuban gays & lesbians, Cuba & US, 14402
psychological techniques & factors in rehabilitation, chronic mental patients, Cuba, 7476
public & mental health systems, Cuba vs Puerto Rico, 7342
role of community health psychologists, Cuba, 7527
Cuban Americans [See Hispanics]
Cues
access to route- &/vs site-specific airborne cues & relationship of release site to loft & anosmia, initial orientation toward vs away from home, pigeons, 29201
acoustic signals for dangerous situations in factories, 20901
adapted cuing technique, enhancement of oral stimuli in increasing correct speech responses, 5.5 yr old with dyspraxia, 25342
age differences, free vs cued recall, comment on M. L. Macht & H. Busche's findings, 21702
assessment of visual cues in inaudible infant cues, deaf vs hearing females with previous infant care experience, 14880

attentional cues to reading rate vs meaning followed by repeated readings, fluency & comprehension in retelling of story, 3rd graders, 12978
auditory & visual repetition priming, organization of regular vs irregular morphologically related words in lexicon, college students, 21178
automatic vs controlled priming for orthographically vs phonologically vs semantically similar stimuli presented to left vs right visual field, lexical organization & access, right handed college students, 5669
availability vs vividness vs salience of verbal & nonverbal cues, perceptions of counselor expertness & attractiveness & trustworthiness, college students, 10055
awareness of subtle word association cues, success on judgment task requiring recognition of implications of target person's word associations, Ss varying in age & nationality & psychology training, 10960
basis of configured discriminations using autoshaping procedure, pigeons, 11083
bilateral vs unilateral ECT, priming effects & recovery of recognition memory & word completion ability, depressed patients, 322
blocking & overshadowing between intra- & extra-maze cues, maze learning, male rats, 19200
brief cue prior to reward, sign tracking & response rate to VI schedule, rats, 13746
caloric density cues & conditioned stimuli, regulation of food intake, 3–5 yr olds, 21653
category name cues with vs without extralist cues, recall of categorized word lists, college students, 29155
change in extra-item context from study to test, ability to think of previously studied words, college students, 29148
characteristics, assaultive male psychiatric patients who did vs did not provide visible cues of potential violence, 12114
circumstantial cues in stories, inferences of motivation of actors & prediction of future behavior, White middle class 4.9–5.7 yr olds, Great Britain, 19571
content of stimulus sentences, dispositional retrieval cue type, high vs low authoritarian college students, 30049
context & category cues, recall of episodic information from memory, 2nd vs 4th graders vs college students, 11401
cue significance & response regulation, learning of discrimination tasks, 3 vs 4 vs 5 vs 6 yr olds, 8697
cue similarity & US magnitude, appetitive differential conditioning of jaw movement response, rabbits, 367
cueing of spatial position of target letter, recognition accuracy, college students, 21121
cues derived from human &/vs machine processing of raw observations of events with vs without estimations of position activity levels, analytic threat judgment, college students, 19108
cues, reliability vs validity in utrocular identification, adults, 5413
delays after demonstrator eating, transmission of diet preferences & aversions, rats, 13728
derived vs supplied strategy utility information, strategy selection, 2nd graders, 16918
desirability of inducing use of mnemonic strategies, accuracy of recall of criterion movement, mentally retarded 12–14 yr olds, 15832
differences in accuracy & response bias & latency to controlled vs automatic semantic priming, 18–24 vs 60–77 yr olds, 21692
environmental cues recall instructions vs multiple learning contexts, context-dependent forgetting, college students, 321
environmental smoking cue, subjective smoking urge ratings & related physiological & behavioral & cognitive responses, college student smokers, 27127
expectation advantage created by diffuse status characteristic of sex, task cues of verbal latency & initial gaze length & verbal loudness, college students, 9100
experimental cuing, evaluation apprehension & disclosure of deviant & symptomatic responses obtained from bogus pipeline vs open format testing, 19–55 yr old incarcerated male sex offenders, 30292
eye convergence &/vs ocular accommodation cues, egocentric distance estimates of single point source of light, 20–61 yr olds, 16263
figure stimuli with variable irrelevant cues, discrimination learning, 8–12.5 yr olds with autism, 9306
fin direction & angle & length & shaft length of line vs dot Mueller-Lyer stimuli, magnitude estimation, field dependent vs independent college students, 233
frequent vs recent priming of ambiguous stimulus description &/vs interstimulus delay, categorization, college students, 278
goal-arm confinement as reactivation treatment, delayed alternation, male rats, 23667
houselight & tone vs dark & noise context, conditional discrimination performance, mice, 19228
inference & reactivation of antecedents by anaphor during reading, college students, 29097
internal & external memory aids, memory for past & future tasks, college students, 29134
length of stimulus onset asynchrony in semantic priming, target word recognition, college students, examination of dual process model vs C. A. Becker's verification model, 21173
low- vs high-dominant properties of noun, color-naming interference & semantic access in sentence comprehension, college students, 328
low vs medium vs high proportion effect during semantic priming, performance on lexical decision task, college students, 23595
masking of word & picture primes & naming of word targets, semantic priming, college students, 26360
memory vs nonmemory cuing content vs violation vs true-false instructions vs verbalization procedure, facilitation of P. C. Wason's 4-card selection task, college students, 26339
misprimed words in lexical decision task, classification speed & accuracy & orthographic checking process, college students, implications for criterion-bias vs search model of mispriming errors, 284
molded vs photographic shading to specify convexity vs concavity under monocular vs binocular viewing, reaching preference, 7 mo olds, test of sensitivity to depth cue of shading, 21704
nonverbal cue context & behavior at input, availability & endurance as retrieval cues in episodic memory, college students, 29156
number of cues & trials on geometric problem solving tasks, identification of relevant & redundant attributes & learning skills in concept identification, male vs female 18–26 yr olds, 8194
number of repetitions of relevant vs irrelevant & phonetically related vs irrelevant cues, problem solving, female vs male 8–12.4 yr olds, 19584
number signals, text recall & reading, college students, 29142
orienting questions as retrieval cues, encoding of cue-target word pairs & discriminability & constructability, 2nd vs 4th graders vs college students, 3411
orthographic vs semantic priming, word retrieval, college students, 5483
perceptual stability of stop consonants cued by silence, college students, 13609
pinna cue absence, acuity of sound localization, 18–35 yr olds, support for independent coding of azimuth & elevation discriminations, 16277
point vs parabola augmentation cues for system dynamics, performance on standard & novel control tasks & system problem solving, college students, ergonomic implications, 10994
postcues, detection of auditory signals of uncertain frequency, college students, 19086
precued choice vs simple RT, test of F. C. Donder's subtraction method, college students, 13507
presentation of cue from passive avoidance task following ECS-induced amnesia, recall & recovery from amnesia, rats, 21427
pretest contextual cueing, forgetting in maze performance, rats, 16347
pretrial UCS priming, acquisition & performance of eyeblink response, male rabbits, 19227
priming & long vs short term retention intervals, word fragment completion, college students, 308
priming effects & short vs long retention intervals, perception identification of vs recognition memory for words, 3050
priming of old vs new knowledge, amnesic patients, 17662
priming with taxonomic vs functional modes of categorization, recall & style of recall, preschool age children vs college students, 14185
prior passive training & novel context, interference between passive & active avoidance training in retention of active response, rats, 19204

prior social categorical knowledge & visual cues, social judgments, college students, 1142
prosodic vs syntactic vs semantic characteristics, topic management in face-to-face vs non-face-to-face conversation, listeners, 3352
retrieval cues, recall of incidentally learned words, college students, 13672
role of contextual cues in operant responding, male rats, 365
role of correlated cues in social judgment process, college students, 19823
role of set shifting cues in Wisconsin Card Sorting Test & Halstead Category Test, 22–70 yr old male neuropsychiatry patients, 22320
selective processing of threat cues, generalized anxiety, anxious outpatients, 3883
semantic & episodic priming, dissociative effects for lexical decisions & episodic recognition, college students, 19116
semantic context & intonational & coarticulatory & silent interval cues in reconstruction of missing words in speech perception, college students, 23584
semantically related primes of noncapital cities, feeling of knowing vs recall & recognition of target capital cities, college students, 13649
sentence priming, item-recognition judgments of occurrence of nouns in sentences, 18–25 vs 63–79 yr olds, implications for study of memory & aging, 11423
signaling UCS/CS pairings in backward conditioning, excitatory & inhibitory learning, male albino rats, 29191
signaling unlearned reinforcement, response suppression, male rats, 5546
source reliability & probability cues, deciding on event more likely to occur, college students, 13616
stepwise cue restriction, place behavior in radial arm maze, fornix-lesioned rats, 8512
subset of list items as cues, facilitation vs inhibition of recall of words from list, literature review, 3054
summarized historical data termed feature cue, performance in cue probability learning task, college students as judges, implications for organizational data base information, 23637
syntactic primes & subsequent lexical decisions, EPs at frontal & temporal & temporoparietal sites, right handed college students, 26520
time elapsed between events as potent cue accompanying storage & retrieval of memories, rats, 23661
trading relations among acoustic cues in phonetic discrimination task, college students, implications for phonetic classification, 269
training with attentional cues, phonemic restoration illusion, adult Ss, 16282
underlining prose passages, memory, 60–88 yr olds, 29649
use of extra-list cues, retrieval of episodic information from memory, 2nd vs 5th graders vs college students, 26805
use of indirect external memory cues for elimination of solutions in retrieval problem, preschoolers, 26873
verbal/vocal vs nonverbal cues, communication of hostile dominant vs hostile submissive vs friendly dominant vs friendly submissive interpersonal styles, male college students, 6344
violation vs true-false instructions & memory vs nonmemory cuing content, facilitation of P. C. Wason's selection task, college students, 3047
visual guidance & hemispace, lateralized verbal-manual interference in hand or finger tapping task with vocalization, right handed college students, 23814
warning cue, attentional selectivity in visual RT task, college students vs 51–81 yr olds, 3444
word vs pseudoword lists with priming, recognition & perceptual identification, alcoholic males with vs without Korsakoff's psychosis, model of amnesia, 24877

Cultism
definition of & types & techniques of religious cult indoctrination, 14289
proselytizing by fanatic groups & sects, youth, Spain, 6160
psychoanalytic interpretation of dream cures of Asclepius of Epidaurus, late 4th century B.C., Greece, 11598
psychosocial fit between structure of religious cult group & needs of narcissistic personality, therapeutic use of idealizing transference in group psychotherapy, members of Divine Light Mission, 8951
rekindling of native myths in cargo cult through prophecy by psychotic cult leader, Malaysia, 22084
social conditions & psychosocial motivation, conversion to traditional or cultlike religious groups, 11586

Cultural Assimilation
acculturation & learned helplessness & stress management models, individual differences in psychosocial adjustment, Southeast Asian refugees, US, 14283
attitude toward assimilation & social relations & politics & Israeli-Palestinian conflict, Palestinians, US, 8962
background characteristics such as education, language retention &/vs economic activity, Indians, Canada, application of simultaneous equations vs dichotomous endogenous variables model, 26976
classical assimilation & labor market segmentation theories, differentiation of labor markets & employment, Cuban vs Haitian refugees, US, 28679
conflicts regarding language & work & education & family & recreation, young adult 2nd generation Spanish immigrants, Holland, 11597
cultural & educational transition, Israeli immigrant families, US, 29796
culture assimilator vs behavior contact, acculturative learning, White male college students, 985
culture shock & assimilation, family relations, North African immigrants, France, conference presentation, 6207
degree of acculturation & cognitive style, performance on verbal & nonverbal intelligence tests, Anglo vs Mexican American 4th–5th vs 8th vs 12th graders vs college students, 14157
immigration policies & economic adaptation, kinship & family structure & ethnic identity & friendship networks, Chinese immigrants, US, comparison with findings from Peru & Philippines, 21847
linguistic & cultural & sociohistorical factors, cultural adaptation & second language learning & instruction, Southeast Asian refugees, US, 2445
linguistic assimilation & psychological adjustment, self confidence with English, Chinese college students, Canada, 29801
mass media & assimilation & pluralism, Hispanics & other ethnic groups, literature review, 29506
measured acculturation, MMPI performance, 18–62 yr old Rosebud Sioux, 14495
open systems model of cultural or group diffusion of innovation & information & learning, 24468
organization Shalshelet, assimilation in communication & language skills & roles & family practices, immigrant couples, Israel, conference presentation, 30866
participation in host society's economy, attachment to in-group & ambivalence toward host society, employed male Cuban exiles, Puerto Rico, test of theory of E. Banacich & J. Modell, 26962
psychoanalysis, discovery of self, 26 yr old female Japanese immigrant, US, 17889
social & cultural & economic & health & emotional/cognitive adjustment, 60–84 yr old Korean immigrants, 16883
social psychological & local areas' racial demography, long term effects of school desegregation on assimilation, Blacks, 11587
social technology & acculturative stress & coping with environmental change, India, 5144
sources of stress & social & psychological adjustment, Southeast Asian refugee families, US, 29781
structural assimilation & ethnic group membership & political participation, 2nd & 3rd generation Japanese American males, 959
theories of integration vs nonintegration & public opinion, foreign workers, 19705
training program for learning social customs of foreign countries, specialists being assigned to foreign countries, 15962
typology of situations of acculturation & individuation & identification processes, Maghrebian adolescents whose parents had been immigrants, France, 3492
4-stage model of intercultural adjustment, intercultural training & psychological constructs in adjustment to unfamiliar environment, 19704

Cultural Differences [See Cross Cultural Differences]
Cultural Psychiatry [See Transcultural Psychiatry]

Cultural Test Bias
Anna Thompson story & delayed memory test, recent vs delayed recall of culturally relevant material, demented vs nondemented community vs institutionalized elderly Jewish patients, 13435
case of Larry P. v Riles involving racial bias in intelligence tests & placement in programs for mildly retarded minority children, 11678
content bias of WAIS-R Information subtest, 18–40 yr olds, US vs Canada, 124
issues & problems of cross-cultural assessment in counseling using MMPI & TAT & PPVT, 28981
norms for PPVT, 6–10 yr olds, Australia, 10557
potential problems in use of Present State Examination in multicultural context, 8045
scores on Primary Self-Concept Inventory, Native American vs Anglo 4–5.9 yr olds, 10516
statistical procedure for cross cultural transportability of deductive measurement, comment on D. E. McCauley & M. Colberg's theory, 13503
theory & current practice in cross-cultural counseling & assessment, comments on articles by F. M. Smith & J. M. Casas & W. J. Lonner & J. H. Katz & F. A. Ibrahim & K. H. Inouye & P. B. Pedersen, 30919
Culture (Anthropological) [See Also Society, Subculture (Anthropological)]
advertising & fashion system & consumption rituals, movement of cultural meaning in consumer society, 26072
alcoholism as culturally stylized syndrome symbolizing & ritualizing psychocultural conflicts, US, implications for transcultural psychiatry theory, 27451
animist vs monotheist-cohesive vs individualist vs technological-individualist types of cultures, symptoms & diagnosis of depressive disorders, 1337
Arab culture, community gap & interethnic encounter, Israel, 14280
behavior settings as cultural phenomena, formerly agricultural suburban communities, West Germany, 29809
beliefs about female sexuality & power to pollute vs preserve life & relations between male vs female power, Hindu villagers, India, 21815
citizenship education & social control vs social justice & equitable economic opportunity, African Americans, 18474
concept of madness in culture of Caingua, Argentina, 24275
conflict resolution & metaphor, culturally appropriate family therapy conducted by social welfare organization & ancestry therapists, Hawaii, 17935
consciousness & order & social reality in understanding cultural-historic situations, 956
cultural & biomedical & psychological factors, etiology of anorexia nervosa, female adolescents, 30368
cultural & historical themes in idea of "good life in California" as collective myth & fantasy, 996
cultural & socioeconomic & marital & religious factors, female infanticide, India, 6196
cultural & symbolic nature of martyrdom, political articulation & mobilization in Islamic revolution, Iran, 1978–79, 17054
cultural attributes & fluidity of bisexuality, comments on present journal's previous issue, 6280
cultural background & age of child, valuation of social competence in parenting style, parents of 8–18 yr olds of European vs Japanese ancestry, Hawaii, 27008
cultural conventions for interaction, linguistic features of Quiche Mayan speech directed to children, adults & 1.8–2.8 yr olds, Guatemala, 19629
cultural significance of playground activity, male elementary school students, Canada, 2483
cultural similarity & type of relationship & self monitoring, uncertainty reduction strategies in interpersonal interaction, college students, 17205
cultural symbolism of body & psychosomatic symptom formation in bodily space-time & health, Northern Yaka, Zaire, 30381
cultural values in conceptualization of & response to pain, females & midwives & other informants, Bariba, West Africa, 994
culture & alcohol drinking attitudes & behavior & depression, passage from normal drinking to alcohol abuse, 31–76 yr olds with alcoholic dependence syndrome, Italy, 22151
culture & personality & values & resistance to modernization, findings incompatible with theory of cultural evolution & professional retreat from research, Filipinos, Philippines, literature review, 26968
decentralization of identity, revision of personal & social order in Western culture, 14286
development of Afrocentric paradigm for transpersonal psychology combining modern physics & Eastern mysticism & traditional African philosophy, 20942
ethnography & participant observation, determination of vocabulary & topics & attitudes in intragroup communication & social identity, Haida Indian & White residents of Haidaville, Alaska, 24052
evolution of human projective consciousness & emergence of tribal culture, 21811
female roles in possession-trance ritual, solidarity between sexes, female vs male participants, Indonesia, 26961
folk high schools, integration & education in humanity & citizenship, 17–22 yr old disabled residential students, Sweden & Norway & Denmark & Finland, 13084
food cravings & related symptoms during pregnancy as manifestations of personal & cultural symbols & underlying psychological problems, females, Sri Lanka, 30827
healing of transgressions & pollution of boundary transitions among sexual & social & symbolic domains, Northern Yaka, Zaire, 21810
human evolution as process of interaction among telenomies of intrasomatic genetic & extrasomatic cultural memories & individual psychological selection, 26101
human resource management of selection & orientation & training & development & career development & compensation & performance appraisal, cultural development of organization, 5074
impact of social anthropology on relationship between psychopathology & culture, 14556
influence of German-language culture on Freud's thought, 26125
interaction between research in & theories of culture & cognitive sciences, 29081
meanings associated with term "father" in utterances, persons with schizophrenia, 14669
metaphoric transformations of physiological processes as social ritual, reinforcement of cultural equilibrium & shared ideology, Tzintzuntzan villagers, Mexico, 29787
Narcissus & Oedipus in psychoanalytic theory & role of culture in morality, 16071
oral narratives, community development & positive attitudinal & behavioral responses, rural residents, Nigeria, 716
organizational development & cultural intervention, 31506
pain in initiation rites, transcendence of duality of self vs society & transformation of consciousness from child to adult, adolescents, 17050
perceptions of details of vernacular architecture & local cultural meaning, community members vs architects, conference presentation, 10663
pharmacologic & clinical properties & cultural significance of betel & kava & pituri plants, South Seas, 17179
recovery from psychosis without drugs & culture-based supernatural beliefs, Chinese 36 yr old female, Australia, 22032
reification of Mediterranean as culture area & perpetuation of negative stereotypes, social anthropologists, comments on paper by M. Herzfeld, 11589
religious imagery & symbolism, childbirth practices, 9962
self analyzed dreams of Freud as illustration of his attachment to & use of German language & use of foreign languages in development of psychoanalysis, conference presentation, 26099
semiotic approach vs Marxian hegemony theory, role of cultural objects & their industrial producers & social groups of users in creation of meanings in mass culture, 8947
simulation & games, learning about & changing cultural prejudices & discrimination, 17040
social change & culture & adaptation & co-parenthood, families, 21820
social energy & its foundation in Torah, Jewish people, 995

societal competition & intensity of interpersonal bonding & impact of TV drama, levels of aggression & psychological distress, adult males, implications for world peace, conference presentation, 14270
societal expectations, persecutory delusions & self accusation, 31 & 52 yr old depressed male & female, Maghreb & South Sahara, 1336
sociocultural & sociopolitical attitudes, youth, Poland, 17000
strengthening effects of behavior consequences as form of reinforcement, problems in Western cultural world & practices, 24282
Sufi Muslim beliefs & traditional medicine & political system, Java, 29810
supernatural power & sexuality & paradigm of women's space in religion & culture, 6192
theoretical & therapeutic implications of viewing anorexia nervosa within context of culture-bound syndromes, 9626
universal myths & superstitions determining behavior of primitive people & children as underlying manifestations of schizophrenia, 9340

Culture Change
Apollo & Furies as metaphors for modern stress between ethnic needs to revenge historic wrongs & legal & moral imperatives, Armenian immigrant engineer & Greek immigrant journalist, 29792
changes in physical environment & culture & overcrowding, migrant populations, implications for social ecology, 2715
culture change, attitudes toward & patterns of work & sex roles, Navajo females who chose to live vs were relocated off reservations, 14277
determinants & cultural change & external pressures, cultural subgroups in educational context, mainstream teachers & students, implications for teacher education, 31133
introduction of Western psychology, perceptions of etiology & symptoms & treatment of mental illness, urban vs rural 20–35 yr olds, Morocco, 30136
psychoanalytic view that culture shock & future shock are expressions of unresolved attachments & separations & losses, 11601

Culture Shock
body image & culture shock, illness & doctor-patient relationship, North African immigrants, France, conference presentation, 7332
conflict of cultural values & customs in home & school, immigrant Chinese children, US, 21794
culture change & assimilation, sexuality & gynecological treatment & contraception, North African Islamic immigrants, France, conference presentation, 7312
culture shock & assimilation, family relations, North African immigrants, France, conference presentation, 6207
culture shock & health & body language in doctor-patient communication, immigrants, France, conference presentation, 6201
culture shock & identity problems, mental disorders & resistance to treatment, 14–17 yr old North African immigrants, France, conference presentation, 6604
culture shock & legal status & disturbance of self image, Algerian immigrants, France, conference presentation, 6194
culture shock, mental health, Algerian immigrant mothers & children, France, conference presentation, 6188
difficulties of reintegration into native society, psychosomatic & emotional disorders, migrant workers returning from France, North Africa, conference presentation, 6197
language & religious & cultural barriers & SES & other factors, growth & social development, immigrant school age children, Switzerland, conference presentation, 6003
meeting of traditional & Western cultures, negative self concepts, adolescents, Nigeria, implications for counseling, 29728
problems in adjustment & cultural assimilation, children of Spanish immigrants, West Germany, 8865
psychoanalytic view that culture shock & future shock are expressions of unresolved attachments & separations & losses, 11601
stress ideation, 25–35 yr old Vietnamese refugees, US & Canada, 17338
4-stage model of intercultural adjustment, intercultural training & psychological constructs in adjustment to unfamiliar environment, 19704

Curare
acute curare paralysis, robust visceral learning, rats, experimental replication, 26650

Curiosity
presence of straw & portable objects, patterns of affiliation by decreasing quiet contact & close proximity & object-directed activities, capuchin monkeys, 23761
reactive curiosity, male vs female gifted vs nongifted 5th graders, 13030
sensation seeking & extraversion & neuroticism & psychoticism, curiosity about morbid & sexual events in media & live sports, male vs female college students, 28849

Curricular Field Experience
attitudes toward experiential education & college goals & objectives, college students & faculty, 2429
career development & experiential learning in Kalamazoo College career internship program, liberal arts students, 2346
characteristics of effective supervisor & roles & responsibilities & need for formal standardized training programs, occupational therapy student supervision, 22–56 yr old therapists & 20–49 yr old students, 25627
crisis intervention team field experience, nursing education, nursing students & police officers, 28349
evaluation of field placements in psychology, college students, 15685
exception principle, field instruction in social work education, 20639
factors impacting supervisor/supervisee relationship, psychology graduate students in part time clinical field placement setting, 31053
field experience & student teaching, professional development, teachers, 2340
field instructor & agency & school & environmental factors, field placement decision making, social work students & their placement directors, 20619
field work program in well-baby clinics, bonding & parenting skills, social work students & public health nurses & 23 & 24 yr old females & their 4 & 9 mo old sons, case reports, Israel, 30895
goals & organization & administration of psychology practicum, 15625
graduate course on current issues in counseling which required attendance at national convention of American Association for Counseling & Development, 20638
joint internship program, law & counseling students, 7551
occupational therapy academic GPA, fieldwork performance ratings, college students, 7536
preprofessional vs academic vs fieldwork experience, development of preference for specific area of clinical practice, 22–51 yr old occupational therapists, 25628
professional field experience in educational preparation & accountability, school psychologist interns & practitioners, 22891
relationship between industrial work experience vs classroom instruction, college engineering students, 3-yr longitudinal study, Nigeria, 28419
social systems model of J. W. Getzels & E. G. Guba, role conflicts & responsibilities in fieldwork experience, occupational therapy student trainees, 20601

Curriculum [See Also Affective Education, Art Education, Braille Instruction, Business Education, Career Education, Compensatory Education, Driver Education, Drug Education, Foreign Language Education, Health Education, Language Arts Education, Mathematics Education, Music Education, Phonics, Physical Education, Psychology Education, Reading Education, Science Education, Sex Education, Social Studies Education, Spelling, Vocational Education]
adequacy of graduate training in psychometric measurement, 25631
adolescent psychiatry curriculum, general psychiatry residents, 10230
age & school curriculum, sex role stereotypes & preferences for sex typed activities or games, male vs female 5 vs 7 yr olds in parochial vs progressive school, 13018
applied statistics course for bachelor's degree, employment in government & industry & business, college students, Brazil, 10369

attitudes & practices regarding hypnosis, college psychology departments, Great Britain, comments on article by B. J. Fellows, 22814
attitudes toward & coverage of energy education in curriculum & knowledge of energy issues such as nuclear power & conservation, 16–19 yr old college students & teachers, UK, 18500
basic philosophies of curriculum & teachers, intermediate level teachers, Sweden, 15725
biomedical vs biophysical medicine curriculum, skill at identification & documentation of patients' psychological data & predisposing risk factors, medical students, 10195
cognitive based curriculum for teacher education derived from D. Ausubel's assimilation theory, 4825
college vocational education curricula for high-technology needs for office work, 10328
computer literacy & computer assisted instruction, professional education in rehabilitation counseling, 20568
concerns of utility & inherent qualities & problem solving in mathematics curriculum, 1940s & 1960s, 31215
content & process & product & learning environment dimensions of framework for gifted preschool curricula, 28552
content & teaching methods & evaluation procedures & school-community relations, primary school curriculum, UK, 10382
content of crisis intervention courses offered by Southwestern Academy of Crisis Interveners, 12786
creative techniques & activities & curriculum, involvement in historical research, gifted students, 28568
creativity instruction, cognitive skills & divergent thinking, 11–12 yr old learning disabled students, 25866
current practices & attitudes & concerns regarding hypnosis teaching & research, college psychology departments, Great Britain, 22818
curriculum & contribution of psychology department at Ben Gurion University Health Sciences Center medical school, Israel, 25717
curriculum-based assessment measures & intervention strategies, exceptional preschool students, 23128
curriculum based on S. Ohlsson's enaction theory of thinking, gifted 3–10 yr olds, 28541
curriculum bias in standardized & criterion-referenced reading achievement tests, elementary education, implications for educational placement, 20823
curriculum focusing on social & emotional concerns, self esteem & expression, learning disabled students, 13058
description of Teaching Involved Parenting program, 15076
development & validity of questionnaire for nursing research methods course, college students, 20825
ecological perspective, theory of teacher behavior & teacher training curriculum, 31160
educational enrichment, school-related self efficacy expectations & interests, 4–6 yr olds, 28457
educational philosophy of S. Suzuki in Yoji Gakuen preschool program, 3–5 yr olds, Japan, 31192
educational science project on mental retardation, attitude change toward mentally retarded, 2nd graders, 18503
errors on percentage calculation tasks, 7th & 8th grade students in general education vs technical-scientific college preparation vs humanistic college preparation curriculums, West Germany, 31235
exposure to university courses on feminism, attitudes toward feminists, college students, 2-yr followup, 31178
feminist holistic paradigm & outline of studies curriculum, Asian-American female students, 4837
goal clarity & course relevancy vs other psychosocial factors, discrimination of persisters vs dropouts, students in 10th grade English & mathematics adult basic education courses, 23005
health concentrations in graduate social work schools, 18350
hypnosis teaching & research in psychology departments, Great Britain, comments on article by B. J. Fellows, 22826
implicit medical & nonmedical clinical skills curriculum in medical school, clinical faculty, implications for instructional techniques, 22856
importance of computer science in secondary school curriculum, female students, 12959
inclusion of curriculum on special populations in education programs, counselors, 28397
incorporation of educational TV into curriculum in teaching language & mathematics & topic work, children to 7 yrs old, 12943
individualized educational & training program, severely mentally retarded children, USSR, 7735
individualized vs structured curricula, academic performance & satisfaction, college students, 5–12 yr followup, 7594
introductory courses in BASIC vs use of applications software, training transfer, college students, conference presentation, 20706
language experience approach integrated with basal reader at primary level, 7597
model of "Alcohol & Drunkenness" program, science-oriented primary prevention drug education model, high school students, Israel, 28446
moral education interventions, moral judgments, meta analysis, 28452
nature & extent of ethics training in terminal master's programs in psychology, program directors, 20590
need for history & systems of counseling course in counselor education programs, 4753
need for humanities perspective in criminal justice education, 28429
need for increased emphasis on foreign language study & global understanding in public schools & universities, 12970
need for models for assessing multicultural programs in community college, 7603
New Right's authoritarian assault on public school curriculum & threat to education, US, conference presentation, 10368
numbers & types of courses offered on social/psychological aspects of dying & length of time course was given & percentage of students enrolled & background of instructor, medical schools, US, 31052
observation methods teaching module, competency-based counseling program, graduate students, 31068
Parallel Alternate Curriculum model, mainstreaming, learning disabled students, 4952
perceptions of language development & play & social training as important curriculum, teachers of severely learning disabled students, 10500
process of curriculum revision in occupational therapy undergraduate program, 15520
reasons for choice of mixed science-arts curriculum, 6th form students, UK, 25795
recommended sequence for teaching independent living skills, planned outcome of optimal generalization, severely handicapped individuals, 23087
reduced course load in medical school, performance during 1st postgraduate year of training, medical school graduates, 31121
relevance of behavioral science procedures, opinions of residency training, family practice graduates, 7509
reluctance toward hypnosis teaching & research in psychology departments, Great Britain, comments on article by B. J. Fellows, 22823
role in influencing lay public to bring about changes in school curriculum, educators, 12902
role of Careers Service groups & relationship with school system, UK, 10540
school & curricula type, attitudes toward examination & motivation & curricula & work & education expectations & cultural roles, college students, Poland, 7675
school curriculum, sociomoral development, early adolescents, 2376
school-is-work inservice training program, implementation of career education in school curriculum, instructors in large suburban school system, 18445
Semel Auditory Processing Program, remediation of problems in auditory processing in special education settings, 15842
sequential teaching, proactive & retroactive facilitation of long term retention, 7th graders, Israel, 3-yr longitudinal study, 22922
SES &/vs traditional vs experimental curricular spatial skill emphasis, assumption of another person's point of view, 6 yr old 1st graders, Italy, 31248
street law course, comprehension of Miranda rights, urban high school students, 4871

student curriculum focus, career maturity, 9th–12th graders with academic vs business vs technical vs general educational concentration, Canada, 23034
suggestions for content of graduate & undergraduate teacher education courses in discipline, school principals & professors of secondary education, 28400
survey of curricula & guidelines in oral programs, preschoolers with hearing impairments, bibliography, 2499
teaching of hypnosis in college psychology departments, Great Britain, comments on article by B. J. Fellows, 22816
training & special education curriculum, teachers, comments on articles in previous issue, 7692
transitional bilingual vs monolingual English curriculums in grades 1–3, Spanish &/vs English academic achievement, Mexican American elementary school students, 25799
utility of evaluation component, improvement in Nutrition Education & Training program, students, 12932
working with families of chronic mentally ill & curriculum suggestions for mental health training programs, trainees in mental health profession, 25619
Curriculum Development
academic & curriculum developments & role of academe in divorce mediation, academicians, 15512
application of psychology to teacher education, Czechoslovakia, 10292
community resources & computer & creative activities in curriculum enrichment program, gifted students, 15866
curriculum design in management training & development, 15996
curriculum development in school for emotionally & behaviorally disturbed, 6–16 yr olds, 15825
curriculum enrichment activities & incentives, gifted students, England, 15813
curriculum extension programs, talented & exceptionally able pupils, 15877
curriculum planning, creative thinking & problem solving, curriculum planners, 15667
development & difficulties of health & sex education, hearing impaired students, 23079
development of curriculum of visual thinking in early childhood education & Piaget's theory, 20681
development of curriculum to meet emotional & social needs, gifted students, 31270
development of individualized curricula, kindergartners, 25780
development of materials & methods for instruction in sexuality & love & maturity, 15–17 yr old learning disabled vs average students, 25864
developmental & basic skills & eliminative & environmental adaptation & "Markaling" approaches to curriculum development, severely retarded adolescents, 23084
Educational Software Tools Project, automated program for development of computer assisted instruction courseware, 10371
establishment & suspension of new psychology curriculum, 2397
focus on meaningful work & independent living skills, special education programs in secondary schools, implications for teachers, 23093
"gymkhana", psychology curriculum development & instruction, college students, Brazil, 7607
imperatives for development of ethnically & culturally relevant graduate psychology programs, 4783
institution type & academic rank & teaching goal & course level, variation & selection of psychology curriculum, college teachers, 12983
model of special education based on direct & reported measurement & on educational program evaluation system, 10475
model program of study for degree program in community-agency counseling, 31122
multicultural curriculum research & development in experimental University Laboratory School, preschoolers through 12th graders, Hawaii, 31195
need for curriculum based on activities of nonhandicapped people, mentally retarded adults, 20771
planning & implementation & modification of required clinical clerkship in family medicine, medical students, 25666
principals of educational psychology & communication skills, development of child-centered curriculum, 18492
procedure for selection of textbooks for classroom use, teachers, 12999
program for teacher involvement in curriculum development & expansion of social education, secondary school teachers, New Zealand, 28392
reading disability program development, learning disabled children, East Germany, 28565
role as curriculum leader, mastery teacher, 22904
role of teaching fantasy thinking & language of symbols vs rationality, classroom teachers & curriculum builders, 31184
roles in development & implementation of bilingual education programs, teachers & supervisors & administrators & parents, 12938
teaching methods & competency based curriculum development, teacher education, 15590
teaching model for psychology of adult development & aging, college students, 2342
theory-to-practice model & curriculum development, music education, 12982
Cursive Writing
handwriting & automatic projection of unconscious & neurophysiological processes, 6371
Cushings Syndrome
Cushing's disease presenting as atypical psychosis followed by sudden death, 37 yr old female, 12198
development of Cushing's syndrome, 63 yr old female with bipolar affective disorder, 11948
diagnostic categorization of psychiatric disturbances, patients with Cushing's syndrome, 1569
disturbed cortical secretion & depressed mood states, 16–63 yr olds with Cushing's disease tested after surgery for hypercortisolism, 22341
Cutaneous Receptive Fields
nerve conduction vs automated techniques, assessment of cutaneous sensations in peripheral toxic neuropathies, conference presentation, 24869
Cutaneous Sense [See Also Tactual Perception, Vibrotactile Thresholds]
delta-9-tetrahydrocannabinol & personality, pain threshold/tolerance & vibration perception, female college students who used cannabis, 5891
EMG cutaneous reflex response from tibialis anterior or 1st dorsal interosseous muscles, 7–15 yr olds with hemiplegia or spinal cord compression or acute vs myalgic encephalomyelitis or learning disabilities or sacroid granulomatosis, 12272
nerve conduction vs automated techniques, assessment of cutaneous sensations in peripheral toxic neuropathies, conference presentation, 24869
spatial & movement-based heuristics & encoding of pattern information haptically, reply to comments by S. Millar, 8152
strategies, haptic judgments, comments on article by S. J. Lederman et al, 8153
Cutting Scores
cutoff scores & Connors 10-item Abbreviated Teacher Rating Scale, diagnosis of attention deficit disorder with vs without hyperactivity, 2nd & 3rd grade teachers, 1-mo followup, 15946
measurement error & instrument selection & score cutoff standards, assessment of stability of discrepancy score classification decisions in defining severe underachievement, computer simulation of hypothetical cases, 31355
use of inappropriate cutoff scores, validity of Personality Inventory for Children Intellectual Screening & Adjustment scales, 4–5 yr olds, reevaluation of original study, 2891
validity of combining correction-for-guessing scoring & cutting score based on judges' perceptions of omit behavior on mathematics achievement test, college students, 5004
Cybernetics
absorbing & ergodic discretized variable structure stochastic automata, 28909
computers & creativity, 8007
cybernetic analysis of dysfunctional families, development of psychopathology vs artistic or scientific talents, 30074
cybernetic epistemology & resistance & homeostasis, family therapeutic processes, 4389
cybernetic model of parental reactions to adult child's divorce, life cycle development & children's postdivorce readjustment, 26994

cybernetic view of multiple communication in family systems therapy, 12463
cybernetic vs rheostat model of psychotropic drug effects & dysregulation of depression, reply to comments of D. F. Klein, 21594
cybernetics & psychology, 29
deranged cybernetic circuits & mechanism of psychotropic drugs, comment on dysregulation hypothesis of depression of L. J. Siever & K. L. Davis, 21536
discrete control model of operator function, design of computer-based visual displays, 28820
estimated parameter variance-covariance matrix, determination of experimental design for averaging model parameters in information integration theory, 5376
human-computer interaction, development of dialog styles through computer generations, 31539
participative vs independent support vs conventional nonexpert strategies in information retrieval expert system, selection of query terms for database searches, users, 31549
perceptions of similarity among pairs of editing commands before vs after training, college students & graduates trained in IBM Displaywriter vs UCSD-Pascal, conference presentation, 18898
performance in programing in natural language, computer programers vs nonprogramers, conference presentation, 18892
potential limitations to computer simulation of human information processing, 2822
random systems model of brain & nervous system, adaptation & habituation & associative learning, 2824
robotic recognition system using tactile sensor in feedback loop, 2816
rule-based model of human operator derived from investigation of supervisory control in competing-task environment, 28817
subject-based & computer simulation multiobjective decision making analysis methods, implications for management decision making, 26344
systems theory & cybernetics & development of interpersonal communication approach in psychotherapy, 14980

Cyclic Adenosine Monophosphate

acute vs chronic diphenylhydantoin in striatum, homovanillic acid level changes induced by apomorphine vs haloperidol & cyclic adenosine monophosphate, male rats, 16693
alpha-adrenergic receptor function in platelets & prostaglandin-stimulated cyclic adenosine monophosphate production, schizophrenic 19–65 yr olds, 30156
arginine vasopressin, cyclic adenosine monophosphate responses of cerebral cortex to noradrenaline vs forskolin vs 2-chloro-adenosine, 6 inbred mouse strains, 26715
cyclic adenosine monophosphate, alimentary & avoidance conditioning, rats, 11283
epinephrine stimulation of beta receptors in skin fibroblasts with similar growth characteristics, formation of cyclic adenosine monophosphate, patients with dementia of Alzheimer type, 6895
forskolin infusion into right lateral ventricle, norepinephrine-stimulated cyclic adenosine monophosphate & beta-adrenergic receptor sensitivity, male rats, 26749
genes & cyclic adenosine monophosphate & other enzymes, learning & memory, drosophila mutants, 480
isoproterenol & prostaglandin-stimulated lymphocytic cyclic adenosine monophosphate level, 73–87 yr olds with Alzheimer's disease vs no cognitive deficit vs healthy 21–36 yr olds, 17581
lithium ions, muscarinic receptor-mediated formation of cyclic guanosine vs adenosine monophosphate formation in neuroblastoma cells, mice, 21534
neocortical vs hippocampal lesions & repeated footshock stress, pituitary cyclic adenosine monophosphate & plasma corticosterone & prolactin level, male rats, 16477
physical restraint, reduction of cyclic adenosine monophosphate response to norepinephrine in cerebral cortex & hypothalamus, male rats, 11226
progesterone, adenylate cyclase activity & cyclic adenosine monophosphate levels on brain areas involving integration of sexual behavior, ovariectomized rats primed with estradiol benzoate, 29399
uptake of adenosine by CNS tissues, rats, literature review, 26534
vasopressin, noradrenaline-induced cyclic adenosine monophosphate accumulation in brain slices, rats, implications for animal learning & behavior, 3294

Cycloheximide

cycloheximide administered on 7th postnatal day followed by pyritinol vs piracetam on 8th–14th days, performance on learning & passive avoidance tasks & dopamine & homovanillic acid in basal ganglia, male rats, 5885
perinatal administration of cycloheximide &/vs pyritinol, exploratory & sexual behavior, male rats, 8550

Cyclothymic Personality

bromazepam, hospitalized patients with hypochondriacal endogenous depression or cyclothymic psychopathy, 9877
obsessional traits & cyclothymia, 15–21 yr old at risk offspring of parents with bipolar illness, 1318
validity of General Behavior Inventory, diagnosis of cyclothymia, 15–21 yr old offspring of bipolar patients, 26222

Cystic Fibrosis

characters of family stress induced by child's chronic illness & construct validity of long & short forms of Questionnaire on Resources & Stress, parents of 6–14.9 yr olds with cystic fibrosis vs renal disease, 30406
child-related problems & family adaptation & psychosocial adjustment, parents of male 2–5 yr olds with cystic fibrosis, 9518
self concept & health locus of control, male vs female 12–15 yr olds attending cystic fibrosis clinic, 4201
structure & social climate & adaptation & functioning, families with 1st- vs later-born child with cystic fibrosis, 17605
sweat osmolality & cystic fibrosis symptoms, children with Down's syndrome, 9468

Cytoplasm

occurrence & diagnostic significance of cytoplasmic vacuoles in blood lymphocytes, 3–65 yr old patients with Finnish type of sialic acid storage disease, 1641

Czechoslovakia

amount of prescribed psychotropic drugs, 1982, Czechoslovakia, 9946
application of psychology to teacher education, Czechoslovakia, 10292
change in educational activities, intellectual & ethical & emotional development, students, Czechoslovakia, 10276
chlorpromazine, patients with functional psychoses, Czechoslovakia vs Zambia, 7245
contributions to psychology & concern for world cooperation & peace, J. Brozek, Czechoslovakia, 18833
diagnosis & drug treatment in sanatorium, patients with psychoses & neuroses, Czechoslovakia, 7262
encoding & decoding of 2nd language information & optimal period of acquisition, bilingual 2–13 yr olds, implications for bilingual education, Czechoslovakia, 11405
family influence with vs without day nursery attendance, development of noun vocabulary, 2.5–3 yr olds, Czechoslovakia, 11429
marital & premarital counseling centers, marital & parenting education, Czechoslovakia, 30918
natural vs counternatural writing directions, writing ability & accuracy & length of written text copied from Arabic & English or Slovak texts, right vs left handed 13–15 yr olds, Israel vs Czechoslovakia, 16905
prevalence of prescription of trihexyphenidyl & levodopa & amantadine, neurological vs psychiatric patients, Czechoslovakia, 7251
psychological view of problems in philosophy & cultural & missionary practice of Constantine St. Cyril & Method, Slovakia, 19707
psychotropic drug use, Czechoslovakia vs Norway vs Sweden, conference presentation, 6313
stages of involvement in substitutional family care, psychologists, Czechoslovakia, 30865
standardization of R. H. Rosenman's structured interview for Type A behavior, Czechoslovakia, 5308
temperament, self ideal, male vs female adolescents, Czechoslovakia, 14226
use of drugs in suicide attempts, Czechoslovakia, conference presentation, 6642

validity & test-retest reliability of Jenkins Activity Survey, assessment of coronary prone behavior, 40–49 yr old males, Czechoslovakia, conference presentation, 8109
Daily Biological Rhythms (Animal) [See Animal Circadian Rhythms]
Dance
creative movement & dramatic play techniques in special education curriculum, 18609
development of anorexia nervosa-like symptoms, female 13–20 yr old ballet students, 1-yr followup, conference presentation, 24998
dietary practices & nutrition beliefs & prevalence of anorexia nervosa characteristics, 12–21 yr old female ballet dancers, implications for health education, 14206
Dance Therapy
creative movement, physiological & psychological & social & creative functioning, aged, 4269
creative movement therapy, physical & emotional implications & curriculum, learning disabled children, 17751
dance therapy & therapeutic processes, female clients & therapists, 12334
history of dance therapy, 30508
movement therapy, body image & sensorimotor development & human interaction & ego psychology, geriatric patients, 4697
nonclassical dance as self expression & nonverbal communication with psychiatrists, psychotic patients, 6969
role of expressive arts in physical & psychological therapy, handicapped children, 17713
theoretical background of dance movement therapy & use as educational treatment, emotionally disturbed children, 14968
Dark Adaptation
ACTH analog & desglycinerarginine-vasopressin, light & dark adaptation, human Ss, 8565
characteristics & measurement of & factors effecting night visual performance, Air Force flight surgeons, 23576
dosages of alcohol, visual accommodation to nonmoving targets & dark focus, 21–22 yr old males, 21561
environmental factors & adaptation to cave's permanent darkness, aggressive behavior, subterranean Mexican fish, 23698
light vs dark field adaptation, temporal threshold for perception of grey/white spots at intersection of Hermann grid, implications for retinal adaptation & role of ganglion cells, 16270
modulation sensitivity function of blue mechanism on dark & uniform yellow backgrounds, adult Ss, 29054
thresholds during early dark adaptation, 7 & 13 wk olds vs adults, 6046
visibility while driving at night, motor vehicle & pedestrian involved traffic accidents, 28660
Darwinism
assimilation of Darwinism in developmental psychology & J. Piaget's interpretation of evolutionary theory, 16878
Freud's comparison of psychoanalysis to Darwinian evolutionary theory & Copernican revolution, conference presentation, 4340
gradualism vs natural selection & adaptation in C. Darwin's theory of evolution & its relevance for psychology & development, 16059
potential value & impact of C. Darwin's evolutionary theory on developmental psychology, 16870
Data Collection
accuracy of empirical data collection, undergraduate psychology students, 2417
adaptation of portable cassette tape player for interval time-sample recording, 8010
applications for individual vs aggregate & cross-section vs time-series data in economic psychology, 2599
assessment of National Morbidity Surveys on epidemiology of psychiatric disorders as diagnosed by general practitioners, UK, 17333
background & operation & findings of Central Registry of Drug Abuse, Hong Kong, 12118
biases & strengths of parent report vs laboratory vs home observation, assessment of temperament, 3–13.5 mo olds, 95
categorization methodology consisting of F sort & latent partition analysis, measurement of views of classroom teaching using descriptive verbs, elementary & secondary teachers & teacher trainees, 28623
collection of court-admissible evidence in social work practice, 2 & 15 yr old males, 2041
computer networks in data gathering & analysis, conference presentation, 18901
computer system to store & process & retrieve clinical psychopharmacological data collected with standardized rating devices, National Institute of Mental Health & University of Pisa, Italy, 20956
computerized 4-program data-analysis system utilizing optical scanning device, 26164
correlational design, assessment of response rate difference between face-to-face interviews & mailed questionnaires, implications for social change surveys, 13340
cost-effective method for distribution of questionnaires, return rate of questionnaires, females, 2806
data collection methodology, purchase expectations & prediction of demand for durable goods, consumers, 2734
data collection methods, reproductive & nesting & fledging behavior, cliff swallows, 417
design of microcomputerized Kline Institute Behavioral Observation System, socially living primates, 432
development & implementation & evaluation & evolution of computerized management information system in family service agency, 25393
development of Child Language Data Exchange System & coding conventions & computer programs, child language acquisition research, 81
electronic mail vs oral interview & written questionnaires as data collection methods for organizational research, nature of responses & response rate, business personnel, 16097
errors in collection & analysis storage of data for Job Discription Index, 28914
family history vs study data collection methods, estimation of familial rates of affective disorder, major depressive & manic & schizoaffective patients, 27260
household survey vs anthropological informant's technique, assessment of alcohol intake patterns & attitudes toward drinking, community residents, Mexico, 13357
introspection as method of data collection not theory construction, 2839
limitations of adaptation & consistency data attained from word passage practice, 19–26 yr old male stutterers, 20106
machine handling of event history data, 89
mapping of social & behavioral characteristics, preparation for mainstreaming, junior high school & hearing impaired students & their teachers & parents, 31287
Maxwellian optics laboratory automation using personal computer for experimental control for psychophysical instrumentation & data gathering, conference presentation, 18885
measurement & recording & sampling & data collection methods, assessment of circadian rhythms during sustained performance, 13354
methodological issues in data collection for instrument development in nursing, 26236
methodological problems of structuralist approach, sociobiographical research, Germany, 2805
methods & software, calculation of interobserver agreement in continuous observation data collection, 20971
microcomputer system for collection of response times simultaneously with written protocols, 28913
observation vs interview vs paper-and-pencil methods, data collection in fathering research, 20953
overall & within group question position, item omission rate on mail survey, association members, implications for sampling & multivariate analysis, 5227
principles of data storage & retrieval, qualitative evaluations & educational research, field investigators, 16088
problems in data gathering methods & guidelines for future biomedical research, 26–52 yr old male explorers, Antarctica, 18896
problems in evaluation of activity & life consequences, 23–69 yr olds with multiple sclerosis, 20191
problems in neuropsychological data transfer between computers, conference presentation, 18902
problems in pooling multiple observations in 1 data set in ethology research, 10746

randomized spot observations vs day-long narratives, allocation of time in household & work & childrearing, mothers & their children, Senegal vs Mexico, 17083
record keeping & outcomes & costs of paraprofessional parent aide program, prevention of child abuse or neglect, 28 yr old single mother, 15292
reliability & utility of surveys in supplementing data for congressional review of drug abuse & control, drug abuse managers & law enforcement & prosecutorial officials, 29882
retrospective vs prospective data collection methods of longitudinal course of recurrent affective illness, 19–69 yr old treatment resistant manic depressive patients, 19980
self report diaries vs traffic analyzer system recorded data of telephone communications, college students, implications for analysis of organizational communication & behavior, 20966
self report vs E observation of participant interactions, college employees & fraternity brothers & regular users of community doughnut shop, 21911
stamped & reply-permit envelopes, mail survey response rate, social workers, 7994
state-level data, blind & visually handicapped school children, implications for improved data collection & special education, 24960
strategies for examination & categorization of drug & alcohol & crime events, 12055
type & amount of secondary feedback, speed & accuracy in automatic speech recognition data entry, college students, 10656
type of elicitation task, collection of representative language & syntactic samples, 6 yr olds with syntax problems, 6705
use of raffle for monetary prizes, response rate to mailed questionnaire about respiratory symptoms, 10749
use of retrospective baseline in single-case experimental design, 10742
veracity of C. Castaneda's writings on shamanistic experience, reply to comments by R. DeMille & J. Paper & H. Sebald, 8950
visibility bias, time-budget estimates of niche breadth & overlap, birds, 19245
Data Processing
automated data processing systems for record keeping in psychiatry, 5248
categorization of numeric data, computer programs that learn by generalization, 20968
computer menu hierarchy levels & database size & distance between items in data structure, performance effectiveness in supervisory task, male college students enrolled in ROTC, 20903
computer programs, summary of behavioral data, animals, 435
computer software for informal assessment of learning disabilities in mathematics & science & reading comprehension & word processing & cognitive processes, 28610
data analysis & processing methodologies in psychiatry, 5249
data transformation program, homoscedasticity & within-group normality for ANOVA, 26162
different data models to present external view of database, performance & confidence in writing database queries, business graduate students, 10753
FORTRAN program for conversion of sort data into similarity matrices, 26169
question-answer vs form-based vs command vs extended command dialog types, data entry speed & interaction mode preference, research institute employees, Sweden, 7886
standardization of Battery of Attitudes for Programmers, factorial test of abilities related to success in computer programing & systems analysis, 18–35 yr olds with different levels of exposure to data processing, Italy, 13464
taxonomy of user-oriented data functions & command names, college students, 31536
Dating (Social) [See Social Dating]
Daughters
adolescent depressive mood & parent mood & 1 parent's role as buffer for 2nd parent's mood state, 30–56 yr old parents & their 10.4–14.4 yr old daughters, 24295
affection & intimacy & mutual influence & democratic treatments in relationship with mother, relationship with closest girlfriend, female high school students, 3504
autobiographical account of childhood father-daughter incestuous relationship, social & psychological development, adult female, 20007
biography of grandmother & mother, Black granddaughter, 14292
caring for elderly widowed, daily lives, sons vs daughters, 1000
categorization of social behavior descriptions attributed to sons vs daughters, parents of 6–11 yr olds, 29816
concept analysis study of mother-daughter identification process, 1001
disturbances in early mother child relationship & illegitimate pregnancies & abortion, adolescents & 32–49 yr old female patients, 19669
expectations & aspirations for their 1–45 yr old sons vs daughters, White fathers, 17071
experiences & emotional responses during adolescence & adulthood, Black daughter of alcoholic mother, 14744
factors in perceived attractiveness of father, late adolescent daughters, 3595
family size & rural vs nonrural environment, attitudes about value of children, 35–65 yr old mothers & their college age daughters, 17085
father's influence on daughter's marihuana use, female college students and their fathers, 11708
feminism, perception of strength of relationship between mothers & adolescent daughters, 18–19 yr old female college students, 24311
feminist approach in family therapy, mother-daughter relations, mother & her 30 yr old daughter, 30664
feminist perspective on role of mothers in incest, fathers & daughters, 9414
flexibility & interdependence in mother-daughter relationship, 21825
incestuous relationships & need to recognize & treat, father & daughters & son, 17444
MMPI measures of psychological disturbance, 15–20 vs 31–41 yr old victims of father-daughter incest, 20058
mother-daughter relationship & Black female adolescence in P. Marshall's novel "Brown Girl, Brownstones", 14112
mother-daughter relationship, reaction to success, daughters, 1013
mother-daughter relationships in fiction by Black female writers, 14113
mothers' pregnancies & births & daughter's medical illness & eating & weight during childhood & adolescence, 41–68 yr old parents of 18–38 yr old bulimic females, 22308
parent-child factors, gender role socialization, 4–12 yr old tomboys vs non-tomboys & their parents, 24241
parent-child relations & role modeling & identification & internalization of appraisals, female adolescent's identity formation, families with college-age daughter, 878
parent-child transmission rates, personal vs political attitude expression, mothers vs fathers & their 16–20 yr old daughters vs sons from 8 countries, 14321
perception of mother's experiences as domestic, Black daughter, 14296
presence of spouse vs dyadic situation with son vs daughter, quality of parent-child relations, parents & their early adolescents, 24298
psychoanalytic view of role of mother-daughter relationship in daughter's psychosexual development, 8811
relationship with mother as adolescent growing up in South, excerpt from author's autobiography "Black is a Woman's Color", 14306
relationship with sons vs daughters, 29–78 yr old mothers with breast cancer, 4161
role of primary caregiver to older frail parent, 26–69 yr old sons vs daughters, 29833
roles & relationships with daughters, traditional vs teenage vs lesbian Black mothers, 14309
sex role attitudes, demand for independent accomplishments made on sons vs daughters aged 7–12 yrs, mothers, India, 29855
traditional vs nontraditional sex role attitudes, communication with sons vs daughters, 28–39 yr old mothers & their 30–42 mo old infants, 1025
transactional analysis of father-daughter relations, female incest victims, 14976
violent family environment & incest & attempted suicide, 13–19 yr old female incest victims, 17477

workshop to facilitate communication with daughters about menstruation, Black mothers, 15075
Day Care (Child) [See Child Day Care]
Day Care (Treatment) [See Partial Hospitalization]
Day Care Centers
center goals & assessment of attainment, child day care directors, 20482
characteristics of facility & residents, participation in day programs & leisure activities, 21–98 yr old mentally retarded nursing home residents, 30927
characteristics of family day care homes, legislative policy implications, 29814
clinical rotation in day care centers, pediatric education in normal growth & development, health care students, 28278
community adult day centers & health care services, geriatric patients, literature review, 2036
community day care center for long term & short term mental health services, psychosocial rehabilitation, mentally ill, England, 28195
community mental health day care program, social independent living skills, at-risk & physically impaired & depressed aged & Alzheimer's patients, 4619
day care centers as source of child abuse, Nigeria, 30886
day care intervention program vs newly formed peer groups, peer interaction, 14–61 mo olds who were physically abused vs normal vs neglected vs referred to child guidance clinic, 25413
development of volunteer community day care center, young adults with chronic mental illnesses, UK, 15286
environmental quality of day care centers, social interaction with peers & teachers & solitary play & time on task & noninteraction, male vs female 4 yr olds, 23025
high risk factors for institutionalization, 50–99 yr old community day care clients, 18281
history & program planning development at St. Marys Day Health Center, 18272
informality of relationships & program services in senior center, social workers & their aged clients, 7375
inservice training needs & implementation strategies, staff of urban community day care centers, 31147
masked psychological illness, elderly community daycare center patients, Australia, 19927
noise, psychomotor & memory & visual recall & cognitive task performance, Black 5 yr olds attending day care centers near elevated subway trains, 19604
program goals & training procedures for volunteers & services of senior citizen day care center, frail elderly, 4615
purposes & activities of day-care program, institutionalized Alzheimer's patients, 4698
quality of regular vs special day care centers vs family day homes, development of social behavior & competence, maltreated preschoolers, 24750
social motivation, participation in hobby & learning programs at senior citizen centers, aged, West Germany, 7361
systems/community approach & adaptation & mutual interaction model, assessment of need for day care facilities, aged, 10009
Day Hospital [See Partial Hospitalization]
Daydreaming
dysphoric daydreaming patterns, insomnia & nightmares, male vs female college students, 12282
problem solving & daydreaming & dreaming & brainstorming as vehicles for world reconstruction, 26287
Deaf
acquired deafness & use of sign language, social networks, deaf & hard of hearing adults, 12750
admission policy of Royal Schools for Deaf at Manchester, England, 23045
age & sex & degree of hearing loss & reading ability characteristics, frequency of referral for disciplinary action, deaf high school students in residential schools who engage in classroom disruptive behavior, 13034
airflow & volume & durational characteristics of speech, profoundly hearing impaired 17–19 yr olds, 6797
analogical reasoning skills, hearing vs deaf 14–19 yr olds, 9617
assessment of visual cues in inaudible infant cues, deaf vs hearing females with previous infant care experience, 14880
audiological & speech/language & psychological characteristics, identical deaf male triplets followed from age 2.5–5.5 yrs, 4105
audiological selection for & evaluation of cochlear implants, deaf patients, conference presentation, 4573
auditory brain stem on- & off-responses evoked by tone & noise bursts, cats with vs without unilateral hereditary deafness, 11158
auditory cortex structural changes, mutant deaf vs normal hearing mice & 12–23 yr olds with moderate to severe hearing loss, conference presentation, 3262
auditory-oral vs total communication method, use of idiomatic language & direct requests, teachers of prelingually deaf vs hearing 2.3–9.3 yr olds, 4955
auditory perception & discrimination of naturally spoken vs loudness-matched vowels, postlingually deaf 19–79 yr olds with cochlear implants, 27536
auditory potentials, pre- & postlingually profoundly deaf 12–60 yr olds, 17655
behavioral program with contingent electric shock, severe aggressive behavior, 20 yr old institutionalized dually diagnosed deaf male, 18002
body awareness & respiration & articulation, deaf children & 5.5 yr old male in speech therapy, 28019
career aspirations & confidence & work & job knowledge, 2nd vs 8th grade prelingually deaf residential school students, 7695
cerebral lateralization for speech, severely to profoundly deaf 5–6 & 13–14 yr olds, 12240
class integration, mathematics achievement, hearing impaired high school students, 4948
cochlear implantation of CHORIMAC-12, sound signal processing, deaf patients, conference presentation, 2810
cognitive complexity & summoning power of conversational initiations & appropriateness of responses, mothers & their deaf vs hearing preschool age children, 14885
cognitive style, reading comprehension test performance, profoundly hearing impaired students, 9520
community subsidized work program, 17–19 yr olds deaf-blind due to rubella, 7453
comprehension of English through Seeing Essential English & Sign English, deaf 5.4–8.8 yr olds, 25860
comprehension of indefinite pronouns & quantifiers in pragmatic contexts in comic strips, profoundly hearing impaired 7–23 yr olds, 22345
computer transcription aid, deaf, 7988
computerized adaptive testing procedure using microcomputer, measurement of mathematical skills, entry-level deaf college students, 25908
computerized psychophysical measurement of CHORIMAC-12, deaf patients, conference presentation, 4559
concurrent validity of adaptation of WISC-R for deaf children & Hiskey-Nebraska Test of Learning Aptitude, prelingually deaf 6.8–16.3 yr olds, 18973
construct & concurrent validity of nonverbal scale of Kaufman Assessment Battery for Children & its presentation using pantomime or gestures vs American sign language, severely hearing impaired 7–12 yr olds, 13457
context, comprehension of difficult sentences, 4th–8th grade severely to profoundly deaf students, 20780
conversational & personal & instrumental uses of literacy, deaf adults who sign vs hearing vs deaf 3–21 yr olds & their hearing vs deaf parents vs schoolteachers, 20205
correspondence of messages conveyed by simultaneous speech & sign communication, deaf female 19 yr olds & 27 & 33 yr old teachers with varying experience in English &/or sign language, 6823
court decisions on mainstreaming & suggestions for residential schools & day programs, deaf children, 2505
criminality & incompetence & insanity, pre- vs postlingually deaf defendants in maximum security psychiatric facility, 1228
cued speech training, lipreading & generalization of skills to articulation responses, 23 & 26 yr old males with congenital bilateral sensorineural hearing loss, 22606
cultural & linguistic aspects & relationship to education, deaf students, 25870
deaf education literature in 17th century, Great Britain, 9551
deafness-related training programs, deaf graduate students, 7696

deafness with retinitis pigmentosa in Usher's syndrome & genetic variation, implications for treatment, 24593
demographic & clinical characteristics, 4–72 yr old deaf patients referred to department of psychiatry, 4118
development & sign-based perceptual abilities, deaf 5–9.9 yr olds, 20164
development of linguistic & cognitive flexibility evidenced by nonliteral language use, deaf vs hearing 7.9–14.7 yr olds, 27618
development of social & communicative rules & competent use of sign language & exploration of environment, prelingually deaf 1–3 yr olds, 1579
diagnostic school readiness test battery, hearing impaired & deaf 5–9 yr olds, East Germany, 18630
discourse skills development in sign language, profoundly deaf 3.8–11.4 yr olds with deaf vs hearing parents, 6848
discovery of physical laws & organization of data, solution of logical problems, deaf 16–18 yr olds vs hearing 13–14 yr olds, implications for special education curriculum needs, 7703
educational & noneducational influences, attainment & characteristics, deaf, 20135
effect of prelingual deafness on development & personality & communication & cognition & socialization, diagnostic evaluation, deaf patients, 27628
effectiveness of CHORIMAC-12 multichannel cochlear implant, 10–71 yr old pre- vs postlingually deaf patients, 7-yr longitudinal study, conference presentation, 4565
effectiveness of Nucleus Limited multichannel cochlear implant, 22–67 yr old profoundly deaf patients, conference presentation, 4562
electrical impedances for sine wave excitation at frequencies from 100–3000 Hz from implanted 12-electrode device in cochlea, male totally deaf in left ear & severely deaf in right ear, conference presentation, 2815
ethnicity & gender & age, peer preferences, Black vs White vs Hispanic deaf vs hearing 3–5 yr olds, 22291
evaluation of cochlear implants, prelingual vs postlingual deaf patients, 5-yr longitudinal study, conference presentation, 4550
extracochlear round window electrodes, pitch & speech discrimination, pre- vs postlingually deaf 27 & 33 vs 22 & 43 yr olds, conference presentation, 4561
factor analysis of intellectual structure, deaf 6–15 yr olds, 9638
family & psychological & demographic variables, reading & math achievement, deaf 8–15 yr olds in residential state school, 15852
formant vocoder device, speech perception, deaf patients, conference presentation, 4557
French sign language, communication & identity development, psychotic deaf children, 4681
functional classification system using activity skills, deaf & blind less than 1 to 21 yr olds, 20142
graphical & animated microcomputer instruction, reading & writing & communication skills, deaf 3.2–8.5 yr olds, 23090
hearing loss, professional underwater divers, Australia, 17582
heart rate conditioning as assessment technique, hearing threshold with vestibular apparatus, normal vs fenestrated deaf pigeons, 19414
House-3M single-channel vs Vienna single-channel vs Nucleus Limited multichannel cochlear implant, speech discrimination & lipreading, deaf patients, conference presentation, 4576
impulsivity & hyperactivity & rigidity & suspiciousness, deaf rubella adolescents with & without multihandicaps, longitudinal study, 1534
interactive communication behaviors, hearing impaired vs hearing 2–6 yr olds, 7734
interdisciplinary course in American literature, higher-achieving deaf juniors & seniors, 10498
interlist equivalencies for numeral & vowel/consonant multiple choice monosyllabic test, severely & profoundly deaf young adults, 13473
letters vs digits vs geometric shapes as stimulus symbols, steadiness & flexibility of attention, deaf vs hearing 1st–12th graders, 6779
linguistic information presented in American Sign Language vs fingerspelled vs printed English, serial recall, deaf signers vs hearing college students, 22283
lipreading with vs without single-channel cochlear implant, perception & tracking of connected speech, deaf 18–72 yr olds, 12266
major influences on quality of life, 54–96 yr old prevocationally deaf vs later onset hearing impaired females, 14868
Matson Evaluation of Social Skills with Youngsters, assessment by teachers of social behaviors, deaf 8–14 yr olds, 12237
minimum certification requirements for teachers of hearing impaired, survey of state departments of education, 2311
minimum competency testing, deaf students, 2581
model of psychological diagnosis & therapy, deaf children, 4369
musical hallucinations during nonpsychotic depressive state, female 67 yr old with acquired deafness & normal 55 yr old, 24608
need for integration of therapy & deafness, family therapists treating family with deaf member, 25182
need for visual & conceptual delivery of information according to students' level, mainstreamed profoundly hearing impaired students, 4968
nominal group technique, assessment of career education objectives & methods, deaf students, 7694
optimum conditions for producing captioned TV, deaf 4th–6th graders & high school students, 17643
outpatient clinic program for linguistic skills, deaf & hearing children with personality disorders, 28094
parafoveal attention, congenitally deaf vs hearing college students, 17645
paranoid schizophrenia, 29 yr old female with congenital deafness & retinitis pigmentosa, 6752
patient selection for 2 types of cochlear prostheses, patients with same type of deafness, conference presentation, 4555
perceptions of internal body parts, deaf 8–10 yr olds in school for deaf, 14833
personal experiences in home & work & community, profoundly deaf & blind male, 17621
personality & demographic characteristics, communication effectiveness, teacher trainees preparing for independent living work with deaf adults, 7578
personality disturbances, institutionalized deaf 12–28 yr olds, India, 4176
perspectives brought to mainstreaming process, deaf children & parents of handicapped vs nonhandicapped & special vs general education teachers & administrators, implications for preparation of teacher training programs, 23073
pictorial stimuli & social cognition measures, tolerance for ambiguity, deaf 1st–4th graders, 20121
pictures, recognition of emotional states, deaf 4th & 7th & 10th graders, 4186
placement guidelines for employment of vocational rehabilitation counselors, hearing-impaired job candidates, 2616
previous contacts & intimacy with deaf, perception of deaf, nondeaf Ss aged 20 yrs & over, Nigeria, 30472
previous experience with speech processing system, efficacy of cochlear implant processing schemes, 52 yr old female with profound hearing impairment, 27680
production & perception of aspirated vs prevoiced stop consonants, moderately deaf French speaking 12–20 yr olds, 9616
professional responsibilities toward education of deaf & hearing impaired, psychologists, Britain, 10484
prognostic evaluation of multichannel cochlear implant, deaf patients, conference presentation, 4560
psychoanalytic theory & social & educational integration, deaf children, 4961
psychological characteristics & adjustment, blind & deaf & orthopedically handicapped children & adolescents, 12168
rate of basic concept development, deaf vs hearing children, 14803
recasting in American Sign Language or Pidgin Sign English by mother vs teacher, acquisition of syntactic-semantic structures in sign language, deaf 9–76 mo olds, 22317
rehabilitation process, deaf-blind clients, 10136
relationship between visual feedback & lip-positioning skills, 5–14 yr olds with normal hearing vs severe to profound hearing impairment, 27551
reliability of revised form of Tennessee Self-Concept Scale, deaf & hard of hearing 12–21 yr olds, 18950
reliability of signed version of Parent As A Teacher Inventory, measure of childrearing expectations, deaf parents of normally hearing 2–7 yr olds, 23481
resource guide of tactile aids used for deaf & hearing impaired individuals, teachers & clinicians, bibliography, 2156

role of head & torso & face & eyegaze, sign language communication, deaf signers, 24864
round window electrical stimulation, assessment of functional cochlear nerve endings, deaf patients, conference presentation, 4170
Royal School for Deaf at Derby, England, 23046
Royal School for Deaf Children at Margate, England, 23043
Royal West of England Residential School for Deaf at Exeter, England, 23044
scores on Raven Standard Progressive Matrices, high vs low ability students in 1st–5th grades vs 8 yr olds in school for deaf/mute, Peoples Republic of China, 18620
selection for cochlear implants, 38–74 yr old prelingually & recently deaf patients, conference presentation, 4558
sign language, interpersonal interaction, deaf children, 27531
sign language rehearsal strategy & generalization to uninstructured trials, memory, nonverbal severely mentally retarded vs deaf 5.4–14.7 yr olds with low normal to normal IQs, 27913
signal processing by House-3M cochlear implant, consonant perception, 20–58 yr old profoundly deaf single channel implant patients, conference presentation, 2812
social & psychological family environment dimensions, deaf 10–12 yr old students with high vs low performance in reading comprehension & mathematics concepts & computation, 15818
speech &/vs signs vs cues expressive modes, speech intelligibility, profoundly deaf college students, 27490
speech intelligibility & distinctive feature usage, deaf 8–15 yr olds, 14874
speech pauses, intelligibility of sentences, 12–14 yr old deaf speakers, 27612
speech reading course, feelings of isolation & insecurity, 35–75 yr olds deafened later in life, 12755
speech reception thresholds & auditory discrimination functions for different frequency regions, 12–20 yr olds with severe hearing impairment & deafness, 24931
spoken Spanish & English & conceptual sign language as trilingual education, deaf Hispanic children, implications for parents & teachers, 20766
stress-related psychogenic hearing loss, 43 yr old male air traffic control officer, 17626
structure & acquisition & British Sign Language as 1st language, deaf people, Great Britain, 4119
support for bilingual-bicultural education, deaf children, 2489
therapeutic issues, parent-child relations & communication, hearing children of deaf parents, 9773
Total Communication program, achievement & communication skills & speech development, deaf students, 10-yr longitudinal study, 4936
unique features which emerge in analysis, 40 yr old son of deaf mute parents, 15030
utility of psychodrama in group psychotherapy & social skills training, deaf patients, 25203
validity of Matson Evaluation of Social Skills with Youngsters, social-emotional problems & self concept, mildly mentally retarded & learning disabled & visually impaired deaf 8–19 yr olds, 21006
visual-perceptual-spatial deficits, learning of sign language, deaf children, 20781
vocabulary development, prediction of later academic & linguistic achievement, 4 yr old deaf children of deaf vs hearing parents, 4145
voluntary organizations for deaf, England, implications for usefulness to psychologists, 22668
WISC-R vs WAIS Performance scale scores, deaf adolescents, 22229
writings on deaf education in 17th century, Great Britain, 2517

Death and Dying [See Also Euthanasia]

attitudes toward health care social worker's role in facilitation of grief, college students who recently suffered loss of relative or friend, 7396
birthdays & holidays & weather phenomena, children's psychological & physical & behavioral anniversary reactions to death of family member, 4–17 yr olds & parents or guardians, 3501
Book of the Dead & perspective on near death experiences & life after death, Buddhists, Tibet, 28851
cause of death & age of victim & blood alcohol level at time of death, deaths investigated by medical examiner's office, 1973–83, 20008
child mortality, subsequent fertility & reproductive behavior, couples in Massachusetts, 19th century, test of child replacement hypothesis, 29850
childhood parental death, mental illness, psychiatric inpatients, conference presentation, 17404
Christmas season death rates, 1948–76, 27237
chronic alcohol abuse as hidden contributor to death, deceased residents, 1978, 20067
client characteristics, early demise in nursing homes, residents who died within 1 yr vs 4 yrs & more after admission, 10096
cognitive development & death concept, 6–12 yr olds, 26834
content analysis of children's books containing death themes, 24064
contribution of left & right hemispheres in understanding death, comments on reply by A. P. Fertziger, 11153
contribution of left & right hemispheres to experiencing of reality & understanding death, reply to comments by T. Hines, 11149
coping strategies for dealing with stress induced by pregnancy following recent stillbirth, parents, 27648
court decisions granting sovereign & supervisor's & municipal immunity from liability for death of subordinates by suicide or other means, 24345
crisis situation flow sheet of procedure in event of student's death, student services personnel, 18639
cross cultural life review technique in school counseling, expression of love to dying father, male Japanese American graduate student, implications for counselor training, 23143
death & loss as normative to human experience vs adaptation to major loss vs lived experience of loss vs loss as intiator of creative personal expression, implications for life change & autonomy, 27169
death experience, political attitudes & knowledge & participation & internal locus of control & postmaterial values, college students, 6412
death of adult child, mortality & psychological disorders, parents, literature review, 3788
death of father in war, bereavement behavior, 1–10 yr old normal kibbutz children, Israel, 11512
death rehearsal in hypnotherapy, grief & anxiety, terminally ill patients & their families, 9958
death vs divorce, rates of marital dissolution, Canada vs US, 14322
decision against active treatment, emotional adjustment & marital relations & physical & mental health & decisions regarding future pregnancies, parents of deceased baby with spina bifida, 2–7 yr followup, 12190
decision in court cases on right to die with dignity, terminally ill patients, 24335
defensive style & medical specialty & exposure to death, death anxiety, 26–71 yr old internists vs psychiatry vs surgeons, 28318
demographic & accident characteristics & facility rates, Western Europe vs US, 1970–80, 13165
demographic characteristics & correlates, infant & child mortality, ever-married 15–19 yr old mothers, Jordan & Egypt & Tunisia & Yemen Arab Republic, 27496
demographic characteristics & parental death in childhood, predisposition to depressive disorders in adulthood, 1387
demographic variables, risk of mortality, twins born 1886–1925, Sweden, longitudinal study, conference presentation, 3135
depression & anxiety & somatization & obsession-compulsion & interpersonal sensitivity & physical health, 19–64 yr old parents whose children died from accident vs chronic disease, 6449
discussion of death instinct in theories of Freud & M. Klein, 33
early childhood sibling loss, psychosexual development & separation anxiety & survivor guilt & self esteem & pregnancy issues, female analysands, 30571
econometric critiques & replications of M. H. Brenner's "Lancet" model & studies of unemployment & mortality, literature review, 29780
effects of denying death to terminally ill hospital patients, doctors & patients, 2087
emotional impact of death & moral obligations & psychology of survivorship, medical professionals, 28276
factors in reactions and recovery patterns exhibited & role allocation, families in which a parent has died, 24321

fascination with death as seen in smoking, modern capitalistic society, 1109
formation & structure of discussion group, high school students with death in family, 23119
gender & age & life stress & perception of social support & relationship with deceased, prediction of postdisaster depression & somatization risks, bereaved family members & friends of deceased disaster victims, 6733
grief over death in friendship of E. Gibbon & Lord Sheffield, 18th century, 21991
grief reactions & intervention strategies following accidental death of child, parents, 14954
humor & death, literature review, 27216
hypoglycemic coma & sudden death, 18 yr old female & 27 yr old male with anorexia nervosa, 20228
ideology & issues in provision of health care, seriously ill & dying adults & children & their families, conference presentation, 28046
incidence & social aspects of dowry deaths, brides, India, 6195
intense psychogenic stress, pathomorphological changes, postmortem data from deceased zoo-kept animals, conference presentation, 11049
interview assessment of grief process & support system & intrusion & avoidance, adult children seeking therapy after parent's death, 4309
introduction to death & dying & issue of survivorship, 11861
Jungian perspectives on human annihilation & threat of nuclear holocaust, 8929
legal & religious & moral & psychological aspects of decisions to terminate life support systems & impact on family dynamics, 14940
level of death threat, attitudes toward stillbirth & perinatal grief, obstetricians, 4764
life & death decisions & ethical dilemmas created by new medical technologies, implications for social work practice, 20491
loss of close family relative through death in childhood, predisposition to suicide attempt, patients who had attempted suicide & their parents, 14745
loss of sibling in childhood or adolescence, mourning prohibitions, 15–74 yr olds, 3537
marital status & prevalence of deaths during birth month, 35–84 yr olds, 1966–68, US, 30063
materialist philosophy, death & dying & gap between spirit & matter, 26105
methodology & smoking & elevated serum cholesterol, coronary heart disease, morbidity & mortality, 24962
mortality due to accidents vs poisonings vs violence, Black vs White naval personnel, 28663
numbers & types of courses offered on social/psychological aspects of dying & length of time course was given & percentage of students enrolled & background of instructor, medical schools, US, 31052
opinions about hospital ethics committees' decisions on life support, hospital outpatients, 20532
out-of-body & near death experiences & other evidence in current survival research, 20927
out of body experiences & near death experiences as evidence of life after death, 28853
palliative vs curative work setting vs experience & learned ability, attitudes toward dying & death, 22–52 yr old hospital nurses, 28352
pet death, grief & functioning, families, 8971
pet death, grief responses, pet owners, 9133
presence of ethanol & other drugs, cause of death, military personnel, US, 11709
problem of Freud's hypothesis of death drive, 1214
psychoanalytic interpretation, mourning process following death of parent, 12–15 yr olds, 8842
psychoanalytic view of jokes & death related matter in comedy of F. Dostoevski, 5996
psychological meaning of prominent ideas regarding death, paranoid schizophrenic patients, 11908
psychosocial predictors of sudden cardiac & infant & traumatic death, literature review, 9189
psychotherapeutic stimulation of reverie & visitation of parental grave, denial of parent's death during childhood, adult offspring, 4367
reactions to death of adult children, aged parents, implications for social work practice in addressing grief, 28108
recent bereavement, rates of morbidity & use of health care services, primary carepersons in National Hospice Study, 17290
recent sibling death, behavior problems using parental answers on Child Behavior Checklist, 4–16 yr olds, 26922
relationship with daughters & reactions to their deaths, writings on childrearing in colonial times, clergyman C. Mather, 17th & 18th centuries, 21833
relationship with deceased, resolution of bereavement in psychotherapy, 45 yr old female with pathological reaction to son's death & 24 yr old female suffering loss of male companion, 4346
role of habits & attitudes & nutrition in longevity, 11789
sleeping arrangement at kibbutz & cognitive vs environmental research approach, death conceptualization, 4 vs 5 vs 6 yr olds, Israel, 26824
social casework & adoption after death of natural mother, adoptive stepmother of husband's 5 yr old daughter, 30861
subjective & objective factors in examination of cause of death by overdose, drug addicts, 1977–80, Italy, 9391
subtherapeutic or lethal doses of anticonvulsants, sudden death, epileptic patients, implications for patient compliance in epilepsy, 27980
suicide rates & external causes of death, 15–24 yr old females vs males from mountain vs northeastern states, US, 27235
symbolization of death & fear of death-related anxieties, 6419
terminal illness & death of analyst's mother, process of psychoanalysis with regressed depressed male homosexual patient, psychoanalyst, 22431
The Compassionate Friends self-help group, adjustment & bereavement after child's death, parents, 4613
therapeutic use of grief reactions to therapist's terminal illness, psychotherapy patients, conference presentation, 22413
time-limited dynamic therapy, pathological grief over parental death, 21–53 yr old vulnerable patients, 4-mo followup, 17837
time trends for suicide vs homicide vs accident mortality, females vs males 65 yrs & older, Finland, 1951–79, 24780
Type A behavior & threat of death & fear of disability & changing of family roles & pastoral counseling goals, heart disease patients & their families, 25460
unconscious negative transference & contagion of death in psychoanalytic group, cancer patients, 22450
use of survival methods, hazard of death & relapse following treatment as outcome measures, anorexic patients, 4–22 yr followup, conference presentation, 24921
use of word "whirling" in Rorschach tests, prediction of suicide & premature death, medical students, 20–35 yr followup, 4046
4 phases of family grief reactions to death of terminally ill child, clinical intervention during postdeath mourning, 25200

Death Anxiety

actualization & integration, death fear & anxiety, 16–74 yr olds, 27198
death anxiety & experience with death & attitudes toward aging, 17–75 yr old nursing home employees, 10262
death anxiety & sociopolitical attitudes & political behavior, college students, 24563
death anxiety as semantic conditioned suppression paradigm, implications for behavioral treatment approach, 20362
death anxiety, attitudes toward aged, 17–56 yr old nurses' aides & registered & practical nurses, 28293
death anxiety incorporated into phase-related sleep disorder, 5 yr old female, 6869
death rehearsal in hypnotherapy, grief & anxiety, terminally ill patients & their families, 9958
defensive style & medical specialty & exposure to death, death anxiety, 26–71 yr old internists vs psychiatry vs surgeons, 28318
existential group therapy, death anxiety in psychodynamic conflicts, 22 & 30 yr old battered wives, 1860
factor structure of Collett-Lester Fear of Death Scale, college students, 8087
factor structure of Multidimensional Fear of Death Scale developed by J. W. Hoelter, Saudi Arabian students, US, 26226

fear of death & care for terminally ill patients, health care workers, 28058
fear of death & self concept, nuns & schizophrenics & alcoholics & college students & Polish family members & nurses & yoga practitioners & elderly, 3777
fear of infanticide & primary motive force of defense, children, 16974
generalization effects of exposure treatment for phobias, 20 yr old female who presented with fears of death & losing control of self & excessive vulnerability to criticism, 25255
hospice volunteer training, death anxiety & attitudes & locus of control, hospice volunteers, 28314
humor & death, literature review, 27216
information about terminal illness of parent, coping with anxiety, 6–16 yr olds, 8891
level of & change over time on denial & death anxiety & anxiety & depression & hostility & love & self esteem, 51–74 yr old terminal cancer vs arthritic patients, 18-wk longitudinal study, 27535
life cycle perspective, death anxiety, preadolescent 9 yr old male, 8911
midlife crisis & confrontation with mortality, male 35–60 yr olds, 8826
narcissistic fantasies of omnipotence, repression of individual & social reality of death, 1201
personality correlates of death anxiety, tribal vs rural vs urban male 14–18 yr olds, India, 29717
psychoanalytic perspective on sense of continuity in time & acceptance of personal transience, young adults, implications for treatment, 912
rating of "subconscious" fears of death & inexistence, hypnotized religious college students, 27190
relationship among results of Beck Depression Inventory & fear of death & hopelessness scale, college students, 19853
relationship between factors of Death Anxiety Scale & measures of subjective states, 18–73 yr old normal Ss vs psychiatric inpatients, 23434
religious beliefs & convictions about afterlife & psychotherapist's role, death anxiety as a counseling issue, 27802
self esteem & death anxiety, college students classified as Type A vs Type B, 19865
symbolization of death & fear of death-related anxieties, 6419
theory & research methodology, effect of bereavement on death-related attitudes & fears, literature review, 27217
validity & reliability of fear of accidental death & injury scale, male vs female White vs non-White 12th graders & college students, 128
young vs old death imagery, death anxiety, college students, 17254

Death Attitudes
actualization & integration, death fear & anxiety, 16–74 yr olds, 27198
animate vs inanimate object & culture & religion, concepts of irreversibility & universality & inevitability of death, 5 vs 6–7 vs 8–9 yr olds, 3378
attitudes toward death, literature, adolescents, 6009
death orientation & attitudes toward communication with terminally ill patients, medical students & physician's assistants & family physicians, 27705
development of fear & attitudes toward death, children, 8854
development of internalization of concept of death, Jewish vs Moslem vs Christian vs Druze 10 yr olds, Israel, 14153
eschatological & psychological & social attitudes toward death, male vs female college students, 4921
evolutionary analysis, attitudes toward death from Middle Ages & contemporary times, 30026
factor structure of Multidimensional Fear of Death Scale developed by J. W. Hoelter, Saudi Arabian students, US, 26226
fascination with death as seen in smoking, modern capitalistic society, 1109
fear of death & care for terminally ill patients, health care workers, 28058
hospice volunteer training, death anxiety & attitudes & locus of control, hospice volunteers, 28314
legal & religious & moral & psychological aspects of decisions to terminate life support systems & impact on family dynamics, 14940
level of death threat, attitudes toward stillbirth & perinatal grief, obstetricians, 4764
male socialization vs traditional hospital intervention, attitudes toward death, 51 & 52 yr old terminally ill males & husband of dying wife, 10117
palliative vs curative work setting vs experience & learned ability, attitudes toward dying & death, 22–52 yr old hospital nurses, 28352
psychological & sociological attitudes toward care of terminal cancer patients, Europe vs England vs North America, 12253
religious beliefs & convictions about afterlife & psychotherapist's role, death anxiety as a counseling issue, 27802
sleeping arrangement at kibbutz & cognitive vs environmental research approach, death conceptualization, 4 vs 5 vs 6 yr olds, Israel, 26824
theory & research methodology, effect of bereavement on death-related attitudes & fears, literature review, 27217

Death Education
consideration as charismatic religious leader, E. Kubler-Ross, 24554
evaluation of death education curriculum, geriatric nurses, 10226
guidelines & activities for death education, 1st–6th graders, 25760

Death Penalty [See Capital Punishment]

Death Rate [See Mortality Rate]

Death Rites
attitudes toward directions taken by funeral industry, United Methodist vs Roman Catholic vs Episcopalian clergy & funeral directors, 26967
events of life & death of Baby Fae, implications for pastoral counseling, comments on article of M. J. Davis, 24266
evolution of funeral practices from Old World preimmigrant culture of southern Italians to contemporary New World practices of Italian-Americans, 26963
model for effective communication between anatomical donors & their families & medical school recipient, implications for grief therapists, 28331
personal experience & transcripts of memorial service of Baby Fae, chaplain, 24267

Decarboxylase Inhibitors
carbidopa/levodopa administration, movement velocity & RT & tremor & visual evoked responses & electroretinography, 59–72 yr old healthy volunteers, 673
dopaminergic treatment, sleep disturbances, 40–71 yr old Parkinson's patients, 1908
increased carbidopa/levodopa ratio, levodopa pharmacokinetics & side effects, healthy 21–25 yr olds, 26687
levodopa & carbidopa, monocular visual evoked potential latency, 44–86 yr olds with parkinson's disease vs arteriosclerotic Parkinsonism, 25328
levodopa & carbidopa, schizophrenic 55 yr old female with chronic negative syndrome, 27969
levodopa with carbidopa, amelioration of levodopa-induced side effects & blood amino acid concentrations, patients with advanced Parkinson's disease, 30704
light vs levo-amino acid decarboxylase inhibitor-induced inhibition of pineal gland activity, basal & morphine-induced day/night feeding patterns, male mice, 16675
RO 4-4602 pretreatment, taste aversion induced by levo-5-HTP, male rats, 16619

Decarboxylases
inferior olive climbing fiber lesions induced by 3-acetylpyridine, cerebellar glutamic acid decarboxylase activity & motor impairment, 23926
methylmercuric chloride, neurological impairment & activity of glutamic acid decarboxylase & choline acetyltransferase in cerebral cortex & neostriatum, rat pups, 21566

Decentralization
subregionalization & decentralization of mental hospitals, Poland, 28142

Deception [See Also Cheating, Confabulation, Faking, Malingering]
abnormal illness behavior & role of reinforcement & unconscious & forced compliance situation of self/other deception, psychogenic pain, implications for conceptualizations of cognitive dissonance theory, 6714

affirmation vs denial of vs no response to questions in card selection test, electrodermal responsiveness & likelihood of correct detection, college students, 13868
anxiety & dissimulation motivation, performance on ability test & measurement of response pattern appropriateness, male job applicants, Israel, 28918
arousal & emotion & cognitive difficulty & control, behavioral correlates of deception, college students, 6330
benefits of social science through assimilation to own interests, Ss' enhancement as methodological criterion in psychological research, 2832
construct validity of Child Abuse Potential Inventory lie scale, detection of conscious deception, male vs female college students vs 20–54 yr old parents, 8105
deception in social psychology research, comments on article by D. Baumrind, 20976
deception skills & detection of lies vs truth, college students, 19812
deception vs physical discomfort vs experimenter considerateness vs participation, reaction to particular experiment & psychological research in general, polytechnic students, Great Britain, implications for ethical codes, 26127
detection of discrepancy in nonverbal channels & ability to distinguish truth from lies, college students, 9095
ethical issues & costs to S & profession & society in use of intentional deception in psychological research, 63
experimentally induced deception, frequency of eye movements & facial expression & electrodermal activity, college students, 11197
imposture & inauthenticity & feeling fraudulent, psychoanalysis, 3 illustrative cases, 25114
moral vs lexical judgment & conception of lying, 4.2–5.9 yr olds, 8682
neutral vs inhibition of vs deceptive expression vs communication through expression only, responses to negative vs neutral stimuli, male college students, 17224
on-the-job experience at detecting deceit, confidence & accuracy in detection of deception, college students vs advanced vs newly recruited law enforcement officers, 25972
planned vs spontaneous deception, detection of deception, college students, 24518
process of self deception, reply to N. Hellman, 9123
role playing vs deception as research technique, 14420
scientific data fabrication/manipulation as potential area for study of deviant behavior, 26129
self deception & impression management, report of psychological vs somatic distress, male vs female college students, 21981
size of segmented videotaped messages presented with vs without speech & with face vs body, perception of deception, college students, 27166
tactical deception of familiar individuals, baboons, 8312
treatment effectiveness evaluations/generalization of social skills training using elements of deception, adolescent males, 23395
use of innocent deception in simulations utilized for teaching or research, trust, 22870
videotape of senders' face &/vs speech with vs without feedback, perception of deception, college students, 27167
voice & speech cues, perception of deception, college students, 19536

Decerebration
short vs long term habituation of acoustic startle response, chronic decerebrate male rats, 11250
5-HT, renal nerve activity in desynchronized sleep state, decerebrated cats, 16522

Decision Making [See Also Choice Behavior, Group Decision Making, Management Decision Making]
affective vs cognitive-behavioral counseling, resolution of intrapersonal conflicts related to decision, 16–72 yr olds, 14927
age differences & cognitive processes, social decision making, 36–93 mo olds vs college students, 29678
analysis of voting decision making process in multi-person experimental game, 11779
arborescent covert representation technique vs hypothetico-deductive operations, decision making skills, 20–60 yr olds, 20364
assessment of subjective values of investments & credit plans with delayed positive vs negative outcomes & validity of discounting model, college students, 21161
assumed role of parent vs government minister, use of anecdotal vs statistical information in seat belt decision making, college students, 30050
attachment behavior & other early psychosocial developmental processes, implications for decision making regarding children in foster care, 7366
attributions & expectancies & choice perspectives, decision-control process in marketing channel dyads, college students, 10667
behavioral & cognitive aspects of decision control, male vs female 4 vs 9 vs 14 yr olds, implications for socialization of powerlessness in females, 16888
career counseling group program, career decisiveness & differences in personality & academic achievement, gifted male vs female college students, 31373
caregiving strain & relationship to patient, desire to institutionalize family member with Alzheimer's disease, female vs male Black vs White spouse vs nonspouse caregivers, 18159
case disposition recommendations in child abuse investigations, attorneys vs child protective service workers, 11649
characteristics of organizational climate & perception of wrongdoing in association with whistle-blowing decisions, employees, 5114
Choice Awareness Systems, facilitation of understanding & change in counseling consultation, 2252
cognitive processes, decision making under partial uncertainty, college & graduate students, comparison of simple scalability vs fixed-sample vs sequential-sampling models, 10955
cognitive processes of members vs organizational structures, organization performance, graduate business students, 5124
cognitive structure of vocational schemas, vocational information processing & career self efficacy, college students, 23168
cognitive therapy, decision making, depressed male, 4-mo followup, 17824
collectivist vs individualist culture, decision rules used for distribution of rewards between majority & minority in group, 12 yr olds, Japan vs Australia, 11522
computer based process of information search & evaluative process & decision making, 20–40 yr olds, 5451
computer program for interactive fuzzy decision making, solving multiobjective nonlinear programing problems, decision makers, 16096
concept of decision making for acceptable risk factors in approval of nuclear water reactor, Great Britain, 2718
conditions that promote successful discounting of knowledge in making judgment, college students, 3714
cost information as indicator of pressure to recover costs on decision making behavior under price pressure, students & experienced practitioners in industrial marketing, 26076
counseling involving client autonomy & counselor beneficence, counselor & his 80 yr old male client, 12691
critique of analytical contribution of artificial intelligence to decision technology, 16099
decision making process model of cable TV program choice, household residents, 21152
decision making strategies to determine cue weights, college students, 8226
decision making styles, career indecision, college students, 18556
decision model of union voting behavior, employees, 28807
decision process, blackjack players in casino, 8209
decision rule & memory variance & criterial noise, line orientation discrimination, 21122
decision to choose laetril & skepticism & alienation from medical establishment, cancer patients, 4466
delay in decision making vs pretuning for action, GSR, 18–30 yr olds, 579
design & development & use of decision support systems, human services, 12649
development & validation of 2-stage mathematical model, prediction of multiple task decision making for human-computer communication, computer operators, 16201
development of questionnaire assessing concerns in choice of birth control method, 14–45 yr old females, conference presentation, 23488
developmental perspective on social decision making, adolescents, 26879

diffuse vs specific ability status, generalization of information in decision making, college students, 14435
directions to make gambling decision on the basis of possible winnings vs losses & completeness of payoff & probability information, gambling decision, college students, 30028
discussion, group vs individual decision making & polarization of judgments, college students acting as jurors, 1127
distributed learning of global maximum in 2-player stochastic game with identical payoffs, decision makers, 10657
divergent thinking ability & act generation performance, college vs advanced graduate students, 23596
estate planning for learning disabled children or adults, parents, 27475
esthetic appreciation of normative models vs empirical research focusing on complex environments, generalization of results to operational contexts in decision sciences, 26347
estimates of mechanical model & outcome feedback, prediction of baseball team's win-loss record based on statistics, graduate business students, 16299
evaluation of reach & frequency of advertising exposures & communication effects vs vehicle exposures, media-planning practices, leading advertising agencies, US, 23321
expected utility decision making model, vocational guidance, 25952
expert testimony in trials of battered women who killed their husbands, decision making, juries, 6244
exponential & power law utility functions, computed upper bound on ruin probability, decision makers, 26281
factor analysis within lens model framework, facets of decision process in selection of entry level managers, assessment center personnel, 10594
factors related to perception of physician & expectations, decision to file malpractice action, patients, 17123
family & terminal care decisions, terminally ill relatives, implications for family practice residency training, 7313
family decision making & long term care & role of religious professionals & organizations, elderly & their families, 18171
field instructor & agency & school & environmental factors, field placement decision making, social work students & their placement directors, 20619
future health choices & degree of reflection & effect of stress on choice & type of cognition in decision making process, 9th graders classified as health promoting vs health risky decision makers, implications for health education, 11380
general models of rational decision making in operations research/management science & judgment & decision making research, 26348
generalization in operational contexts in decision & management science research, 26342
Generalized Means Model of nondeterministic decision making, 10719
graphic interactive structural modeling option as visual problem-structuring & knowledge-organization technique, complex unstructured decision making, 31548
graphical vs numerical format with vs without pressure in display of unfolding hurricane-tracking scenario, optional stopping performance, college students, 13265
guidelines for college choice, learning disabled students, 2502
high vs low pressure & clear vs unclear legal guidelines, legal & ethical conflict decision making, counselors, 12829
husband's vs wife's possession of educational & economic & social resources, participation in decision making & conjugal power, Jewish married couples, Israel, 14310
identification & diagnosis & response to emergencies, operators of man-machine systems, implications for training, 25964
individual & organizational factors & significant others, ethical decision making, marketing managers, implications for use of contingency framework in marketing ethics research, 5152
individual decisic ı making & group & social influences on consumer behavior & policy issues & consumer satisfaction in consumer psychology, 1981–84, literature review, 23311
individual differences & choice alternatives, choice time & simplification strategies in increasingly complex decision-making tasks, college students, implications for information-processing model, 285
individual differences in human information processing styles & strategies during problem solving & decision making, implications for man-machine systems, 26351
individual vs group decision making, information selection & cue use & decision consistency, senior accounting & graduate business students, 9090
influences in family decision making, fathers vs mothers vs adolescent children, 17058
information evaluation & thought processes, longitudinal decision making, college students, 3035
information from police reports & extralegal factors, responsibility & prescriptive decision making in wife abuse cases, 23–36 yr old patrol officers, 11687
information processing & decision making models, stages of optimal strategy learning in 2-player game, 11–16 yr olds, 14142
information processing, control relinquishment decisions, college students with Type A vs B behavior patterns, 3773
instructions regarding importance of decision rule & monetary incentive & perception of self expertise, use of decision rule in probabilistic task, college students, 21143
intensity level of treatment, admission variables, children accepted by residential treatment agencies, 30966
item repetition & priming between newly learned associates, activation decay functions, college students, 11018
Kirton Adaptation-Innovation Inventory, strategies in creative problem solving & decision making in organizations, adults, Italy, 18779
knowledge-based sciences, aiding & understanding decision making processes, cybernetic implications, 29103
locale dissatisfactions & nonfamily influences & social constraints & family background, participation in migration decision making process, rural 13–21 yr olds, Kenya, 29746
logical consistency in decision making vs choice behavior, college students, 30010
lotteries with varied center & range probability intervals, ambiguity seeking vs avoidance, college graduates, 3020
low vs medium vs high proportion effect during semantic priming, performance on lexical decision task, college students, 23595
man-machine environment learning tool, decision making & planning & simulated air traffic control, 20897
man-machine interactive multiple objective linear program, decision making & problem solving, implications for management methods, 28824
mathematical model of human performance, decision making, computer vs college students, 16220
metacognitive approach to instructional decision making, teachers, implications for comprehension training in reading education, 15718
metapreferences in stability of majority rule decision making, implications for choice theory, 27138
model of decision making & adjustment in genetic counseling, 2001
Modified Cooper-Harper decision-tree rating scale vs 5 design variations of same, estimation of mental workload in aircraft-simulator, pilots, 23479
neurophysiological processes & information processing & encoding input into long term memory & subsequent decision making, political thought & behavior, 29099
normative vs informational influence processes, decision making, juries, 6253
on-the-job experience at detecting deceit, confidence & accuracy in detection of deception, college students vs advanced vs newly recruited law enforcement officers, 25972
operational characteristics of motoric decisions that govern planning & preparation of arm & direction & extent of movement, 20–30 yr olds, 21051
operationally oriented axiomatic foundation & mathematical framework for decision making theory, 16192
order relevant vs irrelevant decision rules, rearrangement effects in multiletter matching, college students, 10979
overselectivity in feature processing & processing of visual & verbal materials, 17691
pacing speed & rigidity constraints, classification task accuracy & response time & heart rate, 20–30 yr old industrial inspectors, 25971

pairs of auditory stimuli varying in pitch within range of probability, processes in assessment of differences within 3-threshold payoff matrices, 19–28 yr olds, 8200
parental participation in decision making process for placement, handicapped students, 13054
participation in decision making & job satisfaction & competence in clinical & administrative decisions, counselors & alternative school teachers in community based agencies, 15279
performance feedback with negative implications for self identity in skill vs luck conditions, commitment to ineffective course of action to justify prior resource allocations, college students, 26337
person-situation interactionist model of ethical decision making in organizations, 28808
personal & structural background factors & value-expectancy perceptions of place utility, migration intentions & behavior, rural residents, Philippines, 29786
physician management of problematic family interactions & decision to forego life-sustaining treatment, terminally ill patients, 7322
place utility expectations & migration intentions, Egypt vs Kenya vs Philippines vs Thailand vs US, 29805
plans for childbearing & employment, 26–36 yr old mothers with 1 vs 2 children, 29852
power distribution in decision making process of child custody adjudication vs mediation, implications for practitioners, 14371
preference for decision structures in social dilemma situation, additional data on same author's previous study, 11773
presentation of information on potential risk & outcome severity & access & effectiveness of protection, decision making processes in engagement in protective behavior, college students, test of protection motivation theory, 11750
priority sort methodology, individual & group decision making in program planning & evaluation, 1689
probability & magnitude of win vs loss in betting problem, strength of response at particular point in problem as proportional to net strength of competing tendencies, college students, 29173
procedural justice in allocation decisions within interpersonal relationships, college students, 14424
process of family decision making concerning long term care, elderly & their families, literature review, 18172
provision of assistance in making decision about adolescent psychiatric residential placement, families, 9771
psychology & nuclear decision making & nuclear power & activism, 21804
rational decision making training, performance on career decision making skills test, community college students classified as rational vs intuitive vs fatalistic vs dependent decision makers, 31196
recognition of ethical dilemmas in practice & decision making processes for solution, 27–86 yr old Black vs White family physicians, 31114
refinement principle of crude utilitarianism of R. F. Harrod & common sense ethics, utility maximizing decision rules, 16295
relative effectiveness of top-down vs bottom-up approach to structuring multiattributed hierarchies, Marine Corps 2nd lieutenants, 20854
replica vs symbolic replica models, generalization in decision research, 26345
representation of evidence, decision processes, 24–73 yr old experienced jurors, support for story model of juror decision making, 29988
research needs & phenomena of decision making & operations, 8196
self interest & attitude toward resource pool & conformity to norm pressure, individual vs collective solutions to harvest decisions, college students, 21917
self schema decision inconsistency, mildly depressed vs cognitively vulnerable to depression vs nondepressed nonvulnerable college students, 30033
self training in family therapy methods of positive connotation & circular questioning, social worker & psychiatrist, 15533
sex & sex role identity, vocational indecision, college students, 31404
shared responsibility, quality of multiattribute judgments, college students, 9120
signal detection theory, evaluation of probabilistic forecasts, 3025
simulation of exposure to success of females in traditionally male occupations, subsequent sex bias in selection decision, male vs female college students, implications for organizational behavior, 24511
simulation of intentions to buy different heating systems by REASON, 5231
social & demographic characteristics & previous experience with domestic violence, decision to return to husband, residents of shelters for abused women & their abusers, 17442
social background variables & urban social contacts & knowledge & evaluations of alternative destinations & mobility plans, rural-urban mobility behavior, household members, Thailand, 29788
social content & cognitive structure, decision to attempt delivery by trial of labor vs repeat cesarean section, pregnant females, implications for family physicians, 15248
social identity & group size & decision framing, choice behavior in social dilemmas, college students, 19789
social profiles, high school basketball officials, 4821
social-psychological perspective, processes & behavioral change related to energy conservation behavior, 26040
spelling of immediately preceding item, lexical decisions about spoken words, college students, 5461
statistical model of child placement decisions, 13367
strongly biased pretrial publicity & personal bias, severity of verdict & sentence, former jurors hearing evidence from child molestation case, 6246
structure & function of decision processes simulation program REASON applied to intentions to purchase heating systems, 5232
subject-based & computer simulation multiobjective decision making analysis methods, implications for management decision making, 26344
subjective place utility expectations, migration decision making, low income husbands vs wives, rural Egypt, 29800
summarized historical data termed feature cue, performance in cue probability learning task, college students as judges, implications for organizational data base information, 23637
superiority of realistic models in providing representations of rational decision procedures, 8201
systems analysis method & dynamic decision making research, college students, 5251
task & expectancy & information assessment, information utility expectations, graduate students, 23621
techniques for avoidance of Type I & Type II errors in evaluation of student feedback, instructional decision making, teachers, 22872
temporal changes in planned age for retirement, 47–64 yr old males, 1975–84, 18760
training in decision matrix model, triage & emergency treatment during simulated chemical warfare, combat medics, 28367
training in general orientation &/vs problem definition &/vs generation of alternatives &/vs decision making, problem solving behavior, graduate counseling students, 19099
trait vs state anxiety & coping style, career decision making, college students, 27199
true & false variability of sentences, decision time for reasonableness judgments & memory representations for concepts, college students & college-educated adults, 29112
utility of educational counseling workshop, assistance in declaration of academic major, college students, 15902
utility of participative management model, school budget development, communities, 12928
validity of modified Career Decision Scale, measurement of speciality indecision, medical school students, 18400
yrs of experience & nature of offense, decision to draw firearm, police officers, 28785

Decoding [See Human Information Storage]

Decompression Effects
alpha coma induced by decompression sickness complicated by spinal cord lesions, 21 yr old male, 12286
intellectual dysfunction, professional abalone divers, Australia, 17583

Decortication (Brain)
unilateral neocortex removal, locomotor activity & utility of direct observation methodology, rats, conference presentation, 8504

Deductive Reasoning [See Inductive Deductive Reasoning]

Deer
aggressive behavior & dominance hierarchy, farmed rising 5 yr old red deer stags, implications for deer farming, 16385
expression & relevance of dominance in farm setting, male vs female deer, 21276
kinship & association during mating season, synchrony of estrus & conception, female wild red deer, 26536
rate & duration of suckling & weaning, white-tailed vs fallow fawns from multiparous & primiparous female deer, test of predictions of parental investment & parent-offspring conflict theories, 23710
social & courtship behavior during breeding season, male & female huemuls, 11122
Defecation
avoidance conditioning performance & open field ambulation & defecation & intertrial responding, sublines of Roman High vs Low Avoidance rat strains, 481
etiology, hospitalized patients with coprophagia, 22054
rates of open field ambulation & defecation & prior attack conditioning, aggression level, rats, 5609
sex differences in ambulation & defecation as measure of emotionality, hystricomorph rodent degu, 3090
soy polysaccharide added to liquid formula diet, bowel functioning, constipated & tube-fed & nonambulant severely or profoundly mentally retarded Ss, 14931
Defendants
background & type of offense & forensic evaluation, insanity recommendations & adjudications, defendants, 11662
criminality & incompetence & insanity, pre- vs postlingually deaf defendants in maximum security psychiatric facility, 1228
defendant's nonverbal behavior & severity of crime, judgment of defendant's believability, college student mock jurors, 6356
defendant's power & conformity status & degree of deviance & activity significance of offense, levels of assigned punishment, college students, 21941
forensic use of hypnosis & guidelines to test admissibility of hypnotically induced confessions & exculpatory statements, defendants, 24385
history of attempted suicide, violence of crime, offenders awaiting court evaluation or assessment of pretrial competency, 22160
MMPI, detection of malingering amnesia, males charged with capital or 1st-degree murder, 1444
race, prosecutorial decisions, homicide defendants, 29897
right to psychiatrist when sanity or potential dangerousness are issues in trial or sentencing, indigent defendants, case law, 1055
use vs nonuse of religious character of defendant in child abuse mock-jury trial, conviction & recommendation of sentence, religious vs nonreligious jurors, 24514
waiver of rights & competency to testify & expert testimony issues, mentally ill & retarded defendants & witnesses, case law, 27035
Defense Mechanisms [See Also Denial, Displacement (Defense Mechanism), Fantasy (Defense Mechanism), Identification (Defense Mechanism), Introjection, Isolation (Defense Mechanism), Projection (Defense Mechanism), Rationalization, Regression (Defense Mechanism), Repression (Defense Mechanism), Sublimation, Suppression (Defense Mechanism), Withdrawal (Defense Mechanism)]
adaptive capacity & psychodynamics of survivor syndrome, concentration camp survivors, 1217
application of Piaget's idea of intuitive thought to cognitive aspects of splitting & libidinal object constancy, criticism of paper by R. Melito, 24233
"bearer of the secret" as example of psychological barriers to remembering individual & collective experiences in concentration camps during Holocaust, 8933
biopsychological model of mimicry systems, understanding defensive behavior, humans, 1203
biopsychological perspective of natural logic of psychological defenses, 1174
conceptual compatibility & complementarity of Piaget's & M. Mahler et al's theories of cognitive-emotional development, cognitive aspects of splitting & libidinal object constancy, reply to criticism by I. Steingart, 24206
concrete-sensitive & affective & conceptualizing & evaluative complaints, defense mechanism formation, patients with neurotic & neurotic-like states & somatic illnesses, implications for differential diagnosis, 6821
configurational analysis, study of transcript of brief psychotherapy with 32 yr old female borderline patient with posttraumatic stress disorder, clarification of concept of splitting, 25138
consensus raising & distinctiveness raising & consistency lowering attributional explanations, excuses for poor performance on ego-involving task, college students, 3751
cultivation vs repression vs sublimation of Holocaust memories, survivors & their children, 9642
defense & coping mechanisms, 22–54 yr old mothers of learning disabled children, 12129
defense mechanisms & anxiety & self concept & teaching methods, learning to read, children, 20685
defense mechanisms against anxiety, 13 yr old male in therapy, 22411
defense mechanisms, pregnant females, 19845
defenses of self, transferences psychosis, contributions of M. Fordham, 30592
defensive modes of splitting & possible Rorschach manifestations for levels of defensive organization, borderline patients, 9227
defensive pessimistic vs optimistic cognitive strategies, attributions in performance on anagram task, college students, 29095
devastating external event, psychological differentiation of child & effect of differentiation on meaning & integration of event in psychic life, 3.6 & 2.3 yr olds who witnessed murder of mother & attempted suicide of father, 6149
differentiation & splitting in clinical practice & research, psychologists, 31105
dissociation & psychotic symptoms, reply to comments of R. Thweatt, 22126
ego defense mechanism, upward social mobility, lower- & working-class male adolescents, 40-yr longitudinal study, 942
environmental & intrapsychic factors in resistance to induction &/or hypnotic interview, victims of or witnesses to crime, 21208
eroticization of projection identification, 40 yr old male with sadomasochistic fantasies & extramarital affairs & homosexual episodes, 4001
fear of infanticide & nuclear cause of neurosis & primary motive force of defense, children, 27275
fear of infanticide & primary motive force of defense, children, 16974
integration & sealing over defensive organization of recovery styles, schizophrenic patients, implications for individualized treatment planning, 30117
internal conflicts & external crises, defense mechanisms & functioning, families with mentally disordered members, 11858
level & certainty of self esteem, preparatory efforts for intellectual evaluation, male vs female college students, 30017
music, communication & language & psychological defenses, children & adolescents, 27695
narcissistic personality as defense against object loss & attachments of emotional richness & complexity, M. Proust & Stendhal, 5998
object relations & defense mechanism theories, etiology of self mutilating & self destructive behavior, 4039
perceptions & projective & defensive processes, college & graduate students in small vs large Tavistock self study groups, replication of study by L. R. Greene et al, 4404
physiological processes & psychodynamics underlying defensive aspects of impression formation, male college students, 19811
psychoanalytic concept of conflicts of ambivalence, 5193
psychoanalytic theory & defensive anality & anal narcissism, 48
psychodiagnostic typology, defense style, 15–64 yr old psychiatric patients, 24617
psychodynamics of obsessional neurosis in individual defensive & ritualistic bureaucratic practices, analysis of social character of & adjustment to bureaucracy, new organizational members, 31503
psychotherapeutic farewell ritual & defense mechanisms, patients with posttraumatic stress disorder, 17803
resistance to training in areas outside professional expertise, doctors & nurses & psychologists & other highly credentialed professionals, 18411
resources to prevent psychic trauma & aspects of stimulus barrier, Holocaust survivors who were concentration camp inmates, 9155
role of subjective determinants in premorbid personality & symptom formation of posttraumatic stress disorder assessed by study of defense mechanisms, illustrative case of Vietnam veteran, 11923

Rorschach measures of aggression & object relations & reality testing & self-object differentiation & splitting, male college students vs borderline vs transsexual adults, 9394
selective nature of defense mechanisms, 1194
self concentration & private vs public character & personality traits, defensive attribution pattern for success & failure, 9183
self deception as positive feedback mechanism, 19868
self esteem & use of self protective strategies, self enhancing vs self assessing vs self evaluative task choice, college students, 3774
Spiral Aftereffect Technique vs Defense Mechanism Test, measurement of perceptgenetic defense against anxiety & threatened sense of self, female college students, 19834
structural interviewing & Defense Mechanism Test, diagnosis of personality organization, borderline patients, 3808
tachistoscopically presented emotionally aggressive vs nonaggressive words, perceptual defense, female vs male patients with right vs left temporal lobe epilepsy, 6812
utility of ego defense mechanisms, assessment of psychological resilience & personality disorders, middle aged males who were socially disadvantaged in childhood, longitudinal study, conference presentation, 27381
ventriloquism, resolution of anxiety & conflict, 37 yr old male with murderous fantasy & unhealthy attachment to mother, 6551
Defensive Behavior (Animal) [See Animal Defensive Behavior]
Defensiveness
anxiety & defensiveness & physiological responsivity, female meditators vs nonmeditators, 23864
biopsychological model of mimicry systems, understanding defensive behavior, humans, 1203
comprehensive list of descriptors of behaviors for subsequent psychometric measurement of tactile defensiveness, elementary school children, 20980
defensiveness, stress & anxiety, mothers of 5–10 yr olds referred to developmental evaluation clinic vs well adjusted 5–10 yr olds, 30069
imaginal life & defensiveness, dream recall, 17–38 yr old college students, 14507
Deformity [See Physical Disfigurement]
Degrees (Educational) [See Educational Degrees]
Dehydrogenases [See Also Alcohol Dehydrogenases, Lactate Dehydrogenase]
disulfiram vs nitrefazole prior to ethanol, hypotensive response, male rats, implications for treatment of alcoholism, 14005
ethanol consumption, brain catalase & aldehyde dehydrogenase as biological markers for affinity for voluntary ethanol consumption, rats, conference presentation, 16547
voluntary alcohol drinking, alcohol & aldehyde dehydrogenase activities, rats, 8582
voluntary ethanol intake, brain aldehyde dehydrogenase activity, male rats, conference presentation, 16803
Deinstitutionalization
alternatives-to-hospitalization program, utilization of inpatient services, 18–64 yr old psychiatric patients with vs without history of psychiatric hospitalization, 30864
assessment of state development of home- & community-based services using federal waiver legislation, persons otherwise requiring institutionalized care for mental retardation, 18187
care of deinstitutionalized homeless mentally ill, 22644
case against deinstitutionalization of mentally ill, 22658
changes in psychiatric practice following legal reforms, 1960 to present, Italy, 12656
characteristics of deinstitutionalization & community care, emotionally disturbed adolescents, 2027
client characteristics & length of stay, hospitalized psychiatric patients, implications for ability of Health Authority to close psychiatric hospitals, England, 22724
closing of mental hospitals, utilization of community mental health services, Italy, 2037
closing of psychiatric hospital & creation of community mental health service, Italy, 12659
closure of mental retardation institutions, 2076
community mental health center vs Medicaid programs, deinstitutionalization, mentally ill inpatients, 25408
community placement vs continued hospitalization, depression & psychosocial functioning, chronic psychiatric patients, 4605
community residential care as alternative to hospitalization, mentally ill, 25383
components of effective caregiving system, homeless & other mentally ill, implications for deinstitutionalization, conference presentation, 22645
concept of community-based care & status of deinstitutionalization, US & Australia, 22659
consequences of psychiatric reform mandating deinstitutionalization, Italy, 25417
cost & knowledge & information & technology, systems design of community programs for followup care, chronically mentally ill, 22661
current status of psychiatric care following psychiatric reform law mandating deinstitutionalization, Italy, 25395
deinstitutionalization & administrative & procedural changes, residential care centers, children, India, 22664
deinstitutionalization & civil rights, psychiatric patients, 22647
deinstitutionalization & community mental health services, Italy, comment on analysis by K. Jones & A. Poletti, 30853
deinstitutionalization & community mental health services, Italy, comment on analysis by K. Jones & A. Poletti, 30880
deinstitutionalization & community vs state mental health services, 18195
deinstitutionalization & general hospital psychiatry, 15344
deinstitutionalization & psychiatric laws, quality of services, chronic institutionalized psychiatric patients transferred to outpatient health center, Italy, 15278
deinstitutionalization, daily living skills & interactions with staff in residential program, Ss with developmental & mental health disabilities, 2163
deinstitutionalization, marriage & sexual relations, chronically mentally ill couples, 1268
deinstitutionalization, mentally retarded, New Zealand, 25415
development of territorial area community mental health service as alternative to psychiatric hospital, Italy, 12668
development of training in community living model of psychiatric care, 15301
early intervention system in criminal justice system, deinstitutionalized psychiatric patients under legal arrest, 22660
economic incentives & costs & cost analysis, alternatives to psychiatric hospitalization, 25439
emergency care, chronic psychiatric patients treated since beginning of illness in deinstitutionalization era, 18204
facility & community & client characteristics, community integration, former state hospital patients in residential facilities, 25422
failure of deinstitutionalization & community mental health care & therapeutic potential for state hospital system, 18189
failure to provide alternate treatment facilities under psychiatric reform legislation, mandating deinstitutionalization, Italy, 25385
family surrogate or supplemental care & alternative living modalities as alternatives to psychiatric hospitalization, children, 25405
health care methodology, deinstitutionalized psychiatric patients who had been institutionalized for extended periods, 15273
health needs & utilization of medical services, deinstitutionalized 14–33 yr olds with severe developmental disabilities residing in intermediate care facilities, 4577
historical trends in social policy & deinstitutionalization & mental health services, New Zealand, 15284
home intervention, parental coping behavior & number of hospital stays, parents & deinstitutionalized patients with chronic schizophrenia, 1-yr followup, 1979
impact of closure of state-operated mental retardation institutions, clients & families & employees, implications for national trend, 10068
impact of Mental Health Law 180 & provision of psychiatric services, Italy, comments on interpretation of K. Jones & A. Poletti, 22679
impact of psychiatric reform Law 180 on family relations, Italy, 25440
implementation of deinstitutionalization policy, chronic mental patients, US, 7367
influence of legal & consumer perspectives on deinstitutionalization of mentally ill, 22677
integrated management of hospital & community mental health services, continuity of care for deinstitutionalized patients, area director for health services, 25430

legally mandated deinstitutionalization of psychiatric patients, neglect of nonverbal communication in psychiatric research & therapy, Italy, 6917
move from institutional mental health care to integrated community-based service structure, Italy, 25386
need for cost reimbursement procedures in deinstitutionalization process as means of providing incentive for production of behavioral change, private practitioners, 1704
nursing care & treatment program in community mental health facility, emotionally disturbed mentally retarded citizens, 28088
origins & impact of deinstitutionalization movement, psychiatric & geriatric patients residing in board & care homes, comment on view of E. W. Markson, 25399
origins & impact of deinstitutionalization movement, psychiatric & geriatric patients residing in board & care homes, 25426
outcome of deinstitutionalization of mentally ill, review of study by H. B. Murphy, 22678
outline of effective community service system for deinstitutionalized chronically mentally ill, 22663
performance on McCarron-Dial Work Evaluation System, prediction of levels of independent living, mentally retarded 16–54 yr olds, 20535
physical & psychological dependence & behavior problems & treatment received, future hospital care, chronic psychiatric patients, 2098
principles & practices of community services & deinstitutionalization, psychiatric clients, 2018
problems in implementation of Psychiatric Reform Law assessed by numbers of requests for psychiatric commitment, patients, Italy, 11664
problems of homeless mentally ill, concern over proposed legislation changing criteria for civil commitment as threatening civil rights, psychologists, 24677
psychiatric care prior to & following implementation of Mental Health Act stressing community mental health services, Italy, 11693
psychiatric day hospital services following legally mandated deinstitutionalization of psychiatric patients & mentally handicapped, UK, 10097
psychiatric deinstitutionalization, Italy vs France, 25412
psychiatric hospital admissions & lack of adequate community services following implementation of Psychiatric Reform Act, Italy, 12729
psychiatric mental health care reform & deinstitutionalization, Italy, 25432
psychiatric reform law mandating deinstitutionalization, Italy, 25394
psychiatry since reform Law 180, illustrative case examples, Italy, 25447
psychopolitics of deinstitutionalization of mentally ill, 22684
quality of life, long term psychiatric patients living in group or boarding or private homes, implications for expansion of community services, 15299
Reform Law 180 stressing outpatient community-based psychiatric care, Italy, 11675
relative success of deinstitutionalization in mental health vs mental retardation services, shift to psychosocial rehabilitation model, 2137
review of effects of legally instigated deinstitutionalization process, implications for British implementation, Italy, 10022
review of F. Basaglia's writings on nature of mental disorders & consequences of Law 180 for long term care of psychiatric patients, 4666
right to treatment in community & failure to provide adequate services, mentally retarded & chronically mentally ill, case law, 1052
role of mental health administrators & legislators in process of deinstitutionalization of mentally ill, 22653
role of outcome evaluation in deinstitutionalized movement, mentally retarded persons, 10016
self funded group home, former long term female institutionalized psychiatric patients, 25391
social & clinical factors, resistance to community alternatives to psychiatric hospitalization, 25403
sociocultural factors & community based mental health services & government funding, implementation of psychiatric reform law mandating deinstitutionalization of mentally handicapped & psychiatric patients, Italy, 10005
transitional program analysis, modification of behavior to enable movement from institution to community, 16 yr old mildly mentally retarded male & 18 yr old delinquent male, 25390
use of psychotropic drugs, deinstitutionalization policy development, mentally ill, 25409
use of residential & nonresidential facilities following enactment of mental health law, psychiatric patients, Italy, 12681

Deja Vu [See Consciousness States]

Delay of Gratification
ability to delay gratification & frustration tolerance, 6–8 yr old males with attention deficit disorder with hyperactivity, 30452
assessment of subjective values of investments & credit plans with delayed positive vs negative outcomes & validity of discounting model, college students, 21161
choice vs no choice & delay prior to receipt of incentive, ability to delay gratification, 1st graders, 19671
comparative strength of dispositional vs situational determinants of delay of gratification, comments on article by D. C. Funder & M. J. Harris, 21976
personality & situational variables, delay of gratification, reply to comments by J. F. Kihlstrom, 21970
personality factors & experimental manipulations, delay of gratification, extension of findings by W. Mischel, meta-analysis, 21971
reflectiveness vs impulsiveness, maintenance of delay of gratification & time concept, male vs female 6 vs 7 vs 9 vs 10 yr olds, 8734
self efficacy expectations & health beliefs & post adherence behavior & resourcefulness, fluid intake compliance, 20–68 yr old dialysis patients, 30836

Delayed Auditory Feedback
delayed auditory feedback, performance on speech task, 263
manual/oral motor reaction times & speech disfluencies as result of delayed auditory feedback, normally speaking female college students, 23587

Delayed Development
behavior-education program, development of child's toy play, 19–34 yr old mothers of developmentally delayed 0.9–2.5 yr olds, 7142
behavior modification, maladaptive eating habits, female 23-mo old with severe failure-to-thrive syndrome, 7-mo followup, 25245
behavioral & linguistic interaction with mothers in free play vs structured task, 28–50 vs 51–68 mo old language delayed vs normal males, 9477
behavioral intervention, feeding difficulties & parent-child relationships, failure to thrive infants through 6 yr olds & their families, 1 yr followup, 25243
caloric intake, weight gain, 2–28 mo olds with organic vs nonorganic failure to thrive syndrome, 17554
children's enrollment in Portage home advisory service, educational placement & development, parents of developmentally delayed 3.8–9.8 yr olds, 28547
correlation of social & object skills, normal 4–21 mo olds & handicapped 11–42 mo olds with mental retardation or other organically-based developmental delays, support for cognitive-level model of development, 14130
developmental abnormalities, 10 mo to 6.2 yr olds with full blown vs prodromal stage acquired immune deficiency syndrome, 27681
developmental therapy & demographic factors & level of disturbance, development of behavior & communication & socialization & academics, autistic & developmentally delayed & emotionally disturbed 5–8 yr olds, 4-yr longitudinal study, 17716
diagnosis of muscular dystrophy, 4.3 & 3.7 yr olds referred for delays in expressive language development, 30418
diphenylhydantoin & trimethadione & phenobarbital, delayed development & hyperactivity & impaired learning & brain amino acids, rats & their prenatally exposed offspring, conference presentation, 29486
direct vs interactive language instruction, language skills, 38–69 mo old preschool students differing in aptitude & level of language development, 28528

EEG & psychometric assessments, maturational lag diagnoses, 7–15 yr olds with EEG diffuse slow frequency, 1–2 yr followup, 30057
EEG pathology, deficits in optical-spatial perception, developmentally delayed 4–10 yr olds with spastic diplegic vs hemiparetic cerebral palsy, 6755
effectiveness of early intervention, infants & children with organic impairment & developmental delay, literature review, 7726
evaluation of center-based educational & therapeutic intervention, cognitive development, 17–62 mo olds with mild to moderate cognitive delays, 2015
evaluation of methods for empirical identification of environmental determinants of aggression & disruptive behavior, mentally retarded & developmentally delayed 3 & 12 & 15 yr olds, 27912
evaluation of Model Preschool Program for Children with Down Syndrome & Other Developmental Delays, handicapped 11 mo to 14 yr olds, 2531
facilitation effect of native language, 2nd language learning, Spanish- vs English-speaking 4–5.4 yr olds with mild language delays & disorders, 9489
family size & SES & child's temperament & childrearing practices, failure to thrive, organic vs nonorganic failure-to-thrive 3–72 mo olds & their 16–32 yr old mothers, 12220
free vs story vs routine vs interview & scripted conditions, speech productivity & intelligibility & representativeness & reactivity, children with speech delays, 9490
historical overview of treatment within family systems context, developmentally delayed children & family members, literature review, 27751
improvement of remedial education programs, children with speech disorders, USSR, 10512
integrated vs nonintegrated special education preschool program, social play & motor & language skills & cognitive development, developmentally delayed 3–6 yr olds, 4945
lead exposure, cognitive development, Black preschool age children, analysis of data from study by J. Perino & C. Ernhart, 3423
listener's developmental level, communicative interaction during play, mildly developmentally delayed vs nonhandicapped children with mean ages 6.3 & 5.3 yrs respectively, 20086
literacy skills, adults who did vs did not have childhood reading disabilities, test of developmental lag hypothesis of reading disabilities, 1488
neuromaturational indicators of delayed development, preschool children, 22287
neuropsychological analysis of memory disturbances, developmentally delayed children, review of study by A. R. Luria, 9594
occupational & speech therapy, preschool children with developmental problems, 14963
planning & structuring monological speech, developmentally delayed vs mentally retarded 5–7 yr olds, 9463
prenatal ethanol exposure & gamma-linolenic acid, behavioral development & reproductive outcome & body & brain weight & activity level, mice, 19511
project REACH & identification & assessment & intervention & prognosis of cerebral palsy & Down's syndrome & autism & other delays, preschool age children, longitudinal studies, 27222
remedial program in spelling & grammar, 8–9 yr old developmentally delayed students, implications for teaching methods, USSR, 7731
role of speech therapist & tutor, speech development, preschool students with underdeveloped speech, USSR, 7736
special preparatory science education, developmentally delayed children, USSR, 7732
syllable stress & serial position, error variability in polysyllabic productions, 5.2–6.9 yr olds with speech delays, 9482
teacher organized training for acquisition of language program, children with generalized or language-specific developmental delay, 28583
transactional systems analysis approach, failure to thrive with organic & psychological etiology, 6 mo old male & his parents & hospital staff, 18146
vestibular disorders, developmentally delayed 3.5–5.5 yr olds with vs without otitis media, 4196

Delayed Feedback [See Also Delayed Auditory Feedback]
intense short term delayed auditory feedback program, consonant-vowel duration & vocal frequency, 7–14 yr old male stutterers, 12612
Delayed Reinforcement [See Reinforcement Delay]
Delinquency (Juvenile) [See Juvenile Delinquency]
Delirium
characteristics of unstable delirium, conference presentation, 3926
comprehension & delirium & theories of F. Nietzsche, 9548
crepuscular hysteria & neurotic delirium vs psychotic delusions, patients, 19956
diazepam, alprazolam withdrawal delirium, 68 yr old male, 20425
low dosage desipramine, delirium, depressed 68 yr old female, 22552
physostigmine, ranitidine-associated delirium, 25 yr old female with depression & suicidality, 25292
postoperative delirium & plasma cortisol & beta-endorphin levels, male 42–65 yr old patients who had elective surgery, 22622
reliability & validity of Cognitive Capacity Screening Examination, identification & diagnosis of delirium & dementia, 16–75 yr old psychiatric patients, conference presentation, 5287
screening of cognitive deficits by physicians, dementia & delirium, elderly medical patients, 20206
test & interrater reliability of bedside cognitive screening tests, diagnosis of delirium & dementia, 16164
Delirium Tremens
age & social & biological factors, clinical characteristics of alcohol pathology, alcoholics with history of delirium tremens, 4005
catecholamine excretion & autonomic disorders, disease severity & affective & motor disturbances, patients with acute vs abortive vs severe alcoholic delirium, 9378
lethality & relapse & epileptic seizures, psychiatric patients with delirium tremens, 20161
magnesium therapy, prevention of seizures during alcohol detoxification, alcoholic inpatients, 18316
Delusions
aging process, delusional experiences, 74 yr old widowed male & 78 yr old widow, 6444
analysis of traces of insight in delusions during psychotherapy, 30 yr old chronic schizophrenic female, 25127
anthropological & ontoanalytical perspectives of delusions, 24615
apragmatism & indifference & disinterest & desire in psychosis, delusions & hallucinations, 9228
behavior modification, delusional verbalization & aberrant behavior, mildly mentally retarded 23 yr old female with severe emotional disturbance, 22481
Capgras syndrome as valid diagnosis vs symptom of other mental disorder, 76 yr old woman with changeling delusions, 1274
chronic delusions of homosexual lover, 27 yr old schizophrenic male, 24694
clinical course, 19–69 yr old depressed inpatients with vs without delusions, 1-yr followup, 19977
clinical picture of homosexual panic, 6581
content of grandiose ideas & delusions, English vs African vs Jamaican vs Continental European vs English speaking non-Europeans vs Indians vs Middle vs Far Eastern vs Caribbean psychiatric patients, 19967
crepuscular hysteria & neurotic delirium vs psychotic delusions, patients, 19956
De Clerambault's erotomania syndrome & potential for violence, 31 & 35 & 44 yr old males, 27304
defective interhemispheric integration, Schneiderian delusions in schizophrenia, 11983
delusion of reincarnation, 36 yr old female with schizophrenia, 17420
delusional parasitosis syndrome & physical disease, 68–92 yr old patients, 24867
delusions & diagnosis, 18–59 yr olds with manic depressive psychosis & coexisting paranoid symptoms, 11–15 yr followup, 27315
delusions of being a cock following cerebral contusion, 56 yr old male, 14791
dexamethasone suppression test, delusional vs nondelusional depressed patients, 6475

dexamethasone suppression test in delusional vs nondelusional depression, 65 yr old male & 67 yr old female, preliminary evidence for psychotic & nonpsychotic depression as clinically distinct entities, 11958
diagnostic & treatment considerations, 66 yr old female who believed she had been transformed into an animal, 22034
distortions in taste physiology, delusions of halitosis, 26–61 yr olds, 6780
early childhood experience & Freudian concept of psychotic regression in dreams & interpretation, 34 yr old delusional schizophrenic female who had been blind since 2nd or 3rd yr of life, 6494
ECT, 64 yr old female with delusional depression & ideopathic thrombocythemia, 17726
erotomania, 44 yr old female with schizophrenic symptoms, 14608
familial psychopathology, patients with delusional disorder vs paranoid schizophrenia vs major psychiatric illnesses, 12027
genesis & reinforcement & perpetuation & core of reality & treatment, paranoid disorders, 15–82 yr old delusional patients & their families, Israel, 11946
incidence of multiple episodes of psychotic or schizophrenic symptoms, schizophrenic vs schizoaffective vs unipolar depressed vs bipolar affective disordered patients, 9355
Koro syndrome, 25 yr old Black male, 1291
models of L. Festinger's cognitive dissonance & R. Thom's catastrophic theory, interpretation of delusional thought, patient with bifurcation of dissonant cognitive elements, 14643
mood congruent & incongruent psychotic symptoms, schizophrenic vs schizoaffective manic or depressive vs unipolar or bipolar depressed patients, 9357
nortriptyline, monosymptomatic delusion of parasitosis, 62 yr old female, 7233
nosology & consistency of de Clerambault's syndrome, 1289
paranoid delusional syndrome, male patient with toxic encephalopathy due to ingestion of bismuth salts, 14899
personal questionnaire measurement of fixity & intensity of delusions, 33 & 39 yr old males with paranoid schizophrenia or schizophreniform psychosis, 6505
prevalence of Capgras syndrome vs delusional misidentification, hospitalized psychiatric patients, 14664
prevalence of delusions & cognitive status & other psychopathological states, geriatric patients with dementia, 27271
quality & quantity of delusional activity, adolescent schizophrenic patients, 9275
rekindling of native myths in cargo cult through prophecy by psychotic cult leader, Malaysia, 22084
serum prolactin & luteinizing hormone & testosterone & estradiol levels, 24–37 yr olds with paranoid schizophrenia & delusions of homosexual content, 27357
social construction of reality, family's attribution of competence to severely retarded child, comments on case report by M. Pollner & L. McDonald-Wikler, 14774
social construction of reality, family's attribution of competence to their severely retarded 5.5 yr old daughter, 14772
societal expectations, persecutory delusions & self accusation, 31 & 52 yr old depressed male & female, Maghreb & South Sahara, 1336
tricyclic antidepressants & ECT, clinical response, delusional & depressed inpatients, 12553
types of delusions, 34–86 yr old patients with organic disorders, literature review, 4115
validity of first-rank symptoms vs 9th International Classification Diseases vs DSM-III vs Research Diagnostic Criteria vs P. Berner's axia syndromes criteria, psychodiagnosis & prognosis, delusional 16–61 yr olds, Austria, 6–9 yr followup, 18984

Dementia [See Also Presenile Dementia, Senile Dementia]
ACTH & beta-lipotropin & beta-endorphin levels, 46–83 yr olds with dementia, 14823
adrenoleukodystrophy diagnosed as alcoholic dementia, 27 yr old male, comments on D. R. Weinberger's support for computerized axial tomography scans in psychiatric diagnosis, 6729
advances in medical diagnosis utilizing measurement of cerebral function & blood flow & metabolism, dementia patients, comments on study by R. J. Mathew et al, 24591
Anna Thompson story & delayed memory test, recent vs delayed recall of culturally relevant material, demented vs nondemented community vs institutionalized elderly Jewish patients, 13435
arousal & demands & interest level of environmental setting, behavior, demented patients, 4202
behavioral & cognitive impairment & need for home care or institutionalization, patients with Alzheimer's disease vs multi-infarct vs mixed dementia, 5-yr longitudinal study, 17550
brain & dementia research in gerontology, West Germany vs US & UK & France & Italy, 30407
clinical aspects of presbyophrenia vs dementia, elderly patients, 17556
clinical symptoms, 67 yr old male with amyotropic lateral sclerosis accompanied by dementia, 14802
cognitive & behavioral deterioration characteristic of dementia of Alzheimer's type, 50–61 yr old hospitalized patients with Down's syndrome, 17513
cognitive & communication assessment, patients aged 65 yrs & older, implications for differential diagnosis, 9623
color vs form sorting, mildly vs moderately vs severely demented patients, 22267
concept of subcortical dementia associated with Huntington's & Parkinson's disease & progressive supranuclear palsy, 9552
concurrent depression & dementia, 70 & 73 & 61 yr old females, implications for diagnosis & treatment, 24627
content & organization of semantic attributes, 62–90 yr olds with dementia, 12206
content & scoring & reliability & validity of Kendrick Battery for Detection of Dementia in Elderly, differentiation between depression & dementia, aged, 5300
cortical cholinergic levels & cognitive impairment, postmortem study of 62–92 yr old patients with Parkinson's vs Alzheimer's disease, 6838
cross validation of short forms of WAIS-R, geriatric patients with suspected dementia, 16158
CSF adenylate kinase activity, hospitalized 22–82 yr olds with Alzheimer's disease vs multi-infarct dementia vs normal pressure hydrocephalus, 30350
CSF beta-endorphin & lipotropin levels, 59–79 yr olds with Alzheimer's disease vs multi-infarct dementia, 17678
dementia as possible complication of acute hydrocephalus, 63–76 yr old patients surgically treated for cerebellar hemorrhage or infarction, 3 case reports, 1596
desglycinamide-9-arginine-8 vasopressin, learning & memory, patients with Alzheimer's disease & dementia associated with alcoholism, 15171
dexamethasone suppression test, depressive symptoms, demented patients over age 70, 1585
dexamethasone suppression test, differential diagnosis of depression & dementia, dementia patients over age 65, 17339
dexamethasone suppression test, differential diagnosis, 55–88 yr olds with moderate dementia vs depression vs aged healthy Ss, 22260
dexamethasone suppression test, distinction of dementia with vs without depression, 53–80 yr old Alzheimer's disease patients, 22266
dexamethasone suppression test, patients with dementia, 22099
dexamethasone suppression test response & cortisol levels, patients with depression vs dementia vs pseudodementia, 22033
diagnostic evaluation, incidence of dementia, elderly outpatients, 1-yr followup, 22289
diagnostic utility of lumbar puncture & CSF analysis, dementia, elderly patients, 14843
diagnostic utility of lumbar puncture & CSF analysis, dementia, hospitalized elderly patients, 14795
differential mental rigidity & color-constant sorting-by-form task, elderly patients with dementia, 27566
dosages of piracetam, mental deterioration, elderly patients with early signs of dementia, 7212
ECT, motor activity & affective state, 73 yr old female with Parkinson's disease & dementia & major depression, case report, 30537
EEGs & scanning techniques & testing, diagnosis of dementia, conference presentation, 3884
etiology & diagnosis & management of Alzheimer's & multi-infarct & mixed dementia, aged, 3782

etiology & treatment of infantile dementia, 21 yr old male with Heller's disease, 6811
goals & techniques for physical & behavioral status assessment, patients with dementia, 4179
historical 19th century view of dementia & depression & paralysis & brain localization, 6717
Huntington's chorea without dementia, 54 yr old male, 14915
hypolipemic diabetic diet & fenofibrate, hyperlipidemic dementia, 60 yr old female, 22560
identification of dementia secondary to treatable physical & psychiatric disorders, 59–94 yr old psychiatric hospital patients, 22382
impairments of memory storage & retrieval, healthy 60–77 yr olds with diazepam induced memory deficits vs 54–82 yr old outpatients with primary degenerative dementia, 30363
importance of X-ray tests for detection of possible physical disorders, illustrative case of 62 yr old female with dementia & meningioma, comments on E. P. Larkin's view, 14893
inhibition of competing responses in recognition memory, 47–83 yr old amnesic patients with Korsakoff's syndrome vs senile vs multi-infarct dementia, 25001
intellectual impairment & presence of motor deficit & cerebral atrophy, patients with Parkinson's disease, 4114
lecithin & piracetam, 64–81 yr old psychiatric patients with dementia, 9909
lithium, 72–85 yr old patients with severe dementia combined with aggressive & overactive behavior & agitation, 1926
microcomputer-based Psychometric Assessment System & Dementia Screening Battery, differentiation of age-related vs incipient dementia, humans exposed to neurotoxins, conference presentation, 23361
mortality, patients with senile or multi-infarct dementia, Sweden, 15–25 yr longitudinal study, 27654
multidisciplinary treatment approach, residual capacities & discharge, hospitalized geriatric patients with dementia, conference presentation, 4656
myocardial infarction-induced chronic bilateral medial temporal lobe ischemic damage involving hippocampus & subiculum & amygdala, 67 & 85 yr old females with dementia, case reports, 30477
National Adult Reading Test & Mill Hill Vocabulary Scale—Synonym section scores, estimation of premorbid intelligence & severity of dementia, 65–86 yr olds with Alzheimer's disease vs multi-infarct vs mixed etiology dementia, 27640
need for computerized axial tomography & neurological consultation, patients with dementia of unknown origin, comments on article by D. R. Weinberger, 6902
need for new nomenclature for atherosclerosis of cerebral vasculature & occurrence of infarction & dementia, comments on article by A. F. Wright & L. J. Whalley, 4163
neurochemistry of dopamine metabolite homovanillic acid before & after probenecid & normal aging, males with Huntington's dementia, 22332
neuropathology & accuracy of clinical diagnosis of dementia, patients 59–95 yrs old at time of death, 27630
neuropathy with dementia & retinitis pigmentosa & dysautonomia, 59 yr old female & other family members, 20217
neurophysiological & psychopharmacological aspects of memory dysfunction & vigilance in aging & dementia, 17661
neuropsychiatric disturbance & clinical course, limbic dementia, 3 case reports, 27514
neuropsychological basis of cognitive impairment, patients with idiopathic Parkinson's & Alzheimer's disease, 14806
nuclear magnetic resonance, differential diagnosis of groups of dementia, 1262
nursing approach to management of wandering & agenda behavior, nursing center patients with dementia, 20525
olfactory recognition deficit, patients with Alzheimer's vs Parkinsonian vs alcoholic dementias, 12182
onset & awareness of cognitive disturbance & vegetative symptoms & patterns of speech, differential diagnosis of depression vs dementia, geriatric patients, 3790
parallel-form reliability of Wechsler Memory Scale, geriatric patients with suspected dementia, 5315
pathological changes assessed by post mortem examination, deceased 67–75 yr old patients with dementia & without Alzheimer pathology, 9545
Pearson product-moment correlations between WAIS-R & Wide Range Achievement Test, patients with suspected dementia, 9580
perceptions of effectiveness of diagnosis & treatment & management of progressive dementia, physicians & family members of patient, 15234
performance on tests of visual retention & paired associate learning & object-memory evaluation, aged with vs without primary degenerative dementia vs major depression vs 63–86 yr old geropsychiatry inpatients, 24595
periodic complexes in serial sleep & waking EEGs, 54–69 yr old Creutzfeldt-Jakob disease patients, 20126
peroxidation of polyunsaturated fatty acids & demential syndromes, 1535
pharmacological & nonpharmacological treatment modalities, Alzheimer's disease & multi-infarct dementia, 6940
piracetam &/vs pentoxifylline, psycho-intellectual performance, aged Ss with onset of slight to moderate mental deterioration, 20408
prediction & diagnosis & specificity & sensitivity using Mini-Mental State Examination & level-of-orientation evaluation, medical patients with dementia, 20186
prevalence of clinical heart disease & hypertension, 60–91 yr olds with Alzheimer's disease vs multi-infarct dementia vs major depression, 20257
prevalence of delusions & cognitive status & other psychopathological states, geriatric patients with dementia, 27271
prevalence of depression, aged patients with dementia in rehabilitation program, 30-mo followup, 22762
prevalence of severe dementia, Black vs White female vs male residents, 17663
prevalence of severe dementia, humans over 30 yrs old, Finland, 17677
problems in DSM-III framework & suggestions for improved diagnostic criteria for dementia, 30415
program for enhancement of self esteem & relaxation & vitality & exercise, demented elderly residents of intermediate care facility, 12730
qualitative analysis of Benton Visual Retention Test scores, psychopathological diagnosis, neurotic & demented & schizophrenic & depressed patients, 1364
rehabilitation in psychogeriatric hospital, aged females with dementia, 3-yr longitudinal study, 22704
relationship between depression & dementia, 17289
reliability & validity of Cognitive Capacity Screening Examination, identification & diagnosis of delirium & dementia, 16–75 yr old psychiatric patients, conference presentation, 5287
responses of "I don't know" for Mini-Mental State Examination, elderly patients with primary degenerative dementia vs primary major depression, 6464
Rorschach test, discrimination between parenchymal & cerebrovascular forms of dementia, 56–75 yr old patients, 6854
screening of cognitive deficits by physicians, dementia & delirium, elderly medical patients, 20206
spin lattice relaxation time obtained during nuclear magnetic resonance imaging of brain, patients with idiopathic parkinsonism with vs without dementia, 30359
subacute spongiform encephalopathy with amyloid infiltration of cerebral vessels, 62 yr old male with Creutzfeldt-Jakob disease, case report, 27595
subcortical dementia & depression, reply to criticism by R. W. Pies, 27581
subcortical dementia, comments on article by S. J. Huber & G. W. Paulson, 27649
subjective psychiatric rating scales vs objective cognitive test scores, geriatric patients with dementia being screened for participation in experimental drug trial, 30364
susceptibility to interference, prediction of ability to improve performance on Weigl test through practice, demented vs nondemented Ss over 65 yrs old, 14840
test & interrater reliability of bedside cognitive screening tests, diagnosis of delirium & dementia, 16164
test-retest reliability for verbal fluency test, patients with dementia syndrome, 8061

tricyclic antidepressants &/vs ECT, depression, hospitalized geriatric patients with dementia &/or depression or other affective disorders, implications for treatment of elderly, 22376
use of MAO inhibitors, demented depressed patient with abnormal dexamethasone suppression test following antidepressant therapy, implications for diagnosis of Pick's disease, reply to comments by M. A. Jenike, 18116
use of MAO inhibitors, demented depressed patient with consistent reversal of abnormal dexamethasone suppression tests following antidepressant therapy, comments on article by M. Z. Wambolt et al, 18067
utility of CSF as potential biological marker of Alzheimer's disease & other dementias, 17683
utility of nuclear magnetic resonance imaging as diagnostic tool, Parkinson's disease patients with vs without dementia, 30360
validity of Kendrick Battery for the Detection of Dementia in the Elderly, elderly patients with dementia vs depression, 13432
vasoactive intestinal polypeptide concentration in CSF, patients with normal pressure hydrocephalus vs multi-infarct dementia vs cerebral infarction, 1668
visuospatial memory, 57–85 yr olds with dementia, 1558
Weigl's color form sorting test vs speed classification test, effect of irrelevant stimulus on interference, demented vs depressed aged patients, 12205
Dementia (Presenile) [See Presenile Dementia]
Dementia (Senile) [See Senile Dementia]
Dementia Praecox [See Schizophrenia]
Democracy
democratic theory & workshops or conferences, changing worklife, employees, Norway, 18763
economic conditions & transition to democracy & increasing unemployment, electoral outcomes in 1977 & 1979 & 1982, voters, Spain, 6258
nonrecursive model for analysis of link between political democracy & income distribution inequality, 27059
perceptions of democracy in elementary school classrooms, teachers & students, 20736
Popular Power system of local democracy, Cuba, 6254
tolerance attitudes, political behavior & culture & public policy & elitist theory of democracy, public, 17109
Democratic Party [See Political Parties]
Demographic Characteristics
academic & demographic factors, performance on obstetrics & gynecology subject exam, medical students, 15516
age & duration & status of 1st marriage & experience of child loss as demographic factors, fertility, 15–49 yr old ever-married Muslim females, Bangladesh vs Jordan vs Pakistan vs Indonesia, 19712
age & marital & female working status & income, shopping behavior, male vs female shoppers, implications for mass marketing of grocery products, 5159
age & race & marital status & sex & residential & household characteristics, risk of homicide victimization, lifestyle approach analysis of homicide rates, 14714
age & sex & diagnostic & treatment characteristics, children & adolescents treated in Dr. Juan N. Navarro Child Psychiatric Hospital, implications for program planning, Mexico, 1980, 28166
age demography, need for skilled nursing care facilities & rehabilitation programs, 7410
analysis of covariance, adjustment of performance variables among demographically mismatched Ss, alcoholic patients in simulated studies, implications for neuropsychological research, 19001
anthropometric variables & canonical correlation analysis of assortative mating, couples of Jewish ancestry with husband in military service, Brazil, 27108
birth in Zeeland & sex & living distance from power plant & political affiliation, attitudes toward civil use of nuclear power, 19–65 yr old Zeeuwen Ss, Netherlands, 17139
city size & offender characteristics & phase of criminal justice system, social organization of crime processing, criminals & control agents, 1977–79, 17113
clinical characteristics & demographic features & family history, patients with obsessive compulsive disorder, 17406
cluster analysis of demographic & criminological data, prisoners allocated to dispersal institutions, England, 30993
community involvement & mobility & jealousy & attitudes, comarital sex, swinging vs nonswinging couples, implications for etiological model, 29918
demographic & background variables & TV vs newspaper exposure to political content, adults, implications for validity of exposure measures, 8633
demographic & clinical characteristics & incidence of mental disorders, 18–65 yr old Black vs White males vs females vs Puerto Rican males addicted to opiates, implications for treatment, 30285
demographic & environmental characteristics, severity of maladaptive behavior, mentally retarded 4–83 yr olds in residential facility, 28145
demographic & handicapping & achievement factors, academic integration, hearing impaired students 8 yrs & older, 2485
demographic & personal & clinical factors, return to duty & posthospitalization adjustment, soldiers, Israel, 2.5-yr followup, 10095
demographic & personality characteristics & drinking & driving & hostility attitudes, male drivers arrested for driving under influence vs nonalcohol related violations or traffic accidents vs general driving population, 24764
demographic & personality characteristics, attitudes toward & habits of gambling, female vs male 18–50 yr olds, Great Britain, 17246
demographic & personality variables, household responsibilities, middle class parents of 1st & 2nd graders, 3638
demographic & psychological & health & mobility characteristics, aged Ss living alone vs with spouse vs with children, 3396
demographic & psychological variables & patterns of bereavement, willingness to participate in support group, 50–89 yr old recent widows & widowers, longitudinal studies, 27862
demographic & psychosocial characteristics, decision to dropout of vs remain in vs refuse membership in day care psychosocial rehabilitation program, chronically mentally disabled 20–55 yr olds, US, 25561
demographic & psychosocial factors & incidence, depression, 14–18 yr old urban females, implications for assessment, 19925
demographic & social & behavioral characteristics, 6–11 vs 12–18 yr old educable mentally retarded students, 27471
demographic & social characteristics, cancer patients who committed suicide, Sweden, 1973–76, 12171
demographic & social history & program participation variables, residential care facility program outcome, 11–18 yr olds, 28154
demographic & sociocultural characteristics of demand for & use of special service for alcohol-related problems, 26–45 yr old 1st time users vs treatment terminators, 28264
demographic characteristics & correlates, infant & child mortality, ever-married 15–19 yr old mothers, Jordan & Egypt & Tunisia & Yemen Arab Republic, 27496
demographic characteristics & education & religious commitment, perceptions of external causes of illness &/vs role of lifestyle choices in future health, 25–40 yr old working class mothers, Wales, 11832
demographic characteristics & educational background & professional involvement in research & education & service delivery, surveyed psychological personnel, 1983, US, 15548
demographic characteristics & emotional status & cognitive functioning, social support & bonds, 61–89 yr olds, 6158
demographic characteristics & employment history & independent living & drug use, 18–30 yr olds with schizophrenic disorders treated in community, 15303
demographic characteristics & epidemiology, alcohol drinking patterns, Ss over 14 yrs old, Mexico, 27122
demographic characteristics & need for continuous monitoring, criminal defendants committed to mental hospitals by reason of insanity, Canada, 25528
demographic characteristics & preadoption motivations & postplacement adjustment, families who adopted or fostered mentally retarded children, England, 30857
demographic characteristics & professional practices, psychiatrists vs psychologists vs social workers vs primary care physicians, 15509
demographic characteristics & psychiatric history, identification of suicide attempters vs completers, hospitalized females, 5-yr followup, 27457

demographic characteristics & self concept & study methods, causal attributions for performance on college entrance exam, high school students, Philippines, 4922
demographic characteristics & violent behavior & civil commitment, 18–85 yr olds admitted to acute psychiatric care unit, 1973 vs 1983, 18271
demographic characteristics, former nuns, implications for psychotherapy, 22417
demographic characteristics, migration expectancy, female vs male residents of rural areas, India, 976
demographic characteristics, prediction of use of injectable vs oral antipsychotic medication, outpatients, conference presentation, 12576
demographic characteristics, recreation & generic housing form, household members, implications for environmental planning, Canada, 31557
demographic characteristics, 20–69 yr old patients hospitalized for attempted suicide, Denmark, 3967
demographic factors & home environment & health & use of medical services & help received, clients aged 65 & older from home care programs vs at risk for institutionalization, Canada, 7309
demographic factors & psychiatric diagnosis & competency to stand trial & prediction formula, defendants, 24392
demographic factors & stress & drinking history & alcoholic & problem drinking status, risk factors for alcohol-related traffic accidents, conference presentation, 24798
demographic factors, observed vs parents' reported safety belt use, parents & their children, Canada, 5031
demographic factors, prediction of alcoholism treatment outcome & aftercare participation, alcoholic male veterans, 25594
demographic factors, predictions of beliefs in heredity vs environmental determinants of features of human nature, 16–70 yr olds, 24545
demographic indices & response to stresses, parents of handicapped school age children, 27246
demographic variables & attitude functions & store behavior, store attitude & behavior, patrons of discount & catalog stores, 23320
demographic variables & psychological beliefs, attitudes toward social security recipients, adults, 3549
demographic variables, prediction of WAIS full scale IQ, 15–81 yr olds, extension & replication of method developed by R. S. Wilson et al, 18955
demographic variables, risk of mortality, twins born 1886–1925, Sweden, longitudinal study, conference presentation, 3135
demographic variables, scores on & utility of modified version of Attitudes Toward Seeking Professional Psychological Help Scale, counselors & other professionals vs community residents, New Zealand, 28101
demographics & characteristics, community mental health center utilization, psychiatric patients, 1973–75 vs 1981–83, longitudinal study, Italy, 22646
demographics & characteristics of child abuse, abusive parents, implications for school counseling, 27390
demographics & personality & attitudes toward therapy, continuation in group behavior therapy program for self control, 18–60 yr old depressed females who completed vs dropped out of vs refused treatment, 9855
demographics & professional activities & theoretical orientation & career satisfaction, attitudes toward clinical practice & theory, clinical psychologists, South Africa, 28327
demographics & stressful life events & sociocultural factors, prediction of depressive symptomatology, Black males, 17341
demography of borderline personality traits, female & male psychiatric patients, 22123
developmental & cultural factors, drawings of family meal, 2–5 vs 6–11 vs 12–18 vs 19–98 yr olds, 3405
developmental therapy & demographic factors & level of disturbance, development of behavior & communication & socialization & academics, autistic & developmentally delayed & emotionally disturbed 5–8 yr olds, 4-yr longitudinal study, 17716
diagnostic & demographic characteristics, defendants with repeated competency to stand trial evaluations, 17124
discriminative analysis, assessment of demographic differences & selection bias in attrition survey, college student persisters vs nonpersisters, 10560
epidemiological & demographic & clinical features of anxiety disorder, literature review, 19975
evolutionary perspective on demographic characteristics & sexual histories & reproductive success, White human females, 24425
evolutionary perspective on kinship & age & wealth & sex & social support & expected reproductive potential, helping behavior, White middle class human females, 24426
family & demographic factors, frequency of social support, elderly Blacks, 17092
family & personal history & intelligence & personality & response to therapies, 18–60 yr old male & female agoraphobics vs social phobics, 3906
family & psychological & demographic variables, reading & math achievement, deaf 8–15 yr olds in residential state school, 15852
family background & contact with social welfare service as predictors, drug abuse, 15 yr olds, Sweden, longitudinal study, 4000
family background & demographic characteristics, illegitimate birth status & subsequent living conditions, females aged 18–21 at birth of illegitimate child, Scotland, 6216
family demographic characteristics & structure & environment & help seeking behavior, Black 13–18 yr old mental health clinic clients & their parents, 30854
geographic & socioeconomic & demographic variation in voluntary seat belt use, drivers, 20835
individual characteristics &/vs opportunity structure &/vs Appalachian regional residence, conditions of employment & job characteristics & financial rewards, nonmetropolitan females 18 yrs & older, 7841
inhalant abuse & juvenile delinquency, chronic inhalant abusing juvenile delinquents, 1448
institutional sector & social origins & age & education & income & social contacts, attitudes toward economic policies, industrial vs nonindustrial executives & owners of large fortunes, US, 17238
jury dogmatism & defendant similarity & pretrial suffering, sentencing decisions, college students as jury members, 21929
knowledge of suicide facts & myths & demographic & clinical correlates of suicidality, college students vs home health care vs outreach personnel, 27427
living conditions & demographic characteristics & functional outcomes, male vs female schizophrenic patients who had received psychiatric treatment between 18 mo & 10 yrs earlier, followup study, 24731
median split procedures, Bem Sex-Role Inventory gender role classifications & demographic characteristics, males vs females 17 yrs & older, 5276
mental health records & profiles & effects of Insanity Defense Reform Act, inmates found not guilty by reason of insanity, 25560
multiple regression analysis of sociodemographic characteristics & residential income property ownership variables, 6167
national survey, characteristics of those supporting vs opposing prayer in public schools, 1974 & 1980 & 1982, US, 27062
number & type & diagnosis of symptoms & sociodemographic variables, decision of length of stay in psychiatric hospital, 18–75 yr old patients, 10061
parent- vs child-related demographic characteristics, congruency between mothers & fathers vs professional diagnostician's judgment of child's developmental status, 18–48 yr old mothers & fathers & their handicapped 8–80 mo olds, 30332
perpetrator & family variables in substantiated vs unsubstantiated cases of child abuse & neglect, children & adults, 3995
personal & structural background factors & value-expectancy perceptions of place utility, migration intentions & behavior, rural residents, Philippines, 29786
personal characteristics & reported behaviors & consequences of formal sexual harassment charges, complainants, 5122
personal characteristics, job satisfaction, employees 25–50 yrs of age & older, India vs Nigeria, 23277
personality & demographic & intellectual & sociocultural characteristics, alcoholic inpatients, Cuba, 30302
personality & demographic characteristics, communication effectiveness, teacher trainees preparing for independent living work with deaf adults, 7578
physiological & psychological & demographic & anthropometric factors, adherence to exercise program, healthy adults, 337

prevalence of depression & relationship to sociodemographic variables, rural 65–105 yr olds, 3903
psychiatric service utilization & demographic characteristics, children attending outpatient clinics, Australia, 22371
psychological & demographic assessment, sexually abused 3–16 yr olds, 30290
psychological & health & sociodemographic characteristics of experimental Ss who dropped out of research study, elderly adults, longitudinal study, 21671
psychological characteristics & sociodemographic & symptomatic correlates, victims of attempted vs completed suicide, 20018
psychological-developmental determinants of attitudes toward Aliyah, 18–65 yr old Zionists, US, 24270
psychosocial & socioeconomic & personality factors & work environment, etiology of cardiovascular disease, conference presentation, 12289
rater affective feelings & demographic factors, neutral responses to structured questionnaires about supervision & personnel policies & job & work factors & commitment, employees, 16136
rates & demographic correlates & symptoms, affective disorders & depression, males vs females with mean age of 38 yrs, 1347
role of demographic & family & individual factors, criminal activity, adolescents, 30291
self esteem & demographic characteristics, alcoholics in rural state, 1456
sex & age & intellectual functioning & family income, prevalence of severe depression, 3rd–5th graders, 3871
sex & age & social isolation & family structure & diagnosis & precipitating events, suicide attempters in psychiatric unit of general hospital, 12083
sex & family variables, job burnout, male vs female 18–70 yr old health & service workers & claims & service & telephone service representatives, 18773
social & demographic characteristics & previous experience with domestic violence, decision to return to husband, residents of shelters for abused women & their abusers, 17442
social & demographic characteristics, patients with neurotic vs psychotic depression, Nigeria, 24651
social background & participation in exercise program, psychological well-being, 55–81 yr old females, 19656
social background variables & urban social contacts & knowledge & evaluations of alternative destinations & mobility plans, rural-urban mobility behavior, household members, Thailand, 29788
sociodemographic & clinical characteristics, hospitalized schizophrenic patients of Igbo origin, Nigeria, 5-yr followup, 6528
sociodemographic & health & family & availability factors, predictors of size & composition of informal support networks, elderly Blacks, 21658
sociodemographic characteristics, participation in nonconsumptive wildlife-oriented activities near home, surveyed Ss over 15 yrs old, US, 1980, 14521
spouse behavior & social & demographic & personality characteristics, coronary heart disease incidence, husbands, conference presentation, 9526
strictness of states' handguns statutes & sociodemographic data & crime, US, 29884
typological analysis, drug addicts in outpatient care, France, 20052
urban vs rural environment & occupation & education level & gender & age, attitudes toward life & social structure, Poland, 17037
viewing national TV news program & viewer characteristics, relative salience of political issues, adults, 26762
Demonstrations (Social) [See Social Demonstrations]
Dendrites
dendritic spine function & anatomy, literature review, 23797
isolation & response to sensory stimulation of single dendritic branch of primary sensory neuron in abdominal ganglion, crickets, 5685
motor training, dendritic branching of neurons in motor-sensory forelimb cortex, rats, 23804
rearing in complex vs isolated environment, sexual dimorphism assessed by dendritic branching of dentate granule cells, male & female rats, 516
Denial
Christian therapy & changing perceptions of God, anger & denial, 35 yr old female who had been sexually abused as child, 17783
collective guilt & individual psychological boundaries regarding Nazi holocaust, professional & personal communication at meetings of International Psychoanalytic Association meeting, psychoanalysts, West Germany, 25654
denial & repressive style, information gain & rehabilitation outcome, 30–75 yr old myocardial infarction patients, 2164
denial & split identity & impulsivity, issues in psychoanalytic psychotherapy, chronic drug abusers, conference presentation, 28268
dynamics of denial in psychosis, 9354
effects of denying death to terminally ill hospital patients, doctors & patients, 2087
false feedback briefing vs debriefing, estimates of actor's task performance & ability attributions, actors vs Os, 1162
frequency of hypochondriasis & disease connection & psychological & somatic perception of illness & affective inhibition & disturbance & denial, 10–69 yr old dental patients in acute vs chronic pain, 30353
frontal & parietal lobe damage & lateralized influences, confabulation & denial of illness, 24926
group & individual processes & use of denial as defense against traumatization & facilitator of reintegration, Holocaust survivors & children of survivors, conference presentation, 22067
group denial of issues pertaining to the Holocaust at International Psychoanalytic Congress, West Germany, 1985, conference presentation, 22849
level of & change over time on denial & death anxiety & anxiety & depression & hostility & love & self esteem, 51–74 yr old terminal cancer vs arthritic patients, 18-wk longitudinal study, 27535
process of denial in group therapy, fathers who committed incest, 30636
psychotherapeutic stimulation of reverie & visitation of parental grave, denial of parent's death during childhood, adult offspring, 4367
role of awareness in reduction of stress by projection or repression or rationalization or denial mechanisms, college students, 6394
stress, developmental changes in trait & situational denial using lie scale, 6 vs 8 vs 10 yr old males, 21791
Denmark
admission to psychiatric hospitals & diagnostic & treatment complications, mentally retarded patients with psychiatric disorders, Denmark, 1983–84, 25500
allocation of resources for special education, Denmark, 2512
alternative advise movement, Denmark, 7372
analysis of psychology of resignation during unemployment crisis, workers, Denmark, 1982, 5040
attitudes toward creativity & desirable teacher characteristics, students & teachers, Denmark, 7658
change in language & mathematics teachers during school year, referral to special education, elementary school students, Denmark, 4950
coping behavior during crisis, residents, Denmark, 6411
demographic & psychiatric characteristics, repeated attempts vs actual suicide, suicide attempters, Denmark, 3-yr followup, 27458
demographic characteristics, 20–69 yr old patients hospitalized for attempted suicide, Denmark, 3967
diagnosis of schizophrenia of schizoaffective type during psychiatric hospital admissions, Denmark, 1970–78, 7425
epidemiological analysis, child abuse recorded by pediatric departments, Denmark, 24791
experts' opinions on disruptive behavior in schools & availability of educational services, disruptive students, West Germany & France & Switzerland & Denmark & Belgium & Austria, 10441
history & structure of special education, Denmark, 4946
history of school psychology training in Royal Danish School of Educational Studies, school psychologists, Denmark, 22912
homework as part of learning process, primary school students, criticism of F. Held's argument that homework should be abolished, Denmark, 7567
importance of special education & need for special education teachers, Denmark, 4942
long-term methadone treatment, Denmark, 25611
need & use of special education programs, Denmark, 4940
need for change in procedures for assignment of cases, school psychologists, Denmark, 7771

need for special education & well-trained special education teachers, Denmark, 4927
organizational structures of alcohol research, Denmark vs Finland vs Iceland vs Norway vs Sweden, 14684
outcome of anorexia nervosa, patients 8–43 yrs of age at primary contact, Denmark, 4–22 yr followup, 9630
parental rearing behavior & attitudes as measured by Swedish inventory, parents, Australia vs Denmark vs Hungary vs Italy vs Netherlands, 29815
perceptions of parental emotional warmth & rejection & protection, adults, Australia vs Denmark vs Italy vs Netherlands vs Sweden, 27010
personal & work environments & community social integration, 20–69 yr old suicide attempters, Denmark, support for theories of E. Durkheim, 24748
physical & psychological & social conditions & somatic complaints, Turkish migrant females, Denmark, 4172
psychiatric 1st-referral rates in community psychiatric service, inhabitants 15 yrs old & older, Denmark, 1957–61 vs 1978–82, 20483
quality & efficacy of special education, Denmark, 4956
relationship between spelling rules & sounds, reading comprehension, children vs adults, Denmark & US, 6068
remaining with class vs teaching certain subjects & grades, teachers, Denmark, 7669
revision of Danish Mental Health Act of 1938, Denmark, implications for involuntary commitment, 24406
role in management of special education resources, school psychologists, Denmark, 4957
role of special education at grade school level, Denmark, 4932
sex & institutionalization vs noninstitutionalization, life expectancy & mortality, Down's syndrome patients, 3-yr followup, Denmark, 30941
social transformation & origins of new forms of voluntary associations, Denmark, 2653
suicide by train & mental illness, 15–89 yr old suicide victims, Denmark, 1979–82, 24785
teacher change, need for special education, 3rd–7th graders in language vs mathematics, Denmark, 7721
teaching methodologies in regular education, number of referrals for special education, Denmark, 4941
teaching models & participants' characteristics & background, college students & teachers in psychology departments, Denmark, 12953
time between initial psychiatric contact & diagnosis & stability of diagnosis, male vs female patients diagnosed as schizophrenic, 1972–83, longitudinal study, Denmark, 27340
treatment delivery services, learning disabled adults, Denmark vs Netherlands, 12317
utilization of prenatal medical care & physical & mental & behavioral consequences for offspring, drug addicted mothers & their children, 2- & 8- & 9- & 11-yr longitudinal studies, Denmark, 12081

Density (Social) [See Social Density]

Dental Education
significance of admissions interview, prediction of performance, 2nd–4th yr dental students, 18408

Dental Students
anxiety level & dental stressors, 1st yr vs senior dental students vs practicing dentists, 15474
own gum color, attitudes toward different colors of normal healthy gingiva, dental students, 2224
significance of admissions interview, prediction of performance, 2nd–4th yr dental students, 18408

Dental Surgery
PK 8165, heart rate & anxiety & somatic symptoms, anxious dental surgery patients, 22575

Dental Treatment [See Also Dental Surgery]
clinical process & outcome methodology in investigation of systematic desensitization & psychophysiology, 21–37 yr old dental phobics, 27900
dentists' technical competence vs staff interpersonal skills vs office organization vs financial practices, satisfaction, dental consumers, implications for marketing, 30799
educational aspect only vs entire procedure of stress inoculation training, dental anxiety & pain tolerance & follow through with appointment, dental phobics, conference presentation, 9849
factors in selection & evaluation, real vs ideal dentists, dental patients over age 16 yrs, 30802
flooding & coping skills training, reduction of fear & avoidance of dental treatment, 17–51 yr old dental phobics, 4-mo followup, 1877
hypnosis in behavioral & psychodynamic therapy & relaxation & suggestive techniques, clients with behavioral dental dysfunctions, 20430
mastery vs coping videotapes, anxiety & disruptive behavior, 5–7 yr olds undergoing restorative dental procedure, 28053
pain remembered 3 mo after dental appointment vs expected & experienced pain, 16–66 yr old dental patients, 4570
perception of likelihood of negative events during dental treatment, attendance pattern & anxiety level, dental patients, 9984
physical exercise at submaximal work loads, dental pain thresholds & plasma levels of ACTH & cortisol & prolactin & growth hormone, 23–44 yr old males, 3214
presentation of stress relevant vs irrelevant filmed intervention, dental anxiety, 3–11 yr old patients, 15263
psychological & behavioral factors & dental anxiety, 7–11 yr olds, 25347
self speech & regulation during dental visit, 8–12 yr old high vs low anxious children, 9995
stimulation of dental care demand applying reasoned action theory by I. Ajzen & M. Fishbein, 21–50 yr olds who had not received dental care for at least 2.5 yrs, 25361

Dentist Patient Interaction [See Therapeutic Processes]

Dentistry
dental problems & need for psychiatric-dental liaison in treatment, 18–34 yr old females with bulimia, 27743
frequency of hypochondriasis & disease connection & psychological & somatic perception of illness & affective inhibition & disturbance & denial, 10–69 yr old dental patients in acute vs chronic pain, 30353

Dentists
age & sex, motivational factors, female vs male general physicians & dentists in public vs private health care organizations, 28354
anxiety level & dental stressors, 1st yr vs senior dental students vs practicing dentists, 15474
factorial validity of Work Motivation Questionnaire, female vs male general physicians & dentists, 26253
factors in selection & evaluation, real vs ideal dentists, dental patients over age 16 yrs, 30802
patient's pain & ability to anesthetize, stress reactions, dentists, 4588

Deoxyribonucleic Acid
chronic ethanol administration with vs without hypothermia, protein & RNA & DNA synthesis in brain, infant rats, 8598
chronic ethanol exposure, increases in glial S-100 protein & DNA in brain, gerbils, 5926
degree of learning & amount of paradoxical sleep, synthesis of radioactive cerebral DNA during shuttlebox avoidance training, female rats, 13799
DNA sequences on chromosome 21, predisposition to trisomy 21, families with 1 normal offspring & 1 with trisomy 21, conference presentation, 17497
examination of DNA of brain cortex obtained from autopsy specimens, patients with Alzheimer's disease, 6877
high vs low distress, DNA repair in lymphocytes, 19–59 yr old nonpsychotic psychiatric patients, 17374
identification of genes & DNA sequences on chromosome 21, pathogenesis of Down's syndrome, conference presentation, 17523
ring chromosome 21 without Down's syndrome phenotype, 14 mo old, conference presentation, 17517

Dependency (Drug) [See Drug Dependency]

Dependency (Personality)
crisis intervention techniques to prevent hospitalization, 24 yr old female intensely dependent on treaters & hospitalization, 22386
defensive & pathological aspects of narcissism & dependency, 11797
dependence & strategy patterns, observation & imitation of model's behavior, kindergartners, 3475

dependent & independent personalities of philosopher & theologian & teacher P. Abelard, 30036
depression & dependence & inactivity & anxiety as psychological features, rheumatoid arthritis, 4109
development & validity of Pseudoautonomy & Peer-Group Dependence scales, assessment of grandiosity & idealization, adolescent psychiatric inpatients & high school students, 28974
dimensions of interaction, sensitivity to rejection & dependency, 20–50 yr old group therapy members, 12451
emotional & achievement-related & instrumental dependency assessed by dependency questionnaire, depression, conference presentation, 30207
historical & developmental roots of female dependency, 26948
independence & helpfulness & dependency & aggressiveness & friendliness, male vs female only vs non-only 5–7 yr olds, 948
interactional perceiver & target & situational characteristics, social cognition, dominant vs dependent male college students, 3695
intergenerational transmission via social reinforcement & parental childrearing attitudes, family interdependence & personal dependency, grandmothers & mothers & children, 29825
interpersonal dependency & learned helplessness & other personality traits, male vs female patients recovered from nonbipolar depression, conference presentation, 3855
interpersonal problems & unassertiveness & dependence, agoraphobics, treatment implications, 11952
psychoanalytic Christian counseling, self esteem & dependent personality, 45 yr old divorced female who was abused by her exhusband, 17766
reliance on public sector for economic support & remedies for structured dependency, elderly, Australia, 16988
sex-related dependency themes in fictional books, review of plot summaries in "Publisher's Weekly", children & adolescents, 1983–84, 27109
social environment & media system & interpersonal networks, dependency on mass media, individuals, application of sociological framework, 26761
staff-patient interactions, reinforcement of dependency, aged nursing home residents, implications for staff intervention, 7446
validity & reliability of questionnaire, measurement of autonomous vs dependent style of behavior, 9th & 10th graders & 2nd yr technical students, 7770

Depersonalization

depersonalization syndrome, 22 yr old female with progressive partial lipodystrophy, 6800
depersonalization, 39 yr old female who sustained mild closed head injury, case report, 27567
relaxation training, paradoxical anxiety reactions & depersonalization, criticism of article by W. D. Fewtrell, 1876

Depression (Emotion) [See Also Endogenous Depression, Involutional Depression, Manic Depression, Neurotic Depressive Reaction, Postpartum Depression, Psychotic Depressive Reaction, Reactive Depression]

abnormal NREM sleep, depressed 23–57 yr old males, comments on study by J. F. Hiatt et al on sleep spindles in schizophrenic patients, 6515
abnormalities apparent in dexamethasone suppression test, 18–71 yr old patients with schizo-affective depression, 6535
acquired immune deficiency syndrome & paranoia & organic brain syndrome & depression & suicidal ideation, 34–37 yr old males, 27659
ACTH & cortisol as indicators of circadian patterns of pituitary-adrenal activity vs dexamethasone suppression test, patients with depression, 19986
ACTH, primary & secondary memory assessed by free recall, depressed 21–50 yr olds treated with ECT, 9653
ACTH 4-9 analog, depression & anxiety, moderately depressed patients aged 50 yrs & over, 27953
ACTH 4-9 analog, memory & vigilance, depressed patients aged 50 yrs & over, 27954
ACTH 4–9 analog ORG 2766, temporal thresholds for processing rapidly presented single letters, 50–72 yr olds with dysthymic or major depressive disorder, 20380
activity program, depression & rehabilitation, depressed paraplegic 23–34 yr olds, 20538
actual-ideal vs actual-ought self concept discrepancy, dejection- vs agitation-related depression & anxiety, college students, 3738
acute & chronic antidepressant treatment, 5-HT neurotransmission, implications for depression, literature review, 18121
acute response to methylphenidate challenge as predictor of treatment outcome with desipramine vs amitriptyline, depressed 47–95 yr olds, 27997
acute vs chronic administration of clomipramine vs amitriptyline, prolactin & growth hormone & thyrotropin plasma levels, depressed inpatients, conference presentation, 12551
Adlerian approach to counseling & management skills, depression, clients, 17736
Adlerian approach to relationship of depression & locus of control & acceptance of self & others & perfectionism, college students, 27351
Adlerian family therapy, childrearing attitudes & practices & child's behavior, families with 24–61 yr old fathers/husbands diagnosed schizophrenic vs depressed, 12432
adolescent depressive mood & parent mood & 1 parent's role as buffer for 2nd parent's mood state, 30–56 yr old parents & their 10.4–14.4 yr old daughters, 24295
affect, self-relevant thoughts in depression, college students, 3758
affective imagery state, facial EMG activity, females with endogenous vs nonendogenous depression, 24640
afternoon spontaneous plasma cortisol level, endogenously vs nonendogenously depressed 18–84 yr olds, 14582
age & liver function & mean corpuscular volume & major depression, cortisol concentrations following dexamethasone suppression test, alcohol dependent patients on psychiatric inpatient unit, 17474
age & medical illness, dexamethasone suppression test, 9–86 yr old depressed general hospital inpatients, 3838
age & sex, prediction of variability in steady-state tricyclic antidepressant plasma levels, depressed patients treated with amitriptyline, 15176
age & sex, rates of depression among family members & pattern of transmission between generations, conference presentation, 3915
age at onset, duration of episode in unipolar depression, 18–88 yr olds, 24671
age, specific characteristics of anxious-delusional depression, 20–82 yr olds, 17313
aggression, patients with depression vs psoriasis, 6446
alaproclate, pupillary response to tyramine vs phenylephrine vs pilocarpine eye drops, 17–58 yr old depressed patients, 1960
alcohol misuse & major depressive syndromes, female criminals, 6-yr followup, 1437
alcoholics' expectations regarding effect of alcohol on mood & genetic links between alcoholism & depression, implications for treatment, literature review, 12079
alcoholism treatment program, depression & social support, alcoholic inpatients, 20558
alprazolam, adenylate cyclase activity, 33–65 yr old depressed patients, 1938
alprazolam-induced mania, 29 yr old female with depression, 25316
alprazolam vs amitriptyline, depression, inpatients & outpatients with shortened REM latency, 12579
alprazolam vs amitriptyline, patients with reactive vs neurotic depression, 15148
alprazolam, 47 yr old female with major depressive disorder & refractory migraine headaches, case report, 27989
amineptine, EEG, depressed patients, 7190
amineptine, hospitalized aged females with depression, 22543
amineptine, 18–70 yr old depressed patients, 30752
amitriptyline & haloperidol, symptoms of depression & anxiety, 7 & 9 & 14 yr olds with terminal cancer, 18080
amitriptyline & nomifensine, serum antidepressant & anticonvulsant levels, 18–70 yr olds with depression & epilepsy, 30773
amitriptyline, decrease in hostility during recovery, depressed patients with melancholia, 30723
amitriptyline, depression with melancholia, hospitalized patients with primary vs secondary depression, 30724
amitriptyline, depression, 28 yr old White male pilot with headaches & insomnia & weight loss, 12556
amitriptyline, heart rate & blood pressure, 60–82 yr old depressed patients, 25275
amitriptyline treatment, development of acute cerebellar syndrome, depressed 58 & 65 yr old male & female patients, 7234

amitriptyline, treatment responses, patients with primary vs secondary melancholia, 20385
amitriptyline vs MAO inhibitor R011-1163, depressed patients, 1943
amitriptyline, 37 yr old depressed male with liver bypass, 9904
amitryptiline, pre- vs posttest visual EPs & pain thresholds, patients with major depressive episode, 15183
analysis of antidepressant therapies, Brazil, 4484
ancillary cognitive & behavioral techniques with paradoxical intention, anxiety & depression & travel restrictions, 22–61 yr old agoraphobic clients, 17995
anger & hostility & anxiety & depression, somatization & hypochondriacal fears & beliefs, nonpsychotic psychiatric outpatients & medical patients & medical & law students & business employees, 3786
animist vs monotheist-cohesive vs individualist vs technological-individualist types of cultures, symptoms & diagnosis of depressive disorders, 1337
anorexia nervosa differentiated from major depression, comments on assertions by K. Z. Altshuler & M. F. Weiner, 6525
antidepressant therapy, 19–74 yr old depressed hospitalized psychiatric patients who committed suicide, 4512
antidepressants, clinical response, medical & neurologic & surgical patients with major depressive syndrome, 12574
antidepressive drugs, depression, 30707
antidepressive pharmacotherapy, nonverbal behavior, 25–68 yr old inpatients with endogenous or involutional depression, 20419
antithyroid antibodies, 13–29 yr olds with prominent depressive symptoms, 1344
anxiety & depression & mood factors associated with panic attacks, 18–57 yr olds, 27341
anxiety & depression & other aspects of mental health, Ss aged 65 yrs & older, 11489
anxiety & depression & psychosomatic complaints & behavior problems, parents & siblings of 4.7–18.1 yr olds with end-stage vs progressive renal disease, 27549
anxiety & depression as measured by MMPI & Taylor Manifest Anxiety Scale, WAIS scores, 15–78 yr old acute psychiatric inpatients, 30114
anxiety & depression due to vs not due to cancer, self ratings on anxiety & depression & somatization, cancer patients 18 yrs old & older, 9602
anxiety & panic disorders, depression & cardiac disorders, patients, literature review, conference presentation, 27229
application of computerized graphical display, observations of depressed patients, 6553
application of item-response model to Beck Depression Inventory, hospitalized medical vs depressed psychiatric patients, 134
assertiveness training vs attention control, depression & self esteem & assertiveness & attributional style, depressed housewives, 6-wk & 6-mo followups, 27894
assessment of depression & anxiety using instruments varying in emphasis on physiological & behavioral items, 18–79 yr old chronic dialysis patients, 7334
assessment of thought disorder, patients with psychotic depression vs chronic paranoid schizophrenia, reply to comments by S. R. Kay, 27281
assessment of thought disorder, patients with psychotic unipolar depression vs chronic paranoid schizophrenia, 27282
associations & ratings of associations to negatively vs positively colored words, depressed Ss, 17380
associations between depression & cancer of pancreas, 63 yr old male, 9195
attitudes toward emotional problems & psychiatric help, mental health care utilization, depressed male vs female college students, 25928
attitudes toward nuclear war & nuclear power, distress & depression & drug use & quality of life, 19–24 yr old males & females, 21805
attribute type & relevance & individual differences in self esteem & depression, distortions in consensus estimates, college students, 14455
attribution & attributional style & depressive symptoms, adults, support for learned helplessness model of depression, 1353
attribution of life problems to dysphoric affect &/vs physical illness in conversion process, physiological correlates, 20–62 yr old patients with chronic pain with no somatic cause, 6878
attribution of responsibility for outcome in problem solving dyads, depressed vs nondepressed college students, 24654
attribution style in interpersonal vs noninterpersonal success vs failure situations, depression & loneliness & shyness, college students, 3694
attributional style & depression, meta analysis, 21994
attrition patterns for psychosocial &/vs pharmacologic treatments, female primary nonbipolar depressives, 25054
atypical panic attacks, depressed 25 yr old male, 6558
Beck Depression Inventory, differentiation of generalized anxiety disorders vs major depression & dysthymic disorders, outpatients, 24718
Beck Depression Inventory, measurement of general psychopathology vs depression, male college students vs psychiatric patients, 28962
behavior of clinic-referred noncompliant children, prediction of depression, 23–37 yr old mothers, 1295
behavioral self regulation & internal locus of control, depression, college students, implications for learned helplessness, 11912
bilateral electrodermal activity & conjugate eye movements, college students with subsyndromal depression, implications for right hemisphere hyperexcitability in affective illness, 22071
bilateral vs unilateral ECT, depression, 22–78 yr old patients, 9658
bilateral vs unilateral nondominant ECT stimulations, brief vs no seizure activity, inpatients with major depression, 30524
binding of imipramine to platelet membranes, patients with agoraphobia & panic attacks vs depression, 24672
biochemical & neurophysiological findings on depression & antidepressants, literature review, 22089
biochemical correlates of increased pituitary-adrenocortical activity, depressed patients, 24649
biological & psychological factors, model of pathogenesis of depressive disorders, literature review, conference presentation, 27258
biological criteria for depression syndromes, 6489
biological marker of fasting plasma serine levels & serine hydroxymethyltransferase activity, depressed patients with vs without psychotic features, 30238
biological predictors of response to tricyclics & lithium therapy & age of illness onset, depressed patients, test of heterogeneity & differential diagnosis of affective disorders, conference presentation, 12020
biological therapies as criterion "ex juvantibus" method, nosography of depression, 6480
biotin, parenteral hyperalimentation, 34 yr old male with severe depression, 22554
birth order as childhood experience & social loss & depression & physical illness, loneliness, elderly females, 6098
black humor & demonic possession & psychoanalytic construct of ambivalent introject, theories & psychoanalytic treatment of depression, illustrative case examples, 12356
blood levels of vanadium & cesium & other elements, recovered vs depressed patients, 30082
blood platelet uptake of 5-HT, unipolar vs bipolar depressed patients, 6562
boundary disturbances, 15–33 yr old depressed vs borderline vs schizophrenic hospitalized patients, 3957
brain organization & cerebral lateralization, syndromes of psychopathology, literature review, 17283
brief analysis for melancholic identification with original object, 3.5 yr old male, conference presentation, 27821
brief group therapy in 4 stages, anxiety & depression, clients, 4385
brief-pulse vs right uni- & bilateral ECT treatment, 67 yr old female & 73 yr old male with recurrent episodes of major depression, 22351
bright white light, seasonal depression, 37 yr old female physician, replication of study by N. E. Rosenthal et al, case report, 27752
bromazepam, depressed neurotic patients, 9875
bromazepam, outpatients with psychoneurotic or depressive or sexual disorders, conference presentation, 7260
bromazepam, patients with psychoneurotic & depressive syndromes, 7259

bromazepam vs chlorprothixene, neurasthenic & autonomic & depressive symptomatology, patients with neuroses, 7279
bromazepam vs nomifensine vs doxepine, 47–57 yr old females with anxious depression, 9936
carbamazepine, 22–63 yr old depressed patients, 15175
cardiovascular disease & high fatality rates, depressed aged, 30073
carpipramine, psychomotor inhibition & depression, 20–40 yr olds with schizodepressive psychosis or defective schizophrenia, conference presentation, 7199
catecholamine hypothesis & biochemical analysis of neurotransmitters & biological psychiatry, drug therapy, depressed patients, 9923
category of depressive illness diagnosed by clinical & biochemical methods, motor balance & coordination & response speed, 11–18 yr old depressed inpatients, 9264
causal analysis, assessment of basal secretion of pituitary hormones & responses to insulin tolerance test, depressed females, 27288
causally linked life situations, anxiety & depression symptoms, Ss, 9303
changes in parameters of calmodulin-stimulated erythrocyte ghost calcium adenosine triphosphatase, patients with mania or unipolar or bipolar depression or schizophrenia, 24664
changes in power & coherence assessed by EEG under eyes closed vs open/relaxed vs flicker stimulation vs listening to story conditions, depressed 20–35 yr olds, 24698
character style vs locus of control vs seriousness of medical illness, depression & anxiety, psychiatric consultation patients, 22019
characteristics & precipitating events, 29–47 yr old homicidal depressed patients, conference presentation, 17410
characterological aspects of depressive features, borderline patients, 19946
chemical dependence, clinical depression, 17–19 vs 20–25 vs 27–36 yr old pregnant females, 11862
child behavior & maternal depression & social coercive interactions, maternal caretaking, normal mothers & their preschool children, 29838
child noncompliance & maternal depression, maternal perception of child maladjustment, mothers & their clinic-referred 27–108 mo olds, 19900
childhood experiences & parental relationship & parent child relations as etiological factors, 48-65 yr olds with endogenous vs neurotic depression, 24679
chlorimipramine &/vs thioridazine, torsade de pointes ventricular tachycardia, 71 & 60 yr old depressed females with long QT interval syndrome, implications for EKG evaluations of depressed patients, 15137
cholecystokinin immunoreactivity in CSF, patients with Parkinson's disease & unipolar & bipolar depression & schizophrenia, implications for dopamine theory of schizophrenia, 14566
Christian therapy & dream analysis, recurrent cycle of anxiety & agitation & depression, 35 yr old male, 17791
chronic administration of clorgyline, peripheral presynaptic noradrenergic activity assessed by plasma norepinephrine & heart rate & blood pressure, 21–70 yr old depressed patients, 9934
chronic depression & self schema & maladaptive competence, clinical & research implications, 12006
chronic pain & depression, low back pain patients, 20226
chronic stress & major depressive disorder episodes & symptom severity, mothers of handicapped children, 30102
cianopramine vs amitriptyline, depressed 20–93 yr olds, 18061
citalopram, severe depression, 25–69 yr old inpatients, 18101
classification & symptomatology & course & outcome of major depression, adolescent psychiatric patients, 12015
client characteristics & psychotherapeutic relationship & technique, mood changes in cognitive therapy, 19–60 yr old depressed & anxious patients, conference presentation, 9854
clinical & behavioral characteristics & depressive subtypes & hypothalamic-pituitary-adrenocortical function, depressed inpatients, 9280
clinical & diagnostic characteristics of patients treated by antidepressants vs other means vs characteristics missed by general practitioners, depressed 18–64 yr olds, 22634
clinical characteristics & antidepressant vs tranquilizer vs social treatment vs surveillance, 18–64 yr old depressed patients from general practice vs psychiatric outpatient service, 22635
clinical course, 19–69 yr old depressed inpatients with vs without delusions, 1-yr followup, 19977
clinical definition & treatment of postpsychotic depression, 11934
clinical features of depressive vs catatonic vs organic vs psychogenic stupor, hospitalized 16–64 yr olds, 6801
clinical guidelines for use of antidepressant drugs, geriatric patients, 25321
clinical importance of Oedipus complex in anxiety & depression & suicidal thoughts, psychotherapy, 29 yr old male, implications for social casework, 22697
clinical indications of depression, females 60 yrs & older, 3938
clinical presentation of major depression, 1st degree relatives of patients with major depression, 27385
clomipramine vs citalopram, orthostatic hypotension, depressed 23–62 yr olds, 22524
clonidine, pre- & postsynaptic noradrenergic activity, patients with obsessive compulsive disorder or panic attack/agoraphobia or anorexia nervosa or depression, 7246
clorgyline vs dextroamphetamine, self perceptions & physiological measures of affective & behavior changes, male vs female depressed obsessive compulsive adults, conference presentation, 4493
clovoxamine, sleep parameters assessed by EEG, 31–55 yr old depressed patients, conference presentation, 12566
cluster analysis as diagnostic tool, patients with endogenous vs nonendogenous depression, 3885
cluster analysis on items concerned with onset & development of depressive illness, classification & outcome, depressed inpatients, 5-yr followup, 3825
cognitions & hopelessness, depression & anxiety, college students, 3763
cognitive assessment measures, content & stability of cognitions related to depression, depressed vs nondepressed psychiatric vs nonpsychiatric hospital patients, 19910
cognitive-behavior therapy booster sessions, relapse, 20–62 yr old depressed patients, 4408
cognitive behavioral skills training, depression & social integration & self management & child abuse, 17 yr old depressed maltreating mother, case report, 27881
cognitive distortion associated with Depression vs Psychasthenia vs Schizophrenia vs Hypochondriasis vs Hysteria MMPI scales, depressed low back pain patients, 30463
cognitive factors, prediction of treatment outcome for depression, 60–88 yr old community residents, 9643
cognitive functioning & dexamethasone suppression tests as markers for depressive subtypes, patients with depression vs dysthymia vs schizoaffective disorder, 30221
cognitive mediation in depressed mood vs neuroticism, college students, 11823
cognitive model of depression & mood induction procedures, reply to criticism of J. H. Riskind & W. S Rholes, 9822
cognitive perceptual distortion, depressed 13–17 vs 21–54 yr old female psychiatric inpatients, 1383
cognitive theory of depression & mood induction procedures, criticism of D. M. Clark's study, 9858
cognitive therapy &/vs nortriptyline, depression, 18–60 yr old patients, 1- & 6-mo & 1-yr followups, 12346
cognitive therapy, decision making, depressed male, 4-mo followup, 17824
cognitive therapy, depression, adult outpatients with affective disorders, comments on study by J. L. Steuer et al, 12531
cognitive therapy vs psychodynamic approach, depression, reply to comments by J. H. Riskind et al, 12524
cognitive/behavioral therapy & pharmacotherapy & short term hospitalization, depression, drug-refractory chronically depressed psychiatric inpatients, 25504
combined MAO inhibitor & tricyclic antidepressant therapy, depressed patients, comments on article by M. S. Manshadi & S. B. Lippmann & authors' reply, 30784
combined pharmacotherapy & psychotherapy vs alternative treatments, 18–65 yr olds with unipolar nonpsychotic affective disorder, literature review, 27698
community mental health day care program, social independent living skills, at-risk & physically impaired & depressed aged & Alzheimer's patients, 4619

community placement vs continued hospitalization, depression & psychosocial functioning, chronic psychiatric patients, 4605
comparison of hypotheses explaining sleep onset REM episodes, depressed patients, 24712
comparison of measures of cognitive styles associated with depression, college students, 2875
comparison of 4 sets of diagnostic criteria, depressed 6–12 yr olds, 6579
computer diagnosis of depression & anxiety, Canada, 6565
concurrent depression & dementia, 70 & 73 & 61 yr old females, implications for diagnosis & treatment, 24627
conduct problems & self reported depression, 9–12 yr old emotionally disturbed male inpatients, 30191
congruence vs androgyny vs masculinity models of well-being & sex-role orientation & depression & general adjustment, meta-analyses, 3646
conjoint behavioral marital vs individual cognitive therapy, depression & marital discord, 23–50 yr old couples in which wife has diagnosis of unipolar major affective disorder without psychotic symptoms, 15079
construct content about others & cognitive complexity & ordination, depressive symptoms, 24–61 yr old depressed patients, 3804
construct validity of cognitive vs behavioral treatments, depression, clients at college counseling center, 15108
construction of Children's Negative Cognitive Error Questionnaire, 4th–6th & 8th graders with vs without self reported symptoms of depression & low self esteem & evaluation anxiety, 28978
construction of short form of Self Report Inventory for Depression, 156
constructs of anxiety vs depression, 6496
content & scoring & reliability & validity of Kendrick Battery for Detection of Dementia in Elderly, differentiation between depression & dementia, aged, 5300
content analysis of depression scales, conference presentation, 5306
coping behaviors in prediction of outcome & predictive validity of coping measure, psychiatric patients with nonmelancholic depressive disorders & symptomatic volunteers with self identified depression, 30195
coping strategies, depressive feelings, elderly residents of home for aged, 30979
correlations among self report anxiety & depression scales, male vs female college students, 8062
correspondence between child report & parent report of child's depression, 8–17 yr olds referred for psychiatric evaluation of depression, 11979
corticosteroid/dopamine hypothesis for psychotic depression, 1369
course & cause & treatment of depression following myocardial infarction, patients, literature review, conference presentation, 27569
course of depression, comments on J. Westermeyer's review, 11939
course of depression, comments on J. Westermeyer's review, 11935
course of depression, comments on review by J. Westermeyer, 11984
course of depression, literature review, 12026
cranial electrical stimulation, anxiety states & depression & insomnia & drug abuse, 9659
critical life events, development of depression, 3854
cross cultural differences, depressive symptomatology, Black vs White vs Chinese college students, 19902
CSF levels of monoamine & norepinephrine & dopamine metabolites, 22–66 yr old depressed patients, 22109
CSF substance P immunoreactivity & lithium effects, unmedicated unipolar & bipolar depressed inpatients vs euthymic bipolar outpatients unmedicated & during lithium treatment, 30096
cultural psychiatry, therapeutic process, 34 yr old depressed native Canadian Indian with psychotic features, 9641
current DSM-III status, neurotic depression, conference presentation, 24662
cytoplasmic glucocorticoid receptor content in lymphocytes & dexamethasone suppression test, depressed adults, 9250
degree of concurrent memory load & depressed vs nondepressed adjectives, efficiency & automaticity of self schema processing, female depressed vs nondepressed psychiatric patients, 14630
delta sleep inducing peptide levels in CSF, male vs female hospitalized schizophrenic vs depressed vs healthy 18–70 yr olds, 6550
delta-wave sleep, 20–44 yr old depressed inpatients, 6545
demographic & psychosocial factors & incidence, depression, 14–18 yr old urban females, implications for assessment, 19925
demographic characteristics & parental death in childhood, predisposition to depressive disorders in adulthood, 1387
demographic characteristics, epidemiology of depression, 1st-time medical outpatients, 3891
demographics & personality & attitudes toward therapy, continuation in group behavior therapy program for self control, 18–60 yr old depressed females who completed vs dropped out of vs refused treatment, 9855
demographics & stressful life events & sociocultural factors, prediction of depressive symptomatology, Black males, 17341
deprenyl vs tranylcypromine, platelet MAO inhibition, depressed outpatients, implications for therapeutic usage, 30780
deprenyl vs tranylcypromine, pressor response to tyramine, depressed patients, 22595
depressed mood & perfectionist beliefs & height & weight, female college students with bulimia, 20233
depressed mood, overestimation of body size, 18–24 yr old females, implications for anorexia nervosa, 27674
depressed mood, recall of stories about good vs bad vs neutral events, college students, 3061
depressed symptomatology & psychodynamics, male & female hospitalized vs outpatient preschoolers with suicidal thoughts &/vs behavior disorders, 28175
depression & abnormal dexamethasone suppression test results possibly attributable to tolerance to opioids, detoxified opiate addicts, comments on research of C. A. Dackis et al, 14696
depression & academic achievement, 78–136 mo olds with learning disabilities & low IQ vs socioemotional disturbance vs hyperactivity, 18584
depression & anxiety disorders, 16–35 yr old bulimic vs restrictive anorexic females, 1235
depression & cognitive vulnerability to depression, judgments of appropriateness of discussing various social topics, college students, 3745
depression & dependence & inactivity & anxiety as psychological features, rheumatoid arthritis, 4109
depression & endocrine secretory patterns, 30 & 38 yr old females with pseudocyesis, 1644
depression & experiences & opinions, 16–18 yr old unemployed vs employed apprentices vs participants in youth opportunity placement programs vs projects, Great Britain, 7356
depression & family history, 23–48 yr olds with fibromyalgia, comments on study by J. I. Hudson et al, 27673
depression & melancholia & suicide from Freudian vs structuralist perspectives, 11860
depression & neuropsychological performance, depressed vs nondepressed inpatients, 22050
depression & psychological separation & college adjustment, male vs female college students from intact families, implications for developmental theory, 15801
depression & social support & physical illness, elderly Black residents of metropolitan area, 30075
depression & stress sensitization & kindling & conditioning, comments on article by H. Anisman & R. M. Zacharko, 19972
depression & suicidal ideation & attempts, adolescents in hospital center, literature review, 9-yr longitudinal study, US, 25514
depression & suicidal tendencies & delinquency & psychomotor retardation & academic difficulties, children with French mothers & North African fathers, France, conference presentation, 6020
depression & suicidality, patients with anorexia vs bulimia vs bulimarexia, 6894
depression & uncontrollable anger & subsequent development of exhibitionism, 40 yr old male, 3989
depression as illness of contemporary society, 9341
depression as side effect of thiazide diuretics, hypertensive 44–69 yr olds, 4520
depression, associated nonverbal behavior, 7–12 yr old psychiatric inpatients, 11950
depression, attribution of responsibility for accident, mildly vs slightly vs not depressed college students, 11836
depression, children & adolescents, literature review, 9300
depression, chronically ill or handicapped children, 27626

depression level & length of acquaintance, reaction of others to request for help, college students, 12000
depression levels measured by Depression Adjective Check Lists & Self-Rating Scale for Depression & Beck Depression Inventory, community-based mildly mentally retarded adults, 4071
depression, male vs female 17–59 yr old medical outpatients with organic disorders, 4175
depression, rejection by & response of others, replication of experiment by J. C. Coyne, 17351
depression symptomatology & biochemical correlates, patients with ideopathic Parkinson's disease, 27621
depressive moods & parenting behavior, child behavior & parent perceptions of child maladjustment, mothers & their clinic-referred 27–108 mo olds, 11869
depressive neurosis as actual vs transferential, implications for psychoanalysis, 9297
depressive self schemas & current mood & information processing, risk for depression, college students, 4-mo longitudinal study, 11803
depressive symptomatology & course of illness, 20–52 yr olds with panic disorder vs attacks & agoraphobia, 6615
depressive symptomatology, Saudi vs American expatriate psychiatric outpatients, Saudi Arabia, 24733
depressive symptoms & familial psychopathology, depressed inpatients with vs without psychotic mood congruent vs incongruent features, 19905
depressive symptoms & hopelessness & self esteem, physically abused vs nonabused 6–13 yr old psychiatric inpatients, 1433
depressive symptoms & somatic complaints, Anglos vs US born vs foreign born Mexican Americans, 22068
depressive symptoms during adolescence, subsequent affect & psychiatric disorders & functioning in adulthood, Ss with mean age of 24.7 yrs, 9-yr followup, 24655
depressive symptoms, males vs females from psychiatric outpatient clinic vs liaison psychiatry team in general wards, 11928
depressive symptoms, patients with poststroke vs functional depression, 22078
depressive vs psychotic symptoms, acute schizophrenic 17–53 yr olds assessed on admission vs in 8th-wk of hospitalization, 27325
depressogenic statements, mood states in paramenstruum, female 18–44 yr old college students, 21350
derived identity & depressive symptomatology, married vs single unemployed vs nonprofessional vs professional females, 14530
description & measurement of concentration problems, 19–60 yr old severely depressed patients, 17435
desipramine, patients with primary vs secondary depression vs endogenous vs nonendogenous major depression vs dexamethasone suppression vs nonsuppression, 30713
desipramine, plasma melatonin & cortisol levels, depressed 26–72 yr olds, 30787
desipramine, resting arterial carbon dioxide & severity of airways obstruction & hypercapnic ventilatory & mouth occlusion pressure & depression scores, patients with severe chronic obstructive pulmonary disease, 18057
desipramine vs amitriptyline, EEG sleep, depressed hospitalized patients, 1952
development & validity & reliability of symptom rating scale, assessment of depression & mixed neuroses in psychodiagnostic interview, 18972
development & validity of differential anxiety & depression inventory, trait & interactional perspective in assessment of anxiety & depression, college students, 26206
development of Adolescent Activities Checklist, assessment of pleasant vs unpleasant activities & relationship to depression, 8th–12th graders, 20985
development of conversion symptomatology, Ss with hysterical vs anxious depressive neurosis, 27273
development of depressive symptoms & syndromes, children & adolescents, 14597
dexamethasone suppression & metyrapone test, integrity of hypothalamic pituitary adrenal axis, patients with major depressive illness with melancholia, 17392
dexamethasone suppression test & all night sleep EEG, REM latency & density, 16–61 yr olds with depression, 22092
dexamethasone suppression test & amitriptyline & phenelzine effectiveness, depression with melancholia, 36–58 yr olds with minor closed head injuries, 20413
dexamethasone suppression test & serum growth hormone & plasma vasopressin & homovanillic acid levels, 18–73 yr old endogenous vs nonendogenous depressive in- & outpatients, 3939
dexamethasone suppression test & therapeutic sleep deprivation, cortisol response, endogenously vs nonendogenously depressed patients, 30170
dexamethasone suppression test & thyrotropin releasing hormone stimulation test, differential diagnosis, 18–92 yr old depressed patients, 14626
dexamethasone suppression test as indicator of treatment outcome, elderly patients who recovered from depression, replication of findings of A. Coppen et al, 30514
dexamethasone suppression test, assessment of depression, children, comments on study by L. K. Petty et al, 14672
dexamethasone suppression test before antidepressant or ECT treatment, prediction of therapeutic outcome, patients with major depressive illness, 4229
dexamethasone suppression test, delusional vs nondelusional depressed patients, 6475
dexamethasone suppression test, depressive symptoms, demented patients over age 70, 1585
dexamethasone suppression test, detection of unprovoked aggressive/assaultive vs self injurious vs severely withdrawn behavior, mentally retarded 17–63.3 yr olds, 9457
dexamethasone suppression test, diagnosis of agoraphobia as atypical biological depression, 17–83 yr old agoraphobic vs psychiatric vs depressed patients, 1399
dexamethasone suppression test, diagnosis of depression & prediction of rehabilitation outcome, stroke patients with mean age of 68 yrs, 7474
dexamethasone suppression test, diagnosis of depression, illustrative cases of 40 & 30 & 23 yr old female psychiatric inpatients, 1276
dexamethasone suppression test, differential diagnosis of depression & dementia, dementia patients over age 65, 17339
dexamethasone suppression test, differential diagnosis, 55–88 yr olds with moderate dementia vs depression vs aged healthy Ss, 22260
dexamethasone suppression test, differential suppression of adrenal gland function assessed by serum cortisol, depressed inpatients, 30235
dexamethasone suppression test, distinction of dementia with vs without depression, 53–80 yr old Alzheimer's disease patients, 22266
dexamethasone suppression test, identification of major vs bipolar depression, inpatients, 3902
dexamethasone suppression test, identification of patients who might respond to tricyclic antidepressants, suicidal 17–69 yr olds, 30265
dexamethasone suppression test in delusional vs nondelusional depression, 65 yr old male & 67 yr old female, preliminary evidence for psychotic & nonpsychotic depression as clinically distinct entities, 11958
dexamethasone suppression test, outpatients with primary affective vs generalized anxiety vs panic disorders, 1252
dexamethasone suppression test, patients with bulimia vs depression, 11880
dexamethasone suppression test, pituitary-adrenal activity & plasma corticotropin & cortisol concentrations, 21–71 yr old depressed inpatients, 3908
dexamethasone suppression test response, psychiatric patients with depression & psychosis vs schizoaffective psychosis, 30110
dexamethasone suppression test response & cortisol levels, patients with depression vs dementia vs pseudodementia, 22033
dexamethasone suppression test results, chronic pain patients with vs without depression, 30068
dexamethasone suppression test results as predictors of response to nomifensine vs amitriptyline, 22–66 yr old depressed inpatients, 7154
dexamethasone suppression test, thyroid stimulating hormone response to thyroid releasing hormone, patients with schizoaffective disorder of depressed vs manic type vs schizophrenia vs endogenous depression, 6594

dexamethasone suppression test vs DSM-III in diagnosis of dysfunctional cognitions, endogenous vs nonendogenous depression, depressed inpatients, 30247
dexamethasone suppression test vs thyrotropin releasing hormone test vs Newcastle II depression rating scale, diagnosis, depressed patients, 14622
dexamethasone suppression test, 21–77 yr old depressed or manic or schizophrenic patients, 1282
dexamethasone suppression test, 6–22 yr olds hospitalized in psychopathology unit, 3832
dexamethasone suppression tests during stress vs nonstress conditions, cortisol levels & nonsuppression rates, 18–73 yr old hospitalized patients with schizophrenia vs depression vs psychiatric staff physicians, conference presentation, 30091
dexamethasone suppression, 28–57 yr old recent widows & widowers with acute grief & anxiety, 27370
dextroamphetamine & methylphenidate, refractory depression, medically ill patients, 18030
diagnosis & classification of co-morbidity & depression, patients with anxiety disorders, 17307
diagnosis & prevalence & treatment of poststroke depression, 24971
diagnosis & treatment of Plummer-Vinson syndrome, 28 yr old female originally diagnosed with anorexia nervosa, 1230
diagnosis by computerized axial tomography & response to L-dopa, 40 yr old male with major depressive disorder complicated by carbon monoxide induced parkinsonism, 1314
diagnosis of depression, children, 12025
diagnosis of depression, outpatients seeking care at primary medical care & community mental health centers, 12003
diagnosis of Kleine-Levin syndrome, 10 yr old male with primary depressive disorder, 22048
diagnosis of secondary depression, major depressive vs nondepressed vs dysthymic schizophrenic vs major depressive patients, conference presentation, 30092
diagnosis, outcome, male vs female schizophrenic vs depressive vs manic vs surgical patients, 9295
diagnostic & classification problems & treatment of depression, 12343
diagnostic criteria & sex ratio & prevalence rates of dysphoric mood vs brief vs extensive depressive episodes vs major depression, 19–20 yr olds, Switzerland, conference presentation, 3805
diagnostic criteria & validity of DSM-III, depression, children, 1281
diagnostic distribution of occupational disability welfare applications, patients referred for psychiatric evaluation with schizophrenia vs mania vs depression vs undiagnosed psychosis, 14628
diagnostic utility of autonomic nervous system measures, assessment of unipolar depression, hospitalized patients with mean age of 63.8 yrs, 22041
diagnostic utility of dexamethasone suppression test vs cortical suppression index, depressed prepubertal 6–12 yr olds, 9351
diagnostic validity of generalized anxiety disorder & panic disorder & relationship to major depression, 1266
diagnostic validity of Picture Projective Test vs TAT, depressed vs psychotic patients, 2915
diagnostic value of dexamethasone suppression test, psychiatric patients, 9242
diazepam, ECT seizure duration, 30–56 yr old depressed patients, 4266
dichotic click detection & CV discrimination task performance, circadian variation in lateral asymmetry & EEG characteristics, endogenously vs nonendogenously depressed patients, 30094
difference-of-2-occasions factoring of Clinical Analysis Questionnaire, measurement of primary depression & other state factors, adult Ss, 18934
differences in estimation of symptoms in rating scale for depression, physicians vs depressed inpatients, 22047
differential diagnosis, depression & Alzheimer's disease, 1667
differential diagnosis of mental illness of late D. P. Schreber, comments on diagnosis made by A. A. Lipton, 3860
differential diagnosis of panic attack vs depressive disorders vs endogenous vs neurotic depression, inpatients with primary mood change to depression &/vs anxiety, 9221
differentiation between voice recordings made by patients when they were vs were not depressed, music conservatory vs college students, 19087
difficulty in diagnosis of depression & anxiety, chronic dialysis patients, comments on N. G. Kutner's view, 28079
difficulty of followup, posttreatment functioning, depressed patients, implications for presence of positive bias in treatment outcome evaluations, 1679
digitalis intoxication misdiagnosed as depression by primary care physicians, patients aged 72 & 73 & 79 yrs, implications for medical education, 18115
direct stimulants & MAO inhibitors with vs without tricyclic antidepressants, patients with treatment-resistant depression, 15136
discontinuation of amitriptyline, recurrence of depression, chronically depressed outpatients with average of 3.7 yrs medication, 4488
discontinuation of 12-yr imipramine therapy, mania followed by depression, 52 yr old male patient with depression, 18058
diurnal patterns of plasma ACTH & cortisol before vs after dexamethasone, depressed patients, 24715
dosage frequency, efficacy & safety of fluoxetine, 19–62 yr olds with major depressive disorder, conference presentation, 7235
dosage of citalopram, depressive symptoms & central amine & amino acid metabolism, depressed 18–65 yr olds, 25269
dosage of tricyclic antidepressant drugs & diagnosis & weight gain & clinical improvement & patient characteristics, reported excessive appetite & craving for sweets, depressed 50–86 yr old outpatients, 25329
double depression, 13–19 yr old substance users in drop-in counseling center, 6655
doxepine vs nomifensine, depression, 43–55 yr old menopausal females, 7238
doxepinhydrochloride &/vs behavior therapy, depressive symptoms & weight reduction, 18–60 yr old obese females, 27986
drinking history & prior treatments & consumption control & marital problems & personality & physical symptoms, depressed vs nondepressed alcoholics in inpatient treatment, 17470
drug induced dysosmia & dysgeusia presenting as depression, 45 & 71 yr old females, 1931
drug therapy & ECT & psychotherapeutic treatment & cognitive therapy, depression, literature review, 25029
drug therapy vs group psychotherapy, subjective memory complaints, depressed geriatric outpatients, 4258
drug therapy with MAO inhibitors & imino-benzene derivatives vs ECT, EEG activity, depressed patients, longitudinal study, 6930
DSM-III depressive subtype, response to tricyclic antidepressants, outpatients with mild to moderate depression with & without panic attacks, 12586
duration of symptoms, long term outcome, patients with mania vs depression vs schizophrenia, 35–40 yr followup, 20282
dysfunctional attitudes & negative life events & depression, female vs male college student outpatients from Student Mental Health Service, 22143
dysfunctional attitudes vs attributional biases during recent clinical remission, subsequent depressive symptomatology, 27–63 yr old depressed female psychiatric inpatients, 6-mo followup, 22111
dysphoric mood states, overeating, female bulimics vs high restraining nondieters vs dieters, 27523
dysregulation hypothesis of depression, 3929
early childhood sexism in family, low self esteem & sense of insecurity characteristic of underlying depression, functioning females, 30225
early parental loss or separation, development of depressive disorder, 18–65 yr old psychiatric patients suffering nonendogenous depressive episode, 6588
eclectic model of practice, psychophysiological disorders resulting from arrested developmental progression, 30 yr old male with ulcerative colitis & 39 yr old female suffering from posttraumatic depression, 22416
ECT, cognitive & behavioral deficits & focal left-sided body signs, depressed 62 yr old female, 6938
ECT, delusional depression, comments on article by D. G. Spiker et al, 4233
ECT for depression, blood glucose, 41 & 56 & 57 yr old male adult-onset diabetic patients, 6937
ECT in presence of increased intracranial pressure & respiratory failure, 53 yr old male with depression & organic brain disease, case report, 28035

ECT, memory & neuropsychological & blood pressure changes, 21–63 yr old psychiatric inpatients with major depression, 17749
ECT, motor activity & affective state, 73 yr old female with Parkinson's disease & dementia & major depression, case report, 30537
ECT, plasma ACTH & cortisol levels, 18–74 yr old inpatients with major depressive disorder, Sweden, 6918
ECT, serum prolactin & thyrotropin levels, depressed 18–74 yr olds, 27690
ECT, suicidal depression, practicing psychiatrist, 7506
ECT, unipolar depression, 62 yr old female with hypothyroidism, 1690
ECT vs tricyclic antidepressants, depression, comments on claim by P. G. Janicak et al, 14932
ECT, 64 yr old female with delusional depression & ideopathic thrombocythemia, 17726
educational level, anxiety & depression & hostility & personal control & attitudes toward autonomy, females 21 yrs & older, implications for mental health, 9164
EEG characteristics, depressive psychotic vs manic vs schizophrenic vs normal 16–69 yr olds, conference presentation, 6501
effect of first night recording, correlates of expected vs paradoxical variability of REM latency, depressed 18–69 yr old inpatients, 30084
effect of maternal depression on children, 29 yr old depressed mother & 19 yr old daughter of depressed mother, 9247
effectiveness of crisis intervention programs, reduction of anxiety & depression, 18–60 yr old ill & injured hospitalized patients, 7447
effects of exercise on mood & as treatment for depression, literature review, 12345
efficacy & side effect profile of fluvoxamine, 21–64 yr old outpatients with major affective depression, 4481
efficacy & side effects & efficiency of conventional vs multiple-monitored ECT, patients with major depressive disorder, 25058
efficacy & side effects of zimeldine vs doxepin hydrochloride, depressed in- & outpatients, 25315
efficacy of MAO inhibitors, depression, review of research published after 1977, 15170
effortful & automatic cognitive processes, depressed inpatients, 24707
electrophysiology in classification & diagnosis & types of depression disorders, literature review, 27330
emotion recognition of facial expressions, schizophrenic vs depressed female inpatients, 24739
emotional & achievement-related & instrumental dependency assessed by dependency questionnaire, depression, conference presentation, 30207
employment status, depression, females, Sweden, 14607
endorphins & learned helplessness & depression, comments on H. Anisman & R. M. Zacharko's article, 19886
engagement in & emotional valence of activities, depressed vs previously depressed vs nondepressed 25–60 yr old females, 27331
environmental factors in childhood vs adulthood vs stress, anxious-neurotic vs neurotic depressive twin probands, 3945
epidemiology & etiology & diagnostic & assessment methods & biological markers, depression, pre-pubertal children, 17434
epidemiology & etiology of depression, males vs females, literature review, 30240
epidemiology of adoption & depression & treatment success, 12–19 yr old emotionally disturbed psychiatric inpatients, 2118
erythrocyte membrane elevations & genetic vulnerability, 18–84 yr olds with schizophrenia vs depressive vs nonpsychotic disorders, 3844
ethnic background, dexamethasone suppression test results, patients with major depressive disorders, reply to comments of J. R. de la Fuente & J. Sepulveda Amor, 17334
ethnic background, results of dexamethasone suppression test, patients with major depressive disorders, Mexico, comments on article by J. I. Escobar, 17329
etiology & classification & epidemiology of depression, literature review, conference presentation, 27322
etiology of depression, females, implications for treatment, 1300
evaluation & treatment in proposed clinical approach to chronic & resistant depression & other affective disorders, 25022
evaluation of multimodal structured group treatment, 26–59 yr old clients with recurrent or chronic depression, 6-mo followup, 20323
evaluation of risk of affective pathology & social adjustment, 40–60 vs 60 yr olds & older with depression, 9232
evaluative tendencies in judgments of contingency & attributions of causality & expectancy estimates & self schemata/self reference, nondepressed vs mildly vs severely depressed individuals, literature review, 3920
evening administration of destyrosyl gamma endorphin, reversal of reduction of nocturnal urinary melantonin secretion & rapid antidepressant activity, 23–68 yr olds with major depression, 30708
evolution of depressive states & syndromes, 50–78 yr olds under gerontopsychiatric care, 6-yr followup, 9322
expectancy & focus of attention variables, cognitive performance deficits, depressed vs nondepressed college students, 3772
expectations of satisfaction for planned pleasant events, depressed vs nondepressed adult education students vs psychology graduate students, 30211
exposure to bright artificial light at night, antidepressant response to sleep deprivation therapy, 38–70 yr old seasonal vs nonseasonal depressives, 25082
expression of hostility & coping with stress & depression, male vs female college students, 9175
extended sleep, young depressed patients, comment on article by D. R. Hawkins et al, 22074
extended sleep, young depressed patients, reply to criticism of A. J. Lewy et al, 22059
extended sleep, 17–25 yr old depressed patients, 1309
extramarital sex, depression & commitment, 21–60 yr old couples seeking marital therapy, 17902
facial discrimination & emotional recognition, schizophrenic & depressed inpatients, 24630
facial EMG, diagnosis of depression, comments on research of J. F. Greden et al, 14632
facial EMG, diagnosis of depression, reply to comments by R. Malcolm, 14602
factor analysis of Hamilton Rating Scale for Depression, patients, 16157
factor analysis of item responses on depression measures, assessment of conceptual distinctions among depression factors in Clinical Analysis Questionnaire-Form A, college students, 16144
factor structure of Dysfunctional Attitudes Scale, measure of predisposition to depression, college students, 18931
factorial & discriminant validity of Center for Epidemiological Studies Depression scale, assessment of self esteem & trait & state anxiety & depression, parents in family support programs for child abuse & neglect, 16166
factors affecting basal thyrotropin plasma level response to thyrotropin-releasing hormone tests, male vs female depressed 18–66 yr olds on lithium, conference presentation, 7187
failure vs success, aversiveness of self locus, depressed vs nondepressed college students, 3760
failure vs success, persistent high vs low self focus, depressed vs nondepressed college students, 21973
familial transmission of major affective disorders, unipolar vs bipolar disordered psychiatric inpatients, support for distinction between unipolar & bipolar disorders, 3946
family & cultural & therapeutic determinants of depression, female patients in family therapy, 12433
family histories, anxious & depressed 6–12 yr old inpatients, 11968
family history of depressive disorders, 10–27 yr old female anorexics with vs without current episode of nonbipolar major depression, 12169
family interactions & experience of "blues" in early parental period, fathers of 1st born 4 mo olds, 29858
family structure & parental relations & depression, college students, literature review, implications for counseling, 23122
family structure & school functioning & degree of depression & stressful life events, attempted suicidal acts, hospitalized 12–18 yr olds, 12053
fenfluramine, plasma prolactin levels, depressed patients, 18106
fluoxetine, depression, 21–70 yr old outpatients, 18050
fluoxetine vs amitriptyline, 19–69 yr old patients with major depressive disorder, 25287

fluoxetine vs amitriptyline, 24–59 yr old outpatients with major depressive disorder, conference presentation, 7162
fluoxetine vs doxepin, 61–90 yr old patients with major depressive disorder, conference presentation, 7170
fluoxetine vs imipramine vs amitriptyline vs doxepin, EKG, 18–88 yr olds with major depressive disorder, conference presentation, 7171
fluoxetine vs imipramine vs placebo, 18–70 yr old outpatients with major depressive disorder, conference presentation, 7250
fluoxetine vs imipramine vs placebo, 20–64 yr olds with major depressive disorder, conference presentation, 7163
fluphenazine &/vs nortriptyline, 18–79 yr olds with mixed anxiety & depressive states, 20418
fluvoxamine vs imipramine, major depressive disorders, 18–65 yr old outpatients, 4518
free plasma concentration of nortriptyline, therapeutic response, 15–69 yr old depressed inpatients, 25311
frequency & differential diagnosis of depression, schizophrenic patients, followup study, conference presentation, 30183
frequency of abnormal dexamethasone suppression test results, endogenously vs nonendogenously depressed vs nondepressed psychiatric patients, 11971
frequency of diagnosis of depression or affective disturbance, female bulimia patients, 4209
gender & age & life stress & perception of social support & relationship with deceased, prediction of postdisaster depression & somatization risks, bereaved family members & friends of deceased disaster victims, 6733
gender & age, expression of depression in pediatric psychosocial interview, 5–19 yr olds, 3953
genetic & environmental factors, etiology of anxiety & depression, adult twin pairs, 24660
genetic factors, sex ratio, depressed patients, 6559
genetic liability of bipolar I vs major depression, relatives of patients with bipolar I vs major depression, 30202
genetic vs environmental factors, depression, 18–40 yr old adoptees, 30105
genetics, etiology of depression, 20–66 yr old twin pairs with affective disorders, 24723
global vs restricted negative measurement of life change events, anxiety & depression, 19–64 yr olds, replication of study by I. G. Sarason et al, 5301
gonadotropin & cortisol & melatonin levels, adolescents with anorexia nervosa vs depression, conference presentation, 6735
graphological features in handwriting, alcoholic & depressive Ss, 6429
group experience, loneliness & depression, elderly, 12461
group intervention & Coping with Depression Course, unipolar depression, 15070
group psychotherapy during hospitalization, 19–70 yr olds with schizophrenia & major affective disorder & depression & anxiety & borderline personality disorder, 22723
group psychotherapy, unresolved grief & depression, psychiatric patients with drug or alcohol dependency, 25573
group therapy program, stability in daily living, depressed elderly clients at community senior center, 22452
guilt & symptoms of depression & paranoia & aggression, Vietnam veterans who willfully killed Vietnamese civilians, suggestions for psychotherapy, 1765
Hamilton Rating Scale for Depression vs Carroll Rating Scale for Depression, 13–18 yr old patients with melancholic major depression, 5280
high sensitivity to dexamethasone suppression test & mood disorders attributable to disruptions of endogenous opiate peptide systems, opiate addicts, reply to comments by E. Frecska, 14688
high vs low information conditions, simulation of psychopathological responses & clinical judgments of depression, college students, 17365
historical 19th century view of dementia & depression & paralysis & brain localization, 6717
human growth hormone response to clonidine & urinary free cortisol level, depressed adults, 27291
hyperfrontal pattern of cerebral blood flow, depressed adolescents, 17321
hypersecretion of cortisol & high plasma cortisol level as result of dexamethasone suppression test, depressed patients, diagnostic & prognostic implications, 19976
hypochondriacal & depressive symptoms, family practice outpatients with somatization disorder, 27643
hypomania following addition of levo-tryptophan to MAO inhibitor, 28 & 32 yr old depressed females, 12549
hypothalamic-pituitary-adrenal dysregulation & skin conductance measures of habituation & stimulus specificity & dishabituation, depressed dexamethasone suppressors vs nonsuppressors, 30204
hysterectomy, anxiety & depression & fears, 27–67 yr old female patients, 1996
hysterical seizures as manifestation of depression, 77 yr old female, 3-mo followup study, 14657
identification & management of depression, nonpsychiatric patients receiving medical care, implications for social workers, 18229
imaginal vs cognitive treatment, cognitively- vs imaginally-induced dysphoria, college students, 27901
imagining pleasant memory followed by horrible incident followed by pleasant memory, interruption of depressed feelings, 15012
imipramine & estrogen vs placebo, 26–74 depressed females resistant to antidepressant drug therapy, 30776
imipramine & placebo or diazepam or dixyrazine, clinical efficacy & serum concentration of imipramine, 20–64 yr old outpatient with primary nonagitated depression, 27952
imipramine &/vs lithium, free vs bound thyroxine quotients & thyrotropin-stimulating hormone secretion, recurrent major depressive 20–65 yr olds, conference presentation, 15200
imipramine binding & serotonin uptake in platelets, depressed patients, 18111
imipramine, depressive symptoms, moderately mentally retarded 22 yr old female, case report, 30727
imipramine metabolism, 20–65 yr old patients with recurrent major depressive episodes, 7255
imipramine vs chlordiazepoxide, depression, 18–70 yr old outpatients, 12562
imipramine vs lithium, determination of duration of drug therapy, 21–60 yr old patients with major affective episode, 15177
imipramine vs tranylcypromine with vs without amitriptyline, resting metabolic rate, female depressed 34 & 51 & 53 yr old inpatients, 30725
immunoglobulin & antinuclear & lymphocyte & thyroid antibody levels & serum protein fractions, male vs female 25–65 yr old inpatients with schizophrenia or unipolar or bipolar depression, 24670
incidence & diagnosis of depression, 6–17 yr old children of patients with bipolar depression, 14598
incidence & relationship between somatic complaints & chronic medical illness & depression, 56–93 yr old community residents, 17689
incidence of alcoholism or antisocial personality or depression, adoptive parents of children with mean age of 10 yrs with aggressive conduct disorder, 19939
incidence of change in symptoms from depression to hypomania/mania, hospitalized patients, 1920–82, Switzerland, conference presentation, 25470
incidence of depression & alcoholism & chronic back pain, 1st-degree relatives of chronic pain patients with vs without depression, 6443
incidence of depression & suicidal ideation, 29–82 yr old terminally ill patients, 17562
incidence of depression, 5–19 yr olds referred to mental health services, Poland, 19897
incidence of multiple episodes of psychotic or schizophrenic symptoms, schizophrenic vs schizoaffective vs unipolar depressed vs bipolar affective disordered patients, 9355
incidence of recurrent vs non-recurrent brief depressive episodes, 19–20 yr olds, 4-yr longitudinal study, 17302
incomplete recovery from index episode & residual symptoms & inferior social adaptation, risk for depressive relapse, patients with primary unipolar depression, 27292
increased dosage of fluoxetine, increased mania, 44 yr old male with treatment resistant depression, 22523
increased number of post-dexamethasone cortisol determinations, sensitivity of dexamethasone suppression test, inpatients with nonmajor vs major depression, 22046

increased stress & depression & anger & loneliness, prediction of success depression, gifted 14–17 yr olds, 6131
individual vs group social-learning approach treatment, 20–66 yr olds with major or minor depressive disorder, 27837
initial assertion & cognitive self control skills, response to assertion training & cognitive self control treatment, depressed females, 22505
initial depression status & association of stressful events & depression, college students, 24644
insight-oriented therapy, parataxic distortion of relationship with God & therapist, 29 yr old female graduate student with recurrent depression, 17768
instructions to increase pleasant events with vs without cognitive focus on event pleasantness, depressed mood, college students, 20343
integration of theoretical & assessment & intervention & evaluation aspects of social cognition & depression, 3744
intellectual functioning & depression, 6–7 vs 8–9 vs 10–11 yr olds experiencing academic difficulty with vs without attention deficit disorder, 9508
intercorrelation of measures of distress & depression & anxiety & causal attributions, college students, replication of study by I. H. Gotlib, 24688
internal & external coincidence models for etiology of depression, 14619
internal consistency of Causal Dimension Scale, measurement of causal attributions of depression, nursing students, 2865
internight variability of REM latency, female vs male 19–69 yr olds with major depression, implications for use of REM latency as biological correlate, 30085
interpersonal betrayal & cooperative social interaction, self evaluation, female depressed college students, 14428
interpersonal dependency & learned helplessness & other personality traits, male vs female patients recovered from nonbipolar depression, conference presentation, 3855
interrater reliability & internal consistency & factor structure & discriminant validity of Cognitive Therapy Scale, evaluation of competence in treating depression, cognitive therapists, 21022
intracranial hypertension following major depression, 23–34 yr old patients, 9604
irrational beliefs, depressed vs nondepressed college students, 30113
isolation from external time cues, sleep & circadian rhythms & rectal temperature & clinical state, depressed &/or manic 36–56 yr old inpatients, 22138
iv chlorimipramine therapy, patients with major depressive episode, 9928
iv sodium lactate, panic response, 20–61 yr olds with depression & panic vs panic with vs without agoraphobia, 22037
iv viloxazine, depression, 18–76 yr olds, 7211
job stress & environment & individual coping response & perceptions of stress, anxiety & depression & physical symptoms, full-time employed business & professional females, 16019
kinetics of citalopram, depressed 73–90 yr olds, 15169
latent trait analysis, internal consistency of Beck Depression Inventory, 20–60 yr old inpatient alcoholics, 122
lateralized presentations of happy vs sad faces, self reports of emotion vs EEGs from left vs right frontal vs parietal scalp regions, depressed vs nondepressed college students, implications for cognitive dysfunction in depression, 14588
learned helplessness & depression, self directed punitive behavior, male college students, support for learned helplessness model of depression, 1118
learned helplessness, short term memory & intellectual task deficits, depressed elderly community residents, 30161
learned helplessness theory & attributional & preattributional variables, self esteem & depression, college students, 21957
learned resourcefulness & depression & self esteem, male vs female Ss, 27195
length of interval between interviews, reliability of followup assessments, depressed inpatients, monthly vs 6-mo followups, 27387
level & lability of subclinical depression & mood, mono- & dizygotic twins, 30242
level of current problems & depressive symptoms, college students, 3901
level of depression & life stress of child, social perception & response, college students, 29986
level of neuroticism, prediction of depressive disorder outcome, psychiatric patients & volunteers with nonmelancholic depression, 9217
levels of circulating neutrophils &/vs lymphocytes & cortisol metabolism, depressed dexamethasone suppression test suppressors vs nonsuppressors vs schizophrenic patients, 30169
levels of radioreceptor-assayed endorphins Fraction I & homovanillic acid & 5-hydroxyindoleacetic acid & hallucinations, depressed patients with vs without psychotic symptoms, 19883
levels of somatosensory & psychotherapy & relationship to patient variables, nonbipolar major depressive in- vs outpatients, 27718
Levine-Pilowsky Depression Questionnaire vs diagnosis based on Research diagnostic criteria vs DSM-III, diagnosis of depression, referrals to psychiatric liaison service following parasuicidal act, 17407
Levine-Pilowsky Depression Questionnaire vs DSM-III, assessment of depression, psychiatric inpatients, 5292
levodeprenyl, biochemical effects assessed by urinary excretion of phenylethylamine & 3-methoxy-4-hydroxyphenylethyleneglycol & amphetamine metabolites & platelet MAO activity, 26–71 yr olds with atypical depression, 30750
levotryptophan combined with ECT, seizure time, 72 yr old White male with depressive symptoms, 4259
life events in 6 mo before onset of depression & CSF monoamine &/vs monoamine metabolite levels & dexamethasone suppression test, patients with major depressive disorder with melancholia, 30209
life events, onset & severity of disorder & neuroendocrine changes, depressed patients, 30127
life events, treatment & posttreatment course, 22–60 yr old nonpsychotic females with endogenous vs nonendogenous depression, 4253
life experiences, 35–55 yr olds with endogenous vs exogenous depression, 9209
life history & depression, self mutilation & attempted suicide, 46 yr old female, 3981
life stress & personality correlates, depressive symptoms, middle & high school students, 6599
limitations of self report rating scales, diagnosis of depression, 14652
linking biological & psychological psychiatry to address etiology & treatment of depression, conference presentation, 14923
lithium & antipsychotic-antidepressant drugs vs ECT, psychotically depressed patients, conference presentation, 18087
lithium carbonate, mania & unipolar & manic depression, literature review, 12568
lithium, depressed 60 yr old male non responsive to ECT or antidepressant drugs, 22533
lithium, nuclear magnetic resonance protein T-1 relaxation time of red blood cells, bipolar depressed patients, 27994
lithium, platelet 5-HT receptor response, bipolar vs unipolar patients, 1963
long term use of flupentixol decanoate, dropout & intervening depressive syndromes, chronic schizophrenic outpatients, 25273
losses & reduction in positive social relationships, coping ability & depression, conference presentation, 30099
low dosage desipramine, delirium, depressed 68 yr old female, 22552
low levels of CSF somatostatin & abnormal response to dexamethasone, patients with depression vs schizophrenia, 30128
loxapine vs chlorpromazine, depressive symptoms, paranoid schizophrenia, comments on findings by A. Rifkin et al, 15201
lysine-8-vasopressin, mood & daily growth hormone & cortisol & melatonin & prolactin levels, depressed 37–67 yr olds, 22603
magnesium & calcium & cortisol level in CSF & relation to attempted suicide, 19–67 yr old females with depression vs schizophrenia vs adjustment disorder, 30088
major depressive disorder, learning difficulties, children, 6687
major depressive disorder, 2.9 yr old female, 17369
major life events & daily stresses, assessment of anxiety & depressive symptomatology, 18–74 yr old full time workers who attend evening college courses, 24634
maladaptive explanatory style, depression & school achievement & learned helplessness, 8–11 yr olds, 1-yr longitudinal study, 31259

manic autism & interactional psychopathology, depressed vs manic patients, 30139
MAO inhibitors & tricyclics vs levodeprenyl, protection against pressor response & hypertensive effect of oral vs iv tyramine, 27–62 yr olds with primary depression, 30765
MAO inhibitors, depressed elderly patients with Alzheimer's disease, comments on recommendations by M. A. Jenike, 15184
MAO inhibitors, elderly depressed patients with Alzheimer's disease, reply to comments by C. Salzman, 15149
MAO inhibitors, treatment of somatically related depression, 41 yr old female with food sensitivity & 39 yr old male with chemical intolerance, 15203
maprotiline, anxiety & mood & sleep disturbances, female vs male depressed patients, 7270
maprotiline, articulation & finding of words, 54 yr old male with depression, 18098
maprotiline, development of seizures, depressed patients, 12544
maprotiline hydrochloride with psychotherapy, depression & immune reactions of T & B lymphocytes, 25–57 yr olds with depressive neurosis, 12589
maprotiline, myoclonus, 54 yr old female with depression & chronic chest pain, 15132
maprotiline vs trimipramine, unipolar major affective disorder, 18–60 yr old patients, 12572
marital adjustment, inpatients with major depression, 19962
marital relations 1 yr prior to onset of depressive episode, married patients with major depression without melancholia, 17413
marital status & age & education & income & health, depression, 1st–3rd generation Mexican Americans, 9163
marital status & depression, Black 65–80 yr olds, 27371
maternal depression & sex & child psychiatric status, ratings of child on & validity of Child Behavior Checklist, mothers of 93–155 mo old psychiatric outpatients, 16134
McGill Pain Questionnaire vs MMPI vs SCL-90-R vs State-Trait Anxiety Inventory vs rating scale, assessment of anxiety & depression, chronic pain patients with mean age of 45.6 yrs, 129
measurement of hostility using verbal-sample technique, depressed psychiatric patients, 6563
medazepam & personality factors, female 40 yr olds with neurasthenic or depressive or anxiety neurosis, 7226
medazepam, patients with neurasthenic or depressive or anxiety or phobic neurosis, 7157
melatonin & clinical variables, 26–63 yr olds with major depression, 9212
melatonin as depression marker & cortisol secretion, comments on article by B. Claustrat et al, 30141
melatonin as marker in depression, 26–58 yr olds with major depression, 17322
memory complaints, 64–84 yr old depressed geriatric inpatients, 17401
memory test performance, patients with organic brain damage & depression, 20152
methodological & conceptual issues in assessment of thought disorder, patients with psychotic depression vs chronic paranoid schizophrenia, comments on article by M. L. Carter, 27319
methodological procedures for postmortem study of neurological & psychological parameters, depression, conference presentation, 10738
methodology of studies linking parent-child relations & etiology of depression, literature review, 22028
methylphenidate & dexamethasone suppression test & mood response, prediction of treatment response to zimelidine with vs without lithium, depressed 18–58 yr olds, 30742
methylphenidate & thyrotropin releasing hormone & dexamethasone suppression test responses, 20–55 yr olds with recurrent unipolar depression, 18103
methylphenidate, attention deficit disorder, adults with vs without depression, comment on findings of P. H. Wender et al, 15162
methylphenidate, attention deficit disorder, adults with vs without depression, reply to J. A. Mattes's criticism, 15206
methylphenidate, depression, 77 & 79 yr old males & 70 yr old female, 7172
metyrapone & dexamethasone suppression test, hypothalamic-pituitary-adrenal axis hypoactivity, patients with depression, 27294
metyrapone test, blood plasma cortexolone & cortisol levels before vs after pharmacological treatment &/or recovery, depressed vs schizophrenic vs manic patients, 4521
metyrapone test, hypothalamic-pituitary adrenocortical axis hypoactivity, 36–61 yr old male depressed inpatients, 6958
mianserin, depressed 8–19 yr olds, conference presentation, 30720
mianserin, females with cancer & situational major depression, conference presentation, 30714
mianserin protein binding in serum & plasma, healthy 23–71 yr olds vs 60–77 yr old depressed vs 26–82 yr old rheumatoid arthritis patients, 25299
mianserin, sleep parameters assessed by EEG, 29–58 yr old depressed inpatients, conference presentation, 30755
mianserin vs amitriptyline, depressed 18–65 yr olds, 9932
mianserin vs clomipramine, 25–57 yr old mildly depressed psychiatric outpatients, conference presentation, 30721
mianserin vs imipramine, depressed 60–80 yr olds, conference presentation, 30722
mianserin vs indalpine, depressed outpatients, 22568
mianserin vs nomifensine & clobazam, depressed patients, conference presentation, 30749
mianserin vs zimeldine, profiles of changes in activity during treatment assessed by Montgomery-Asberg Depression Rating Scale, depressed 20–82 yr olds, conference presentation, 30761
mianserin, 20–80 yr old depressed patients, 4476
microcomputer vs O generated scores on Hamilton Rating Scale for Depression, depressed patients, 2868
middle ear activity & periorbital integrated potentials before vs during vs after REM sleep, 19–54 yr old males with schizophrenia & schizoaffective & major depressive disorder, 19894
models in learned helplessness theory & depression & causal attributions, 1267
modified dexamethasone suppression test, diagnosis of primary depression, conference presentation, 6523
monoamine oxidase inhibitors, patients with atypical neurotic depression, 9954
monoamine oxidase inhibitors, patients with chronic depression or neurotic syndromes, 15119
monoamine turnover & binding to monoamine & other receptors, 56–94 yr old Alzheimer's disease vs depressed patients vs adults who committed suicide, conference presentation, 1221
mood & depression, memory & recall, response to criticisms by A. M. Isen & H. C. Ellis & J. D. Mayer & G. M. Bower, 13661
mood & encoding demands, memory & recall, mildly depressed Ss, comments on work by L. Hasher et al, 13654
mood congruent & incongruent psychotic symptoms, schizophrenic vs schizoaffective manic or depressive vs unipolar or bipolar depressed patients, 9357
mood-congruent learning, comments on work by L. Hasher et al, 13675
mood induction procedure & cognitive manipulation, reply to comments by D. M. Clark, 9857
morphine & dexamethasone suppression test, cortisol levels in blood, 19–40 yr old psychiatric patients, 17440
multifactorial analysis of depressive disorders, patients with primary depression, 6611
multilevel systemic approach, 8 yr old quadraplegic female with phobic symptoms & deteriorating mood following fulminant meningitis, implications for child psychiatry, conference presentation, 25070
Multiple Affect Adjective Checklist, monitoring mood changes following ECT, 60 yr old female with depression, 13422
musical hallucinations during nonpsychotic depressive state, female 67 yr old with acquired deafness & normal 55 yr old, 24608
naltrexone, dysphoria, 28–39 yr old former opioid addicts, implications for treatment compliance, 4703
natural history of different depressive disorder diagnoses & short- vs long-term outcomes, 8–13 yr olds with major depressive vs dysthymic vs adjustment disorders vs depressed mood, ongoing longitudinal study, 11956
nature of intrusive depressive vs anxious thoughts, male vs female college students, 1168
need for future study on diagnosis & assessment & subtyping of major depressive disorders, children of prepubertal age, 30106
negative information & reality reflected by depressive cognitions, literature review, 11957

negative vs positive responses on cognitive tasks, mildly vs moderately vs non-dysphoric college students, 30125
neurochemistry & stress & depression, reply to criticisms by 9 authors, 19887
neurochemistry of stress, biochemical abnormalities of depression, comments on article by H. Anisman & R. M. Zacharko, 19953
neuroendocrine function & endocrinology, depression, 9262
neuroendocrinology of depression, literature review, 22063
neuroleptic-free treatment with vs without ceruletide, cholecystokinin octapeptide levels in CSF, patients with Parkinson's disease vs unipolar vs bipolar depression vs schizophrenia, conference presentation, 20399
neurophysin I & II release during insulin-induced hypoglycemia, 45–55 yr old unipolar depressed females before vs after treatment with clomipramine, 7178
neuropsychological test pattern of terminal drop as sign of masked depression, aged, 30103
neuroticism & introversion/extraversion level, susceptibility to induced depressive mood, female college students, 17358
neuroticism & personality disorder, depressed inpatients, 6490
nocturnal melatonin secretion, male depressed patients, 1269
nocturnal prolactin secretion, depressed male vs female inpatients, 22083
nomifensine, depression, 24–67 yr old neurotic outpatients, conference presentation, 15151
nonselective inhibition of REM sleep, normal REM period latency, 6–12 yr olds with major depression vs emotional disorders vs neurosis vs Ss who had recovered from depression, 3845
noradrenaline levels during orthostatic challenge, bipolar & unipolar depressed 24–68 yr olds, 11999
norepinephrine-epinephrine ratio, depressed patients, comparison with data of R. B. Ostroff et al for patients who attempted suicide, 22000
nortriptyline, EKG & plasma levels of nortriptyline & E-10-hydroxynortriptyline, depressed 61–88 yr olds, 1965
nortriptyline-related EKG changes, 5–12 yr olds with major depression, 4487
nortriptyline with vs without cognitive therapy, patients with primary nonbipolar depression, replication of study of A. J. Rush et al, 7215
number & type of current concerns, moderately & severely depressed college students, 9326
nursing care & cognitive mediation & interventions, depressed patients, 20350
object relations perspective of character resistances & transference, patients with depressive & masochistic tendencies, 30610
occupational stress & social support & locus of control, depression, family physicians with mean age of 48 yrs, 4782
occurrence of life events 6-mo before onset of major depressive episode, depressed 21–73 yr olds with vs without melancholia, 30208
occurrence of major depression & panic, patients with borderline personality disorder, 30143
occurrence of side effects in phenelzine & tryptophan therapy, 28 & 57 yr old males & 31 yr old female with major depression & melancholia or bipolar depression, implications for use of serotonergic agents with MAO inhibitors, 25301
onset & awareness of cognitive disturbance & vegetative symptoms & patterns of speech, differential diagnosis of depression vs dementia, geriatric patients, 3790
onset of disorder & social support & life stressors & dexamethasone nonsuppression & response to antidepressants, patients with major depression with vs without personality disorders, 3907
orality & depression, male college students, 6481
organic affective syndrome related to left parietal subdural hemotoma, 52 yr old male with multiple sclerosis, 14835
organic brain syndrome & marginal hypothyroidism & response to psychotropic medication & levo-thyroxine, 52 yr old male with depression & 65 yr old female with paranoid psychosis, case reports, 27963
parent-child interaction & parental & self reinforcement, etiology of childhood depression, depressed vs nondepressed guidance clinic children & their parents, 30111
parental & self perception of sadness & types of depressive symptomatology, 1–6 yr olds, 6533
parental adjustment & marital satisfaction & depression, perception of child's home or school problem behaviors, parents of 5–14 yr olds referred to psychology clinic for behavior problems, 4040
parental alcoholism, alcoholism & depression & antisocial personality disorder, opioid addicted adult offspring, 1434
parent/child discrepancies in reports of children's behaviors, 26–47 yr old parents with major affective disorder vs their 7–17 yr olds, 17370
partnership problems, endogenous or neurotic or unclassified depression, male & female 47–66 yr olds, 3886
patient responses to amitriptyline with or without perphenazine or maprotiline or amoxapine, prediction of differential rates of depression, relatives of depressed probands, 7232
patient selection & guidelines for administration of ECT, 55 yr old male with drug treatment resistant depression, 6916
patterns of life event characteristics, qualitative nature of anxious or depressive or psychosomatic symptoms, patients, 27245
pedigree segregation analysis of transmission of affective disorders, patients with unipolar vs bipolar depression & their families, longitudinal study, 1392
peer reactions to depression & life stress, male vs female 3rd–6th graders, 14233
pemoline withdrawal followed by depressive symptoms, 11 yr old female with attention deficit disorder with hyperactivity, 4475
perceived control of parental behavior, impulse control disorder & dysphoric social withdrawal, children, literature review, 9399
perception & discrimination of neutral vs emotive word stimuli, depressed vs nondepressed college students, implications for Pollyanna hypothesis, 27364
perception of degree of control & responsibility for negative vs positive outcomes, depressed vs nondepressed college students & depressed in- vs outpatients, 30212
perception of family attitudes toward weight in bulimia & in affective disorder, female 15–45 yr olds with bulimia vs depression, conference presentation, 24604
perception of feedback about personality in neutral descriptive terms, evaluation of cognitive distortion, depressed vs nondepressed college students, 20000
perception of rejection & emotional warmth & overprotection in parental rearing behavior, bipolar vs unipolar depressed patients, Italy vs Sweden, 24693
perfectionism &/vs stressful life events, vulnerability to depression, college students, 19933
performance on tests of visual retention & paired associate learning & object-memory evaluation, aged with vs without primary degenerative dementia vs major depression vs 63–86 yr old geropsychiatry inpatients, 24595
persistence of depressive cognitions, depressed psychiatric inpatients, 22094
personal construct psychotherapy, self perception, 22–52 yr olds with major depressive disorder, 17878
personal efficacy & locus of control & perceived contingency of parental reinforcement in thought structures, depressive vs paranoid patients, 1365
personality & social support resources during life cycle transition, depression, beginning medical students, 3917
personality characteristics & platelet MAO activity, depressed 21–61 yr olds, 9319
personality traits & social networks & loneliness, hospitalized depressed patients, Sweden, 6497
personalized vs standard role plays, assessment of social skills, 21–63 yr old depressed outpatients, 27283
pharmacokinetic vs empirical dosing of nortriptyline vs amitriptyline, benefit-cost ratio, depressed inpatients, 1953
pharmacotherapy & depression resulting from stressful life events, comments on article by M. J. Garvey, 1917
phenomenology of manic & paranoid & melancholia states, psychiatric patients, 30228
phenylpropanolamine or caffeine in high doses, catatonia, 45 yr old male treated with doxepin & fluphenazine for depression & paranoia, 15126
phenylthiocarbamide taste test as biological marker for depression, 18–36 yr olds, 20001
physical health status & social environment, depression, lung cancer patients & their spouses, 4135

physical illness & physiological changes & medication or drug use, depression, 30130
pituitary-adrenocortical disinhibition & intolerance to fluvoxamine, 21–60 yr old outpatients with major depression, conference presentation, 15124
plasma & salivary dexamethasone suppression test, patients with primary vs secondary depression, 3910
plasma concentrations of imipramine vs amitriptyline following daily treatment & desmethylated metabolites, acute relapse, depressed 6.7–15.5 yr olds, 20407
plasma free cortisol levels, depressed patients, clinical implications, literature review, 24709
plasma homovanillic acid & 3-methoxy-4-hydroxyphenylglycol levels pretreatment, male vs female patients with depression with vs without melancholia &/or psychosis, 17330
plasma norepinephrine, patients with present & past major depressive episode with melancholia & dysthymic disorder, 11998
plasma ratios of tryptophan & tyrosine to competing amino acids & serum drug levels, clinical effectiveness of imipramine with vs without desipramine, depressed patients, 25307
plasma testosterone level, severity of disorder & sexual dysfunction, depressed male patients, 30244
plasma 3-methoxy-4-hydroxyphenylglycol & dexamethasone suppression, patients with past & present unipolar & bipolar melancholia & dysthymia, 27360
platelet alpha-2-adrenergic receptors in depression, 11947
platelet alpha 2-adrenoceptor number & urinary 4-hydroxy-3-methoxyphenylglycol excretion & age at onset, drug-free 23–63 yr old major depressive patients, 30210
platelet MAO activity & estrogen & progesterone & testosterone serum levels, adult drug-free depressed inpatients, 17403
platelet MAO activity, 18–68 yr old patients with depression of increasing specific diagnostic groups, implications for subtypes of depression, 30213
pleasantness–unpleasantness vs arousal–nonarousal dimensions, judgment of facial affect, depressed vs schizophrenic 18–38 yr olds, 27332
poetry & music & time as therapeutic techniques in short term group therapy, 18–36 yr old depressed college students, 17951
pokeweed mitogen vs concanavalin A vs phytohemagglutinin with vs without antidepressant treatment or ECT, lymphocyte blastogenesis indicating cellular immune function, depressed patients, 19885
positive correlation between dexamethasone suppression test normalization & clinical improvement, nonsuppressor vs suppressor patients with primary depressive illness, 17708
positive reminiscence preceding Geriatric Depression Scale, scores & test-retest & interexaminer reliabilities, nursing home residents, 5291
positive vs negative topic & negative/depressed vs positive/nondepressed expressed attitude, mood, impression formation & self disclosure behavior, female college students, 24483
positron emission vs computerized axial tomography scans, local brain glucose metabolism & brain atrophy, 28–37 yr olds with chronic schizophrenia vs 55–66 yr olds with chronic depression, 17378
possible contributions to tricyclic antidepressant treatment resistance, 25302
possible etiologies, 20 yr old male engineering student with periodic depression & scholastic difficulties, 27348
post dexamethasone suppression test cortisol level & body weight & assessed depression, depressed 27–73 yr olds, 22053
postdexamethasone by cortisol & platelet MAO levels, depressed 23–72 yr olds, 14654
pre-oedipal phenomena & affect disorders & biological psychiatry, 18 yr old female, 22072
pre-test levels of cholesterol & sodium & potassium & blood glucose, prediction of postdexamethasone cortisol levels, patients with major depressive disorder, 14661
predictions of learned helplessness model of depression & breaking up, college students, 19970
predictive validity of major depressive disorder & dysthymic disorder & adjustment disorder with depressed mood in childhood, risk for subsequent major depression, 8–13 yr olds, longitudinal study, 30168
predictors of improvement following psychiatric referral, patients with nonendogenous depressive disorders, 6- & 20-wk followup, 4257
predisposing influence of stress on depression via neurochemistry, comments on article by H. Anisman & R. M. Zacharko, 19990
preference for social comparison with people experiencing positive vs negative affect, depressed college students, 27301
prejudice in psychiatry, depressed 44 yr old female patient, 9723
premenstrual dysphoric changes, females with major depression or related to patients with major affective disorder, 9256
preoperative depression vs weight, postoperative weight loss & depression, 18–57 yr old morbidly obese gastroplasty patients, 26-mo followup, 22243
presence of antithyroid antibodies & lack of pharmacotherapy data, depressed psychiatric patients, criticism of article by C. B. Nemeroff et al, 22594
presence of antithyroid antibodies & pharmacologic histories, depressed psychiatric patients, reply to criticism of M. B. Stein, 22569
presence of diagnosable characteristics, depressed 7–17 yr old children of parents with unipolar & bipolar affective disorder, 14615
presence of observer & response contingent vs noncontingent outcomes, estimate of personal control, depressed vs nondepressed college students, 11787
presence vs absence of melancholia, ECT response, 19–78 yr old depressed patients, 25088
presentation of low vs high imagery words, recognition assessed by signal detection analysis, depressed 58–88 yr olds, 30190
prevalence & diagnosis & treatment response, medical patients with depressive symptoms, 27653
prevalence of affective disorders & standards of vs actual treatment received, criticism of study by M. B. Keller et al, implications for large single or multicenter studies, 27722
prevalence of clinical heart disease & hypertension, 60–91 yr olds with Alzheimer's disease vs multi-infarct dementia vs major depression, 20257
prevalence of depression & relationship to sociodemographic variables, rural 65–105 yr olds, 3903
prevalence of depression, aged patients with dementia in rehabilitation program, 30-mo followup, 22762
prevalence of depression vs somatic symptoms of emotional disturbance, psychiatric outpatients, Taiwan vs US, 9360
prevalence of depressive symptoms, hospitalized nonpsychiatric patients, 15374
prevalence of major depression & usefulness of dexamethasone suppression test & thyrotropin-releasing hormone stimulation test in diagnosis, 20–86 yr old gynecological cancer patients, 22249
primitive object relations & need to avoid frustration, psychoanalytic point of resolution, schizoparanoid & depressive patients, 30547
prior course & characteristics of index episode & familial aggregation, patients with bipolar II vs bipolar I vs recurrent unipolar depression, 1292
prior suicidal behavior & family history, male 16–86 yr old inpatients with unipolar or bipolar depression, 27328
problem solving as moderator between causal ascriptions & depression, college students, 14510
problem solving marital interactions, husbands with clinically depressed wives, 9216
progressive & systematic relaxation & neck rolls & mantra chanting & breathing techniques, 65–92 yr old depressed geriatric nursing home residents, 7426
prolactin levels & dexamethasone suppression test results, patients with major depressive disorder, 6531
prolonged exposure to mildly depressed individual, induction of depressive affect, college roommates, 13-wk longitudinal study, 3675
proposal to reclassify depression of late life as biochemically based somatic disorder, elderly patients, 14546
pseudohysterical behavior patterns, 43–67 yr old females with endogenous depression, 3840

psychiatrist's theoretical orientation, multidimensional analysis of facial expressions in photographs, 25–50 yr old psychiatric patients in subacute or chronic depressive state, 1880–1900 vs 1920–40, 27334
psychoanalytic observations, pathology of depressive illness, 27372
psychoanalytic principles in treatment, 77 & 82 yr old females & 87 yr old male with severe depression, 4345
psychoanalytic view of depression & loss of idealized view of adolescence, young adults, 22025
psychoanalytic view of role of biology in depression and masochism, 3809
psychoanthropological analysis of sadness or pena, Ecuador, 8964
psychobiological factors in prepubertal major depression, children & adolescents, 11994
psychobiological relationships between anxiety & depression & stress, 30230
psychodiagnostic interview & Schedule for Affective Disorders, diagnosis of simultaneous panic & depressive disorder, 22–62 yr old patients, 6514
psychodiagnostic interview & self report, differential diagnosis of major depression & dysthymic disorders, psychiatric patients with mean age of 13.1 yrs, 11927
psychodynamics & symptomatology & treatment, depression, 9684
psychoeducational group treatment, drug-refractory unipolar depression, 29–56 yr old outpatients, 1- vs 9-mo followups, 4371
psychohistorical view of life of M. Wollstonecraft, 19891
psychological distress & physical & health & behavioral problems & health risk factors, children of parent in remission or continuance of unipolar depression, 1-yr followup, 17315
psychometric contamination in correlational studies of depression & self esteem, college students, 13384
psychometric properties of Beck Inventory, college students, 2854
psychometric properties of long & short form & feasibility of improvement of Beck Depression Inventory, depressed patients & college students, 18918
psychopathology & personality dysfunction & neuroendocrine functioning using MMPI & dexamethasone suppression test, 21–65 yr old depressed inpatients, 19969
psychopharmacology of maprotiline & mianserin & nomifensine & viloxazine & zimelidine & iprindale, 27948
psychosocial factors & depressive symptoms, college students, 14645
psychosocial life events, depression, 11904
psychosocial stimuli, physical fitness & depression & anxiety & urine level of 3-methoxy-4-hydroxyphenylglycol & normetanephrine & metanephrine, 23–46 yr old males, 580
psychotherapeutic methods, severe depression & suicidal ideation, 29 yr old male accused of sexual molestation of 10 yr old male, case report, 30538
psychotherapies, depression, 7015
psychotherapy & hypnotherapy & spiritual healing through prayer, depression & dissociation, pastor's wife, 18217
psychotherapy, depressed 60 & 62 yr old caregivers of aged family member, case report, 27759
psychotherapy, depression, 7003
psychotherapy, depression & psychotic episode following fall from horse 10 yrs previously, 30 yr old male, 17785
psychotic depression & psychotherapy, 8 yr old female with Kanner-type autism & Mahler's symbiotic psychosis, 22434
psychotic symptoms, schizophrenic vs schizoaffective vs unipolar or bipolar depressed patients & their relatives with diagnoses of psychosis or depressive neurosis, 9356
qualitative analysis of Benton Visual Retention Test scores, psychopathological diagnosis, neurotic & demented & schizophrenic & depressed patients, 1364
quality of information disclosure, comprehension of psychiatric research & informed consent, 21–71 yr old schizophrenic vs depressed patients, 14572
quality of intimate relationships, depression, females aged 50 & over, 9235
radioactive yohimbine & dihydroergocriptine & clonidine, characterization of platelet alpha adrenoceptors, 23–73 yr old depressed patients, 6483
random & unexpected staff responses, chronic depression, middle-aged female day hospital patient, 9693
ranitidine, depression, 45 yr old female with headaches & 78 & 65 yr old males with duodenal ulcer or dyspepsia, case reports, 27939
rates & demographic correlates & symptoms, affective disorders & depression, males vs females with mean age of 38 yrs, 1347
reactivity of growth hormone to pharmacological stimuli in depression, conference presentation, 3815
recognition of clinical depression, children & adolescents, 11993
recommendations for use of unilateral &/vs bilateral ECT, depressive disorders, 4223
relation between jealousy & depression, comments on views of D. Lagache & P. C. Racamier, 19955
relationship among results of Beck Depression Inventory & fear of death & hopelessness scale, college students, 19853
relationship between depression & dementia, 17289
relationship between hypothalamic-pituitary-adrenal axis & noradrenergic system assessed by plasma free 3-methoxy-4-hydroxyphenylglycol vs cortisol response to dexamethasone, depressed 18–68 yr olds, 17415
relationship of posttraumatic stress disorder & depressive illness, 17417
reliability & concurrent validity of self report measures of depression & anxiety & social desirability, college students, 21020
reliability & validity of Beck Depression Inventory, differentiation between depression & neuroticism, psychiatric patients & college students, Netherlands, 13400
reliability & validity of Children's Depression Inventory & Child Depression Scale & Personality Inventory for Children, measurement of depression & anxiety & self esteem, 3rd–6th graders & their parents & teachers, 13458
reliability & validity of Cognitive Triad Inventory, measurement of negative perceptions of self & world & future, depressed patients, 28931
reliability & validity of modified Hamilton Rating Scale for Depression, 18–61 yr old psychiatric inpatients, 5319
reliability & validity of retrospective process audit approach to quality assurance for use in community occupational therapy, depressed patients, 22753
reliability & validity of symptoms of depression, 16–83 yr old depressed inpatients & consecutively admitted patients with major depressive episode, 27335
reliability of abbreviated form of full Schedule for Affective Disorders & Schizophrenia, differential diagnosis & measurement of severity, unipolar depressed vs paranoid schizophrenic vs nonparanoid schizophrenic patients, 28969
REM deprivation & interruption of dream activity, circadian rhythms & associated affective state & depression, 27739
reporting bias, correlation between negative life events & subclinical psychological symptoms, college students, 10745
Research Diagnostic Criteria vs DSM-III vs criteria of J. P. Feighner et al, classification of depression, literature review, 24717
Research Diagnostic Criteria vs J. C. Nelson & D. S. Charney's criteria for endogenous depression vs DSM-III melancholia, analysis of EEG sleep data & clinical characteristics, patients with primary unipolar depression, 3867
research routes to prevention of depression, females, Canada, 17712
reserpine with tricyclic antidepressants, hospitalized female 22 & 43 & 66 yr olds & male 22 yr olds with major depression, 22564
response latency & impulsivity & errors on Matching Familiar Figures Test, measurement of relationship between cognitive tempo & hyperactivity & Child Behavior Checklist variables & depression, 6–11 yr olds, 18949
response to 1st dose of psychotropic drug, prediction of treatment outcome following repeated administration, depressive & schizophrenic patients, conference presentation, 7263
responses of "I don't know" for Mini-Mental State Examination, elderly patients with primary degenerative dementia vs primary major depression, 6464
results of dexamethasone suppression test, depressive patients, conference presentation, 6622
retest correlations for Rorschach test variables, hospitalized patients with symptoms of depression &/or helplessness, conference presentation, 8074
right hemisphere spatial performance, male vs female 40–60 yr olds with major depressive disorder, conference presentation, 3863

right vs left hemisphere dopamine deficit, cognitive functions & mood, patients with depression caused by Parkinson's disease, 17306
risk for psychiatric illness assessed by & validity of Iowa Discriminant Index, 1st-degree relatives of endogenously vs nonendogenously depressed patients, 24736
risk of psychiatric illness, 16 to over 18 yr old offspring of parents with depression &/vs secondary alcoholism, 20040
risk of relapse & chronicity following recurring depressive episodes, patients, followup study, 14616
role of emotions in systems view of depression, comments on article by H. Anisman & R. M. Zacharko, 19938
role of gender & sex role orientation, transient normal depressive experiences, college students, 3757
role of neurotransmitter receptor activity in etiology & diagnosis & treatment of depression, literature review, 1324
role of serotonin as neurotransmitter & in etiology & drug treatment of depression, 25324
rolipram, patients with endogenous or chronic depression, 18062
routine care with vs without monitoring by specialist nurse & mianserin &/vs cognitive therapy, depression, females undergoing mastectomy for breast cancer, conference presentation, 30517
ruminative thinking, diagnosis of melancholic vs nonmelancholic depression, inpatients, 19968
S-adenosyl-L-methionine, depression, 22–67 yr old patients with atypical depression vs dysthymia vs adjustment disorder, 18047
Salamon-Conte Life Satisfaction in the Elderly Scale, assessment of well-being & depression, aged, 5282
seizures induced by concurrent bupropion & lithium, unipolar delusional depression, 38 yr old female, 7237
selective memory for negative self relevant information & response bias theory, depressed & formerly depressed students, response to criticism by M. Martin & D. M. Clark, 22145
selective memory for negative self relevant information & response bias theory, depressed & formerly depressed students, reply to response of D. C. Zuroff et al, 22086
selective memory for negative self relevant information & response bias theory, depressed & formerly depressed students, criticism of study by D. C. Zuroff et al, 22085
self appraisal of problem solving confidence & approach-avoidance style & personal control, depressive symptoms, college students & 29–69 yr olds with unipolar major depression, 17393
self consciousness, concordance between self report vs clinical ratings of depression & anxiety, 19–61 yr old psychiatric inpatients, 24626
self derogation & depression & subsequent purpose in life, substance use & suicide ideation, male vs female 19–24 yr olds, 17456
self esteem & depression, attributions for real vs hypothetical events, college students, 11854
self esteem & femininity & masculinity, self reports of depressive symptoms, college students, 9139
self esteem, depression &/vs alcohol consumption, female vs male 12–18 yr olds with behavior problems, 30080
self focused attention & depression & self evaluation & mood & stressful life events, college students, 30046
self focused attention & self esteem, self reported state depression, college students, 24539
self-help group, elderly nursing home residents with symptoms of depression, 4373
self-in-relation perspective on aspects of existing theories of depression, implications for women, 27317
self monitored incidents vs original frequency estimates & depression, crying in natural settings, male vs female college students, 27189
self psychology perspective of subjective experience & dynamics of depression, 10th grade & 29 yr old male & 33 yr old housewife, 1348
Self Rating Depression Scale vs Beck Depression Inventory vs Hamilton Rating Scale for Depression, measurement of treatment outcome, meta-analytic comparison, 17838
self rating vs evaluation by others, assessment of effectiveness of trazodone vs amitriptylinoxide, depressed patients, 27935
self reference vs role play of self enhancing vs depreciating behaviors under high- vs low-choice conditions, self esteem, depressed vs nondepressed college students, 17261
self report of depression & positive affect & psychoneuroticism, Curacaonian vs Aruban vs Dutch 13–20 yr olds, Netherlands-Antilles, 24166
self report of depressive symptoms, low back pain patients with few or no physical causes vs lumbar disc protrusion, 24880
self report vs cognitive task & assessment of self esteem, remitted bipolar vs depressive patients, 1401
self report vs interview assessment of life events, depressed inpatients, 22144
self reported depressive symptomatology, outpatient alcoholics vs heroin addicts, 14738
self reported loneliness & maladaptive negative views of self & social world & depression, college students, 20002
self reported vs interviewer ratings of individual symptoms of major depressive disorder, psychiatric inpatients vs clinically experienced interviewers, 20005
self reports on Center for Epidemiologic Studies Depression Scale vs diagnostic interview results, detection of major depression vs generalized anxiety, mothers of chronically disabled children, 18928
self schema decision inconsistency, mildly depressed vs cognitively vulnerable to depression vs nondepressed nonvulnerable college students, 30033
self schemas & life stress & vulnerability model of depression, college students, 1306
self taught memory skills training, memory performance & depression, 60–82 yr olds, 22321
self vs others' performance ratings in social interaction task, depressed vs nondepressed female college students, test of cognitive vs behavioral hypotheses, 17348
sensitivity & density of platelet alpha-2-adrenoceptors, drug-free & lithium carbonate-treated depressed patients, 11929
sensitivity & specificity of cognition, unipolar & bipolar depressed outpatients, 17359
sensitivity to social norm favoring internal attributions for task performance, normal vs depressed college students, 11781
serotonin metabolism & treatment with 5-HTP, depression, patients with vs without suicidal tendencies, 7223
serum & salivary cortisol levels, 7–16 yr olds with depression vs other psychiatric disorders, 3820
serum ACTH & cortisol levels & abnormal dexamethasone suppression, bipolar & unipolar depressed patients, 22021
serum melatonin & cortisol & morning level of plasma ACTH & dexamethasone suppression test, 26–63 yr olds with major depressive disorder vs patients in remission from unipolar vs bipolar depression, 19893
SES & marital status & other factors, depressed vs nondepressed middle aged females, 6517
severe life events & dexamethasone suppression test results & duration of illness, 18–80 yr old depressed inpatients, Scotland, 6593
severity of anxiety & depression & problems in receipt of accurate information/communication, 25–74 yr old cancer vs surgical ward patients, 1571
sex & age & intellectual functioning & family income, prevalence of severe depression, 3rd–5th graders, 3871
sex differences & birth cohort, rates of major vs bipolar depression, 18 yr olds & older, conference presentation, 3955
sex differences in diagnosis & severity of depressive symptomatology, patients with hebephrenia vs paranoid hallucinatory schizophrenia vs schizoaffective psychosis vs involutional vs endogenous vs neurotic depression, 27299
sex differences in hormonal & monoamine activities & other biological factors, depression, conference presentation, 3851
sex differences, proneness to depression vs paranoia, 14624
sex role orientation, depression, husbands vs working vs nonworking wives, 9066
sex role perception, depression, female college students, implications for school counseling, 10438
sexual difficulties & bleeding & long periods & menstrual pain as gynecological symptoms, depression & anxiety, potential hysterectomy patients, 9607
signal detection theory, recognition of neutral vs emotive stimuli, depressed vs nondepressed college students, 27363
similarities in personality, patients with bipolar vs major depressive disorders, 11931

simultaneous task presentation & level of difficulty, recall & attention, depressed patients, implications for depressive cognitions, 9287
skin conductance, differentiation of subtypes & relation to atypical dexamethasone suppression test, patients with unipolar vs bipolar disorder, 30243
sleep apnea, 49–85 yr old major depressives vs nondepressed patients with probable Alzheimer's disease, 14895
sleep characteristics, 18–63 yr old patients with atypical vs endogenous depression, 1357
sleep deprivation & increase vs decrease in MAO activity, prediction of response to maprotiline or clomipramine, depressed patients, 9896
sleep deprivation, depression, literature review, 9651
sleep EEG & EMG & EOG, 23–60 yr old inpatients with major vs minor depression vs major depressive disorder in remission, 19945
sleep efficiency & REM activity & latency, patients with major primary vs secondary depression, 27366
sleep onset REM periods, 18–69 yr olds with major depression, 1250
sleep patterns assessed by EEG as means of assessing depression, 18–39 yr olds with borderline personality disorder, 6583
social & demographic characteristics, patients with neurotic vs psychotic depression, Nigeria, 24651
social & self control skills training, 25–40 yr old females with unipolar depression & deficits in social or self control skills, 18008
social cognition theories & methodologies & major depressive disorders, 3769
social contacts & confiding relationships & leisure activities as discriminating indices, depressed patients vs controls, 14592
social problem solving vs problem focused group therapy, depressed adults, 20326
social relationships & depression, 6th & 7th graders, 16985
social support & life events & depressive symptoms, married females, 1-yr prospective study, 30188
social support, stress & depression & anxiety, mothers of preschoolers living near Three Mile Island nuclear accident, 9332
societal expectations, persecutory delusions & self accusation, 31 & 52 yr old depressed male & female, Maghreb & South Sahara, 1336
sociocultural conditions & positive vs negative coping patterns, depressed females aged 65 & over, Switzerland, 30171
sociodemographic characteristics & length & context of interviews, scores on depression scale & responses to attitudinal questions, females who had vs had not undergone mastectomy, 20973
sociopsychological functioning & course & outcome, former psychiatric inpatients with depressive neurosis, 7-yr followup, 3817
somatic symptoms, unipolar vs bipolar depressed patients, implications for classification of depression, 9225
special education programs, aggressive vs depressive &/or apathetic vs learning disordered adolescents, 10466
specificity of thyrotropin releasing hormone test for depression, serious cocaine abusers, conference presentation, 3978
speech pause time & short REM sleep latency & cortisol nonsuppression, evaluation of psychomotor retardation, depressed 21–71 yr olds, 14611
stability of prevalence, depression & anxiety disorders, Canada, 18 yr followup, 1339
state dependence vs mood congruence, depression & mnemonic processing, literature review, 16307
statistical norms & reliability of Children's Depression Inventory, 8–16 yr olds, 16180
status of cognitive therapy, comments on H. J. Eysenck's assessment, 4410
stress, predisposition for depression, comments on article by H. Anisman & R. M. Zacharko, 19889
stress, predisposition to depression, comments on article by H. Anisman & R. M. Zacharko, 19919
stressful encounters & depressive symptomatology & coping processes, community-residing White married couples, 24635
stressful life events & distorted responses & depression, college students, extension of findings of C. L. Hammen, 11975
stressful life events & social support, depression during pregnancy & puerperium, married females, 30193
stressful life events, 17–78 yr old patients with endogenous vs nonendogenous depression, 1278
stressful stimuli, learning of probability information, dysphoric vs obsessive-compulsive college students, 14639
subcortical dementia & depression, reply to criticism by R. W. Pies, 27581
subtypes of depression with genetic or biochemical basis, implications for Adlerian theory & practice, 11987
superiority of ECT over tricyclic antidepressant drugs, depression, reply to comments of B. S. Fogel, 14943
support for validity of atypical depression as diagnostic entity, literature review, 1246
symptoms & background features, relatives of affectively ill patients with bipolar I vs II vs nonbipolar depression, 1279
symptoms & diagnosis of depression, 7–13 yr olds, Panama, 30107
symptoms & EEG abnormalities, 14–73 yr olds with borderline personality disorder vs unipolar depression, 27287
symptoms of anxiety & depression, chronic low back pain patients, 20227
symptoms of anxiety & depressive & somatic displacement & posttraumatic reaction & irritability & impulsiveness & headache & fatigue, workers who suffered carbon monoxide poisoning in industrial accident, 22330
synthetic steroid antagonist of glucocorticosteroid RU 486, plasma cortisol, depressed 37–63 yr olds, 14569
systemic strategic model of brief family therapy, 33 yr old male with depression, case report, 27860
task performance as behavioral measure of response to monetary reward reinforcement during depression, 17–59 yr old melancholic patients, 27903
techniques of group psychotherapy, social isolation & depression, 70–95 yr old male residents of home for aged, 9785
telephone & in-person interviews, assessment of impact of age & sex & illness on depression, adult Ss, 10734
temperament & adjustment associations as assessed by Dimensions of Temperament Survey & Perceived Competence Scale for Children & depression scale, 6th graders & college students, 24242
terminology & diagnosis & pharmacotherapy of mixed anxiety-depression syndrome, 7261
test battery scores on depressive symptoms used vs not used for melancholic subtyping in DSM III, patients aged 18 yrs & older with depression &/vs melancholia, implications for differential diagnosis, 14671
test-retest reliability of Beck Depression Inventory & significance of life events scores, college students, 19000
test–retest reliability of Schedule for Affective Disorders & Schizophrenia–Lifetime Version, diagnosis of major depression, 20–43 yr old females living near nuclear facility, 26193
text cohesion & coherence assessed by recall of short stories, patients with schizophrenia or depression or organic brain disturbance, 9342
theory of memory impairment, patients with Alzheimer's & Korsakoff's disease & depression, 9628
therapeutic effect & safety of alprazolam vs doxepin, primary unipolar depression, 18–70 yr old outpatients, 4464
thyroid function, response to lithium & carbamazepine, depressed patients, 1927
thyroid releasing hormone-induced changes in thyroid stimulating hormone & prolactin & growth hormone, 19–69 yr olds with depression or alcoholism or schizophrenia or adjustment disorder, 24613
thyrotropin releasing hormone-induced & basal levels of thyroid stimulating hormone, 19–71 yr old inpatients with depression vs schizophrenia vs adjustment disorder vs alcoholism, 6476
thyrotropin releasing hormone test, prediction of depression, 11969
thyrotropin-releasing hormone, thyroid-stimulating hormone & clinical symptoms & prolactin levels, 26–63 yr old patients with acute major depressive disorder & unipolar & bipolar disorder in remission, 9277
thyrotropin releasing hormone, thyroid stimulating hormone response, depressed patients, literature review, implications for use as neuroendocrine/psychiatric marker, 22082
thyrotropin releasing hormone, thyrotropin stimulating hormone response & basal hormone levels, unipolar & bipolar depressed patients, 14660

total & partial sleep deprivation, therapeutic management of sleep during depression, 4251
toxic symptoms from desipramine, 64 yr old female with major depression, 4490
trait anxiety & dysphoria & obsessionality & neuroticism, individual differences in depressive vs anxious cognitions, college students, 9132
transformational hypnotherapy, maladaptive behavior, 21 yr old depressed anxious male, case report, 25340
tranylcypromine, depression, 62 yr old female with evidence of Binswanger's encephalopathy, 1959
trazodone, depression, 29 & 41 yr old male patients with severe obsessive compulsive disorder, 1912
trazodone, erythema multiforme, female 63 yr old with treatment-resistant depression, 15138
treatment compliance & absence of physical disability & long term followup & maintenance antidepressant therapy, treatment outcomes, aged depressed outpatients, 24–63 mo followup, 12658
treatment issues, depressive schizophrenic patients, conference presentation, 30490
treatment methods, childhood depression, 12314
treatment outcome at discharge vs after 6-mo, patients with nonbipolar psychotic vs nonpsychotic major depression, 17325
treatment outcome, inpatients with cardiac phobia & depression, 2.5-yr followup, conference presentation, 24691
tricyclic antidepressants & ECT, clinical response, delusional & depressed inpatients, 12553
tricyclic antidepressants &/vs ECT, depression, hospitalized geriatric patients with dementia &/or depression or other affective disorders, implications for treatment of elderly, 22376
tricyclic antidepressants or MAO inhibitors or lithium or trazodone or alprazolam or bupropion or nomifensine or ECT, cardiovascular function, cardiac patients, literature review, conference presentation, 27968
tricyclic vs tetracyclic antidepressant drugs, seizures, psychiatric inpatients, 7191
trimipramine vs doxepin, depression & anxiety & cardiovascular factors, depressed hospitalized patients, 4465
true diagnosis of late D. P. Schreber, reply to criticisms of K. S. Kendler & R. L. Spitzer, 3877
tryptophan depletion, mood & performance on proofreading task while listening to dysphoric distraction, 18–25 yr old males, implications for role of low brain 5-HT in depression, 23907
tryptophan, serum prolactin & neuromotor function & subjective mood & blood pressure & pulse, depressed patients before & during tranylcypromine treatment, 25313
Turner's syndrome & childhood depression, anorexia nervosa, female 17 yr old patient, 14858
type & severity of maternal depression, attachment behavior, 16–47 mo old infants of minor vs unipolar vs manic depressive mothers, 1358
undesirable life events & air pollution, depression, English & Spanish speaking adults, 31558
unemployment, self esteem & depression & locus of control, male vs female high school dropouts, 5-mo longitudinal study, 8883
unilateral & bilateral ECT, literature review, 9652
unilateral nondominant brief-pulse &/vs bilateral sinusoidal ECT treatments, depressed patients, 25062
unilateral vs bilateral vs simulated ECT, depressed patients, replication of methodology used by J. Lambourn & D. Gill, 14938
urinary free cortisol & dexamethasone suppression test & mechanisms for cortisol dysregulation, depressed patients, literature review, 24705
urinary free cortisol levels & infradian rhythms, 15–82 yr old recovered depressive patients with dexamethasone nonsuppression, 6534
urinary 3-methy-4-hydroxyphenylglycol relative to peripheral catecholamine activity & self reported depression, normal 23–46 yr old physically active vs sedentary males, 29339
use of ECT, childhood disorders, 11 yr old depressed male, 4225
use of ECT in private clinics vs public psychiatric wards, female vs male schizophrenic vs depressed patients, Chile, 27746
use of MAO inhibitors, demented depressed patient with abnormal dexamethasone suppression test following antidepressant therapy, implications for diagnosis of Pick's disease, reply to comments by M. A. Jenike, 18116
use of MAO inhibitors, demented depressed patient with consistent reversal of abnormal dexamethasone suppression tests following antidepressant therapy, comments on article by M. Z. Wambolt et al, 18067
use of tricyclic antidepressants, depressed prepubertal children, literature review, 30792
utilitarian resources & energy or morale & beliefs & social support as coping resources, depression & family relations & locus of control & marital adjustment, parents of mentally retarded children, 4062
utility of dexamethasone suppression test as diagnostic tool, depressed patients, 14593
utility of dexamethasone suppression test, patients with manic depressive psychosis or depressive disorders with vs without psychosis, conference presentation, 30229
utility of heredity as differential diagnostic factor, twins with pure anxiety neurosis vs mixed anxiety/depression vs pure neurotic depression, 14662
utility of thyrotropin releasing hormone & dexamethasone suppression test, diagnosis of depression, conference presentation, 30108
validation of clinically defined depressive subtypes with dexamethasone suppression test, 15–60 yr old hospitalized patients, 27388
validity & reliability & factor analysis of Children's Depression Scale, male vs female 10–13.8 yr olds, 26190
validity & reliability of Crandell Cognitions Inventory, assessment of self reported frequency of depressive thoughts, depressed vs nondepressed psychiatric patients, 26204
validity & reliability of items of Hamilton Rating Scale for Depression, 159
validity of Automatic Thought Questionnaire, measurement of depression-related cognitions, schizophrenic patients vs depressed substance abusers, 21014
validity of Children's Depression Scale & its parent-report version, 12–16 yr olds, 8106
validity of Geriatric Depression Scale vs Dysthymic scale of Millon Clinical Multiaxial Inventory vs Beck Depression Inventory, measurement of depression, male alcoholic patients, 10842
validity of Hamilton Rating Scale for Depression vs Bech Rafaelsen Melancholia Scale vs Montgomery Asberg Depression Rating Scale, 20–60 yr old depressed inpatients, 26228
validity of interview rating scales, discrimination between depression & anxiety, 7–14 yr old hospitalized medical patients, 8066
validity of questionnaire, assessment of depression, clinical patients, 26210
validity of Swedish version of Comprehensive Psychopathological Rating Scale, schizophrenic & depressive 18–80 yr old patients, Sweden, 23486
validity of 4 definitions & clinical & demographic & familial & psychosocial correlates, differentiation of endogenous depression, depressed inpatients, 24735
vasoactive intestinal polypeptide & cholecystokinin & gastrin levels in CSF, patients with endogenous vs nonendogenous depression vs mania vs schizophrenia, 3842
verapamil, depressed 32–58 yr olds, conference presentation, 15147
verapamil, phenelzine-induced hypomania, depressed 48 yr old female, 30719
verbal & nonverbal expression of affect in speech, depressed vs positive symptom vs negative symptom schizophrenic patients, 11964
verbal responses to facial affect, depressed patients, 3879
viloxazine, depression, 50–84 yr olds, 7188
viloxazine, depressive disorders, female 30–78 yr olds, 28000
viloxazine, sleep EEGs, 30–57 yr old patients with depression, 4531
visual stimulation in continuous performance task, P300 amplitude of event related potentials, depressed 19–66 yr olds, 19909
vulnerability of infant, depression or over-protection, 16–34 yr old mothers & their 12–18 mo old low birth weight infants, 9010
vulnerability to depression, self-referent information processing & recall of depressed vs nondepressed content in personal adjectives, college students, 3746

weight change during 1st wk of hospitalization, dexamethasone suppression test results, patients with chronic pain vs depression admitted to inpatient psychiatric service, 30958
weight loss & dexamethasone suppression test cortisol levels, melancholic vs depressed 20–80 yr olds, 30146
withdrawal of lithium therapy, relapse, patients with bipolar or unipolar affective disorder or schizoaffective psychosis-depressive type, 9947
work & social satisfaction, quality of life & depression, male entrepreneurs & managers, Netherlands, implications for organizational development, 31450
work vs home factors & sex role beliefs, depression, married working women, 1104
yohimbine, imipramine-induced orthostatia, 55 yr old female with depression, 18064
zimeldine vs amitriptyline, 18–65 yr old depressed in- & outpatients, 25310
zimeldine vs maprotiline treatment, 20–59 yr old outpatients with major depressive disorder, 20406
5-HT receptor antagonist, dextrolevo-5-HTP-induced response suppression in operant conditioning animal model of depression, male rats, 29428
5-HTP vs tranylcypromine, 20–65 yr old patients with major depression, 18089
Depressive Reaction (Neurotic) [See Neurotic Depressive Reaction]
Deprivation [See Also Food Deprivation, REM Dream Deprivation, Sensory Deprivation, Sleep Deprivation, Social Deprivation, Social Isolation, Stimulus Deprivation, Water Deprivation]
deprivation of lying & food, lying behavior, cows, 5613
deprivation of nutrients & maternal contact in incubator vs deprivation of nutrients through placement with dam treated with bromocryptine mesylate, spatial discrimination learning for milk reward, 10–11 day old rats, 11224
milk deprivation via change in litter size or decreased access to lactating dam, weaning & development of independent ingestion & drinking behavior, Norway rat pups, 13909
physical & mental manifestations of extreme deprivation, children, comment on D. Skuse's research, 3785
physical & mental manifestations of extreme deprivation, children, reply to D. Hall's comment, 3797
postinhibitory rebound & displacement activity, rats, comments on study by T. J. Roper, 26570
postinhibitory rebound & displacement activity, rats, reply to comments by J. S. Kennedy, 26576
prolonged deprivation & task outcome, causal attribution, 15–17 yr old male high school students, India, 3515
Depth Perception [See Also Stereoscopic Vision]
absolute-distance information, calibration of distance & motion parallax in depth perception, 26321
adaptation to rotation simulation, three-dimensional motion aftereffect, college students & authors & naive S, 239
aggregation & unit formation of rotating collinear lines as index of perceptual coherence, perception of rotary motion in depth, students, 21084
amphetamine, depth perception, cats with visual cortex ablations, 21443
cognitive & motivational factors, perceptual organization in viewing reversible stereogram, college students, 16265
confounding of illusory depth with illusory lightness & texture differences in illusory figure patterns, college students, 23562
cues to depth, judgment of relative sizes & spatial locations of objects in photographs, 7–8 vs 13–14 vs 18–23 yr olds, Malawi, 6064
depth & observation distance compensation process, distortion of polar perspective, college students, 26299
depth perception, Mongolian gerbils vs spiny mice, 16342
depth separation of frame & circle or in frame beyond or in front of circle, orientation-inhibition effect, adult Ss, 23542
dichoptic viewing of moving random-dot stereograms, perception of motion in depth vs lateral movements, 218
dim violet bar vs random-dot stereograms superimposed on bright yellow background, depth perception mediated by blue-sensitive mechanism, 508
fixation on stationary point vs tracking of moving target, magnitude of Pulfrich stereoeffect, humans, 16264
illusory lightness gradients & illusory depth as alternative means by which visual system expresses illusory contour, naive Ss, 23563
informativeness of depth & vertical translation, perception of object unity, 102–137 day old infants, 16927
interocularly intermittent exposures of equal duration & retinal luminance, apparent depth displacement of moving object, adult Ss, 13556
interstimulus interval & monocular availability of local-identity information, perceptual organization of three-dimensional apparent motion, author & college students, 219
localization of flickering visual fields in depth plane behind nonflickering fields, 29064
molded vs photographic shading to specify convexity vs concavity under monocular vs binocular viewing, reaching preference, 7 mo olds, test of sensitivity to depth cue of shading, 21704
multiple stimuli in perception of distance & depth & visual motion, conference presentation, 8161
partial vs whole surface slant with vs without disparity discontinuities, stereoscopic depth perception, 2977
procedures of C. Wheatstone vs D. Brewster, depth perception in stereograms, college students, 23559
relationship between & characteristics of visual pathways mediating stereopsis vs binocular rivalry, 29303
spatial & energy relationships & feature similarity, perception of Glass patterns, 240
stereoscopic phenomenon & depth perception vs monocular vision, development of vision theories of C. Wheatstone vs D. Brewster, 23577
stimuli with difference-of-Gaussian luminance profiles, measurement of depth-increment thresholds within postulated spatial channels as function of depth from fixation plane, adult Ss, 13534
subjective contours of stereograms, stereoscopic capture & matching of elements that convey no disparity information, experienced Ss, 23567
utilization of static & kinetic information, depth & monocular relative-size judgments, 3–4 vs 7–8 yr olds & young adults, Malawi, 3435
visual depth perception, 7 mo old opossums, 16343
visual information processing, planning of sensorimotor action in locomotor pointing situation, 8151
Dermatitis
stressful situation, autonomic arousal assessed by EMG & heart rate & anxiety, 19–48 yr old patients with atopic dermatitis, 27548
Dermatomes [See Cutaneous Receptive Fields]
Desegregation [See Social Integration]
Desensitization (Systematic) [See Systematic Desensitization Therapy]
Design (Experimental) [See Experimental Design]
Design (Man Machine Systems) [See Man Machine Systems Design]
Desipramine
acute response to methylphenidate challenge as predictor of treatment outcome with desipramine vs amitriptyline, depressed 47–95 yr olds, 27997
acute vs chronic desipramine, cold water swim analgesia measured by jump test & hypothermia & jump threshold, male rats, 26633
acute vs subacute administration of amitryptyline vs desipramine vs citalopram vs viloxazine, GABA "B" receptor activity as possible indicator of antidepressant drug mechanism, male rats, 16757
chronic administration of desipramine, acquisition & performance & extinction of leverpress response for food reward, male rats, 11312
chronic ingestion of desipramine, locomotion & exploratory behavior, rats with high & low motor activity, 16775
clomipramine vs desipramine, 18–57 yr olds with obsessive compulsive disorder, 7189
desipramine & subsequent neuroleptics or antiadrenergic drugs, immobility time in behavioral despair test, rats, 16566
desipramine & 5-HT receptor antagonists & uptake inhibitors, ethanol consumption, selectively bred alcohol preferring rats, conference presentation, 16730
desipramine, dispositional tolerance to methadone, male rats, 16697
desipramine hydrochloride, bulimia, 18–40 yr old patients without major depression, 1-mo followup, 22547

desipramine injections, plasma cortisol levels, endogenously depressed 23–64 yr olds, 9870
desipramine, painful postcoital testicular retraction, 44 yr old male with major depression with melancholia, 22591
desipramine, patients with primary vs secondary depression vs endogenous vs nonendogenous major depression vs dexamethasone suppression vs nonsuppression, 30713
desipramine, plasma melatonin & cortisol levels, depressed 26–72 yr olds, 30787
desipramine, platelet binding sites for imipramine representing 5-HT receptor & prolactin response to tryptophan, 26–36 yr old healthy males, 11279
desipramine, resting arterial carbon dioxide & severity of airways obstruction & hypercapnic ventilatory & mouth occlusion pressure & depression scores, patients with severe chronic obstructive pulmonary disease, 18057
desipramine vs amitriptyline, EEG sleep, depressed hospitalized patients, 1952
icv injection of isoproterenol vs atenolol, inhibition of noradrenergic neuronal activity & immobility-reducing action of ip desipramine, forced swimming male rats, 16722
imipramine & desipramine before vs during disulfiram treatment, oxidative metabolism of imipramine & desipramine, detoxified 37 & 52 yr old male alcoholics, 10154
long term desipramine treatment, attenuation of clonidine-induced suppression of ventral tegmental self stimulation, male rats, 16549
long term therapy with desipramine & zimeldine & clorgyline, norepinephrine turnover & metabolism & CSF changes, depressed 18–70 yr olds, 12575
low dosage desipramine, delirium, depressed 68 yr old female, 22552
neonatal administration of pargyline vs desmethylimipramine followed by 6-hydroxydopamine, norepinephrine & dopamine induced hyperactivity, rat pups, 26718
noradrenaline vs 5-HT neurotoxins with vs without pretreatment with desipramine, active & passive avoidance impairment & retention, male rats, 11268
plasma ratios of tryptophan & tyrosine to competing amino acids & serum drug levels, clinical effectiveness of imipramine with vs without desipramine, depressed patients, 25307
prenatal vs neonatal exposure to imipramine & desipramine & chlorimipramine & iproniazid & isocarboxazid, neonatal reflexes & open field behavior & avoidance responses & sexual activity, pregnant rats & their offspring, conference presentation, 29407
toxic symptoms from desipramine, 64 yr old female with major depression, 4490
Desirability (Social) [See Social Desirability]
Desires [See Motivation]
Detection (Signal) [See Signal Detection (Perception)]
Detention (Legal) [See Legal Detention]
Detoxification
alcohol metabolism during detoxification & medication requirements, patients in alcoholic treatment unit, 20550
clonidine vs methadone detoxification & O rating vs self rating of distress, determination of withdrawal response, opiate addicts, 22789
clonidine with vs without sequential naltrexone therapy, detoxification & maintenance, methadone maintenance patients, 31026
demographic background & length of stay & occurrence of alcohol withdrawal symptoms, Ss admitted to detoxification center following arrest for public intoxication, England, 15454
detoxification & treatment, heroin addiction, 4720
detoxification recidivism, urban American Indian alcoholics with mean age of 41 yrs, 12774
detoxification, recovery of neuropsychological performance, alcoholics, 7-wk & 13-mo followup, 7505
historical overview of use of methadone & other chemotherapeutic & experimental detoxification methods, heroin addicts, 22790
sleep patterns, chronic alcoholic 25–55 yr old males 21 days after detoxification, 20061
Developed Countries
societal development & weakened familial orientation, people living alone, Japan vs other countries ranging from developing to developed, 14267
strengthening effects of behavior consequences as form of reinforcement, problems in Western cultural world & practices, 24282
Developing Countries
auditing technology transfer to developing countries, business and industrial personnel, 5073
challenges for organizational development field in developing countries, India, 23286
cultural factors vs religious affinity, schizophrenic symptomatology, 16–60 yr old psychiatric patients, Pakistan vs Saudi Arabia vs UK, implications for psychodiagnosis in developing countries, 19884
demand estimation in determination of market potential & marketing research in developing countries, 20919
dual perception & parallel growth & psychology in developing countries, 10690
equal participation from social structure & Gandhi's ideal, transformation & development of urban & rural community, India, 966
goal setting, productivity, females who performed home-based piecework, Caribbean, test of validity of goal setting theory, 18735
Group Activities for Individual Needs program, provision of community services for prevention of mental illness, children & youth, developing countries, 15276
integrated management-organization development program, Egypt, 25980
international comparisons of socioeconomic aspects affecting mental health & service needs, children & elderly in developing countries vs Canada & other industrialized countries, conference presentation, 25423
literacy school & adult education program, Nicaragua, 1979–82, implications for social change, 4855
management education & development in Third World countries, managers vs students vs academicians, Africa, 13223
mass media, education of public regarding child care practices & services, Central America, 3340
nutrition & lactation & fertility practices in rural communities, Mexico, 14301
patterns of violent acts, patients with injuries deliberately inflicted by another, Ethiopia, 17461
peasant economic orientation, approaches designed to modernize & increase Third World agricultural productivity, literature review, 990
people-centered development & participatory research, maximization of local human resources, village farmer groups, India, 965
policy making & child development research, Third World countries, 19565
population trends & reproductive behavior & health psychology & public policy, developing countries, conference presentation, 19757
practices vs principles of educational technology, developing countries, 12994
public health & medical & educational & economic factors, infant mortality, families, Sri Lanka, 6462
road traffic accident indicators, statistical & epidemiological implications for health care planning in developing countries, 13153
role of primary health care, prevention of child abuse & neglect, developing & newly industrializing countries, Africa, 30818
rural to urban migration, employment & education & housing problems & health & mortality issues, youth, Columbia & other Third World countries, 29807
scaling up of literacy & basic education programs, illiteracy, Tanzania, 4828
scaling-up vs going-to-scale models of service implementation, expansion of local programs to national coverage, developing countries, 3554
social behavior in community before vs 2 yrs following inception of TV reception, Canada, implications for research on TV effects in developing countries, 21631
social marketing strategies in family planning program, Thailand, 4607
societal development & weakened familial orientation, people living alone, Japan vs other countries ranging from developing to developed, 14267

stress & teleonomic entropy & excessive suffering, increased level of arterial disease, industrialized vs developing & Communist countries, 30411
techniques of social marketing of nutrition education programs, Indonesia, 4614
technological developments & rapid social change, human ecosystem & nature of work & education & faith, youth & inhabitants of Third World countries, 8931
test of J. L. Holland's theory on career choice & personality & job satisfaction, 14–16 yr olds, implications for occupational guidance, Dominica, 18660
therapy managing for psychiatric symptom reduction & use of folk medicine & psychiatry, family members of patients seeking psychiatric care, Botswana, 17765
time since shift from horticultural to industrializing agrarian economy, demographic rates & patterns of development & income & trade dependency in Third World countries, implications for advantages of backwardness, 26972
use of child growth charts & other monitoring practices, mothers, Ghana, 3390
use of psychology in technology transfer & health care & population growth, Third World countries, 24245
Western developmental psychology & 3rd World, 19564
Development [See Also Related Terms]

theory of orthographic evolution & linguistics, 11359
Developmental Age Groups [See Also Adolescents, Adults, Aged, Children, Infants, Middle Aged, Neonates, Preschool Age Children, School Age Children, Young Adults]
aging & social change as dynamics in shaping life course stages, 26803
limitations of institutionalized age-graded theory of life course & social roles & evidence for deinstitutionalization theory, 26904
Developmental Differences [See Age Differences]
Developmental Disabilities
adaptive behavior & cardiac indices of orienting & habituation & associative learning, noninstitutionalized developmentally disabled 1–6 yr olds, 27483
adoption services, developmentally disabled children, Canada & US, 30850
age & ethnicity & level of retardation, kind of residence, mentally retarded & developmentally disabled individuals, 9988
age of onset as major diagnostic criterion in DSM-III, 3.8–30.2 yr olds with pervasive developmental disorder, 11898
behavior & family therapy & fructose-free diet, deficiency of fructose-1,6-diphosphatase & hypoglycemia & overanxious disorder & developmental disability, 14 yr old female, 22356
behavioral education project, increase in stimulating interactions, 21–33 yr old developmentally handicapped mothers & their 6–25 mo olds, 5–10 mo followup, 22486
behavioral teaching of attention & imitation & toy interaction behaviors, collateral attentional & behavioral & interpersonal effects, developmentally handicapped 3.3 yr old female with myoclonic epilepsy, case report, 25857
boundaries & least restrictive issues in community services, chronically mentally ill & developmentally disabled persons, case law, 14338
child protection services for developmentally disabled children, 28097
collaborative model of training community developmental disabilities associates, 28321
communication & need to focus on needs of whole person, 12.5 yr old developmentally handicapped male, 24820
computer aided training of information processing strategies, developmentally handicapped adults, 4693
conceptualization & behavioral treatment using reinforcers, demand-related tantrums, male developmentally disabled 7–11 yr olds, 25225
construct validity of Missouri Children's Behavior Checklist behavior profiles, developmentally disabled 2–12 yr olds, 170
deinstitutionalization, daily living skills & interactions with staff in residential program, Ss with developmental & mental health disabilities, 2163
description & evaluation of community based competitive employment preparation program for developmentally disabled, mentally retarded or learning disabled 18–59 yr olds, 28099
development & validity & reliability of microcomputer assessment system, developmentally disabled, 8001
developmental disabilities & individual differences vs deficit vs delay vs callosal model of learning disabilities, 14764
differential services provided in urban vs rural areas, 20–49 yr olds with developmental disabilities or mental retardation & secondary diagnoses residing in community facilities, 30878
direct costs of institutional care, mentally retarded & developmentally disabled, 1977–84, US, 18241
epidemiology of visual impairment, developmentally disabled clients in regional centers, US, 17659
etiology of disorder & role divisions within family, coping & support & locus of control, fathers vs mothers of 2–4.5 yr olds with developmental disabilities, 24587
evaluation of Pilot Parents peer support program, parents of handicapped & developmentally delayed children, US vs Canada, 28121
expanded stimulus control assessment & intervention model for reduction of clinically significant problems of aggression, developmentally disabled, 27898
family adaptation to handicapped child, literature review, implications for counselors, 11894
family as system & coping competencies, families with developmentally disabled child, implications for psychiatric nurses, 9441
family status & SES background & DSM-III classification of developmental disorders & offenses & recidivism, 12–18.9 yr old male incarcerated juvenile offenders, 6653
federal government spending, services & income maintenance for mental retardation & developmental disabilities, 17498
handedness, cognitive functioning, 68–211 mo olds with pervasive developmental disorders & autistic symptoms, 1225
health needs & utilization of medical services, deinstitutionalized 14–33 yr olds with severe developmental disabilities residing in intermediate care facilities, 4577
historical overview of role in financial support for programs in mental retardation & developmental disabilities, federal government, 30492
immunoreactive theory & sex differences & family genetic/environmental background & pregnancy complications, selective affliction with neurodevelopmental disorders, males, 25 comments & authors' reply, 30397
incidence of hyperlexia, 5–18 yr olds with autism or pervasive developmental disorders, 30104
left temporo-occipital EEG spike focus in developmental disorder with auditory-verbal dysfunction, 10 yr old male, 9618
maternal mood & caretaking perceptions & home environment at birth vs 9 vs 18 mo later, causal attribution of infant's condition to maternal vs others' behavior, mothers of infants with developmental disabilities, 3780
measurement of developmental & behavioral characteristics, premature or low birth weight 27–35 wk olds at risk for developmental disorders, 29543
microcomputer applications to assessment & training & management, developmentally disabled 11–35 yr olds, 20083
microcomputer system, assessment & training & patient management, institutionalized developmentally disabled 11–35 yr olds, 15357

need for pediatricians with special training in developmental disorders & chronic handicaps, chairman of pediatric residency programs, 10218
objective & systematic observation by speech therapist & teacher & pediatrician, educational diagnosis, developmentally delayed students, USSR, 7737
overview of care system with emphasis on behavior modification, individuals with developmental disabilities & mental retardation, Netherlands, 9826
peer confederate initiation of social interaction/play behavior in structured setting, generalization of behavior in segregated vs integrated settings, preschool students with developmental disabilities, 31282
peer workshop training program, understanding of & factual information & attitudes about handicaps, normal 3.8–7 yr olds with handicapped sibling, 1702
perception of quality of professional consultation from community services, compliance with recommendation, parents of developmentally disabled children, 18182
performance on PPVT vs PPVT-R, 17.3–51 yr olds with developmental handicaps, 28922
prevalence & etiology & outline of York Behavior Management Services, treatment of paraphilias, developmentally handicapped sexual offenders, 12744
prevalence of multiple disabilities & pervasive developmental disorder, children, treatment implications, 27225
project REACH & identification & assessment & intervention & prognosis of cerebral palsy & Down's syndrome & autism & other delays, preschool age children, longitudinal studies, 27222
recent advances in prevention & treatment of developmental disabilities, literature review, 30336
reimbursement for services provided under Medicaid, mentally retarded & developmentally disabled & mentally ill patients, case law, 27043
reliability & internal consistency of Behavioral Assessment Scale of Oral Function in Feeding, severely & profoundly handicapped & developmentally disabled students, 13450
reliability of Pyramid Scales, criterion-referenced measure of adaptive behavior, developmentally disabled persons, 10812
requirement of notification to local governing body before opening group homes, case law, 14343
research on developmental dysphasia & speech disorders, children, 17632
responses to contingent query requests for clarification, young adults with autism or pervasive developmental disorders vs mild to moderate mental retardation, 1484
review & analysis of assistance procedures to facilitate transfer of stimulus control, moderately to severely developmentally disabled students, 27927
screening using Miller Assessment for Preschoolers, developmental & later school-related problems, 2.8–5.7 yr olds, 16178
service delivery model & reading materials & parent training components of Portage Guide to Early Education home-based early intervention, developmentally delayed preschool children, 31302
social support, familial well-being & parent-child play opportunities & perceptions of child behavior, parents of mentally retarded or physically impaired or developmentally at risk children, 14300
sociopolitical attitudes & role of behavior modification in rehabilitation, developmentally disabled children, Italy, 9846
state developmental disabilities/aging plans, state units on aging & planning councils, 11663
stimulus control in discrimination learning, application to developmentally disabled & mentally retarded persons, 24840
stimulus control research & developmental disabilities & mental retardation, review of research papers, 24841
strategies for coping with developmentally disabled or handicapped child, mothers vs fathers, 27249
subclinical lead levels, development deficits, Black preschool age males, reply to criticism by H. L. Needleman, 24892
subclinical lead levels, developmental deficits, Black preschool age males, comments on paper by C. B. Ernhart et al, 24952
Tourette syndrome & atypical pervasive developmental disorder & Ganser syndrome, 15 yr old visually impaired & mentally retarded male, implications for link between symptoms of schizophrenia & Tourette syndrome, 1528
transition from teacher-controlled classroom program to student-controlled learning center, employee trainees with developmental disabilities, 5055
trends & problems in research methodology of pathopsychology & developmental disabilities, children, 17611
Vmax values & serotonin uptake by platelets, twins with infantile autism or developmental language disorder, 19943

Developmental Psychology [See Also Adolescent Psychology, Child Psychology, Gerontology]

application of Piaget's theory of formal thought to science education, 18483
approaches to children's graphic expression, developmental psychologists vs art educators, 15583
assimilation of Darwinism in developmental psychology & J. Piaget's interpretation of evolutionary theory, 16878
biological systems principles, theory of self development, 6008
concept of development in contextualism, 8671
concept of plasticity in developmental psychology, 29559
continuum of universal-unique human development, implications for artistic development, 14120
contributions of Piaget as epistemologist & psychologist & teacher, 26797
evolution of developmental psychology & theories of G. J. Romanes & I. M. Sechenov & J. M. Baldwin, UK & USSR & US, 29574
exposure to research in child development, report by developmental psychologist, Japan, 16868
historical emergence & basic tenets of logical positivism & their deleterious influence on developmental psychology, 3372
history of developmental theories, 6002
integration of functional & developmental & behavioral approaches to study of psychological development, 19561
life & work & contribution to developmental & ecological psychology, German child psychologist M. Muchow, 14136
life span paradigm in developmental psychology, criticism of D. Dannefer's analysis, 746
life span paradigm in developmental psychology, reply to P. B. Baltes & J. R. Nesselroade's criticism, 752
portfolio writing assignment in developmental psychology course, college students, 15627
potential value & impact of C. Darwin's evolutionary theory on developmental psychology, 16870
repeated-measures ANOVAs, developmental research, 73
sociological & psychological research perspectives of socialization & development of activity structures, 8654
theoretical & research implications of action theory for developmental psychology, 24088
Western developmental psychology & 3rd World, 19564

Developmental Stages [See Also Embryo, Fetus, Menopause, Puberty]

achievement motivation vs nurturing & life stages & age of children & employment status, mothers, 3634
aging & social change as dynamics in shaping life course stages, 26803
characteristics of Piaget's concrete & formal cognition stages, 3465
cognitive developmental stages & use of ordinal scales, 2850
college graduation, identity & intimacy crises stage, college seniors vs 24–27 yr old alumni, 8916
dealing with disorientation, nursing home residents over 80 yrs of age, 10081
development of language & social values & skill learning in socialization process, 19557
developmental stages in infants' reaction to oral bookreading by parents, 3–12.5 mo olds & their mothers, 21665
developmental theory of E. H. Erikson as repetitive cycle from basic trust to identity & from identity to integrity, 26917
developmental transitions & age of mentally retarded offspring, stress, families of mentally retarded 7–25 yr olds, clinical implications, 24845
early environmental influence & developmental stages & psychopathology, children, 24685
educational reform movements & emergence of concept of latency, children, contributions to development of child psychology, 19th century, US, 22866
egocentric responses during performance of spatial perspective-taking tasks, young children, 8723
epigenetic scheme of psychosocial development, 6118

family as focus for life course transitions & changes in perceptions of life course & attitudes toward assistance for aged, 26903
field dependence-independence & formal thought & fixity-mobility & associative problem solving, creativity, college students, 21986
formulation of biological model of stages of development of homosexual identity, 6301
Freudian view of W. Blake's "The Book of Thel", 24071
identification of predictable developmental crises & relationship to academic & occupational success, gifted students, implications for school counseling, 31311
initial level of development as indicator of attainable degree of learning, reanalysis of findings of B. Inhelder et al supporting Piaget's stage learning hypothesis, 29601
intraindividual variability of developmental levels across cognitive operational domains, 6–12 yr olds, 29621
life course & cycle & structure & development of life structure in early & middle adulthood, 19674
limitations of institutionalized age-graded theory of life course & social roles & evidence for deinstitutionalization theory, 26904
mentor role in E. Erikson's stage of generativity, adults, 11377
metatheoretical perspective of developmental contextualism, interdisciplinary framework for life course & life span research, 29552
operational category of cognitive development & IQ level, creative thinking potential assessed by verbal & figural abilities, 1st vs 4th vs 6th graders, 29615
period & cohort patterns, migration, Black vs White 14–24 vs 45–59 yr old males, 6146
Piagetian stage level & age & sex & feedback, proportional judgment hypothesis testing, 7 & 9 & 11 yr olds, 21706
psychosocial development in life cycle & intergenerational relations & role of grandparenthood, 29712
sexual issues in psychiatric treatment, geriatric patients, comment on article by B. Liptzin, 12316
social structure & social construction of life stages, 26796
stages in concept development & perceptions of illness & illness causation, children, implications for health education, 14234
structural view vs social regulation of life course, 26921
Deviant Behavior [See Antisocial Behavior]
Deviation IQ [See Standard Scores]
Deviations (Sexual) [See Sexual Deviations]
Devices (Experimental) [See Apparatus]
Dexamethasone
abnormalities apparent in dexamethasone suppression test, 18–71 yr old patients with schizo-affective depression, 6535
ACTH & cortisol as indicators of circadian patterns of pituitary-adrenal activity vs dexamethasone suppression test, patients with depression, 19986
acute dose of dexamethasone, monoamine & metabolite levels in brain, male rats, 16777
age & liver function & mean corpuscular volume & major depression, cortisol concentrations following dexamethasone suppression test, alcohol dependent patients on psychiatric inpatient unit, 17474
age & medical illness, dexamethasone suppression test, 9–86 yr old depressed general hospital inpatients, 3838
antidepressant withdrawal, dexamethasone suppression test, 42–75 yr old patients with major depressive disorder of endogenous subtype, 7165
beta endorphin vs plasma cortisol levels following dexamethasone, 18–78 yr old patients with endogenous depression vs major depressive disorder, 30185
binding of corticosterone & dexamethasone assessed by number & affinity of cytosol receptors in in vitro hippocampus & hypothalamus, male vs female rats, 21331
chronic ethanol administration, dexamethasone suppression, male rats, 669
circadian & ultradian rhythm of cortisol secretion, 18–64 yr old patients with endogenous depression, 3849
cognitive functioning & dexamethasone suppression tests as markers for depressive subtypes, patients with depression vs dysthymia vs schizoaffective disorder, 30221
construct validity of dexamethasone suppression test as marker for endogenous depression, patients with primary unipolar major depressive disorder, 30246
cortisol secretion & dexamethasone suppression tests during sleep, aged with Alzheimer's disease, 17577
cytoplasmic glucocorticoid receptor content in lymphocytes & dexamethasone suppression test, depressed adults, 9250
depression & abnormal dexamethasone suppression test results possibly attributable to tolerance to opioids, detoxified opiate addicts, comments on research of C. A. Dackis et al, 14696
desipramine, patients with primary vs secondary depression vs endogenous vs nonendogenous major depression vs dexamethasone suppression vs nonsuppression, 30713
dexamethasone administration prior to avoidance conditioning, ACTH-induced recovery of extinguished response, male rats, 11266
dexamethasone, cortisol inhibition, 24–56 yr old patients with affective illness vs neurosis &/vs personality disorders, 27374
dexamethasone injected on postnatal day 4, spatial distribution of synaptic EPs in dentate gyrus afferents & spatial stimulus response functions, rats, 21619
dexamethasone, levels of plasma corticosterone & cortisol, psychiatric inpatients, 6471
dexamethasone, plasma immunoreactive beta-endorphin concentration, 26–70 yr old healthy males, 19469
dexamethasone pretreatment & human corticotropin releasing factor &/vs lysine vasopressin, cortisol & ACTH response, normal 23–30 yr olds, 19510
dexamethasone suppression & metyrapone test, integrity of hypothalamic pituitary adrenal axis, patients with major depressive illness with melancholia, 17392
dexamethasone suppression as potential distinguishing factor, 22–40 yr old male schizophrenics, 27290
dexamethasone suppression before & during & after alprazolam treatment, 19–58 yr olds with agoraphobia & panic attacks, 22035
dexamethasone suppression of ACTH, lung cancer patients, 30367
dexamethasone suppression test & all night sleep EEG, REM latency & density, 16–61 yr olds with depression, 22092
dexamethasone suppression test & amitriptyline & phenelzine effectiveness, depression with melancholia, 36–58 yr olds with minor closed head injuries, 20413
dexamethasone suppression test & cortisol, 16–94 yr old inpatients, 17336
dexamethasone suppression test & serum growth hormone & plasma vasopressin & homovanillic acid levels, 18–73 yr old endogenous vs nonendogenous depressive in- & outpatients, 3939
dexamethasone suppression test & therapeutic sleep deprivation, cortisol response, endogenously vs nonendogenously depressed patients, 30170
dexamethasone suppression test & thyrotropin releasing hormone stimulation test, differential diagnosis, 18–92 yr old depressed patients, 14626
dexamethasone suppression test as indicator of treatment outcome, elderly patients who recovered from depression, replication of findings of A. Coppen et al, 30514
dexamethasone suppression test, assessment of depression, children, comments on study by L. K. Petty et al, 14672
dexamethasone suppression test association with energy balance & affective or neurotic disturbance, 17–34 yr old female anorexic in- & outpatients, cross-sectional & longitudinal studies, conference presentation, 24858
dexamethasone suppression test, autistic & mentally retarded 2.5–17.8 yr olds, 11943
dexamethasone suppression test before antidepressant or ECT treatment, prediction of therapeutic outcome, patients with major depressive illness, 4229
dexamethasone suppression test, bulimic females, 9579
dexamethasone suppression test, cortisol levels, 18–64 yr old patients with endogenous depression, 3850
dexamethasone suppression test, delusional vs nondelusional depressed patients, 6475
dexamethasone suppression test, depressive symptoms, demented patients over age 70, 1585
dexamethasone suppression test, detection of unprovoked aggressive/assaultive vs self injurious vs severely withdrawn behavior, mentally retarded 17–63.3 yr olds, 9457
dexamethasone suppression test, diagnosis & prognosis & treatment outcome prediction, psychiatric patients, literature review, 11903

dexamethasone suppression test, diagnosis of agoraphobia as atypical biological depression, 17–83 yr old agoraphobic vs psychiatric vs depressed patients, 1399
dexamethasone suppression test, diagnosis of depression & prediction of rehabilitation outcome, stroke patients with mean age of 68 yrs, 7474
dexamethasone suppression test, diagnosis of depression, illustrative cases of 40 & 30 & 23 yr old female psychiatric inpatients, 1276
dexamethasone suppression test, differential diagnosis of depression & dementia, dementia patients over age 65, 17339
dexamethasone suppression test, differential diagnosis, 55–88 yr olds with moderate dementia vs depression vs aged healthy Ss, 22260
dexamethasone suppression test, differential suppression of adrenal gland function assessed by serum cortisol, depressed inpatients, 30235
dexamethasone suppression test, distinction of dementia with vs without depression, 53–80 yr old Alzheimer's disease patients, 22266
dexamethasone suppression test, identification of major vs bipolar depression, inpatients, 3902
dexamethasone suppression test, identification of patients who might respond to tricyclic antidepressants, suicidal 17–69 yr olds, 30265
dexamethasone suppression test in delusional vs nondelusional depression, 65 yr old male & 67 yr old female, preliminary evidence for psychotic & nonpsychotic depression as clinically distinct entities, 11958
dexamethasone suppression test, outpatients with primary affective vs generalized anxiety vs panic disorders, 1252
dexamethasone suppression test, patients with bulimia vs depression, 11880
dexamethasone suppression test, patients with dementia, 22099
dexamethasone suppression test, pituitary-adrenal activity & plasma corticotropin & cortisol concentrations, 21–71 yr old depressed inpatients, 3908
dexamethasone suppression test response, psychiatric patients with depression & psychosis vs schizoaffective psychosis, 30110
dexamethasone suppression test response & cortisol levels, patients with depression vs dementia vs pseudodementia, 22033
dexamethasone suppression test results, analysis of Research Diagnostic Criteria classification guidelines for endogenous depression, patients, 9363
dexamethasone suppression test results, chronic pain patients with vs without depression, 30068
dexamethasone suppression test results, 17–28 yr olds with anorexia nervosa, 9574
dexamethasone suppression test results & diagnosis, hospitalized psychiatric patients, 9273
dexamethasone suppression test results as predictors of response to nomifensine vs amitriptyline, 22–66 yr old depressed inpatients, 7154
dexamethasone suppression test, stroke victims, comments on article by J. R. Lipsey & R. G. Robinson, 22254
dexamethasone suppression test, stroke victims, reply to comments of B. S. Fogel, 22296
dexamethasone suppression test, thyroid stimulating hormone response to thyroid releasing hormone, patients with schizoaffective disorder of depressed vs manic type vs schizophrenia vs endogenous depression, 6594
dexamethasone suppression test vs DSM-III in diagnosis of dysfunctional cognitions, endogenous vs nonendogenous depression, depressed inpatients, 30247
dexamethasone suppression test vs DSM III vs Newcastle scale vs scale by M. Feinberg & B. J. Carroll vs Research Diagnostic Criteria, diagnosis, patients with endogenous depression, 1404
dexamethasone suppression test vs thyrotropin releasing hormone test vs Newcastle II depression rating scale, diagnosis, depressed patients, 14622
dexamethasone suppression test, 21–77 yr old depressed or manic or schizophrenic patients, 1282
dexamethasone suppression test, 22–61 yr olds with agoraphobia & panic attacks, 3827
dexamethasone suppression test, 29 yr old female patient with multiple sclerosis presenting with symptoms of affective disorder, 1561
dexamethasone suppression test, 6–22 yr olds hospitalized in psychopathology unit, 3832
dexamethasone suppression tests during stress vs nonstress conditions, cortisol levels & nonsuppression rates, 18–73 yr old hospitalized patients with schizophrenia vs depression vs psychiatric staff physicians, conference presentation, 30091
dexamethasone suppression, 28–57 yr old recent widows & widowers with acute grief & anxiety, 27370
diagnostic effectiveness of 34-hr dexamethasone suppression test, 27–66 yr old patients with endogenous depression vs other psychiatric disorders, 19888
diagnostic utility of dexamethasone suppression test vs cortical suppression index, depressed prepubertal 6–12 yr olds, 9351
diagnostic value of dexamethasone suppression test, psychiatric patients, 9242
diurnal patterns of plasma ACTH & cortisol before vs after dexamethasone, depressed patients, 24715
ether stress vs dexamethasone treatment vs drug-induced inhibition of GABA catabolism, GABA synthesis in hypothalamo-hypophyseal system vs cingulate cortex, male rats, 26704
ethnic background, dexamethasone suppression test results, patients with major depressive disorders, reply to comments of J. R. de la Fuente & J. Sepulveda Amor, 17334
ethnic background, results of dexamethasone suppression test, patients with major depressive disorders, Mexico, comments on article by J. I. Escobar, 17329
frequency of abnormal dexamethasone suppression test results, endogenously vs nonendogenously depressed vs nondepressed psychiatric patients, 11971
frequency of abnormal dexamethasone suppression tests & early morning awakening & diurnal mood changes, 21–78 yr old patients with endogenous depression, 1304
high percentage of abnormal dexamethasone suppression test results, manic patients, comments on article by C. D. Godwin et al, 1354
high sensitivity to dexamethasone suppression test & mood disorders attributable to disruptions of endogenous opiate peptide systems, opiate addicts, reply to comments by E. Frecska, 14688
hypersecretion of cortisol & high plasma cortisol level as result of dexamethasone suppression test, depressed patients, diagnostic & prognostic implications, 19976
hypothalamic pituitary adrenal axis activity assessed by dexamethasone suppression test, mentally retarded 17–45 yr olds, 20092
increased number of post-dexamethasone cortisol determinations, sensitivity of dexamethasone suppression test, inpatients with nonmajor vs major depression, 22046
levels of circulating neutrophils &/vs lymphocytes & cortisol metabolism, depressed dexamethasone suppression test suppressors vs nonsuppressors vs schizophrenic patients, 30169
life events in 6 mo before onset of depression & CSF monoamine &/vs monoamine metabolite levels & dexamethasone suppression test, patients with major depressive disorder with melancholia, 30209
low levels of CSF somatostatin & abnormal response to dexamethasone, patients with depression vs schizophrenia, 30128
methylphenidate & dexamethasone suppression test & mood response, prediction of treatment response to zimelidine with vs without lithium, depressed 18–58 yr olds, 30742
methylphenidate & thyrotropin releasing hormone & dexamethasone suppression test responses, 20–55 yr olds with recurrent unipolar depression, 18103
modified dexamethasone suppression test, diagnosis of primary depression, conference presentation, 6523
morphine & dexamethasone suppression test, cortisol levels in blood, 19–40 yr old psychiatric patients, 17440
neonatal dexamethasone with vs without pyritinol, behavioral deviations associated with structural & biochemical deficits of brain, male rats, conference presentation, 5818
patient history & dexamethasone suppression test results, manic 17–60 yr old patients, implications for lithium treatment, 3843
pituitary-adrenocortical disinhibition & intolerance to fluvoxamine, 21–60 yr old outpatients with major depression, conference presentation, 15124

plasma & salivary dexamethasone suppression test, patients with primary vs secondary depression, 3910
plasma dexamethasone, cortisol levels, psychiatric patients, comments on report by G. W. Arana et al, 3865
plasma dexamethasone, cortisol levels, psychiatric patients, reply to comments by R. P. Kraus & P. Grof, 3807
plasma 3-methoxy-4-hydroxyphenylglycol & dexamethasone suppression, patients with past & present unipolar & bipolar melancholia & dysthymia, 27360
positive correlation between dexamethasone suppression test normalization & clinical improvement, nonsuppressor vs suppressor patients with primary depressive illness, 17708
post dexamethasone suppression test cortisol level & body weight & assessed depression, depressed 27–73 yr olds, 22053
pre-test levels of cholesterol & sodium & potassium & blood glucose, prediction of postdexamethasone cortisol levels, patients with major depressive disorder, 14661
prevalence of major depression & usefulness of dexamethasone suppression test & thyrotropin-releasing hormone stimulation test in diagnosis, 20–86 yr old gynecological cancer patients, 22249
prolactin levels & dexamethasone suppression test results, patients with major depressive disorder, 6531
psychopathology & personality dysfunction & neuroendocrine functioning using MMPI & dexamethasone suppression test, 21–65 yr old depressed inpatients, 19969
relationship between hypothalamic-pituitary-adrenal axis & noradrenergic system assessed by plasma free 3-methoxy-4-hydroxyphenylglycol vs cortisol response to dexamethasone, depressed 18–68 yr olds, 17415
reproducibility of dexamethasone suppression test, 16–66 yr old psychiatric patients, conference presentation, 6524
Research Diagnostic Criteria endogenous scores vs dexamethasone suppression test vs family history of depression & alcoholism, depressed patients, 30245
results of dexamethasone suppression test, depressive patients, conference presentation, 6622
salivary cortisol concentration & utility in dexamethasone suppression test, healthy male 25–45 yr olds, 19932
serum ACTH & cortisol levels & abnormal dexamethasone suppression, bipolar & unipolar depressed patients, 22021
serum cortisol & dexamethasone suppression test, diagnosis, psychiatric inpatients with mental disorders, 22091
serum melatonin & cortisol & morning level of plasma ACTH & dexamethasone suppression test, 26–63 yr olds with major depressive disorder vs patients in remission from unipolar vs bipolar depression, 19893
severe life events & dexamethasone suppression test results & duration of illness, 18–80 yr old depressed inpatients, Scotland, 6593
simplified dexamethasone suppression test, endogenously depressed 27–65 yr olds, 22101
stress due to imminent surgery, dexamethasone suppression test, presurgical patients, 9969
thyroid releasing hormone-induced changes in thyroid stimulating hormone & prolactin & growth hormone, 19–69 yr olds with depression or alcoholism or schizophrenia or adjustment disorder, 24613
thyrotropin-releasing & thyrotropin-stimulating & dexamethasone suppression tests, differential diagnosis of affective disorders, 15–76 yr old depressed patients, 1275
total sleep deprivation, dexamethasone suppression test, volunteers, 19467
urinary free cortisol & dexamethasone suppression test & mechanisms for cortisol dysregulation, depressed patients, literature review, 24705
use of MAO inhibitors, demented depressed patient with abnormal dexamethasone suppression test following antidepressant therapy, implications for diagnosis of Pick's disease, reply to comments by M. A. Jenike, 18116
use of MAO inhibitors, demented depressed patient with consistent reversal of abnormal dexamethasone suppression tests following antidepressant therapy, comments on article by M. Z. Wambolt et al, 18067
utility of dexamethasone suppression test as diagnostic tool, depressed patients, 14593
utility of dexamethasone suppression test, patients with manic depressive psychosis or depressive disorders with vs without psychosis, conference presentation, 30229
utility of thyrotropin releasing hormone & dexamethasone suppression test, diagnosis of depression, conference presentation, 30108
validation of clinically defined depressive subtypes with dexamethasone suppression test, 15–60 yr old hospitalized patients, 27388
ventricular size &/ vs dexamethasone suppression test, prediction of outcome of severe endogenous depression following stereotactic subcaudate tractotomy, patients with manic-depressive psychosis, 1-yr followup, 25079
weekly repetitions of dexamethasone suppression tests, test results, 26–37 yr old healthy volunteers, 8628
weight change during 1st wk of hospitalization, dexamethasone suppression test results, patients with chronic pain vs depression admitted to inpatient psychiatric service, 30958
weight loss & dexamethasone suppression test cortisol levels, melancholic vs depressed 20–80 yr olds, 30146
weight loss, dexamethasone suppression test for endogenous depression, depressed inpatients & mentally disordered patients, 22026
Dexamphetamine [See Dextroamphetamine]
Dexedrine [See Dextroamphetamine]
Dexterity (Physical) [See Physical Dexterity]
Dextroamphetamine
apomorphine vs dextroamphetamine, stereotyped behavior & activity level & binding of spiroperidol, male rats with experimentally induced diabetes mellitus, 11333
auditory stimulation vs avoidance conditioning vs dextroamphetamine & diazepam, rearing & ambulatory behaviors, male rats, implications for model of human extraversion, 3228
beta-endorphin vs alpha-melanocyte stimulating hormone vs melanocyte stimulating hormone release inhibiting factor, dextroamphetamine induced paradoxical behavioral thermoregulation, male rats, 16837
clorgyline vs dextroamphetamine, self perceptions & physiological measures of affective & behavior changes, male vs female depressed obsessive compulsive adults, conference presentation, 4493
daily & intermittent injections of dextroamphetamine, frontal cortex dopamine utilization, ovariectomized rats, implications for animal model of amphetamine psychosis, 21580
dextroamphetamine & methylphenidate, refractory depression, medically ill patients, 18030
dextroamphetamine & various adrenergic drugs, 48 yr old male with attention deficit disorder & hypertension, 18119
dextroamphetamine &/vs haloperidol vs chlorpromazine vs phenoxybenzamine vs propranolol, play fighting, juvenile rats, 16554
dextroamphetamine, development of behavioral effects, 1–53 da, old kittens, 21545
dextroamphetamine HCL & procaine injections into nucleus accumbens & midbrain, locomotor activity, rats, 629
dextroamphetamine injection, hyperbaric oxygen-induced convulsions, male mice, 29402
dextroamphetamine, motor movements & stereotypic behavior & cardiac catecholamine & brain norepinephrine levels, male rats, 19509
dextroamphetamine, plasma beta endorphin & cortisol response, postmenopausal 50–66 yr old females vs 21–39 yr old males, 23979
dextroamphetamine, regional cerebral blood flow & blood pressure & respiratory & pulse rates & end-tidal carbon monoxide & mood, healthy adults, 24005
dextroamphetamine, subjective & discriminative stimulus effects, 21–35 yr olds, 13963
dextroamphetamine via bottle vs intraoral cannula, suppression of milk intake, male rats, 14048
dextroamphetamine vs beta-phenylethylamine, self regulated duration of electrical hypothalamic stimulation, male rats, 29421
dextroamphetamine vs chlordiazepoxide vs alpha-flupenthixol, tracking of visual cue in food reinforced VR conditioning paradigm, male rats, 11292
dextroamphetamine vs haloperidol, dopamine sensitive-alternation of arm choice in Y maze, male rats, 675
dextroamphetamine vs morphine vs haloperidol, discriminative stimulus properties & detection of brain self stimulation, male rats, 11335

dextroamphetamine vs reserpine & lever press FR 25 schedule for food, open field ambulation as measure of extraversion & resistance to extinction, male rats, test of H. J. Eysenck's drug postulate, 5849
dextroamphetamine vs thyrotropin releasing hormone vs CG 3703, circadian thermoregulation cycles & hemoglobin & serum iron levels & relation to dopaminergic system, nutritionally iron deficient male rats, 26760
dextroamphetamine with vs without lithium pretreatment, activation euphoria & dextroamphetamine-induced psychosis, schizophrenic 18–53 yr olds, 22598
dextrolevoamphetamine vs scopolamine, locomotion & tendency to approach novel object & habituation, mice, 16542
diazepam vs chlorpromazine vs pentobarbital vs dextroamphetamine, visuomotor coordination, marmosets, 16610
discrimination of dextroamphetamine vs methylenedioxyamphetamine, male rats, 13984
dopamine agonists vs antagonists vs psychostimulants, medial septal self stimulation, rats, 3292
dopamine agonists vs fenfluramine, dextroamphetamine drug discrimination behavior, lean vs obese female rats, 19494
dopamine D1 vs D2 receptor antagonists, dextroamphetamine- vs levoamphetamine-induced anorexia, male rats, implications for dopamine receptor involvement in control of feeding, conference presentation, 29415
dosages of iv dextroamphetamine, response of substantia nigra pars reticulata, rats, 8558
dose of dextroamphetamine sulfate, operant performance under VI 4-min vs VI 20-min schedules of reinforcement, female rats, 24008
ethanol pretreatment & dextroamphetamine vs alpha methylparatyrosine, hyperactivity, pregnant rats & their offspring, implications for fetal alcohol syndrome, 29390
heat & cold stressors with vs without dextroamphetamine sulfate, CNS monoamines & 5-hydroxyindoleacetic acid levels & behavioral toxicity, male rats, 21384
insulin vs 2-deoxy-dextroglucose vs dextroamphetamine vs adenosine vs naloxone, food intake, S 5B/P1 vs Osborne-Mendel rats, 5844
levotyrosine, restoration of amphetamine-induced acute decreases in brain norepinephrine, male rats, treatment implications for patients prone to psychomotor stimulant abuse, 24027
long term dextroamphetamine & subsequent amphetamine vs dopamine agonist apomorphine, neuronal activity in ventral tegmental area, male rats, 14000
methylphenidate & dextroamphetamine & pemoline, symptoms, children with Gilles de la Tourette syndrome, 22529
morphine, behavior induced by dextroamphetamine injections into caudate putamen, female rats, 11350
naloxone, locomotor activating properties of heroin & dextroamphetamine & caffeine, male rats, 21605
nitrogen &/vs helium at pressure, apomorphine- vs dextroamphetamine- vs morphine-induced locomotor activity &/vs stereotyped behavior, male mice, 29467
potency of cathinone vs dextroamphetamine, conditioned taste aversion & drug-induced adipsia, female rats, 23976
pretreatment with haloperidol vs methysergide & cathinone vs dextroamphetamine vs cocaine, conditioned shock avoidance responding, male rats, 16660
scopolamine &/vs dextroamphetamine, habituation to continuous exposure to vestibular stimulation, 18–30 yr olds, 25332
stimulus control & reinforcement frequency, dextroamphetamine-modulated behavior, rats, 8295
superior colliculus lesions vs increased dopamine transmission via dextroamphetamine, visual orienting behavior, rats, 21395
tolerance & cross tolerance of dextroamphetamine vs apomorphine vs fenfluramine, anorexia, male rats, 11342
tranylcypromine sulfate or clorgyline vs dextroamphetamine therapy, MAO activity & side effects & blood pressure & pulse & behavior, 8–12 yr old males with attention deficit disorder, 7278
triethyltin & dextroamphetamine vs chlorpromazine, response under FI 30 & FR 5 schedule of food presentation, male rats, 16768

Diabetes [See Also Diabetes Insipidus, Diabetes Mellitus]
attribution for success vs failure of illness outcome & present status of disease, arthritic vs diabetic vs hypertensive patients, 6817
behavioral self regulation based on negative feedback control system, blood sugar control, patients with diabetes, 15117
blood glucose discrimination training program, metabolic control, insulin dependent diabetic 20–61 yr olds, 4426
braille instruction, blind diabetic adults with low tactile sensitivity, 4680
causal attributions toward child's illness as coping mechanism, mothers of 8–17 yr olds with insulin dependent diabetes, 24859
cognitive skills & visuomotor performances, diabetic 45–64 yr olds, 30432
cognitive task demands, subjective stress & blood glucose levels, 24–57 yr old insulin-dependent diabetics, 6751
completion of explanation slip upon unfulfillment of request, collection rate of blood samples from diabetic children, pediatricians, 28051
diabetes & its treatment, personality development, 5–14 yr old diabetics, 7043
diabetes induced by streptozotocin, wheel running & food intake & plasma metabolites, male hamsters, 16780
diabetes, personality features & childhood development, 10–16 yr old females, 12188
diabetes treatment mismanagement as unconscious expression of transference, 27 yr old ambulatory female & 23 yr old hospitalized borderline female undergoing psychotherapy, 9665
diabetic ketoacidosis associated with lithium, 41 yr old male with no family history of diabetes, case report, 27976
early onset & long duration of disease, intellectual skills & academic achievement, 6–16 yr olds with insulin-dependent diabetes, 12217
ego development, self esteem, 12–16 yr old diabetic vs psychiatric patients, 6441
environment, naloxone-induced suppression of feeding, male rats with experimentally-induced diabetes, 8478
family relations & home environment, metabolic control of diabetes, males, 22245
illness & extreme stressors & family psychosocial environment, resiliency & development, adolescents, 8850
illness-related stress, emotional life & interactions, families of renal diabetic patients, 1624
knowledge of illness & management of care & self concept, 8–10.9 yr old females with diabetes, 14805
level of aspiration for child, parents of asthmatic vs diabetic vs healthy 6–13 yr olds, 6792
life events & psychiatric symptomatology & ego development, glycemic control & biomedical variables, insulin dependent diabetic 18 yr olds & older with vs without proliferative diabetic retinopathy, 20173
mother vs child perception of child's anxiety level, 9–14 yr olds with diabetes, implications for coping behavior, 17622
motivation & age & emotional state, treatment compliance, 16–56 yr old diabetic patients with continuous insulin infusion through sc microinjector, 15180
new vs conventional treatment modalities, patient compliance & psychodynamics, patients with insulin dependent diabetes for more than 5 yrs, 22607
nocturnal penile tumescence & penile responses to erotic stimulation in waking state, diabetics vs nondiabetics with sexual dysfunction, 6914
physical & psychological stress, physiological & metabolic response, 51–65 yr olds with noninsulin dependent diabetes, 27636
preference for high fat &/vs high carbohydrate diets, food intake & plasma metabolites, male diabetic rats, 21366
problem solving & behavioral coping strategies, families of diabetic vs psychiatrically hospitalized adolescents, 9199
psychological aspects & psychotherapeutic treatment, recurrent diabetic ketoacidosis, preadolescent males, 7046
psychosocial childbearing stress, metabolic control assessed by plasma glucose & urinary ketones & glycosylation of hemoglobin, diabetic pregnant 27–38 yr olds, conference presentation, 4099
psychosocial factors, blood glucose control, insulin-treated diabetic adults, 30768
psychosocial factors in onset of juvenile diabetes & effect on psychosocial development, children, literature review, 1584
quality of sexual relationship & sexual dysfunction, 26–45 yr old couples with diabetic partner, 30414

recording of penile diameter & penile arterial pulse, assessment of erectile function, 25–58 yr old diabetic vs nondiabetic males with erectile problems, 20114
self concept & locus of control & health attitudes, metabolic control, insulin-dependent diabetic 9–12 yr olds, 4491
sexual dysfunction, insulin-dependent diabetic 18–50 yr old females, 30437
single session group therapy, development of mutual aid system & support network in hospital waiting room, 18–45 yr old insulin-dependent patients, 18276
socially mediated factors, dietary regimen compliance intentions, diabetic patients aged 12 yrs and older, 22323
stress conditions in life histories, diabetic patients, Nigeria, 4122
systems theory & patterns of communication, children's knowledge about diabetes & self concept & stress, families with 9–18 yr olds with insulin-dependent diabetes, 1530
time spent waiting for doctor & in assessment & active involvement with doctor, adult & child patients in multidisciplinary diabetes clinic, implications for patient education, 15252

Diabetes Insipidus
daily vasopressin replacement therapy, learning in positive reinforcement program, rats with hereditary hypothalamic diabetes insipidus, 21542
evolution of learning & retention of active & passive avoidance responses & stress, homozygous rats with diabetes insipidus, 19188
open field response to acoustic stress as measure of emotional reactivity, vasopressin deficient Brattleboro rats with hereditary hypothalamic diabetes insipidus, conference presentation, 19392
psychogenic polydipsia & nephrogenic diabetes insipidus secondary to lithium, 50 yr old male with schizoaffective disorder, 25280
resting EEG & visual EPs, patients with chrome hypopituitary dwarfism or diabetes insipidus, conference presentation, 12296
serum thyroxine & urine concentrating ability & adenylate cyclase inhibition, development of nephrogenic diabetes insipidus & hypothyroidism, patients receiving lithium, 30791

Diabetes Mellitus
apomorphine vs dextroamphetamine, stereotyped behavior & activity level & binding of spiroperidol, male rats with experimentally induced diabetes mellitus, 11333
development of barriers to adherence scale, measurement of compliance to insulin injection & glucose testing & dietary & exercise regimens, male & female 12–64 yr olds with insulin dependent diabetes mellitus, 22538
ECT for depression, blood glucose, 41 & 56 & 57 yr old male adult-onset diabetic patients, 6937
emotional adjustment & coping techniques, patients with diabetes mellitus with vs without diabetic retinopathy, 20240
inpatient behavior modification & psychodynamic therapy & family intervention, 26 yr old female with diabetes mellitus & subsequent development of anorexia nervosa, 2102
neuropsychological profiles, 18–35 yr old males with insulin-dependent diabetes mellitus, 22272
physical & psychosocial management of diabetes mellitus, children, 17746
prevalence of anorexia nervosa & bulimia, insulin-dependent diabetic female adolescents, conference presentation, 24972
prevalence of bulimia & anorexia nervosa, 14–25 yr old females with insulin-dependent diabetes mellitus, 4146
psychosexual & interpersonal dimensions of sexuality, 22–57 yr old diabetic vs nondiabetic females in long term relationships, 24983
psychosocial satisfaction & somatopsychological reactions & expectations of disordered vs normal partner & acceptance of disorder, couples with 1 partner with insulin-treated diabetes, 27589
relaxation & positive thinking with biofeedback by temperature, emotions, hospitalized 12–77 yr olds with diabetes mellitus, 25238
school attendance & neuropsychological functioning & achievement, 12–19 yr olds with diabetes, 6858
vertigo & changes in blood glucose levels & nystagmus, 19–65 yr olds with insulin-dependent diabetes mellitus, conference presentation, 1587

Diacetylmorphine [See Heroin]

Diagnosis [See Also Angiography, Computer Assisted Diagnosis, Differential Diagnosis, Educational Diagnosis, Electro Oculography, Electrocardiography, Electroencephalography, Electromyography, Electroretinography, Galvanic Skin Response, Medical Diagnosis, Ophthalmologic Examination, Plethysmography, Pneumoencephalography, Psychodiagnosis, Psychodiagnostic Interview, Roentgenography, Urinalysis]
accuracy of ambulatory EEG monitoring in diagnosis, 15–62 yr old epileptic patients, 1526
advances in behavioral assessment & treatment, chronic pain, 27908
age at onset & aphasia & family history & motor disorders, determination of Alzheimer's disease subtypes, elderly patients, 24878
assessment as basis for prognosis & selection of treatment interventions, adolescents, 1707
assessment of central auditory processing disorders & attention deficit disorder, children, comments on paper by R. Windham et al, 27509
assessment techniques for evaluation of sexual dysfunction, males & females & couples, 20132
attitudes toward psychiatric vs oncologic vs general medical patients, medical assessment, 1st- vs 2nd-yr medical students, 7558
attitudes toward use of diagnostic laboratory tests, medical college faculty members, 10187
audiometry, diagnosis of auditory brain stem responses, 26–52 yr old multiple sclerosis patients, conference presentation, 6711
biomedical & physiological & psychometric assessment techniques, chronic low back pain, literature review, 6794
brief reactive psychosis with syndrome compatible with anticholinergic intoxication, 19 yr old female patient, implications for diagnosis, 30058
category of depressive illness diagnosed by clinical & biochemical methods, motor balance & coordination & response speed, 11–18 yr old depressed inpatients, 9264
central auditory tests, auditory nerve/brain stem EP measurement & sensitivity to demyelination impairment, 18–64 yr olds with multiple sclerosis, 17625
clinical & behavioral syndromes, self inflicted injury, children & adolescents, diagnostic implications, 14561
clinical patterns & evidence for existence of subgroups, ideopathic Parkinson's disease patients, 1674
cognitive-behavioral perspective for assessment & treatment of eating disorders, 25228
collapse from heatstroke misdiagnosed as hysteric reaction, 18 yr old military recruit who died after 4km night march, 11857
collection of developmental information from family, screening for & treatment of CNS dysfunction, psychiatric inpatients, 18214
construction of genetic linkage map of chromosome 21 & use as diagnostic tool, implications for diagnosis of Down's syndrome, conference presentation, 17510
cultural & subcultural factors, reporting & assessment & treatment of child sexual abuse & family violence, 4 case reports, 12076
decision making model for diagnosis & intervention in elder abuse & neglect, nurses & social workers, 14723
development of clinical method, measurement of pneumotachographic phonatory airflow, pathological speakers, 8060
developments in diagnosis & treatment of sleep disorders, 17695
diagnosis & prevalence & treatment of poststroke depression, 24971
diagnosis & prevalence of hyperactivity, 5–12 yr olds, Australia vs Great Britain vs US vs New Zealand vs West Germany, 22271
diagnosis & treatment of late onset psychoses, 45–65 yr old patients, 14555
diagnosis & treatment of low sexual desire & erectile dysfunctions & premature & inhibited ejaculation, males, literature review, 30425
diagnosis & treatment of marital disorders, 1853
diagnosis & treatment, 3–12 yr olds with nocturnal enuresis, 12248
diagnosis of fetal malformation late in pregnancy, emotional state during remaining pregnancy & delivery & attitude toward future reproductive life, females assessed 7 mo to 3.2 yrs postpartum, 15239
diagnostic differentiation of subgroups, elderly patients with Alzheimers disease, 1607

diagnostic issues in hyperventilation syndrome, criticism of study by A. R. Kraft & C. A. Hoogduin, 1513
diagnostic procedures & psychiatric management, female 20 & 21 & 39 yr old patients with thoracic outlet syndrome following automobile accident, 17602
eating attitudes & perceptions of weight & body image & depressive symptomatology & alcohol use, bulimic vs nonbulimic female high school students, preventive implications, 24964
education & experience, perceived skill in assessment & referral services to families with chemical abuse problems, public health nurses, 4719
EEG, diagnosis of postalcoholic disease, patients with chronic alcoholism, 4045
EEGs & scanning techniques & testing, diagnosis of dementia, conference presentation, 3884
efficacy of physician-administered structured multifaceted functional assessment, patients in geriatric consultative service, 25496
electrophysiology in classification & diagnosis & types of depression disorders, literature review, 27330
etiology & diagnosis & management of Alzheimer's & multi-infarct & mixed dementia, aged, 3782
evolution of diagnostic approaches to learning disabilities & role of neurological & cerebral dysfunction, 9459
examiner familiarity, test performance, language-handicapped preschool & school age students, implications for assessment, 14786
facial EMG, diagnosis of depression, comments on research of J. F. Greden et al, 14632
facial EMG, diagnosis of depression, reply to comments by R. Malcolm, 14602
factor structure of Illness Behavior Questionnaire, measurement of abnormal illness behavior & validity as diagnostic tool, 29010
identification of dementia secondary to treatable physical & psychiatric disorders, 59–94 yr old psychiatric hospital patients, 22382
incidence of abnormal EEG & use as diagnostic tool, autistic children, 1391
interrater reliability of diagnostic systems, schizophrenic patients, 6485
legal & administrative & medical deviant & self definitive definitions of disability, implications for occupational therapists, 14543
maternal alcohol use during pregnancy & identification & treatment of fetal alcohol syndrome, 1611
medical & psychodiagnosis of previously diagnosed referrals, patients with schizophrenia, implications for DSM-III criteria, case report, 30064
medical records data vs screening test, development of standardized procedure for identification of alcohol dependency, medical inpatients over 15 yrs old, 28161
melatonin as depression marker & cortisol secretion, comments on article by B. Claustrat et al, 30141
methodology & hearing threshold, loudness matches in sensation level, 18–78 yr olds with tinnitus, implications for methodology, 22269
misdiagnosis, 16 yr old female with rabies misdiagnosed as psychiatric disturbance, conference presentation, 6865
multiaxial diagnostic assessment of Gilles de la Tourette disease, 16 yr old female with behavior problems & mental retardation & multiple physical malformations, case report, 27240
need for functional assessment, patients with Alzheimer's disease, implications for nursing, 9591
neurodevelopmental examination, early diagnosis of cerebral palsy & mental retardation, retrospective analysis of medical records of infants under 1 yr old, 1975–82, 14544
Nijmegen questionnaire, screening & assessment of shortness of breath & peripheral & central tetany, hyperventilation syndrome patients, 9631
nuclear magnetic resonance imaging of hydrogen in body water & fat, implications for assessment of organic pathology & functional psychoses, 1223
pain research in areas of animal & human experimentation & human physiological correlates & clinical assessment, literature review, 13883
pediatric assessment of family history & boundaries & communication & establishing rapport & diagnosis, children with intractable asthma, 9663
phenylthiocarbamide taste test as biological marker for depression, 18–36 yr olds, 20001
physical assessment & treatment, chronic pain, 27713
physician's recognition & diagnosis & treatment of mental disorders, 64–89 yr old medical patients, 2013
positive clinical findings & correct diagnosis with incorrect treatment, anxious 43 & 45 & 19 yr olds with panics & mitral valve prolapse & premature ventricular contractions, 14557
potential difficulties in use of diagnosis-related group-based reimbursement systems for inpatient psychiatry, conference presentation, 28144
prediction & diagnosis & specificity & sensitivity using Mini-Mental State Examination & level-of-orientation evaluation, medical patients with dementia, 20186
prevalence & diagnosis & rehabilitation & treatment of Alzheimer's disease, 14836
prevalence & symptoms of stress-related posttraumatic chronic pain syndrome, 20–68 yr old chronic pain patients, 27634
procedure for assessment of insomnia, illustrative case of 32 yr old male with insomnia & sleeping-pill dependence, 17673
protocols for measurement of visual stimuli, implications for diagnosis of vision problems using visual EPs, 12178
quantitative vs clinical sucking behavior measures, diagnosis of alcohol & smoking effects, neonates, 2921
reading & writing assessment & behavior problems within family context, family members, 30323
recognition & characteristics & diagnosis of tardive dyskinesia, 9910
references to alcohol in Old Testament & modern criteria for diagnosis of alcoholism, 14734
reliability & validity of symptoms of depression, 16–83 yr old depressed inpatients & consecutively admitted patients with major depressive episode, 27335
reliability & validity of 4 self report alcohol questionnaires, diagnosis of alcohol problems, 5302
research needs in behavioral sciences on diagnosis of Alzheimer's disease, 14852
role of emotions in etiology & recovery from cancer & influence of intrauterine events on personality, diagnostic implications, conference presentation, 17279
self evaluation of diagnostic ability & management techniques & procedural skills, residents in primary care internal medicine training program, 28366
serum concentrations of copper & zinc & plasma concentrations of aluminum, 52–87 yr old patients with Alzheimer's disease vs multi-infarct disease vs depression vs paranoid syndrome, treatment implications, 20154
social & emotional antecedents to illness & hospital as predicaments, implications for medical & psychiatric diagnosis, 22016
superconducting quantum interface device & other instruments & techniques, measurement of biomagnetism in research & neuropsychiatric diagnosis, 13344
symptoms & diagnosis & multimodal treatment of attention deficit disorder with vs without hyperactivity, multiply disabled children, 27550
temporal perception & production skills, classifications as normal vs language impaired, language impaired 5–8.5 yr olds, 1503
utility of isokinetic tests of voluntary muscular strength in knee extensions & flexions, identification of muscular weakness of functional origin, 19–47 yr olds with hysterical paresis, 24665
validity of nonverbal drawing techniques vs verbal report, description of pain location, 4.5–14 yr olds, 18969
variability in diagnosis & symptoms of hypoglycemia, 14847
variables associated with family violence & assessment process in treatment, families, 27868
5-step clinical protocol for primary care physicians, diagnosis & treatment of chemical dependency or abuse, patients & their families, 18137

Dialect [See Also Nonstandard English]
attitudes toward Serbo-Croatian dialect system & related historical & cultural factors, Yugoslavia, 5967
linguistic analyses of Creole & English in experimental writing program, 17–20 yr old honors & remedial college students, Virgin Islands, 28417
perception of fry register vocalizations, Black vs White 17–23 yr old females with standard southern English vs Black dialect, 19091

Slovenian language standardization & relationship to Serbo-Croatian & interaction with sociocultural factors, Yugoslavia, 5975
speaking of Spanish in Chicano culture, Southwest US, 19521
Swiss vs High German & situation formality, subjective social status & solidarity, 14–15 yr olds, Switzerland, 11502
Dialectics
dialectical inquiry vs devil's advocacy vs consensus, strategic group decision making, graduate business students, 18748
Dialysis [See Also Hemodialysis]
difficulty in diagnosis of depression & anxiety, chronic dialysis patients, comments on N. G. Kutner's view, 28079
ethical & medico-legal issues in treatment refusal, 33 yr old mildly mentally retarded male who adamantly refused kidney dialysis, 7343
personal experience, prediction of response to treatment for kidney failure, dialysis patients, 7340
quality of life, patients undergoing renal dialysis vs transplantation, 1987
Diaphragm (Anatomy)
cue-evoked relaxation therapy with cognitive modification & diaphragmatic breathing techniques, airsickness, 20–25 yr old student pilots, 4422
Diaphragms (Birth Control)
diaphragm use, pregnancy occurrence & factors related to successful use & service utilization patterns, female college students, implications for service organization & delivery, 25380
Diarrhea
environmental & biographical indicators of personal or familial stress, diarrhea, 11–30 mo olds, 6749
Diastolic Pressure
competitive vs slow & complex tasks, cardiovascular responses, Type A vs B prone 4th & 5th grade males, 763
high intensity light vs noise vs cold stimulation, systolic & diastolic blood pressure, 25–40 yr old males, 23843
paced arithmetic & RT stressful tasks, Type A scale & factors of Jenkins Activity Survey & diastolic blood pressure, adults, 26548
religiosity, correlations of mother- vs father-child vs husband-wife blood pressure, Jewish European vs Asian vs North African vs Israeli parents & their 17–18 yr old children, Israel, 20150
Diazepam
activation of diazepam & chlordiazepoxide receptors in amygdaloid complex, anxiolytic effects & analgesia, rats, 24040
acute vs chronic diazepam administration, local cerebral glucose utilization, male rats, 29378
age & time of day, preference for amphetamine vs 5 vs 10 mg diazepam, 21–35 vs 40–55 yr olds, 23956
alprazolam vs diazepam for 7 consecutive days, sleep quality & daytime sleepiness & performance & mood, 20–42 yr old nonanxious volunteers, 24023
antagonizing effects of 2-phenylpyrazolo(4,3-c)quinolin-3(5H)-one, diazepam-induced pharmacological & electrophysiological & biochemical effects, rats, 3322
antidepressant Org 3770 vs diazepam vs placebo, insomnia & anxiety before elective gynecological surgery, female patients, 9945
auditory stimulation vs avoidance conditioning vs dextroamphetamine & diazepam, rearing & ambulatory behaviors, male rats, implications for model of human extraversion, 3228
benzodiazepine receptor antagonist Ro 15-1788 & diazepam, seizure threshold for picrotoxin & pentylenetetrazole, male rats, 29411
bromazepam vs diazepam, neurotic outpatients, conference presentation, 7158
bromazepam vs diazepam, patients with neuroses, 7156
caffeine &/vs diazepam, mood & cognitive & learning & memory & psychomotor performance, young adults, 24001
carbamazepine & diazepam, amygdala-kindled seizures at central & peripheral-type benzodiazepine binding sites, male rats, 16831
chlordiazepoxide vs diazepam vs zopiclone vs CGS 9896, locomotor activity & acquisition of conditioned fear, male mice, 11334
clobazam vs diazepam, 18–60 yr olds with anxiety neurosis, 18048
contrast between rewards received & duration & predictability of punished vs nonpunished penoids as indicator of tolerance for delay of reward, diazepam-reduced release of punished behavior, male rats, 26751
development of tolerance to anxiolytic effect of diazepam, male rats, 5945
diazepam & amphetamine sulfate, CFF frequency values, healthy males & females, evaluation of signal detection theory, 16700
diazepam & picrotoxin, concentration of plasma corticosterone, male vs female rats, 16754
diazepam, alprazolam withdrawal delirium, 68 yr old male, 20425
diazepam as alternative to increased dosage of neuroleptics, anxiety & hallucinations, 27 & 28 yr old patients, 4499
diazepam, bioavailability of imipramine, male rats, implications for reduction of side effects of imipramine, 26717
diazepam, conditioned cortical reaction to nonverbal visual stimulus & unrecognized emotional words, human Ss, 5882
diazepam, ECS-induced changes in behavior mediated by 5-HT & dopamine & alpha-adrenoceptors, male mice, implications for use of benzodiazepines during ECT, 16642
diazepam, ECT seizure duration, 30–56 yr old depressed patients, 4266
diazepam exposure followed by methylamide-beta-carboline-3-carboxylate vs Ro 15-1788, development of abstinence syndrome symptoms, male cats, 16745
diazepam followed by naloxone injection, cognitive functioning, 18–21 yr olds, 8625
diazepam, hyponeophagia, rats with differing genotypes, 24024
diazepam, initial treatment phenomenon in conditioned suppression of drinking, female rats, 24007
diazepam, maintenance of response to FR self administration of iv cocaine vs pentobarbital, monkeys, implications for study of drug dependency potential, 16558
diazepam, memory & psychomotor performance, 60–77 vs 20–36 yr olds, 11330
diazepam, mental health & anxiety, adults, 6-mo longitudinal study, 27945
diazepam, self rated sedation & saccadic eye velocity & plasma cortisol & growth hormone levels & attention & memory as measures of benzodiazepine receptor sensitivity, normal 21–38 yr olds, 30274
diazepam, visuomotor RT, adults, 8517
diazepam vs apomorphine vs haloperidol, audiogenic immobility reaction & open field locomotion, male weanling rats, 645
diazepam vs benzodiazepine antagonists Ro 15-1788 vs 3-carboethoxy-beta-carboline, aggressive behavior, group housed vs isolated male mice, 19499
diazepam vs chlorpromazine vs pentobarbital vs dextroamphetamine, visuomotor coordination, marmosets, 16610
diazepam vs pentobarbital vs cyproheptadine vs flurazepam, stimulus control of behavior under FR stimulus shock termination, male rats, 16790
diazepam vs phenobarbital vs amphetamine, naloxone-precipitated morphine withdrawal, rats & mice, 26653
diazepam vs premazepam followed by leptazol, binding of hippocampal & cerebellar benzodiazepine receptors, male rats, 21557
diazepam vs pyrazoloquinoline benzodiazepine receptor ligands, response rates under FI vs FR schedule of food presentation, dogs, 21593
diazepam vs triazolam, auditory & visual thresholds & RT & duration of drug effect, male baboons, 24002
diazepam with vs without nimodipine, rectal temperature & muscular coordination, male mice, 26648
dose of chlorpromazine or prothiaden or diazepam, vigilance performance on discrimination of acoustical clicks with visual feedback, male 20–21 yr olds, conference presentation, 13993
effectiveness of questionnaire, detection of diazepam dependence, psychiatric outpatients, Czechoslovakia, 6673
ethanol feeding vs in vitro ethanol addition, diazepam & flunitrazepam receptor binding in cerebral cortex synaptosomal membrane tissue, male rats, conference presentation, 16778
extent & termination of Valium provision, physicians & their outpatients from mental health clinic of VA medical center, 18081
factor-analysis-derived vs standard scales of SCL-90 questionnaire, information about effectiveness of diazepam vs clorothepine, neurotic patients, conference presentation, 5289
high vs low doses of chlordiazepoxide vs diazepam, tolerance to stimulant & depressant actions & pharmacological mechanism, male mice, 23964

imipramine & placebo or diazepam or dixyrazine, clinical efficacy & serum concentration of imipramine, 20–64 yr old outpatient with primary nonagitated depression, 27952
impairments of memory storage & retrieval, healthy 60–77 yr olds with diazepam induced memory deficits vs 54–82 yr old outpatients with primary degenerative dementia, 30363
iv administration of diazepam & hyoscine, recognition memory, 20–52 yr olds, 8601
long term exposure to diazepam, sensitivity to 5-HT & GABA in dorsal raphe nucleus & GABA receptor binding & bicuculline seizure threshold, male rats, 23967
lorazepam vs alprazolam vs diazepam, tracking & digit symbol substitution task performance, male 21–26 yr olds, 21500
meprobamate vs cocaine vs diazepam with vs without CGS8216 vs picrotoxin vs naloxone place preference or aversion, male rats, implications for use of place preference paradigm in evaluation of appetitive properties of minor tranquilizers, 24029
naloxone vs naltrexone vs dexamethasone vs thyrotropin releasing hormone vs antisera to met-enkephalin vs beta-endorphins, diazepam-induced feeding, male rats, implications for role of endogenous opioids in appetite regulation, 16639
oxprenolol vs diazepam & moderate vs high anxiety, emotional changes, healthy male students, 5840
preference for diazepam or amphetamine vs placebo, anxious vs normal 21–35 yr olds, implications for effect of anxiety level on risk for dependence on antianxiety drugs, 30260
prenatal diazepam exposure, functional deficits & neural alterations measured by auditory function & restraint stress tests, rats & their offspring, conference presentation, 29439
pretreatment with tryptophan or 5-hydroxytryptophan, anticonvulsant activity of diazepam & flurazepam & chlordiazepoxide, mice, 8572
psychotropic drugs, overall delayed type hypersensitivity response & induction & elicitation phases, mice, 13973
response contingent aversive experience & behavioral reversal with diazepam, sexual behavior, pony stallions, 21267
Ro 15-1788 vs ethyl beta-carboxylate, feeding induced by diazepam vs cyproheptidine vs chlorpromazine, rabbits, 16704
RO 15–1788, blockage of increase in food intake induced by bromazepam vs diazepam vs pentobarbital, rhesus monkeys, 21507
sedative effects of promethazine vs propionmazine vs diazepam, 73–95 yr old residents of geriatric home, Finland, 7266
side effects & improvement & response predictors of diazepam, patients with anxiety, 27993
single vs group housing & RO 15-1788 vs diazepam, aggressive & timid & locomotor activity, male mice, 8613
stereoselective stimulus effects of pentobarbital & 3-methylflunitrazepam, discrimination of diazepam in operant choice task, male rats, 14074
tolerance to acute vs chronic diazepam, enhancement of punished activity, mice, 24031
triazolam vs oxazepam vs diazepam, conditioned suppression & seizures & motor impairment & tolerance, male rats, 5855
withdrawal effects & rebound phenomena of diazepam, sleep efficiency & daytime anxiety, male insomniacs, 18100

Dichoptic Stimulation

alternating frequencies of dichoptic stimulus presentation, frequency of fusion & loss of fusion & binocular depth perception, 16–45 yr olds, 29607
dichoptic priming effects, ambiguous picture processing, college students, 29053
dichoptic viewing of moving random-dot stereograms, perception of motion in depth vs lateral movements, 218
interstimulus interval & monocular availability of local-identity information, perceptual organization of three-dimensional apparent motion, author & college students, 219
lateralized light flashes, visual EPs during RT tasks, 20 & 23 yr olds with collosal agenesis, 9606
nonsimultaneous presentation of dichoptic stimuli & length of interstimulus intervals, binocular rivalry, 238
peripheral field stimulation during monocular vs dichoptic viewing, spatial contrast sensitivity, human Ss, 13573

Dichotic Stimulation

auditory discrimination training, performance on dichotic listening test, normal vs developmentally retarded vs Down's syndrome children, investigation of stimulus bias, 14771
binaural interaction, successive auditory evoked responses, 23–30 yr olds, 499
cerebral ischemia & severity of lesions, dichotic listening patterns & language recovery & memory, right handed 31–75 yr old aphasic patients, 6-mo study, 27638
controlled attention, dichotic listening performance for different classes of speech sounds, right handed college students, 16273
crossed vs uncrossed RTs to visual stimulus & performance of dichotic listening task, 21 yr old female with agenesis of corpus callosum, implications for bilateral speech representation, 4164
dichotic presentation of Dutch words, hemispheric lateralization & 2nd language proficiency, near- vs nonbilinguals, Netherlands, 5710
dichotic testing, speeded discrimination task, right handed 22–39 yr olds, replication of study by J. C. Harriman, 26332
dichotic vs visual presentation of word pairs with pre- vs postvocalic minimal phonemic contrasts, RT, 57–84 yr olds with severe aphasia, 4190
diotic loudness summation, cochlear impaired listeners, 4138
duration & diotic vs dichotic presentation of isolated dynamic vs static formant transitions of synthetic syllables, spectral/temporal fusion in speech perception, college students, 3012
gaze shifts vs saccadic eye movements & musical verbal stimulation to right vs left ear, recognition & localization of dichotic stimuli, right handed college students, 5433
hemispheric lateralization in dichotic listening task, mildly retarded vs nonretarded males with mean ages of 21.3 & 22.5 yrs, 17514
interaural intensity difference for neurons in deep layers of superior colliculus, cats, 26533
left hemisphere ischemic infarctions, performance on digit & noun dichotic listening tests, right handed 31–75 yr old aphasic patients, 6-mo longitudinal study, 27637
left vs right ear superiority, recognition of tonal intervals in dichotic listening, 12–25 yr olds with none vs 2–4 vs more than 5 yrs musical experience, Italy, 29642
monaural hearing aid fitted for right vs left ear, dichotic test results, high-frequency hearing impaired 31–64 yr olds, 30841
morphological asymmetry of posterior sylvian region, performance on dichotic listening test, 15–55 yr old patients with medically refractory seizures, implications for hemispheric language dominance, 14911
predictive relation between incidence of unintended motor overflow & degree of asymmetry on dichotic word identification task, female 3rd graders vs male 5th graders, 2-yr longitudinal study, 14193
psychoticism & creativity, dichotic shadowing & focused attention, Ss, 24703
recognition of diotic vs dichotic vowel pairs with same vs different fundamental frequencies with vs without masking, 25–30 yr olds, 19097
role of binaural cues, sound position discrimination, male rats, 16341
single response dichotic listening test, ear advantage, left- & right-handed college students, 19341
size & location of cerebral ischemia lesions, performance on digit & noun dichotic listening tasks, right handed 31–75 yr old aphasic patients, 6-mo study, 27639
size of perceptual asymmetry on CVC & VCV fused dichotic word vs nonsense syllable tests, adults, 19096
target note onset & dichotic stimulation, duplex perception, college students majoring in music, replication of study by R. E. Pastore et al, 26329
test-retest reliability of dichotic listening task, measurement of lateralization of receptive language, 33–65 mo olds, 28958
verbal dichotic listening test, ear asymmetry, right handed male vs female college students, 13809
white noise & unknown speech as dichotic stimulation, evaluation of emotional tones of speech & hemispheric asymmetry in auditory function, male vs female college students, 23588
word vs digit vs consonant/vowel syllables vs melody stimuli & directed attention, dichotic listening performance, 9–12.8 yr olds, 16940

Diencephalon [See Also Geniculate Bodies (Thalamus), Hypothalamo Hypophyseal System, Hypothalamus, Optic Chiasm, Thalamic Nuclei, Thalamus]
anatomical & electrophysiological & behavioral & clinical research, evaluation of diencephalic mechanisms of pain sensation, literature review, 19314
bilateral habenula nuclei lesions & nomifensine, swim test performance, male rats, 21420
congenital malformation, size of midsagittal section of anterior commissure, 18–70 yr old Down's syndrome patients, 22211
iv angiotensin II infusions & low dietary sodium, activity of angiotensin II receptors in olfactory lobes & diencephalon & midbrain & cerebellum & medulla, male rats, 26752
lesions of habenular complex, extinction & omission of operant responding, male rats, 13949
morphine injections into habenula & dorsal posteromedial thalamus, analgesia for tonic pain assessed by formalin test, male rats, 29398
subfornical organ, body fluid homeostasis, conference presentation, 21340
ventricular enlargement & atrophy of ventricle surrounding diencephalic structures, patients with schizophrenia, 6547
Diets
age & chronic choline-containing diets, learning & retention, male C57BL/6NNIA mice, 16719
behavior & family therapy & fructose-free diet, deficiency of fructose-1,6-diphosphatase & hypoglycemia & overanxious disorder & developmental disability, 14 yr old female, 22356
caloric dilution of mixed grain diet, meal patterns & food intake, pony geldings, 23891
carrot hypothesis & role of dietary factors in etiology & treatment of attention deficit disorder with hyperactivity, reply to criticism by A. Zametkin, 6890
carrot hypothesis & role of dietary factors in etiology & treatment of attention deficit disorder with hyperactivity, comments on article by C. K. Varley, 6910
casein- vs cereal-based diet & varied costs of procurement & expenditure, food intake & meal patterns & growth, 50 day old male rats, 26568
casein- vs cereal-based diets, growth & food intake in self selection paradigm, weanling male rats, 26577
casein vs soy diets with differential protein content, food intake selective behavior, cats, 16365
cephalic phase insulin response, body weight gain on subsequent cafeteria diet & development of obesity, male rats, 23878
change in diet from high protein & carbohydrates & low fat to high fat & low carbohydrates & protein, heart & liver lipid fatty acid & behaviors, mice, 16478
chemotherapy & neoplastic disease, acquisition of learned taste aversions, adult & pediatric cancer patients & animal models of drug-induced aversions, 15121
cholecystokinin-8 vs bombesin vs insulin vs toxin, diet self selection & taste aversions & feeding satiety, male rats, conference presentation, 21614
choline-enriched diet, amnesic effects of anisomycin following passive avoidance training & choline acetyltransferase & tyrosine hydroxylase activity, 2–3 vs 14–16 vs 17–20 mo old male mice, 5903
collection & consumption of exudates from trees in open canopy forest, marmosets, 19244
conditioned preferences & aversions in nutrient self selection & hunger or thirst & satiation, animals, 13717
confounding effects of environment & diet, saliva thiocyanate values, ex-smokers, 12113
consumption of corn with low levels of tryptophan, suicide & homicide, replication of findings of A. R. Mawson & K. W. Jacobs, 27423
consumption of fruit &/vs insects, nonhuman primates, 19277
delays after demonstrator eating, transmission of diet preferences & aversions, rats, 13728
diet & ethanol dose & social drinking level, salsolinol excretion, male & female social drinkers, implications for etiology of alcoholism, 16655
diet & exercise & behavioral therapeutic approach, weight loss, Black 26–29 yr old obese females, conference presentation, 25043
diet & feeding patterns, aye-ayes, 21272
diet, body size, primates, 19282
dietary change, emotional state, 18–50 yr olds selected for metabolic imbalance, 11210
dietary cholesterol & coronary heart disease, criticism of article by R. M. Kaplan, 20193
dieting & then bingeing as cognitive vs physiological, comments on article by J. Polivy & C. P. Herman, 20197
dieting & then bingeing as cognitive vs physiological, reply to comments by M. R. Lowe, 20224
discontinuation of low-phenylalanine diet therapy, medical & social functioning, 3.5–11.4 yr olds with phenylketonuria, 27728
disinhibition vs obesity & restraint hypothesis, dietary restraint, implications for understanding obesity & related eating disorders, literature review, 17658
diurnal variations, foraging behavior & diets, wedge-capped capuchin monkeys, 3121
dysphoric mood states, overeating, female bulimics vs high restraining nondieters vs dieters, 27523
emotional states during dietary management, 10–79 yr olds undergoing cytotoxic testing for food sensitivity, 17567
food restricted diet, life span, hypertensive rats, 13850
food restriction followed by free access to food, nociceptive thresholds in tailflick procedures, 75 day old rats, 26565
genetics & neuroanatomical & neurochemical & dietetic factors, schizophrenia, literature review, 1393
glucose &/vs insulin infusion in 3rd ventricle, peripheral glucose & insulin levels in CSF, male rats habituated to carbohydrate rich vs carbohydrate free food, 21418
gluten-free diet & vitamin E, spinocerebellar degeneration & malabsorption due to celiac enteropathy, 47 yr old male, implications for etiology, 20422
health beliefs, dieting & exercising behavior, obese vs nonobese adolescents, application of Health Belief Model, 30440
health promotion & diet in heart disease, reply to criticism by R. C. Lefebvre, 20182
high protein chow vs pure carbohydrate vs fat self selection diet & insulin, food preferences, male hamsters, 13887
high protein vs protein-free carbohydrate diet, dietary choice behavior, normal vs trigeminally deafferented rats, 8508
high vs low energy diet & sustained exertion & sleep deprivation, military performance, male military cadets, 31440
hypernatremic dehydration, 1.5 & 2.5 & 15 yr olds with severe psychomotor retardation, 17620
hypolipemic diabetic diet & fenofibrate, hyperlipidemic dementia, 60 yr old female, 22560
intake & functional measurements of vitamin B6, institutionalized mentally retarded, 28146
intragastric infusion of carbohydrates & fat & protein, appetite & total caloric intake, male monkeys, 13893
ip administration of dextroamphetamine & benzphetamine & chlorphentermine, suppression of consumption of rich vs poor carbohydrate diet, rats, 16728
living arrangements & dietary patterns, male vs female 65–74 yr olds, 16875
low calorie diet &/vs behavior therapy, weight loss &/vs mood change, obese females & males posttreatment vs 1-yr followup, 30699
low vs high carbohydrate diet, ventilation & ratings of perceived exertion during bicycle ergometer test at high physical work capacity, 18–25 yr old females, 23521
low vs high sodium diet & furosemide vs deoxycorticosterone acetate vs indomethacin, ethanol-induced motor impairment, male rats, 21381
MAO inhibitors & dietary restrictions, literature review, 1958
medial hypothalamic lesions & exposure to chow vs cafeteria diet, hyperphagia & weight gain & thermogenesis in brown adipose tissue when exposed to cold, obese rats, 21444
medium-chain triglycerides & hydrogenated coconut oil, decrease in food intake due to impalatability, cats, 21389
methodological & substantive issues in diet-behavior, children with behavior problems, literature review, 9405
neonatal sympathectomy &/vs adult adrenodemedullation & access to chow vs supermarket diets, development of obesity, rats, 21466
opioid-like activity in isolated peptides from wheat gluten hydrolysates, implications for schizophrenia & celiac disease, 561

parachlorophenylalanine & fenfluramine pretreatment & tryptophan, 5-HT turnover & preference for protein diet, male rats, 14013
personality & adequacy of information received from physician, adoption of Moerman diet, patients with Hodgkin's disease or breast cancer, 12262
polysaccharides in liquid vs powder form, hyperphagia & obesity, female rats, 16498
portacaval anastomosis & laboratory chow &/vs corn, motor activity level assessed by runway & swim tests, male rats, 26613
preference for high fat &/vs high carbohydrate diets, food intake & plasma metabolites, male diabetic rats, 21366
prevalence & severity & relationship of binge eating to dietary restraint, obese 17–65 yr old females, 12241
research design & food additive-free diet, developmental/behavioral disorders, children, 18118
return to chow diet following prolonged periods of ad lib vs restricted cafeteria feeding, meal size & frequency & eating rate & body weight, female rats, 23900
role of nutrient selection in food intake, animals & humans, implications for role of brain 5-HT in protein/carbohydrate intake regulation & obesity, conference presentation, 29251
sectioning of chorda tympani &/vs glossopharyngeal nerve & pharyngeal branch of vagus nerve, dietary self selection, male rats, 26614
self selection of protein diets with vs without amino acids, weight gain & protein intake & plasma & brain levels of amino acids, 1 day old chickens, 13889
sequential relationship between dieting & binge eating, 1626
sex & weight, nutrient intake & risk for development of nutritional deficiencies, mentally retarded 17–36 yr olds, 17521
social vs dietary control, rumination, severely & profoundly mentally retarded 15–22 yr olds, 15379
socially mediated factors, dietary regimen compliance intentions, diabetic patients aged 12 yrs and older, 22323
soy polysaccharide added to liquid formula diet, bowel functioning, constipated & tube-fed & nonambulant severely or profoundly mentally retarded Ss, 14931
sucrose consumption, hyperactivity, children with mean age of 9.2 yrs, replication of experiment by R. J. Prinz et al, 4100
supermarket vs sucrose diet & maternal background, dietary obesity, rat offspring of obese-prone vs lean-prone mothers, 21409
taste perception & satiety & palatability of newly introduced foods, Ethiopian refugees, nutritional implications for refugee camp inhabitants, 21405
ultraviolet radiation & carotenoids in diet, color discrimination, Ss living near equator, Mangaia, test of M. H. Bornstein's hypothesis, 13557
use of medication & nutrients & refined diets in alternative residential treatment program, illustrative case of female schizophrenic patient, 17718
variations in carbohydrate & protein & fat content of diet, dietary selection patterns, obese vs lean rats, conference presentation, 21369
varied palatable supermarket diet, body weight & onset of hoarding behavior, male rats, 23765
weight changes & nutritional values of prison diets & consumption patterns, female inmates, 4694

Differential Diagnosis

acute vs paroxysmic episodes & lasting vs autonomic symptoms of hysteria, medical patients, 20200
adrenoleukodystrophy diagnosed as alcoholic dementia, 27 yr old male, comments on D. R. Weinberger's support for computerized axial tomography scans in psychiatric diagnosis, 6729
ataxias of brain stem & cerebellum vs palatal myoclonus & progressive ataxia & dysarthria syndrome, 48 & 63 yr old females, 20242
attempts to develop behaviorally defined criteria for insanity defense, 29890
auditory brain stem response, 23–78 yr olds with central vs peripheral subjective tinnitus, 12243
Beck Depression Inventory, differentiation of generalized anxiety disorders vs major depression & dysthymic disorders, outpatients, 24718
behavioral criteria vs trait judgments, diagnostic reliability of personality disorders, 22081
biological marker of fasting plasma serine levels & serine hydroxymethyltransferase activity, depressed patients with vs without psychotic features, 30238
biological predictors of response to tricyclics & lithium therapy & age of illness onset, depressed patients, test of heterogeneity & differential diagnosis of affective disorders, conference presentation, 12020
biological therapies as criterion "ex juvantibus" method, nosography of depression, 6480
characteristics & hypnotic treatment, dissociative episodes manifested as psychotic states, 17 yr old female misdiagnosed with bipolar affective disorder, 1384
classification of reading & spelling disability, 18 yr old female with spastic quadriparetic cerebral palsy, 14821
clinical aspects of presbyophrenia vs dementia, elderly patients, 17556
clinical features & etiology & differentiation of childhood vs adult onset schizophrenia vs autism, children, literature review, 30093
clinical features & etiology & epidemiology & differential diagnosis of Capgras syndrome, 17–83 yr olds with misidentification syndromes, 30126
clinical significance of DSM-III diagnosis of alcohol abuse vs dependence, male alcoholics with mean age of 47 yrs, 12107
clinical symptoms of Asperger's syndrome vs autism, case of 13 yr old male, 9347
clinical vs radionuclide cisternographic examinations, differential diagnosis, patients with Hakim syndrome vs Alzheimer's disease, 1589
cluster analysis as diagnostic tool, patients with endogenous vs nonendogenous depression, 3885
cognitive & communication assessment, patients aged 65 yrs & older, implications for differential diagnosis, 9623
comprehensive evaluation, autistic behavior, 5–17 yr olds in self contained unit in public schools, 23139
computerized axial tomography abnormalities as markers of schizophrenia subtypes, literature review, 14600
concurrent depression & dementia, 70 & 73 & 61 yr old females, implications for diagnosis & treatment, 24627
connotations & differential diagnosis & treatment processes, manipulative patients, 27787
construct validity of combination clinical & neuropsychological measure for differential diagnosis, 4–13 yr olds with attention deficit disorder with hyperactivity &/or conduct disorder &/or emotional disorder, 16108
content & scoring & reliability & validity of Kendrick Battery for Detection of Dementia in Elderly, differentiation between depression & dementia, aged, 5300
Cushing's disease presenting as atypical psychosis followed by sudden death, 37 yr old female, 12198
definition of differential diagnosis, borderline children, literature, 17360
definitions & diagnostic criteria of obsessive compulsive disorder, female & male illustrative case examples, 17362
degree of agreement on characteristics of chronic pain behaviors, physicians & psychologists, 1652
development of Comprehensive Object Relations Profile, measurement of object relations concepts & differential diagnosis, schizophrenic vs borderline vs neurotic Ss, 23418
development of operational criteria & identification of differential parameters, psychotic patients, conference presentation, 24667
developmental cognitive tests of conceptual strategies & attention span & psychomotor pace, differentiation of intellectual subnormality vs abnormality, mentally retarded vs mentally deficient nonretarded schizophrenic patients, 30322
dexamethasone suppression as potential distinguishing factor, 22–40 yr old male schizophrenics, 27290
dexamethasone suppression test & thyrotropin releasing hormone stimulation test, differential diagnosis, 18–92 yr old depressed patients, 14626
dexamethasone suppression test, delusional vs nondelusional depressed patients, 6475
dexamethasone suppression test, diagnosis of agoraphobia as atypical biological depression, 17–83 yr old agoraphobic vs psychiatric vs depressed patients, 1399

dexamethasone suppression test, differential diagnosis of depression & dementia, dementia patients over age 65, 17339
dexamethasone suppression test, differential diagnosis, 55–88 yr olds with moderate dementia vs depression vs aged healthy Ss, 22260
dexamethasone suppression test, distinction of dementia with vs without depression, 53–80 yr old Alzheimer's disease patients, 22266
dexamethasone suppression test, 21–77 yr old depressed or manic or schizophrenic patients, 1282
diagnosis according to DSM-III nomenclature on 5 axes, 18–69 yr olds with chronic pain, implications for concept of psychogenic pain disorder as variant of depression, 24668
diagnosis of Kleine-Levin syndrome, 10 yr old male with primary depressive disorder, 22048
diagnostic & therapeutic problems in pseudoseizures, literature review, 4113
diagnostic characteristics & theories & drug therapy, bipolar disorder, implications for social work, 6591
diagnostic classification in behavioral assessment of agoraphobia, treatment outcome, implications for standardized triple response measurement protocol for agoraphobic research, 27309
diagnostic complexities, psychogeriatric hospital admissions, 60–96 yr old geriatric patients, 22009
diagnostic confusion of alcoholism vs primary affective disorder, genetic & clinical implications, literature review, 17294
diagnostic criteria & drug & other therapeutic modalities & importance of alcohol rehabilitation, patients with portal-systemic encephalopathy, 27745
diagnostic criteria & sex ratio & prevalence rates of dysphoric mood vs brief vs extensive depressive episodes vs major depression, 19–20 yr olds, Switzerland, conference presentation, 3805
diagnostic validity of Picture Projective Test vs TAT, depressed vs psychotic patients, 2915
differential characteristics, patients with panic disorder vs agoraphobia with panic attack, 3942
differential clinical & EEG & radiological characteristics, institutionalized mildly to severely mentally retarded patients with epilepsy, conference presentation, 30061
differential diagnoses of bulimia vs anorexia nervosa, 12–39 yr old males, conference presentation, 12159
differential diagnosis & clinical & demographic features, primary anxiety disorders & other psychiatric & medical disorders, literature review, 1271
differential diagnosis & genetic significance of Ehlers-Danlos syndrome, 15 yr old male, 14545
differential diagnosis & pharmacological treatment of primary vs secondary anxiety neurosis, 6543
differential diagnosis & systematic psychiatric evaluation, 20 & 35 yr old females & 40 yr old male suspected of self injury, 30275
differential diagnosis & treatment for bipolar disorder, 15 yr old female, case report, 27297
differential diagnosis & treatment, hypnogenic paroxysmal dystonia, 10 yr old female, conference presentation, 12184
differential diagnosis & treatment of disidentification syndrome, 14 yr old female & her parents, case report, 30129
differential diagnosis, depression & Alzheimer's disease, 1667
differential diagnosis of mental illness of late D. P. Schreber, comments on diagnosis made by A. A. Lipton, 3860
differential diagnosis of neuroleptic malignant syndrome following neuroleptic drugs, febrile patients, 30427
differential diagnosis of panic attack vs depressive disorders vs endogenous vs neurotic depression, inpatients with primary mood change to depression &/vs anxiety, 9221
differential diagnosis of Personality Inventory for Children, 6–13 yr olds in regular education vs in learning vs mental vs emotional disabilities placements, 4983
differential diagnosis, premenstrual syndrome vs affective disorders, conference presentation, 24589
differential diagnosis, ticotic hyperkinesis vs Tourette's syndrome, children, 6849
differential diagnosis using positron emission tomography with Fluorodeoxyglucose, 55–78 yr olds with normal pressure hydrocephalus vs Alzheimer-type dementia, 27587
differentiation of characteristics of learning disabilities vs autism, 9203
difficulties & recommendations for classification & diagnosis of cerebral dysrhythmias & other epileptic phenomena, infants, 4107
digitalis intoxication misdiagnosed as depression by primary care physicians, patients aged 72 & 73 & 79 yrs, implications for medical education, 18115
discriminant analysis, discrimination between mental disorders, psychiatric patients, 6608
distinguishing of organic from psychogenic disorders, nonmedical psychotherapists, 24940
elevated blood acetate as laboratory marker of alcoholism or heavy drinking, 19–74 yr old intoxicated alcoholic vs heavy vs occasional drinkers, 27420
episodic behavioral disorders & limbic ictus, illustrative case example of 51 yr old male, implications for differential diagnosis, 24948
Eysenck Personality Questionnaire addiction scale, assessment of gambling as addictive disorder, male pathological gamblers vs female vs male heroin addicts, replication of study by M. R. Gossop & S. B. Eysenck, 14681
factor analysis of McGill Pain Questionnaire, differential diagnosis & classification & treatment decisions in pain syndromes, chronic pain patients, support for R. Melzack & K. L. Casey's hypothesis, 5347
frequency & differential diagnosis of depression, schizophrenic patients, followup study, conference presentation, 30183
gastroesophageal reflux & Barrett's syndrome presenting as globus hystericus, 46 yr old male, 22014
iatrogenic effects of antipsychotic medications, akinesia & tardive dysmentia & frontal lobe disorder, schizophrenic patients, 9901
inheritance & differential diagnosis, 17 & 8 yr old sisters with benign familial chorea, 12162
lactate infusions, panic attacks, patients with social phobia vs panic disorder vs agoraphobia with panic attacks, 1327
language of description of pain, differentiation of actual vs simulated low back pain, 18–69 yr old patients, implications for diagnosis of malingering, 27605
Manic Diagnostic Severity Scale, diagnosis & state measurement & prediction of lithium treatment response, 23–74 yr old manic vs other psychiatric patients, 6597
measurement of quantitative criteria, attention & activity, 1.5–11.9 yr old psychiatric patients, implications for differential diagnosis of attention deficit disorder & hyperkinesis, 9193
medical & psychodiagnosis of previously diagnosed referrals, patients with schizophrenia, implications for DSM-III criteria, case report, 30064
microcomputer-based Psychometric Assessment System & Dementia Screening Battery, differentiation of age-related vs incipient dementia, humans exposed to neurotoxins, conference presentation, 23361
misapplication of learning disability diagnosis & need for differential diagnosis of learning difficulties, 13 mo to 7 yr olds, 14748
misdiagnosis & resultant inappropriate use of stimulant drugs, 8 mo to 10 yr olds "diagnosed" with attention deficit disorder with hyperactivity or infantile autism or Tourette's syndrome, 4538
misdiagnosis of Crohn's disease as anorexia nervosa, 15 yr old female, 20243
misdiagnosis of schizophrenia, Blacks with organic brain syndromes associated with alcoholism, case report, implications for treatment, 27395
MMPI critical item list, differentiation of borderline personality disorder from other personality disorders, 24–47 yr old psychiatric patients, 3911
moral issues of missed physical diagnosis in psychiatry, 2273
MPPI 24/42 code & code type & Millon Clinical Multiaxial Inventory high point codes, identification of & discrimination among personality disorders & clinical syndromes, patients, 8048
Munchausen's syndrome & other factitious illness, implications for treatment & prognosis, literature review, 20146
need for computerized axial tomography & neurological consultation, patients with dementia of unknown origin, comments on article by D. R. Weinberger, 6902
need for improved screening & differential diagnosis procedures in learning disabilities field, 30312

need for separate classification of attention deficit disorder psychosis & treatment with imipramine, implications for research, 30703
neuropathology & accuracy of clinical diagnosis of dementia, patients 59–95 yrs old at time of death, 27630
nuclear magnetic resonance, differential diagnosis of groups of dementia, 1262
occurrence of life events 6-mo before onset of major depressive episode, depressed 21–73 yr olds with vs without melancholia, 30208
on-task & problem behaviors, differential labeling & placement, learning disabled vs low achieving high school students, 10465
onset & awareness of cognitive disturbance & vegetative symptoms & patterns of speech, differential diagnosis of depression vs dementia, geriatric patients, 3790
performance on tests of visual retention & paired associate learning & object-memory evaluation, aged with vs without primary degenerative dementia vs major depression vs 63–86 yr old geropsychiatry inpatients, 24595
phenomenological differences in normal vs psychosis-associated happiness states, patients with general palsy vs mania vs schizophrenia, 30214
physical & psychosomatic & behavioral characteristics & chronic history & identity of abuser, identification of child sexual abuse, children with masked vs overt presentations, 4002
platelet MAO activity, 18–68 yr old patients with depression of increasing specific diagnostic groups, implications for subtypes of depression, 30213
population at risk & clinical precautions & diagnosis & treatment with bromocriptine & dantrolene, neuroleptic malignant syndrome, 22565
portable continuous-recording EEG systems, diagnosis & treatment of epilepsy, patients, 9558
posttraumatic stress disorder & research validity gaps in DSM III, 1302
prevalence of Capgras syndrome vs delusional misidentification, hospitalized psychiatric patients, 14664
prototypic vs polythetic classification of personality disorders, accommodation of fuzziness & probabilistic membership, 22080
psychoanalytic vs biological diagnosis, endogenous depression, 3826
psychodiagnostic interview & self report, differential diagnosis of major depression & dysthymic disorders, psychiatric patients with mean age of 13.1 yrs, 11927
psychological symptomatology, war veterans with closed craniocerebral injury sustained during war, 20181
psychometric characteristics of schizophrenia & mania & schizotypal & narcissistic & borderline personality disorder categories of DSM-III, 15–29 yr old long term psychiatric inpatients discharged for 1 yr, 10774
quantitative & qualitative differences in memory impairments of different etiologies, patients, 17573
reliability & validity & interscorer agreement & psychometric properties of Anomalous Sentences Repetition Test & parallel versions of test, differential diagnosis between organic brain dysfunction & psychotic depression patients, 29006
reliability of abbreviated form of full Schedule for Affective Disorders & Schizophrenia, differential diagnosis & measurement of severity, unipolar depressed vs paranoid schizophrenic vs nonparanoid schizophrenic patients, 28969
Research Diagnostic Criteria vs J. C. Nelson & D. S. Charney's criteria for endogenous depression vs DSM-III melancholia, analysis of EEG sleep data & clinical characteristics, patients with primary unipolar depression, 3867
Rorschach test, discrimination between parenchymal & cerebrovascular forms of dementia, 56–75 yr old patients, 6854
ruminative thinking, diagnosis of melancholic vs nonmelancholic depression, inpatients, 19968
self reported depressive symptomatology, outpatient alcoholics vs heroin addicts, 14738
separation of organic vs functional patients with combined use of Symbol Digit Modalities Test & Psychiatric-Organic scale of MMPI, 23–75 yr old male brain damaged vs psychiatric patients, Puerto Rico, 19870
sexual abuse, vaginitis, 8 & 12 yr old females with Candida albicans & Gardnerella vaginalis infections, 3980
simultaneous satisfaction of diagnostic criteria for other psychiatric syndromes, female outpatients with Briquet's syndrome, 22079
skin conductance, differentiation of subtypes & relation to atypical dexamethasone suppression test, patients with unipolar vs bipolar disorder, 30243
social history & current symptoms & psychometric test results, differential diagnosis, military veterans with posttraumatic stress disorder vs antisocial personality, 14570
sociocultural factors, identification of phobic states presenting as somatic complaints, 15–65 yr old psychoneurotic patients, Nigeria, implications for psychotherapy, 9307
Sominex, tardive dyskinesia, 50 yr old schizophrenic female on chronic neuroleptic therapy, 22549
speech characteristics & causal-correlates variables & individual differences, diagnostic classification, 1.9–9.6 yr olds with speech delays & phonologic disorders of unknown origin, 30348
symptomatology & pathophysiology of Gilles de la Tourette syndrome & schizophrenia, 18 yr old male, 22129
symptoms & diagnostic considerations of psychiatric symptoms with underlying organic cause, children, literature review, 30455
symptoms & etiology, neuroleptic-induced tardive dysmentia vs supersensitivity psychosis, criticism of I. C. Wilson's article & S. Mukherjee's criticism, 9271
symptoms & misdiagnosis of meningoencephalitis as major depressive episode, 51 yr old widow, 14820
symptoms & personality characteristics & differential diagnosis & pathogenesis & treatment modalities, psychogenic low back pain, literature review, 20190
symptoms for differential diagnosis of autosomal recessive syndromes characterized by pigmentary retinopathy, infants & children, implications for mental retardation & deafness & hypogonadism, 22234
symptoms of changes in energy & mental cognitive status & emotional state & somatic condition diagnosed & treated as chronic metabolic distress, psychiatric patients, 17742
symptoms of total retrograde amnesia & diagnosis of psychogenic fugue state, 16 yr old male, 22280
terminology & diagnosis & pharmacotherapy of mixed anxiety-depression syndrome, 7261
thyrotropin-releasing & thyrotropin-stimulating & dexamethasone suppression tests, differential diagnosis of affective disorders, 15–76 yr old depressed patients, 1275
true diagnosis of late D. P. Schreber, reply to criticisms of K. S. Kendler & R. L. Spitzer, 3877
type of obsessions & severity of illness & prognosis, patients with atypical vs typical obsessive neurosis, 22125
utility of heredity as differential diagnostic factor, twins with pure anxiety neurosis vs mixed anxiety/depression vs pure neurotic depression, 14662
utility of MacAndrew Alcoholism Scale as differential diagnostic tool, male 19–67 yr old alcoholic vs nonalcoholic with neurosis vs personality disorders, 23408
validation of clinically defined depressive subtypes with dexamethasone suppression test, 15–60 yr old hospitalized patients, 27388
validity of first-rank symptoms vs 9th International Classification Diseases vs DSM-III vs Research Diagnostic Criteria vs P. Berner's axia syndromes criteria, psychodiagnosis & prognosis, delusional 16–61 yr olds, Austria, 6–9 yr followup, 18984
validity of French version of B. Rimland's F2 questionnaire, differential diagnosis, 3–15 yr olds with severe disturbances or Down's syndrome with diagnoses of infantile autism or autism with associated symptoms, 24669
validity of hyperkinetic syndrome, children aged 15 yrs or less with hyperkinesis vs conduct disorders &/vs emotional disturbances, 27669
validity of interview rating scales, discrimination between depression & anxiety, 7–14 yr old hospitalized medical patients, 8066
validity of Kendrick Battery for the Detection of Dementia in the Elderly, elderly patients with dementia vs depression, 13432
validity of objective personality tests, differential diagnosis, neurotic vs alcoholic vs schizophrenic Ss, 5333
validity of subtypes using Norwegian Basic Aphasia Assessment, 22–80 yr olds with aphasia, 29003
validity of 4 definitions & clinical & demographic & familial & psychosocial correlates, differentiation of endogenous depression, depressed inpatients, 24735

Western Aphasia Battery, differential classification based on primary aspects of language functioning, Ss with aphasia, 18981
Differential Limen [See Thresholds]
Differential Reinforcement
acceptability ratings for differential reinforcement of incompatible behavior vs positive practice vs time-out, child behavior therapy techniques, college students, 15114
antidepressant AHR-9377, DRL performance, male rats, 24009
behavior modification using differential reinforcement, self injury, severely retarded 17 yr old male, 22503
chronic cannabis treatment, learning of maze task & open field behavior & DRL responding, rats, 16807
differential reinforcement of other & incompatible behaviors with vs without mild interruption, novel & self stimulatory behaviors, developmentally disabled 6 yr old, 4-mo followup, 4419
DRL, repetitive speech, autistic 16 yr old male, 6- & 14-mo followups, 4428
DRO & monetary restraint procedures, reduction of stereotypic responses, visually impaired mentally retarded 7–9 yr old students, 13055
DRO procedure, aggressive behavior & stereotypic eye-pressing, female blind & multiply handicapped 10 & 15 yr olds, 9845
DRO, stereotyped behavior & task performance, autistic 14–21 yr old students, 25865
exposure to tandem FR DRL vs DRL schedules & variable time schedule, response decrement, male rats, 29188
ibotenic acid induced hippocampal neural lesions vs lesions to subiculum, DRL performance, male rats, 26619
ip injection of 6-hydroxydopamine, response rate for food reward under DRL schedule, male rats, 21587
lesions of fastigial nuclei vs cerebellar vermis vs dentate nuclei, peformance deficits on DRL schedule of reinforcement, rats, 26609
medial frontal decortication, response under DRL 10 sec schedule with 50% probability of reinforcement, rats, 23924
modified operant differential reinforcement by mother, excessive verbal ruminations & negative emotional responding, 5 yr old female victim of sexual molestation, case report, 30691
propranolol before vs after training, DRL response, male rats, 21586
ratings of time out vs differential reinforcement vs overcorrection vs shock, treatment of self injurious behavior, parents of autistic vs other handicapped vs nonhandicapped children, 1888
response reinforcement interval, specific alternative behavior & DRO contingencies, male rats, 19230
sensory extinction procedures via differential reinforcement, self injurious behavior, 23 yr old profoundly retarded & nonverbal & ambulatory male, replication of J. K. Luiselli's study, 12526
sex & level of retardation & effectiveness of reinforcement & punishment & DRO & lemon juice therapy & time out, self injurious & stereotyped behavior, profoundly mentally retarded Ss over 16 yrs old, includes bibliography, 15095
signaled reward in DRL vs DRH schedules, response rate & efficiency & resistance to satiation, rats, 13752
temporal control in DRO, duration of behavior patterns, pigeons, 8300
trazodone vs zimeldine vs fluoxetine vs bupropion vs ECS vs haloperidol vs clozapine, DRL response, male rats, 16789
unilateral cortical lesions & amphetamine sulfate, DRL, male rats, 16480
varied mapping of sample stimuli to comparison stimuli & differential outcomes, working memory, pigeons, 23683
Difficulty Level (Test)
analysis of test items' information processing demands, development of nonverbal reasoning tests, 10–11 yr olds, 26249
increasing item complexity concomitant with increasing difficulty, scale shrinkage, application of item response theory, 10891
individual's feeling of knowing vs normative feeling of knowing vs normative item difficulty, predictions of memory performance, college students, 19149
item response theory, factor structure & difficulty level as causes of item bias, 16160
item response theory model, application of multidimensional index of item difficulty to American College Testing Mathematics Usage Test data, students, 18665
model & estimator of examinee-level measurement error & test form difficulty adjustments, 29017
simplified method of test construction utilizing knowledge of item difficulty levels, 164
Digestion
chewing complex carbohydrate cereal for 20 vs 60 sec & stress vs relaxation, salivary amylase digestion of complex carbohydrates, college students, 29334
fenfluramine, gastric emptying, female rats, 14045
food preferences & digestibility, giraffes, 382
vagotomy, body weight & feeding activity & food passage & digestibility & satiety effects of bombesin & cholecystokinin octapeptides, female domestic fowls, 3265
Digestive System [See Esophagus, Gastrointestinal System, Intestines, Liver, Mouth (Anatomy), Pharynx, Stomach, Taste Buds, Teeth (Anatomy), Tongue]
Digestive System Disorders [See Also Cirrhosis (Liver), Colitis, Colon Disorders, Constipation, Cystic Fibrosis, Diarrhea, Fecal Incontinence, Gastrointestinal Disorders, Gastrointestinal Ulcers, Hepatitis, Jaundice, Liver Disorders, Toxic Hepatitis, Ulcerative Colitis, Vomiting]
smoking behavior, 21–75 yr old patients with neoplasms vs endocrine vs blood vs circulation vs respiratory vs digestive vs genitourinary disorders, 24949
Digit Span Testing
storage of numbers in auditory & visual short term memory, digit-span recall, college students, 302
Visual-Aural Digit Span Test as criterion, validity of sequential processing factor of Kaufman Assessment Battery for Children, reading disabled 8.3–12.4 yr olds, 2894
Digital Computers
entry & error rates, use of hardware & software keys & figural recognition devices for wrist-worn digital devices, 16025
inexpensive desk calculator as printout counter, 18888
programmable calculators, recording time spent in behavioral categories during behavioral scoring, animals, 23382
Digits (Mathematics) [See Numbers (Numerals)]
Dilantin [See Diphenylhydantoin]
Dilation (Pupil) [See Pupil Dilation]
Diphenhydramine
Sominex, tardive dyskinesia, 50 yr old schizophrenic female on chronic neuroleptic therapy, 22549
Diphenylhydantoin
chronic phenytoin, stereotyped motor response to 5-HT agonist, rats, 661
diphenylhydantoin & trimethadione & phenobarbital, delayed development & hyperactivity & impaired learning & brain amino acids, rats & their prenatally exposed offspring, conference presentation, 29486
diphenylhydantoin encephalopathy, 26 yr old female with epilepsy, 7177
diphenylhydantoin, morphological changes of cerebellar cortex & motor activity, rats, 3286
diphenylhydantoin, sex-linked recessive lethal mutations, Drosophila melanogaster, implications for treatment of epilepsy, 26730
mono- vs polytherapy with diphenylhydantoin, level of phenytoin & side effects, patients, 12580
phenytoin, reversible chronic cerebellar ataxia & axonal polyneuropathy, 17 & 50 yr old females with epilepsy, 20377
Diphenylhydantoin Sodium [See Diphenylhydantoin]
Diptera [See Also Drosophila]
compound eyes as model for study of 2-dimensional spatio-temporal processing of color & motion, flies & insects, conference presentation, 29271
Stiles-Crawford effect, blowfly, 23836
Directed Discussion Method
class discussion in 1-to-1 interaction, voluntary decisions to write, male vs female 4th graders, 10352
lecture vs discussion & approachability of instructors & sociability of classmates, cognitive & affective states & classroom behaviors, 21–48 yr old college students, 23035
utilization of classroom discussion technique as research mode, teachers, 22983
Directed Reverie Therapy
dissociation & self awareness in directed daydreaming, 19–48 yr olds, 30676

dream level therapy in dreamlike state while awake, 12457
fantasy relaxation technique & fantasy door approach, female college students with bulimia, 1767
group psychotherapy with guided imagery, adolescents, 30641
relaxation & guided imagery training vs social contact, immunocompetence, 60–88 yr olds in independent-living facility, 4434
self rated absorption & vividness of imagery & attention in directed daydreaming situation, psychology teachers & students, 26374
Disadvantaged
bureaucratic demands vs personal or professional autonomy, provision of legal services for poor, attorneys, 11672
care of deinstitutionalized homeless mentally ill, 22644
career awareness workshops, disadvantaged youth, 18488
causes & needs & application of disengagement theory, homeless aged, 8924
characteristics of apparently homeless individuals who loiter in mental hospital corridors, England, 30960
childhood development & education, children from impoverished environments & their parents & teachers, 14128
community-based enrichment program, disadvantaged gifted preschool through high school students & their families, Australia, 28564
community services program in Turin, prevention of juvenile delinquency, children & adolescents, Italy, 4678
conjoint systemic family therapy within government psychiatric services, families from underprivileged socioeconomic backgrounds, Italy, 30652
demographics & physical & mental impairments & alcohol abuse, 19–81 yr old vagrants in urban emergency shelter vs renters in attached hotel, implications for consequences of deinstitutionalization, 9207
development of assessment measures of children's analogical thinking modifiability, 4–6.5 yr old disadvantaged & regular & special education kindergartners & mentally retarded 10–16 yr olds, 13471
disadvantaged upbringing in multiproblem welfare family, subsequent midlife income & employment & criminality & mental health, 47 yr old inner-city males, longitudinal study, reprint, 29778
early intervention program strategies & effectiveness, disadvantaged children, 12675
evaluation of organizational activities of public health clinics serving poor, indigent clients & clinic staff, 25443
factor analysis of Bayley Scales of Infant Development, disadvantaged Black 12–21 vs 21–30 mo olds, 18906
feminist view of federal policy changes under Reagan Administration, personal problems, females terminated from Aid to Families with Dependent Children, 9048
high quality government-run intervention program vs regular day care program, intellectual & language & social skills, disadvantaged Ss aged 3 yrs & over, Bermuda, 10027
historical background & characteristics & risk for physical & mental disorders, homeless, 27250
home environment & perception of parent childrearing practices, 12–14 yr old socially deprived females, India, 24212
individualized vs traditional computer assisted individualized vs traditional math instruction, math achievement & anxiety & locus of control, disadvantaged 3rd graders, Israel, 28444
limitations of emergency shelters in meeting needs of mentally ill, implications for deinstitutionalization, 22643
long-term supportive & psychodynamic group therapy, female socioeconomically-deprived Hispanic patients, 25194
nature of thought processes, culturally deprived &/vs learning disabled 8–10 yr olds, 30319
need for training to provide adequate care to underserved/neglected clients with communication disorders, speech pathologists & audiologists, conference presentation, 25650
needs assessment, rural economically disadvantaged elderly, 781
occupational aspirations & interests, culturally disadvantaged 11 yr olds, 4-yr followup, 14211
preventive education intervention & birth order, IQ, disadvantaged 5 yr olds at risk for retarded intellectual development, 22928
problems of homeless mentally ill, concern over proposed legislation changing criteria for civil commitment as threatening civil rights, psychologists, 24677
psychiatric hosptial admission vs discharge, homeless vs domiciled mentally ill, 18176
psychological homelessness, 9 yr old female Muslim immigrant who was placed in children's home, UK, 12711
remittances to male seasonal labor migrants, household reproduction & maintenance of social & economic conditions, peasant females, Jamaica, 29790
right to psychiatrist when sanity or potential dangerousness are issues in trial or sentencing, indigent defendants, case law, 1055
satisfaction with college environment & student- vs school-centered solutions to problems, disadvantaged Black vs Mexican- vs Native- vs Asian-American students, 2466
self efficacy competence enhancement strategy, intellectual performance, high vs low socially disadvantaged Hindu male 10th graders, India, 25826
sex differences, self efficacy for mathematics & science careers, disadvantaged 16–24 yr olds in precollege program, 31205
short vs long term effect of group competency-based program, stress & mental health, single mothers on government assistance, 10031
social disadvantage vs nondisadvantage & mental vs nonspecific handicap, early provision for special needs & parental access to information & support services, mentally handicapped 7–13 yr olds, 27470
social policies governing involuntary hospitalization & neglect of mentally ill street people, illustrative case of 41 yr old female, 1352
sociocultural background factors including age & ethnicity, prediction of success in Job Corps training, 16–23 yr old underprivileged enrollees, 18722
structured vs unstructured play training, imaginative play & divergent thinking & storytelling & verbal & nonverbal IQ & locus of control, economically disadvantaged 2.7–6 yr olds, South Africa, 12990
Supreme Court decisions concerning right to state paid psychiatrist for indigents & expansion of commercial powers of Congress, implications for services to handicapped, 1085
2 yrs of tutoring, mathematics & reading achievement, disadvantaged 3rd & 6th graders, 22944
Disasters [See Also Natural Disasters]
chronic responses to 1977 supper club fire, survivors, 4136
classification of hazardous events according to natural life history perspective, literature review, 2711
gender & age & life stress & perception of social support & relationship with deceased, prediction of postdisaster depression & somatization risks, bereaved family members & friends of deceased disaster victims, 6733
Jungian interpretation of dreams indicating repressed destructiveness, 11
level of preparedness & service initiatives regarding mass disasters, community mental health centers, 12653
person & place affiliations, choice & use of exit, Ss in fire entrapment situation, implications for escape route design, 10666
physical & chemical & biological & psychological environmental emergencies, military medical personnel, 7331
prevention of stress resulting from technological catastrophes, 31554
psychiatric consultancy in major disasters, 2720
psychological issues raised by farm crisis of 1980's, farm families, 26950
psychopathological characteristics, toxic oil syndrome food poisoning, Spain, implications for role of psychologists & psychiatrists in managing effects of disasters, 30424
psychosocial responses to disasters & diagnosis & treatment, child victims & their families, implications for family therapy, 9787
social work & role of social worker, natural & man-made disasters, 12699
utility of semantic differential technique, measurement of psychological effects of disasters, 2910
venting of radioactive gas from damaged nuclear reactor, psychophysiological responding, residents of Three Mile Island area, 5729
Discipline (Child) [See Child Discipline]
Discipline (Classroom) [See Classroom Discipline]

Discovery Teaching Method
discovery vs nondiscovery classroom climate, biology process skills & content achievement, college students, replication of Science Process Inventory study, 2370
verbal expository vs guided discovery method, teaching of defined concepts using Latin & Greek morphographs, 6th graders, 10346
Discrimination (Cognitive) [See Cognitive Discrimination]
Discrimination Learning [See Also Drug Discrimination, Reversal Shift Learning]
acquisition & transfer of inhibitory stimulus control in serial feature-negative discriminations during conditioned suppression, albino rats, 13734
acrylamide, duration & shape discrimination response & FI performance, pigeons, 16603
adult vs computer instruction, discrimination learning, 4.6–14.5 yr olds with autism & emotional disturbance & mental retardation & psychosis, 22760
analgesia-producing brain stem heat & electrical stimulation, tactile discrimination, female rats, 26585
aniracetam, delayed matching-to-sample performance, normal vs scopolamine-impaired pigeons & monkeys, 16764
aniracetam, matching-to-sample & short term memory performance, normal vs scopolamine-impaired female monkeys & male pigeons, 11331
associatively significant posttrial stimuli, learning & memory in delayed conditional discrimination task, pigeons, 13721
basis of configured discriminations using autoshaping procedure, pigeons, 11083
bilateral cold-induced lesions of inferotemporal cortex, learning & visual discrimination, female monkeys, 5797
biologically irrelevant flash of light, differential outcome effect & associated cognitive expectations in conditioned discrimination learning, male rats, 19203
chlordiazepoxide & overtraining, discrimination reversal learning, rats, 364
chlordiazepoxide given continuously vs intermittently, performance & acquisition of successive discrimination, male rats, 21554
chlordiazepoxide vs chlorpromazine vs amitriptyline vs methamphetamine, acquisition of discrimination avoidance conditioning, bilateral olfactory bulbectomized male rats, 11214
chlorpromazine & imipramine, stimulus control & response rate during matching-to-sample performance, male pigeons, 19477
cholinergic drugs vs lesions of nucleus basalis or fimbria-fornix, delayed matching, female rats, 23958
classical conditioning of nictitating membrane response & transfer of visual to auditory discrimination learning, female albino rabbits, 13733
complex stimulus relations, exclusion in matching-to-sample, 20 yr old brain damaged & autistic male, 22209
compound color & location stimuli, performance on delayed matching-to-sample tasks, pigeons, 13754
compound samples & prechoice signals, RT in delayed matching-to-sample, 18–23 vs 65–73 yr olds, 19570
compound stimulus, accuracy in matching to element, pigeons, 19205
concurrent electrical microstimulation of various areas of olfactory bulb, discrimination of patterns of neural activity, male rats, 23912
context effects & encoding specificity, verbal discrimination learning, college students, 11015
contextual stimuli, operant discrimination reversal learning, pigeons, 5575
cue significance & response regulation, learning of discrimination tasks, 3 vs 4 vs 5 vs 6 yr olds, 8697
deprivation of nutrients & maternal contact in incubator vs deprivation of nutrients through placement with dam treated with bromocryptine mesylate, spatial discrimination learning for milk reward, 10–11 day old rats, 11224
differential auditory discrimination task & preceding task performance, sensory-evoked potentials in dentate gyrus, rats, implications for short term information storage, 23801
differential sample response requirements, accuracy on matching to sample task, pigeons, 11091
discrimination learning of cue tones & integration of rewarding & aversive stimuli, neuronal activity in lateral hypothalamus & lateral preoptic-anterior hypothalamic area, rats, 23821
discrimination learning requiring long term reference memory & working memory, 8–9 vs 22–24 mo old male rats, implications for neurochemical comparisons, 11136
discrimination learning task performance as indicator of cognitive ability, 37–83 yr olds with Parkinson's disease vs without CNS dysfunction, 17585
discrimination of fixed vs variable stimulus duration in operant conditioning paradigm, pigeons, 11072
discrimination of unreinforced probes in matching & mismatching task, mildly & moderately retarded 16.3–18.9 yr olds, 24835
discrimination training on free-operant avoidance baseline & perceived safety of stimulus, inhibitory stimulus control, hooded male rats, 29218
dosages of ethanol with vs without apomorphine, discriminative performance on operant task, rats, 3324
duration of delay & hue vs linear stimuli, performance on matching-to- sample task, pigeons, 11092
empty intervals in discrimination learning, temporal thresholds & response bias, male cats, 29205
enriched vs impoverished environmental conditions vs ECS, open-field behavior & learning discrimination task, male rats, 3080
errors in acquisition of delayed alternation & cortical levels of dopamine & noradrenaline & 5-HT, male rats not treated with drugs, 13824
escapable vs inescapable shock, defensive strategies in water maze & subsequent discrimination performance, male mice, 5789
establishment & generalization in matching-to-sample learning, 18 & 19 yr old mentally retarded males, 25873
figure stimuli with variable irrelevant cues, discrimination learning, 8–12.5 yr olds with autism, 9306
forgetting functions & stimulus control & attenuation in delayed matching- to-sample, homing pigeons, 19234
fornix transection, performance on spontaneous & trained non-matching tasks, monkeys, 610
frequency discrimination, assessment of global vs element-level memory units, college students, 19138
frontal cortical lesions, acquisition of tactile discrimination, severely vs moderately malnourished rats, 13880
global vs local features, matching & classification tasks, college students, 23619
graded stimulus vs prompt fading vs trial & error training, visual shape discrimination, severely mentally handicapped 7–14 yr olds, implications for applied training procedures, 27929
graduated stimulus change & trial & error training procedures, discrimination learning, profoundly retarded adults, 24834
houselight & tone vs dark & noise context, conditional discrimination performance, mice, 19228
identical configuration in pairs of discrimininda, acquisition of discrimination learning, macaque monkeys, 16350
instruction stimuli vs verbalized contingencies, errors in conditioned reinforcement response chains, 3.3–5.5 yr olds, 26870
interpolated stimuli, retroactive interference of short-term memory, pigeons, 5553
intertrial interval food presentation, delayed matching to sample accuracy, adult pigeons, 23687
intraseptal injections of 6-hydroxydopamine, catecholamine neuronal activity & time discrimination behavior, male rats, 11305
length of retention interval & intertrial interval, tracking in serial learning or delayed discrimination task, male rats, 11054
lesions in lateral septum induced by 6-hydroxydopamine, spontaneous alternation & acquisition & reversal of spatial discrimination task, male mice, implications for role of cholinergic system in control of behavior, 13924
lesions to cerebral cortex vs cingulate cortex vs dorsal hippocampus, discrimination & maze learning performance, 21–22 day old rats, 23930
leupeptin, odor discrimination task performance, male rats, 16806
light vs tone as feature-positive stimulus, generalization & strength of CR, rats, 377
lithium, exploratory behavior & position discrimination ability in passive avoidance task, male rats, 11302
marker stimulus following choice response in delayed reinforcement, discrimination performance, pigeons, 11069
matching & oddity discrimination tasks, transfer to new stimuli, pigeons & corvids, 26413

matching vs oddity discrimination with colors, transfer effects with new colors, pigeons, 26412
memory capacity & delayed discrimination of sodium saccharin vs sodium chloride, rats, 16355
memory in delayed matching tasks, male monkeys, 611
multiple differentially rewarded stimuli, maximization of reward via discriminative responding, female Atlantic bottle-nosed dolphins, 8292
naming process in learning auditory-visual & visual-visual conditional discriminations, mentally retarded 19–25 yr olds vs nonretarded 5 yr olds, 24837
neocortex lesions, brightness discrimination task performance, male rats, 13933
nootropic drugs & peptides, barpressing for water reward & discrimination learning, male rats, 3300
observational learning & direct training, matching-to-sample discriminations, moderately to severely retarded 19–25 yr old males, 24831
orthographic letters vs lexigram elements, discriminability in match-to-sample task, institutionalized nonspeaking severely mentally retarded residents, 4073
pattern element discrimination, serial anticipation & pattern extrapolation, male rats, support for memory-discrimination model of serial learning, 29195
phenobarbital vs clonazepam vs valproic acid vs ethosuximide vs phenytoin, delayed matching-to-sample performance, pigeons, 21571
phenotype, motor activity & maze & discrimination learning following thiamine deficiency, mice, 23784
photocell decoder linked to microcomputer, automatization of tubular Y-maze for visual & vibrisso-tactile discrimination learning, 13349
picture & printed vs spoken vs printed word matching, acquisition & retention of reading & transfer of matching-to-sample performance, mentally retarded children, 7716
pimozide, behavioral adjustment & discrimination learning, moderately & profoundly mentally retarded Ss with mean age of 15.7 yrs, 18120
positional strategies during visual discrimination, adult female armadillos, 11078
positive transfer from sequence production to sequence discrimination, naive pigeons, 23690
posterior lateral olfactory tract & anterior amygdala lesions, retention of preoperatively learned odor detection & acquisition of new odor discrimination tasks, male rats, 11257
preference for unpredictable appetitive rewards obtained under conditions predicted by DMOD model by H. B. Daly & J. T. Daly, male rats, 5539
pro-enkephalin beta-derived peptides, generalization tests, rats trained to discriminate opioid kappa receptor agonist ethylketocyctazocine, 16791
range effects in successive discrimination, male Carneaux vs homing vs female Oriental frill pigeons, 23670
ratio reinforcement schedules, discrimination learning, male Japanese monkeys, 8286
reinforcement expectancies, trial spacing effect in delayed matching-to-sample, pigeons, 29210
reinforcement of line probe responses following discrimination of colors by keypecking, acquisition of stimulus control in fading procedures, pigeons, 8283
response- vs stimulus-reinforcer pretraining, negative vs positive stimulus discrimination control, rats, 5573
response training, hypothesis testing from relevant attribution in discrimination shift task, 44–66 mo olds, 14173
rewards vs punishment, discrimination learning, children, meta analysis, 3427
role of observation & attention, stimulus control in discrimination learning, 16310
sample durations & retention intervals & passage of time during test period, delayed matching-to-sample & rate of forgetting, feral pigeons, 23669
scopolamine, continuous nonmatching-to-sample & stimulus discrimination & retention in working memory, male rats, 14056
selective response to content vs intonation of complex auditory stimulus, echolalic vs nonverbal autistic male 4.4–12 yr olds, 24711
shift from small reward to nonreward in runway discrimination problem, learning, male rats, 359
signal presentation procedure & negative reinforcement, brightness discrimination & transfer effects in transposition, goldfish, 23693
single-sample multiple-comparison training, stimulus class development, mentally retarded vs nonretarded 8–17.7 yr olds, 24838
single vs dual elements presented simultaneously vs sequentially, 1-key matching task, female pigeons, 26406
six member stimulus classes generated by conditional-discrimination procedures, 5–9 vs 22 yr old vs 21 yr old with Down's syndrome, 8786
size & shape of haptic stimuli & response with same vs opposite hand, short term memory in delayed matching-to-sample task, monkeys, 29186
social facilitation & role of interindividual relationships, learning, Guinea baboons living in enclosed area, 29202
species differences, odor-based double alternation patterning, wood vs male albino rats, foraging implications, 23774
speech vs nonspeech sounds, auditory discrimination learning, autistic 4–9.9 yr olds, 27318
stimuli of changing size, matching to sample, pigeons, 371
stimulus control in discrimination learning, application to developmentally disabled & mentally retarded persons, 24840
subchronic soman administration, acquisition of discriminant shock avoidance-escape behavior, male rats, 21510
subintervals of successive vs delayed or memory discrimination in VI schedules of food reinforcement, sensitivity to reinforcement following delayed stimulus control, homing pigeons, 23681
sublethal exposure to soman, discrimination learning & blood acetylcholinesterase, 12–20 mo old baboons, 16632
sublethal soman exposure & discrimination task training, task performance & attentional deficits, male juvenile baboons, 29412
symmetry & transitivity in backward association during discrimination learning, monkeys & pigeons, 19194
temporal integration in duration & number discrimination in psychophysical choice procedure, male rats, 11073
temporal vs spatial separation of letters, fast-same effect in matching task, college students, 216
toluene & ethanol, performance of match-to-sample task, male baboons, 5850
training in discrimination of constriction &/vs dilation, acquisition of voluntary & biofeedback control of cephalic vasomotor responses, college students, 13867
training in visual arbitrary matching-to-sample, sample-comparison control, mildly mentally retarded 13.3–19.7 yr old males, 24842
training to discriminate number 3, male raccoon, 5540
training to dry licking vs leverpressing response, behavioral contrast & resistance to extinction, rats, test of additivity theory of behavioral contrast, 16357
trial-and-error training vs fading, color discrimination, severely mentally handicapped 22–59 yr olds, training & educational implications, 25263
usefulness of conditioned discrimination procedure in behavior-genetic analyses, blow flies, 5577
variation of stimulus disparity, switching-key concurrent VI schedule performance, 13723
varied mapping of sample stimuli to comparison stimuli & differential outcomes, working memory, pigeons, 23683
varied multiple VI reinforcement schedules with discriminative stimuli, interresponse time distributions, homing pigeons, 16360
visual discrimination learning, common tree shrews, 23678
visual discrimination training with 2- vs multiple-choice & distraction, stimulus generalization performance, mentally retarded adults, 14758
visuomotor running patterns, visual pattern discrimination learning, rats, 19183
water-maze task performance, measurement of acquisition of positional discrimination, 18 vs 28 vs 38 day old rats, implications for role of catecholaminergic system, 3074
1-trial object recognition, rats, 26388
10 vs 30 daily massed practice opportunities, acquisition of discrimination skills, severely retarded 12–21 yr old students, 15841
2-dimensional learning set vs orthogonal problems, hypothesis testing abilities in discrimination learning, language disordered 3–6 yr olds, 22216

Discrimination [See Also Related Terms]
discrimination & generalization, identification & classification, comments on article by R. M. Nosofsky, 16325
employment discrimination lawsuits, disabled workers, case law, 14335
relative operating characteristics of indices, identification of model of discrimination process implied by index, 13499
schools' response to dropouts & need for advocacy, male vs female high school dropouts vs male dropout represented by parent, 28646
semantically negative vs positive words, auditory evoked responses & identification of brain region that discriminates positive & negative features, college students, 8397
Discriminative Learning [See Discrimination Learning]
Discriminative Stimulus [See Conditioned Stimulus]
Discussion (Group) [See Group Discussion]
Diseases [See Disorders]
Diseases (Venereal) [See Venereal Diseases]
Dishonesty
altruism & dishonesty, adult Ss, replication of methodology of C. V. Newman, 24544
Dislike [See Aversion]
Disorders [See Also Related Terms]
accuracy of knowledge of parents' & grandparents' history of medical disorders, college students, 24910
age & race & educational level & occupation, incidence of physical & mental disorders, male Black vs White Navy personnel, 1974–79, 14558
age & sex & diagnostic & treatment characteristics, children & adolescents treated in Dr. Juan N. Navarro Child Psychiatric Hospital, implications for program planning, Mexico, 1980, 28166
age-specific hospitalization & disability & mortality rates for diving-related vs stress-induced & other disorders, Navy enlisted divers vs nondivers aged 17 yrs & older, 11872
alcohol abuse, nervous system & work-related disorders, conference presentation, 12063
amount of stressful life changes & perceived social support, incidence & pattern of self reported illness, patients, 14871
atlanto-axial instability, individuals with Down's syndrome, recommendations for parents & educators, 1477
attitudes toward & incidence & types of work-related illness, patients in family medicine center, 14909
beneficial effects of own illness on behavioral development, children, 17646
biological factors in left handedness & cerebral dominance & relationship to immunologic disorders & migraine & dyslexia, literature review, 5677
body image & culture shock, illness & doctor-patient relationship, North African immigrants, France, conference presentation, 7332
changing alcoholic consumption pattern, incidence of liver cirrhosis & alcohol hepatitis & chronic calcific pancreatitis, Blacks, South Africa, 6867
characters of family stress induced by child's chronic illness & construct validity of long & short forms of Questionnaire on Resources & Stress, parents of 6–14.9 yr olds with cystic fibrosis vs renal disease, 30406
Children's Apperception Test, psychodiagnosis, 3–10 yr olds with low SES in psychological treatment, 6447
children's illnesses, risk of child abuse, 3996
classification of illnesses with International Classification of Diseases in university health service, 18646
comprehension of information given by doctors, parents who are transmitters of genetically fatal diseases, 9634
computer-based diagnosis & drug treatment, vestibular disorders, conference presentation, 1962
concrete-sensitive & affective & conceptualizing & evaluative complaints, defense mechanism formation, patients with neurotic & neurotic-like states & somatic illnesses, implications for differential diagnosis, 6821
construction & validation of Child Improvement Locus of Control Scales, assessment of parental beliefs about influences on improvement or recovery of their children, parent of autistic or physically ill children, 23424
coping ability, reactions to stressors & resulting stress & pathological consequences, 27251
coping strategies & support mechanisms mediating social environmental influences, diseases, 14873
cyclophosphamide & prednisone, 55 yr old female with Wegner's granulomatosis & drowsiness & unsteady gait & polydipsia & depression & paranoid symptoms, 20401
delusional parasitosis syndrome & physical disease, 68–92 yr old patients, 24867
depression & social support & physical illness, elderly Black residents of metropolitan area, 30075
depression, chronically ill or handicapped children, 27626
development of acute pancreatitis after overdose with amoxapine & procyclidine, 26 yr old female with schizoaffective disorder, case report, 27588
developmental issues in acute-onset serious chronic organic disease, adolescents, 9543
distinguishing of organic from psychogenic disorders, nonmedical psychotherapists, 24940
divergent models of health & disease, patients vs physicians, 24586
drawings as indicators of perception of pain, 5–9 yr olds in ambulatory clinic with acute health problem, 28042
dreaming as diagnostic of bodily disease, 5519
ease of imagining hypothetical future events, contracting disease, female college students, implications for preventive health programs, 6870
effectiveness of early intervention, infants & children with organic impairment & developmental delay, literature review, 7726
emotional aspects of rehabilitation process & cognitive coping strategies, ill & physically handicapped patients, 10142
emotional responses & psychologic states, 16–47 galactorrheic females, 24977
feature films & portrayal of disability, 5984
gastroesophageal reflux & Barrett's syndrome presenting as globus hystericus, 46 yr old male, 22014
heritability estimate for temperament scores & genetic correlation with hip dysplasia, German shepherd dogs, 23783
historical background & characteristics & risk for physical & mental disorders, homeless, 27250
history of apomorphine- & experimentally-induced anomalous behaviors, animals, 350
home care program, children with serious health problems, conference presentation, 28070
hypotheses for therapeutic responses to tricyclic antidepressants across nonaffective psychodiagnostic categories, 7214
identification of dementia secondary to treatable physical & psychiatric disorders, 59–94 yr old psychiatric hospital patients, 22382
illness & extreme stressors & family psychosocial environment, resiliency & development, adolescents, 8850
illness, determinants of work loss, workers in American families, 1968–79, 15971
illness, relationship between life change & academic performance, college students, 13007
incidence of physical disorders, outpatients of general hospital psychiatric clinic, 28138
individual factors, psychological reactions to organic acute & chronic illness, 24895
interaction of illness processes & family dynamics & intrapsychic processes, chronically ill children & their families, 30389
job involvement & life change & distress, psychological & physical illness, fire service employees, Australia, 7859
language in childbirth & disease in theory of G. Groddeck, 24601
life events stress & periodontitis & gingivitis, 23–47 yr old male veterans, 22265
losses & separations as psychosocial stressors, implications for immune system & physical illness, 17614
medical complications & guidelines for hospital management & outpatient treatment, patients with anorexia nervosa or bulimia, 12174
methodological problems, epidemiologic study of work-related diseases, conference presentation, 12215
misdiagnosis of Crohn's disease as anorexia nervosa, 15 yr old female, 20243
morbidity & mortality issues in psychiatric social epidemiology, Cuba, literature review, 6431

neuropsychological assessment, personal injury litigation involving head injury or toxic environments or physical disease or malpractice, 24409
nosographic approach in assessment of pathology, adolescent development, 6455
nursing home vs own home residence, symptoms of physical deterioration, male vs female 60–89 yr olds, Spain, 30459
parental & sibling reactions & role of multidisciplinary treatment team, chronically ill children, 30450
personality hardiness &/vs exercise &/vs social support, concurrent & prospective level & probability of illness, male business executives, 27241
physical & psychological & social conditions & somatic complaints, Turkish migrant females, Denmark, 4172
physical fitness, relationship between stressful life events & subsequent illness, 17–31 yr olds, 3795
physical illness & physiological changes & medication or drug use, depression, 30130
physical illness & psychiatric symptoms, psychiatric patients, 1227
physician recognition of ethnomedical vs biomedical complaints, primary care patients, Appalachia, 20457
physiological aging, biologically- & surgically- & illness-related sexual changes & suggested coital positions, males & females over 50 yrs, 24437
predictors & profiles of negative health outcomes, aged, 17597
prevalence & diagnosis & treatment response, medical patients with depressive symptoms, 27653
program of World Health Organization, identification & magnitude of work-related diseases, conference presentation, 12192
proposal to reclassify depression of late life as biochemically based somatic disorder, elderly patients, 14546
psychological & genetic-dynamic forces, warning cues of vulnerability to somatic illness, 4200
psychological intervention strategies, children with life threatening illnesses & their families, 25130
psychopharmacological effects of alcohol & marihuana & amphetamines & heroin & LSD, development of physical & psychiatric disorders, adolescents, Spain, 12077
psychosocial & organic predictions of incidence of lung cancer & cardiac infarct & apoplexy, 40–71 yr olds, Yugoslavia, 10-yr study, 12208
psychotherapy, somatic disorders, patients, 6931
reactions to patient's self- or chance-blaming attributions for illnesses having varying lifestyle involvement, health practitioners, 30843
role in assessment & stabilization of critically ill & injured child during transportation to hospital, nurses, 15223
shape of electroglottography waveform, voice of female patients with vocal nodules, 20137
social & emotional antecedents to illness & hospital as predicaments, implications for medical & psychiatric diagnosis, 22016
somatic illnesses, 21–67 yr old manic depressive vs 20–70 yr old schizophrenic patients, 19924
standardized objective tests, assessment of medical & psychological sequelae of concentration camp imprisonment & support for validity of clinical impressions, Holocaust survivors & their children, literature review, 9200
stimulation effects in hospital ward, emotional responses to separation from mother, 1–5 yr old males with minor illnesses, 10077
stressful experiences & periods of high vs low stress, patterns of illness, 21–60 yr olds, 24954
stressful life events, etiology & onset of physical illness, literature review, 9519
stressful life events-illness model & role of social support in health protection & in treatment, literature review, 4237
symptoms of anxiety & depressive & somatic displacement & posttraumatic reaction & irritability & impulsiveness & headache & fatigue, workers who suffered carbon monoxide poisoning in industrial accident, 22330
theology & meaning of illness, 1224
types of delusions, 34–86 yr old patients with organic disorders, literature review, 4115
use & mechanism of tricyclic antidepressants & MAO inhibitors & antidepressants of atypical structure, psychiatric & nonpsychiatric disorders, 25293
utility of MMPI in determining maladaptive personality/coping styles, medical patients, 26237
Disorientation (Place) [See Place Disorientation]
Displacement (Defense Mechanism)
displacement of sensation from eyes to genitals, 26 yr old congenitally blind female, 6760
Displays [See Also Animal Courtship Displays, Graphical Displays, Tactual Displays, Visual Displays]
directionality of movements between successive song perches, male sage sparrows, 26452
display & attack as reinforcers, hurdle-crossing response to target conspecific, male fighting fish, 23732
display vigor & subsequent fight performance, dominant & subordinate male Siamese fighting fish, 23705
Disposition [See Personality]
Disruptive Behavior [See Behavior Problems]
Dissociative Patterns [See Also Amnesia, Fugue Reaction, Multiple Personality]
affective dissociation, persons who had experienced near death experiences or experienced hypnosis or were engaged in autogenic training, 2756
characteristics & hypnotic treatment, dissociative episodes manifested as psychotic states, 17 yr old female misdiagnosed with bipolar affective disorder, 1384
dissociation & psychotic symptoms & transient psychosis, comments on article by S. Steingard & F. H. Frankel, 22132
dissociation & psychotic symptoms, reply to comments of R. Thweatt, 22126
psychotherapy & hypnotherapy & spiritual healing through prayer, depression & dissociation, pastor's wife, 18217
spontaneous dissociations & hypnotizability, perpetration of sexual offenses, 17–35 yr olds convicted of rape or pedophilia or incest, 3968
Dissonance (Cognitive) [See Cognitive Dissonance]
Distance Discrimination [See Distance Perception]
Distance Perception [See Also Apparent Distance]
age & degraded viewing environments, speed of accommodation, 20–54 yr old male airline employees, 10913
available optical information, perception of distance & judgment of middle of long route, 10920
comprehension of relationships between time & speed & distance, comments on study by F. Wilkening, 810
comprehension of relationships between time & speed & distance, 5 vs 8 vs 10 yr olds vs adults, 875
contrast sensitivity vs Snellen visual acuity tests, prediction of ability to discriminate distances for images of highway signs, 19–30 vs 55–79 yr olds, 19063
developmental acquisition of time &/vs speed &/vs distance concepts, comments on study by I. Levin, 811
distance between stimulus & eye vs horizontal distance from trunk of S, perceptual aftereffect & distance perception, normal Ss, 8173
distance perception with holographically reconstructed objects, adult Ss, 13553
experimental design, study of developmental acquisition of time &/vs speed &/vs distance concepts, reply to comments by J. Crepault, 837
experimental methods, comprehension of relationships between time & speed & distance, reply to criticism of J. Crepault et al, 874
exponent of S. Stevens & E. H. Galanter, psychophysical scaling of variations in functions relating physical & psychological distance, 8046
eye convergence &/vs ocular accommodation cues, egocentric distance estimates of single point source of light, 20–61 yr olds, 16263
hypothesized clusterings of landmarks in familiar environments from recall protocols, judgments about spatial distances, female college students, evidence for hierarchies in cognitive maps, 21153
judgment of time &/vs speed &/vs distance, 3rd vs 6th vs 9th vs 12th graders vs college students, 836
multiple stimuli in perception of distance & depth & visual motion, conference presentation, 8161
perception & comprehension of projective size/distance & projective shape/orientation relationship, 3 vs 4 yr olds, 16944

perception of egocentric distance of targets, 18–36 yr olds, test of theory of binocular distance perception, 5406
pleasantness of landmarks on scaled map, recall of distances between landmarks, college students, 7906
range effect in saccadic eye movements, adult Ss, 21090
route angularity, time & distance estimates, 2nd vs 3rd vs 4th graders, implications for environmental planning, 29611
route segmentation, proximity judgments & macrospatial distance estimation, college students, 21142
size & distance & visual angle perception creation of paradox through standard descriptions of visual spatial experiences, 19071
terrestrial passage theory of moon size & distance illusion, comments on C. F. Reed's paper, 2984
terrestrial passage theory of moon size & distance illusion, reply to criticism by G. R. Loftus, 2994
travel effort, distance estimation, 2nd vs 4th vs 6th graders, 8741
use of size-distance invariance hypothesis vs head-motion procedure, indirect measurement of perceived distance, college students, 13554
visibility of buildings, perceived distance to buildings, college students, 2986
visual accommodation & apparent size, judgments of size & distance, pilots, review of psychophysiological experiments, 19074
visual simulation requirements, aircraft aspect recognition sensitivity, 21–46 yr olds, 5129

Distortion (Perceptual) [See Perceptual Distortion]

Distractibility
distracting auditory message, arithmetic task performance as test of attention, graduate students, 23648
neuroleptic blood level & auditory distractibility, schizophrenic patients, criticism of study by M. E. Strauss et al, 12588
neuroleptic blood level & auditory distractibility, schizophrenic patients, reply to K. G. Terkelsen's criticism, 12587

Distraction
advertisements, conspicuity of routing information in railway station scenes, college students, 26056
distracting activity, reduction of psychological stress by alcohol, college students, 24030
distracting stimulus, contingent negative variation, 46–52 yr olds with presenile dementia, 6852
exposure to most feared situation under distraction vs attention focusing conditions, subjective anxiety & heart rate, adults with obsessive compulsive washing rituals, replication of prior study by J. B. Grayson et al, 27899
habituation of attention to irrelevant information, within-task improvement in selective attention, kindergartners through 2nd graders vs 4th–6th graders, 16934
information processing performance & susceptibility to external distraction, discourse failure, manic vs schizophrenic patients, 24645
nonsexual cognitive distractor vs high vs low arousal film, penile responding, 22–64 yr old sexually functional vs dysfunctional males, 9496
presentation of target letter in either vs both of 2 locations in visual display, RT task with divided attention, female college students, 2979
removal & diversion tactics, treatment of auditory hallucinations, 29 yr old single female with schizophrenia, 4407
self instruction vs progressive muscle relaxation, impulsive & inattentive behavior on cognitive tasks, learning disabled children with mean age of 10.4, 30701
simultaneous task presentation & level of difficulty, recall & attention, depressed patients, implications for depressive cognitions, 9287
smoking & distraction, sensory & slow cortical EPs during task performance, female adults, 26691
time needed to name colors of emotional vs neutral vs overdose theme words on Stroop Color-Word Test, suicide attempters vs hospitalized patients due to drug overdose vs nonhospitalized Ss, 27462
visual stimulation & concurrent counting task, speed of discovery of alternative organization of ambiguous geometric figures & subsequent reversals, college students, 244

Distress
acute adverse reactions to alcohol vs marihuana vs hallucinogens vs phencyclidine & psychological distress, drug use patterns, 10th vs 11th vs 12th graders, 1-yr study, implications for drug abuse prevention programs, 26907
attitudes toward nuclear war & nuclear power, distress & depression & drug use & quality of life, 19–24 yr old males & females, 21805
construction of Emotional Distress Scale, evaluation of emotional distress, 22–87 yr old patients with malignant blood diseases, 5351
development & status of tort of negligent infliction of emotional distress, 11652
development of self report questionnaire, measurement of distress & assertive behavior in interpersonal relations, phobic outpatients, 28928
differences in adjustment & distress & social dependency, lung cancer vs heart attack patients, 30382
exposure to neutral vs phobic slides, distress & cortisol levels in urine & electrodermal activity, Ss with blood & mutilation vs snake or spider phobias, 19918
gender, psychological distress of marital dissolution, divorced adults, 8984
high vs low distress, DNA repair in lymphocytes, 19–59 yr old nonpsychotic psychiatric patients, 17374
history & current law regarding intentional infliction of mental stress, 24384
home vs boarding school environment, problems & worries recorded in diary & homesickness, 11–16 yr olds, Great Britain, 7659
housing type & location, psychological distress, households, Great Britain, 19854
independent tort status of negligent infliction of emotional distress, illustrative legal case examples, US, 11651
individual & interpersonal techniques in integrative multilevel therapy, distressed individuals & couples & families, 22446
intercorrelation of measures of distress & depression & anxiety & causal attributions, college students, replication of study by I. H. Gotlib, 24688
job involvement & life change & distress, psychological & physical illness, fire service employees, Australia, 7859
legal & psychiatric perspectives in 3rd party witnesses of act of violence & subsequent distress, children, 24383
legal compensation for emotional injury, discussion of 2 legal cases, conference presentation, 11654
level & nature & prevalence of psychosocial distress, oncology outpatients, 4128
negative vs positive life experiences & psychological distress, maladjustment, 7th & 8th graders, 5-mo followup, 8908
perceived stress & anxiety & depression & self esteem, female vs male preclinical medical students, 15540
positive vs negative life events & distress, chronic low back pain, patients, 24991
proposal for establishment of independent tort of negligent infliction of emotional distress, 29868
Protestant work ethic & work involvement, depression & anxiety & general morale & financial stress, highly educated unemployed Ss, 15958
psychic distress, CNS immunoregulation, literature review, 17681
psychosocial & physical environment & geographical distance of move & personality factors, homesickness, 1st-yr vs post-1st-yr college students, UK, 4909
psychosocial life cycle paradigm guiding current psychiatric epidemiologic investigations of stress-distress process, 23388
rational emotive therapy, alleviation of maladaptive emotions & behaviors, caregivers of Alzheimer's disease patients, 7050
reformulation of attachment construct as symbolic interdependence & post-break-up distress, premarital couples, 6-mo longitudinal study, 17091
self deception & impression management, report of psychological vs somatic distress, male vs female college students, 21981
self report of depression & positive affect & psychoneuroticism, Curacaonian vs Aruban vs Dutch 13–20 yr olds, Netherlands-Antilles, 24166
sex roles & race & demographic characteristics, physical symptoms of distress, 18–79 yr olds, 1105

social support & social pressures & psychological distress during unemployment, male vs female Black vs White urban 17 yr olds, England, 18715
social support & stressful life events, psychological distress, 21–40 yr old working class mothers, 30197
societal competition & intensity of interpersonal bonding & impact of TV drama, levels of aggression & psychological distress, adult males, implications for world peace, conference presentation, 14270
time & membership in self help support group, coping behaviors & distress, patients with genital herpes, 25425
Distress Calls (Animal) [See Animal Distress Calls]
Distributed Practice
expanded ability-based vs missed classroom practice, retention of multiplication facts & spelling lists, 3rd graders, 7610
Distribution (Frequency) [See Frequency Distribution]
Distrust [See Suspicion]
Disulfiram
disulfiram, hepatitis, alcohol abusing 39 yr old female, 18327
disulfiram, hepatotoxicity, 40 yr old female with alcoholism, 2176
disulfiram vs nitrefazole prior to ethanol, hypotensive response, male rats, implications for treatment of alcoholism, 14005
imipramine & desipramine before vs during disulfiram treatment, oxidative metabolism of imipramine & desipramine, detoxified 37 & 52 yr old male alcoholics, 10154
Diuresis
atriopeptin II, diuresis & urinary sodium concentration & osmolality & salt appetite, hydrated vs sodium-depleted male rats, 26660
nicotine tartrate & septal lesions, drinking & diuresis, male rats, 5750
serum lithium, diuresis, 25–70 yr old patients, 9922
Diuretics [See Also Caffeine]
amiloride, chorda tympani responses & salt taste, male rats, 5822
depression as side effect of thiazide diuretics, hypertensive 44–69 yr olds, 4520
lithium toxicity induced by combined amiloride hydrochloric acid-hydrochlorothiazide, 72 yr old female with bipolar disorder, 18049
low vs high sodium diet & furosemide vs deoxycorticosterone acetate vs indomethacin, ethanol-induced motor impairment, male rats, 21381
spironolactone, prevention of acute mountain sickness, 19–25 yr olds, 25300
Diurnal Variations [See Human Biological Rhythms]
Divergent Thinking
cognition & convergent & divergent thinking & achievement, male vs female 10th graders in rural school, India, 24156
creativity instruction, cognitive skills & divergent thinking, 11–12 yr old learning disabled students, 25866
divergent thinking ability & act generation performance, college vs advanced graduate students, 23596
divergent thinking test scores, creative performance, gifted vs nongifted 5th–8th graders, implications for criterion-related validity of divergent thinking tests, 31371
elementary cognitive tasks, measurement of underlying cognitive processes & flexible thinking & individual differences in performance, college students, 26346
explicit instructions to be creative, divergent thinking & discriminant & convergent & predictive validity of maximal performance test scores, gifted vs talented intermediate school students, 28636
feedback requiring change vs repetition, solution of divergent vs semi-divergent figure drawing problems, 1st–8th graders, 14182
high vs low verbal divergent thinking ability, reading processes & recall of material read, 6th graders, 25811
improvisation in musical tasks, 2 vs 3 vs 4 vs 5 yr olds, 21698
pressure-free vs pressured classroom situation, level of divergent thinking, students, 4907
response to personal vs presented drawings in divergent thinking exercise as indication of creativity, 5th graders, 14243
social validity of divergent thinking tests, judgments of creativity of gifted & nongifted 5th–8th graders, 29–41 yr old teachers, 20817
validity & reliability of verbal vs figural divergent thinking test & unique vs unusual ideas in obtaining originality scores, psychometric properties of ideational originality, gifted vs talented vs nongifted 5th–8th graders, 7773
visual exploration vs physical manipulation play, problem solving ability, 44.7–63.9 mo old preschool age children, experimental replication of K. Sylva's study, 11408
vividness & control of visual imagery, performance on divergent thinking tasks, 20–65 yr olds, 26350
Divided Attention
divided attention task with same vs different presentation rates of simultaneous sentences, auditory comprehension, 8.8–12.8 yr olds with acquired language disorders, 12147
effectiveness of syntactic analysis of primary task of editing flight route-way-point information, college students, 23290
efficiency of remembering concurrently presented series of letters & digits, 18–22 vs 59–84 yr olds, 3055
feedback & divided attention instructions & similar vs different types of task pairs, dual-axis position tracking, college students, 203
joint attention behaviors in videotaped interactions with mothers, high vs low risk preterm vs full-term 6 mo olds, 24198
performance on right vs left ear verbal vs auditory tone memory tasks, attentional independence of cerebral hemisphere resources, right handed males, 511
presentation of target letter in either vs both of 2 locations in visual display, RT task with divided attention, female college students, 2979
psychoticism & creativity, dichotic shadowing & focused attention, Ss, 24703
response competition vs limited-capacity models of attention, categorization task performance levels, 13707
self regulation, concurrent cognitive processing, college students, 10968
shape vs numerosity directed attention, perception of shape-at-a-slant, college & graduate students & university employees, 10915
simultaneous rapid alternating stimulus naming & reading measures, differentiation of impairment & sequencing & attention-organization ability & prediction of later reading performance, dyslexic 2nd graders tested since kindergarten, 20790
simultaneous task presentation & level of difficulty, recall & attention, depressed patients, implications for depressive cognitions, 9287
speaking, rate & variability of concurrent finger tapping, 6.3–10.4 yr olds, 11421
visual stimulation & concurrent counting task, speed of discovery of alternative organization of ambiguous geometric figures & subsequent reversals, college students, 244
Division of Labor (Animal) [See Animal Division of Labor]
Divorce
academic & curriculum developments & role of academe in divorce mediation, academicians, 15512
academic & social self esteem & attitude toward parents & locus of control, 9–14 yr olds from divorced vs intact families, implications for social casework, 8917
adaptive capability of family system, outcomes of divorce, US, literature review, 3600
adversarial & mediation legal approaches vs phenomenological & psychoanalytic family therapy models, resolution of divorce & child custody conflicts, 17936
Association of Family and Conciliation Courts standards of practice for family & divorce mediation, US & Canada, 21863
attitudes & characteristics, 24–53 yr old parents seeking joint custody & their 12 mo to 15 yr old children, 1-yr followup, 21843
